

The Order 1951

Chapter: 1951

Ning Dahai was silent, and he was a little at a loss.

If Chen Ping really makes a breakthrough, it won't be certain who lives and who dies.

The most important point is the relationship between Chen Ping and Mr. Shi.

When Chen Ping is in the south, he can chase and kill Chen Ping.

But now Chen Ping is back in Kyoto, right under Mr. Shi's nose.

If we really want to challenge him, if Chen Ping loses, will Mr. Shi come to his rescue?

This is something no one can say for sure.

At the beginning, Chen Ping made a big fuss in the Ning family and was besieged by everyone. He was about to kill Chen Ping when Mr. Shi appeared.

It was obvious that Mr. Shi did not want Chen Ping to die.

Ning Dahai was in a dilemma. It was neither a matter of fighting nor not fighting Chen Ping!

After thinking about it again and again, Ning Dahai looked at Ning Zhi and said, "You go out with me tomorrow. It's better not to have a head-on conflict with Chen Ping now."

"Then Chen Ping has Mr. Shi's support behind him. If we and him end up in a lose-lose situation, the other sect families will be the proud ones in the end!"

“Dad, what do you mean, we hide out and give in?”

Ning Zhi looked at Ning Dahai and asked.

“Bastard, what do you mean by giving in? We are temporarily avoiding his edge...”

Ning Dahai said with a glare.

Ning Zhi rolled his eyes and suddenly said: “Dad, I can find someone to deal with Chen Ping!”

“who?”

Ning Dahai was stunned and asked.

“The largest family in Mobei, Luo Jinyou, the head of the Luo family...”

Ning Zhi said with a sinister smile.

“Head of the Luo family? Could it be that the Luo family has a grudge against Chen Ping?”

Ning Dahai asked with a puzzled look.

“Of course I have a grudge...”

Chapter: 1952

Ning Zhi smiled and then told Ning Dahai what happened!

When Ning Dahai heard that Ning Zhi killed Luo Xiang and Luo Jinzuo and then blamed Chen Ping, his face became a little ugly!

He looked at Ning Zhi with a bit of disgust.

It's just that Ning Zhi is his son, so he can't do anything.

But Ning Dahai didn't like Ning Zhi's insidious character very much.

As a veteran Wuhou, he didn't like to use such despicable methods.

"Okay, you don't have to worry about this. Just go out with me tomorrow..."

Ning Dahai waved his hand.

When Ning Zhi saw that his father disagreed, he left without saying anything more.

.....

Kyoto, a certain hotel!

Long Wu looked at Chen Ping with excitement on his face, and his inner happiness could not be described in words.

He thought Chen Ping was dead and that the eldest lady would never be saved.

But now, not only is Chen Ping not dead, but he has also broken through to Wuhou. It seems that there is hope of rescuing the eldest lady!

"Uncle Long, after I destroy the Ning family, I will go to the martial arts alliance and the Long family to rescue Yu Qi and my mother, and we will have a reunion year together..."

Chen Ping said firmly.

Long Wu was silent for a moment, and then said: "Chen Ping, don't underestimate the Long Family and the Martial Arts Alliance. You must be adequately prepared."

"Uncle Long, I know, but I have to give it a try. I believe that in Kyoto, they would not dare to kill me blatantly, and Mr. Shi would not allow them to do that!"

Chen Ping dares to do this now because he has the support of Mr. Shi behind him.

"Chen Ping, why would Mr. Shi help you so much?"

"Does he have any intentions?"

Long Wu frowned.

"I don't know either, but Mr. Shi said that when he helps me, he is helping himself. I don't understand what he means!"

Chen Ping said.

Chapter: 1953

"You must not have the intention of harming others, and you must have the intention of guarding against others. You should be more careful. When you go to Ning's house tomorrow, you must be extremely careful!"

Long Wu warned Chen Ping.

"Well, Uncle Long, don't worry!"

Chen Ping nodded.

“It’s getting late, go to bed early and recharge your batteries!”

After Long Wu finished speaking, he asked Gu Ling’er and the others to go back to their rooms to rest. He was afraid that the three girls would disturb Chen Ping’s rest.

Early the next morning!

Chen Ping went to Ning’s house. Gu Ling’er and the others wanted to follow, but Chen Ping organized them because if they followed, not only would they not be able to help, but they would also be a drag on themselves!

Long Wu did not support the three girls going, and took the three girls back to Yaoshen Valley in order not to distract Chen Ping.

To prevent any sect family from catching them and blackmailing Chen Ping, Chen Ping would be passive.

When Chen Ping came to the Ning family, he found that the Ning family villa was already full of people, and some people had prepared shooting equipment.

It seemed that these people were here to watch the fun, but Chen Ping didn’t care.

He posted news on the martial arts forum just to let people know.

However, although the sun has risen, the door of the Ning family is closed and no one comes in or out!

Chen Ping walked to the door of Ning’s house, then took a deep breath and shouted: “Ning Dahai, get out of here, your grandpa Chen Ping is here to take your life...”

Chen Ping's roar directly made those watching the excitement dizzy, and even some people with low strength fainted.

At this moment, everyone was shocked and stepped back.

But after Chen Ping yelled, there was no movement from the Ning family!

When Chen Ping saw this, he stepped forward and knocked the door of Ning's house away with one palm.

It wasn't until this moment that the Ning family's housekeeper hurried out with someone.

Seeing Chen Ping's fierce and god-like appearance, no one in the Ning family dared to say anything.

Only the steward of the Ning family said: "Our master is not here, you came at the wrong time today..."

When the Ning family housekeeper spoke, his body was shaking!

"Not here? I think he is avoiding me?"

Chapter: 1954

Chen Ping said coldly.

"It's really not here, otherwise you can look for it!"

After the Ning family steward finished speaking, everyone in the Ning family moved out of the way.

And Chen Ping swaggered into Ning's house and started looking for Ning Dahai!

But after searching around, Ning Dahai was not found, not even Ning Zhi.

“Our master has something to do and is really not at home...”

The Ning family housekeeper said.

“Since he is not here, then I will wait for him...”

After Chen Ping finished speaking, he moved a chair and sat at the door of Ning’s house.

Then he glanced at the Ning family and said to the two Wu Zong who captured Gu Ling’er last night:
“You two, go get me a pot of water...”

The two martial sects of the Ning family looked at each other and then at the crowd of people watching outside. For a moment, they didn’t know whether they should listen to Chen Ping or not.

After all, there are so many people watching and taking pictures. If Chen Ping orders this, it will be a shame.

It’s not just embarrassing for the two of them, it’s also embarrassing for the Ning family!

But just when the two people were hesitating, Chen Ping suddenly shot out both palms!

Terrifying spiritual power roared out, like a violent wind, and instantly headed towards the two Ning Family Martial Sects.

The two Ning family martial arts masters didn’t even have a chance to dodge, and their bodies were directly knocked away.

Then he fell heavily to the ground, vomited blood and died!

This scene shocked everyone. Chen Ping killed two martial arts masters in one go. His strength was simply too scary.

“Go, pour me a cup of tea...”

Chen Ping said calmly again.

This time, two people from the Ning family immediately ran to pour tea for Chen Ping, without any hesitation.

Chen Ping sipped tea and waited for Ning Dahai!

At this time, the martial arts forum had already exploded, and Chen Ping’s visit to the Ning family had been live broadcast on the forum.

“Go and inform Ning Dahai that as long as he doesn’t come back for an hour, I will kill two people from the Ning family until I kill everyone in the Ning family!”

Chapter: 1955

Chen Ping looked at the Ning family’s housekeeper and said in a cold tone.

At this moment, when Chen Ping said such words, no one at the scene would think that he was bragging, because the skill Chen Ping just showed let everyone know that Chen Ping has this strength.

With the people of the Ning family, there is no way they can stop Chen Ping.

Comments are everywhere on the martial arts forum!

“Chen Ping is so awesome. He broke into Ning’s house alone and scared Ning Dahai away.”

“Holy shit, killing two Ning family martial sects with one move is too awesome.”

“I think Ning Dahai must be scared. He was bragging two days ago, saying that he killed Chen Ping, and now he is slapped in the face.”

“Chen Ping must have stepped into the Marquis of Wu. You can tell by just looking at his move!”

On the forum, many people watched the live broadcast and commented crazily.

At this time, a challenge post that was originally pinned to the top of the martial arts forum was quietly deleted.

But soon, he was discovered by sharp-eyed people.

“Damn it, Xin Pengfei’s previous post about challenging Chen Ping on New Year’s Day is gone. Is this guy scared?”

“It’s really gone. Then Xin Pengfei must be scared and scared out of his mind.”

“Now that Chen Ping has become the number one on the free list, I’m afraid no one will dare to disagree.”

“Chen Ping is so awesome, he reached the rank of Marquis Wu in a short time!”

Everyone laughed at Xin Pengfei and envied Chen Ping!

However, Chen Ping didn’t read the forum and didn’t care about it. He just waited for Ning Dahai to arrive.

He was looking at the time. After an hour, Ning Dahai was nowhere to be seen. He would take action again and kill two Ning family members.

At this time, Ning Dahai and Ning Zhi were also paying attention to the martial arts forum. When they saw Chen Ping killing two martial arts masters without even having a chance to react, Ning Dahai's face turned extremely ugly!

He never imagined that in just a few days, Chen Ping's strength would improve by leaps and bounds, and he would no longer be at the same level.

Ning Dahai almost died of anger when he saw the humiliation and filthy words about him and the Ning family on the forum!

At this time, the Ning family's housekeeper called Ning Dahai!

"Master, Chen Ping is here and he killed two of us. Now he wants to see you, but if he can't see you, he said he will kill two of us within an hour!"

The butler said with a trembling voice.

Chapter: 1956

"I knew it earlier. Let him kill me. I have to deal with things first!"

After saying that, Ning Dahai hung up the phone.

It doesn't matter how many of the Ning family's servants are killed, as long as he is fine.

"Dad, are we just going to watch Chen Ping kill everyone in the Ning family?"

Ning Zhi asked Ning Dahai.

“I’m thinking of a way. It’s best not to fight with Chen Ping at this time. Once I lose, if Chen Ping doesn’t kill me, there will be many sect families who will attack our Ning family.”

“These people are all jackals, just waiting for our Ning family to fall!”

The reason why Ning Dahai didn’t want to fight with Chen Ping was because he was afraid of losing and getting injured after fighting with Chen Ping.

Even if Chen Ping spares his life, other sect families will take advantage of him.

In the face of interests, there are no eternal friends!

“Otherwise, we go to Alliance Leader Zhu and ask him to talk directly to Chen Ping in the name of the Alliance Leader of the Martial Arts Alliance. Whatever Chen Ping wants, we can give it to him, as long as Chen Ping can stop targeting us!”

“As the saying goes, a gentleman’s revenge is never too late in ten years. When I step into the realm of Wuhou, I will look for Chen Ping...”

Ning Zhi said to Ning Dahai.

“It would be a good idea to find someone to make peace with him, but Zhu Zhishan can’t do it. Chen Ping won’t give him face. Now there is only one person who can persuade Chen Ping!”

Ning Dahai narrowed his eyes slightly and said.

“Who is it?” Ning Zhi asked.

“Mr. Shi.....”

Ning Dahai said slowly.

Now, only when Mr. Shi speaks can Chen Ping listen.

“But will Mr. Shi agree to us? He has always been on Chen Ping’s side!”

Ning Zhi asked.

“Try it, I think Mr. Shi doesn’t want the Kyoto martial arts world to be in chaos!”

After Ning Dahai finished speaking, he immediately stopped a car and went to find Mr. Shi.

In the Dharma Protector’s Pavilion, Mr. Shi was sitting quietly in the hall drinking tea, as if waiting for something.

Chapter: 1957

Zhao Wuji was waiting on the side, not even daring to breathe.

Normally, Mr. Shi would leave after staying in the Dharma Protector Pavilion for a while, but looking at things like today, he won’t be leaving anytime soon.

At this moment, a member of the Dharma Protector Pavilion hurriedly ran in, and then said to Zhao Wuji: “Pavilion Master Zhao, someone wants to see Mr. Shi...”

“who is it?”

Zhao Wuji asked.

“Is it Ning Dahai?”

Mr. Shi asked.

“Yes, yes, they are father and son!”

The member of the Dharma Protector Pavilion nodded and said.

“It seems that Ning Dahai is not stupid enough for you!”

Mr. Shi smiled lightly: “Let him come in!”

The member of the Dharma Protector Pavilion withdrew, while Zhao Wuji looked at Mr. Shi in surprise.

It seems that Mr. Shi came to the Dharma Protector Pavilion early in the morning, and it turned out that he was waiting for Ning Dahai.

“Mr. Shi, did you guess that Ning Dahai would come to you?”

Zhao Wuji asked curiously.

“I guessed it, but I’m not completely sure. It seems that Ning Dahai doesn’t want to follow Chen Ping to the death!”

Mr. Shi said.

Zhao Wuji looked at Mr. Shi with admiration, his eyes full of admiration!

Soon, Ning Dahai was invited in along with Ning Zhi.

After seeing Mr. Shi, Ning Dahai and Ning Zhi both saluted Mr. Shi and said, “Mr. Shi...”

Mr. Shi nodded slightly: "Well, sit down!"

Mr. Shi asked the father and son to sit down, but soon, Mr. Shi's eyes fell on Ning Zhi, and his expression became a little solemn.

When Ning Zhi saw Mr. Shi staring at him, he suddenly became a little uncomfortable!

But soon, Mr. Shi took his eyes away from Ning Zhi and asked Ning Dahai, "Ning Dahai, what do you want from me?"

Chapter: 1958

"Mr. Shi, Chen Ping is right in front of my Ning family. He insists on challenging me. As a veteran Wuhou, I will fight with him!"

"Winning or losing, I have no place for my old face. Besides, if the two of us fight, I'm afraid it will shake up the entire Kyoto martial arts world!"

"So I would like to ask Mr. Shi to come forward and talk about Chen Ping. If he has any requests, he can make them. I will try my best to satisfy him..."

Ning Dahai lowered his attitude and said to Mr. Shi.

Mr. Shi smiled slightly: "Ning Dahai, when you went to kill Chen Ping, didn't you say that as a veteran Wuhou, you have no place to lose face when you attack a newcomer?"

Mr. Shi's words immediately hit Ning Dahai's weakness.

Ning Dahai could only smile awkwardly, but couldn't say a word.

"I can go and persuade Chen Ping, but as for whether Chen Ping will listen to me, I'm not sure. This kid has a very stubborn temper."

Mr. Shi said slowly.

“It doesn’t matter. As long as Mr. Shi comes forward, who in the entire martial arts world dares not to give him face? I believe Mr. Shi will be fine!”

Ning Dahai didn’t expect Mr. Shi to agree to his request so happily.

You must know that the person behind Chen Ping is Mr. Shi, and Chen Ping must have been inspired by Mr. Shi to challenge himself.

Ning Dahai didn’t expect that Mr. Shi actually agreed to persuade Chen Ping.

“Okay, you go out and wait for me...”

Mr. Shi said.

Ning Dahai thanked him repeatedly and followed Ning Zhi to wait outside.

“Mr. Shi, do you really want to persuade Mr. Chen? You know about his challenge to Ning Dahai.”

Zhao Wuji asked Mr. Shi with a look of disbelief on his face.

He didn’t understand why Mr. Shi agreed to Ning Dahai’s request.

“Of course I want to go, but Chen Ping will definitely not give me face...”

Mr. Shi smiled and walked out.

Ning Dahai hurriedly opened the car door for Mr. Shi himself, and then the car set off towards Ning's house.

.....

In front of the Ning family!

Chapter: 1959

Chen Ping sat quietly. As time passed by, there were already the bodies of four Ning family members at Chen Ping's feet.

Seeing that the hour is almost up again.

At this time, everyone in the Ning family was sweating profusely and trembling.

Because they don't know who among them Chen Ping will take action when the time is up.

This unknown death is the most terrifying thing.

In front of the Ning family, more and more people were watching the excitement.

"It seems that Ning Dahai is really scared. Even though their Ning family members have died so many times, they don't dare to show up!"

"The veteran Wuhou is really worse than shit!"

"Now, Chen Ping's reputation will be established, and the younger generation will be invincible!"

Everyone was talking about it.

Chen Ping's face was calm, his eyes were closed and he was concentrating. Chen Ping seemed not to hear the comments of the people around him.

Suddenly, Chen Ping opened his eyes.

At this moment, the Ning family members were so frightened that they backed away!

Because they know that when the time comes, Chen Ping is going to kill someone!

Chen Ping stood up slowly and looked at the Ning family members: "Your master doesn't want you anymore, so your lives are useless..."

When the Ning family members saw this, they all knelt down and begged Chen Ping for his life!

In the face of life and death, dignity is nothing!

But there was no trace of pity in Chen Ping's eyes. He would not pity anyone who was against him.

Every pity he shows is cruelty to himself.

If he fell into the hands of these people, he believed that no one would pity him.

Just when Chen Ping was about to take action, a car suddenly drove over quickly.

Ning Dahai rushed out of the car and shouted towards Chen Ping: "Stop, Chen Ping, stop it..."

Chen Ping looked at Ning Dahai and raised his lips: "You finally showed up..."

But who knows, Ning Dahai ignored Chen Ping, but hurriedly turned around, opened the car door, and invited Mr. Shi out.

Chapter: 1960

Seeing Mr. Shi actually coming, Chen Ping frowned slightly.

And those who were watching were also quite surprised.

There was a lot of discussion.

“Damn it, Ning Dahai won’t be so cowardly as to bring in reinforcements, right? Does he want Mr. Shi to show up?”

“Mr. Shi is the backer behind Chen Ping. Why does Ning Dahai invite Mr. Shi? To make peace with Chen Ping?”

“The dignified head of the Ning family, a veteran Wuhou, was forced into such a situation by a young boy...”

The discussion was loud and Ning Dahai could hear it clearly. They were all mocking him.

But Ning Dahai doesn’t care about this at this time, what he needs is to preserve his strength!

“Mr. Shi, why are you here?”

Chen Ping asked Mr. Shi.

“Ning Dahai invited me here because he wanted me to persuade you to give up challenging him. He wants to make peace with you!”

“Whatever you want, the Ning family will grant you, as long as you don’t cause trouble for the Ning family!”

Mr. Shi said.

“Make peace with me?”

Chen Ping sneered: “When you shattered my Dantian and broke my bones, why didn’t you say you wanted to make peace?”

“Why didn’t you say you wanted to make peace when you killed dozens of people in the Valley of Evil?”

“You want to make peace with me now? It’s too late...”

“Chen Ping, our Ning family did have something wrong with what we did before, especially what my son did against you. I will strictly control him. As long as you promise not to trouble my Ning family again, you need to I can give you any resources!”

Ning Dahai lowered his posture and said to Chen Ping in front of many people.

“I don’t need anything, I want your life, I want your Ning family to disappear from Kyoto...”

Chen Ping exuded strong murderous intent.

Ning Dahai frowned and gritted his teeth: “Chen Ping, do you really want to fight to the death with me? If the two of us really fight, it’s not certain who will live and who will die, but the other aristocratic families will definitely benefit. !”

“Don’t worry, you will definitely be the one who dies...”

Chen Ping said firmly.
