

## **The Order 2011**

Chapter: 2011

The two swords, the cold one and the hot one, are facing each other like this!

Luo Jinyou looked at the dragon-slaying sword in Chen Ping's hand and snorted coldly: "This is a sword I found from the Tianshan Mountains. It cuts iron like clay. You still want to fight me with that broken thing in your hand?"

After Luo Jinyou finished speaking, his energy began to surge, and a stream of power was injected into the sword.

With the injection of energy, the sword in Luo Jinyou's hand began to buzz, the surrounding temperature became extremely cold, and endless cold air radiated from the sword.

"Die to me..."

Luo Jinyou slashed out with his sword, and the majestic sword energy roared instantly, turning into a white polar bear, baring its fangs and biting at Chen Ping.

Chen Ping's eyes turned cold, and he swung the dragon-slaying sword in his hand at the same time.

A dragon roar sounded!

The sword energy, with blazing flames, turned into a fire dragon and rose into the sky, rushing directly towards the polar bear!

A dragon and a bear fought together.

Looking at the soaring fire dragon, Luo Jinyou's expression froze on his face. He didn't expect that Chen Ping's sword was also a sword.

I saw the fire dragon spit out streams of flames from its mouth, and finally grabbed the polar bear with its claws, catching the polar bear in an instant!

In an instant, Luo Jinyou's sword energy collapsed, and Chen Ping's sword energy went directly towards Luo Jinyou.

Luo Jinyou hurriedly raised his sword to block it, but was still knocked away by the huge sword energy.

His body fell heavily to the ground, and the sword in his hand had cracks and finally broke into pieces.

Luo Jinyou got up and looked at Chen Ping with a gloomy face.

“Where is Ning Zhi?”

Chen Ping stared at Luo Jinyou and said.

Luo Jinyou didn't speak, but a light shone under his feet, and then Luo Jinyou muttered something.

Soon, rays of light rose into the sky and directly enveloped Luo Jinyou.

At this moment, Luo Jinyou was slowly rising into the air along with the light!

It's like a mortal becomes an immortal!

“Chen Ping, you have an indestructible golden body to protect your body, and your energy is powerful, but don't forget that in this world, in addition to martial arts, there are also spells!”

After Luo Jinyou finished speaking, streaks of light shot out from Luo Jinyou's body.

Chapter: 2012

The terrifying power came overwhelmingly toward Chen Ping, seeming to engulf Chen Ping directly.

Kung Fu relies on energy, while magic relies on mental strength.

Looking at the overwhelming array of spells, it seems that Luo Jinyou's spells are also very superb, even surpassing the skills.

"Compete with me in spells, then I'll play with you too..."

Chen Ping sneered.

"Hahaha, if you compete with me in magic, I think you are tired of living..."

Luo Jinyou laughed, very arrogantly.

Chen Ping was not talking, but was using the magic formula, and the ground began to shake violently.

Immediately afterwards, something seemed to be moving continuously under the ground, and then earth walls rose from the ground.

Luo Jinyou's rays of light hit the earthen walls and defeated them one by one!

Seeing this scene, Luo Jinyou smiled even more unscrupulously.

"Boy, do you know that magic requires huge mental power and magic skills to support you? You, a little kid, still dare to fight with me?"

After Luo Jinyou finished speaking, his figure suddenly disappeared, and even the light pillars disappeared.

Immediately afterwards, Luo Jinyou's figure suddenly appeared above Chen Ping's head.

A beam of light enveloped Chen Ping, and then a strange smile appeared on Luo Jinyou's face.

"Let me see how strong your consciousness is..."

After saying that, Luo Jinyou began to murmur.

In an instant, sound waves continued to spread downwards along the light beam, and Chen Ping's ears seemed to have countless mosquitoes buzzing around!

Chen Ping frowned and his face became a little ugly.

He had never suffered such an attack. Even though Chen Ping's immortal golden body was powerful, it was useless at all.

Chen Ping began to have a splitting headache, and his whole body became manic.

My brain felt like a ball of paste, it was very painful!

Seeing Chen Ping like that, Luo Jinyou laughed excitedly: "Hahaha, even if you have an indestructible golden body, even if you are strong, you are still a weakling in front of me..."

Chen Ping was no longer in the mood to listen to Luo Jinyou's words at this moment. He was clutching his head with both hands. He didn't understand what kind of technique Luo Jinyou was using!

Chapter: 2013

The veins on Chen Ping's forehead bulged, his eyes turned scarlet, and his face was full of ferocity!

But just when Chen Ping felt that he could no longer hold on and even thought of committing suicide, suddenly a bell seemed to ring in his mind!

Buzz...

The chaos in Chen Ping's mind suddenly became much clearer.

But just for a moment, the sense of chaos struck again.

But at this moment, Chen Ping seemed to have remembered something and started to read hurriedly.

Soon, Chen Ping's heart slowly calmed down, and the chaos in his mind gradually disappeared.

What Chen Ping recited was the Heart-Cleaning Mantra, which was able to restrain Luo Jinyou's spell!

Chen Ping was delighted, but he didn't show it and pretended to be in great pain.

Seeing that Chen Ping had been tortured to a state of disgrace and had no strength to fight back, Luo Jinyou stopped.

"Chen Ping, I want to torture you and avenge my son..."

Let's talk, Luo Jinyou's body fell from the sky and slapped Chen Ping on the shoulder!

Chen Ping staggered, and all the scales on his body fell off and disappeared in an instant, and the indestructible golden body lost its function!

"Hahaha, now that you don't have the Indestructible Golden Body, let's see how you can still fight with me..."

Luo Jinyou laughed wantonly.

“Without the Indestructible Golden Body, I’m still not afraid of you...”

After Chen Ping finished speaking, his whole body was shaken, and a terrifying aura suddenly surged.

And Luo Jinyou no longer paid attention to Chen Ping at this moment.

Seeing Chen Ping swinging his fist hard, Luo Jinyou casually drew a picture in front of him.

A crystal clear barrier appeared in front of Luo Jinyou.

Luo Jinyou looked at Chen Ping with a smile on his face through the barrier.

He didn’t believe that Chen Ping could break his barrier with one punch. Now Chen Ping was tortured to the point where he only had half his life left, and he no longer had such strong energy!

Chen Ping looked at Luo Jinyou who was not hiding and had a smile on his face, and he sneered in his heart!

boom!

Chapter: 2014

Chen Ping hit the barrier with a punch. The barrier set up by Luo Jinyou had no effect at all under Chen Ping’s punch and collapsed and disappeared instantly.

Luo Jinyou was startled and instinctively wanted to dodge, but found that it was too late!

Chen Ping’s punch hit Luo Jinyou hard in the face!

Luo Jinyou spurted blood from his mouth, his teeth flew wildly, and he flew out.

Luo Jinyou stood up and looked at Chen Ping with confusion. He didn't understand how Chen Ping could still exert such terrifying power when he was tortured half to death by him.

Half of Luo Jinyou's face has collapsed, and his appearance has become very scary!

"Recite it, keep reciting it if you have the ability..."

Chen Ping looked at Luo Jinyou and said with disdain.

Half of Luo Jinyou's face was ruined, his teeth were gone, his speech was slurred, and he could no longer recite spells.

Chen Ping stepped forward and slapped Luo Jinyou again with his palm.

Luo Jinyou hurriedly stood up to resist.

boom!

With this slap, Luo Jinyou was like a leaf, being blown away in an instant.

Then Chen Ping jumped up, directly in front of Luo Jinyou, and stepped on Luo Jinyou to the ground.

Luo Jinyou's body instantly fell into the ground, and he was in a miserable state!

"ah....."

Luo Jinyou was furious and roared loudly. He couldn't speak and could only scream.

Chen Ping raised his feet and watched Luo Jinyou, who had long since changed into a ghost, climb out of the ground.

Luo Jinyou glared at Chen Ping, his whole aura collapsed and could no longer be condensed.

“Where is Ning Zhi? Tell me, and I will let you die happily...”

Chen Ping said to Luo Jinyou.

Luo Jinyou didn't speak, and he was speechless. He took out the teapot from behind!

Then he slowly put the spout of the pot to his mouth, and streams of tea flowed down his throat and into his stomach.

Chen Ping looked at Luo Jinyou in surprise. Even though he was about to die, he was still in the mood to drink tea!

Chapter: 2015

After drinking the tea, Luo Jinyou's aura began to grow rapidly.

When Chen Ping saw this, he understood instantly and punched Luo Jinyou.

He couldn't let Luo Jinyou recover as before, otherwise the fight would continue.

When Luo Jinyou saw this, he threw the teapot in his hand towards Chen Ping!

The teapot hovered in the air, spinning rapidly, and streams of tea were thrown out of the teapot.

The tea instantly turned into water arrows, shooting towards Chen Ping with the power of heaven and earth!

There were more and more water arrows, and finally turned into a rain of arrows, directly covering Chen Ping.

“I didn’t expect it to be a magic weapon...”

Golden light burst out from Chen Ping’s body, and his indestructible golden body instantly activated!

The arrows hit Chen Ping, making a clanging sound!

Although the power of each arrow rain was not very great, Chen Ping was still a little unable to bear the density and saturation of the attack.

I saw the scales on my body falling off, and my indestructible golden body slowly disappearing.

Chen Ping hurriedly grabbed the Dragon-Slaying Sword and waved it with all his strength to create a vacuum area, so that the arrows could not fall on him.

The Dragon-Slaying Sword took off his hand and began to spin automatically, blocking the hail of arrows for Chen Ping, while Chen Ping jumped up with all his strength.

Chen Ping slapped Luo Jinyou on the head, and his head exploded instantly.

Luo Jinyou’s breath suddenly weakened, and he suddenly fell to the ground.

Luo Jinyou was dead, and the teapot fell rapidly to the ground without anyone controlling it.

Chen Ping reached out and caught the teapot. After looking at it twice, he put it in the storage ring.

When the Luo family members saw this, they were so frightened that they fled in all directions.

Chen Ping quickly caught up with the housekeeper of the Luo family.

“Where is Ning Zhi?”

Chen Ping asked the housekeeper coldly.

“Don’t kill me, don’t kill me...”

The housekeeper trembled: “Master Ning has been assigned to the warehouse. I can take you there...”

Chapter: 2016

Chen Ping looked at the butler’s frightened look and let go of him: “If you dare to play tricks, I will smash your head.”

“Don’t dare, don’t dare...”

How could a housekeeper dare to play tricks? Even Luo Jinyou was no match for Chen Ping, let alone him.

The housekeeper trembled and took Chen Ping to the warehouse!

At this moment, in the warehouse, Ning Zhi looked at the piles of medicinal crystals in the warehouse, his eyes shining.

“Look at your unpromising appearance. Although there are many of these things, they are not enough for you to reach the realm of Wuhou!”

At this time, an old voice said in Ning Zhi's mind.

"Then how can I ascend to the realm of Wuhou and kill Chen Ping?"

Ning Zhi asked.

"Only by absorbing the strength of others can you improve yourself as quickly as possible!"

The old voice said slowly.

"You want me to practice evil cultivation methods? Do you want me to be an evil cultivator?"

Ning Zhi frowned slightly.

"Evil cultivator? What is an evil cultivator? This world is just about the weak and the strong. Isn't it that you sects and aristocratic families are robbing other people's resources to be evil cultivators?"

"Nowadays, strength is the most important thing. Do you think the masters you see don't absorb the essence of others?"

In his mind, the old voice asked displeasedly.

Ning Zhi remained silent, and then said: "If I practice evil cultivation methods, what strength can you make me achieve? Can you kill that Chen Ping?"

"Hahaha...are you kidding me? Chen Ping doesn't mean anything. As long as you listen to me, I can help you reach the pinnacle of martial arts."

"When the time comes, everyone in the martial arts world will bow their heads, and you don't have to be afraid of anything..."

The old voice laughed.

“Could it be that you...can’t you make me reach the realm of a martial saint?”

Ning Zhi’s breathing was rapid and he was very excited.

You know, the Martial Saint is more powerful than the Great Wuhou. Ning Zhi has not heard of the existence of the Martial Saint for an unknown amount of time.

As for the legendary Martial Emperor, who is above the Martial Saint, his transformation state...

Chapter: 2017

Those were all legends, he always thought they were legends...

“Your vision is too short-sighted. There is no end to the path of martial arts, and you can even reach the point of immortality!”

“Just listen to my words. When I use your body to be reborn, I will definitely make you stand at the pinnacle of the martial arts world.”

“At that time, the entire martial arts world will obey orders...”

“And my revenge can be avenged...”

The old voice became softer and softer, and finally disappeared from Ning Zhi’s mind.

Ning Zhi was slightly stunned: “Can I ask you a question? Who are you? Are you an evil cultivator?”

Ning Zhi was very puzzled as to who this dark shadow living in his body was.

“Evil cultivator?” an old voice sounded, full of disdain: “They are just my disciples and disciples.”

Ning Zhi didn't speak, but he could feel that the dark shadow residing in his body was definitely not an ordinary guy!

.....

“Chen...Mr. Chen, then Ning Zhi is in this!”

The housekeeper pointed to the warehouse and said to Chen Ping.

Chen Ping glanced at the warehouse, and his consciousness instantly spread out, and he immediately detected Ning Zhi in the warehouse.

Seeing that the housekeeper was not lying, Chen Ping said: “Go away...”

The housekeeper ran away happily.

At this moment, Ning Zhi was about to practice in the warehouse, and the old voice in his mind instantly reminded: “That Chen Ping is here...”

Ning Zhi was startled and was about to go out of the warehouse to take a look, but saw the door of the warehouse kicked open by Chen Ping.

“Chen Ping? You actually found this place?”

Ning Zhi looked at Chen Ping in surprise.

“I said, if you run away to the end of the world, I will find you!”

Chen Ping looked at Ning Zhi coldly.

“What about Luo Jinyou? Didn’t anyone stop you when you came to Luo’s house?”

Ning Zhi was a little surprised, why didn’t Luo Jinyou stop Chen Ping?

Chapter: 2018

The reason why he came here was to ask Luo Jinyou to kill Chen Ping.

But now Chen Ping actually appeared in front of him, but Luo Jinyou was nowhere to be seen. Ning Zhi was very puzzled!

“He has gone to hell, you will see him soon...”

Chen Ping’s eyes narrowed slightly, filled with murderous intent.

“What? You...you killed Luo Jinyou too?”

Ning Zhi was a little surprised!

He didn’t expect Luo Jinyou to be killed by Chen Ping so quickly. At least this was Mobei, Luo Jinyou’s territory.

And he had also heard that Luo Jinyou was so skilled in magic, how could he be killed by Chen Ping so easily?

At this moment, Ning Zhi looked at Chen Ping with eyes full of panic.

He was thinking about how to escape, facing Chen Ping without any fighting spirit.

Chen Ping also saw that Ning Zhi was timid and ready to escape, so he struck preemptively!

He suddenly punched Ning Zhi, he couldn't let Ning Zhi escape with the Qiankun Circle.

Ning Zhi didn't expect Chen Ping to suddenly attack, which made Ning Zhi panic all of a sudden.

He is now only half-step Wuhou, so he is no match for Chen Ping.

In a hurry, Ning Zhi punched out with all his strength, trying to stop Chen Ping.

But it was useless. Ning Zhi's arm was instantly bent strangely.

Immediately afterwards, Ning Zhi was hit hard by a heavy punch in the chest, and a bloody hole with a fist laughing suddenly appeared in Ning Zhi's chest!

Ning Zhi looked at his chest and felt dumbfounded.

However, Ning Zhi felt no pain at this time, which made him a little unbelievable.

"Trash, when fighting against strong men, the most fearful person is timid. Now give your body to me, and I will deal with him..."

That old voice sounded in Ning Zhi's mind.

Ning Zhi hadn't reacted yet, he just felt dizzy and didn't know anything.

At this moment, Ning Zhi, who was standing in front of Chen Ping, suddenly had a strange smile on his face!

“Hehehehe...” A weird laugh came from Ning Zhi’s mouth: “This punch is really good, but it can’t kill me at all...”

Chapter: 2019

After saying that, Ning Zhi’s body began to change, and then the fist-sized wound was healing visibly to the naked eye!

Soon, Ning Zhi’s body recovered as before, with the muscles on his body exuding a dark light, and his whole body seemed to have changed into a different body.

Chen Ping frowned, his eyes filled with disbelief!

At this moment, he could really feel that Ning Zhi’s body was constantly changing, and the changes were getting stronger and stronger.

Moreover, Ning Zhi’s whole temperament and aura have changed and become completely different.

“who are you?”

Chen Ping stared into Ning Zhi’s eyes and asked coldly.

“Of course I am Ning Zhi. Haven’t you always wanted to kill me? Then try it...”

The corners of Ning Zhi’s mouth were raised high, and his eyes were deep and terrifying.

Although Chen Ping didn’t understand what was going on, he already felt the danger!

The golden light on his body began to flicker, the indestructible golden body activated, and golden scales covered Chen Ping’s body.

“Hahaha, indestructible golden body, no matter what techniques you use to protect your body, your body will never be better than mine, because mine is an immortal body...”

Ning Zhi raised his head and laughed arrogantly.

Chen Ping did not speak. In fact, he was also immortal. As long as the Nascent Soul was not destroyed, he could slowly recover.

Chen Ping stared at Ning Zhi and suddenly rushed towards Ning Zhi again.

When Ning Zhi saw this, he stamped his black-gold fist directly.

boom!

After a loud noise, the entire warehouse fell apart instantly, and even the villa in the distance collapsed instantly from the force.

Smoke and dust flew everywhere, covering the bodies of the two people.

Chen Ping's arms were trembling slightly, and his face was terrifyingly gloomy.

Ning Zhi is only half as strong as a Wuhou. It is impossible for him to have such power, let alone block his powerful blow!

But now, not only did Ning Zhi block it, but Chen Ping's arm also suffered a huge backlash.

“This person is definitely not Ning Zhi...”

Chen Ping thought to himself, but if the person in front of him was not Ning Zhi, who could it be?

Chapter: 2020

The smoke slowly dissipated. Chen Ping and Ning Zhi were three meters apart, looking at each other. Neither of them moved. The punch just now had already destroyed everything around them!

“You are a half-step Martial Lord, but you suddenly became so strong, and your body became extremely powerful. Who are you? Or did you use some evil cultivation method?”

Chen Ping asked Ning Zhi.

If the person in front of him was Ning Zhi, then Ning Zhi must have used some magic to strengthen his strength in a short period of time.

“You don’t need to know, you just need to know that you are going to die soon...”

Ning Zhi looked at Chen Ping coldly, and the aura on his body began to rise violently.

This breath carries endless pressure, as if Ning Zhi at this moment is the arrival of the king!

“I want to see who will die...”

Chen Ping’s eyes narrowed slightly, and his whole body turned into a gilded, huge golden fist, which hit Ning Zhi fiercely.

The two people were three meters apart, and the punch almost arrived in the blink of an eye!

There was a burst of explosions in the air, and the entire space seemed to be torn apart by Chen Ping’s punch, and the terrifying power of the punch spread to all directions!

At a glance, Chen Ping’s hand seemed to be holding a dazzling sun, and the hot air waves rolled and enveloped Ning Zhi.

When Ning Zhi saw this, he let out a low roar, and then his body made a crackling sound, and then he punched him!

boom!

The sky collapsed again, the world became dark, and the entire Luo family began to shake.

But this time, Chen Ping and Ning Zhi still didn't move, and it was hard to tell the difference in strength between the two.

Chen Ping was already frightened at this moment. He really didn't expect that Ning Zhi would have such strength. It was even worse than his father.

How could a half-step Wuhou grow so fast in strength in just a few days?

Chen Ping couldn't understand, really couldn't understand.

At this moment, Ning Zhi was also in a state of turmoil. He did not expect that Chen Ping would be so strong!

"With such a strong strength, if I can absorb your skills, it will be twice the result with half the effort..."

Ning Zhi's eyes narrowed slightly, and then he said darkly.

When Chen Ping heard this, his expression changed slightly: "Are you an evil cultivator?"

Chen Ping had never heard of Ning Zhihui's evil cultivation method like the Star Absorbing Technique.
