

The Order 1941

Chapter: 1941

“Whether it’s the Valley of Evil, Shadowless Villa, or even Medicine God Valley, these people are all possible!”

“But the person who did this must not be too strong. In addition to killing two Ning family martial arts sects at the beginning, there are just some great masters behind him.”

Zhao Wuji analyzed.

“This Chen Ping, I don’t know where his charm comes from, but he actually makes so many people follow him wholeheartedly...”

Mr. Shi said with some surprise.

Zhao Wuji shook his head: “I don’t know, but these people respect Mr. Chen very much and obey his orders...”

“Tell me, what happened in the past two days was probably done by Chen Ping?”

Mr. Shi suddenly asked.

Zhao Wuji was stunned: “Does Mr. Shi still doubt that Mr. Chen is not dead?”

“I still don’t believe that Chen Ping would die so easily!”

Mr. Shi sighed.

Zhao Wuji shook his head: “This is definitely not what Mr. Chen did. If it were him, he would definitely break into the Ning family with a high profile and follow Ning Dahai to fight to the death.”

“It’s not like Mr. Chen’s temperament to engage in such a secret assassination...”

“Haha, I didn’t expect Pavilion Master Zhao to know me so well...”

Just as Zhao Wuji finished speaking, Chen Ping walked in with a big smile.

Seeing Chen Ping, Zhao Wuji’s eyes widened instantly, his face full of disbelief.

“Chen...Mr. Chen, you...are you really not dead?”

Zhao Wuji couldn’t believe it. Looking at the photo, Chen Ping was covered in bruises and he couldn’t even look human.

“Mr. Shi is right, how could I die so easily...”

Chen Ping smiled lightly, then cupped his fists towards Mr. Shi and said, “Mr. Shi...”

“Hahaha, it seems that I guessed right. You kid is not that easy to die...”

Mr. Shi laughed and said, “Not only is your kid not dead, he seems to have made a breakthrough.”

It can be seen that Chen Ping is not dead, and Mr. Shi is also very happy.

“Well, we broke through to Wuhou...”

Chapter: 1942

Chen Ping nodded.

“Mr. Chen, what is going on? Then Ning Dahai spread the news that you have been killed by him, and there are photos to prove it!”

“And the recent assassination of the Ning family, does it have anything to do with you?”

Zhao Wuji's face was filled with curiosity. He wanted to know what was going on.

Chen Ping did not hide anything and told him about his battle with Ning Dahai, which made Zhao Wuji and Mr. Shi nervous.

But in the end, Zhao Wuji looked very surprised when he heard that Chen Ping was a blessing in disguise and directly broke through to Wuhou!

“As for the assassination targeting the Ning family in the past two days, I don't know who was responsible. I just arrived in Kyoto today and just heard about it.”

It took Chen Ping more than three days to get to Kyoto.

He did not go to the Ning family immediately, but came to the Dharma Protector Pavilion in order to spread the news that he was still alive.

By the way, Chen Ping humiliated Ning Dahai on the martial arts forum. The purpose of Chen Ping's doing this was to establish his authority!

“Chen Ping, you chose to come back, what are your plans next?”

Mr. Shi asked Chen Ping.

Chen Ping's face turned cold and he said coldly: "I want to challenge Ning Dahai and the entire Ning family. I want everyone to know the consequences of offending me..."

Seeing Chen Ping's murderous intent, Mr. Shi did not speak.

Instead, Zhao Wuji said: "Mr. Chen, you have just stepped into Wuhou, don't underestimate the Ning family, they are..."

"I know!" Chen Ping waved his hand and interrupted Zhao Wuji: "I know that there is a world outside the world, and there are people outside the world. I dare to say this not because I am arrogant, but because everyone in the Ning family must die..."

Zhao Wuji wanted to say something to persuade him, but was stopped by Mr. Shi.

"Since Chen Ping wants to challenge the Ning family, let him go. Zhao Wuji please post the challenge post."

"When Chen Ping challenges the Ning family, no other sect family is allowed to interfere, otherwise don't blame me for being rude!"

Mr. Shi said to Zhao Wuji.

Mr. Shi knew that Chen Ping had many enemies in Kyoto, and there was more than one Ning family.

If Chen Ping was seriously injured when dealing with the Ning family, then other sects and aristocratic families would definitely pounce on him like an evil tiger pounces on its prey.

Mr. Shi is helping Chen Ping solve his worries!

"Thank you Mr. Shi..."

Chapter: 1943

Chen Ping also understood that Mr. Shi was helping him.

“Don’t thank me, I’m not just helping you, I’m also helping myself...”

Mr. Shi said.

Chen Ping didn’t understand why Mr. Shi said this, but he was still very grateful to Mr. Shi for his help.

After coming out of the Guardian Pavilion, Chen Ping went to investigate what happened to the Ning family in the past two days.

He wanted to see who was targeting the Ning family!

At the same time, Zhao Wuji followed Mr. Shi’s instructions and posted on the martial arts forum that Chen Ping returned to Kyoto and challenged the Ning family!

Mr. Shi’s announcement was also sent out, warning all martial arts families that no one was allowed to interfere when Chen Ping was dealing with the Ning family.

At this moment, the Kyoto martial arts world exploded.

Two days ago, it was said that Chen Ping was dead. In just three days, Chen Ping returned to Kyoto and challenged the Ning family!

Although there is no photo of Chen Ping to prove it, this information was sent by the Dharma Protector Pavilion, so it cannot be false.

The Dharma Protector Pavilion represents the official government, so how could it possibly publish false news?

The Ning family became a whirlpool of public opinion for a while. It was all because Ning Dahai was bragging and deliberately falsified photos, and did not kill Chen Ping at all.

When Ning Dahai saw the news on the forum, he was so popular that he almost vomited blood.

He clearly destroyed Chen Ping's Dantian, and all the bones in Chen Ping's body were broken.

And there is no life left at all, that is, it is dead.

Why did he suddenly return to Kyoto and dare to challenge the entire Ning family in such a high-profile manner?

"Impossible, absolutely impossible, this must be fake news!"

Ning Dahai roared angrily.

"Dad, this is from the Dharma Protector Pavilion, it shouldn't be fake, right?"

Ning Zhi said.

Ning Dahai's eyes widened: "What do you mean, if they are not lying, then what I said is false?"

"No, no, no, I didn't mean that..."

Ning Zhi quickly shook his head and said.

Chapter: 1944

Facing his father, Ning Zhi was very afraid.

“I don’t believe that Chen Ping is still alive. Even if he is alive, he must be a useless person!”

Ning Dahai didn’t believe what was said on the forum at all.

What he believed was his own eyes.

“Ignore this matter on the forum for now. Have you found those two women?”

Ning Dahai ignored what was said on the forum and asked Ning Zhi.

“The two women have been found. I sent people to arrest them. I believe they will be back soon...”

Ning Zhi said.

“Well, when I catch them, I will definitely strip them naked and throw them into the street for humiliation...”

Ning Dahai gritted his teeth.

“When you catch those two women, remember to leave one for me. I haven’t enjoyed it for a long time...”

At this moment, Ning Zhi suddenly remembered the old and hoarse voice in his mind.

Ning Zhi’s face changed with fright. He looked at Ning Dahai hurriedly and found that Ning Dahai didn’t pay attention to him. Ning Zhi felt relieved.

.....

Kyoto, on a not-so-busy street!

Because it was getting late and the weather was a little cold, there were not many people on the street.

In a small alley next to the street, the three of them, Gu Ling'er, were hiding inside.

They were waiting for the Ning family to pass by.

Because they saw two Ning family members going to a restaurant on the street, they believed they would come out soon.

Soon, from one end of the street, two drunken middle-aged men came supporting each other.

These two people are the Ning family, the people Gu Ling'er and the others are waiting for.

"Here he comes, he's here, he's already drunk, it's time to start..."

When Wu Meier saw the two Ning family members walking towards this side, she immediately whispered.

"Walk....."

Chapter: 1945

Xiaolan pulled Wu Meier and prepared to go out from the alley.

"You two, be careful, these two are the strength of the Wuzong."

Gu Ling'er reminded the two people.

In the beginning, they were able to succeed against the two martial arts masters of the Ning family because they had no psychological defense at all.

Later, the Ning family was on guard. They thought it would not be easy to attack those at the Wuzong level.

“Don’t worry, these two guys are so drunk, they will be fine.”

Xiaolan said with confidence.

Soon, two members of the Ning family staggered over, and Xiaolan and Wu Meier greeted them.

“Brothers, where are you going?”

Xiaolan looked charming, raised her eyes slightly and asked.

When the two Ning family members saw Xiaolan and Wu Meier, their eyes suddenly lit up.

“Hahaha, I didn’t expect to meet two beauties so late at night!”

“It just so happens that I’m a little bored, brother, so I want to accompany my brother Lele...”

A Ning family member looked at Xiaolan with a lewd smile on his face.

Xiaolan ducked slightly: “Brother, why are you so anxious? We can’t find a place on the street!”

As she said this, Xiaolan winked, and Wu Meier also winked at another member of the Ning family.

I saw a flash of light in the eyes of these two Ning family members, and then their eyes became a little dull.

When Xiaolan saw that she had succeeded, a smile appeared on her lips, and then she took out the dagger.

At the same time, Gu Ling'er also rushed out of the alley and followed Xiaolan.

But at the moment when the two people took action, the two Ning family members who had dull eyes suddenly flashed and took control of Xiaolan and Gu Ling'er.

This sudden change shocked Xiaolan and Gu Ling'er, and Wu Mei'er on the side was also frightened.

"Brother, what are you doing?"

Wu Meier said softly to a member of the Ning family.

And the magic of charm continued to emanate from his eyes.

Chapter: 1946

"Humph, your charm skills are of no use to us!"

A member of the Ning family stretched out his hand and grabbed Wu Meier.

At this time, the three girls were all panicked. It turned out that the two Ning family members had not fallen into their charm.

"It turns out that our Ning family was killed by the three of you using this method. Now I will take you to see the head of the family..."

The two Ning family members controlled Gu Ling'er and the three of them and walked toward the end of the street.

Gu Ling'er and the others struggled desperately, but to no avail. The opponent was the Wuzong, and they had no strength to fight back.

But when they reached the end of the street, they suddenly found a person standing in the middle of the street with his back to them!

Upon seeing this, the two Ning family members instantly exuded aura and prepared for battle.

“Brother, who are you? We are from the Ning family!”

At this time, a member of the Ning family came forward and asked the person who had his back turned to them.

“Let the three of them go...”

As he spoke, the man slowly turned around.

When Gu Ling'er and the others saw the man's appearance, they were all stunned, their eyes widened, and they were extremely excited.

“Chen Ping...Chen Ping...”

Gu Ling'er and the other three girls all shouted excitedly.

Looking at Chen Ping in front of them, they couldn't believe their eyes!

Especially Gu Ling'er, his voice was hoarse and his body was trembling.

When the two Ning family members heard that the other party was Chen Ping, their expressions suddenly became extremely ugly!

“You...are you Chen Ping? Aren't you already dead?”

One of the Ning family members asked with a trembling voice.

“I died, but I came back to life!”

With a faint smile on his face, Chen Ping slowly approached!

“You...don't come over, otherwise I will be rude to them!”

The two Ning family members hurriedly controlled Gu Ling'er and the others, hoping to use Gu Ling'er and the three of them to blackmail Chen Ping.

Chapter: 1947

But Chen Ping didn't stop and kept walking forward.

“Let the three of them go, and I will spare your life. If you dare to touch a hair on their head, I will make your life worse than death!”

Chen Ping's voice was indifferent and calm, but every word was like a heavy hammer, hitting the hearts of the two Ning family members!

“Don't come over, I asked you not to come over...”

One of the Ning family members panicked and his body was shaking violently.

A martial artist was frightened to such an extent!

“Did you turn a deaf ear to what I said? I asked you to let the three of them go...”

Chen Ping's face darkened, and endless murderous intent filled the air instantly!

A breeze blew by, sweeping Chen Ping with murderous intent and blowing towards the two Ning family members.

The two Ning family members trembled and felt as if they had fallen into an ice cave!

"Let them go..."

Suddenly, Chen Ping roared like thunder.

The two Ning family members were shocked suddenly, then let go of their hands and knelt on the ground with a thud.

Gu Ling'er and the other three hurriedly ran towards Chen Ping and hid behind Chen Ping.

"Don't kill us, we are just following orders..."

The two Ning family members began to beg for mercy!

The two dignified martial arts masters were begging Chen Ping like grandsons at this moment.

Chen Ping didn't take action, but the coercion on his body made the two of them throw away all their dignity!

"I said, if you let people go, I will let you go..."

"You can go away now and go back and tell Ning Dahai that I will personally come to seek revenge on him tomorrow!"

Chen Ping said coldly.

When the two Ning family members heard this, they were so frightened that they turned around and ran away without any hesitation!

“Chen Ping...”

After the two Ning family members ran away, Gu Ling'er threw herself into Chen Ping's arms.

Chapter: 1948

Tears flowed out uncontrollably.

Seeing Chen Ping holding Gu Ling'er, Xiaolan felt an indescribable feeling in her heart.

She also wanted to rely on Chen Ping's words, and also wanted to have someone to rely on herself.

It's just that she can't. Her energy since childhood has made her much stronger than other girls.

“Why are you crying? I'm doing well!”

Chen Ping gently comforted Gu Ling'er.

“I thought you were really dead, and I didn't want to live anymore. I wanted to stay with you...”

Gu Linger said while crying.

“I won't die that easily. I haven't tasted the taste of a beautiful woman yet. How can I die...”

Chen Ping said jokingly.

When Gu Ling'er heard this, her face suddenly turned red, and she punched Chen Ping lightly: "What nonsense are you talking about, in front of others..."

"Okay, you two, stop flirting. Let's go back quickly, otherwise Uncle Long will be worried."

At this time, Wu Meier couldn't stand it anymore and said.

"Uncle Long is here too?"

Chen Ping was a little surprised. After all, Long Wu had no skills at all now and was just an ordinary person. It would be very dangerous to come to Kyoto.

If Long Wu is discovered by someone from the Long family, he will definitely be captured and tortured.

"Well, it was Uncle Long's idea that allowed us to kill so many people from the Ning family. If we had gone to the Ning family to fight head-on, we would probably be dead by now..."

Wu Meier said.

Chen Ping looked at Gu Ling'er and the three girls with mixed feelings in his heart. He knew that he was dead, but he took revenge for himself regardless of the danger.

"Let's go see Uncle Long!"

Chen Ping said.

.....

Kyoto, Ning family!

The two people who went to catch Gu Ling'er were kneeling in the hall at the moment.

Chapter: 1949

Sitting on it was Ning Dahai, with a look of disbelief on his face.

"Are you sure that the person you saw is Chen Ping?"

Ning Dahai asked.

"He is the head of the family, he can't do anything wrong."

One of the Ning family members said.

Ning Dahai frowned and remained silent. He couldn't figure out how Chen Ping survived.

Another point is that it has only been three days. Even if Chen Ping is not dead, his body is so seriously injured. How can he recover?

"Then Chen Ping didn't take action against you, and you two just ran back like this? Are you afraid of Chen Ping when you have hostages in your hands?"

Ning Zhi angrily asked the two Ning family members: "You are also the Wuzong after all, are you so cowardly?"

"Young Master, Chen Ping didn't take action, but the aura emanating from him was too much for the two of us to bear, let alone take action."

A Ning family member explained.

“Nonsense, then Chen Ping is only half-step Wuhou, how could he have such a terrifying aura?”

Ning Zhi didn't believe it, he had fought with Chen Ping.

It was impossible not to take action. The aura alone would make the two martial arts masters unbearable.

“Young Master, it's true, we didn't lie to you. The aura exuded by Chen Ping is probably no worse than that of the Master.”

“I think Chen Ping should have broken through to Wuhou...”

The two Ning family members hurriedly explained.

“Breakthrough to Wuhou?”

Ning Zhi's eyes widened in disbelief.

If Chen Ping breaks through to Wuhou, wouldn't his hope of revenge become even slimmer?

“Breakthrough to Wuhou?”

Ning Dahai suddenly stood up, his face full of shock.

“Yes, according to the aura Chen Ping exudes, he should be at Wuhou!”

A member of the Ning family nodded.

Chapter: 1950

Ning Dahai sat back down with a puff.

The whole person fell into silence. If Chen Ping was not dead, he could accept it.

If Chen Ping's body recovered, he would be able to accept it.

But if Chen Ping broke through to Wuhou, then he would not be able to accept it.

what is this? In just a few days, a man who was on the verge of death and even had his Dantian broken broke through to Wuhou.

No one can believe it!

"Did I help him?"

Ning Dahai suddenly remembered something.

At that time, he broke Chen Ping's Dantian, hoping to make Chen Ping an ordinary person.

He will always be a loser!

Unexpectedly, this gave Chen Ping a chance to make a breakthrough.

Ning Dahai knew that if he wanted to break through to Wuhou, he could not just practice blindly. Opportunities were also very important.

As for what the opportunity is, it all varies from person to person!

Everyone who breaks through Wuhou has different opportunities. Some people may break through in a dream while sleeping.

Some people may achieve breakthroughs by playing chess, but everyone is different.

There are also people who have been trapped in Half-step Wuhou their whole life and have never found an opportunity!

“Is this opportunity for Chen Ping to break Dantian?”

Ning Dahai now regrets that he broke Chen Ping’s Dantian.

I regret not being able to twist Chen Ping’s head off at that time.

But there’s no point regretting it now!

“You all go down!”

Ning Dahai waved his hand and asked the two Ning family members to go down.

“Dad, what should we do next? Chen Ping is coming tomorrow to challenge you...”

Ning Zhi asked Ning Dahai.
