

The Order 201

Chapter: 201

If Lin Tianhu was not too old, it would not be impossible for Chen Ping to introduce Lin Tianhu to Wang Hanhan!

“I don’t want it. I want to find someone like you, Brother Chen Ping...”

Wang Hanhan looked at Chen Ping and said with love in her eyes!

When Chen Ping saw this, he quickly turned his face to the side, not daring to look into Wang Hanhan’s eyes!

“The food is here, let’s order some beer...”

At this time, the ordered dishes arrived, and I saved Chen Ping for a while, otherwise Chen Ping would really not know how to face Wang Hanhan!

Wang Hanhan’s thoughts towards him were so explicit that even a person could see it!

“Okay, we won’t go home until we get drunk today...”

Wang Hanhan nodded happily!

Chen Ping ordered two boxes of beer. After all, Wang Hanhan had the capacity to drink one box by himself!

The two of them drank and chatted about their childhood, when they were still teenagers. Chen Ping moved to Hongcheng with his mother from the countryside, while Wang Hanhan’s family had lived in Hongcheng since he was a child!

The community they lived in used to be pretty good, but with the rapid economic development, new high-rise buildings have continued to rise in just a few years, so Chen Ping and his community have become old and shabby!

“Brother Chen Ping, I remember when I was a child, someone bullied me, and you always stood up for me. At that time, I hid behind you and felt particularly safe...”

Wang Hanhan recalled her childhood and said with emotion!

Chen Ping just smiled and said nothing!

“Brother Chen Ping, I remember you took out bird eggs for me and was chased and beaten by Uncle Chen. You also gave me the toffee at home...”

Wang Hanhan has more and more memories, all of which are due to Chen Ping’s kindness to her!

At this moment, a girl with yellow hair, high heels, and a one-step skirt suddenly sat in front of their table!

“Hanhan, what a coincidence, I didn’t expect you to come here to eat food stalls...”

The yellow-haired girl patted Wang Hanhan on the shoulder and said.

Wang Hanhan looked up and immediately stood up and said, “Wu Yifan, didn’t you go abroad? When did you come back?”

Wu Yifan smiled awkwardly: “Why are you going abroad? I have always been at home. I am lying to my parents when I say I am going abroad...”

“Then what are you doing now?” Wang Hanhan looked at Wu Yifan and asked.

Wu Yifan was silent for a moment, and then said awkwardly: "I do public relations!"

Chapter: 202

Chen Ping looked at Wu Yifan. At first glance, he guessed what Wu Yifan did. It must be an ulterior profession!

Wang Hanhan looked at Wu Yifan like that and seemed to have guessed something. She fell silent for a moment, not knowing what to say!

"Who is this? Is he your boyfriend?"

In order to relieve the embarrassment, Wu Yifan looked at Chen Ping and asked.

"No...this is my brother Chen Ping..."

When Wang Hanhan heard this, his face turned red and he hurriedly explained!

Chen Ping stood up, stretched out his hand toward Wu Yifan and said, "Hello, my name is Chen Ping!"

"Hello, my name is Wu Yifan. Hanhan and I are classmates and roommates..."

Wu Yifan shook hands with Chen Ping and said.

But looking at Wang Hanhan's expression, Wu Yifan knew that this little girl must like Chen Ping, but she just didn't make the relationship explicit!

Chen Ping invited Wu Yifan to sit down and eat together, but Wu Yifan was not polite.

"Hanhan, there is a class reunion tomorrow, will you go?"

After Wu Yifan sat down, he asked Wang Hanhan.

“Class reunion? Who organized it?”

Wang Hanhan and the others had graduated two or three years ago and had not organized a class reunion yet. Wang Hanhan felt a little surprised when a class reunion was held suddenly this time!

“What? Didn’t anyone inform you?” Wu Yifan was stunned!

Wang Hanhan shook his head!

Wu Yifan sighed and said: “No wonder I didn’t inform you. It was Zhang Miao who took care of it. She is now following Leng Bing!”

Hearing the name Leng Bing, Wang Hanhan’s body suddenly started shaking, and anger began to flash on his face!

Chen Ping looked at Wang Hanhan’s expression and asked Wu Yifan, “Who is Leng Bing?”

Wu Yifan did not answer Chen Ping directly, but looked at Wang Hanhan. She would only speak after Wang Hanhan gave her permission!

“Leng Bing is my former boyfriend!”

Wang Hanhan answered himself!

“Is that the guy who cheated you of your money?” Chen Ping knew that Wang Hanhan was deceived by her ex-boyfriend and accepted a loan shark as a dancer, and that’s why she did that!

Chapter: 203

Wang Hanhan nodded.

“Hanhan, did Leng Bing cheat you out of money?” Wu Yifan didn’t know about this yet, so she said to Wu Yifan in surprise.

After hearing this, Wu Yifan immediately said with an angry look on her face: “I have long thought that this guy is not a good person, and that Zhang Miao, luckily we are in the same dormitory. When she was in school, she targeted you everywhere, and now she still walks with that Leng Bing. Together, we are obviously targeting you, just in time for Leng Bing, a scumbag, to give Zhang Miao a good treatment!”

“That was all in the past. Now I don’t want to have anything to do with Leng Bing anymore. I won’t go to the class reunion. Don’t say you have seen me...”

Wang Hanhan didn’t want to go to the class reunion, and she didn’t want Leng Bing to know that it was because of him that Wang Hanhan didn’t go!

“Since you decided not to go, I won’t go either. It’s boring. The current class reunion is nothing more than giving those students who are doing well a chance to show off...”

Wang Hanhan doesn’t want to go, and Wu Yifan doesn’t want to go either!

“Hanhan, why don’t you take this opportunity? It just so happens that you can show that scumbag how good your life is now...”

Chen Ping persuaded Wang Hanhan!

“Brother Chen Ping?” Wang Hanhan looked at Chen Ping doubtfully, not understanding what Chen Ping meant!

“I’ll go with you tomorrow, just in time for a meal...”

Chen Ping smiled lightly!

Wang Hanhan looked surprised, but soon a happy smile appeared on her face!

“Hanhan, your boyfriend is right. Let’s all go tomorrow and let that scumbag see how well you are doing now...”

When Wu Yifan saw this, he also persuaded Wang Hanhan!

This time, Wang Hanhan did not follow Wu Yifan to explain, but nodded!

But while Chen Ping and the other three were drinking and chatting, a man with a fat head and big ears and a gold chain came over and gave Wu Yifan a slap in the face without saying a word!

“You’re from Male Gobi. I paid to call you out so that you could drink with me, not someone else. How come I haven’t seen you for a long time?”

The fat man said with a curse!

Seeing this, Wu Yifan stood up quickly and said humbly: “Brother Fei, I met a friend, so I chatted for a while, and I’ll follow you right away...”

At this time, when Wang Hanhan saw Wu Yifan being beaten, he immediately stood up and said with an unhappy face: “Why do you hit someone with just your hand? So what if you spent money? It’s not sold to you...”

Wang Hanhan has worked as a dancer, so she knows what these people think. Spending some money to call them out becomes his private property!

Seeing that Wang Hanhan dared to talk to him like this, the fat man with big ears immediately turned cold: “Little girl, you are very courageous. You dare to talk to me like this. I think you are quite handsome. How about sleeping with my brother for a night?” It just so happens that you two are together, let me have a double flight...”

The fat man with big ears said that he was going to attack Wang Hanhan without paying any attention to Chen Ping who was sitting beside him!

Chapter: 204

“Brother Fatty, this is a friend of mine. She is ignorant. I will just accompany you tonight. I promise to serve Brother Fatty comfortably...”

Wu Yifan hurriedly stopped the fat-headed man and said.

At this point, Wu Yifan is no longer afraid that Wang Hanhan and Chen Ping will know what he does!

“Go away, I just want to have sex with each other, and you are trying to stop me. Believe it or not, I will kill you...”

The fat man pushed Wu Yifan away and said!

Seeing this, Wang Hanhan hurriedly supported Wu Yifan, and then glared at the fat man with big ears!

She knew that for many people who looked at them with ferocious looks, the more afraid you were, the more aggressive they would be, so Wang Hanhan showed no fear at all!

“The little girl is a little brave...”

The fat man with big ears saw Wang Hanhan staring at him, so he grinned and grabbed Wang Hanhan!

Snapped.....

Wow.....

But just as the fat man was grabbing Wang Hanhan, Chen Ping, who was sitting down, suddenly took action, and a beer bottle hit the man on the head!

Blood instantly flowed out from the man's head, and the man immediately held his head in his hands in pain and squatted on the ground!

Wu Yifan turned pale with fright when she saw that Chen Ping actually made a move against the fat man.

"Fat brother, are you...are you okay?"

Wu Yifan hurriedly helped the man up and asked!

"Fuck you..." The fat man pushed Wu Yifan away, then glared at Chen Ping and said: "You idiot, you dare to hit me, you are so brave, I will kill you today." you....."

Seeing that this guy dared to curse, Chen Ping immediately picked up another wine bottle, which scared the fat man and ran far away, and then shouted: "Wait for me, kid, I'll call someone..." ..."

Soon, the fat man ran away, while Chen Ping looked at Wang Hanhan and Wu Yifan as if nothing happened and said, "Sit down, let's continue eating!"

"What else are you eating? Run away quickly. Do you know who this guy is? He is covering the whole street. He has more than a dozen subordinates. How can you attack him? This is going to be troublesome. Already..."

Wu Yifan's face was full of anxiety, like an ant on a hot pot, how could he still be in the mood to eat!

"Don't worry, we can just keep eating, don't be afraid of him..."

Chen Ping said with a faint smile!

Seeing that Chen Ping was not afraid at all, Wu Yifan looked at Wang Hanhan strangely and asked: "Hanhan, what does your boyfriend do? Does he have a good background?"

Chapter: 205

After knowing the identity of the man, Chen Ping was not afraid at all. In Wu Yifan's view, Chen Ping must have a background, otherwise he wouldn't be so indifferent!

"We work together and have been neighbors since we were teenagers. We have no background..."

Wang Hanhan frowned slightly and said!

"Impossible, you have no background, why are you not afraid at all?"

Wu Yifan didn't believe it. If he were an ordinary person, he would have been frightened when he heard the man's identity!

"I really don't have any background. Brother Chen Ping just served in prison and just came out..."

In Wang Hanhan's view, Chen Ping's experience in prison should be regarded as background. After all, ordinary people are somewhat afraid of people who have been in prison!

"No wonder, I have been there before, and I seem to know some people, but this fat brother is not just a gangster who covers a street, he is a member of the Chilong Gang, so I advise you to take Hanhan with you. ..."

Wu Yifan persuaded Chen Ping!

"Red Dragon Gang?" When Chen Ping heard this, he felt a little interesting. Why do he keep running into people from the Red Dragon Gang today!

"Why, are you scared? The Red Dragon Gang is the largest gang in Hongcheng. You know those people from all walks of life, and it's impossible to protect you. You'd better take Hanhan away now. I'll see if I can persuade him. I advise Brother Fei, the worst possible outcome is that we don't need any money tonight..."

Wu Yifan planned to follow the fat man and beg for mercy!

“Afraid?” Chen Ping laughed: “The people from the Chilong Gang are afraid of me. They will turn around and run away when they see me!”

“Afraid of you?” Wu Yifan looked at Chen Ping and said angrily: “I’m not joking with you. If you want to show off, you can do it yourself, but you can’t implicate Hanhan!”

Wu Yifan said, took Wang Hanhan’s hand and said: “Hanhan, let’s go, let him stay alone and pretend to be cool, look at what kind of boyfriend you are looking for!”

At first, Chen Ping persuaded Wang Hanhan to attend the class reunion. Wu Yifan still had a good impression of Chen Ping, but now she had no good impression at all. In her opinion, Chen Ping was just a show-off!

“Yifan, Brother Chen Ping is not the kind of person you said...”

Wang Hanhan didn’t want to leave, but Wu Yifan forced her to leave!

“Hanhan, don’t be stupid. You don’t hang out in the streets. You don’t know how powerful the Red Dragon Gang is. There is no one in Hongcheng who is not afraid of the Red Dragon Gang. This Chen Ping has been in prison for several years. He really doesn’t know how high the sky is. Already...”

Wu Yifan held on to Wang Hanhan and refused to let go!

Just as Wu Yifan was following Wang Hanhan, a group of people suddenly gathered around, and the leader was the fat man with big ears, and at this time, the man’s head was already bandaged!

Seeing the man coming with someone, Wu Yifan turned pale with fright, let go of Wang Hanhan, and felt a little at a loss!

Wang Hanhan was frightened when she saw that there were so many people on the other side and they all looked fierce!

Only Chen Ping was still sitting there calmly!

Chapter: 206

“Boy, you are so damn smart that you didn’t run away. Today I will let you know how powerful I am...”

As the fat man said, he bent down to pick up a wine bottle and swung it at Chen Ping!

“Fat brother...”

Seeing this, Wu Yifan hurriedly stepped forward and stopped the fat-headed man: “Fat brother, calm down. He already regretted it just now. As soon as I told him about Fei brother’s identity, he would have been frightened to death. For the sake of Fei brother, For my sake, let him be spared once, and I will spend a few nights with Brother Fei for free in the future, and let him pay some money to make amends for Brother Fei...”

Originally the fat man wanted to be reluctant, but when he heard that the other party was willing to pay for the solution, he took back the wine bottle in his hand and asked Wu Yifan: “How much can he pay? My head is nothing. Anyone can fight!”

Wu Yifan was stunned. She didn’t know how much money Chen Ping could offer. She could only look at Chen Ping and asked: “Brother Fei asked you, how much money do you want to spend to solve this problem? I can tell you, if Brother Fei hadn’t looked at my face, Even if you pay, Brother Fat will destroy you!”

Wu Yifan threatened Chen Ping, hoping that Chen Ping would pay more and send this man away to save him from the physical pain!

Seeing Wu Yifan praising himself like this, the fat man finally had a smile on his face!

“Is this number okay?” Chen Ping slowly stretched out a finger!

“You want to send me away for ten thousand yuan?” the fat man said with a cold expression when he saw this!

“Chen Ping, what do you think? If you beat Brother Fat, you will pay 10,000 yuan and send him to be a beggar...”

Wu Yifan scolded Chen Ping and winked at Chen Ping desperately!

“I’m not talking about ten thousand yuan...”

Chen Ping shook his head!

“One hundred thousand yuan is not much!” said the fat man!

Wu Yifan was also in a bit of a dilemma at this time. One hundred thousand yuan is a lot of money. Seeing Chen Ping like this, and he had just been released from prison, it was impossible for him to have much money.

“Brother Fatty, look at him like this. I feel like one hundred thousand dollars is his limit. He was just released from prison, so he probably doesn’t have much money on him!”

Wu Yifan is pleading for Chen Ping!

“Just got out of prison?” The fat man was startled: “No wonder he was so cruel and brave. I don’t care if he has money or not. Even if he wants to send me away for 100,000 yuan, it’s impossible...”

Seeing that the man disagreed, Wu Yifan could only look at Chen Ping again and said: “You can get more. If not, I still have some left on me and will lend them to you. But I have agreed that you have to pay them back, and this money is mine.” I only borrowed it for Hanhan’s sake!”

“I’m not talking about one hundred thousand yuan...” Chen Ping shook his head again!

Seeing that what Chen Ping said was not one hundred thousand yuan, Wu Yifan was stunned. The fat man's face was excited, but he still pretended to be cold and said: "Did you say one million? What if? If you can offer one million, I won't bother with you anymore. Seeing as you have been in trouble before, I can let you hang out with me..."

"I'm talking about one dollar..."

Chen Ping said, took out a coin from his pocket and tossed it gently in his hand!

Chapter: 207

When Chen Ping asked him to pay a dollar to himself, the man suddenly became angry: "You idiot, you dare to play tricks on me, I will kill you today..."

Then Wu Yifan was immediately furious: "Chen Ping, what do you mean? I begged for you, but you didn't appreciate it at all. You only offered one yuan. I don't care about you anymore..."

Wu Yifan was so angry with Chen Ping. If it weren't for Wang Hanhan's sake, she wouldn't care about Chen Ping!

Wu Yifan dodged to the side, and the fat man picked up a chair and threw it at Chen Ping!

This time he brought more than a dozen people, but he was no longer afraid of Chen Ping, and his attacks were obviously much more ruthless, and he would kill them directly!

But just when the fat man was hitting Chen Ping, Chen Ping suddenly flicked the coin in his hand, and the coin hit the man's wrist like a bullet.

A sharp pain came, and the man threw away the chair in his hand. When he looked at his wrist, he saw that it was already bleeding profusely!

"Haw him to death, chop him to death for me..."

The fat man roared angrily.

When the dozen or so people brought by the man saw this, they all took out their weapons and rushed towards Chen Ping!

“Brother Chen Ping...”

When Wang Hanhan saw this, she screamed in fright and wanted to go over to protect Chen Ping, but Wu Yifan held her back tightly!

If Wang Hanhan went over at this time, he would be risking his own life in vain!

Chen Ping faced more than a dozen people, still sitting on his chair, without even moving, with the same look on his face!

He just picked up a plate of peanuts on the table, then suddenly grabbed a handful and threw it towards the dozen or so people who were rushing over!

Seeing Chen Ping throwing peanuts at him, more than a dozen people all had disdain on their faces, and no one dodge!

What harm can peanuts do to your body?

But soon, these dozen people regretted it!

Because they felt that the peanuts hit their bodies, as if they were hit hard by bullets. Their whole bodies trembled suddenly, and then they fell to the ground one after another. Blood holes appeared on everyone’s body, towards the Blood is constantly flowing outside!

Seeing this scene, the fat man with big ears was stunned. He seemed to have been restrained by a restraining technique, and he looked motionless at the wailing men in front of him!

“What...what’s going on?” The fat man swallowed hard!

She didn't answer him, because Wu Yifan had been stunned for a long time. She didn't expect Chen Ping to be so powerful. Wu Yifan instinctively turned her head to Wang Hanhan. She hoped that Wang Hanhan could explain to her what was going on with Chen Ping!

At this time, Wang Hanhan also looked confused. She didn't even know that Chen Ping had such an ability. He could kill more than a dozen people with just a handful of peanuts. This was simply unbelievable!

"Are you still going to kill me?" Chen Ping looked at the fat man and asked indifferently.

Chapter: 208

The man's Adam's apple rolled and he wanted to say something, but looking at Chen Ping's indifferent expression, he couldn't say a word!

After a while, the fat-headed man woke up from the shock. After trying hard to take two deep breaths, he said to Chen Ping: "Boy, you really have a problem, but you know who I am." Human? I am a member of the Red Dragon Gang, and this street is also a member of the Red Dragon Gang. If you hit me now, you are following our entire Red Dragon Gang as our enemy..."

"So what if we are enemies of your Red Dragon Gang? If you have the ability, just use it..."

Chen Ping couldn't help but sneered!

The fat man's face turned red with anger, and he finally took out his cell phone and dialed a number!

Although they didn't know who he was calling, they all knew that the fat man must be calling for help!

Soon, after hanging up the phone, the fat man with big ears showed a trace of pride on his face: "Boy, just wait for death. This time Brother Xiong comes in person. Even if you have a hundred, you can't even think of leaving alive..." ..."

This man called Liao Feixiong. Now that Feng Sihai has left the Chilong Gang and handed over everything to Liao Feixiong, so if something goes wrong now, he can only call Liao Feixiong!

Chen Ping laughed when he heard the word "Brother Xiong". He just came out of Liao Feixiong's office, and he didn't expect to meet again soon!

"Well, I'll wait and see how this Brother Xiong you mentioned can make me die..."

Chen Ping said with disdain!

Wu Yifan on the side turned green when he heard the word "Brother Xiong", winked at Wang Hanhan hurriedly, and then whispered in Wang Hanhan's ear: "Hanhan, please persuade Chen Ping, let's go. , don't think that you won't be afraid of anyone just because you have a chance. Let me tell you, this Brother Xiong is the right-hand man of Feng Sihai, the leader of the Red Dragon Gang. He is very capable of fighting and is ruthless. If he really comes, Chen Ping will definitely die. of..... "

When Wang Hanhan heard this, she was frightened. She nodded slightly, then walked to Chen Ping and said softly: "Brother Chen Ping, let's go, it's too late..."

Wang Hanhan did not tell Chen Ping how powerful Brother Xiong was, because she knew that Chen Ping's heart was already inflated to the extreme. If she said this, Chen Ping would never leave!

Chen Ping looked at Wu Yifan, then at Wang Hanhan and said: "Hanhan, you and Wu Yifan should leave first. I will go home in a while..."

Seeing that Chen Ping didn't leave, Wang Hanhan was very anxious and could only say truthfully: "Brother Chen Ping, Yifan just said that Brother Xiong is very powerful, we'd better not provoke him..."

"It's okay, I'm not afraid!" Chen Ping smiled slightly!

When Wu Yifan saw that Chen Ping refused to listen, he could only reprimand loudly: "Don't think that you are invincible just because you have a few moments. This Brother Xiong is the right-hand man of the Chilong Gang and is very capable of fighting. Just like this, I guess two or three If you can't defeat him, do you still dare to stay?"

“What are you afraid of?” Chen Ping looked indifferent...

“You...” Wu Yifan was about to be angry to death. In the end, he could only pick up Wang Hanhan and drag her away desperately: “Hanhan, let’s go. I really don’t care about him. Now he has provoked the Chilong Gang. , it’s definitely impossible to see the sun tomorrow, it’s not worth it for us to die with him...”

Wang Hanhan was dragged away by Wu Yifan. Although the fat man didn’t want Wu Yifan and Wang Hanhan to leave, Liao Feixiong hadn’t arrived yet, so he didn’t dare to say anything to avoid being beaten by Chen Ping!

Not long after Wu Yifan took Wang Hanhan away, he saw several cars driving quickly and then stopped in front of the food stall!

When the food stall owner saw this, he was so frightened that he hid in the house. The people around him who were eating and watching the excitement also dispersed in a hurry. Only some brave ones hid and watched from a distance!

They all know the reputation of Liao Feixiong, and no one dares to provoke such a person, or they may even lose their lives!

Chapter: 209

When the fat man saw this, he hurried over and opened the door of the first car respectfully!

Liao Feixiong walked out of the car with a cigar in his mouth, and everyone was envious of him at his appearance!

“Brother Xiong...” Seeing Liao Feixiong, the fat man shouted hurriedly, with endless grievance on his face!

“Fat boy, look at you like this, you are really embarrassing to the Red Dragon Gang!” Looking at the fat man with big ears, Liao Feixiong frowned and said, “Where are the people making trouble?”

“Brother Xiong, you are sitting right there...”

The man pointed at Chen Ping and said!

Liao Feixiong looked in the direction of his finger. When he saw that the person sitting was Chen Ping, Liao Feixiong's body shook slightly and the cigar in his mouth fell to the ground!

Seeing Liao Feixiong's loss of composure, the fat man looked confused and hurriedly picked up the cigar and said: "Brother Xiong, this guy is just one person, but he has some skills. All my men were beaten..."

Liao Feixiong was so angry that he wanted to scold this fat boy.

Chen Ping has no skills at all. He is clearly superior in strength. Even Feng Sihai was defeated with one kick. Who in Hongcheng can be Chen Ping's opponent?

"Brother Xiong!" Chen Ping looked at Liao Feixiong with a playful expression on his face: "We are really destined to meet again!"

When Liao Feixiong heard this, he hurriedly put on a smile and walked up: "Mr. Chen is joking, it's all because of my inability to discipline him!"

At this time, the fat man with big ears was dumbfounded. He looked at the flattering Liao Feixiong in confusion, not understanding what happened!

"Your men are all awesome. Even if I have a hundred lives, I can't leave here tonight!"

Chen Ping raised the corner of his mouth slightly and said!

"How is it possible? With Mr. Chen's ability, who in Hongcheng can stop him!" Liao Feixiong smiled awkwardly, then looked at the fat man with big ears and said: "Fat boy, get over here..."

The fat man with big ears looked confused and could only walk over slowly!

“Why don’t you kneel down and apologize to Mr. Chen...”

Liao Feixiong kicked the man hard!

Plop!

The fat man suddenly knelt in front of Chen Ping!

“Okay, there’s no need to do this with me. Before you help find his master, I won’t touch you unless you provoke me without being wise...”

Chen Ping knew that Liao Feixiong was just showing off in front of him to give him face!

Chen Ping injured Feng Sihai, and this feud was formed with the Chilong Gang. It is impossible for Liao Feixiong to truly respect him!

Chapter: 210

After Chen Ping finished speaking, he stood up and left. Liao Feixiong looked at Chen Ping’s back with a cold look in his eyes!

“Brother Xiong, this person is...”

Seeing Chen Ping leave, the fat man stood up and followed Liao Feixiong with a puzzled look on his face.

Snapped.....

Liao Feixiong slapped the fat man in the face hard!

“Let me tell you, if you see him in the future, stay away from me. Our gang leader was injured by him. If you can survive today, just burn incense...”

After Liao Feixiong finished speaking, he also took the people away!

In the end, only the fat man with big ears was left, standing there with a look of horror on his face!

.....

In the community, Wang Hanhan was anxiously waiting for Chen Ping at the door. Wu Yifan sent Wang Hanhan back and left!

“Hanhan, if you don’t go home, who are you waiting for?”

Wang Changfeng asked when he saw that Wang Hanhan was back but not yet home.

“Mom, you go home first, I’m waiting for Brother Chen Ping!”

Wang Hanhan said with a bit of anxiety on his face!

“What’s wrong with Chen Ping? Didn’t you come back together?”

Seeing Wang Hanhan’s anxious look, Wang Changfeng asked hurriedly.

“He...” Wang Hanhan was stunned, not knowing how to explain to his mother!

“Hanhan, where is Chen Ping? Didn’t he come back with you?”

At this time, Tang Hongying and Chen Baoguo also came!

Seeing Tang Hongying and Chen Baoguo, Wang Hanhan was afraid that they would be worried, so he hurriedly said: "Brother Chen Ping has something to do, and he may not come back until later!"

"This kid doesn't know what he's busy with. He's already off work. How can he have so much to do!"

Tang Hongying muttered!

"Aunt Chen, you go back first, I'll just wait for Brother Chen Ping here!"

Wang Hanhan wanted Tang Hongying to follow Chen Baoguo. After all, there was no telling when Chen Ping would come back or whether he would be able to come back!
