

The Order 1931

Chapter: 1931

Chen Ping was now wrapped in golden light, and the layer of dark material began to fall off, but the scars on Chen Ping's body disappeared.

At this moment, Chen Ping's skin was white and shiny, better than a baby's skin, as if it was growing again.

This made Ji Ruxue in the room dumbfounded.

Chen Ping tried to control his body to stand up.

Soon, the palms of his hands could move, followed by his feet. Soon Chen Ping slowly stood up.

At this moment, Chen Ping was radiant and his whole body was radiating light.

But when Chen Ping stood up, he suddenly felt a chill down there. After he lowered his head suddenly, he almost scared Chen Ping to death.

It turned out that he was standing naked at this moment.

Chen Ping looked at Ji Ruxue who was looking at him through the window in the room. Chen Ping almost died of embarrassment.

With a pinch of his fingers, a blindfold appeared instantly, hiding Chen Ping directly.

Chen Ping couldn't stand being watched like this.

What's more, he has to endure a thunderstorm and cannot be distracted.

Soon, dark clouds gathered and became thicker and thicker, indicating that the third thunder tribulation was coming.

Rumble.....

The third thunderstorm struck down, and a bolt of lightning shot out from the dark clouds like a silver snake, and hit Chen Ping directly with huge force.

The entire Red Lotus Palace was shaken by the thunder.

This also caused many people in Honglian Palace to wake up from their sleep.

Then he looked at the strange scene outside the window in surprise. No one dared to leave the room. No one knew why there was such bad weather at night.

They didn't know that Chen Ping was responsible for this terrible weather.

The thunder calamity hit Chen Ping's body, and the golden light on Chen Ping's body became a little stronger.

Moreover, the Nascent Soul seemed to be growing like a baby, obviously larger than at the beginning.

Rumble.....

Another thunderstorm fell.

Chen Ping sat cross-legged, his eyes slightly closed, and his spiritual consciousness directly entered his body, observing Yuanying without caring about his body at all.

Chapter: 1932

For him now, Chen Ping cannot die unless his Nascent Soul dies. Even if his body rots and disappears, Chen Ping can slowly recover.

Click...

The thunder calamity containing the power of heaven and earth hit Chen Ping's body hard.

Each sky thunder is more powerful than the last one.

Chen Ping's body was split to pieces in an instant, but was quickly repaired by the golden light.

Chen Ping planned to set up a blindfold so that Ji Ruxue couldn't see him, otherwise she would definitely be frightened when she saw him in this situation.

Rumble.....

Thunder tribulations struck down one after another, ten thunderbolts struck Chen Ping hard.

The dark clouds in the sky are slowly dissipating, and this thunderstorm is over.

But Chen Ping, who was sitting cross-legged on the ground at the moment, seemed dissatisfied with the ten thunder tribulations.

Because the more fierce the thunder calamity is, the more powerful it is to temper Chen Ping's body.

"Let's have another thunder disaster!"

Chen Ping raised his head and waved his right hand forward fiercely. A golden light went directly towards the dark clouds in the sky and disappeared into the dark clouds randomly.

The dark clouds that originally dissipated quickly gathered together again.

The golden light that disappeared into the dark clouds turned back toward Chen Ping after traveling through the dark clouds.

Chen Ping is actually using his own strength to create thunder tribulation. If other people see this, their jaws will drop.

If you want to know that others are going through the thunder tribulation, they are all on tenterhooks. How many people were wiped out in the thunder tribulation.

Now Chen Ping actually created his own thunder tribulation and forged his own body, which was simply too perverted.

Rumble.....

This thunderstorm hit Chen Ping's body and was instantly reduced to dregs...

At this time, Chen Ping's consciousness could even see the scene where he was blasted out of his body.

But soon, with the golden light flashing from the Nascent Soul, Chen Ping's physical body began to slowly heal.

The dark clouds in the sky dissipated, and the golden light on Chen Ping's body was restrained, with a faint light shining on his skin. This light was emitted by his pure body.

With his spiritual consciousness entering his body, Chen Ping could see that the light on Yuanying's body had also changed, and Chen Ping's spiritual consciousness seemed to be able to feel the breath of Yuanying's body.

Chapter: 1933

“This is the realm of Nascent Soul, this is the realm of Wuhou...”

Two rays of light burst out from Chen Ping’s eyes.

And Chen Ping’s body became like crystal jade, crystal clear.

“Mr. Chen.....”

Ji Ruxue ran out of the room when she saw the dark clouds dispersed.

Chen Ping waved his hand, and the blindness was eliminated, and Chen Ping was exposed in front of Ji Ruxue.

When Ji Ruxue saw Chen Ping, her face turned red instantly, and then she threw the clothes in her hand to Chen Ping.

Chen Ping hurriedly put it on, but he was also embarrassed and didn’t know what to say.

“Sister, what happened just now?”

At this time, Xiao Min ran over.

She had already fallen into a deep sleep after taking the elixir, but was suddenly woken up by the thunderstorm just now.

When Xiao Min ran into the yard and saw Chen Ping, she was stunned.

Xiao Min took a look at Chen Ping, and then suddenly screamed: “Ghost, ghost...”

Xiao Min turned pale with fright and hid directly behind Ji Ruxue.

“Little girl, you are the ghost. Have you ever seen such a handsome ghost?”

Chen Ping saw that Xiao Min was scared by him, so he said jokingly.

No wonder, after all, he thought he was dead, so now he would definitely be scared when he saw him standing alive.

“Xiao Min, your brother Chen is not dead, he is not a ghost...”

Ji Ruxue smiled and said to Xiao Min.

Xiao Min then poked his head out and looked at Chen Ping: “Even if Brother Chen Ping is not dead, it doesn’t look like he’s a different person?”

“His body is covered with injuries, and all his bones are broken. Even if he is not dead, he cannot stand!”

When Xiao Min said this, Ji Ruxue didn’t know how to answer Xiao Min. She was confused now because of many things.

“I have a magic weapon in my body that can reshape my body, so I will be as good as ever.”

“If you don’t believe me, come here and pinch me to see if I’m a ghost!”

Chapter: 1934

Chen Ping smiled slightly.

Xiao Min slowly moved over, and then pinched Chen Ping’s arm hard.

“You kid, are you really working hard?”

Chen Ping pretended to be in pain.

When Xiao Min saw this, she immediately became happy: “So you are really Brother Chen, not a ghost...”

Xiao Min was happy, but suddenly started crying again, and rushed forward and threw herself into Chen Ping’s arms.

“Brother Chen, I was scared to death. I thought you were really dead...”

Xiao Min cried loudly and said.

“I’m fine, isn’t it? It’s okay...”

Chen Ping comforted Xiao Min.

That night, Chen Ping didn’t sleep, and neither did Xiao Min or Ji Ruxue.

The three of them chatted in Ji Ruxue’s room all night!

When the sun just rose in the east, Chen Ping looked out the window and stood up slowly.

This time, neither Ji Ruxue nor Xiao Min spoke.

Because what needs to be said has been said tonight.

They knew that Chen Ping had to leave because Chen Ping still had his own things to do.

After leaving Honglian Palace, Chen Ping left without looking back, because he was afraid that he would look back and couldn't help his feelings.

“Ning Dahai... This time I step into Wuhou, I will use the Ning family to establish my authority...”

Chen Ping's eyes burst out with murderous intent!

Now that he has broken through to the realm of Wuhou, all the things that need to be dealt with must be dealt with.

Kyoto.

The entire Kyoto martial arts community, and even the entire martial arts forum, has exploded.

The news that Chen Ping was killed by Ning Dahai has already spread.

Chen Ping can be said to be the most talked about person in the martial arts world recently. Now Chen Ping was killed.

Chapter: 1935

Some people regret it, and some people rejoice in it.

Inside the Dharma Protector Pavilion in Kyoto!

Mr. Shi sat on the chair and said nothing, but his face was terrifyingly cold.

Zhao Wuji and Xing Jun, the captain of the law enforcement team, stood on one side, neither of them daring to speak.

The atmosphere in the entire Dharma Protector Pavilion was very depressing.

In recent times, Mr. Shi has often been in the Dharma Protector Pavilion, which has doubled the pressure on Zhao Wuji, the pavilion master.

“How is it possible? How is it possible? Chen Ping shouldn’t die so easily.”

“I can’t mistake him.”

Mr. Shi muttered to himself.

“Mr. Shi, this news was indeed spread by Ning Dahai himself, and Ning Dahai also spread a few photos...”

“And with Ning Dahai’s strength, Mr. Chen is indeed no match for him. As a veteran Wuhou, Ning Dahai will not be able to defeat Ning Dahai no matter how talented he is.”

As Zhao Wuji spoke, he opened the martial arts forum and found several photos of Chen Ping posted by Ning Dahai.

Looking at the photos, Chen Ping looked miserable.

It’s obvious that he can’t die any more.

Mr. Shi looked at Chen Ping’s photo and fell into silence. After a moment, he said to Xing Jun: “Captain Xing, tell me about your recent discoveries.”

“Mr. Shi, evil cultivators have been appearing everywhere recently, and they are becoming more and more frequent. Some evil cultivators are even more publicizing and recruiting disciples.”

“I also eliminated several evil cultivators this time, but these were just small sects. There was no sign of the big evil cultivators.”

“However, judging from the past few years, the activities of some evil cultivators have indeed become more frequent recently.”

Xing Jun reported the truth truthfully.

“It seems that the water is still not muddy enough, and some big fish are still reluctant to come out of the water...”

Mr. Shi sighed softly and fell into silence!

.....

Medicine God Valley!

After seeing the news of Chen Ping’s murder, Long Wu’s body was trembling.

Chapter: 1936

“How could this happen? This is absolutely impossible, absolutely impossible...”

Long Wu couldn’t believe that Chen Ping was killed like this.

Such a result was difficult for Long Wu to accept. Everything he did was for Chen Ping and his eldest lady, but in the end, Chen Ping died so easily.

Long Wu’s tears couldn’t stop flowing out. He looked up to the sky and yelled: “Why, God, why are you doing this? Why can’t good people live long when bad people are in power...”

Long Wu’s eyes were full of hatred. He hated God and those sanctimonious guys.

It's a pity that he is just an ordinary person now and can't do anything!

"Miss, I'm sorry for you, I'm sorry for you, when will you see the light of day again..."

Long Wu lay on the ground and cried bitterly.

At this time, Gu Ling'er, Wu Mei'er and Xiao Lan came over, and they all looked surprised when they saw Long Wu like this.

Because the three girls didn't pay much attention to the martial arts forum, they didn't know about Chen Ping's death.

"Uncle Long, what's wrong with you?"

Gu Ling'er looked at Long Wu and asked in surprise.

"Yes, Uncle Long, what's wrong with you?"

Wu Meier and Xiaolan also asked.

Long Wu stood up in a hurry, wiped his tears, and then squeezed out a smile and said: "It's nothing, it's just that the Chinese New Year is coming soon, and I feel a little homesick."

"homesick?"

Wu Mei'er looked surprised: "Uncle Long, where do you have a home? You and I have been dependent on each other for so many years. I have never heard you say you have a home? I have never seen you go home?"

"I just never told you..."

Long Wu was exposed by Wu Meier and looked a little flustered, and hurriedly put his cell phone into his pocket.

He didn't want Gu Ling'er to know that Chen Ping was dead. She was afraid that Gu Ling'er wouldn't be able to bear the blow.

Gu Ling'er looked at Long Wu's expression and asked, "Uncle Long, are you hiding something from us? Why did you install the phone?"

"No, no..."

Long Wu explained in a panic.

Gu Ling'er took advantage of Long Wu not paying attention and snatched the phone from Long Wu's pocket.

Chapter: 1937

When Gu Ling'er turned on her phone and saw the news that Chen Ping had been killed by Ning Dahai, she was instantly stunned.

She couldn't believe it was true, but when she saw the photos attached, she collapsed on the ground.

The mobile phone in his hand fell to the ground, and Gu Ling'er fell into a daze.

She didn't believe it was true anyway.

"No, it's not true, it's not true..."

Gu Ling'er cried out loudly.

Xiaolan and Wu Meier hurriedly comforted Gu Ling'er, but when they knew that Chen Ping was killed, they both fell silent for an instant.

Chen Ping's death was a huge blow to all of them.

Long Wu could only cry silently. He didn't know how to persuade Gu Ling'er and the others.

I don't know how long I have been crying, but my tears have long since dried up!

Gu Ling'er stood up slowly, with no tears in her eyes, replaced by a strong murderous intent.

"I want to kill everyone in the Ning family to avenge Chen Ping. I can't let him rest in peace..."

Gu Ling'er gritted her teeth, a terrifying murderous aura filling her body.

"Ling'er, don't be impulsive. Even Chen Ping is no match for Ning Dahai. If you seek revenge, you are seeking death..."

Long Wu persuaded Gu Linger.

"Chen Ping is dead. My life is meaningless anymore. If I can't avenge him, then I will go with him."

"I don't want him to be alone down there..."

Gu Ling'er has made up her mind, her eyes are terrifyingly cold!

At this moment, Gu Ling'er was no longer a girl, but a cold revenge machine.

“Ling’er, I’ll go with you...”

Xiaolan said to Gu Linger.

“And me, I’ll go too...”

Wu Meier also spoke.

Long Wu looked at the three girls and could only sigh heavily.

Chapter: 1938

“Then I will accompany you back to Kyoto, but if you want to avenge Chen Ping, you must not act recklessly...”

Since the three girls were so determined, Long Wu decided to take them back to Kyoto.

Try every means to avenge Chen Ping!

.....

Valley of the Wicked!

When Zhao Ligu learned the news about Chen Ping’s murder, he fell into rage.

Although he couldn’t believe it was true, the bloody photos of Chen Ping on the martial arts forum made him believe it.

Zhao Ligu’s Wuying Villa is a hall of Tianlong Palace. Now that the master of the palace, Chen Ping, has been killed, he has the responsibility to avenge Chen Ping.

“Mr. Chen, don’t worry, I will definitely avenge you.”

Zhao Liguó’s eyes flashed with cold light.

“Dad, let’s take people to kill the Ning family now to avenge Brother Chen...”

Zhao Chuang’s eyes were red from crying and he gritted his teeth.

“With our current strength, it will be useless even if we go to the Ning family.”

“Now, after the four villains are healed and released, we will kill the Ning family together!”

“As long as I, Zhao Liguó, am still breathing, I will fight with the Ning family to the end...”

Zhao Liguó knew that with their little strength, they were not enough to avenge Chen Ping.

The four villains are still recovering from their injuries in the Demon Suppressing Tower. After the four villains come out of seclusion, they will go to the Ning family together.

Even if they risk all their lives, they will die with the Ning family to avenge Chen Ping.

Kyoto, a certain restaurant!

Many warriors like to come here to eat, chat and have fun!

While everyone was eating and chatting, two graceful and beautiful girls walked into the restaurant!

As soon as the two girls entered the restaurant, they attracted the attention of many people.

The two girls didn't pay attention to everyone's gaze and directly found a place to sit down.

These two girls are Wu Meier and Xiaolan, and they are not here to eat, they have a purpose.

Chapter: 1939

After sitting down, Xiaolan and Wu Meier turned their eyes to the two middle-aged people eating not far from the next door.

Both of these people exuded the aura of Wuzong, and the word "Ning" was embroidered on the cuffs of the clothes they wore!

This is a unique costume of the Ning family. It is obvious that these two middle-aged people are from the Ning family!

"You two ladies, what would you like to eat?"

At this time, a waiter came over and asked Xiaolan and Wu Meier.

"Oh, sorry, we are waiting for someone. They will arrive soon and we are ordering!"

Xiaolan said to the waiter.

The waiter turned around and left without saying anything.

However, Wu Meier and Xiaolan were still staring at the two Ning family members.

The two Ning family members also felt that someone was staring at them, so they turned to look at Wu Meier and Xiaolan.

When they saw the two girls staring at them, the two Nings glanced at each other, raised a smirk on their lips, then stood up at the same time and sat down at the table with Wu Meier and Xiaolan.

“Two little sisters, do you mind if we sit here and eat together?”

A member of the Ning family said.

“Of course I don’t mind. Someone will pay the bill. Do you mind...”

Xiaolan smiled slightly and winked at the Ning family member sitting next to her!

At this moment, the eyes of the Ning family member suddenly lit up, and then he looked at Xiaolan with a smile.

The Ning family member next to Wu Mei’er was also fascinated by Wu Mei’er’s flirtatious look.

“Brothers, there are many people here, let’s go to a good place, okay?”

Seeing the appearance of these two Ning family members, Xiaolan knew that they had been charmed and spoke.

“Okay, okay...”

The two men nodded repeatedly.

Soon, Wu Meier and Xiaolan walked out of the restaurant with two members of the Ning family.

When they reached an alley, Gu Ling’er suddenly appeared.

Then with a wave of the dagger in his hand, the two Ning family members instantly fell into a pool of blood.

Chapter: 1940

After killing two Ning family members, Gu Ling'er and the others fled in a hurry and started looking for the next target.

They wanted to use this method to kill the Ning family bit by bit.

In two days, Gu Ling'er and the others used this method to kill more than a dozen people from the Ning family.

At this time, in the Ning family hall, Ning Dahai kept walking back and forth, feeling a little uneasy.

In just two days, more than a dozen people from the Ning family died unexpectedly!

He didn't know who in Kyoto was targeting the Ning family!

In the entire Kyoto martial arts world, there are not many sects and aristocratic families who dare to target the Ning family like this.

"Trash, they're all a bunch of trash. It's been two days. Can't we find any clues?"

Ning Dahai roared at some senior members of the Ning family.

These people lowered their heads and no one dared to speak.

"Dad, the other party in this matter is obviously targeting our Ning family, and I have investigated it. It is possible that the other party is two women!"

Ning Zhi said to Ning Dahai.

“Two women?” Ning Dahai frowned: “Among the people we killed, there was a Wuzong. Which woman is so strong?”

“The strength of these two women is not strong. Among the dozen or so people we lost, there were only two martial arts masters. After we increased our vigilance, they only attacked some great masters.”

“It can be seen that their strength is not strong. The reason why they were able to kill two of our martial arts masters in the first place was probably because they used their beauty to seduce us and made our people lose their guard!”

Ning Zhi analyzed it carefully.

“Then go and investigate. No matter what, we find these two women. I want to find out who is targeting our Ning family...”

Ning Dahai roared angrily.

Ning Zhi nodded and immediately took people to check!

Inside the Dharma Protector Pavilion in Kyoto!

More than a dozen people in the Ning family were killed in two days, and Mr. Shi already knew about this.

“Zhao Wuji, who do you think might have done this?”

Mr. Shi asked Zhao Wuji.

“Mr. Shi, I can’t guess, but Mr. Chen was killed by Na Ning Dahai, but Mr. Chen still has a group of people under his command. These people are determined to follow Mr. Chen to the death.”
