

The Order 2021

Chapter: 2021

“Haha, it doesn’t matter whether you are an evil cultivator or not. In today’s martial arts world, there is no distinction between good and evil!”

“The Martial Arts Alliance is the head of the sect, but so what? Are there no evil cultivators in the Martial Arts Alliance?”

Ning Zhi laughed.

Chen Ping heard this, but he had no way to refute it.

Because there are indeed evil cultivators in the Martial Arts Alliance, and there are many sects and aristocratic families who secretly practice evil arts in order to quickly improve their strength!

It doesn’t matter to many people whether they are evil cultivators or not. They only value their own strength and just want to improve their own strength.

“No matter if you are an evil cultivator or not, you will die...”

Chen Ping gritted his teeth and said.

“Really? Then try...”

After Ning Zhi finished speaking, the black and gold color on his body began to skyrocket, and then his huge fist, like a meteor, came fiercely towards Chen Ping.

When Chen Ping saw this, he did not dare to be careless in the slightest, and faced him directly with a dazzling golden light all over his body.

The two people collided with each other instantly, and the terrifying aura began to spread rapidly, and there was nothing in a radius of 100 meters!

With this punch, Chen Ping mobilized all the power of the dragon, and the golden dragon hovered on Chen Ping's arm.

After punching out, there was a roar of dragons.

Ning Zhi's mind was shaken by the dragon's roar and he had a doubt, but Chen Ping punched Ning Zhi's fist hard.

Click.....

Ning Zhi's arm bent instantly and his bones were broken.

This time, Ning Zhi took a few steps back and his face became a little ugly.

The black shadow is just a wisp of spiritual consciousness, not the real body, so the black shadow in Ning Zhi's body cannot bear such consumption.

As the aura on Ning Zhi's body wilted, Ning Zhi's consciousness instantly regained his body.

Looking at his broken arm, Ning Zhi's painful forehead was covered with cold sweat!

At this moment, Chen Ping felt that the aura on Ning Zhi's body changed again.

Ning Zhi looked at Chen Ping with fear, as if he was a different person again.

"Humph, no matter what tricks you play, you must die..."

Chapter: 2022

Chen Ping said, his body jumped up.

At this moment, Ning Zhi was frightened and roared hastily, and black energy began to appear around his body.

This black energy instantly formed a wall on Ning Zhi's body, helping Ning Zhi resist Chen Ping's attack!

Ning Zhi himself turned around and ran back. He had to escape as quickly as possible.

Otherwise, he would really die at the hands of Chen Ping.

But Chen Ping's punch hit the barrier in front of Ning Zhi, just like hitting a thin piece of glass, instantly shattering the barrier.

Immediately afterwards, Chen Ping's fist hit Ning Zhi's body hard, and Ning Zhi's body was hit hard and flew out.

This punch almost smashed all the bones in Ning Zhi's body.

Ning Zhi roared, and while he was still in mid-air, he was suddenly thrown out of the Universe Circle, and a space-time black hole instantly appeared in mid-air!

When Chen Ping saw this, he knew that Ning Zhi was about to escape, so he disappeared in a flash and chased after Ning Zhi.

Soon, Ning Zhi's body passed through the black hole. Just as the black hole was shrinking, Chen Ping grabbed the Universe Circle!

He did not go after Ning Zhi. The purpose of Chen Ping's visit this time was the Qiankun Circle in Ning Zhi's hands.

Chen Ping clung to the Circle of Heaven and Earth tightly, and the Circle of Heaven and Earth continued to shrink, and Chen Ping's entire arm entered the black hole.

The violent distortion of time and space caused Chen Ping to suffer severe pain!

However, Chen Ping held on tightly and did not dare to let go.

“ah.....”

Chen Ping's face turned red, and all his spiritual power was mobilized, followed by a roar!

Chen Ping tore apart the space forcefully and pulled the Universe Circle out of the black hole.

Chen Ping was holding the Qiankun Circle, his arms were trembling, and his arms were already bloody!

Chen Ping looked at the Qiankun Circle in his hand with mixed feelings in his heart!

“Yu Qi, wait for me, I will definitely rescue you, don't worry...”

Chen Ping secretly swore in his heart!

Chen Ping came out of Luo's house, left Mobei, and went straight to Kyoto.

As for where Ning Zhi escaped to, Chen Ping didn't care. His most important thing now was to rescue Su Yuqi, and then rescue his mother.

Chapter: 2023

This is Chen Ping's top priority and the most important thing now. However, after breaking into a martial arts alliance, Chen Ping realized that he still lacked a lot of strength.

Dozens of miles away, Ning Zhi had already fallen to the ground exhausted!

At this moment, Ning Zhi was in pain all over his body and his bones were all broken. He was able to escape here thanks to the help of Qiankun Circle.

But at this time, the Qiankun Circle disappeared, and he knew that it must have been snatched away by Chen Ping.

“Chen Ping, if I don’t kill you, I swear I won’t be a human...”

Ning Zhi roared loudly.

“I only know how to shout, but it’s useless. Let’s improve our strength first...”

In his mind, the old voice said disdainfully.

“I...but how can I improve my strength? I no longer have any resources...”

Ning Zhi also wants to improve, but without resources, how can he improve his strength?

“Trash, didn’t I say that it absorbs other people’s skills and essence?”

The old voice reminded Ning Zhi dissatisfiedly.

Ning Zhi’s eyes flashed, and he gritted his teeth one last time: “Okay, I will listen to you in everything...”

After Ning Zhi finished speaking, his whole body was instantly enveloped in black mist, and all the broken bones were reconnected.

At this moment, a martial arts master happened to pass by, and Ning Zhi rushed up like a hungry tiger.

After a while, Ning Zhi's eyes were scarlet and he stood up with a satisfied look on his face.

But at this time, half of Ning Zhi's face was already ulcerated, and his face was covered in blood and flesh, which was very scary.

Ning Zhi was surprised to find out about his changes.

"Don't worry, this is a side effect, but your body will grow again soon. From now on, you can just prey on other people's skills."

The old voice said with satisfaction.

Ning Zhi didn't say anything, but found a black dress and put it on, and his head was covered with a black scarf!

Since then, there has been an evil cultivator in the martial arts world who absorbs other people's skills.

.....

Kyoto, Martial Arts Alliance!

Chapter: 2024

Zhu Zhishan's expression was ugly. This time, he did not sit on the main seat, but sat on the side!

There was no one on the main seat, but a voice came from the direction of the main seat.

Sitting on both sides of the hall were senior officials from the Martial Arts Alliance. Each of them looked familiar, but each of them was in the realm of a Martial Lord!

It can be seen that these people do not see Zhu Zhishan as the leader of the alliance, and Zhu Zhishan is also very respectful to these people!

“Zhu Zhishan, as the leader of the Martial Arts Alliance, a young boy broke into the alliance’s forbidden area and killed several people. Do you know your guilt?”

A voice seemed to come from the horizon, and also seemed to come from behind the main seat.

Just hearing this sound makes people shudder!

Zhu Zhishan trembled all over, sweating profusely, and knelt on the ground with a thud.

“The villain deserves to die, please show mercy to the powerful...”

Zhu Zhishan’s body trembled, he was so frightened!

A dignified leader of the martial arts alliance and a master of Wuhou was actually frightened like this at this moment.

If someone saw it, it would be a big joke.

“Are you sure you can kill that Chen Ping? This child must not be left behind...”

The one called Mighty asked.

“Yes, I will definitely be able to kill Chen Ping, please rest assured...”

Zhu Zhishan said swornly, but changed the topic: “It’s just, it’s just Mr. Shi’s place...”

“snort.....”

A cold snort sounded, and Zhu Zhishan’s body seemed to be hit hard by a huge force in an instant.

Immediately afterwards, his body flew out and fell hard to the ground.

Zhu Zhishan was shocked and did not dare to hesitate at all, and immediately climbed back into the hall.

Everyone was on pins and needles. They had never seen this powerful person before, but with a cold snort from this powerful person, a Wuhou was unable to fight back. This shows how powerful this powerful person is!

“Don’t worry, Almighty, I will definitely kill that Chen Ping...”

Zhu Zhishan promised firmly.

After Zhu Zhishan finished speaking, the atmosphere in the entire hall suddenly relaxed, and everyone breathed a sigh of relief, proving that the powerful man had left.

Chapter: 2025

“Zhu Zhishan, you can take care of yourself. If you can’t handle this matter, we don’t mind appointing another Martial Arts Alliance leader...”

The senior officials all warned Zhu Zhishan coldly.

After saying that, these people had already left the martial arts alliance in a flash!

Looking at the empty hall, Zhu Zhishan gritted his teeth tightly and clenched his fists!

“Chen Ping, it seems you must die...”

Zhu Zhishan's eyes flashed with cold light.

.....

Dharma Protector Pavilion!

Mr. Shi has recently begun to live in the Dharma Protector Pavilion. Mr. Shi's behavior made Zhao Wuji know that the martial arts world in Kyoto would soon be unstable.

"Mr. Shi, various departments in Mobei recently came to report that in many places in Mobei, men in black were found sucking human essence everywhere!"

"Some martial arts masters have not been spared, and now the entire Mobei martial arts world is in panic..."

Xing Jun, the captain of the law enforcement team, reported to Mr. Shi with a solemn expression.

Zhao Wuji listened on the side and couldn't help but be speechless. Even a strong man like Mr. Wu could be sucked out of his essence. Then this man in black was too powerful.

"Have you found out who did it?"

Mr. Shi asked Xing Jun.

Xing Jun shook his head: "No, this person's methods are completely different from those evil cultivators in the past!"

"This kind of thing has not happened in the martial arts world for many years. I didn't expect that there are still evil cultivators who dare to be so wanton..."

Xing Jun was very angry. The occurrence of such a bad incident was the negligence of their law enforcement team.

Mr. Shi did not speak, but fell into silence.

After a while, he slowly said: "Notify the martial arts alliances in various places to strengthen prevention. There will be more and more such things in the future. What is supposed to come will eventually come..."

Zhao Wuji and Xing Jun looked at Mr. Shi, and they were a little surprised, because this was not like Mr. Shi's style at all!

If such a bad incident happened in the past, Mr. Shi would definitely be very angry and take action himself.

But this time, Mr. Shi seemed to have no intention of taking action!

However, the two of them did not dare to ask, so they could only follow orders.

Chapter: 2026

.....

Quwu Mountain is thousands of kilometers away from Kyoto!

There is a Quwu Temple on the mountain. Long Xiao's master, Master Dingchan, is the abbot here, and Long Xiao is also in this temple at this moment!

Long Xiao has never gone down the mountain since his entire body was broken by Chen Ping and brought to the mountain by Master Dingchan two months ago.

At this time, Long Xiao was still lying on the bed, his body covered with gauze. It had been two months, and his body had not changed at all!

Master Dingchan also tried his best, but none of them seemed to work well.

Let alone letting Long Xiao reach the level of Wuhou, it is difficult to even let Long Xiao stand up now.

“Master, when will I be able to stand up? When will I be able to stand up?”

Long Xiao yelled, lying down for the past two months had already caused him to collapse.

“Long Xiao, don’t worry, Master is thinking of a solution!”

Master Dingchan could only comfort Long Xiao.

“Master, please stop lying to me. Will I never be able to stand up again? Will I never be able to seek revenge against Chen Ping?”

Long Xiao asked Master Dingchan unwillingly.

Master Dingchan sighed. He said nothing, but the expression on his face said everything.

He tried his best, but couldn’t cure Long Xiao. Now he was also in trouble, how to follow Long Jingguo’s instructions.

Seeing Master Dingchan’s appearance, Long Xiao suddenly shouted hysterically: “Why? Why? God is unfair to me...”

“I’m going to kill that Chen Ping, I’m going to let him taste the feeling of lying on the bed, I’m going to kill him...”

Long Xiao was so excited that all the bandages on his body were broken. Master Dingchan quickly held Long Xiao down.

“Long Xiao, please be quiet. It’s not that you have no chance at all, it’s just... just...”

Master Dingchan wanted to speak but stopped.

“Master, do you have any ideas? Say it, say it...”

Long Xiao seemed to see hope in his eyes.

“If you want to recover now, the evil spirit must enter your body and let the evil spirit restore your body...”

Master Dingchan gritted his teeth and said.

Chapter: 2027

When Long Xiao heard this, he fell into confusion instantly. He didn’t understand what evil spirits entering the body meant, and he didn’t understand what Master Dingchan said.

“Master, what do you mean? As long as I can recover, I can do anything...”

Now Long Xiao just wants to recover his body and take revenge, regardless of whether he is an evil spirit or not.

“Long Xiao, you have to think carefully. If an evil spirit enters your body, you will become neither a human nor a ghost. It may even devour your soul...”

Master Dingchan followed Long Xiao and talked about the dangers of evil spirits entering the body.

“Master, I can do anything. It’s better than lying in bed for the rest of my life. I’m willing to...”

Long Xiao shouted desperately.

Master Dingchan pondered for a moment, then gritted his teeth and said: “Okay, I will help you as a teacher...”

After saying that, Master Dingchan walked out of the room, but came back soon.

But this time I was holding a wooden fish in my hand. The delicate wooden fish was covered with dust.

Master Dingchan gently wiped away the dust and looked at the wooden fish in his hand: “I hope my decision will not be wrong...”

After Master Dingchan finished speaking, he saw words muttered in his mouth, and a golden light shined from the wooden fish.

When Long Xiao saw this situation, his eyes suddenly widened.

In an instant, a black mist emitted from the wooden fish, and then the whole room was as cold as winter!

I saw a black shadow floating erratically in mid-air!

“Hahaha...I am finally free...”

The black shadow laughed crazily.

Long Xiao was dumbfounded when he saw this scene.

“I’ll let you out in the hope that you can restore my disciple’s body...”

At this time, Master Dingchan said calmly.

He didn’t seem surprised at all. He should have known that there was a dark shadow in this wooden fish!

The black figure glanced at Master Dingchan, and then at Long Xiao who was lying on the bed.

“He is a talented young man. This body is just what I want...”

After saying that, I saw the black shadow entering Long Xiao’s body instantly.

Chapter: 2028

Long Xiao’s eyes widened, his face full of horror. He felt dizzy for a while, and then someone else’s voice seemed to appear in his mind.

“Don’t resist, otherwise I will damage your consciousness and your body will be useless...”

In his mind, the dark shadow warned Long Xiao.

Master Dingchan also hurriedly said at this moment: “Long Xiao, since it is your choice, you have to accept it, don’t be afraid, and don’t resist...”

Slowly, Long Xiao calmed down, and then waves of black mist enveloped Long Xiao’s body.

After a while, the black fog dissipated, Long Xiao’s body became extremely bright, and his muscles became very tight.

Long Xiao looked at himself in surprise, and suddenly stood up from the bed, with terrifying rays of light flashing in his eyes.

“Hahaha...Hahaha, I’ve really recovered!”

“I want to make Chen Ping’s life worse than death...”

Long Xiao laughed crazily.

“Long Xiao, your current strength still needs more practice, otherwise you will not be the opponent of Chen Ping...”

Master Dingchan persuaded Long Xiao.

“Really?” Long Xiao suddenly looked at Master Dingchan with a sinister look, and the smile on his face was very strange.

Master Dingchan frowned, and a bad premonition arose in his heart.

But just when Master Dingchan was about to retreat, Long Xiao suddenly took action and slapped Master Dingchan on the head.

In an instant, the power in Master Dingchan’s body began to be absorbed crazily by Long Xiao.

Kyoto.

In the alley where the Martial Arts Alliance once was, Chen Ping came here again.

Last time, Chen Ping was brought here by Ning Zhi and met Su Yuqi.

This time, Chen Ping came with the Qiankun Circle himself, and he wanted to find a way to rescue Su Yuqi.

With the space magic weapon of Qiankun Circle, it should not be difficult to rescue Su Yuqi.

After looking around, Chen Ping found that no one was paying attention. Chen Ping took out the Qiankun Circle and penetrated it deeply into the Qiankun Circle!

Soon, the Universe Circle flickered with a faint light, and then Chen Ping threw the Universe Circle into the air!

A black hole appeared in the air. Seeing this, Chen Ping hurriedly jumped up and jumped into the black hole!

Chapter: 2029

A burst of light flashed, and Chen Ping instantly appeared in the dungeon of the Martial Arts Alliance!

I saw that every room in the dungeon was locked with iron doors. I heard movement, and people kept looking out from the iron doors.

Chen Ping had no time to observe the people in the dungeon and ran desperately towards the cell at the end. He knew that Su Yuqi was locked up here.

When Chen Ping ran to the cell where Su Yuqi was held, he found Su Yuqi lying on her side on the bed. The environment in the cell was pretty good.

But even in Nice, this is a prison cell with no freedom or sunshine!

“Yu Qi...”

Chen Ping shouted softly.

Su Yuqi's delicate body trembled, and she hurriedly stood up and looked over. When she saw Chen Ping, she was stunned, and tears instantly flowed out.

Su Yuqi ran to the door of the cell, stepped forward through the fence and grabbed Chen Ping's hand tightly.

"Chen Ping, why are you here?"

Su Yuqi asked excitedly.

"I'm here to rescue you. I don't want you to be locked up here..."

Chen Ping said hurriedly.

Just when Chen Ping was holding Su Yuqi's hand tightly, he suddenly discovered that Su Yuqi's arm was densely covered with needle holes!

At this moment, Chen Ping was stunned. Looking at Su Yuqi's arm, his whole body trembled with extreme anger.

He knew what those needle eyes represented.

These guys from the Martial Arts Alliance kept Su Yuqi captive and used them as a tool to extract blood.

Looking at Su Ya, tears instantly flowed out of Chen Ping's eyes, his teeth clenched. He was regretting why he was incompetent and couldn't rescue Su Yuqi earlier.

Looking at Chen Ping who was crying, Su Yuqi hurriedly reached out and helped Chen Ping wipe his tears: "Man, why are you crying? I'm fine. I eat well and live well. They don't dare to do anything to me."
."

The more Su Yuqi behaves like this, the more uncomfortable Chen Ping feels!

“Yu Qi, get out of the way, I will rescue you right now...”

Chen Ping said to Su Yuqi.

He asked Su Yuqi to step back, and then his hands flashed with golden light, and all the power of the dragon was concentrated on his hands.

Chen Ping grabbed the railing and then suddenly used force to break the railing!

Chapter: 2030

Chen Ping’s move had a force of ten thousand kilograms, but such a huge force did not cause any damage to the iron railing, and the railing did not deform at all.

Upon seeing this, Chen Ping knew that a spell must have been cast on this cell, so he reached out and took out the Dragon Slaying Sword!

The dragon-slaying sword was held in Chen Ping’s hand and made a buzzing sound.

Immediately after a dragon roar, Chen Ping slashed towards the cell with his sword.

clang.....

The huge roar almost shattered the eardrums, and the entire dungeon was buzzing!

The fire splashed and Chen Ping’s wrists were numb from the shock, but the cell still did not change at all!

“This is impossible, impossible...”

When Chen Ping saw this, he roared, the veins on his neck bulged, and his eyes were scarlet!

All the divine dragon power in his body was mobilized, and the spiritual power in his Dantian surged out like a tide.

“I will definitely rescue you...”

The dragon-slaying sword in Chen Ping’s hand was slashing at the cell with all his strength!

Dang Dang Dang.....

The sound was endless, and the entire dungeon seemed to collapse!

But even so, the cell remained untouched.

And in a dark room in the deepest part of the dungeon, a man sitting cross-legged on the ground, unable to see his fingers, suddenly opened his eyes.

Two faint green lights burst out from his eyes.

With the corners of his mouth raised, the man smiled, and then his eyes closed again.

Chen Ping’s whole body trembled suddenly, and he felt a very terrifying and terrifying aura, but the aura only disappeared in a flash!

But Chen Ping couldn’t think too much, he wanted to rescue Su Yuqi first.

After more than a dozen sword blows, Chen Ping's forehead was already covered with cold sweat, but the sturdy cell still showed no signs of damage.

"Chen Ping, this martial arts alliance cell must be very strong. You can't open it. You'd better leave quickly. I believe someone will come soon!"

"As long as you're safe outside, I'll be relieved. I'm fine here. Don't worry..."

Su Yuqi persuaded Chen Ping loudly.
