

## **The Order 2061**

Chapter: 2061

The two people collided constantly like this, and every collision caused waves of space distortion and tremors!

Bang...

There was another collision, and the two bodies separated.

Chen Ping's indestructible golden body had already been shattered into pieces, and there were scars on his strong body.

Chen Ping's fist was even more bloody and bloody, looking very miserable!

On the other hand, Zhu Zhishan's body did not suffer many injuries, but when he took out the Dawuhou magic weapon from his arms, he found that there were cracks in the magic weapon!

After Zhu Zhishan took it out, the magic weapon instantly turned into pieces and fell to the ground.

Only then did Chen Ping realize that Zhu Zhishan had relied on the power of the magic weapon to follow him head-on.

"You cheated..."

Chen Ping's eyes were slightly focused, and he gritted his teeth and looked at Zhu Zhishan.

"Deceit?" Zhu Zhishan's lips raised: "Hahaha, I didn't promise anything to you, so how can I deceive you?"

“If you have the ability, you can also take out your magic weapon, but no matter what you take out today, you must die...”

Zhu Zhishan has made up his mind. He must kill Chen Ping. If Chen Ping doesn't die, he will die.

After Zhu Zhishan finished speaking, the terrifying fist force struck Chen Ping again.

Chen Ping is now seriously injured, and Zhu Zhishan no longer takes Chen Ping seriously.

Seeing this, Chen Ping suddenly stretched out his hand and held out the Dragon-Slaying Sword, and then placed the Dragon-Slaying Sword across his chest.

clang.....

With a crisp sound, Chen Ping's body quickly retreated, leaving two deep marks on the ground under his feet!

Zhu Zhishan's wrist was numb and he looked coldly at the Dragon-Slaying Sword in Chen Ping's hand.

Chen Pingping froze, his forehead covered with cold sweat. Fortunately, he hurriedly took out the Dragon-Slaying Sword to block it for himself. Otherwise, if Zhu Zhishan's punch had hit him just now, even if he was not dead, he would probably be damaged in his five internal organs. The six internal organs will also be injured!

“Humph, no matter what you come up with, it won't save your life...”

The aura in Zhu Zhishan's body surged here, and then he rushed towards Chen Ping.

Looking at Zhu Zhishan rushing towards him, Chen Ping did not dodge and seemed to be thinking about something.

Just when Zhu Zhishan was about to arrive, Chen Ping suddenly put away the Dragon-Slaying Sword, and then laid his chest in front of Zhu Zhishan.

Chapter: 2062

Zhu Zhishan didn't know what Chen Ping meant, but he didn't stop, but punched Chen Ping hard in the chest.

Chen Ping spurted out a mouthful of blood, and his internal organs were almost shattered. Then his body was like a kite with its string broken, flying towards the distance.

While in mid-air, Chen Ping gritted his teeth, suddenly raised the spiritual power in his dantian, then stared at the tree with his feet, and rushed into the distance!

Chen Ping struggled to get injured and escaped with the help of Zhu Zhishan's power.

Seeing Chen Ping jumping to escape, Zhu Zhishan did not panic, but instead raised a playful smile at the corner of his mouth!

Chen Ping turned around and found that Zhu Zhishan was looking at him but not chasing him, which made Chen Ping very puzzled.

But just when Chen Ping was wondering, his body suddenly seemed to hit something and fell straight to the ground.

Chen Ping looked closely and found that at some point, the guys brought by Zhu Zhishan had set up a dragnet around them. Chen Ping just hit the light curtain and fell down.

Seeing Chen Ping's embarrassed look after falling, Zhu Zhishan burst out laughing.

"Hahaha, you didn't expect that today would happen to you, right? I told you, you can't escape today."

"If you have any last words, I can convey them to your girlfriend for you."

“When your girlfriend is no longer useful, I can let her go underground to accompany you!”

Zhu Zhishan looked at Chen Ping mockingly. In his opinion, Chen Ping was now a piece of meat on the chopping board and could not escape.

Hearing Zhu Zhishan mention Su Yuqi, Chen Ping’s face turned red with anger!

“Today, I will fight with you...”

After Chen Ping finished speaking, he took a deep breath, and the golden light in his body continued to burst out.

Chen Ping’s injuries were healing at a speed visible to the naked eye, and then a dazzling light flashed on his chest!

Chen Ping slowly raised his hand, and a golden dragon appeared and began to hover above Chen Ping’s head.

“Holy Light Fist...”

Chen Ping shouted loudly, and then the golden dragon let out a dragon roar, and then headed straight towards Zhuzhi Mountain.

Zhu Zhishan showed no fear when facing the golden dragon. He swung out a fierce punch and directly knocked the golden dragon into smoke and disappeared without a trace.

Then Zhu Zhishan strode over with a cold face: “I won’t play with you anymore, go to hell...”

Chen Ping’s expression changed, he didn’t dare to show any signs of neglect and hurriedly threw out a punch!

boom!

Chapter: 2063

A huge sound came out, and Zhu Zhishan concentrated all his energy in one place. He planned to kill Chen Ping with one punch.

Chen Ping's arm made a crisp sound, and his whole body flew backwards, but in mid-air, he seemed to hit something and fell hard to the ground in an instant.

Chen Ping's arm was broken, and the breath in his body began to wander around, becoming chaotic, and mouthfuls of blood continued to spurt out.

Now even Chen Ping's eyes began to become a little blurry and his mind was not clear.

"No, I can't die, I can't die..."

Chen Ping bit the tip of his tongue suddenly, and then his mind suddenly came to his senses.

Chen Ping stood up with difficulty. Zhu Zhishan couldn't help but feel a little surprised when he saw that Chen Ping could still stand up!

Chen Ping looked at Zhu Zhishan coldly, and then said lightly: "It seems that I can only die with you..."

After Chen Ping finished speaking, he slowly closed his eyes and muttered something.

Soon, Chen Ping's originally depressed aura began to surge.

Moreover, the dimmed golden light in Chen Ping's body also began to become extremely dazzling!

“Actually burning blood essence?”

Zhu Zhishan could see that Chen Ping was making a death struggle, burning his own essence and blood.

Immediately afterwards, Chen Ping slowly raised a palm, and the golden light on his body came out one after another, condensing into a ball of light on Chen Ping’s palm.

This ball of light emits hot air waves, which ripple in all directions. The surrounding trees seem to have been drained of moisture in an instant, and become withered in an instant.

Zhu Zhishan frowned when he saw this scene. He also felt a hint of danger at this moment.

He didn’t expect that Chen Ping could still display such strength despite his desperate struggle.

The aura on Zhu Zhishan’s body also exploded to the extreme, and then he looked at Chen Ping solemnly.

Both sides knew that this was the last blow, so they tried their best.

The ball of light grew bigger and bigger in Chen Ping’s hand, and the final dazzling light seemed to engulf everyone.

Then Chen Ping suddenly opened his eyes, shouted angrily, and threw the ball of light towards Zhu Zhishan with all his strength.

The rolling air waves seemed to dry everyone out, and the surrounding dragnet also became fragmented and disappeared at this moment.

Zhu Zhishan’s whole body was surrounded by a layer of faint purple light, protecting his whole body.

boom!

Chapter: 2064

The ball of light exploded, and the dazzling light made it difficult for everyone to open their eyes. Like a bomb exploding, the hot air wave knocked everyone over.

Slowly, the air wave disappeared, and a huge pit appeared on the ground. The purple shield on Zhu Zhishan's body was shattered at that moment, and his whole person was also knocked away.

Standing up slowly, Zhu Zhishan was already in a state of embarrassment, and the three men he brought with him were all bleeding from their orifices, their faces were withered, and they were roasted to death.

The veins on Zhu Zhishan's forehead popped out. He didn't expect Chen Ping's last blow to be so powerful.

When Zhu Zhishan slowly looked not far away, he found that Chen Ping was lying on the ground, motionless.

Slowly walking over, Zhu Zhishan discovered that Chen Ping had no breath, and his whole body was also covered in scars!

"Damn, this kid is so cruel, he actually wants to die together!"

Zhu Zhishan looked at Chen Ping's body and couldn't help but cursed.

But now that Chen Ping is dead, Zhu Zhishan is relieved, and he can follow the instructions above.

Just when Zhu Zhishan turned around and was about to leave, he suddenly stopped. He seemed to have thought of something.

Then he slowly walked to Chen Ping again, slowly raised his foot, and stepped hard on Chen Ping's chest.

A big hole instantly appeared in Chen Ping's chest, and his internal organs were clearly visible!

Seeing this, Zhu Zhishan was convinced that Chen Ping was really dead.

He was afraid that Chen Ping was coming back to life. Some time ago, Ning Dahai killed Chen Ping and took photos, but Chen Ping came back to life.

Zhu Zhishan was also afraid that Chen Ping would come back to life after he left, so he came over and stepped on him.

Seeing that everyone was like this, even if Daluo Jinxian came, it would be impossible to save them, so Zhu Zhishan left with peace of mind!

On the martial arts forum, news of Chen Ping being killed once again spread!

The last time it was released by Ning Dahai, but this time it was released by the Martial Arts Alliance.

"This Chen Ping has died twice. I don't know if he is really dead this time..."

"This time it's news released by the Martial Arts Alliance. I wish the leader of the alliance will do it himself, and nothing will go wrong..."

"This Chen Ping is too crazy. He wants to provoke the Martial Arts Alliance. Isn't this looking for death?"

"If Mr. Shi doesn't support Chen Ping, he will be killed immediately. This is the reality..."

.....

There was a lot of discussion on the martial arts forum, but this time most of them chose to believe in the martial arts alliance.

Chapter: 2065

After all, Zhu Zhishan personally took action, and Chen Ping's chance of survival was very low.

After receiving the news of Chen Ping's death again, both the Evil Man Valley and the Medicine God Valley fell into great grief.

Even Ji Ruxue and Xiao Min from the Red Lotus Palace seemed to be distracted for a moment. They couldn't believe that Chen Ping was separated from them like this. Chen Ping had promised them that he would definitely come back to see them.

At this time, Chen Ping was lying in the barren mountains and woods. This was already the third day, and the scene still had a strong smell of blood.

Several eagles were circling overhead, and their eyes fell on several corpses on the ground.

After discovering that there was no danger, several eagles plunged down.

Then he gnawed on the corpses of those martial arts alliance members.

And an eagle slowly walked towards Chen Ping. Looking at the bloody hole in Chen Ping's chest and the exposed internal organs, the eagle opened its mouth and was about to peck out.

But at this moment, a white light suddenly flashed in Chen Ping's body. This sudden white light frightened the eagle and ran away instantly.

Inside Chen Ping's body, the palm-sized Nascent Soul was flashing with white light, and a blood hole could be clearly seen on the Nascent Soul's chest.

The white light enveloped Nascent Soul, and finally Chen Ping's entire body.

The wounds on Chen Ping's body were healing at a speed visible to the naked eye, and even the damaged internal organs were growing again.

I don't know how long it took, but Chen Ping's hand suddenly moved, and then he slowly opened his eyes.

Looking at the dim sky, Chen Ping let out a heavy breath.

After getting up with difficulty, Chen Ping looked at his intact body and finally showed a smile!

He had never experienced physical rebirth. When Chen Ping chose to die with Zhu Zhishan, he was still afraid that he would really die.

After all, this is also a legend that the Nascent Soul is immortal and the body is immortal. Whether it is true or not, Chen Ping has not tested it.

But this time, Chen Ping felt confident.

Chen Ping looked around and found that there were only three bodies of members of the Martial Arts Alliance, and Zhu Zhishan was not seen. It seemed that Zhu Zhishan was not dead.

"This old guy is really powerful..."

Chen Ping cursed and then rushed towards the Red Lotus Palace.

.....

Southwest border, Wancheng!

Although this small town is not big, it is an important border town, and it has high mountains and dense forests, and there are countless major sects and families!

Chapter: 2066

Ever since Chen Ping destroyed Fei Qingping, the master of the Holy Beast Palace, the Holy Beast Palace has fallen directly from its position as the largest sect in the south!

Xiao Da took over the Holy Beast Palace, but it would take a lot of time to restore the strength of the Holy Beast Palace in a short time.

On this day, Xiao Da was dealing with matters in the Holy Beast Palace, and a disciple of the Holy Beast Palace hurriedly came to report!

“Palace Master, the Zhou family in Wancheng and Zhou Tiancheng would like to see you...”

said the disciple.

“Zhou Tiancheng? Why did he come to our Holy Beast Palace?”

Xiao Da was very surprised. After all, the Holy Beast Palace had no contact with the Zhou family, and the Zhou family had always claimed to be the largest wealthy family in the south, so it was a bit awkward to follow the Holy Beast Palace.

The sudden visit from the Zhou family today gave Xiao Da a bad feeling in his heart!

“Palace Master, what should we do?”

Seeing that Xiao Da frowned and remained silent, the disciple asked.

“Please come in!”

Xiao Da said.

Xiao Da had just taken over the Holy Beast Palace, and many of his former disciples had dispersed. Now the Holy Beast Palace has long lost its previous strength.

So he decided not to offend the Zhou family, otherwise there would be no place for him in the Holy Beast Palace here.

Soon, a middle-aged man was invited in, followed by two followers!

Upon seeing this, Xiao Da hurriedly stood up to greet him.

“Why do you have time to come to my Holy Beast Palace on Tuesday?”

Xiao Da asked very humbly.

“Palace Master Xiao, you have taken over the Holy Beast Palace, and our Zhou family should also come to congratulate you. It’s just that we were too busy some time ago, and we have just made time now!”

Zhou Tiancheng said with a faint smile.

“You’re welcome, Mr. Zhou, please sit down quickly...”

Xiao Da hurriedly asked Zhou Tiancheng to sit down, and then ordered someone to pour tea for Zhou Tiancheng!

After the two chatted for a while, Zhou Tiancheng went straight to the point: “Palace Master Xiao, I heard that your Holy Beast Palace and Red Lotus Palace have formed an alliance?”

When Xiao Da heard this, he nodded repeatedly and said: “Yes, we have formed an alliance...”

Chapter: 2067

“Good alliance, good alliance!” Zhou Tiancheng smiled faintly: “I have always admired Palace Master Ji of Red Lotus Palace, but I have no chance to meet him. I came here today just to introduce him to Palace Master Xiao.”

“Of course I can’t let Palace Master Xiao’s work go in vain. As long as you can connect me with Palace Master Ji, my Zhou family is willing to give you a hundred Gathering Pills!”

After Zhou Tiancheng finished speaking, he looked directly at Xiao Da.

Xiao Da’s eyes suddenly lit up after hearing about the hundred strength gathering pills, but he also knew what Zhou Tiancheng’s purpose was in meeting Ji Ruxue this week.

Zhou Tiancheng is famous as a big pervert in the entire Wancheng and even the entire Southwest. Now Zhou Tiancheng has more than a dozen wives, and he is still not satisfied.

Now if I introduce Ji Ruxue to Zhou Tiancheng, it will be equivalent to pushing Ji Ruxue into the wolf’s mouth.

But facing hundreds of Gathering Pills, Xiao Da was also tempted, so he was a little hesitant!

“Palace Master Xiao, I know what you are hesitating about. Are you afraid of Chen Ping? But let me tell you, Chen Ping is already dead and was killed by the leader of the Kyoto Martial Arts Alliance.”

“Now your only choice is to cooperate with me. You should understand that with the current strength of your Holy Beast Palace, it will be easy for our Zhou family to destroy you...”

It seemed that Zhou Tiancheng had already found out everything before he came.

Chen Ping’s murder of Fei Qingping was a big deal in the southwest, and it was impossible to hide it from others.

Zhou Tiancheng did some research and found out the whole story!

“Master Tuesday, of course I am happy to serve Master Tuesday, but you also know, Master Tuesday, that Ji Ruxue will not give in as she is as protective as a jade. I’m afraid when the time comes...”

Xiao Da was afraid that Ji Ruxue would do something drastic, and it would be troublesome for them to die together.

“Palace Master Xiao, you just need to trick that Ji Ruxue into coming to your Holy Beast Palace. I will handle the other matters myself.”

Zhou Tiancheng said calmly.

Xiao Da looked at Zhou Tiancheng like that and knew that he would not give up until he achieved his goal, so he gritted his teeth and said: “Okay, then I will invite that Ji Ruxue to Mr. Zhou...”

“Hahaha, Palace Master Xiao really knows the current affairs, so I will wait patiently here...”

Zhou Tiancheng burst out laughing.

.....

Red Lotus Palace.

Ji Ruxue and Xiao Min have not thought about food or food for several days.

“Sister, was Brother Chen really killed by the martial arts alliance? I have never believed it. Could the martial arts alliance have released false news?”

Xiao Min couldn't believe that Chen Ping died like this.

Chapter: 2068

Ji Ruxue said nothing because she knew that the Kyoto Martial Arts Alliance would generally not release false news.

But there was one thing. Ji Ruxue didn't quite believe that Chen Ping died so easily.

Ji Ruxue still remembers that night, the night she thought Chen Ping died.

The vision of heaven and earth when Chen Ping broke through proved that Chen Ping was fundamentally different from ordinary warriors. Maybe if Chen Ping dies this time, he will come back to life just like the last time!

“Palace Master, someone is coming from the Holy Beast Palace!”

At this time, a disciple of Honglian Palace said to Ji Ruxue.

Upon hearing that someone from the Holy Beast Palace was coming, Ji Ruxue quickly collected her emotions and then said: “Let the people from the Holy Beast Palace come in!”

Ever since the Holy Beast Palace and the Red Lotus Palace formed an alliance, Ji Ruxue and the Holy Beast Palace have been moving around frequently.

Soon, people from the Holy Beast Palace walked in, and then said to Ji Ruxue: “Palace Master Ji, our Palace Master would like to invite Palace Master Ji to visit our Holy Beast Palace, saying that we have important matters to discuss!”

When Ji Ruxue heard this, she nodded and said, “Okay, I understand. Report back to your palace master, I’ll be there soon!”

After the people from the Holy Beast Palace left, Ji Ruxue also began to prepare to go to the Holy Beast Palace.

“Sister, can I go with you too?”

Xiao Min said to Ji Ruxue.

“You should stay at home and remember to keep an eye on the cave in the back mountain. No one is allowed to enter!”

Ji Ruxue looked in the direction of Kyoto, and then continued: “I always feel that Mr. Chen will come again...”

“Sister, do you also feel that Brother Chen is not dead?”

Seeing Ji Ruxue say this, Xiao Min asked happily.

Ji Ruxue didn't say anything. No matter whether Chen Ping died or not, he would always live in Ji Ruxue's heart.

Ji Ruxue knew that from now on, she would never be attracted to any man again.

Ji Ruxue rushed to the Holy Beast Palace, and at this moment Zhou Tiancheng took out a small glass bottle from his arms, then dripped a few drops of liquid from it, and gently stirred it into the tea cup.

Xiao Da looked on and said nothing.

In the past, he saw Fei Qingping doing all kinds of evil, and he felt disgusted and resentful in his heart, so when Fei Qingping fought with Chen Ping, he killed Fei Qingping and became the master of the Holy Beast Palace.

But now, the dragon-slaying boy has finally become an evil dragon, and he himself has become a person like Fei Qingping, but there is no way, because his status is different, so his perception is different!

“Palace Master Xiao, it will be up to you soon. As long as you let Ji Ruxue drink this cup of tea, she will obey obediently...”

Chapter: 2069

Zhou Tiancheng said to Xiao Da.

“Master Tuesday, don’t worry, I know how to do it, but the Juli Pill promised by Master Tuesday...”

“Palace Master Xiao, don’t worry. When did the things I, Zhou Tiancheng, promised not count? A mere hundred Gathering Pills are nothing to my Zhou family.”

Before Xiao Da could finish speaking, Zhou Tiancheng patted his chest and promised.

Xiao Da smiled with satisfaction, and then waited quietly for Ji Ruxue’s arrival.

Soon, Ji Ruxue rushed to the Holy Beast Palace with two disciples. Because she had formed an alliance with the Holy Beast Palace, and Ji Ruxue had been to the Holy Beast Palace more than once, Ji Ruxue did not bring many people with her this time.

Seeing Ji Ruxue arriving, Zhou Tiancheng led people to hide at the back of the hall and looked at Ji Ruxue through the gap.

“Palace Master Ji, I’m really sorry to ask you to make a trip in person...”

After Xiao Da saw Ji Ruxue, he hurriedly said politely.

“Palace Master Xiao, you’re welcome. Are you so anxious to send someone to call me? Is there something important?”

Ji Ruxue asked Xiao Da.

“Master Ji, please sit down first. Let’s chat while drinking. I specially prepared the good tea...”

Xiao Da sat in a please posture.

Ji Ruxue didn’t take any precautions and sat on the chair, but instead of drinking tea, she asked again: “Palace Master Xiao, you’d better tell me what’s important first!”

Ji Ruxue was anxious and wanted to know why Xiao Da was so anxious to find her.

“Palace Master Ji, do you know Zhou Tiancheng of the Zhou family in Wancheng?”

Xiao Da asked Ji Ruxue.

Ji Ruxue nodded: “I know, isn’t he the big pervert? He has more than a dozen wives and is very famous in this area. What’s wrong?”

“Zhou Tiancheng of the Zhou family came to me and wanted me to introduce Palace Master Ji to him. It seemed that he liked Palace Master Ji, but our two families had formed an alliance. How could I do that, so I rejected him !”

“But you also know the current strength of the Zhou family. If the Zhou family wants to deal with our Holy Beast Palace, we will only get beaten, so I think...”

Before Xiao Da could finish speaking, Ji Ruxue said with a grateful look on her face: “Palace Master Xiao, please stop talking. Since our two families have formed an alliance, we will live and die together. If the Zhou family dares to attack the Holy Beast Palace, then I will be red.” The Lotus Palace will definitely mobilize in full force.”

“Even if we fight to the death, we will never let the Holy Beast Palace face the Zhou family alone!”

Ji Ruxue was very grateful and touched to Xiao Da at this moment. If Xiao Da could offend the Zhou family for her, then she, the Red Lotus Palace, could not just watch the Holy Beast Palace in trouble.

“Okay, with the words of Palace Master Ji, I feel relieved!”

Chapter: 2070

Xiao Da looked happy and then picked up the tea cup: “Mr. Ji, let’s have tea instead of wine and have a drink together to express our two families’ common determination!”

Ji Ruxue did not doubt that he was there, picked up the teacup, and drank it all in one gulp after Xiao Da!

Zhou Tiancheng, who had been peeking behind, saw Ji Ruxue drinking the tea, and a proud smile appeared on his face.

After Ji Ruxue drank the tea, she didn't feel anything strange and was still talking with Xiao Da.

But when Zhou Tiancheng came out from behind, Ji Ruxue was stunned instantly.

"Hahaha, they say that Princess Ji is as beautiful as a fairy. When I see her today, she is many times more beautiful than a fairy."

"If I can sleep with Palace Master Ji, it will be worth my life even if I die."

"It's cool to be a ghost under the peonies..."

Zhou Tiancheng looked at Ji Ruxue with squinting eyes and slowly approached Ji Ruxue!

Ji Ruxue frowned: "Palace Master Xiao, what's going on?"

"Ji Ruxue, you'd better obey Mr. Tuesday. I can't help it..."

Xiao Da persuaded Ji Ruxue.

When Ji Ruxue heard this, she understood instantly, her face turned red with anger, and she stared at Xiao Da fiercely, wanting to eat him.

"Xiao Da, you... you are so shameless..."

Ji Ruxue stood up angrily and wanted to slap Xiao Da with a palm.

But as soon as he got up, he found that he had no strength, and the energy in his body could not be raised at all.

This time, Ji Ruxue became even more excited, and her whole body was trembling.

“Palace Master Ji, stop trying to resist, just be obedient and I will treat you well!”

Zhou Tiancheng had a sinister smile on his face and reached out to touch Ji Ruxue’s face.

“Palace Master, leave quickly...”

At this moment, the two Red Lotus Palace disciples who had been standing behind Ji Ruxue suddenly thrust their swords towards Zhou Tiancheng.

Two people, one on the left and one on the right, attacked Zhou Tiancheng at the same time.

Seeing this, Zhou Tiancheng snorted coldly, reached out and grabbed the swords in the hands of the two Red Lotus Palace disciples, and then twisted hard!

jump.....
