

## **The Order 2031**

Chapter: 2031

But at this time, Chen Ping was already anxious and wanted to rescue Su Yuqi.

Chen Pingshuang glared and bit the tip of his tongue fiercely, and immediately the blood from the tip of his tongue spurted onto the Dragon Slayer Sword.

The dragon-slaying sword began to vibrate violently, and dragon roars sounded out.

“Chen Ping, are you crazy?”

When Su Yuqi saw this, she shouted loudly to Chen Ping.

At this moment, Chen Ping was so crazy that he burned his own essence and blood. You must know that burning essence and blood will cause great damage to the body. If it is serious, the whole person will be crippled.

But now, Chen Ping couldn't bear to listen. He was like a mad beast, pounding the cell with all his strength!

Chen Ping didn't know how many times he had struck, but blood flowed from the tiger's mouth.

“How did that happen?”

Chen Ping sat slumped on the ground, despair written on his face.

He tried all his tricks, but he couldn't open the cell and save Su Yuqi.

It seems that this martial arts alliance is really not simple.

Chen Ping looked at Su Yuqi helplessly. The two were so close, but he couldn't do anything.

Seeing the blood dripping from Chen Ping's tiger's mouth, Su Yuqi felt heartbroken. She hurriedly pulled off the silk scarf and bandaged Chen Ping.

Chen Ping looked at Su Yuqi with tears in his eyes: "Yu Qi, don't worry, I will definitely kill everyone in the Martial Arts Alliance, and I will make them pay with blood..."

Chen Ping's eyes flashed with cold light, and the murderous aura in his body continued to spread. At this moment, Chen Ping's hatred for the Martial Arts Alliance had reached its extreme.

"Don't worry about me. They won't do anything to me. You must take care of yourself. Leave quickly. If you don't leave, it will be too late..."

After Su Yuqi bandaged Chen Ping, she persuaded Chen Ping.

Chen Ping held Su Yuqi's hand tightly and refused to let go. He didn't want to leave, and he couldn't bear to leave.

Now that I'm gone, I don't know when I can see Su Yuqi.

He originally thought that when he reached Wuhou, he could rescue Su Yuqi, but now it seems that he was still too naive.

Rumble.....

At this moment, a rumbling sound came, followed by several powerful auras heading this way.

Chen Ping knew that someone from the Martial Arts Alliance was coming.

Chapter: 2032

Su Yuqi pushed Chen Ping away desperately: "Chen Ping, leave quickly, leave quickly. As long as you protect yourself, I will have hope. Do you remember?"

Chen Ping looked at Su Yuqi. He didn't want to leave. He didn't want to see Su Yuqi stay here by herself.

"Chen Ping, if you don't leave, I will pretend to be dead here so that you never have to worry about me..."

Su Yuqi knew that if Chen Ping didn't leave, he might not be able to leave, so she threatened Chen Ping.

"Yu Qi....."

Chen Ping looked at Su Yuqi painfully, extremely conflicted at this moment!

"Go quickly, go quickly..."

Su Yuqi's voice roared with pleading.

Seeing the breaths getting closer and closer, Chen Ping gritted his teeth and glanced at Su Yuqi: "Yuqi, don't worry, I will definitely come back."

After Chen Ping finished speaking, he threw away the Qiankun Circle in his hand, and a black hole instantly appeared, and Chen Ping dived into it.

Then the black hole disappeared and Chen Ping disappeared.

When Su Yuqi saw this, she let out a long breath.

Just as Chen Ping left, Zhu Zhishan and his people arrived. Feeling the fluctuations of aura still in the air, Zhu Zhishan's face became very ugly.

"Hmph, let this kid escape, and if I see him, it will definitely kill him!"

After Zhu Zhishan finished speaking, he then looked at Su Yuqi: "Just stay with me. It will never be possible to escape from here..."

Su Yuqi glanced at Zhu Zhishan coldly and said nothing, but she knew in her heart that Chen Ping would definitely rescue her and destroy the martial arts alliance!

She knows Chen Ping too well. Chen Ping's temperament is like this. If someone doesn't offend me, I won't offend him. If someone offends me, I will kill his whole family...

At this moment, Chen Ping stood quietly in the alley on the side of the Martial Arts Alliance, unwilling to leave for a long time!

It wasn't until he heard some movement that Chen Ping left in a hurry.

After Chen Ping left, Zhu Zhishan also chased him out.

"Leader, that Chen Ping just left. He should have used a space weapon to enter the dungeon..."

After some investigation, someone said to Zhu Zhishan.

"Send someone immediately to strengthen the dungeon's defense so that no space magic weapon can enter..."

Zhu Zhishan said with a gloomy expression.

Chapter: 2033

"As you command!"

The man immediately went to arrange it.

Zhu Zhishan returned to the martial arts alliance hall, his face always gloomy!

His heart was very heavy at this moment, and if the Almighty had spoken, it would prove that he did not have much time.

On Zhu Zhishan's table, there is a thick stack of information, hundreds of pages long, which contains Chen Ping's most detailed information.

In the past, Zhu Zhishan didn't take Chen Ping seriously, so he didn't pay attention to investigate him.

But things are different now. He needs to know who Chen Ping is.

While Zhu Zhishan was reading Chen Ping's information, many people from sects and aristocratic families came in one after another.

These people were sent by Zhu Zhishan to invite them, including Long Jingguo!

Zhu Zhishan had no other intention in calling these things, he just wanted to join forces to get rid of Chen Ping, the sooner the better...

After everyone sat down, Zhu Zhishan said directly: "Everyone, I have no other intention of calling you this time. I just want to discuss how to get rid of Chen Ping. This guy is like a loach. He can't catch anyone." Can't catch it!"

"In addition, here is Chen Ping's most detailed information. You all should take a look..."

Zhu Zhishan waved his hand, and someone immediately distributed Chen Ping's information.

Everyone looked at it in detail, only Long Jingguo flipped through it casually, because he had already investigated Chen Ping's information many times.

Ten minutes later, someone took Chen Ping's information and asked in confusion: "Zhu Alliance Leader, isn't Chen Ping's life too strange? I didn't expect that he has always been an ordinary ordinary person, how come he suddenly came out of prison? Is it like a different person?"

"Yes, I also discovered that this guy actually broke through to Wuhou in just a few months. Isn't this incredible?"

Someone echoed.

"This is like riding a rocket. Even if you are riding a rocket, your strength cannot improve so fast. It's so strange. There must be a secret about this Chen Ping..."

"You are too evil. Even the most talented person in the martial arts world cannot make such rapid progress. Will Chen Ping have any guidance from an expert?"

Everyone was talking about it!

Zhu Zhishan watched everyone's reactions quietly, and then turned his attention to Long Jingguo.

"Master Long, what do you think of this matter? Your Long family also has some troubles with Chen Ping. I believe you have already studied him, right?"

Zhu Zhishan asked Long Jingguo.

"Congratulations, Alliance Leader, Chen Ping has suddenly become so powerful. Have you ever thought that the Chen Ping now may not be the Chen Ping he used to be?"

Chapter: 2034

“The information we have in our hands all belongs to Chen Ping before, but the current Chen Ping may be a different person.”

Long Jingguo said mysteriously.

Hearing what Long Jingguo said, everyone was stunned, and even Zhu Zhishan frowned slightly.

Seeing everyone’s reaction, Long Jingguo secretly breathed a sigh of relief.

Of course he knew what was going on with Chen Ping, but he couldn’t let others know. This was the secret of their Long family.

He will rely on this secret to rule the entire Kyoto martial arts world.

“Master Long, what do you mean, is this Chen Ping possessed by an evil spirit, and the Chen Ping you see now is just a body?”

Someone asked doubtfully.

“Impossible. If an evil spirit enters the body, Mr. Shi has been in contact with Chen Ping many times, how could he not detect it?”

Zhu Zhishan immediately began to retort.

“This Chen Ping seems to be able to use evil skills and absorb the skills from other people’s bodies. From this, it seems that he may be possessed by evil spirits.”

Someone spoke again.

“Okay, let’s not discuss this issue anymore. I will find a way to verify whether Chen Ping is possessed by an evil spirit.”

“I came to you just to ask you to work together and find a way to kill Chen Ping as quickly as possible. If this guy is alive, sooner or later he will be a scourge to our martial arts world!”

Zhu Zhishan said to the talkers of the sects and aristocratic families with a solemn expression.

“Zhu Alliance Leader, haven’t you already sent people to kill Chen Ping? Did those people fail?”

Long Jingguo asked.

When Zhu Zhishan heard this, his face was full of anger. He did not expect that those puppet corpses were trash.

“Forget it, whoever kills Chen Ping this time will be rewarded heavily by the Martial Arts Alliance. I will directly give him half of next year’s trial resources!”

Zhu Zhishan was bleeding profusely, but there was nothing that could be done about it.

Zhu Zhishan’s time is running out, so he can only win over these people by promising high benefits.

Sure enough, after hearing Zhu Zhishan’s promise, everyone became interested.

Only Long Jingguo remained silent, with no change in his expression!

After a few words of explanation, the meeting ended. As soon as everyone left, Zhu Zhishan whispered a few words in the ear of a member of the Martial Arts Alliance.

Chapter: 2035

After the martial arts alliance member left, he returned not long after and brought two people with him, a man and a woman. Their faces were pale and frosty!

The man was wearing a thin suit and had a very straight figure, while the woman was wearing a tight leather jacket and leather trousers, with half of her hair covering her face.

Zhu Zhishan waved his hand and asked the martial arts alliance member to leave, then stood up and said: "You two, please sit down..."

"Zhu Alliance Leader, there is no need to be polite to us. If you have any orders, just say it. You have the token in hand, and we should obey your orders."

The man in a suit said.

"Okay, then I will order you to find Chen Ping, find out whether Chen Ping is possessed by an evil spirit, and if possible, destroy the evil spirit in his body..."

Zhu Zhishan said to the two people.

"The strength of the two of us cannot deal with Chen Ping. If he is really possessed by an evil spirit, we have no ability to destroy the evil spirit in his body..."

"You have the token in hand, and we will obey your orders, but it doesn't mean that the two of us can die in vain..."

The woman spoke, and Zhu Zhishan was stunned as soon as she spoke!

After Zhu Zhishan heard this, his face was livid with anger, and he snorted: "You Blood Corpse Sect are really useless, the seven puppet corpses are fools, and you two are so incompetent..."

"What did you say?" The faces of the man and the woman became even colder, and huge spiritual power emanated from the two of them.

The two of them belong to the Blood Corpse Cult, and the Seven Evil Star Lord is their leader. The Blood Corpse Cult mainly focuses on refining corpses, so it requires a huge amount of mental power to control the puppet corpses.

“I wish you the best, leader, if that’s the case, let’s take our leave. I will tell our leader exactly what you said...”

After the man finished speaking, he turned around and left.

“Wait a minute...” Zhu Zhishan hurriedly called out to the two people: “Okay, you just need to find out whether Chen Ping is possessed by an evil spirit, and don’t worry about other things!”

Zhu Zhishan knew that although he had the token in hand, no one in these evil cults really listened to him.

As soon as Zhu Zhishan finished speaking, the man and woman turned around and left.

Looking at the backs of the two people, Zhu Zhishan’s eyes showed a malicious look.

.....

Chen Ping walks on the streets of Kyoto!

Although he failed to rescue Su Yuqi, Chen Ping did not leave. He knew that the Martial Arts Alliance was definitely looking for him.

The reason why Chen Ping was blatantly walking on the street was to lure people from the martial arts alliance.

Although Chen Ping’s current strength is not enough to compete with the entire martial arts alliance, Chen Ping still has no problem protecting himself when he meets the masters of the martial arts alliance.

Chapter: 2036

Especially now that Chen Ping still has the Qiankun Circle in hand, he can easily escape even if he is defeated.

So Chen Ping thought of attracting people from the martial arts alliance. If he could defeat them, he would kill them. If he couldn't defeat them, he would escape.

Su Yuqi is suffering in the Martial Arts Alliance, and he will never make it easy for the Martial Arts Alliance!

Just as Chen Ping was walking aimlessly, Chen Ping suddenly felt two breaths directly.

However, these two auras do not seem to be strong and can only be regarded as the strength of Wu Zong in the early stage.

“Could it be that the Martial Arts Alliance would send someone with such strength to kill me?”

Chen Ping was a little surprised. In the early days of Wuzong, Chen Ping could kill several people with one slap.

However, Chen Ping did not make any move, but walked towards a sparsely populated area.

The two auras were getting closer and closer. Chen Ping wanted to send out his spiritual consciousness to investigate. As soon as his spiritual consciousness was emitted, it was blocked back in an instant.

Chen Ping was startled, and his steps stopped for an instant.

Then Chen Ping felt his head was in confusion, and his whole body was as groggy as if he had drunk too much.

At this moment, there seemed to be countless invisible hands all around, imprisoning Chen Ping, making Chen Ping unable to move!

Chen Ping struggled twice, but found that it was useless. No matter how hard he tried, he couldn't break free.

Chen Ping frowned, but suddenly his mind cleared and he seemed to understand.

The restraint just now was just what Chen Ping imagined in his mind, a signal sent to his body. There was nothing restraining Chen Ping's body at all.

This means that someone is using powerful mental power to invade Chen Ping's brain and control Chen Ping's thoughts.

However, Chen Ping's mental power was also very strong, and there was also the Qingxin Curse, so his mind was only confused for a while, and he soon woke up.

However, Chen Ping did not appear to be awake, and was still struggling, as if he was still trapped.

At this time, a man and a woman walked in front of Chen Ping, but they were more than ten meters away from Chen Ping. They did not dare to approach Chen Ping.

Looking at the two people who suddenly appeared, Chen Ping immediately saw that these two people had been following him, and judging by their aura, they were only at the early stage of Wuzong.

However, Wuzong's early strength had such strong mental power, which shows that these two people's spell control must be very powerful.

"Who are you?"

Chen Ping frowned, pretending to be in pain, and asked the two people.

However, the two of them had frosty expressions on their faces, and neither of them answered Chen Ping's question.

Chapter: 2037

I saw the woman slowly raising her hand, and then a huge spiritual consciousness enveloped Chen Ping, directly invading Chen Ping's mind, seeming to be searching for something.

After a moment, the woman frowned, looked at the man next to her, and shook her head slightly.

The man nodded, and then the two of them turned and left!

Neither of them made a move against Chen Ping, nor even said a word to Chen Ping!

This made Chen Ping confused.

He wanted to stop the two people and ask them what was going on.

Chen Ping tiptoed, jumped up, and landed steadily in front of the two people.

This time, the two people were frightened. They all thought that Chen Ping was under control, but they didn't expect Chen Ping to appear in front of them.

Seeing Chen Ping stopping them, the woman hurriedly released her mental power to regain control of Chen Ping's mind.

But as soon as the woman's mental power entered Chen Ping's mind, it was instantly cut off by a golden light!

"ah....."

The woman screamed in surprise and stepped back, while the man's expression changed drastically and he hurriedly stepped forward to help the woman.

The woman frowned at this moment, with fear in her eyes: "You...how can your mental power be so strong?"

"Is yours too weak?"

Chen Ping smiled coldly.

After the woman heard this, a hint of anger appeared on her face. She was not strong. Others could say that she was weak, but they could not say that her mental power was too weak.

You must know that their Blood Corpse Cult is famous in the martial arts world for its spiritual power.

"Brother, let's go together..."

The woman said to the man.

The man nodded, and then the two of them muttered words, and huge amounts of spiritual power attacked Chen Ping's mind.

At this moment, Chen Ping seemed to be in chaos. Even though his body was strong, his physical strength had no effect on the mental attack.

The two people couldn't help but feel relieved when they saw Chen Ping's expression changed and his eyes were dull under their mental attack.

But just when the two people wanted to take the opportunity to escape, they saw a golden light flash in Chen Ping's mind, followed by a clear light that knocked back the two people's mental power!

Chen Ping recited the Heart-Cleaning Mantra, and a stream of peaceful and incomparable spiritual power began to envelope the bodies of the man and the woman.

Chapter: 2038

The expressions of the two people changed greatly, and they tried their best to resist with their spiritual power, and then quickly retreated.

Both of these people practice evil arts, and this Purifying Mantra is specifically aimed at evil arts, which can make people calm down and prevent them from going crazy.

“Stop thinking about it...”

The woman struggled desperately and seemed to be in great pain!

“Chen Ping, please let us go quickly, otherwise if our leader finds out, you will die in an ugly way...”

The man threatened Chen Ping.

“Leader? Aren’t you from the Martial Arts Alliance?”

Chen Ping put away the Heart-Cleaning Curse and asked the man.

The man’s forehead was already covered in cold sweat, and his whole body seemed to be bitten by thousands of insects and ants!

“We are members of the Blood Corpse Cult, and our leader is the Seven Evil Star Lord. If you dare to kill us, you are an enemy of the Blood Corpse Cult. Our leader will never let you go.”

The woman threatened Chen Ping loudly.

She knew that if Chen Ping could not be controlled mentally, then the two of them would have no power to fight back in front of Chen Ping.

How can two early Wu Zong deal with one Wu Hou?

So they could only bring out their leader to threaten Chen Ping, so that Chen Ping would not dare to attack them.

The man on the side changed his expression and looked at the woman next to him angrily.

Zhu Zhishan borrowed seven puppet corpses from their Blood Corpse Sect to kill Chen Ping, but Chen Ping killed them instead.

Wouldn't it annoy Chen Ping even more if women revealed their sect at this time?

Then the two of them have no hope of survival.

"Seven Evil Star Lord?"

When Chen Ping heard this name, he instantly exuded strong murderous intent: "Is that puppet corpse controlled by your Blood Corpse Cult?"

The man felt the strong murderous intent in Chen Ping and knew something bad was going to happen.

But the woman didn't seem to understand that the catastrophe was coming. She nodded and said: "Yes, no one can refine and control the puppet corpse except us, the Blood Corpse Cult."

The woman still looked proud, but the man beside her had already turned ashen!

"In this case, you two will die without complaint. Since your Blood Corpse Cult claims to have the strongest spiritual power, then I will use my spiritual power to kill you..."

Chapter: 2039

After Chen Ping finished speaking, streams of spiritual power instantly emanated from his mind.

The woman wanted to say something else, but she felt a splitting headache, and then her whole head exploded instantly.

The man on the side did not escape the fate of being shot in the head!

“Humph, I don’t know whether to live or die...”

Chen Ping looked at the two corpses and snorted coldly!

Just when Chen Ping was about to leave, several figures suddenly came quickly and stopped in front of Chen Ping.

Chen Ping looked closely and found that it was Xing Jun from the law enforcement team who was bringing someone over.

Several members of the law enforcement team began to collect the two bodies, while Xing Jun took out a cigarette and threw it to Chen Ping.

Xing Jun lit the cigarette for Chen Ping, then took a puff and said: “I don’t know how many people want to kill you now, but you still dare to wander on the streets of Kyoto...”

“It’s a blessing, not a curse. It’s a curse that cannot be avoided...”

Chen Ping smiled slightly: “Captain Xing, why did you appear suddenly?”

“Wherever there are evil cultivators, I will be there. These two guys are members of the Blood Corpse Sect. As soon as they enter Kyoto, I will send people to follow them!”

Xing Jun pointed to the two corpses and said.

“I’m a little confused now. I have nothing to do with the Blood Corpse Cult. Why do they want to kill me over and over again?”

Chen Ping couldn’t understand why the Blood Corpse Cult wanted to kill him.

Xing Jun looked at Chen Ping like that, grinned and said, “You follow the Tiansha Sect without any grievances, but that day the leader of the Sha Sect, Zang Qing, wanted to kill you. Why do you think so?”

“Of course they were ordered by others. These people are just chess pieces, and there will be more and more such chess pieces in the future...”

Xing Jun followed Chen Ping in explaining, while Chen Ping frowned slightly: “Is it all instigated by the Martial Arts Alliance? How can the Martial Arts Alliance be connected with so many evil cultivators?”

The Martial Arts Alliance was an organization spontaneously formed by sects and families in various local martial arts circles. At that time, evil cultivators were rampant, in order to better deal with those evil cultivators.

In recent years, all evil cultivators have gone into hiding, and the Martial Arts Alliance has become the largest civil organization in the martial arts world.

However, the Martial Arts Alliance has connections and even cooperates with evil cultivators, which makes Chen Ping a little confused!

When he first broke into the martial arts alliance, he felt strange when he met those four evil cultivators.

“In today’s martial arts world, there is no longer any distinction between good and evil, so the martial arts world needs a great chaos. Only when the water in the martial arts world becomes muddy will big fish appear.”

“And the sediment and water will slowly separate over time. This is an inevitable process.”

Chapter: 2040

Xing Jun followed Chen Ping, but what he said was what Mr. Shi said. Xing Jun himself did not have such a vision.

After Xing Jun finished speaking, Chen Ping looked at him with slightly focused eyes: “So, I am the one who messed up the Kyoto martial arts world, right?”

After all, the Kyoto martial arts world has experienced many years, and the division of power has become clear. No matter which sect or family they are, they all check and balance each other. No one dares to jump out and face the entire martial arts world, which is secretly developing!

But the appearance of Chen Ping broke this balance and directly turned the Kyoto martial arts world upside down!

At this time, Chen Ping finally figured out why Mr. Shi supported him everywhere.

Xing Jun looked at Chen Ping and smiled, but said nothing. While the two corpses were being balanced, Xing Jun threw the cigarette butt in his hand to the ground.

“Mr. Shi asked me to tell you that tomorrow he will convene a meeting of all the sect families in Kyoto’s martial arts world. Mr. Shi wants you to attend too...”

Xing Jun said to Chen Ping.

“Am I participating too? Doesn’t Mr. Shi know that those people want my life?”

Chen Ping asked puzzledly.

“This is what Mr. Shi meant. Anyway, I told you...”

After Xing Jun finished speaking, he turned around and left.

Chen Ping looked helpless. He didn't like this feeling of being dominated like a puppet!

"Don't you like the water to be muddy? Then I will work harder to make the water in the martial arts world muddy..."

Chen Ping's eyes sparkled, and then he turned around and left!

.....

Martial arts alliance!

When it got dark, Zhu Zhishan didn't get the news he wanted to know.

"Damn it, what the hell is the Blood Corpse Cult..."

Zhu Zhishan slammed the table and cursed!

Seeing that he might not get the news today, Zhu Zhishan got up and prepared to rest.

At this time, a person from the Martial Arts Alliance hurried in and handed Zhu Zhishan an invitation!

Zhu Zhishan was stunned: "Who sent it at this time? Is there anyone who sends invitations so late at night?"

"Alliance leader, it's from the Dharma Protector Pavilion!"
