

The Order 2101

Chapter: 2101

Facing this powerful attack, he was unable to resist, and he might have been shattered to pieces.

But at this time, Zhou Tianyin frowned and stared at where Chen Ping was in surprise!

The moment Jian Gang exploded, he actually felt an indestructible aura!

“What is that? Is that kid not dead?”

Zhou Tianyin waved his hand with an ugly expression, and a strong wind suddenly appeared, blowing away all the smoke and dust. The scene in the field gradually emerged in front of everyone.

I saw a big pit with a radius of three meters there!

The big pit is very strange. It is generally bowl-shaped and the surrounding area is extremely smooth. It looks like a huge iron ball that was forced into the ground and left traces.

At the bottom of the pit, Chen Ping was standing in the center, covered in blood.

“He’s really not dead?!”

Seeing this scene, Zhou Tianyin was shocked!

Such a terrifying attack couldn’t even kill Chen Ping?

“Today, one of us must die!”

Chen Ping lowered his head, and Zhou Tianyin couldn't see his expression.

But his voice was extremely cold, without any emotion at all!

Zhou Tianyin couldn't help but tremble in his heart.

Chen Ping wiped the blood on his face with his hands, and then slowly walked up from the bottom of the pit.

Every step left a bloody footprint.

He just walked towards Zhou Tianyin step by step.

Zhou Tianyin's heart was full of uneasiness, and he couldn't help shouting: "What are you going to do? Stop! Otherwise, don't blame me for being rude!"

Chen Ping took two more steps forward before stopping.

At this time, the two were no more than five meters apart!

Then, Chen Ping suddenly raised his head and looked at Zhou Tianyin!

boom!

Zhou Tianyin's heart was shocked!

Chapter: 2102

I saw Chen Ping's eyes were blood red, full of murderous intent, hatred, deathly silence, and madness!

“You must die today!”

Chen Ping roared word by word!

At the moment when Zhou Tianyin was stunned, Chen Ping rushed towards Zhou Tianyin.

“not good!”

Zhou Tianyin’s heart was beating wildly and he had to dodge without even thinking.

However, it’s too late!

This is Chen Ping’s long-planned blow!

Use all your spiritual power to rush directly towards Zhou Tianyin!

There were no fancy moves, he just rushed over like this.

Chen Ping was planning to die with Zhou Tianyin.

But Chen Ping himself knew that he was betting that his Nascent Soul would not be damaged and that his physical body would recover.

But others were surprised when they saw that Chen Ping was going to die with Zhou Tianyin.

“Chen Ping...”

“Brother Chen...”

Ji Ruxue and Xiao Min exclaimed.

When Zhou Tianyin saw Chen Ping rushing towards him in such a desperate manner, he was also slightly stunned.

The man in black behind the boulder was startled, and then jumped up.

Suddenly a person appeared, whether it was Zhou Tianyin or Chen Ping, they all looked at him intently.

It was at this moment that the man in black instantly threw out three spells.

The three talismans were directly shaped into glyphs and fell at Zhou Tianyin's feet.

"Three Tribulations Formation!"

The man in black roared.

boom!

Chapter: 2103

The big formation is launched!

The terrifying yin fire, sky thunder, and wind filled the formation, drowning Zhou Tianyin in an instant!

Chen Ping was a little dumbfounded and didn't understand who the man in black suddenly appeared.

But he knew the power of the Three Tribulation Formation.

The power of the Three Tribulation Formation is extremely powerful, but it is not something that ordinary warlocks can cast. Even Chen Ping cannot cast such a large formation now!

Chen Ping stared at the man in black closely, as if he wanted to see who the man in black was and why he wanted to help him.

However, the man in black did not look at Chen Ping, but stared closely at the changes in the formation!

He knew that Zhou Tianyin was too powerful and the Three Tribulation Formation might not be able to kill him!

boom!

At this moment, a bright sword light shot into the sky, and the Three Tribulation Formation was actually broken.

Zhou Tianyin escaped from the formation, and his face was extremely pale, there was even a trace of blood on the corner of his mouth, and his eyes became dim!

Obviously, Zhou Tianyin was seriously injured!

“Humph, I didn’t expect you to have helpers...”

Zhou Tianyin stared at Chen Ping and the black man, his face extremely ugly: “I will record this grudge today. Sooner or later I will come back and take your life...”

After Zhou Tianyin finished speaking, he jumped down from the mountain and left with the Zhou family.

He was injured and had no chance of winning against two people, so he had no choice but to leave!

Seeing Zhou Tianyin leaving, Ji Ruxue and Xiao Min rushed forward happily.

“Chen Ping...”

“Brother Chen Ping...”

“Are you OK?”

The two people spoke almost at the same time, looking at Chen Ping up and down to see where Chen Ping was injured.

However, Chen Ping did not answer Ji Ruxue and Xiao Min. Instead, he held the dragon-slaying sword in his hand and pointed the tip of the sword at the man in black.

“Who are you? Why did you save me?”

Chen Ping looked at the man in black with slightly focused eyes.

Chapter: 2104

Judging from the aura of the man in black, he is not very strong, but this man’s spells are extremely powerful, and he is obviously a very powerful warlock.

But when he was using the Three Tribulation Formation, Chen Ping felt the fluctuation of spiritual power from the man in black!

Only immortal cultivators can experience fluctuations in spiritual power. Could it be that this person is also an immortal cultivator?

But even though the man in black saved him, Chen Ping still didn’t let down his guard!

The man in black saw Chen Ping pointing his sword at him and smiled slightly: “Is this how you treat your savior?”

“Who are you? Why do you appear in our back mountain?”

At this time, Ji Ruxue also looked at the man in black and asked.

“I’m not a bad person. If I were a bad person, how could I save you? I just passed by by chance...”

The man in black said calmly.

But Chen Ping didn’t believe what he said at all. How could such a coincidence happen if he happened to pass by by chance.

“Who are you? You are secretive and dare not show your true face to others. There must be something evil...”

Chen Ping asked the man in black.

The man in black looked at Chen Ping and narrowed his eyes slightly: “There are some things that cannot be said in public. I believe you will understand, so if you want to know who I am, let the others leave before talking!”

Chen Ping looked at the man in black and became more convinced of his identity as an immortal cultivator, so he looked at Ji Ruxue and said: “Miss Ji, take Xiao Min down the mountain and back to the palace first, I will go back soon! ”

Ji Ruxue looked at Chen Ping, nodded, and took Xiao Min down the mountain.

“Okay, now you can tell me who you are? Are you a cultivator?”

Chen Ping asked the man in black.

“That’s right...”

The man in black nodded happily, and then took off the black scarf covering his face.

The black scarf was taken off, revealing a pockmarked face.

This person was none other than Hu Mazi who gave Zhu Zhishan two tracking charms from Kyoto.

Chen Ping looked at this person carefully, but found that he didn’t know him at all, so he frowned and said, “I don’t know you at all, why did you save me?”

“No reason, just to cooperate with you!”

Hu Mazi said with a faint smile.

Chapter: 2105

“Cooperation? Cooperation for what?”

Chen Ping looked at Hu Mazi warily. After all, the other party was also an immortal cultivator. Now the two of them had the same resource needs.

Now the entire earth is lacking in spiritual energy, and immortal cultivators need a lot of spiritual energy to practice.

Thinking of the spiritual energy, Chen Ping’s eyes suddenly opened and he stared at Hu Mazi: “You... are you coming to the cave?”

Hu Mazi was stunned for a moment, but quickly smiled and said: “I didn’t expect you to be so smart. No wonder Zhu Zhishan was deceived by you...”

“Tell me, who are you? Otherwise, don’t blame me for being rude...”

Chen Ping pointed the dragon-slaying sword at Hu Mazi again.

Although Chen Ping pointed the dragon-slaying sword at Hu Mazi, Hu Mazi was not afraid at all: “Don’t be nervous. With my current strength, you can kill me with just one move. Are you still afraid of me?”

“You can just call me Hu Mazi. I have just stepped into the golden elixir realm, and you have already become a Nascent Soul. How can I do anything to you?”

“Then Zhu Zhishan doesn’t know at all that the immortal soul of a cultivator cannot be destroyed and his physical body is immortal!”

Chen Ping saw that Hu Mazi was sincere and was not talking nonsense. Although Hu Mazi was very skilled in magic, his strength was only at the Golden Core level.

He had just stepped into Wuzong, so it was impossible for Hu Mazi to hurt Chen Ping, especially when Chen Ping was still on guard.

But if there is a sudden attack and Hu Mazi activates the formation, it will be uncertain.

At that time, Zhou Tianyin had consumed a lot of internal energy because he was following Chen Ping. In addition, he was temporarily absent-minded and did not notice the existence of Hu Mazi at all, so he gave Hu Mazi a chance to use the Three Tribulation Formation.

Even so, Hu Mazi’s Three Tribulations Formation still failed to trap Zhou Tianyin, and Zhou Tianyin broke through the formation. This also shows that Hu Mazi’s strength is not very strong.

Chen Ping put away his guard, put away the Dragon-Slaying Sword, and asked Hu Mazi about the world of immortality.

After Hu Mazi followed Chen Ping’s explanation, Chen Ping realized that the immortal cultivators were not as powerful as Chen Ping imagined.

Due to the lack of spiritual power, there are fewer and fewer resources for immortal cultivators to improve their strength, and many immortal cultivators are not very strong.

Facing some powerful warriors, they just want to be beaten, so many immortal cultivators hide their names!

Some even traveled across the ocean in search of places with strong spiritual power.

Not everyone in the world of cultivating immortals is as lucky as Chen Ping, who has broken through to the realm of Nascent Soul in a short period of time!

Moreover, the Heart Condensation Technique practiced can refine everything and replace the spiritual energy, so Chen Ping's strength has grown so fast!

"I have been trapped in this realm for more than ten years. I use the identity of a fortune teller as a cover and look for places with strong spiritual energy everywhere!"

"I discovered the cave here three years ago, but I didn't take action at that time. If I hadn't been forced this time, it might have been a few years before I came here."

Chapter: 2106

Hu Mazi preached to Chen Ping.

"Then what is inside this cave? Why does the stream flowing out have such pure spiritual power?"

Chen Ping asked Hu Mazi curiously.

"It's an ancient tomb!"

Hu Mazi said.

“Ancient tomb?” Chen Ping’s eyes suddenly widened, his face full of disbelief: “In the ancient tomb, even if there are jewelry and jades, it is impossible for such pure spiritual power to flow out?”

“Because this ancient tomb is a real person’s tomb. It contains the bones of a real person who cultivated immortality, and maybe some magical weapons, magic weapons, etc., so it is impossible for pure spiritual power to flow from it...”

Hu Mazi explained.

“Real person tomb?” Chen Ping was getting more and more shocked at this moment.

The so-called real person has reached the state of overcoming the tribulation. As long as he successfully overcomes the tribulation, he will truly ascend to immortality.

However, it is quite normal for a real person to die after a narrow escape from the calamity.

But now that a real person tomb was discovered, Chen Ping was extremely excited.

He wished he could go down to the tomb now and see what the so-called half-immortal’s tomb looked like.

“The cave is blocked by boulders. I tried to open the boulders, but they didn’t work. If we want to go in, how can we open the boulders?”

Chen Ping asked Hu Mazi for advice.

Although Chen Ping is stronger than Hu Mazi, in this regard, Chen Ping is like a primary school student and knows too little.

“Now that I’m here, I naturally have a way to open the boulder, but you are lacking in spiritual power now and need to take a rest. Once you have rested, we will go in together.”

“After all, it’s extremely dangerous inside. With you as a Nascent Soul master, I can feel more at ease, but the contents inside are half of each of us.”

Hu Mazi said to Chen Ping.

“No problem, deal...”

Chen Ping nodded and stretched out his right hand!

Hu Mazi was stunned, smiled randomly, and followed Chen Ping in high-fiving.

“Haha, if you follow me, I guarantee that you will have endless resources. Regardless of my strength, I am the ancestor of the Hu family when it comes to finding caves and tombs...”

Hu Mazi said proudly.

Chapter: 2107

Chen Ping also believed in Hu Mazi’s strength. After all, this place was blocked by rocks. Hu Mazi didn’t even go in, but he knew that this was the tomb of a real person. This shows that his ability to find holes and explore tombs is not low!

Chen Ping followed Hu Mazi down the mountain. After returning to Honglian Palace, Ji Ruxue had already ordered people to prepare meals.

She knew that Chen Ping must have been physically exhausted after this battle, so she replenished her body.

Chen Ping followed Ji Ruxue and Xiao Min to introduce Hu Mazi, and Hu Mazi also followed Ji Ruxue and Xiao Min and said hello with a smile!

Although Hu Mazi looks a bit scary with his pockmarked face, he is still very polite when talking.

“Master Ji, your Red Lotus Palace illusion has been broken. After dinner, I will help you make up an illusion array!”

Hu Mazi ate his meal and said to Ji Ruxue.

“That’s really what I wrote about Master Hu!”

Ji Ruxue thanked her happily.

After eating, Hu Mazi followed Chen Ping and the others to the gate of Honglian Palace.

Looking at the Red Lotus Palace in front of him, Hu Mazi took out a few talismans, and then muttered something.

Immediately afterwards, a large amount of thick smoke rose from several talisman papers, and soon the thick smoke enveloped the entire Red Lotus Palace.

Hu Mazi blew the talisman in his hand, and the talisman instantly turned into ashes!

When the thick smoke slowly dissipated, Chen Ping and the others were surprised to find that the Red Lotus Palace in front of them was gone.

The huge Red Lotus Palace disappeared right before their eyes.

Ji Ruxue and Xiao Min opened their mouths in shock.

Chen Ping looked at Huang Mazi with admiration. Although Chen Ping could also cast illusions, he could only cast them on a small area.

Chen Ping doesn't have the strength to create such a large phantom formation.

Such a large phantom formation requires super mental strength.

"Hu...Master Hu, what if we go in?"

Ji Ruxue asked Hu Mazi in shock.

"This is easy to do!"

After Hu Mazi finished speaking, he raised his hand and clicked it gently in the air.

After three buckles in a row, Honglian Palace suddenly appeared in front of several people.

Chapter: 2108

This illusion formation is much stronger than the one in Red Lotus Palace at the beginning.

"Master Hu, thank you so much. Not only did you save Chen Ping, but you also helped our Red Lotus Palace so much. Please pay your respects to me, little lady..."

As Ji Ruxue said this, she was about to kneel down to Hu Mazi.

"Palace Master Ji, you absolutely can't do it. It's just a small effort on my part."

Hu Mazi quickly stopped Ji Ruxue.

"Miss Ji, you don't need to give me such a big gift. He actually helped us. When we divide the treasures into equal parts, I'll give him an extra one!"

Chen Ping said to Ji Ruxue.

“Divide the treasure? Divide what kind of treasure?”

Ji Ruxue looked confused.

Chen Ping and Hu Mazi looked at each other, and then laughed.

“Palace Master Ji, let Chen Ping thank me when the time comes!”

Hu Mazi followed Chen Ping and walked into the Red Lotus Palace with a smile!

Ji Ruxue looked at the two people in confusion, not knowing what they were talking about.

“Chen Ping, you kid, there will definitely be a big disaster in the future!”

Hu Mazi looked at Chen Ping and said as he walked.

“A great catastrophe? What catastrophe? Are you really good at telling fortunes?”

Chen Ping was stunned and said.

“Hahaha, you are destined to be trapped by love in the future. You don’t want to betray any woman, but you will invisibly make women sad for you.”

“Your boy’s luck in love is really great, but the women who like you are the most sincere and affectionate people.”

“It’s up to you what kind of choice you want to make in the future. I’m afraid this is also a test for you!”

“A cultivator of immortality must put aside the seven emotions and six desires in order to attain the Tao and become an immortal, and you...”

“Hahaha.....”

Huang Mazi laughed and walked forward quickly.

“I never said that I wanted to become an immortal...”

Chapter: 2109

Looking at Huang Mazi’s back, Chen Ping murmured to himself..

.....

the next day.

After Chen Ping followed Ji Ruxue to explain, he followed Hu Mazi into the cave!

At this time, there was already a lot of gravel in the cave, which was shaken down by Chen Ping following Zhou Tianyin’s battle.

“How are we going to open this boulder?”

Chen Ping asked anxiously to Hu Mazi.

“No hurry, sit down and rest for a while...”

Hu Mazi found a flat stone and sat down.

This made Chen Ping very confused. Since he was not in a hurry, why didn't he rest outside instead of inside the cave?

Chen Ping also found a stone to sit on, and then lit a cigarette.

He gave Hu MaZi one, but Hu MaZi didn't want it. Instead, he took out a dry pipe from his waist and started smoking.

The clear stream continued to flow out from the cave, constantly washing away the fallen stones.

About ten minutes later, Hu Mazi knocked on his tobacco pipe and then put it away.

"It's time to get to work..."

As he spoke, Hu Mazi took out a stack of talisman papers, and then drew something on it. Soon the cave was filled with talisman papers.

When there was only one talisman left, Huang Mazi looked at Chen Ping.

"I'll lend you your blood..."

Huang Mazi said.

"With my blood?"

Chen Ping looked confused, but he still bit his finger and blood flowed out.

Huang Mazi used Chen Ping's blood to draw a figure on the talisman paper, and then pasted the last talisman paper on the boulder.

Rumble.....

The moment the talisman was attached, the entire cave began to shake.

Chapter: 2110

Then there was a burst of light, and all the talismans emitted a ray of light, shining on the boulder.

The talisman paper on the boulder exuded blood red, and the graphics on it were instantly embedded into the boulder!

The entire boulder began to shine with light, and the light was extremely dazzling!

“Close your eyes and I’ll ask you to open them. Open them again...”

Huang Mazi said hurriedly to Chen Ping.

Chen Ping didn’t hesitate and quickly closed his eyes.

Soon, the violent shaking became stronger and stronger, and Chen Ping felt that his body was falling rapidly!

The whistling wind made my face hurt!

Chen Ping wanted to open his eyes curiously, but Huang Mazi grabbed his wrist: “Don’t open your eyes...”

After hearing Huang Mazi’s instructions, Chen Ping put aside his curiosity.

He didn't know how long it took before Chen Ping felt his feet fall to the ground, and the sound of wind in his ears disappeared.

"You can open your eyes..."

Huang Mazi said.

Chen Ping slowly opened his eyes. When he opened his eyes, he was instantly stunned.

I saw that the scenery in front of me changed drastically, with mountains, rivers, green trees, and it seemed like I was in another place!

"This...what the hell is this place?"

Chen Ping's face was full of surprise. He couldn't believe that what he saw in front of him was a mausoleum!

It is clearly a world, another world!

Huang Mazi did not answer Chen Ping, but quickly climbed up a hillside and looked around. At this moment, Huang Mazi also had a look of shock on his face.

Seeing that Huang Mazi was silent, Chen Ping asked again: "Is this the real person's tomb you mentioned?"

"The layout here is not small." Huang Mazi murmured to himself in shock.

"What kind of pattern is not small?" Chen Ping next to him was stunned for a moment, a little confused.

Although Chen Ping also knows some skills in robbing tombs and finding caves, here, his skills are stretched thin.

It's still unclear what the pattern is here.
