

The Order of the Dragon King Chapter: 21

3-4 minutes

Chen Ping smiled slightly.

Chen Ping didn't believe it before, but after following Lao Longtou for three years, he realized that there were too many things in this world that he didn't know.

Just like the Heart Condensation Technique that the old dragon head taught him, it is a method of cultivating immortals. As long as Chen Ping masters it, he will really become an immortal!

Su Wenzong smiled awkwardly. Unexpectedly, Su Yuqi really explained it correctly. If others talked about spirituality, gods, etc., Su Wenzong would definitely sneer at it. However, when Chen Ping said it, Su Wenzong was a little shaken!

Chen Ping and Su Wenzong were talking, without even looking at Sun Song who was kneeling on the ground. Although this Sun Song was not particularly bad in nature, it was difficult to take responsibility. Chen Ping did not want to accept him. Moreover, without the permission of the old leader, Chen Ping You won't just accept disciples!

After talking for about ten minutes, Chen Ping also learned how Su Wenzong was injured. It turned out that Su Wenzong had been slapped by a business competitor when he was young. Since there was no external injury, he was fine after the examination. So he didn't care!

But not long after, Su Wenzong felt that his body was getting weaker and weaker, and he often had difficulty breathing. He has been taking some tonic medicines to support him until now.

However, Su Wenzong was afraid that his family would be worried, so he kept it a secret. This is why Su Yuqi didn't know that her father had a hidden disease.

Chen Ping understood as soon as he heard it. The person who injured Su Wenzong must be a warrior. A warrior who had developed inner strength. It seemed that he wanted to kill Su Wenzong. However, Su Wenzong was rich and relied on a large sum of money to buy a big car. The tonic has been able to sustain him until now. If he hadn't met him, Su Wenzong might not have survived at all.

“Please Mr. Chen accept me as his disciple...”

Sun Song, who was kneeling on the ground, shouted again.

At this time, his legs were already numb, accompanied by pain, which made Sun Song very uncomfortable now.

Chen Ping glanced at Sun Song: “Get up, I won’t accept a disciple, but if you don’t understand something, I can give you some advice!”

Seeing that Sun Song had been kneeling for such a long time, Chen Ping was considered sincere, so he agreed to give him some guidance, but Chen Ping would never accept a disciple.

Seeing what Chen Ping said, Sun Song felt happy and thanked him repeatedly: “Thank you, Mr. Chen, thank you, Mr. Chen...”

Sun Song stood up slowly, but his legs were so numb and painful that he couldn’t stand at all!

Seeing Sun Song’s condition, Chen Ping reached out and tapped Sun Song’s leg. The pain and numbness disappeared in an instant, which shocked Sun Song!

“Mr. Su, I still have my parents at home. I’m going back. You can call me when the medicinal materials are ready!”

Chen Ping stood up slowly and said.

Chen Ping’s mother was still at home alone, which made him very worried.

“Mr. Chen, I wonder where you live now?”

Su Wenzong asked.

“You live in Xingfuli Community, what’s wrong?”

Chen Ping said with a strange look on his face.

The Order of the Dragon King Chapter: 22

3-3 minutes

“Oh, it’s nothing. I just have a house that has been idle, so I will give it to Mr. Chen. That place is also very suitable for recuperation. I hope it will be useful to Mr. Chen!”

Su Wenzong said, taking out a key from his pocket!

“Then thank you, Mr. Su!”

Chen Pingyuan originally wanted to refuse. He didn’t see Su Wenzong for anything, but he thought that his parents lived in that shabby house and it would take a while for him to earn money to buy a house, so he agreed. .

But when the key was handed over to Chen Ping, Chen Ping was stunned. This was a key to the Panlongwan villa area.

Panlongwan Villa District is the best community in Hongcheng. The entire community is built on the only mountain in Hongcheng. The scenery inside the community is pleasant and the air quality is particularly good!

The people who can live here are either rich or noble, and they are all upper-class people. Ordinary people, let alone living in a community, can’t even afford the property fees!

“Mr. Su, this... this house is too valuable, you should take it back!”

Chen Ping hurriedly wanted to return the key.

“Mr. Chen, please don’t shirk. Isn’t my life worth a house?”

Su Wenzong smiled slightly.

When Su Wenzong said this, Chen Ping could only accept it, and Su Wenzong took out a bank card and gave it to Chen Ping with 10 million in it.

Chen Ping knew he couldn’t shirk it, so he could only put his bank card in his pocket!

Just when Chen Ping was about to say goodbye, there was a loud noise coming from downstairs!

Chen Ping frowned slightly!

When Su Wenzong saw Chen Ping frowning, he immediately called the hotel manager over.

“What’s going on? So noisy?”

Su Wenzong asked.

“Mr. Su, Young Master Xiao of the Xiao family is getting married today, and the wedding banquet is being held in the banquet hall on the second floor. That’s why it’s so noisy!”

The manager hurriedly followed Su Wenzong and explained.

When Su Wenzong heard this, he gave up. After all, his hotel was open for business. When people got married, it was inevitable to make some noise!

“Mr. Su, farewell!”

Chen Ping bowed his hand to Su Wenzong and walked out of the private room!

Just after Chen Ping came downstairs, he met Xiao Lei walking into the hotel holding his bride Geng Shanshan!

The Order of the Dragon King Chapter: 23

3-4 minutes

After seeing Chen Ping, Xiao Lei was stunned for a moment, but then he laughed: “Chen Ping, I didn’t expect you to actually come to our wedding. Do you want to come and eat and drink?”

Chen Ping glanced at Xiao Lei coldly, said nothing, and turned to leave!

“Don’t go!” Xiao Lei blocked Chen Ping’s way and said with a mocking look on his face: “Look at your ex-girlfriend, isn’t she beautiful now? Don’t you have anything to say to her?”

Xiao Lei is deliberately trying to make Chen Ping look embarrassed!

“Brother Lei, ignore him, the time is coming!”

Geng Shanshan, who was in Xiao Lei’s arms, didn’t even look at Chen Ping and said to Xiao Lei Jiao Didi.

“Xiao Lei, don’t pay attention to this waste. You can’t miss the time. You go first to the lobby and I will drive this waste away!”

Jia Meili urged Xiao Lei, then looked at Chen Ping and said: “Are you done with this guy? You even chased me to the hotel. With your toad-like appearance, can my daughter like you? Don’t let it go. Show your urine to yourself, get out of here quickly, don’t even think about causing trouble here!”

Jia Meili’s words are harsh and mean, and every word is heart-breaking!

The relatives and friends around were whispering to each other, looking at Chen Ping and constantly laughing!

At this time, Chen Ping was like a clown, being laughed at by everyone!

“One day, you will all kneel at my feet and beg me!”

Chen Ping suppressed the anger in his heart, pushed Xiao Lei out of the way, and walked out!

“Stop him!” Xiao Lei frowned: “You have to participate today if you want to, and if you don’t want to participate, I will let you, a loser, watch your girlfriend marry me with your own eyes!”

As soon as Xiao Lei spoke, the bald men immediately stopped Chen Ping. They were beaten up at Chen Ping’s house, and they were still resentful. Now was the time to take revenge on Chen Ping!

Seeing the bald men blocking him fiercely, Chen Ping slowly turned back to look at Xiao Lei: “Are you sure you want me to attend your wedding?”

“Yes, I just want you to see it with your own eyes. I want you to know that if you dare to fight with me, you are not worthy...”

Xiao Lei had a sneer on his face.

“Well, if I attend, your wedding won’t happen!”

After Chen Ping finished speaking, he turned around and walked into the wedding banquet hall on the second floor. There were more than a hundred tables in this hall!

“Hahaha, I want to see how you can prevent my wedding from happening!” Xiao Lei laughed. He didn’t believe Chen Ping’s threat at all, but in order to prevent Chen Ping from causing trouble and disturbing everyone’s enjoyment, Xiao Lei faced the Bald Tou said: “Bald Tou, please bring a few more people and follow Chen Ping carefully. If he dares to come back, I will arrest him immediately!”

“Don’t worry, Mr. Xiao, leave this matter to me!”

The bald man nodded, his eyes showing a hint of coldness. He was just looking for revenge on Chen Ping!

In the marriage hall, Chen Ping found a corner and sat down. The people who could attend the Xiao family’s wedding were either rich or noble. They were all prominent people in Hongcheng. Ordinary people like Chen Ping were not qualified to attend!

The Order of the Dragon King Chapter: 24

4-5 minutes

Therefore, Chen Ping’s appearance made many guests in the hall cast strange looks. It seemed a bit out of place for an ordinary young man to suddenly appear in such a luxurious wedding scene!

But soon, Chen Ping’s identity spread among the many guests. This time, more eyes were looking at Chen Ping, most of them with playful ridicule, and some with sympathy!

It’s just that Chen Ping didn’t care about these looks. He sat alone in the corner, eating dried fruits on the table, without any expression on his face!

The bald man and a dozen people stood behind Chen Ping and stared closely. As long as Chen Ping dared to make any move, he would take action without hesitation!

“Hey, isn’t this Chen Ping? When did he get out of prison?”

A mocking voice sounded, and Chen Ping looked up and saw a woman dressed voluptuously and with heavy makeup walking towards Chen Ping. There was a young man following the woman!

The woman's voice instantly attracted the attention of the surrounding guests. At first, they thought that Chen Ping was the bride's ex-boyfriend who came to see his girlfriend for the last time. However, they did not expect that Chen Ping had been in jail. Now the surrounding guests were even more interested in Chen Ping. of interest.

Chen Ping looked at the woman with heavy makeup and a look of disgust on his face!

This woman's name is Jiang Wenjing, and she is also Chen Ping's classmate. She once pursued Chen Ping in school. At that time, Chen Ping's father had a formal job and was considered an iron rice bowl, so there were many people pursuing Chen Ping!

It's just that Chen Ping doesn't like Jiang Wenjing, and he is with Geng Shanshan. He feels that Geng Shanshan is better than Jiang Wenjing, a vain woman, in terms of appearance and personality!

But now it seems that both women are the same thing, and Chen Ping has made a mistake!

"Chen Ping, why don't you speak when you meet your old classmates? Are you mute? You were very popular when you were in school, and you were the president of the student union. If the principal and teachers of the school knew that you are a good person in their eyes. The president of the student union became a labor prisoner after graduation, do you think they would think so?"

The young man next to Jiang Wenjing also spoke.

The young man's name was Fu Wei, and he was roommate with Chen Ping before. The two of them were close friends, but Fu Wei also had a crush on Geng Shanshan. Later, after seeing Chen Ping and Geng Shanshan together, he harbored a grudge against Chen Ping and made many mistakes. They tried to destroy Chen Ping and Geng Shanshan, but they failed!

The relationship between Chen Ping and him was immediately severed. After graduating from college, they never contacted him again!

Now that Jiang Wenjing and Fu Wei appeared here at the same time, they must have been invited by Geng Shanshan, otherwise these two people would not be eligible to participate.

Chen Ping just glanced at the two people, lowered his head, and drank tea silently. He was too lazy to pay attention to these two people!

Seeing Chen Ping lower his head, Fu Wei and Jiang Wenjing became even more proud. They felt that Chen Ping was afraid of them!

“Chen Ping, you just got out of jail. You haven’t found a job yet. Do you want me to introduce you to a job cleaning toilets? Although it’s a bit dirty and tiring, you can still have enough to eat. Now your dad has lost his job. You’re trying to count on him, but I’m afraid you can’t!”

Fu Wei had a proud smile on his face, not to mention how happy he was to be able to trample Chen Ping under his feet.

When he was in school, if Chen Ping’s father hadn’t had a formal job, how could he have been compared to Chen Ping.

“Fu Wei, don’t talk nonsense. How can you, the chairman of the student union, clean the toilet? At least find a cleaner job. I think you can sweep the road?”

Jiang Wenjing covered her mouth and chuckled.

“Hahaha.....”

The Order of the Dragon King Chapter: 25

3-4 minutes

Fu Wei and Jiang Wenjing mocked Chen Ping, causing the bald head and many guests to laugh.

At this time, Chen Ping slowly raised his head: “If you two don’t want to die, then leave here quickly!”

Chen Ping’s expression was indifferent, his tone was calm, and there was no trace of anger. But when Fu Wei and Jiang Wenjing heard these words, they both trembled!

Especially that Jiang Wenjing, she felt as if she had fallen into an ice cave, her whole body was so cold that she didn’t even dare to look directly at Chen Ping!

The sarcastic words I was preparing to say suddenly couldn’t be said at this moment!

After a while, Fu Wei seemed to have been greatly insulted, and shouted at Chen Ping with a ferocious face: "You are a reform-through-labor prisoner, why are you dragging me? Your girlfriend is married to someone else, and you don't even know what to do." Don't dare to let it go, what nonsense are you telling us?"

"It's just that you know that the Xiao family is rich and powerful, so you don't dare to provoke them, so why don't you take it out on the two of us? We are not easy to mess with!"

Jiang Wenjing also regained consciousness at this time, pointing at Chen Ping and scolding him!

"Do not make me angry....."

After Chen Ping finished speaking, he lowered his head again!

"Damn it, I messed with you, what do you dare to do? This is Mr. Xiao's wedding banquet..."

Fu Wei cursed angrily, stepped forward, grabbed Chen Ping's collar, and lifted Chen Ping up directly.

The reason why they targeted Chen Ping in this way was entirely because they wanted to please Xiao Lei. As long as they could please Xiao Lei, their work would be able to achieve success in the future.

Fu Wei picked Chen Ping up and was about to attack Chen Ping, but Chen Ping slapped him!

Snapped!

There was a slap that shocked the entire banquet hall, and Fu Wei flew out and hit a table hard!

Wow.....

The table became shattered, and all the dishes and tea sets fell to the ground and were smashed to pieces!

All the guests turned their attention here, but no one paid attention to Xiao Lei and Geng Shanshan on the wedding stage.

Even Xiao Lei and Geng Shanshan couldn't help but look in the direction of the sound!

“Damn it, you’re looking for death...”

When the bald man saw Chen Ping taking action, he instantly became excited and shouted:
“Come on, kill this kid...”

The bald head can now legitimately avenge his personal revenge. He knows that Chen Ping has some skills, so he doesn’t want to do it himself, and directly lets the more than ten younger brothers behind him swarm him!

“Boy, if you dare to make a scene at Mr. Xiao’s wedding, you are seeking death...”

The Order of the Dragon King Chapter: 26

2-3 minutes

A dozen thugs holding sticks greeted Chen Ping.

When many guests saw this scene, they couldn’t help but shook their heads. They knew that Chen Ping would not survive!

“Beat him to death, beat him to death...”

Fu Wei, who was slapped away by Chen Ping, stood up with his face covered and roared ferociously!

On the wedding stage, Xiao Lei raised the corner of his mouth and revealed a cruel smile!

Everyone is watching Chen Ping’s joke, no one pities him, and no one will save him!

Facing the siege of more than a dozen people, Chen Pingping smiled sarcastically and suddenly took a step forward!

boom.....

Chen Ping’s step was like an earthquake, and the entire hall seemed to shake.

And the dozen thugs screamed in agony, and then they all flew out, smashing the surrounding tables and chairs, and the scene was a mess!

At this moment, all the guests were stunned!

The bald man looked at his men who fell to the ground, and a chill instantly came up from the soles of his feet!

At this time, on the side of the wedding stage, a well-dressed middle-aged man frowned tightly.

This person is Xiao Yan, the head of the Xiao family, and Xiao Lei's father. Of course he must be present when his son gets married!

Xiao Yan saw Chen Ping repelling the dozens of thugs just now.

He is a warrior himself and can see that Chen Ping's strength is not simple.

When Xiao Lei saw this on the wedding stage, he frowned: "Damn, they are all fucking trash..."

Roaring angrily, Xiao Lei rushed down with a vigorous stride.

"husband....."

Geng Shanshan also ran over.

"Lei'er, don't act rashly..."

At this time, Xiao Yan, who had been sitting motionless on the side of the wedding stage, also rushed over. He was afraid that his son would suffer!

"What's going on, what's going on..."

A dozen hotel security guards rushed in with rubber batons.

The Order of the Dragon King Chapter: 27

3-3 minutes

The Regal Hotel has been open for five or six years, and I have never seen anyone dare to cause trouble here. You must know that the Regal Hotel is the property of the Su family, the richest man in Hongcheng.

What's more, this time it's the eldest son of the Xiao family who is holding a wedding. The strength of the Xiao family is not much worse than that of the Su family. At this juncture, who dares to come here to make trouble? Isn't it because the birthday girl always eats arsenic – doesn't he think he has a long life?

.....

In the private room on the third floor, Su Wenzong frowned when he heard the crackling sound below.

The hotel manager came over in a cold sweat!

“What's going on down there?”

Su Wenzong asked somewhat displeasedly.

“Mr. Su, someone made trouble at the Xiao family's wedding banquet. They beat people and smashed things...”

The hotel manager hurriedly explained.

“Does anyone dare to cause trouble here?”

Su Wenzong's face became angry: “What do you do for food? You are a loser. Send the security guard over quickly, don't affect the reputation of our hotel!”

“It has been sent!” the manager said.

“Then why don't you go deal with it and wait for others to get angry?”

Su Wenzong roared angrily, scaring the manager so much that he ran away.

“Dad, you're not in good health, don't be angry, I'll go down and take a look!”

Su Yuqi comforted Su Wenzong and walked out of the private room!

Now Su Yuqi is handling many things in the Su family. After all, she is the only daughter of Su Wenzong. Now that Su Wenzong is in poor health, all the burden is placed on Su Yuqi's shoulders!

.....

Marriage hall on the second floor!

More than a dozen security guards surrounded Chen Ping. The hotel manager hurriedly ran over and bowed in front of Xiao Yan: “Mr. Xiao, I’m really sorry. I didn’t expect someone who was not afraid of death to dare to cause trouble at the Xiao family’s wedding. I’m now Just drive away the troublemakers...”

After finishing speaking, he said to the dozen or so security guards: “What are you still doing? Get the troublemaker out of here!”

“Wait a moment!”

Just when the security guard was about to take action, Xiao Yan spoke: “He caused trouble at my son’s wedding and disturbed my guests. How can I just let him go? In that case, where will my Xiao family’s face be? Even today Even if you don’t want his life, you have to keep his hands and feet before leaving!”

“this.....”

The Order of the Dragon King Chapter: 28

3-3 minutes

The hotel manager is in a dilemma. If his hands and feet are cut off, what will happen if he resents the hotel and causes trouble again?

Xiao Yan saw what the hotel manager meant and smiled disdainfully: “The Xiao family will handle this matter themselves, you can get out!”

“Okay, okay, let’s get out now!”

Being able to ignore anything, the hotel manager nodded happily.

“Dad, I don’t want his hands and feet. I want his life. If he dares to cause trouble at my wedding, I want him dead...”

After Xiao Lei finished speaking, he glared at Chen Ping angrily: “Chen Ping, I must let you die today. I will let you know what will happen if you offend me.”

“I just said that if I came to the wedding, your wedding wouldn’t be possible. You always didn’t believe it. Do you believe it now?”

Chen Ping looked at Xiao Lei and smiled without fear.

“I believe in your mother...”

Xiao Lei punched Chen Ping hard!

Bang.....

Click...

There was only a crisp sound, and then Xiao Lei’s arm bent strangely, and it was obvious that it was broken.

“ah.....”

The severe pain made Xiao Lei scream heartbreakingly.

Everyone was dumbfounded when they saw this scene. Chen Ping was really looking for death if he dared to attack Xiao Lei.

“Lei’er!” Xiao Yan hurriedly stepped forward to support Xiao Lei. After checking, he discovered that Xiao Lei’s arm was broken and it would take several months to recover.

“Asshole, if you dare to hit my son, I want you to die...”

At first, Xiao Yan only wanted to teach Chen Ping a lesson and let him improve his memory. After all, there was still a wedding to be held. But now Xiao Yan only had one thought, and that was to kill Chen Ping, otherwise he would be in front of so many people in Hongcheng. In the eyes of merchants, you will be embarrassed.

Xiao Yan took out his cell phone and summoned all the bodyguards at home. These bodyguards had all been hired with a lot of money, and they were all warriors!

But they are much better than the bald ones. The bald ones are just street gangsters who follow Xiao Lei around and fawn over Xiao Lei, the rich second generation!

Seeing Xiao Yan calling someone, Chen Ping was not in a hurry. He actually sat back and started drinking a cup of tea again. Chen Ping's move completely angered Xiao Yan. It was obvious that he looked down on their Xiao Yan. Home!

"Dad, kill him for me, I want to kill him..."

Xiao Lei, whose arm was broken, shouted with a ferocious face!

The Order of the Dragon King Chapter: 29

3-3 minutes

"Lei'er, don't worry, I will definitely throw this kid into the river to feed the fish today!"

Xiao Yan looked at his son distressedly and promised!

Xiao Yan saw that Chen Ping had some strength, so he didn't take action immediately, but waited for his bodyguard to arrive!

At this moment, the door to the marriage hall on the second floor was pushed open, and Su Yuqi walked in quickly. She wanted to see who was causing trouble here!

"Uncle Xiao, what happened?"

As soon as she entered the door, Su Yuqi asked Xiao Yan.

"This kid dares to cause trouble at my son's wedding and even dares to beat my son. I'm going to serve meat in your hotel today..."

Xiao Yan pointed at Chen Ping, who was sitting at the table drinking tea.

When Su Yuqi looked over, she was stunned.

She never expected that the troublemaker turned out to be Chen Ping, and Chen Ping didn't leave!

"Mr. Chen?" Su Yuqi asked with confusion, "Why is it you?"

"Is Miss Su weird?" Chen Ping smiled slightly at Su Yuqi.

“Niece Yuqi, do you know this person?”

Xiao Yan frowned!

“Uncle Xiao, this may be a misunderstanding. This Mr. Chen was invited to treat my father. This must be a misunderstanding!”

Su Yuqi explained.

“Cure?” Xiao Yan’s brows furrowed even further!

“Who are you? What are you talking about? This guy doesn’t know how to treat diseases at all. He was just released from the cell today. He knows how to treat ridiculous diseases. I have known him for many years and I have never seen him treat anyone. , don’t be deceived by him!”

Geng Shanshan shouted at Su Yuqi.

Su Yuqi’s face turned cold for a moment, but looking at the wedding dress on Geng Shanshan, she knew that this was the bride of the Xiao family. Su Yuqi endured it and said: “Whether Mr. Chen can see a doctor or not, I can make a free decision. Just because you haven’t seen it, it doesn’t mean Mr. Chen won’t!”

“Come on, take him down. What don’t I know about his two actions? We were classmates for four years in college and have been dating for several years. When I got sick and caught a cold, I had to run to the hospital. One time it rained heavily, but he still carried me there. If he knows how to see a doctor, does he still need to go to the hospital?”

Geng Shanshan looked disdainful. In her eyes, Chen Ping was worthless now!

After hearing what Geng Shanshan said, Su Yuqi looked at Chen Ping. She seemed to understand why Chen Ping made trouble at the wedding.

“Niece Yuqi, don’t worry about this matter. I’ll bring an expert from abroad for your father’s illness. This kid will definitely die today!”

The Order of the Dragon King Chapter: 30

3-3 minutes

Xiao Yan said in a tone that left no room for doubt.

He is older than Su Yuqi, so there is no need to be polite!

“No, you must not touch Mr. Chen...”

Su Yuqi suddenly stood in front of Chen Ping!

She still relies on Chen Ping to save her father’s life. Su Yuqi can’t let Chen Ping get into trouble!

Xiao Yan’s face turned cold: “Niece Yuqi, are you forcing me to do something?”

Xiao Yan’s eyes flashed with murderous intent. As he finished speaking, dozens of Xiao family bodyguards rushed in. Seeing that his bodyguards had arrived, Xiao Yan looked at Chen Ping with even colder eyes!

“Uncle Xiao, no matter what, I can’t let you touch Mr. Chen!”

After Su Yuqi finished speaking, more than a dozen hotel security guards rushed in and protected Su Yuqi tightly.

The atmosphere in the banquet hall instantly became condensed, and many guests stepped back one after another, fearing that they would get into a fight and get in trouble!

“Little girl, if it weren’t for your father’s sake, I could crush you to death in a minute. Get out of my way right now. Can you stop me with your ability to defeat the security guard?”

Xiao Yan was angry and was rude to Su Yuqi!

And as Xiao Yan finished speaking, the dozens of bodyguards of the Xiao family all exuded aura. This aura alone made those dozen security guards pale with fear!

Su Yuqi’s face didn’t look good either, but she still stood tightly in front of Chen Ping with determination in her eyes!

“Old Xiao, at your age, it’s too much to scare children!”

At this time, the door of the banquet hall was pushed open again, and Su Wenzong walked in with a trace of displeasure on his face!

Seeing Su Wenzong coming, Xiao Yan smiled coldly: "Old Su, you came just in time to take your daughter away. I will definitely kill this boy today!"

Su Wenzong ignored Xiao Yan, but looked at Chen Ping and said, "Mr. Chen, I've frightened you!"

Su Wenzong's humble look shocked everyone!

"It doesn't matter, the Xiao family can't do anything to me!"

Chen Ping smiled lightly!

Chen Ping's words once again angered Xiao Yan: "Boy, if I don't kill you today, how can my Xiao family gain a foothold in Hongcheng!"

After saying that, Xiao Yan looked at his dozens of bodyguards: "Whoever can kill this kid will get a reward of one million!"

Upon hearing that the reward was one million, the eyes of the dozens of bodyguards were red, and they were all gearing up!
