

## **The Order 1971**

Chapter: 1971

“Perish with me?”

A sneer appeared on Chen Ping’s lips: “I won’t stop you from self-destructing. I just want to test whether my body can withstand the self-destruction of a Wuhou!”

Chen Ping did not stop Ning Dahai. Now he is in the realm of Nascent Soul. As long as the Nascent Soul is not destroyed, Chen Ping will not die!

Even if his body is blown to pieces, he will not die.

This is Chen Ping’s confidence, so he dares to try it!

Chen Ping’s body shone with dazzling golden light. His indestructible golden body was exerted to its extreme at this moment, and all the muscles in his body were contracting together.

“Master, no, no...”

When those Ning family members saw that Ning Dahai was going to blow himself up, they all panicked!

They blocked Ning Dahai not because they didn’t want Ning Dahai to die, but because they didn’t want to die themselves.

If Ning Dahai blew himself up, none of them would survive...

The Ning family’s butler stepped forward, preparing to stop Ning Dahai from blowing himself up.

But who would have thought that as soon as the Ning family housekeeper stepped forward, Ning Dahai slapped his head to pieces.

“How can we, as members of the Ning family, be so greedy for life and afraid of death...”

Ning Dahai was like a madman at this moment, his eyes were scarlet.

Seeing this scene, everyone in the Ning family was shocked. After looking at each other, they rushed towards Ning Dahai.

They want to prevent Ning Dahai from self-destructing, because Ning Dahai will self-destruct, and they will definitely die!

And if Ning Dahai dies, they may have a glimmer of hope when facing Chen Ping!

It seemed that they planned to kill Ning Dahai to show off in front of Chen Ping in exchange for a chance to survive!

Ning Dahai looked at the Ning family members who were rushing over like crazy, and his whole body trembled with anger.

The extreme anger had already rendered him speechless...

“ah.....”

Ning Dahai roared loudly!

The body burst out with countless rays of light instantly, followed by a huge explosion!

The earth shook and the surrounding buildings instantly turned into powder!

Chapter: 1972

Those members of the Ning family who had not yet rushed to Ning Dahai were instantly swallowed up by the air waves, and their bodies were turned into ashes!

Chen Ping gritted his teeth and felt an endless force coming towards him!

His whole body was blown away directly.

The scales on his body began to fall off in large areas, and in the end the indestructible golden body completely collapsed.

Chen Ping's physical body was under tremendous pressure and he soon passed out.

I don't know when, Chen Ping slowly opened his eyes and found that his body was already scarred.

However, there is no life-threatening danger, and within a hundred meters of Ninghai Dahai's self-destruction, there is already nothing, and everything has turned into powder!

"Wu Hou's self-destruction is really powerful..."

Chen Ping looked at the scarred body and muttered to himself.

At the same time, Kyoto Martial Arts Alliance!

Zhu Zhishan was having a meeting with several aristocratic families. In front of them was a big screen, which was playing the scene of Chen Ping fighting with Ning Dahai.

"Have you seen that in just a few days, Chen Ping has broken through Wuhou and undergone earth-shaking changes? If we don't kill him, there will be trouble in the future!"

Zhu Zhishan said solemnly.

“I really didn’t expect that Chen Ping’s strength has improved so fast. Could this guy have learned some evil skills?”

Long Jingguo couldn’t believe that Chen Ping, who they had completely looked down upon before, dared to fight against Ning Dahai, a veteran Wuhou, in just a few months.

“Yes, I also suspect that this Chen Ping has some evil skills!”

Another family head said.

“Impossible, Chen Ping must have other secrets...”

Zhu Zhishan shook his head.

Because he knew that Chen Ping did not have any evil powers. If there were, he would have discovered it long ago.

“I originally thought that Ning Dahai really killed Chen Ping, but it turned out that he was just bragging...”

One of the family heads said with disdain.

“Then since Chen Ping is not dead, let’s take action. Fortunately, the few killers I prepared have not left.”

Zhu Zhishan’s eyes narrowed slightly: “But behind Chen Ping is Mr. Shi, so we have to do everything right. If Mr. Shi pursues the case, we are like grasshoppers on a rope, and we have to advance and retreat together!”

Chapter: 1973

“I wish you peace of mind, Alliance Leader. Since you have chosen to stand together, of course we will advance and retreat together.”

A family head assured.

“That’s good. I can guarantee that it won’t take long before the entire Kyoto martial arts world will be within the sphere of influence of our martial arts alliance!”

Zhu Zhishan had a hideous smile on his face!

Rumble.....

At this moment, the ground suddenly shook, as if there was an earthquake!

“what happened?”

Zhu Zhishan was stunned and frowned.

Others also looked outside hurriedly, wanting to see what happened.

“Leader, Ning Dahai blew himself up...”

At this time, an elder from the Martial Arts Alliance ran in and said.

“Self-destruction?”

This time, Zhu Zhishan and everyone were stunned.

They knew the power of a martial arts master’s self-destruction.

“What are the casualties?”

Zhu Zhishan asked.

A Wuhou self-destructed, which was so powerful that those watching the battle were probably affected.

If there were so many casualties in Kyoto’s martial arts world, he, the leader of the martial arts alliance, would also be responsible.

“It’s not clear yet, but those who were watching the battle have already left. It is estimated that Ning Dahai died together with Chen Ping, and the Ning family is probably doomed as well...”

The elder replied.

“Go and check now...”

Zhu Zhishan roared.

The elder hurriedly ran to check.

Zhu Zhishan sat on his seat with a cold expression.

Chapter: 1974

He didn’t expect that Chen Ping would force Ning Dahai to self-destruct. You know, a Wuhou would not self-destruct easily even if he died.

After all, Marquis Wu also had a family. If he blew himself up, it would mean that the entire family would disappear from the world.

“This time, Chen Ping is probably going to die...”

A family head said calmly.

Wu Hou self-destructed, and there could be no living thing within a hundred meters.

“Let’s wait until we find out more. I always feel that Chen Ping won’t die so easily...”

Long Jingguo spoke slowly.

Long Jingguo knew Chen Ping’s true identity, and the fact that Chen Ping’s strength had grown so fast was not because he was practicing evil skills, so it was related to the secret he wanted to know.

He had imprisoned his sister for more than twenty years and never killed Long Ruotong, just because he wanted to know the secret.

And this secret may be hidden in Chen Ping.

“Yes, let’s wait until we find out more. You go back first...”

Zhu Zhishan waved his hand, and several heads of martial arts families left.

Just after leaving, seven men in black walked in.

The seven people were all dressed in black, and even their heads were covered by black scarves. Only a pair of eyes were exposed, but these people’s eyes were dull and they didn’t even blink. They were like dead people and silent!

Facing the seven men in black, Zhu Zhishan took out Chen Ping’s photo and held it gently in his hand. The photo burned instantly.

“The goal of the seven of you is this person. You want to capture him alive...”

Zhu Zhishan ordered the seven men in black.

The seven men in black nodded and walked out without saying a word.

The reason why Zhu Zhishan did not kill Chen Ping but wanted to capture him alive was because he also wanted to get the dragon crystal in Chen Ping’s body.

When fighting Ning Dahai again, the golden dragon hovering above Chen Ping deeply shocked Zhu Zhishan.

So he changed his plan and planned to capture Chen Ping alive, then take out the dragon crystal and kill him.

At this time, Chen Ping looked at Ning Dahai, who had long since turned into powder, and the Ning family, who had disappeared, and felt a little regretful in his heart.

Ning Dahai is a Jindan Wuhou. If he can get the Jindan, it will definitely be of great help to Chen Ping’s cultivation.

But now Ning Dahai has turned into powder, and the golden elixir no longer exists.

Chapter: 1975

The next step is to find a way to find Ning Zhi, who is the culprit!

“No matter how far you go, I will find you...”

Chen Ping’s eyes were full of determination.

The Ning family has solved it, but there is still one thing left, and that is the Ning family's huge industry and resources in Kyoto.

Someone needs to take over and take care of this. Chen Ping doesn't have time himself, so he must find talents.

However, Wuying Villa has been moved to the Valley of Evil by Chen Ping. It is a bit far away and there is no way to take over the Ning family's huge industry.

It is not appropriate to let the Bai family take over. After all, the Bai family is just a pure business family. Taking over the martial arts family's industry, let alone whether the Bai family has the strength to hold on, there are many things that the Bai family does not understand at all!

Just when Chen Ping was deep in thought, a man named Dong Jiahao suddenly appeared in his mind!

The Dong family is also a famous martial arts family in Kyoto, and Dong Jiahao is a very loyal guy, and he has a good relationship with him!

Therefore, Chen Ping hopes that the Dong family will take over the Ning family's huge industry.

As for Dong Liqun, Chen Ping believed that he would never dare to harm himself again.

Thinking of this, Chen Ping walked towards Dong's house. Just after taking two steps, he found that someone seemed to be secretly observing him.

Chen Ping's spiritual consciousness radiated out, and he immediately discovered that not far away, an elder from the Martial Arts Alliance was secretly watching him.

Chen Ping raised the corner of his mouth slightly, but did not turn around, but said coldly: "Sneaky, this is not like the style of the Martial Arts Alliance. Now that you are here, get out..."

Chen Ping's words shocked the elder of the martial arts alliance, but he still walked out cautiously.

“Are you here to see if I’m dead?”

Chen Ping looked at the martial arts alliance elder and asked.

The martial arts alliance elder’s face turned a little ugly, but he still nodded.

In front of Chen Ping, he didn’t dare to hide anything.

Chen Ping had just killed Ning Dahai. If he wanted to kill him, it would only be a matter of one palm.

Chen Ping at this time is no longer the Chen Ping he was a few months ago.

A few months ago, when Chen Ping competed with Long Xiao, the elders of their martial arts alliance completely looked down on Chen Ping, but now, when facing Chen Ping, they had to lower their heads cautiously.

This is strength. In the face of strength, you have to bow your head!

“Go back and tell Zhu Zhishan that I, Chen Ping, are living well and ask him to be prepared. I will personally go to the Martial Arts Alliance...”

Chapter: 1976

Chen Ping looked at the panicked look of the martial arts alliance elders and smiled coldly.

After saying that, Chen Ping turned around and left without attacking the elder of the martial arts alliance. Chen Ping still needed him to go back and report to Zhu Zhishan!

Looking at Chen Ping’s retreating figure, the elder of the martial arts alliance let out a long breath.

“call.....”

“This kid is too scary, too scary...”

The elder of the martial arts alliance wiped the cold sweat from his forehead and hurriedly turned around and left.

.....

The Dong family in Kyoto!

At this time, the Dong family no longer had the prosperity it had in the past.

The Ning family and the Dong family are enemies. After Ning Dahai came out of seclusion, all the families that were originally attached to the Dong family left the Dong family.

Dong Liqun was sitting in the hall, looking at the somewhat desolate Dong family, with an expression of indescribable loneliness.

“Dad, Ning Dahai is dead, killed by the Chen Ping brothers...”

At this time, Dong Jiahao walked into the hall and said to Dong Liqun.

When Dong Liqun heard this, his expression was slightly shocked.

He knew Ning Dahai’s strength very well. Even if he fought against Ning Dahai, the outcome would be unpredictable, but Ning Dahai had a better chance of winning.

Now it seems that Ning Dahai was killed by Chen Ping, so he himself is no match for Chen Ping.

Dong Liqun now regrets his own interests. At that time, he even wanted to kill Chen Ping in order to get Chen Ping's treasure.

This is probably the most regretful thing he has ever done in his life.

He knew that if it weren't for Dong Jiahao, the next person Chen Ping would kill would be the Dong family.

Although Chen Ping killed the Ning family last time and had a brief cooperation with the Dong family.

But Dong Liqun still regretted it. If he hadn't been greedy, with the relationship between Chen Ping and Dong Jiahao, their Dong family would have been able to get Chen Ping's help!

The Chen Ping of today is no longer the Chen Ping of the past. Being able to kill Ning Dahai also made Chen Ping the most promising star of the younger generation.

And because of his greed, the Dong family missed the opportunity to date Chen Ping!

Dong Liqun knew that in the near future, Chen Ping would surely dominate the entire martial arts community in Kyoto and even the entire martial arts community in Daxia.

Chapter: 1977

"Master, Mr. Chen is outside the door asking to see you..."

At this moment, a servant of the Dong family came in and reported.

"Mr. Chen? Which Mr. Chen?"

Dong Liqun asked doubtfully.

“That’s Chen Ping, the one who has a good relationship with the young master!”

The servant replied.

Hearing Chen Ping’s sudden arrival, Dong Liqun stood up suddenly, and his heart began to beat a little!

Because he didn’t know what Chen Ping’s purpose was.

Chen Ping had just killed Ning Dahai, and he immediately arrived at their Dong family. Could it be that he was also here to kill him?

Dong Liqun’s face became a little ugly.

“Dad, let’s go out and take a look. I believe Brother Chen Ping won’t do anything to you...”

Dong Jiahao said very confidently.

Dong Liqun nodded. Now he can only go out and take a look. Is it a blessing or a curse? It is a curse that cannot be avoided...

Dong Liqun followed Dong Jiahao out.

.....

When Dong Jiahao and Dong Liqun walked out, they saw Chen Ping standing at the door covered in blood.

“Brother Chen Ping, are you injured?”

Dong Jiahao looked shocked and hurriedly stepped forward to check Chen Ping’s injuries.

Chen Ping smiled lightly: "It's just a minor injury!"

"Mr. Chen, I have some good gold sore medicine and Qi-boosting pills here. I'll order someone to bring them right away!"

Dong Liqun also stepped forward and followed Chen Ping hurriedly and respectfully.

"Master Dong, no need, it's just a minor injury and it will be fine soon!"

Chen Ping said gratefully.

Seeing the tone of Chen Ping's words, Dong Liqun finally breathed a sigh of relief and immediately made a gesture of invitation: "Mr. Chen, please come to the room to invite..."

Chapter: 1978

Chen Ping walked into the Dong family villa, and Dong Liqun personally poured tea and water for Chen Ping!

Chen Ping actually saw the panic in Dong Liqun's heart and smiled lightly.

"Brother Chen Ping, I heard that you killed Ning Dahai?"

Dong Jiahao asked Chen Ping.

Chen Ping nodded: "Kill him, it was just him who blew himself up."

"Self-destruction?"

Dong Jiahao and Dong Liqun were both shocked!

They knew the power of a Wuhou self-destruction. Ning Dahai self-destructed, but Chen Ping was fine. He only suffered some minor injuries. This is enough to show Chen Ping's strength.

"Then Ning Zhi will also be killed by Ning Dahai's self-destruction?"

Dong Jiahao asked curiously.

"Ning Zhi escaped, but even if he escapes to the ends of the earth, I will still find him and beat him!"

Chen Ping shook his head and said.

"That's such a pity. This Ning Zhi is too insidious. If he escapes, you should be more careful."

Dong Jiahao warned Chen Ping.

"Thank you, Brother Dong, for reminding me!" Chen Ping nodded, and then continued: "Brother Dong, I came to the Dong family this time because I want your Dong family to take over all the Ning family's industries and resources."

"You also know that the Ning family's industry is huge, and many martial arts families are eyeing it. Now that Ning Dahai is dead, the Ning family's industry will be cannibalized very quickly if no one takes over."

"I don't have time to manage these, and these industries don't make sense to me, so I hope Brother Dong can take over!"

After Chen Ping finished speaking, Dong Jiahao and Dong Liqun were stunned!

Especially Dong Liqun, he felt very lucky that Chen Ping didn't settle the score with him, but he didn't expect that Chen Ping would give the Dong family such a big deal!

“Brother Chen Ping, what you said is true. You must know that the Ning family’s industry is one of the best in the entire Kyoto.”

Dong Jiahao asked in disbelief.

“Of course it’s true!” Chen Ping said with a slight smile.

“Brother Chen Ping, since you trust me so much, I, Dong Jiahao, have nothing to say. From now on, as long as you, Brother Chen Ping, say a word, I, Dong Jiahao, will go through fire and water without hesitation...”

Dong Jiahao looked at Chen Ping very excitedly, and his eye circles turned red.

Chapter: 1979

Dong Liqun, with his face full of shame, actually knelt down in front of Chen Ping with a thud.

Chen Ping was stunned and hurriedly stepped forward to help Dong Liqun up: “Master Dong, what are you doing?”

“Mr. Chen, I have never done anything wrong, but I am ashamed of Mr. Chen...”

“From now on, I, Dong Liqun, will be Mr. Chen’s pawn. All members of my Dong family will obey Mr. Chen’s orders...”

“If I, Dong Liqun, dare to do something with my own heart, heaven and earth will not tolerate it...”

Dong Liqun was impressed by Chen Ping’s mind at this moment. He wanted to slap himself in the mouth!

“The head of the Dong family is serious. Brother Dong and I are friends, and he helps me a lot. We just need to help each other!”

Chen Ping said with a faint smile!

Chen Ping didn't stay at Dong's house for long. After talking about some things, he left. He was going to the Valley of the Wicked to see if the four evil men had recovered.

Valley of the Wicked!

At this time, Zhao Liguó summoned everyone, and today the four villains came out of seclusion.

And Zhao Liguó plans to take people to find the Ning family and fight to the death today!

Zhao Liguó knew that this trip would be disastrous, but he was not afraid!

Even if Chen Ping dies, Zhao Liguó will never survive. He must avenge Chen Ping!

The door of the Demon Suppression Tower slowly opened, and the four villains walked out.

When the four villains saw Zhao Liguó and everyone guarding the door of the Demon Suppression Tower, they were all stunned.

"Master Zhao, what happened?"

Ding Buda asked Zhao Wuji.

Zhao Wuji looked solemn and thought for a while, because he didn't know what to say to the four evil men.

After a moment, Zhao Wuji opened his mouth and said: "Gu Master Ding, Chen...Mr. Chen, he is dead..."

Zhao Wuji's words instantly stunned the four villains on the spot.

"Zhao Wuji, you fart, how could Mr. Chen die? How long have we been in the tower?"

Ding Busan yelled at Zhao Wuji.

"You have been here for a month, and during this month, Mr. Chen hid in the south, but he was still found by Ning Dahai, the head of the Ning family, and then killed Mr. Chen..."

Chapter: 1980

Zhao Wuji gritted his teeth with a look of grief on his face!

"How could this happen? How did you get the news?"

Ding Buda asked in disbelief.

"Ning Dahai said it himself, and he also announced that Mr. Chen was the corpse."

"I gathered everyone together just to wait for you to come out and avenge Mr. Chen."

Zhao Wuji said.

Ding Bu'er swayed and almost fell, but was supported by Ding Bu'er behind him.

"The Ning family, I want him to pay with blood..."

Ding Buda's eyes widened angrily, his anger burning.

Ning Zhi led his men to kill almost everyone in the Valley of Evil, and now Ning Dahai killed Chen Ping again.

This blood debt must be repaid.

“Ning Dahai, I’m your ancestor, let’s go kill this bastard now and avenge Mr. Chen...”

Ding Busan gritted his teeth and roared.

“Yes, kill the Ning family and avenge Mr. Chen. If you kill one, you won’t be compensated. If you kill two, we will earn one...”

Ding Busi echoed.

Ding Bu tried hard to calm down his mood, and after a while he said: “The Ning family is so powerful that we will die if we go there.”

“Zhuang Master Zhao, please stay with your people. Don’t go and die in vain. The four of us are going!”

When Zhao Ligu heard this, he was stunned and said: “Gu Master Ding, if the four of you go, won’t you die in vain? With so many of us, we can still compete with the Ning family.”

“Don’t worry, none of us are afraid of death. Since we choose to go, we must be determined to die!”

Ding Buda waved his hand: “Master Zhao, please don’t misunderstand me. I’m not saying you are afraid of death. I just don’t want you to die in vain!”

“Just the four of us can go. At the last minute, we will blow ourselves up...”

Zhao Ligu was stunned when he heard the word “self-destruction”.

Generally, few warriors choose to self-destruct, because after self-destruction, it disappears into thin air, leaving nothing behind, not even a body.

And if a Wuhou self-destructs, it will be even more terrifying!
