

The Order 2041

Chapter: 2041

The martial arts alliance member said.

Upon hearing that it was from the Guardian Pavilion, Zhu Zhishan hurriedly took it. He knew that Mr. Shi must have something to do.

When I opened the invitation, I found that it was asking all the sects and families of the Martial Arts Alliance to attend a meeting at the Dharma Protector Pavilion tomorrow!

This time, Zhu Zhishan's face was full of suspicion!

In all these years, he has never seen Mr. Shi so anxious during a meeting.

The invitations were sent in the evening and there will be a meeting tomorrow.

"Is it because of Chen Ping's matter?"

Zhu Zhishan frowned slightly, with many things on his mind!

At the same time, all the sects and aristocratic families in Kyoto's martial arts world received Mr. Shi's invitation at the same time!

This night, the martial arts world was in a bit of chaos, and everyone was speculating on Mr. Shi's intentions!

Zhu Zhishan stayed up all night and summoned all the other sects and families in the Martial Arts Alliance.

Everyone analyzed what Mr. Shi meant.

Later, after inquiring, I found out that Mr. Shi suddenly held a meeting because people in the martial arts world have been sucked out of their essence and died recently, and evil cultivators are showing signs of recovery, so the meeting was held.

Following Chen Ping had nothing to do with it, nor was it because of Chen Ping's meeting. Only then did Zhu Zhishan feel at ease.

Moreover, Zhu Zhishan heard that Chen Ping had also been invited to participate in the reminiscence, which made him a little excited!

When the time comes, he will set up a dragnet nearby. As long as Chen Ping goes to participate, he will catch or kill Chen Ping directly after he comes out.

Now Zhu Zhishan is a little anxious, so he no longer considers Mr. Shi.

He struck first and killed Chen Ping directly. Mr. Shi would not kill him even if he was punished.

But if he didn't kill Chen Ping, then he wouldn't be able to keep his position as leader of the alliance, and he might even lose his life.

After weighing the pros and cons, Zhu Zhishan still had to kill Chen Ping as quickly as possible, so that he could save his life.

the next day!

People from all the sects and families in the Kyoto martial arts world gathered in the Dharma Protector Pavilion!

For these people, this meeting is obviously different from the past!

Never before had so many people attended a meeting at the same time. There were hundreds of sects and families in Kyoto's martial arts world.

Chapter: 2042

Among them, the Martial Arts Alliance stands at nearly one-third, and not all sects and aristocratic families have joined the Martial Arts Alliance.

"I wonder if something is going to happen when Mr. Shi suddenly called us all together?"

"I heard that men in black have been appearing recently. It may be the resurgence of evil cultivators. It seems that a bloody storm is unavoidable."

"The martial arts world is in disarray right now. If evil cultivators reappear, it will be difficult to resist them!"

.....

Everyone was talking and chatting with their acquaintances.

At the door of the Guardian Pavilion, Dong Liqun and Dong Jiahao were looking out, as if waiting for someone.

"Pavilion Master Zhao, is Mr. Chen really invited too?"

Dong Liqun asked Zhao Wuji.

After all, Chen Ping is just one person. He has not announced his establishment of a sect or even registered it. Therefore, individuals are generally not invited to this kind of conference.

"Of course, Mr. Shi spoke personally. Besides, don't you Dong family follow Mr. Chen's lead now?"

Zhao Wuji smiled slightly.

“Yes, yes, our Dong family follows Mr. Chen’s lead. Mr. Chen can make any decision on behalf of our Dong family!”

Dong Liqun nodded quickly and said.

Soon, Chen Ping’s figure appeared at the door, and Dong Liqun and Dong Jiahao hurriedly greeted him.

When they saw that Chen Ping actually came to attend such a meeting, many people turned their attention to him!

“Leader, Chen Ping is here...”

Someone whispered in Zhu Zhishan’s ear.

“Are you all ready?”

Zhu Zhishan looked at Chen Ping who walked in from the door, and then asked in a low voice.

The man nodded: “Everything is ready. As soon as Chen Ping leaves, he will definitely die...”

Zhu Zhishan had already laid a dragnet for Chen Ping. Although he did not dare to take action at the Dharma Protector Pavilion meeting, Chen Ping had no way to escape after walking out of here.

Chen Ping looked around and found that there were quite a few people coming, many of whom Chen Ping didn’t recognize.

However, these people are very familiar with Chen Ping.

Chapter: 2043

During this period, Chen Ping's name was almost unknown to everyone in the Kyoto martial arts community.

“Chen Ping, this is a meeting for various sects and families in our Kyoto martial arts world. How qualified are you to participate? Do you have an invitation?”

At this time, a man suddenly stood up and questioned Chen Ping.

This person was also a sect in the martial arts alliance, so he directly gave Chen Ping a boost.

The reason for this is nothing more than to show off oneself in front of Zhu Zhishan.

As soon as these words came out, many people looked at Chen Ping, and many people pointed at Chen Ping!

Chen Ping did not have an invitation, he was only notified verbally by Xing Jun.

At this time, Zhao Wuji hurriedly wanted to explain, but Dong Liqun took a step forward and said: “Mr. Chen is here to participate on behalf of my Dong family, isn't it okay? Our Dong family will be Mr. Chen's pawn from now on. Anyone who is not convinced can go out and practice practice.....”

“I think you are tired of living. Do you believe that after you leave, I will make your sect disappear from the Kyoto martial arts world?”

Dong Liqun looked at the nitpicking guy with fierce eyes.

The Dong family can live alone, and no one dares to bully them without joining the martial arts alliance. They must have their own strength, which is not comparable to that of ordinary sect families.

Dong Liqun's words instantly deflated the sect leader, his face became ugly, and he looked extremely embarrassed.

If the Dong family really wants to destroy him, it will be easy.

“I...I’m just asking. If that’s the case, then it’s okay...”

The sect leader was so frightened that he sat back.

At this time, there was a burst of ridicule around him. This guy was a member of the martial arts alliance. Now he was scolded by Dong Liqun like a dog, which was equivalent to a slap in the face of the martial arts alliance. This made Zhu Zhishan unable to sit still.

“Master Dong, we are here for a meeting today, not to show off our power. If you want to compete, our Martial Arts Alliance is not afraid of your Dong family. Don’t think that just because you annexed the resources of the Ning family is great.”

Zhu Zhishan said to Dong Liqun with a cold face.

“If you’re not convinced, then give it a try. I’m afraid you won’t be able to form a martial arts alliance?”

Dong Liqun is not afraid at all!

Zhu Zhishan was also aroused for a moment and stood up suddenly. The scene was full of gunpowder.

“Everyone, this is the venue. If you dare to cause trouble here, I will see what you say to Mr. Shi...”

Seeing this, Zhao Wuji hurriedly spoke.

When Mr. Shi was mentioned, Zhu Zhishan sat back, while Dong Liqun pulled out a chair: “Mr. Chen, please sit down...”

Chapter: 2044

Chen Ping was not polite and sat down directly, while Dong Liqun stood behind Chen Ping.

At this time, everyone could see that the Dong family was completely on Chen Ping's side and became Chen Ping's younger brother.

This scene made Zhu Zhishan's expression become increasingly ugly!

He originally laid a dragnet for Chen Ping, but now if the Dong family is added to the mix, he doesn't know what the result will be.

Everyone was sitting in the hall, no one was talking, but Chen Ping looked at Zhu Zhishan coldly, with murderous intent in his eyes!

Su Yuqi was still suffering in the martial arts alliance, so he must find an opportunity to kill this old boy.

However, Zhu Zhishan didn't even look at Chen Ping. He closed his eyes slightly, looking a little leisurely and contented!

The atmosphere in the entire hall was eerily quiet!

After waiting for more than ten minutes, Mr. Shi didn't arrive, which made me unable to sit still.

Some people started talking quietly!

Another ten minutes passed, a full half hour, and Mr. Shi was still nowhere to be seen!

This time, there were more people talking, and the voices were getting louder and louder.

"Mr. Shi, what do you mean? Why aren't you here yet?"

“I have something going on at home. This has never happened before!”

“Mr. Shi is usually very punctual. What happened today?”

.....

Some people started to feel a little dissatisfied, but they just complained quietly!

When Chen Ping saw that Mr. Shi hadn't appeared yet, the corners of his mouth raised slightly. He seemed to understand what Mr. Shi wanted.

“Okay, stop nagging. Whether Mr. Shi comes or not, we have to wait...”

At this time, Chen Ping spoke loudly.

After Chen Ping finished speaking, everyone looked at him.

“Chen Ping, you are really a good dog for Mr. Shi. No wonder Mr. Shi protects you so much!”

At this time, an aristocratic family leader in the martial arts alliance snorted coldly.

He was deliberately looking for trouble. Anyway, when Chen Ping came out here, they would all take action to get rid of Chen Ping.

Chapter: 2045

Moreover, Zhu Zhishan also promised that whoever can get rid of Chen Ping will get half of the resources for next year's trial.

“Hahaha, he is a good dog...”

Everyone laughed.

“Chen Ping, don’t think you are so great. Do you feel that if you kill Ning Dahai, you will be invincible in Kyoto?”

“So many of our sect families have been living in peace and harmony. Ever since you jumped out, the martial arts community in Kyoto has been in a state of chaos.”

“If Mr. Shi hadn’t protected you behind your back, do you think you would still be alive now?”

Seeing this, the head of the aristocratic family mocked Chen Ping again.

Chen Ping glanced at the guy coldly, and then said: “You are a piece of trash like you, do you think you are worthy of killing me?”

When the head of the aristocratic family heard this, his face darkened: “Chen Ping, I can’t kill you on my own, but there are dozens of sects and aristocratic families here. If we want to join forces to kill you, wouldn’t it be easy...”

The head of this aristocratic family dared to speak to Chen Ping like this because he had Zhu Zhishan as his backer and many members of the martial arts alliance.

“Hmph, you are a bunch of rabble. If I kill you, who dares to stop you...”

Chen Ping snorted coldly, then suddenly reached out and smacked it out with his palm.

Chen Ping’s slap was sudden. No one expected that Chen Ping would dare to take action in such a situation. Others were just talking.

If you want to take action, you have to do it after you go out. If you dare to do it at the venue, isn’t that asking for death?

But Chen Ping took action and slapped the head of the family head, which exploded. Blood splattered and the smell of blood instantly filled the entire hall.

At this moment, the entire hall fell into dead silence!

Everyone looked at Chen Ping in shock, even Dong Liqun was no exception!

“Who else dares to beep? My fists don’t recognize people...”

Chen Ping looked at everyone coldly and said.

At this moment, everyone shut their mouths. No one wanted to provoke Chen Ping, the evil star!

Mr. Zhu Zhishan’s face turned red with anger, and the murderous aura on his body instantly spread, and the members of the martial arts alliance also showed murderous aura.

Chen Ping was under the murderous intent of these people, his face did not change, his heart did not beat, and he showed no sign of fear!

Chen Ping’s eyes fell on Long Jingguo. From the beginning to the end, Long Jingguo never showed any murderous intent. He just paid attention to Chen Ping out of the corner of his eye.

As for Chen Pingping, his eyes were full of hatred towards his uncle. He wished he could rush forward right now, kill Long Jingguo and rescue his mother.

Chapter: 2046

Long Jingguo felt the chill on Chen Ping’s body and slowly turned his head, looking directly at Chen Ping with no expression on his face.

Chen Ping put his hands on the table, leaned forward slightly, and brought his whole face closer to Long Jingguo.

“Master Long, I hope you can take good care of yourself. I will go to your Long family sooner or later...”

Chen Ping’s eyes were slightly condensed, and his obsidian-like eyes exuded a cold and sharp light, giving people an endless sense of oppression.

Long Jingguo smiled slightly: “Then I’m so welcome. Maybe someone in our Long family wants to see you!”

After hearing this, Chen Ping’s face became even colder: “Just wait, I will definitely do it!”

Everyone didn’t understand what Chen Ping and Long Jingguo were talking about, but since Chen Ping had just committed a murder, the Martial Arts Alliance would definitely not let it go.

“Chen Ping, you actually dare to kill people directly in such a venue. Do you feel that Mr. Shi is backing you and you can do whatever you want?”

Zhu Zhishan’s murderous aura rose up, he gritted his teeth tightly, clenched his hands into fists, and wanted to attack Chen Ping right away.

“If you are not convinced, you can point out to me, what is the difference between killing people at the venue and walking out of here?”

“Aren’t you also setting up a dragnet outside, waiting for me to get in?”

Chen Ping looked at Zhu Zhishan coldly and said domineeringly.

Zhu Zhishan was instantly speechless by Chen Ping’s question. He had indeed set up a dragnet outside and was waiting to kill Chen Ping, but how could Chen Ping know?

“Okay, since you said that, then I will wait for Mr. Shi to come and give my martial arts alliance justice...”

After Zhu Zhishan finished speaking, he stopped talking and waited for Mr. Shi to arrive.

“Mr. Chen, if you kill people at the venue, I’m afraid it will be difficult for you to explain when Mr. Shi comes...”

Dong Liqun was on top of Chen Ping and whispered to Chen Ping.

“Don’t worry, how do you know this is not what Mr. Shi wanted me to kill?”

Chen Ping raised the corner of his mouth slightly and said.

At this time, Dong Liqun was stunned. Mr. Shi didn’t even come. How could it be that Mr. Shi had instructed Chen Ping to take action?

Did he follow Chen Ping’s instructions in advance?

But it doesn’t make sense. On such an important occasion, if Chen Ping kills people, doesn’t that mean he looks down on Mr. Shi?

How could Mr. Shi let Chen Ping do this?

Dong Liqun couldn’t understand and didn’t think about it anymore. He just had to follow Chen Ping closely. She would do whatever Chen Ping said.

Chapter: 2047

After another ten minutes, Mr. Shi arrived, followed by Xing Jun!

As soon as he entered the hall, Mr. Shi smelled a strong smell of blood and undisposed corpses on the ground.

Mr. Shi frowned slightly, but he didn't say anything. Instead, he walked directly to the main seat and sat down.

When Xing Jun saw the body on the ground, he was the first to speak: "What's going on?"

Xing Jun asked, Zhu Zhishan quickly said: "Captain Xing, this man was killed by Chen Ping. Now the body is here. I hope Mr. Shi can give an explanation. This is the Dharma Protector Pavilion, and this is a meeting convened by Mr. Shi!"

"Chen Ping killed someone on such an occasion. Doesn't he think too little of Mr. Shi?"

Zhu Zhishan was adding fuel to the fire. He wanted to see how Mr. Shi would handle it.

But who knows, Mr. Shi didn't say anything. Instead, he waved his hand: "Dispose of the body and start the meeting..."

Xing Jun nodded and immediately ordered people to dispose of the body.

At this time, everyone was a little confused, and Zhu Zhishan also frowned.

Killing someone on such an occasion, Mr. Shi didn't even ask? Is this too much of a shield for Chen Ping?

"Mr. Shi, could it be that..."

Zhu Zhishan looked at Mr. Shi in confusion and wanted to ask Mr. Shi how to deal with it.

But before he finished speaking, Mr. Shi's eyes instantly looked at him, with such majesty in his eyes that Zhu Zhishan was so frightened that he shut his mouth instantly.

“I told you to start the meeting and deal with other matters later. If anyone is not convinced, you can leave now...”

Mr. Shi’s tone was very soft, but everyone who listened tensed up.

Who dares to really leave?

Seeing that no one was talking, Mr. Shi continued slowly: “I’m calling you all here this time to talk about the resurgence of evil cultivators.”

“Recently, there have been reports from various places that there are people in black using the spirit-devouring technique to devour the essence of other people to help them practice!”

“Now that the evil cultivators are so blatant, I feel that all of your major sects and families have the responsibility and obligation to eliminate these evil cultivators!”

“In addition, all major sects and families must be more vigilant.”

After Mr. Shi finished speaking, many people were in an uproar.

And some people had calm expressions, because these people already knew about this.

It’s just that those evil cultivators haven’t reached out to Kyoto’s martial arts world yet.

Chapter: 2048

“Mr. Shi, have you found out the identities of these men in black who suddenly appeared?”

Someone asked Mr. Shi.

Mr. Shi shook his head: “We are investigating. These people are very strong. Some martial arts masters have not survived.”

Hearing this, some people's expressions began to change. After all, even the martial arts masters could not escape the clutches of these men in black, so wouldn't those small families be in danger?

Not all sects and aristocratic families belong to masters like Wu Zong and Wu Hou.

"Mr. Shi, do you think these men in black are possessed by evil spirits? You must know that in a war many years ago, those evil cultivators were almost slaughtered."

"In just a few years, these evil cultivators suddenly appeared, which seems a bit strange!"

"Is it possible that some martial arts masters were possessed by evil spirits and controlled their bodies?"

Zhu Zhishan began to analyze.

Zhu Zhishan's analysis immediately won the approval of many people. After all, the evil cultivators have strong spells and are also proficient in some witchcraft, so they are much better at controlling people's minds and bodies!

"You're right. It's very possible. Although we killed many evil cultivators back then, those evil cultivators were very skilled in magic."

"Many people have hidden their souls out of the body. Now they are appearing and attached to other people's bodies. It is very possible."

Mr. Shi nodded and agreed with Zhu Zhishan's statement.

"Another point is that some ordinary people, after being possessed by evil spirits, will suddenly become stronger and more murderous. They also have the ability to devour, and they can also practice by absorbing the essence of others!"

“And among these people here, some of them were unknown before, but suddenly became powerful, and they can also devour the magic.”

After Zhu Zhishan finished speaking, everyone was shocked and wanted to know who among them was such a person.

After all, not everyone knows Chen Ping’s details.

“Zhu Alliance Leader, who is this person you are talking about? Is there an evil cultivator among us?”

Someone asked Zhu Zhishan.

Zhu Zhishan took out Chen Ping’s detailed information: “You can take a look at these information and you will understand...”

Everyone looked at Chen Ping’s information and looked at Chen Ping in shock.

At this moment, Chen Ping looked very calm when facing everyone’s gaze.

Because he himself knows that he is not possessed by an evil spirit at all, let alone an evil cultivator.

“I believe everyone knows that this person is Chen Ping. He has reached the realm of Marquis Wu in just a few months. How can there be such a talented person in the world?”

Chapter: 2049

Zhu Zhishan looked at Chen Ping coldly and then said.

“I’m just gifted. Are you jealous of me, old guy? If you have the ability, how can you improve your strength in just a few months?”

“If you don’t have the ability, then you can tell others that they don’t have the ability. I really don’t know how your mother taught you...”

Chen Ping said to Zhu Zhishan with a playful look on his face.

“You bastard, you...”

When Zhu Zhishan heard this, he became furious.

However, with Mr. Shi present, Zhu Zhishan could only suppress his anger and did not vent it out.

“Even if you have good talent, how can you explain the swallowing technique? Don’t think that no one notices when you swallow other people’s skills...”

Zhu Zhishan asked Chen Ping.

“Who am I to explain to you? In addition to evil cultivators, there are many techniques that can swallow up other people’s skills, but you just don’t know how to do it!”

Chen Ping glanced at Zhu Zhishan and said.

“Hmph, you are just quibbling. It is clear that an evil spirit has entered your body. Since you came to Kyoto, our entire Kyoto martial arts world has become a mess. Today we are going to get rid of this evil cultivator like you on behalf of the Kyoto martial arts world...”

Zhu Zhishan snorted coldly, his body filled with murderous aura!

Everyone else also glared at Chen Ping. As soon as Zhu Zhishan made a move, they would all rush forward!

Dong Liqun, who was behind Chen Ping, looked shocked and embarrassed: “Mr. Chen, you...”

Dong Liqun didn't know whether Chen Ping was an evil cultivator or not.

Chen Ping looked back at Dong Liqun and smiled: "Do you believe I am an evil cultivator?"

Dong Liqun looked at Chen Ping and was speechless for a moment, while Dong Jiahao on the side said: "I believe that brother Chen Ping is definitely not an evil cultivator. Even if he is an evil cultivator, he is a hundred times better than those sanctimonious guys who are just seeking fame and reputation!"

Dong Jiahao's words deeply hurt many people. In today's martial arts world, there is no distinction between good and evil. Some well-known sects, for the sake of profit and strength, do things that are more abominable than evil cultivators.

The atmosphere at the scene became tense. The nervous heartbeats and even breathing of dozens of people were extremely clear in the quiet and eerie atmosphere.

"He is not an evil cultivator..."

At this moment, Mr. Shi suddenly spoke.

Mr. Shi's words proved that Chen Ping had directly removed Zhu Zhishan's hat as an evil cultivator.

"Mr. Shi, how can Chen Ping prove that he is not an evil cultivator?"

Chapter: 2050

Zhu Zhishan took courage and asked Mr. Shi.

"Because no evil spirit can escape my eyes..."

After Mr. Shi finished speaking, he waved his palm lightly!

A ball of white and soft light suddenly enveloped Chen Ping.

Chen Ping felt very comfortable instantly, as if he was soaking in a hot spring.

This white light surrounded Chen Ping, constantly surrounding it, and finally slowly dissipated.

Seeing this scene, everyone couldn't help but marvel, because they were sure that Chen Ping was not possessed by an evil spirit.

And Zhu Zhishan sat down on the chair.

From this point of view, Chen Ping is really not possessed by an evil spirit, because they have all seen Mr. Shi's methods. If he is really possessed by an evil spirit, he will definitely act under this soft light.

But since Chen Ping was not possessed by an evil spirit, how could his strength increase so quickly?

Zhu Zhishan couldn't figure it out and couldn't understand it, but Long Jingguo, who was sitting on one side, remained silent and looked at Chen Ping with interest.

Chen Ping's physique and the techniques Chen Ping practiced were exactly what he wanted.

"Okay, that's it for today. Please pay more attention. If you find the whereabouts of the man in black, report it immediately!"

Mr. Shi waved his hand, and the largest meeting in history ended quickly.

Many sects and aristocratic families looked confused.

They didn't understand that if Mr. Shi only talked about the men in black, he could have issued an announcement, so why go to all the trouble to summon them all?

Now this meeting ended so quickly?

Although everyone looked confused, no one dared to question Mr. Shi and could only stand up and leave.

Zhu Zhishan's expression changed again and again, and he finally gritted his teeth and looked at Mr. Shi and said, "Mr. Shi, when Chen Ping killed people in my martial arts alliance at the venue, should he give me an explanation?"

Seeing that Zhu Zhishan was going to challenge Mr. Shi, the others looked at him in surprise.

And Zhu Zhishan knew that now he could only do this, otherwise his life would be in danger!

Mr. Shi looked at Zhu Zhishan coldly, and then said: "How can I explain it to you? Do you want to do it at this venue?"

Looking at Mr. Shi's cold eyes, Zhu Zhishan quickly lowered his head: "Don't dare!"

"Humph, if you don't dare, then get out!"
