

The Order 2071

Chapter: 2071

Both swords were broken, and half of the sword remained in Zhou Tiancheng's hand.

Then Zhou Tiancheng waved his backhand, and a cold light flashed through.

A blood mark instantly appeared on the necks of the two Red Lotus Palace disciples, and then the blood mark expanded and blood spurted out 1

Ji Ruxue's eyes widened as she looked at the two disciples who died tragically. Although she no longer had any strength, Ji Ruxue still slammed into Zhou Tiancheng.

Zhou Tiancheng reached out and grabbed Ji Ruxue's wrist, and controlled Ji Ruxue.

"Beast, let me go, kill me if you can..."

Ji Ruxue cursed loudly.

But Zhou Tiancheng didn't care. The more Ji Ruxue scolded him, the happier he became.

"Palace Master Xiao, you have done a good job. When I get back, I will order someone to send you the Strength Condensing Pill..."

Zhou Tiancheng said to Xiao Da.

"Master Zhou is being polite, so I'd rather be respectful than obey. Should I send someone to take Master Zhou back?"

Xiao Da said flatteringly.

“No need, we can just go back by ourselves...”

After Zhou Tiancheng finished speaking, he picked up Ji Ruxue and walked out.

Ji Ruxue struggled desperately: “Asshole, let me go...”

But no matter how hard Ji Ruxue struggled, she could not escape Zhou Tiancheng, and finally bit Zhou Tiancheng hard on the shoulder.

“ah.....”

Zhou Tiancheng shouted in pain, and then hit Ji Ruxue on the back of the neck with a knife!

Ji Ruxue passed out instantly, while Zhou Tiancheng cursed and said: “This little girl is quite fierce, I like it...”

.....

Red Lotus Palace.

Xiao Min led people to guard the mountain at the back. Not far up there was the cave. Xiao Min didn't let anyone enter the cave.

But not far away from them, a black shadow slowly appeared. After looking at Xiao Min and the others, it quickly jumped to the back mountain and quickly got into the cave.

The black shadow moved very quickly and lightly, making no sound at all, so Xiao Min and the others didn't know it at all.

Chapter: 2072

Gradually it got dark, and Xiao Min looked at the time: "Why isn't sister back yet? Is there anything going on?"

Xiao Min always feels restless and her eyelids always beat.

So she arrived at the palace gate and waited anxiously for Ji Ruxue to come back!

Seeing that the stars in the sky had risen, it was already past dinner time, but there was still no news from Ji Ruxue, which made Xiao Min worried.

Because Ji Ruxue had never stayed out so late before, and it had been such a long time now. If she didn't come back, there might be something unexpected.

After all, many sect families here have thoughts about the Red Lotus Palace, and they are even more coveted for Ji Ruxue's beauty.

Seeing this, Xiao Min could only summon people and planned to go to the Holy Beast Palace to find Ji Ruxue and find out what was going on.

But just when Xiao Min led people out of the Red Lotus Palace, they saw a person slowly walking towards them.

Xiao Min frowned slightly and ordered the person to get ready.

But when the figure approached, Xiao Min was stunned for a moment, because in front of her was Chen Ping who had come back from the dead.

Chen Ping also looked curious when he saw Xiao Min leading people in a hurry at night.

"Xiao Min, why are you taking people there so late at night?"

Chen Ping asked Xiao Min.

But Xiao Min didn't answer. Instead, she widened her eyes and stared at Chen Ping, which made Chen Ping look dumbfounded.

"Xiao Min, Xiao Min..."

Chen Ping shouted twice again.

"Brother Chen Ping..."

Suddenly, Xiao Min shouted, then rushed into Chen Ping's arms and cried loudly.

Xiao Min's sudden move confused Chen Ping.

Chen Ping raised his hands and let Xiao Min hold him while crying. After a while, Xiao Min stopped crying.

"Xiao Min, what happened?"

Chen Ping asked when he saw Xiao Min stopped crying.

"Brother Chen Ping, I knew you were not dead, I knew you couldn't die..."

Xiao Min wiped her tears and grinned.

Chapter: 2073

"Who said I'm dead?"

Chen Ping looked surprised because he had no idea that Zhu Zhishan actually announced the news of his death in the Martial Arts Alliance.

“The Martial Arts Alliance in Kyoto posted on the Martial Arts Forum that you were personally killed by the leader of the Martial Arts Alliance.”

Xiao Min explained.

When Chen Ping heard this, he frowned slightly. He didn't expect that Zhu Zhishan, as the leader of the Kyoto Martial Arts Alliance, would bully the younger ones and kill himself, and still have the nerve to publicize it on the martial arts forum.

But no matter this, they all thought that if they died, Chen Ping could practice with peace of mind, and no one would disturb him.

“How could I be killed so easily? Do you believe what they say?”

Chen Ping smiled slightly, gently stroked Xiao Min's hair and said.

“Of course I don't believe it, and neither does my sister. She also asked me to take good care of the cave, saying that you will definitely come back.”

Xiao Min quickly shook his head.

“Then it's so late, where are you taking people?”

Chen Ping asked.

“I went to find my sister. She went to the Holy Beast Palace and hasn't come back yet. I'm a little worried about her.”

Xiao Min talked about Ji Ruxue with worry on her face.

“Went to the Holy Beast Palace?” Chen Ping frowned slightly, and then said: “You take people back, I will go to the Holy Beast Palace to see if your sister is there!”

“Then I’ll go with you!”

Xiao Min said.

“No, if your sister comes back soon and can’t see you, she will definitely be anxious. Just wait for your sister at home while I go to the Holy Beast Palace to have a look...”

After Chen Ping finished speaking, he turned around and headed towards the Holy Beast Palace.

At this time, in the Holy Beast Palace, Xiao Da was sitting in the position of the palace master with satisfaction!

Now that the strength of the Holy Beast Palace has been greatly reduced, if there are hundreds of concentration pills from the Zhou family, then the strength of the Holy Beast Palace can be improved.

As for Ji Ruxue, Xiao Da didn’t have time to take care of it. Chen Ping was dead now anyway, so there was no point in forming an alliance with the Red Lotus Palace.

When the Holy Beast Palace becomes stronger, Xiao Da plans to annex the Red Lotus Palace directly.

Just when Xiao Da was thinking about good things, suddenly a disciple of the Holy Beast Palace ran in.

Chapter: 2074

“There is someone outside the palace asking to see...”

The disciple of the Holy Beast Palace said.

“Who is seeing me this late at night?”

Xiao Da asked doubtfully.

“He said his name was Chen Ping...”

The disciple said.

Hearing the word “Chen Ping”, Xiao Da’s body instantly fell from his seat, and his eyes widened in fear:
“What did you say? Did you see clearly?”

“He said his name was Chen Ping, but I...I haven’t seen him either!”

The disciple said helplessly that he had never seen Chen Ping, and even if he saw it clearly, he wouldn’t know if it was true.

Xiao Da’s body was trembling slightly, and his heart was beating fast.

It was clear that the Martial Arts Alliance had issued an announcement that Chen Ping had been killed by Zhu Zhishan, so why did he suddenly appear here?

“It’s impossible, it must be fake and fake...”

Xiao Da said, got up and walked out, but he did not dare to show his face directly!

He had to first see if it was Chen Ping. If it was really Chen Ping, he would have to think of countermeasures.

When he came to the door, Xiao Da secretly looked outside the palace door, and Chen Ping was standing at the door, frowning slightly.

“This Xiao Da knows that he is coming, why is he so ink?”

When Chen Ping saw that the announcement had been made for a long time and he was still not allowed in, he suddenly became furious.

A ray of spiritual consciousness spread out, and Chen Ping immediately spotted Xiao Da peeking.

This discovery made Chen Ping confused. He didn't understand why Xiao Da knew he was coming, so why did he secretly observe him and not let him in?

Did this kid do something bad?

After Xiao Da confirmed that Chen Ping was at the door, his legs became weak and his forehead was covered with cold sweat.

“Palace Master.....”

Seeing Xiao Da like that, a disciple shouted softly.

“Go and invite Mr. Chen in. You must not let him know that I already know that he is coming!”

Chapter: 2075

Xiao Da explained to the disciple.

The disciple nodded and left, and Xiao Da quickly returned to the hall, and then took a few deep breaths.

Feeling that the time was almost up, Xiao Da stood up and walked out quickly, and at this time Chen Ping also happened to enter the hall.

“Mr. Chen, I was just going to greet you, but I didn’t expect you to come in...”

Xiao Da followed Chen Ping very politely and said: “Please sit down quickly.”

Xiao Da personally poured tea for Chen Ping, because he had seen Chen Ping’s strength with his own eyes.

Chen Ping looked at Xiao Da coldly, his eyes unblinking, which made Xiao Da’s heart tremble and cold sweat broke out on his forehead again.

“Mr. Chen, I wonder if there is something wrong with your sudden visit at night?”

Xiao Da asked Chen Ping in a panic.

“Palace Master Xiao, did Miss Ji come to your place today?”

Chen Ping asked Xiao Da.

“Yes, I have something to discuss with Palace Mistress Ji, but before dark, Palace Mistress Ji had already left. What happened? Hasn’t she gone back yet?”

Xiao Da asked pretending to be a little surprised.

Chen Ping nodded: “She did not go back. I wonder if you have any important matters to discuss with Miss Ji?”

“Oh, nothing happened. It was just Tuesday at the Zhou family in Wancheng... Zhou Tiancheng came to see me and wanted me to introduce him to Palace Master Ji, but I refused.”

“I’m afraid that the Zhou family will cause trouble for me, so I invite Palace Master Ji to discuss together how to deal with the Zhou family if they cause trouble!”

Xiao Da tried his best to calm down, and then followed Chen Ping to explain.

“The Zhou family?” Chen Ping frowned. He didn’t know about the Zhou family in Wancheng.

However, in this area of southwest China, there are so many sects and aristocratic families that it is normal for Chen Ping not to know about them.

“The Zhou family is the largest wealthy family in Wancheng. In the past, the Zhou family and our Holy Beast Palace were on the same page, but now the strength of the Holy Beast Palace has been greatly reduced, so...”

Xiao Da did not continue, but Chen Ping also understood.

If your strength is no longer good, you will naturally be bullied by others.

The martial arts world is so realistic, let your strength speak for itself!

“Will Miss Ji be captured by the Zhou family?”

Chapter: 2076

Chen Ping looked at Xiao Da and asked.

“This...I don’t know this.”

Xiao Da shook his head.

Chen Ping stared at Xiao Da for a while, making Xiao Da extremely nervous!

But Chen Ping quickly withdrew his gaze and said to Xiao Da: "Palace Master Xiao, if you know Miss Ji's whereabouts, please tell me."

"Don't worry, Mr. Chen. If I know about it, I will definitely inform Mr. Chen."

Xiao Da nodded.

Chen Ping left the Holy Beast Palace, while Xiao Da was restless. He finally gritted his teeth, got up and left the Holy Beast Palace, heading towards Wancheng down the mountain.

He was going to find Zhou Tiancheng. Since Chen Ping was not dead, this matter would become a big deal.

Their Holy Beast Palace does not have the ability to deal with Chen Ping now. He wants to see what Zhou Tiancheng will do.

Just as Xiao Da left the Holy Beast Palace and headed towards Wancheng, a figure came out of the darkness. This figure was Chen Ping.

In fact, Chen Ping did not leave, but was waiting for Xiao Da.

Seeing Xiao Da's hurried back, Chen Ping's eyes narrowed slightly: "Sure enough, it's as good as I expected..."

Chen Ping followed up quickly, but Xiao Da didn't notice it at all!

.....

Wancheng Zhou family!

Not to mention how excited Zhou Tiancheng was, Ji Ruxue was lying on the bed at this time, with spells all over her body, unable to move at all.

After taking a shower, Zhou Tiancheng said to his servants: "I'm going to rest. No one is allowed to disturb me. Don't ruin my fun!"

The servant nodded repeatedly: "I understand, Second Master!"

Zhou Tiancheng walked into the room and looked at Ji Ruxue lying on the bed, his eyes shining.

Ji Ruxue saw Zhou Tiancheng walking in and cursed loudly: "Beast, you are going to die a good death, let me go quickly..."

The more Ji Ruxue scolded her like this, the more excited Zhou Tiancheng became. He raised the corner of his mouth and said, "Palace Master Ji, just scold me. It's no use even if your throat is broken by shouting."

With that said, Zhou Tiancheng pounced on Ji Ruxue.

Ji Ruxue shed tears slowly, and images of her and Chen Ping flashed through her mind!

Chapter: 2077

But just when Zhou Tiancheng was about to take action, there was a knock on the door.

Zhou Tiancheng suddenly became furious.

"Who the hell is that? Didn't I tell you not to disturb me? Do you want to die?"

Zhou Tiancheng cursed angrily.

“Second Master, Palace Master Xiao from the Holy Beast Palace is here, saying there is something urgent...”

The servant outside the door said with a trembling voice.

Zhou Tiancheng frowned: “Damn, it’s so late, what is this guy doing here?”

“Second Master, Palace Master Xiao didn’t say anything, but he looks very anxious!”

The servant replied.

“Okay, I get it!”

Zhou Tiancheng said impatiently.

Then he looked at Ji Ruxue who was lying on the bed, with a reluctant expression: “Palace Master Ji, please wait for me, I will be back soon!”

Zhou Tiancheng walked out of the room and then came to the hall. He saw Xiao Da sitting in the hall, so he said with an ugly face: “Palace Master Xiao, you came here at night and disturbed my rest. What’s the important matter?”

Zhou Tiancheng was very angry that Xiao Da disturbed his good deeds.

“Master Zhou, that... that Chen Ping is not dead, he is not dead...”

Xiao Da said to Zhou Tiancheng in a panic.

“If you’re not dead, you’re not dead. What does it have to do with me? You came here at night just to tell me this? Are you sick?”

Zhou Tiancheng glared at Xiao Da and said.

“Master Tuesday, Chen Ping has a good relationship with Honglian Palace. I’m afraid... afraid...”

“Are you afraid that Chen Ping will come to trouble me, right?” Before Xiao Da could finish speaking, Zhou Tiancheng answered directly.

“Yes, yes, I’m afraid that if Chen Ping knows that Ji Ruxue is here, he will come to cause trouble...”

Xiao Da nodded quickly.

“Hmph!” Zhou Tiancheng snorted coldly: “Then Chen Ping came to the Zhou family to cause trouble, and I made it impossible for him to leave. What’s the big deal? Do you really think that my Zhou family can come here casually?”

“Go back quickly, don’t delay me from doing business, it’s really disappointing...”

Chapter: 2078

Zhou Tiancheng was dissatisfied and wanted to drive Xiao Da away, but he hurriedly turned around and went back to the room.

Seeing this, Xiao Da could only sigh helplessly, but just when Xiao Da turned around and was about to leave, he suddenly froze.

“Chen...Chen Ping...”

Xiao Da didn’t know when Chen Ping was already behind him.

When Zhou Tiancheng heard the word Chen Ping, he turned around quickly and found Chen Ping standing at the door of the hall, his face as cold as ice.

“Xiao Da, you are really capable...”

Chen Ping’s eyes narrowed slightly and he looked at Xiao Da coldly, every word containing endless killing intent.

Seeing Chen Ping like that, Xiao Da was so frightened that he trembled all over and backed away repeatedly.

“Chen...Mr. Chen, please listen to my explanation...”

Xiao Da trembled, wanting to explain to Chen Ping.

“You still have to explain, is Miss Ji here? Let her go...”

Chen Ping said coldly.

Xiao Da stepped back repeatedly, and finally looked at Zhou Tiancheng.

Xiao Da couldn’t make the decision, so he could only let Zhou Tiancheng make the decision.

“Boy, are you the Chen Ping who was chased by the Kyoto Martial Arts Alliance?” Zhou Tiancheng looked at Chen Ping, and then continued: “That Ji Ruxue is on my bed, and now she is mine, you If you want to take it away, there is no way...”

When Chen Ping heard that Ji Ruxue had been succeeded by Zhou Tiancheng, his aura surged instantly, and the temperature in the entire hall suddenly dropped a lot.

Endless terrifying killing intent began to spread wantonly.

“If you really touch Miss Ji, I will let your entire Zhou family be buried with you...”

Chen Ping gritted his teeth, and his deep eyes were filled with chills!

“Let our entire Zhou family be buried with us? What a joke...”

Zhou Tiancheng raised his lips, and then two people in fancy clothes rushed out from the back hall.

After Zhou Tiancheng saw these two people, his momentum suddenly surged.

“Zhou Feng, Zhou Yu, you two follow me and kill this brat who doesn’t know the heights of the sky...”

Zhou Tiancheng said to the two people rushing towards him.

Chapter: 2079

“Yes!” The two nodded.

The three people stepped forward to face Chen Ping directly, their auras rising sharply.

Chen Ping faced the three people in front of him with disdain in his eyes. Even someone with such strength dared to challenge him.

Seeing the disdain in Chen Ping’s eyes, Zhou Tiancheng felt that he had been humiliated, and in a flash, he rushed towards Chen Ping.

“Prajna Fist...”

Long Tiancheng punched out instantly, and his endless energy was like cannonballs, bombarding Chen Ping.

“Ice Palm...”

At this time, Zhou Feng also took action. A thick layer of frost condensed on his palm, and the cold air was overwhelming. Waves of cold air also enveloped Chen Ping!

At the same time that Zhou Feng made a move, Zhou Yu also made a move, and a ray of light appeared on the tip of his toe, like a sword, tearing all the air under his feet.

The three people cooperated tacitly and attacked Chen Ping from different directions at the same time, and arrived in front of Chen Ping almost at the same time.

When Xiao Da on the side saw this, his expression couldn't help but change.

Seeing the attacks of these three people, he knew that the strength of the Zhou family should not be underestimated!

But at this time, Chen Ping looked at the three of them with a sneer, as if he was not ready to dodge or fight back.

Just when Xiao Da was wondering why Chen Ping didn't fight back, a golden light appeared on Chen Ping's body!

The indestructible golden body was activated, and layers of golden scales covered Chen Ping's body.

At this moment, Chen Ping was like a warrior in golden armor, fearlessly watching the attack of the three Zhou family members.

Boom boom boom.....

With three distant sounds, three people accurately bombarded Chen Ping's body. The huge fluctuations of energy caused all the items in the hall to turn into powder.

Chen Ping did not react at all under the attack of these three people, his expression was as usual, and he was not hurt at all!

“This...how is this possible?”

Long Tiancheng looked at Chen Ping with fear in his eyes.

And Zhou Feng and Zhou Yu also looked at each other, the fear in their eyes was self-evident!

Three people attacked at the same time, and they were all killers, but they hit Chen Ping, but Chen Ping was not hurt at all!

Even ordinary people can see this difference in strength.

Chapter: 2080

Chen Ping looked at the shocked three people coldly.

“Impatient...”

After a sound, an extremely domineering force suddenly burst out from Chen Ping’s body!

With Chen Ping as the center, this force began to sweep in all directions. The three people from Zhou Tiancheng in front of Chen Ping were knocked over by this huge force before they could even react.

Rumble...

The entire villa began to collapse under Chen Ping’s terrifying power.

Chen Ping's consciousness spread and he found the room where Ji Ruxue was in an instant, and his figure disappeared in a flash!

Soon, Chen Ping appeared in front of Ji Ruxue.

Looking at Chen Ping in front of her, Ji Ruxue was hugged by Chen Ping before she could react.

And the bricks and tiles of the entire villa began to fall.

Chen Ping protected Ji Ruxue tightly and let the bricks and stones fall on him.

However, these bricks and stones could not cause any harm to Chen Ping at all.

When the smoke cleared, Chen Ping stood proudly among the rubble with Ji Ruxue in his arms.

Ji Ruxue held Chen Ping's neck tightly and looked at Chen Ping without blinking.

It can be seen that Ji Ruxue is very excited, very excited...

"Chen Ping, you...are you really not dead?"

Ji Ruxue bit her red lips, tears streaming down her face.

"I'm fine, how could I die? Many people want my life, but it's a pity that they can't kill me..."

Chen Ping smiled slightly at Ji Ruxue.

At this time, Zhou Tiancheng, who was thrown out, climbed up with difficulty and wiped the blood from the corner of his mouth.

Seeing Ji Ruxue in Chen Ping's arms, Zhou Tiancheng's eyes were extremely scarlet.

"Zhou Feng, Zhou Yu, we must kill this guy today. He is holding Ji Ruxue now and there is no way he can fight back!"

Zhou Tiancheng said to the two of them.

The two nodded, and then began to gather their strength and prepare for a fight!
