

The Order 2051

Chapter: 2051

Mr. Shi snorted coldly: "I said I would handle it, and I will definitely handle it..."

Zhu Zhishan trembled all over, then glared at Chen Ping fiercely, and hurriedly left the Dharma Protector Pavilion with the people from the Martial Arts Alliance!

After Zhu Zhishan led the people away, Mr. Shi looked at Chen Ping and said with a cold face: "Chen Ping, are you too courageous to kill someone at the venue?"

"Do you think I don't dare to do something to you? Or do you think you are amazing?"

The aura from Mr. Shi's body emanated, making Dong Liquan and Dong Jiahao tremble behind Chen Ping, while Chen Ping remained calm.

"Mr. Shi, isn't this what you want to see?"

Chen Ping said with a smile.

Mr. Shi was stunned for a moment and looked at Chen Ping: "What do you mean?"

"Mr. Shi didn't come for a long time. He stayed with me for so long. Didn't he just want me to mess up the venue?"

"The fish can come out only when the water is muddy. Isn't this what Mr. Shi wants?"

Chen Ping said calmly.

"Hahaha, you kid....."

Mr. Shi laughed, and the coldness on his face disappeared instantly: “But you have muddied the water, deal with it yourself, and walk out of the Dharma Protector Pavilion. I don’t care about your life or death...”

Mr. Shi’s words made Chen Ping stunned for a moment, as if he was being teased.

Seeing Chen Ping like that, Mr. Shi continued: “Do you still want to be protected by others for the rest of your life?”

When Chen Ping heard this, he shook his head: “Although I have not been able to challenge the abilities of the entire Kyoto martial arts world, it is not that easy for them to kill me!”

Chen Ping looked calm. Even if Zhu Zhishan laid a dragnet outside, Chen Ping would still have the confidence to escape, and his confidence at this time was the Qiankun Circle in his hand.

Mr. Shi smiled, stood up and left without speaking.

After walking out of the Guardian Pavilion, Zhu Zhishan and the people from the Martial Arts Alliance did not leave. After seeing Mr. Shi coming out, Zhu Zhishan hurriedly stepped forward.

“Mr. Shi, I don’t know what you are going to do with Chen Ping?”

Zhu Zhishan asked Mr. Shi.

“Then if Chen Ping kills someone from your martial arts alliance, then you kill him. I will no longer care about the grudges between you...”

Mr. Shi said calmly.

Mr. Shi’s words made Zhu Zhishan stunned for a moment, but then he became excited.

Chapter: 2052

If Mr. Shi doesn't care, then Chen Ping will definitely die!

When Mr. Shi was far away, Zhu Zhishan looked coldly at the door of the Dharma Protector Pavilion.

"Chen Ping, come out and die..."

Zhu Zhishan shouted angrily, and the entire Dharma Protector Pavilion buzzed.

Chen Ping could hear clearly inside.

Dong Liqun looked at Dong Jiahao beside him: "Jiahao, go out and mobilize all the Dong family members to escort Mr. Chen away..."

Dong Liqun wanted to use the lives of everyone in the Dong family to clear a way for Chen Ping.

But who knows, Chen Ping waved his hand: "Don't get involved in this matter. I will handle it myself. If you do it, it will distract me even more..."

"Mr. Chen, there are dozens of people in the martial arts alliance, and they are all very powerful, especially Zhu Zhishan, whose strength is unfathomable. It is very dangerous for you to go out rashly like this."

Dong Liqun persuaded Chen Ping.

"Don't worry, I'm measured..."

Chen Ping looked confident, smiled faintly, then stood up and walked out.

Dong Liqun and Dong Jiahao hurriedly followed Chen Ping.

Zhao Wuji also brought many people to follow him, but the strength of these people was too far behind that of the Martial Arts Alliance. Even if they followed him, it would be nothing more than a favor...

When Chen Ping walked out of the Dharma Protector Pavilion, dozens of people immediately surrounded Chen Ping, each one's breath exposed!

"Chen Ping, I didn't expect you to dare to come out. Now that Mr. Shi doesn't care about you, I wonder if you are still arrogant!"

Zhu Zhishan looked at Chen Pingdao with a sneer.

"Stop talking nonsense, just do it if you want. Let everyone see that there are so many people in your martial arts alliance, and you bully the few with more..."

Chen Ping looked around and said.

"Our goal is to kill you, so what if we bully the minority?"

Zhu Zhishan knew that Chen Ping was deliberately irritating him and wanted him to fight him alone!

But Zhu Zhishan is not stupid, he will not give Chen Ping this chance!

Upon seeing this, Chen Ping knew that a battle was inevitable, so a golden light erupted from his body.

Layers of scales began to appear on the hard flesh, and the aura on his body was also revealed at this moment.

Chapter: 2053

Chen Ping's fists were also glowing with golden light, and the power of the dragon was mobilized to the extreme.

Immediately afterwards, Chen Ping punched Zhu Zhishan, and the terrifying punch force headed towards Zhu Zhishan with a devastating force.

Zhu Zhishan frowned slightly and dodged directly.

Zhu Zhishan escaped, but those behind him suffered.

boom!

There was only a loud noise, and a deep pit instantly appeared behind him, and more than a dozen people were directly knocked out by the punch.

“Do it...”

Zhu Zhishan shouted angrily, and dozens of people from the Martial Arts Alliance rushed towards Chen Ping with various weapons.

A series of spells hit Chen Ping's body, making crisp sounds.

Chen Ping relied on his indestructible golden body to withstand the attacks of these people.

The whole person's eyes were red, and he yelled: “I'm going to kill you all today...”

There was a roar, followed by a tremor at the feet, and a force spread from the ground, and then people continued to be blown away by this force.

There were even weak ones who were directly shocked to the point of bleeding to death!

Immediately afterwards, Chen Ping swung out a punch and instantly smashed through the chest of a half-step Wuhou strongman who rushed over!

Seeing Chen Ping being so ferocious and desperate for his life, I began to feel timid!

“Demon Captor...”

Someone suddenly made a move, and countless claws appeared in an instant, and then tightly clasped Chen Ping’s limbs.

Immediately afterwards, another stream of silk came from all directions, wrapping Chen Ping’s whole body like rice dumplings!

Several people kept stimulating their internal energy, and the silk thread became tighter and tighter, and shone with light!

Chen Ping was restrained, and instantly countless weapons were stabbed at Chen Ping’s body!

When Dong Liqun and Zhao Wuji saw this scene, they were all extremely anxious!

Zhu Zhishan had a smile on his face, Chen Ping would definitely die today.

Dang Dang Dang...

There were sounds of metal collisions, the weapons were all broken instantly, and the silk on Chen Ping’s body also shattered.

Chapter: 2054

I saw Chen Ping’s whole body shining with golden light, and the scales on his body fell to the ground like raindrops, disappearing in an instant!

Although the attack by those people just now did not hurt Chen Ping, it did break Chen Ping's indestructible golden body.

At this moment, the muscles on Chen Ping's body were tense, and his hard body was glowing!

"go to hell....."

Chen Ping shouted angrily, then punched out.

A dragon roar sounded, and Chen Ping threw out his fist, and the force of his fist turned into a golden dragon, instantly swallowing up the guy who just used the Demon Capturing Hand.

Immediately afterwards, Chen Ping punched again, taking away another person's life!

Dozens of people besieged Chen Ping, and Chen Ping killed several of them one after another.

Zhu Zhishan's face turned cold, and after an angry shout, he jumped up and slapped Chen Ping.

It seems that he will take action himself today, otherwise even if he kills Chen Ping, the martial arts alliance will suffer heavy losses.

Seeing that Zhu Zhishan had taken action, everyone retreated. Zhu Zhishan alone could completely deal with Chen Ping.

Chen Ping greeted him with a palm, and the terrifying energy spread around him. Chen Ping's body took several steps back.

Seeing Chen Ping being knocked back by his own palm, Zhu Zhishan's confidence greatly increased, and then he summoned a magic weapon and shot it towards Chen Ping.

A dangerous aura instantly enveloped Chen Ping.

Chen Ping did not expect that Zhu Zhishan actually had a magical weapon with the power of the Great Wuhou. It seemed that the martial arts alliance really had many resources!

boom.....

A terrifying force struck Chen Ping, and Chen Ping gritted his teeth and punched out hard.

After a loud noise, a deep pit exploded on the spot!

Chen Ping flew backwards and fell heavily to the ground, but he got up in an instant.

Zhu Zhishan looked at Chen Ping in disbelief, his eyes full of disbelief.

Now that Chen Ping no longer has the protection of his indestructible golden body, can he withstand the power of Lord Wu with his physical body alone?

The reason why Zhu Zhishan summoned the magical weapon was to kill Chen Ping with one blow.

You must know that this kind of magic weapon is very precious. Every time it is used, it will cause irreversible damage. When the damage reaches a certain level, the magic weapon will be completely useless.

Chen Ping's internal organs were also churning at this moment. Although Chen Ping was not injured on the surface, Chen Ping's breath was already disordered at this moment.

Chapter: 2055

Chen Ping endured it and did not let others see it. He smiled coldly and said, "Even if you take out the magic weapon, what can you do to me?"

Chen Ping's words made Zhu Zhishan's face look pale, not to mention how ugly he looked!

“Chen Ping, you don’t have to pretend. Although the first blow didn’t kill you, I don’t believe you can withstand the second blow...”

Zhu Zhishan said, holding the magical weapon in his hand, preparing to give Chen Ping a thunderous blow!

But at this moment, Chen Ping’s expression suddenly changed, and he looked behind Zhu Zhishan with a solemn expression: “Mr. Shi, why are you back?”

Chen Ping’s words stunned Zhu Zhishan and he couldn’t help but look back.

But just when Zhu Zhishan turned around, Chen Ping had already taken out the Qiankun Circle and threw it in the air, and a black hole instantly appeared!

“Zhu Zhishan, your martial arts alliance, wait for me, I will be back sooner or later...”

After Chen Ping finished speaking, his body instantly disappeared into the black hole.

Zhu Zhishan realized that he had been deceived, and suddenly became furious: “Damn, you shameless person, you actually lied to me...”

“Chase them all and find them for me. This space magic weapon won’t travel too far. If you have any news about Chen Ping, report it immediately...”

Zhu Zhishan roared, and those from the martial arts alliance went out to look for him.

Zhu Zhishan then set his sights on Long Jingguo. Just now, Long Jingguo had been standing, motionless, and had not made any move at all. Now it seemed that he did not want to go out to find Chen Ping.

“Master Long, don’t forget that your Long family is also a member of the Martial Arts Alliance, and your son Long Xiao was injured by Chen Ping. Don’t you want to kill Chen Ping?”

Zhu Zhishan asked Long Jingguo with a dissatisfied look on his face.

“Zhu Zhu, a little Chen Ping, he will definitely not be able to escape if Zhu Zhu takes action. Why should I take action? I have something to do at home, so I will leave first...”

After Long Jingguo finished speaking, he turned around and left.

Zhu Zhishan was furious when he saw Long Jingguo, but he seemed to vaguely feel that there seemed to be some relationship between Long Jingguo and Chen Ping.

.....

After Chen Ping passed through the Qiankun Circle, he immediately fled out of Kyoto. He planned to go to the Red Lotus Palace to explore the secrets of the cave in the Red Lotus Palace and to improve his strength in retreat.

As the level got higher and higher, Chen Ping found that he needed more and more spiritual energy, and it began to become slow and difficult to improve his strength.

Fortunately, Su Yuqi's life was not in danger, and Chen Ping could still have time to improve his strength.

Chen Ping left Kyoto and headed south, while the Martial Arts Alliance searched extensively for Chen Ping but could not find any traces!

Zhu Zhishan knew that if he could not find Chen Ping and let Chen Ping escape, he would be in trouble next.

Chapter: 2056

The senior officials and powerful officials in the martial arts alliance will not let him go.

“Trash, all fucking trash...”

Zhu Zhishanqi's face turned livid and he roared with all his strength.

After venting his anger, Zhu Zhishan knew that he was angry and had to find Chen Ping as soon as possible and kill him, otherwise his life would be at risk.

Taking out the token from his pocket, Zhu Zhishan took a look at it, then put it back, then walked out of the Martial Arts Alliance and went to a slum area on the outskirts of Kyoto!

These are places where workers live. They are all low-rise buildings with poor environment and are filled with unpleasant smells.

On the streets here, many are small vendors. Seeing Zhu Zhishan's well-dressed appearance, they all greeted Zhu Zhishan.

But Zhu Zhishan had a cold face and walked straight to the end of an alley without even looking at it!

This is a dilapidated house. The house is so dilapidated that it is difficult to even protect it from wind and rain.

And inside the house, a dirty old man was smoking a cigarette and resting with his eyes slightly closed!

On a table in the room, there were several books and a few coins.

Zhu Zhishan opened the door and walked in, and the old man opened his eyes instantly. After seeing Zhu Zhishan, he instantly showed a flattering smile.

"Sir, do you want fortune telling? Please sit down!"

The old man stood up, quickly wiped his sleeves on the stool, and asked Zhu Zhishan to sit down.

In his opinion, Zhu Zhishan was well-dressed and a big customer!

“I don’t count my fate!” Zhu Zhishan shook his head.

The old man was stunned for a moment, and then asked doubtfully: “Sir, I am a fortune teller here. If you don’t tell fortunes, what are you doing here?”

“I’m here to draw a talisman on you.”

Zhu Zhishan said straightforwardly.

“Drawing talismans?” The old man was stunned for a moment, then his expression changed and he said, “I’m just an old fortune teller. How can I draw talisman? No, no...”

The old man waved his hands repeatedly and sat back down.

Zhu Zhishan didn’t say anything, but took out the token and slapped it on the table.

Seeing the token, the old man’s face instantly turned ugly.

“Hu Mazi, if I can find you here, it proves that I know your identity. Don’t be careless with me and draw two tracking symbols. I will pretend that you don’t know anything!”

Chapter: 2057

Zhu Zhishan said coldly to the old man.

The old man looked at Zhu Zhishan, then at the token on the table, and finally sighed helplessly.

Then the old man opened the tattered quilt on the bed, took out the yellow paper and cinnabar from underneath, then took a deep breath and started drawing quickly.

Soon, the two tracking symbols were drawn, and the old man's forehead was covered with sweat.

Zhu Zhishan picked up the tracking charm and put it away with satisfaction.

"This tracking charm requires..."

"You don't need to tell me, I can use it!" Before the old man could finish speaking, Zhu Zhishan interrupted him directly, and then continued: "You stay here honestly, maybe it won't take long, and I will use it. your turn!"

After Zhu Zhishan finished speaking, he turned around and left the broken house.

After Zhu Zhishan left, the old man thought for a moment, then took off his dirty clothes. Under the dirty clothes, he was wearing a tight-fitting suit. Then he slapped his face with his claws and removed the human skin he was wearing. The mask was lifted.

Under the human skin mask, there is a face covered with pockmarks, but judging from the appearance, the pockmarked man is not that old.

After cleaning up casually, Hu Mazi left directly.

.....

At the entrance of the Guardian Pavilion, Zhu Zhishan came here with several people from the Martial Arts Alliance, because there had just been a battle here, and there was a mess everywhere, and there was no time to clean it up!

Zhu Zhishan took out a tracking talisman, then held it in his hand as if thinking about something, and then the tracking talisman suddenly burned in Zhu Zhishan's hand.

The tracking talisman burned, instantly producing a large amount of smoke. Soon a surprising scene appeared. Chen Ping's figure appeared in the smoke, and even the surrounding scenery could be seen clearly!

"Hmph, I didn't expect you to run so fast. This time I'll see where you go..."

Zhu Zhishan snorted coldly, and then led his men to chase Chen Ping in the direction of his escape.

While chasing Chen Ping, Zhu Zhishan also posted a message on the forum in the name of the Kyoto Martial Arts Alliance!

The leader of the Kyoto Martial Arts Alliance, Zhu Zhishan, wants to personally hunt down Chen Ping. No sect family is allowed to provide any help to Chen Ping, otherwise they will become enemies of the Kyoto Martial Arts Alliance.

Such a piece of news shocked many people. Although Chen Ping often heard from him on the forum during this period, this was the first time that the Martial Arts Alliance released news in person!

Even when Chen Ping killed Guo Wei, the director of the Martial Arts Alliance, the Kyoto Martial Arts Alliance did not dare to openly say on the forum that they would hunt down Chen Ping.

This disclosure means that there is nothing behind Chen Ping that the Kyoto Martial Arts Alliance is afraid of.

"Then Chen Ping isn't backed by Mr. Shi? How dare the Kyoto Martial Arts Alliance be so blatant this time?"

"Who knows, maybe Mr. Shi won't care about him anymore. Now Chen Ping will have no chance of escaping."

Chapter: 2058

"Just wait and see the good show. The Kyoto Martial Arts Alliance has announced the news. I don't think any sect family dares to take in Chen Ping!"

.....

Chen Ping was constantly being discussed on the forum, but at this time, Chen Ping had no idea at all.

After he escaped from Kyoto, he went all the way south and went straight to the Red Lotus Palace.

But what Chen Ping didn't know was that there was a person who was extremely fast and was running in the direction of the Red Lotus Palace. It seemed that he arrived earlier than Chen Ping.

On the road, Chen Ping was always worried about Su Yuqi. In this world where strength is respected, Chen Ping always felt that his strength was growing too slowly.

Although in the eyes of others, Chen Ping's growth rate has already been incredible, Chen Ping himself is not satisfied.

And this time also made Chen Ping clearly realize that the world of martial arts is unfathomable!

Whether it is a sect family or a martial arts alliance, it seems that there is an invisible hand behind these people or families controlling everything.

Chen Ping found a place to rest under a big tree. Looking at the vast sky, Chen Ping fell into endless reverie.

"If I really become an immortal, can I go directly to the Heavenly Palace?"

But just when Chen Ping was thinking wildly, several powerful auras suddenly approached Chen Ping!

Chen Ping sensed it instantly and his expression changed slightly.

The strength of these auras were all superior to Wuhou, which made Chen Ping feel pressure.

“How could these guys from the Martial Arts Alliance find me so quickly?”

Chen Ping was puzzled. How could the people from the Martial Arts Alliance still find him after he had escaped so far.

Without any time to think about it, Chen Ping immediately stood up and left quickly.

Not long after Chen Ping left, Zhu Zhishan and his people immediately caught up with him.

Zhu Zhishan stood at the place where Chen Ping was resting and looked at the big tree that Chen Ping was leaning on just now.

“Hmph, this guy runs very fast. Today I want to play a cat and mouse game to tease him...”

Zhu Zhishan snorted coldly, and then led his men to continue chasing in the direction where Chen Ping escaped.

Chen Ping struggled to escape forward, constantly thinking about how these guys from the Martial Arts Alliance found him.

If he was pursued by his aura, it was obviously impossible. Chen Ping had already escaped so far, how could his aura still be detected?

At this moment, Chen Ping felt those powerful auras again.

Chapter: 2059

“So fast?”

Chen Ping frowned and quickened his pace.

If it weren't for the use restrictions of the Qiankun Circle and its frequent use, Chen Ping would have used the Qiankun Circle to escape again.

Zhu Zhishan and the others were chasing closely, not daring to relax at all. Zhu Zhishan knew that if Chen Ping didn't die this time, he would!

"Damn, these people are so perverted. They have chased them so far away, and they are still chasing after them..."

Chen Ping couldn't understand why the martial arts alliance seemed to be determined not to give up until it caught up with him this time.

Chen Ping hid his aura to avoid being noticed by others, and then spread his consciousness around to check for any danger.

Finding that no one was blocking him in front, Chen Ping quickly changed direction. This time, he lost his breath and changed his mind. Chen Ping did not believe that these people could catch up with him.

Zhu Zhishan caught up to where Chen Ping changed direction and suddenly stopped. Then he frowned slightly, as if he was sensing something, but after a moment, Zhu Zhishan frowned!

"Damn, this kid hid his aura..."

Zhu Zhishan cursed and could only take out the tracking charm again.

As the tracking talisman burned in Zhu Zhishan's hand, Chen Ping's whereabouts were revealed again.

Seeing that Chen Ping had changed his direction, Zhu Zhishan smiled coldly: "You're still trying to play this trick with me. Don't even think about taking out the palm of my hand today..."

After saying that, Zhu Zhishan led his men to chase Chen Ping again.

After running a certain distance, Chen Ping began to sit down and recover his strength. He felt that the people from the Martial Arts Alliance would not be able to catch up this time.

But not long after Chen Ping sat down, a few familiar breaths hit him again, which made Chen Ping suddenly furious.

“Fuck, it’s not over...”

As soon as Chen Ping stood up, four figures surrounded Chen Ping.

Zhu Zhishan looked at Chen Ping coldly: “You can escape, but no matter how you escape, you can’t escape from my grasp.”

“I’m running away from you. I just don’t want to play with you. Do you think I’m afraid of you guys from the Martial Arts Alliance?”

“A bunch of sanctimonious guys collude with evil cultivators. Are you worthy of being the leader of the Martial Arts Alliance?”

“You are like this, and your parents are still in heaven, so they are ashamed of you!”

Chen Ping was chased all the way and was already very angry. He simply took out his anger on Zhu Zhishan.

Zhu Zhishan was stunned by Chen Ping’s scolding.

Chapter: 2060

He had never encountered anything like this before.

You have to know that Chen Ping is now a Marquis of Wu. How can a master with such strength curse others like a shrew?

Seeing Zhu Zhishan's confused look, Chen Ping said again: "Hurry up, your mother, do it. I'm not afraid of you. You guys can come together!"

Zhu Zhishan's face became colder and colder, and the murderous aura permeated his body. Even the guys from the hurried martial arts alliance he brought with him couldn't help but tremble in fear when they felt the murderous aura on Zhu Zhishan's body.

"Boy, if I don't cut you into pieces today, I won't be the leader of this alliance..."

Zhu Zhishan roared angrily, and the terrifying aura on his body exploded.

Chen Ping's body also suddenly glowed with golden light, and golden scales covered Chen Ping's body.

Before Zhu Zhishan could react, Chen Ping shot directly towards Zhu Zhishan.

Zhu Zhishan's eyes narrowed slightly, and he pushed his palm forward, and a white light suddenly condensed in front of him.

This white light is a barrier, blocking Zhu Zhishan.

Chen Ping punched him, and the barrier in front of Zhu Zhishan shattered. After Chen Ping's punch released his power, Zhu Zhishan reached out and grabbed Chen Ping's fist.

Chen Ping was slightly shocked. Although the barrier just now made Chen Ping's punch release a lot of force, but even so, the power of this punch could break mountains and crack rocks.

However, Zhu Zhishan was able to directly grab Chen Ping's fist with one hand, preventing Chen Ping from moving forward at all. This power was not comparable to that of ordinary Wuhou.

The strength of Zhu Zhishan was much stronger than that of Ning Dahai. In addition, Zhu Zhishan also brought several subordinates. Chen Ping knew that it was almost impossible for him to win today. He could only find and continue to escape. Just fine.

“Hmph, you are a bit immature for showing off in front of me for not overestimating your abilities...”

After Zhu Zhishan finished speaking, his other palm instantly slapped Chen Ping’s chest!

Bang.....

Chen Ping’s body was instantly shot and flew out. After hitting many trees, Chen Ping’s body stopped.

This palm caused many of the scales on Chen Ping’s chest to fall off, revealing his tight muscles!

Chen Ping didn’t care about that, but gritted his teeth and rushed towards Zhuzhishan again.

Seeing Chen Ping’s desperate attitude, Zhu Zhishan not only did not dodge, but looked at Chen Ping with a sneer.

“Let me see how strong your body is...”

After Zhu Zhishan finished speaking, the aura on his body began to surge, and then his whole body turned into a ray of light and crashed towards Chen Ping.

Bang bang bang.....
