

The Order 2091

Chapter: 2091

Long Jingguo's eyes narrowed slightly, his face full of sadness.

"That's great. If Chen Ping doesn't die, I can kill him with my own hands."

Long Xiao said with excitement.

He was excited that Chen Ping was not dead, but Long Jingguo had a sad look on his face.

"Xiao'er, there are some things you don't know yet, let me tell you..."

Long Jingguo approached Long Xiao, but the moment he approached Long Xiao, he suddenly shot towards Long Xiao.

He wants to force the soul out of Long Xiao's body. Even if Long Xiao is really dead, he is still his son, but now all that is left of Long Xiao is a body.

Now Long Xiao can still control his own thoughts and brain. When the soul becomes stronger, it will take away Long Xiao's thoughts, and then the control of the body will be in the hands of the soul.

Long Jingguo didn't want his son to become a human being or a ghost.

"Dad, what are you doing?"

Long Xiao was startled and instinctively retreated.

But just as he took a step back, Long Xiao's eyes flashed, and then the aura on his body changed instantly.

“Old guy, you want to harm me...”

Long Xiao made an old and strange sound from his mouth, and then Long Xiao’s withered hands grabbed Long Jingguo.

Long Jingguo made a move to block, but he didn’t dare to use all his strength. He was afraid of hurting Long Xiao’s body.

But just when Long Jingguo tried to stop him, Long Xiao directly grabbed Long Jingguo’s neck with his other hand!

A feeling of suffocation instantly surged into Long Jingguo’s head.

“Today, I will absorb your power...”

With that said, Long Xiao put his hand on Long Jingguo’s head, and soon Long Jingguo felt that the power in his body was rapidly draining!

“Stop, stop...”

Long Xiao suddenly let go of Long Jingguo, and then roared with all his strength.

This is Long Xiao fighting for control of his body with the soul in his body.

“If you dare to hurt my father, I will commit suicide and die with you...”

Long Xiao threatened the soul loudly.

Chapter: 2092

Soon, the soul lost its voice. Long Xiao looked at Long Jingguo: "Dad, are you okay?"

Long Jingguo looked at Long Xiao in front of him and sighed heavily.

"Xiao'er, don't worry, I will definitely make you recover as before."

After Long Jingguo finished speaking, he turned and walked towards the secret room of the Long family.

He wants to force Long Ruotong, he wants to know the secret he wants to know!

Because at this moment, this secret is not only related to the life and death of the Long family, but also related to Long Xiao's life.

Red Lotus Palace!

Although it is already broad daylight, Chen Ping and the others are still sleeping. After all, they did not sleep well last night!

Rumble...

Suddenly, there was a loud noise, and the boulder in front of the Red Lotus Palace instantly shattered.

The illusion that protected the Red Lotus Palace also disappeared at this moment.

This sudden noise instantly woke up Chen Ping and the others.

Ji Ruxue stood up and led everyone towards the palace gate. Chen Ping also quickly stood up and followed.

In front of the gate of the Red Lotus Palace, Zhou Tianyin and the Zhou family were looking at the Red Lotus Palace with eager eyes.

Zhou Tianyin's body erupted with endless killing intent.

Feeling this killing intent, everyone's hearts trembled.

At this time, Ji Ruxue's body had not fully recovered. When she saw Zhou Tianyin personally bringing the Zhou family to the door, her face became extremely ugly.

"Master Zhou, I wonder why you came to my Red Lotus Palace so aggressively?"

Ji Ruxue calmed down and asked Zhou Tianyin.

"Ji Ruxue, you stinky bitch, stop pretending to me, who killed my second brother and destroyed my Zhou family, let him get out..."

Zhou Tianyin knew that Ji Ruxue couldn't have done this. She didn't have the ability.

When Ji Ruxue heard this, she frowned and said, "Master Zhou, your second brother, together with Xiao Da from the Holy Beast Palace, tricked me into drugging me and wanted to do evil to me. Now that he is dead, he brought it upon himself..."

When Zhou Tianyin heard this, he became even more angry: "Ji Ruxue, what you said is that you don't want to hand over the person, right? Then I will slaughter your Red Lotus Palace today to avenge my second brother..."

After Zhou Tianyin said that, the aura on his body suddenly surged, and a wave of pressure was pressed towards the people in the Red Lotus Palace.

Chapter: 2093

Some of the Red Lotus Palace disciples with low strength began to look pale and kept vomiting blood.

Chen Ping, who had been behind, felt the aura of Zhou Tianyin, and his expression became extremely solemn!

This week Tianyin's strength seems to be no worse than Zhu Zhishan's.

Chen Ping did not expect that in a place like the southwest border, there would be a master like Zhou Tianyin.

"I was the one who killed your brother, and it had nothing to do with anyone else..."

Chen Ping suddenly exuded aura, resisting Zhou Tianyin's pressure, making everyone in Honglian Palace heave a sigh of relief.

Slowly walking to the front, Chen Ping faced Zhou Tianyin directly.

"Master, it's him, he's the one who killed the second master..."

At this time, the servants of the Zhou family recognized Chen Ping and said excitedly.

"What a good boy, you are so powerful at such a young age. Who do you study under? Which family are you from?"

Zhou Tianyin focused on practicing and didn't pay much attention to martial arts forums, so he didn't know Chen Ping either.

Seeing that Chen Ping has such terrifying strength at such a young age, I was afraid that there was some force behind Chen Ping!

Although the Zhou family is considered a wealthy family in Wancheng, and even one of the best in the entire southwest, outside this area, their Zhou family is nothing.

Especially in the Kyoto martial arts world, every family has a profound background, and Zhou Tianyin dare not provoke them.

“You, Master, I can change my name or my surname, but Chen Ping is me...”

Chen Ping said coldly.

“Chen Ping?” Zhou Tianyin frowned, thinking about the name, but soon, Zhou Tianyin’s eyes lit up: “Oh, I remembered, you were the one who killed Ning Dahai, right?”

“Not bad!” Chen Ping nodded happily.

“Good boy, don’t think that you can call the shots in Kyoto, but you can do whatever you want here. Since you admit to killing my brother, then you should pay for it with your life...”

After Zhou Tianyin finished speaking, he jumped up.

boom!

A terrifying palm wind fell from the sky and headed towards Chen Ping to suppress.

“Holy Light Fist...”

Chen Ping roared angrily, and then swung out a punch!

Chapter: 2094

The fierce fist suddenly shot up into the sky!

Holy Light Fist, even the sky dares to collapse!

This is no longer an ordinary move, it is an unyielding will and supreme fighting spirit!

The combination of fist and intention is unparalleled in power!

boom!

There was a shocking explosion, as if the sky was about to be torn apart, and the violent impact splashed out in all directions instantly!

“Miss Ji, take the people back to the palace quickly...”

Chen Ping shouted loudly at Ji Ruxue!

Chen Ping knew that his battle with Zhou Tianyin was bound to have a huge impact, and those in the Red Lotus Palace might not be able to bear it.

“Chen Ping, I...”

Ji Ruxue looked at Chen Ping nervously. She knew Zhou Tianyin’s strength and was afraid that Chen Ping would not be his opponent.

“Quickly retreat. If you stay here, it will only distract me. Stay away...”

Chen Ping looked at Ji Ruxue, his eyes full of anxiety.

Seeing this, Ji Ruxue gritted her teeth for the last time and led the people from Honglian Palace back one after another.

They could only watch the battle between Chen Ping and Zhou Tianyin from a distance.

The first trial encounter caused the place where Chen Ping stood to be filled with smoke and dust, like a raging sandstorm!

The entire Honglian Palace was shaking, as if it was about to collapse at any time.

The two Wuhous fighting against each other were too powerful.

When Chen Ping saw this, he stood up from the ground and rushed directly towards the back mountain.

He wanted to lure Zhou Tianyin away to prevent the entire Red Lotus Palace from being destroyed during the battle.

This is Ji Ruxue's hard work, and it is also the residence of these Honglian Palace disciples.

If it is destroyed, it may not be possible to build it in a short time.

"Hmph, do you want to escape?"

Zhou Tianyin snorted coldly, and then chased after Chen Ping.

Chapter: 2095

The figure flashed, and Zhou Tianyin suddenly appeared in front of Chen Ping.

Zhou Tianyin's body exudes an extremely cold aura!

Facing this aura, even Chen Ping shuddered!

Zhou Tianyin didn't have any unnecessary nonsense and directly punched Chen Ping's body hard.

With this punch, thunder shook, the sky and the earth changed color, and the terrifying scene seemed like the end of the world.

Ji Ruxue and Xiao Min looked at the terrifying scene on the back mountain, and they all clenched their fists, worried about Chen Ping.

When Chen Ping saw this, his whole body was exuding golden light, his indestructible golden body was brought into full play, and the power of the dragon continued to spread outward.

“Holy Light Fist...”

Chen Ping punched him forward, and the terrifying power of his fist exploded instantly.

boom!

The two people’s extremely domineering auras collided instantly, making an earth-shattering sound.

The whole mountain began to shake, gravel flew everywhere, and the ground shook!

In the cave in the back mountain, there was a man in black, sitting cross-legged in the cave. The cave was surrounded by spells, as if he was setting up some magic circle.

But this sudden shaking caused stones to fall in the cave, and the magic circle that had just been arranged became in pieces.

The man in black frowned: “What’s so loud? Could it be that someone found this place?”

The man in black stood up, jumped out of the cave in an instant, and then hid behind a boulder.

When he saw Chen Ping, his eyes showed surprise.

At this time, Chen Ping was extremely embarrassed.

He was unkempt, his body was covered with dust, and there was a trace of blood on the corner of his mouth. He was obviously injured.

Moreover, his legs sank more than a foot into the ground!

The ground around his feet was full of dense cracks, which looked terrifying!

“Something capable, but this is not enough! Kneel down and die!” Zhou Tianyin’s eyes were cold, and he suddenly took a step forward, and a terrifying aura as deep as a prison erupted from his body!

Incomparably powerful, unfathomable, and unrivaled!

Chen Ping only felt that a huge mountain was pressing down on him, trying to make him kneel down!

Chapter: 2096

The terrifying pressure made his body tremble.

There was even a creaking sound from the bones, and his bones were almost crushed!

Dense blood beads appeared on the skin. This was a strong pressure that broke the blood vessels on the surface of the skin!

Chen Ping’s body was extremely strong, but he didn’t expect that he still looked extremely fragile under the pressure of Zhou Tianyin.

Chen Ping’s situation suddenly became extremely dangerous. If he wasn’t careful, he might die today!

Zhou Tianyin is too strong, at least in the middle stage of Wuhou!

With such a powerful strength, even if Chen Ping's combat power is incredible, he still can't match it. After all, the gap between the two is too big!

The higher the realm, the greater the gap between each realm. It is almost impossible to cross a large realm and defeat the strong with the weak.

Now Chen Ping has just been promoted to Wuhou, and there is a big gap between him and Zhou Tianyin.

Facing Zhou Tianyin's momentum, Chen Ping didn't even dare to dodge, because he couldn't dodge at all. If he tried to dodge, he would only become more passive. It was better to fight hard!

At this time, Chen Ping almost turned into a bloody man.

His body is still standing upright!

If it were anyone else, under such terrifying pressure, he would definitely have knelt down or even exploded to death.

Zhou Tianyin was amazed that Chen Ping could survive and even stand.

"Kneel down, you're not worthy of me!"

Chen Ping's eyes suddenly burst out with two golden flames!

Behind him, a faint golden dragon even appeared. It was the golden dragon that looked down upon the world! That is an unparalleled splendor overlooking the nine heavens and ten earths!

Under this terrifying coercion, under this pressure of life and death, the golden dragon in Chen Ping's body was finally inspired again!

At this moment, Chen Ping seemed to have become a supreme emperor, inviolable!

boom!

A tyrannical thought burst out, and Chen Ping broke free from Zhou Tianyin's pressure.

"What is this? Who are you?!" Zhou Tianyin's face changed drastically.

The feeling at that moment when the golden dragon appeared was so terrifying that even though he was powerful and willful, he almost couldn't help but surrender.

At this moment, the man in black hiding behind the boulder looked at the golden dragon circling behind Chen Ping, his eyes widened even more, and his eyes were filled with fear.

Chapter: 2097

"Son of the Dragon? Is this Chen Ping the son of the Dragon?"

The man in black murmured to himself, and the clothes on his back were instantly soaked with sweat.

Chen Ping looked at Zhou Tianyin coldly and sneered: "I think your strength is nothing more than this!"

After Chen Ping finished speaking, his hands moved quietly, and the golden dragon rose into the sky.

Then, his movements did not stop, and the spiritual arts with both hands were fired instantly!

The golden dragon suddenly burst into brilliant light.

Roar!

The golden dragon let out a roar that resounded throughout the world, and all the spiritual energy in its body burst out!

The golden dragon suddenly spit out a mouthful of spiritual power. This spiritual power condensed instantly, and an extremely solid fist emerged!

This fist is as green as emerald and crystal clear, but it contains thrilling energy!

Then, the golden dragon swung its figure, and with its green fist, it roared towards Zhou Tianyin!

“Holy Light Fist!”

At the same time, Chen Ping also fought hard to hit a palm!

I saw him sitting on a horse with his waist down, his left hand drawing a semicircle, and his right fist suddenly pushed out horizontally!

At the beginning, there was only a little golden light on his fist. As his palm was pushed forward, the golden light became stronger and stronger!

At the end, the golden light suddenly became extremely dazzling and turned into a huge golden fist!

That fist was three feet in diameter, like a huge millstone!

The brilliance flows on the fist seal, and there are flashes of light, which looks full of majesty and mystery!

Boom!

The cyan fist and the golden fist seal all roared out, carrying a terrifying sound of thunder, and crushed forward!

Both of them are extremely fierce and domineering, as if they can destroy any obstacle, as if there is a mountain in front of them, they can also destroy it!

“Good boy, no wonder you can kill Ning Dahai, you really have some tricks!”

Zhou Tianyin was slightly surprised, but it was just a little bit, and Chen Ping was not enough for him to take him seriously.

As he spoke, he opened his hands and clapped them lightly with both hands!

Chapter: 2098

He actually used both hands to forcefully receive Chen Ping’s fist and hand seals!

But on his palm, there is a white brilliance hidden inside!

Boom boom!

Two thunderbolts exploded, and the heaven and earth shook!

A nearby hill collapsed.

“You give me a slap too!”

At this moment, Zhou Tianyin’s indifferent voice sounded, and then he struck out with a palm.

boom!

With one palm strike, the storm moves!

With the power of the mountain and the tsunami, it headed towards Chen Ping.

This palm contains endless terrifying energy, and ordinary warriors will definitely be wiped out!

Chen Ping also felt a huge threat!

His face was extremely solemn, and he roared suddenly.

At the same time, his hands formed a series of magic formulas extremely quickly!

In just the blink of an eye, he created thirty-six magic formulas to form a barrier in front of him!

Then, the golden dragon hovered in the air, emitting golden light.

After a dragon roar, he rushed towards Zhou Tianyin.

brush!

With a flash of light, the golden dragon burst out with an extremely rich white brilliance!

The spiritual power in the body was stimulated to the extreme!

Ho ho ho ho!

A dragon roar sounded around.

However, the golden dragon's attack also consumed the spiritual energy in Chen Ping's body. In just an instant, most of the spiritual energy in his body was drained!

"kill!"

Chapter: 2099

Chen Ping shouted loudly.

Boom boom boom!

Three terrifying explosions sounded in succession!

The golden dragon's body slammed into Zhou Tianyin's body, instantly canceling out Zhou Tianyin's terrifying blow!

But after this blow, the golden dragon instantly turned into golden light and disappeared!

However, although Zhou Tianyin's blow was offset a lot by the golden dragon, it still had some remaining power, and the wind from his palm roared towards him.

boom!

The fourth explosion sounded, but Chen Ping remained motionless. The barrier Chen Ping had just formed offset Zhou Tianyin's attack!

"Good boy, I look down upon you! But I want to see how many slaps you can take from me!"

Zhou Tianyin said, and struck out with his second palm strike.

Chen Ping's face changed drastically. The golden dragon attacked just now and almost drained the spiritual energy from his body. Chen Ping was trying to block Zhou Tianyin's attack. It would be very difficult!

Chen Ping bit the tip of his tongue, and a drop of bright red blood flowed out. Chen Ping suddenly spurted out blood mist!

The blood mist was quickly absorbed by Chen Ping's body.

In an instant, Chen Ping's breath surged rapidly, and the blood in his body was burning.

"cut!"

Chen Ping roared angrily, and the Dragon-Slaying Sword came out at will!

The fiery red light rose into the sky and illuminated the entire world!

Then, with a flash of light, a shocking sword with endless silver light slashed away at Zhou Tianyin's palm wind!

Click!

With a crisp sound, Zhang Feng was cut into two halves!

Then, the sword energy remained unabated and shot towards Zhou Tianyin.

"What a good boy, you actually burned your essence and blood. I will never keep you here today!"

Zhou Tianyin's face changed slightly, and after he finished speaking, Zhou Tianyin waved his backhand, and a sword light suddenly appeared!

This sword has a body like autumn water, a cold light, and an unparalleled sharpness. You can tell at a glance that this is a peerless sword.

Chapter: 2100

And at this moment, Zhou Tianyin had already stabbed out with his sword!

His sword was very slow, but extremely heavy, as if it was not a sword but a mountain in his hand!

Ding!

A soft sound.

The screen suddenly stopped.

I saw the sword energy of Zhou Tianyin and the sword energy of the Dragon-Slaying Sword colliding together in an instant.

Chen Ping's expression changed drastically. He didn't expect to be blocked by the opponent so easily!

The strength of Zhou Tianyin this week is really terrifying!

“snort!”

Zhou Tianyin snorted coldly, and the energy in his body was activated!

Where the sword energy of the two people met, a bright light suddenly exploded!

boom!

The terrifying sword fell, and the shocking explosion was deafening!

The ground even started to beat violently, endless smoke and dust rose into the sky, and the horrific aftermath spread violently around!

For a moment, sand and rocks were flying, covering the sky and the sun, as if the end of the world was coming!

Even a magnitude 10 earthquake might not be so scary!

The entire mountaintop was cut off by one meter under this blow.

“Sister, will something happen to Brother Chen?”

Xiao Min looked at the terrifying scene in front of her and asked Ji Ruxue nervously.

Ji Ruxue was gritting her teeth and clenching her fists so hard that her nails were embedded in her flesh.

She didn't know if Chen Ping could resist it, or if something would happen to Chen Ping.

If something happened to Chen Ping, she might not want to live anymore. After all, Chen Ping offended the Zhou family just to save her.

The man in black hiding behind the boulder frowned tightly and held several talismans in his hand.

He also seemed to be worried about Chen Ping, if it was him who followed Zhou Tianyin to fight.
