

The Order 2081

Chapter: 2081

“Chen Ping, put me down quickly and leave me alone...”

Ji Ruxue saw that she had become a burden to Chen Ping and hurriedly asked Chen Ping to let go of her.

But Chen Ping did not let go, but smiled lightly and said: “These three trash, even if I don’t do anything, what can they do to me?”

Seeing Chen Ping speaking so easily, Ji Ruxue’s eyes flashed softly.

At this moment, Chen Ping became much taller in Ji Ruxue’s heart.

Seeing that Chen Ping looked down upon them so much, the three of them became even more angry.

Zhou Feng was seen clawing at the rubble with both hands, and then he bent his hands and shook them.

Soon, the gravel and rubble began to fly up, and then condensed into a several-meter-long spear in Zhou Feng’s hand.

Then one spear after another was condensed and suspended in the air, like sharp arrows on a string, ready to be shot out at any time.

Zhou Tiancheng also formed seals quickly, and a terrifying energy exploded, followed by fireballs as big as footballs with a faint light appearing in the air.

Zhou Yu was not idle either. He was so angry that he moved his dantian and used the magic formula. He saw countless fist shadows appearing, each of which was extremely sharp.

Seeing the three people preparing lively, Chen Ping raised his lips and said, “It turns out that the Zhou family is good at magic this week, so I will also play magic with you...”

After Chen Ping finished speaking, a transparent barrier enveloped him and Ji Ruxue.

Because he was holding Ji Ruxue in his arms, if Chen Ping only relied on his indestructible golden body, although he could protect himself, he would not be able to protect Ji Ruxue.

So by thinking of the magic formula, a transparent barrier appeared out of thin air, protecting the two people inside.

“kill.....”

Zhou Tiancheng shouted angrily!

Immediately afterwards, that person launched an attack at the same time, stabbing Chen Ping with countless spears, and fireballs also rushed towards Chen Ping!

The shadows of fists followed closely behind, intending to break through Chen Ping’s defense before punching Chen Ping’s body.

Unfortunately, the attacks of Zhou Tiancheng and the three men were all blocked by the barrier in front of Chen Ping. Apart from the loud rumbling noise, they did not cause any harm to Chen Ping and Ji Ruxue!

At this time, the three people stared at each other, a little at a loss.

“Since you love playing magic so much, then if I use weapons, wouldn’t it be bullying you? I will also use magic to defeat you...”

After Chen Ping said that, he suddenly looked into the air, muttering something in his mouth, and a white light spread from Chen Ping’s hand to the surroundings!

Soon, where the white light shined, the gravel and rubble on the ground began to roll violently, and then slowly gathered together.

Chapter: 2082

In the end, these masonry and rubble turned into an earth-yellow giant sword in front of Chen Ping!

The solid stone turned into a sword, and the sword energy was like a rainbow. The surrounding sword energy enveloped the entire Zhou family!

“Behead me...”

With a thought in Chen Ping’s mind, the giant sword more than ten meters in front of him let out a sword cry, roaring towards Zhou Tiancheng and the three of them, as if it came to life.

The monstrous sword energy swept out with unrivaled power.

Seeing this, the three people from Zhou Tiancheng hurriedly activated their spells, and earth walls rose up in front of them, trying to block Chen Ping’s attack.

Bang bang bang...

Accompanied by bursts of loud noises, the earth wall formed by the three people could not stop the attack of Chen Ping’s giant sword. Under Chen Ping’s vertical and horizontal sword energy, it instantly collapsed!

The sword’s edge continued unabated, as if it was about to cut off the heaven and the earth!

The expressions on the faces of Zhou Tiancheng and the other three people have become extremely ugly, cold sweat is pouring from their foreheads, and magic formulas are constantly coming out of their mouths.

But no matter what method they used, they couldn’t stop Chen Ping’s giant sword!

“Retreat, retreat quickly...”

Seeing this, Zhou Tiancheng hurriedly called on the other two people to retreat quickly.

They didn't expect that Chen Ping's spells were so powerful, and that the condensed giant sword would have such powerful energy.

boom!

The giant sword drew a deep ravine on the ground. Although Zhou Tiancheng and the others quickly retreated, the huge impact still caused the three of them to fall out heavily, in a state of embarrassment!

The surroundings were filled with dust, and all the masonry and rubble that had been condensed were scattered back again at this moment.

The smoke and dust slowly dissipated. Chen Ping hugged Ji Ruxue and looked at Zhou Tiancheng and the three of them coldly.

At this moment, the three of them were covered in dust, with blood spilling from the corners of their mouths, looking at how embarrassed they were.

Even Xiao Da, who was not far away, was affected and became dirty.

“I have no interest in playing with you anymore, go to hell...”

After Chen Ping finished speaking, he stretched out his hand to grab it, and the Dragon-Slaying Sword instantly appeared in his hand.

The dragon-slaying sword appeared, and the hot air waves instantly made everyone breathless.

Without the slightest hesitation, Chen Ping held Ji Ruxue in one hand and held the Dragon-Slaying Sword in the other. Then he stepped forward and slashed at Zhou Tiancheng, who was closest to him.

Chapter: 2083

The hair all over Zhou Tiancheng's body exploded in an instant. The moment the Dragon-Slaying Sword appeared, Zhou Tiancheng began to regret and regretted provoking this guy Chen Ping.

But the matter has come to this, and there is no use regretting, so I can only quickly gather all the strength in my body and retreat quickly.

Zhou Tiancheng was very fast, but he found that no matter how fast he was, he still could not avoid the sharp sword energy of Chen Ping's sword.

Zhou Tiancheng's eyes were about to burst, and his eyes were filled with fear.

"No, don't kill me..."

Zhou Tiancheng was scared and his legs started to tremble!

But where does Chen Ping care about this? After Zhou Tiancheng said that Ji Ruxue had become his woman, this ending was already destined.

puff!

As the sword energy passed by, Zhou Tiancheng's entire body was cut in half by the sword energy.

A trace of bright red blood fell on the sky, and the whole air was filled with the smell of blood.

this moment.

The whole world was filled with deathly silence, and everyone was stunned!

Shocking, too shocking, three people joined forces and were killed by Chen Ping so easily.

Especially Xiao Da, his legs began to weaken at this moment, and he instinctively wanted to escape, but his legs no longer obeyed his command.

Zhou Feng and Zhou Yu were even more shocked. Looking at the severed body of Zhou Tiancheng, the second master of the Zhou family, an icy coldness arose spontaneously from the bottom of their hearts.

The two people couldn't help but trembled for a moment, and then looked at Chen Ping in horror.

Ji Ruxue was in Chen Ping's arms at the moment, and she could really feel the beating of Chen Ping's heart.

Seeing Zhou Tiancheng's body cut off by Chen Ping's sword, Ji Ruxue was also shocked.

After all, the Zhou family is also a wealthy family in Wancheng. Chen Ping actually killed Zhou Tiancheng directly for himself, without fear of offending the Zhou family.

At this moment, Ji Ruxue's heart felt warm, and she leaned even more closely in Chen Ping's arms.

"I said that if you dare to touch Miss Ji, I will pay with the lives of everyone in your Zhou family. Now it's your turn..."

Chen Ping looked at the two of them coldly.

Feeling Chen Ping's cold gaze, their hearts were extremely heavy and their whole bodies were trembling.

The two of them were afraid. They had been afraid since Chen Ping cut off Zhou Tiancheng's body with a sword. It seemed that Chen Ping was not afraid of the reputation of their Zhou family at all.

Chapter: 2084

At this moment, the faces of the two people were getting more and more ugly, and their hearts were full of regret. If they had not stood up, they would not have fallen to this point.

"Chen...Mr. Chen, it was Zhou Tiancheng who touched Palace Master Ji. Although he is the second master of my Zhou family, he is always flirting with women. Now that the master is not here, we can't control him. Now Zhou Tiancheng is dead. I also hope Mr. Chen can let the Zhou family go..."

At this time, Zhou Feng began to beg for mercy from Chen Ping.

Zhou Tiancheng died, but he deserved it. If he hadn't done it for a woman, how could the Zhou family have been in such disaster!

"Yes, yes, it was all done by Zhou Tiancheng and has nothing to do with us. Now that he is dead, I hope you can let us go..."

Zhou Yu also hurriedly followed Chen Ping to beg for mercy.

Xiao Da listened to the words of the two people with disbelief on his face. He did not expect that they, servants of the Zhou family, would dare to say such things about Zhou Tiancheng.

However, it also reflects from the side that those in the Zhou family don't seem to like Zhou Tiancheng very much.

"I said before, if you dare to touch Miss Ji, then all of your Zhou family will pay for it with their lives."

"You two commit suicide now, and you can still avoid the pain of your flesh and blood..."

Chen Ping's indifferent voice contained no emotion.

Zhou Tiancheng dared to taint Ji Ruxue, and there was no way Chen Ping would let the Zhou family go.

“you.....”

Zhou Feng and Zhou Yu suddenly turned red!

They all begged Chen Ping so lowly, and Zhou Tiancheng was also killed. Do they have to drive out the Zhou family?

Chen Ping held a sword in one hand and looked at the two of them coldly: “Are you ready to die?”

“Chen Ping, don’t think that we are really afraid of you, we just don’t want to hurt both sides. If that’s the case, don’t blame us for working so hard...”

Zhou Feng roared angrily, his face was ferocious and full of madness, and then he took out a red medicine bottle from his body, opened the cap of the bottle, and poured the liquid inside into his mouth.

Seeing the medicine bottle in Zhou Feng’s hand, Chen Ping frowned slightly, because the moment he opened the bottle cap, he smelled a manic smell, and it also smelled of corpse.

How could a normal martial arts family refine this kind of medicine?

Could it be that the Zhou family has also become an evil cultivator?

Just as Chen Ping was meditating, Zhou Feng’s body suddenly swelled up a lot, and the clothes on his body shattered, revealing two horned dragon-like arms, his chest bulged high, and the aura on his body began to rage!

Zhou Feng now looks like a humanoid beast, his eyes protruding forward, extremely terrifying!

When Ji Ruxue saw this scene, she was so frightened that she quickly buried her head deeply into Chen Ping's chest.

Chapter: 2085

Zhou Yu looked at Zhou Feng next to him, with a bit of fear and uneasiness in his eyes, and a hesitant expression on his face!

“What are you waiting for? Waiting for us all to be killed?”

Zhou Feng looked at Zhou Yu, his voice trembled like a bell, and his eyes were filled with madness!

Zhou Yu sighed helplessly, then took out the same red medicine bottle, opened the bottle cap, and drank the liquid inside.

Soon, Zhou Yu's body shape also changed, and in the end he was exactly the same as Zhou Feng!

Facing the two monster-like people, Chen Ping's eyes were full of contempt!

“If you're not strong enough, you just can't. Even if you take the elixir, you can't escape the fate of death...”

Chen Ping smiled coldly.

Now Chen Ping is Wuhou, and he has a Nascent Soul within his body. As long as the Nascent Soul does not die, his body will be immortal, and Chen Ping will not die!

This is Chen Ping's biggest reliance. With the experience of fighting Zhu Zhishan and coming back to life, Chen Ping is now much more confident.

“Okay, then let me show you our true strength...”

Zhou Feng had a ferocious expression on his face, and with a movement of his body, he followed Zhou Yu and rushed towards Chen Ping in unison, several times faster than before.

Chen Ping, on the other hand, was unhurried. He bent his five fingers into a fist shape. His fist was wrapped in the power of the divine dragon, exuding an aura that would destroy the world and destroy the world. The entire fist was filled with golden light, making the whole world tremble. It's so disgraceful!

Chen Ping was going to resist the two attacks with one punch!

“Holy Light Fist...”

Chen Ping shouted angrily!

Immediately afterwards, a terrifying force centered on Chen Ping and spread to all directions. The other villas of the Zhou family also began to shake and collapse.

Villas collapsed one after another, even if they were hundreds of meters apart.

In the blink of an eye, the entire Zhou family was in ruins!

Seeing the scene in front of them, Zhou Feng and Zhou Yu were horrified!

In their pupils, they could only see a golden fist that was enlarging infinitely, as if it was trying to cover up the sky and the sun.

The two people felt the breath of death, and were shocked. They hurriedly used all their strength to punch together, and at the same time they mobilized their energy to form a barrier around them, trying to block Chen Ping's punch. power.

boom!

But the next moment!

Chapter: 2086

Chen Ping's fist was so powerful that it directly shattered the barrier between the two, and finally hit Zhou Feng heavily.

puff!

I saw Zhou Feng's body, without the slightest sign, being instantly blasted into a ball of blood mist, and not even a scum could be seen.

Seeing the scene in front of him, Zhou Yu was stunned. His whole body was covered with Zhou Feng's blood and he stood there in a daze!

And Xiao Da, who was not far away, collapsed on the ground, with yellow liquid flowing all over the floor along his trouser legs!

Soon, Zhou Yu realized that even after taking the medicine, they still had no power to fight back in front of Chen Ping.

The top priority is to escape. As for the rest of the Zhou family, he will no longer care!

Thinking of this, Zhou Yu turned around and ran away. His strong desire to survive made him wish he could grow a hundred legs.

Looking at Zhou Yu escaping, Chen Ping snorted coldly, held Ji Ruxue in his arms, jumped directly into the air!

Immediately afterwards, he slapped out with a palm. As soon as Zhou Yu's body jumped up, it exploded in the air, and the sky was filled with blood rain.

The strong smell of blood made people sick.

Ji Ruxue in Chen Ping's arms buried her head deeper again...

Xiao Da was stupid, completely stupid!

If there was a seller of regret medicine in the world, he would be willing to buy it no matter what the price.

Now he hates, hates himself for being so obsessed and betraying Ji Ruxue.

If he can still form an alliance with the Red Lotus Palace at this time, with Chen Ping's current ability, why worry about the Holy Beast Palace not being able to develop?

But it's too late to say anything now!

Chen Ping walked slowly to Xiao Da and looked down at him coldly.

Xiao Da felt the chill in Chen Ping's eyes, and his whole body trembled even more!

He began to kowtow to Chen Ping constantly.

"Mr. Chen, I was wrong. I was really wrong. I was obsessed with it. I was also forced by Zhou Tiancheng."

"Please don't kill me, Mr. Chen. I'm willing to do anything for Mr. Chen. I can do anything you want..."

Xiao Da kowtowed desperately and begged for mercy.

Ji Ruxue, who was in Chen Ping's arms, raised his head and asked Chen Ping to put him down.

Chapter: 2087

Then he waited for Xiao Da fiercely: “Xiao Da, you are the most abominable villain who clings to influence. I always thought you were a gentleman...”

Ji Ruxue was even more cruel to Xiao Da than Zhou Tiancheng. If Xiao Da hadn't taken advantage of his trust and deceived him, how would Zhou Tiancheng have succeeded.

“Palace Master Ji, I was wrong, I was really wrong. I will never dare to do it again. Please let me go...”

Xiao Da burst into tears.

Chen Ping looked at Xiao Da coldly, with more and more disgust in his eyes.

At first, Xiao Da couldn't stand the behavior of Fei Qingping, the master of the Holy Beast Palace, and even killed Fei Qingping. Chen Ping thought Xiao Da was good.

But I didn't expect that after he became the master of the Holy Beast Palace, he would be the same thing!

Maybe the position is not that high and the true nature is not revealed.

“Rubbish.....”

Chen Ping snorted lightly, then raised his toes!

A sharp piece of tile on the ground directly penetrated Xiao Da's neck.

Xiao Da covered his neck with his hands and wanted to say something, but he couldn't. After a moment, he fell to the ground, not breathing!

Seeing that Xiao Da was dead, the anger in Ji Ruxue's heart calmed down.

"Chen...Chen Ping, let's go..."

Ji Ruxue directly called out Chen Ping's name instead of Mr. Chen.

Maybe this can better show the improvement of the relationship between the two people at this time!

However, Chen Ping didn't hear anything, and instead said to Ji Ruxue: "I said, if Zhou Tiancheng touches you, everyone in the Zhou family will pay with their lives."

Ji Ruxue's face turned red: "What are you talking about? Zhou Tiancheng didn't touch me at all. I'm fine now."

Chen Ping was stunned: "Then Zhou Tiancheng said... that you have become his woman."

"Fool, you believe everything he says. Don't you believe what I say?"

Ji Ruxue rolled her eyes at Chen Ping: "Let's go quickly, otherwise Xiao Min will be anxious at home."

After Ji Ruxue finished speaking, she took two steps forward, but her body had not fully recovered and she almost fell down.

Chen Ping, with quick hands and eyes, hurriedly hugged Ji Ruxue.

"It's better that I carry you back..."

Chapter: 2088

Chen Ping hugged Ji Ruxue and quickly headed towards the Red Lotus Palace.

At this time, Xiao Min was waiting anxiously at the entrance of Honglian Palace.

It was almost dawn, but there was no news about her sister yet, so Xiao Min was very anxious.

Just when Xiao Min was anxious, a figure suddenly appeared, and then she saw Chen Ping coming back holding Ji Ruxue.

Xiao Min was stunned when she saw this scene.

Because at this moment, Ji Ruxue had her arms around Chen Ping's neck, and the two were very close.

When Ji Ruxue saw that she had arrived at the Red Lotus Palace, she quickly whispered to Chen Ping:
"Let me down quickly..."

Ji Ruxue is the master of the Red Lotus Palace after all. Being so close to a man would have a bad influence!

Chen Ping put Ji Ruxue down, then Ji Ruxue straightened her clothes, and then walked towards the Honglian Palace.

"Sister, are you okay?"

Xiao Min ran over and said to Ji Ruxue.

"I'm fine, thanks to Chen Ping, otherwise I wouldn't be able to come back."

After Ji Ruxue finished speaking, she looked at Chen Ping affectionately.

Ji Ruxue's expression was reflected in Xiao Min's eyes. At this time, Xiao Min smiled mischievously:
"Then I really have to thank Brother Chen. Oh, you can't call me Brother Chen. I think I should call you brother-in-law..." "

Xiao Min's words made Ji Ruxue blush instantly and glared at Xiao Min: "You damn girl, what are you talking about? See if I don't hit you..."

Ji Ruxue chased Xiao Min into the Red Lotus Palace, while Chen Ping followed in with a faint smile.

Because there was no rest all night, several people fell asleep quickly!

.....

After dawn, Wancheng, Zhou family!

Looking at the Zhou family that had long been in ruins, many people were pointing.

Especially some martial arts families are all inconceivable. Who knows who can turn the Zhou family into ruins overnight.

As the head of the Zhou family, Zhou Tianyin came back and looked at the body of his second brother and the Zhou family that had become rubble. He was extremely angry!

"Who is it? Who did it? I will cut him into pieces..."

Zhou Tianyin roared to the sky, and terrifying murderous intent rolled out!

Chapter: 2089

As a Marquis of Wu, Zhou Tianyin usually only focused on looking for resources to practice and rarely cared about family affairs.

But I didn't want the Zhou family to be like this when I came back this time.

After all, the Zhou family is also the top martial arts family in Wancheng. Who on earth has such a deep hatred for the Zhou family?

Not only did he kill his brother, he also destroyed the Zhou family.

“Master, he is... from the Red Lotus Palace...”

At this time, a Zhou family servant knelt down in front of Zhou Tianyin tremblingly and said.

“Red Lotus Palace?”

Zhou Tianyin frowned: “How could the strength of the Red Lotus Palace destroy the Zhou family? Even if Ji Ruxue, the master of the Red Lotus Palace, came forward in person, she would never be my opponent of the Zhou family. How could she kill my second brother and still... What about destroying the Zhou family?”

“Where are Zhou Feng and Zhou Yu? I asked them to look after the home, but why are they nowhere to be seen?”

When Zhou Tianyin left, he specifically asked Zhou Feng and Zhou Yu to take care of the home, because he knew that his younger brother was lustful and prone to trouble.

Now the Zhou family is like this, but two people are not seen coming out, which makes Zhou Tianyin very angry.

“Master, Zhou Feng and Zhou Yu are dead, already dead...”

The servant said hurriedly.

“Dead?” Zhou Tianyin was stunned: “Where are their bodies?”

“There are no bones left. The two of them took the enhancement liquid, but they still couldn’t stop it. They were directly blasted by the people from the Red Lotus Palace. There are no bones left...”

Thinking of the battle last night, the servants of the Zhou family were trembling with fear.

“What?” At this moment, Zhou Tianyin’s face turned extremely ugly.

He really couldn’t imagine how there could be such a powerful master in Honglian Palace?

If they were really from the Red Lotus Palace, then the Red Lotus Palace would not have been unknown in the entire southwest for such a long time.

“Tell me everything that happened in detail. What happened to Xiao Da’s body?”

Zhou Tianyin couldn’t understand what happened during his absence, and why Xiao Da’s body from the Holy Beast Palace would appear in the Zhou family.

Soon, the servant told Zhou Tianyin exactly what happened.

It’s just that this person didn’t know that it was Chen Ping who killed last night. He only knew that he came to save Ji Ruxue, and he should be from the Red Lotus Palace.

But Zhou Tianyin didn’t think so, because he knew almost everyone in Honglian Palace and even the entire southwest who could use such methods, and there were only a few people.

Chapter: 2090

“You immediately gather people and follow me to the Red Lotus Palace. No matter who the other party is, I must avenge this...”

Zhou Tianyin gritted his teeth, murderous intent flashing in his eyes.

.....

Kyoto, Long family!

Long Jingguo looked at his son Long Xiao in front of him with a very complicated expression.

I saw that Long Xiao's body was very rotten, accompanied by bursts of rancid odor. If it weren't wrapped in clothes, it would probably scare people to death.

Long Jingguo was well-informed, and he could tell what Long Xiao was about at a glance.

"Xiao'er, what on earth is going on? Where is your master, Master Dingchan?"

Long Jingguo asked Long Xiao.

"Dad, my master has already ascended to the Paradise, but he passed on all his skills to me."

"Now that I have broken through to Wuhou, it won't be long before no one in the entire Kyoto martial arts world can be my opponent."

Long Xiao said with great confidence.

Seeing Long Xiao like this, Long Jingguo felt an indescribable feeling in his heart.

The man in front of him could be said to be no longer his son, but he could also be said to be!

"Xiao'er, how could you be possessed by a spirit?" Long Jingguo was puzzled. Master Dingchan was watching, how could Long Xiao become like this.

"Dad, it was all Chen Ping's fault. If it weren't for him, how could my body be in ruins?"

“My master can’t heal my body at all. I don’t want to spend my whole life in bed. I want to seek revenge against Chen Ping. Revenge...”

“It’s a pity that Chen Ping is dead. I can’t kill him with my own hands. This is my biggest regret!”

Long Xiao’s eyes flashed with sternness. He wanted to personally let Chen Ping taste the feeling of being deposed.

“Then Chen Ping will not die so easily!”

Long Jingguo said calmly.

“What? Isn’t Chen Ping dead? But Alliance Leader Zhu said he would kill Chen Ping himself.”

Long Xiao looked surprised.

“He must still be alive. Not many people know the secrets about him, and I am one of them.”
