

## The Order 211

Chapter: 211

“I wanted to give you a surprise, but Chen Ping is still not back at such a late hour...”

Tang Hongying sighed and said.

“Surprise?” Wang Hanhan was stunned!

Seeing this, Wang Changfeng hurriedly explained: “Your uncle Chen saw that you and your brother Chen Ping were both at work, and it was inconvenient to take the bus back and forth, so he bought a car for you to drive on the way to work. I wanted to surprise you, brother Chen Ping. As a result, he hasn’t come back yet...”

“His Aunt Wang, this car also contains your money. It was bought by our family for our two children...”

Tang Hongying said quickly!

“Forget it, I just added a few thousand yuan, and the rest is not from you!”

Wang Changfeng laughed!

“This is a mobility scooter for two people. When their jobs are stable, let them buy it themselves. We are old and can only help here!”

Chen Baoguo also spoke at this time.

“No, in the future, we will still have to rely on the two of them!” Wang Changfeng nodded!

Listening to the chatting of several people, Wang Hanhan’s face turned red instantly. The elders of the two families had already identified the matter between her and Chen Ping.

Wang Hanhan didn't have any objections in her heart. Following her contact with Chen Ping during this period, she also found that she gradually fell in love with Chen Ping!

But Wang Hanhan didn't know Chen Ping's attitude, and she couldn't guess Chen Ping either!

"You are so late, what are you talking about at the door?"

At this moment, Chen Ping walked over with a smile on his face!

"Brother Chen Ping..."

Seeing Chen Ping coming back, Wang Hanhan rushed over and looked at Chen Ping with concern to see if Chen Ping was injured!

When Wang Changfeng and Chen Baoguo saw Wang Hanhan following Chen Ping, they both laughed!

Only Tang Hongying sighed: "It would be great if I could see my two children getting married..."

When Chen Ping heard this, he wanted to explain to his parents that he only regarded Wang Hanhan as his sister, but when he saw the hot eyes of the two adults, he didn't know what to say!

"Mom, don't worry, I will definitely find a way to cure your eyes..."

Chen Ping didn't explain, he just said calmly!

"You're used to it. Don't worry about me. You two work hard. When you have money in the future, you can buy a wedding house and a car. Your dad and I probably won't be able to help you with anything!"

Chapter: 212

Tang Hongying said with some self-blame!

After all, Chen Ping is not married yet, and their parents are unable to help. They feel very guilty!

“Hongying, don’t be like this. As long as the two children live well, my family doesn’t want anything anyway...”

Wang Changfeng patted Tang Hongying on the shoulder!

Chen Ping felt uncomfortable as he listened. He really didn’t know how to speak!

“Brother Chen Ping, Uncle Chen bought you a car. We can drive to work tomorrow...”

Wang Hanhan said to Chen Ping that she was doing this to interrupt the conversation of the elders. After all, she and Chen Ping had not even established a relationship, and it was too early to talk about their marriage!

“Chen Ping, your dad has been running all day today. This car he bought for you is not a good car, but it is still more comfortable than taking the bus to work...”

Wang Changfeng also said to Chen Ping!

The group of people walked downstairs, and Chen Ping and Wang Hanhan saw a silver-white Changan sedan parked in the parking space downstairs, but it looked like it was not a new car!

“Chen Ping, this is a second-hand Changan. Although it’s second-hand, it doesn’t have many kilometers. It’s still a first-hand car. The condition is very good. I bought it for you for only more than 40,000 yuan. Don’t blame me. Dad has no ability...”

Chen Baoguo followed Chen Ping apologetically!

Listening to Chen Baoguo’s words, Chen Ping’s eyes suddenly became moist: “Dad, this car is very good. I can make money now, so you don’t have to worry anymore...”

“Well, I feel relieved to see you working peacefully. As long as you work hard, everything will be possible in the future!”

Chen Baoguo nodded and encouraged Chen Ping!

Chen Pingyuan originally wanted to go to work for a few days, but found an excuse not to go because going to work would affect his cultivation too much, but now he did not dare to think about not going to work. He could only go to work for the time being to stabilize his parents’ emotions. !

.....

The next day, when Chen Ping drove his second-hand Changan to the company, he was ridiculed by a group of people as expected, but Chen Ping didn’t care!

Wang Hanhan also turned a deaf ear to everyone’s words. She was very happy at the moment. She was happy to be able to sit in the passenger seat and follow Chen Ping to and from get off work every day!

“Chen Ping, you must come up with today’s accounts, otherwise you will get out of here...”

Not long after he got to work, Cui Zhiyuan came to Chen Ping and ordered!

What happened last night, Chen Ping, whom Cui Zhiyuan already hated, beat himself up in public and humiliated himself. Cui Zhiyuan couldn’t just let it go!

Chen Ping glanced at Cui Zhiyuan coldly, but ignored him, but Wang Hanhan was a little anxious.

“Manager Cui, how can Brother Chen Ping collect so many accounts in one day? Aren’t you making things difficult for him?”

Chapter: 213

Chen Ping didn’t say anything, but Wang Hanhan complained about Chen Ping!

“What? You also want to go with him to collect the account? In that case, you join a group with him. If you can’t finish it today, you all should stop...”

Cui Zhiyuan and Wang Hanhan dared to question themselves, and immediately said with a cold face!

“Manager Cui, I choose to transfer the team...”

At this time, Zhang Tongjian hurriedly raised his hand and said.

He could see that Cui Zhiyuan was targeting Chen Ping, and Chen Ping was very disrespectful to Xing Jun yesterday. He felt that if he was in the same group as Chen Ping, he would be dragged down sooner or later!

“Well, let Wang Hanhan adjust with you!”

Cui Zhiyuan nodded!

This time, Sun Xiaomeng watched and did not speak for Wang Hanhan. After all, Chen Ping beat Cui Zhiyuan yesterday, which also made her very unhappy, especially when Chen Ping dared to offend Xing Jun. This was an act seeking death!

Cui Zhiyuan returned to the office, while Zhang Tongjian hurriedly packed up his desk and moved it away as if avoiding the plague!

Seeing Zhang Tongjian like that, Chen Ping smiled coldly. He originally felt that Zhang Tongjian was a pretty good guy and wanted to reuse him in the future. After all, who he wanted to reuse was a matter of Chen Ping’s words. Su Yuqi would not mind!

But now, Chen Ping no longer has this idea. Maybe this is the so-called workplace. When faced with conflicts of interest, he will save himself!

“Brother Chen Ping, what should we do?”

Wang Hanhan looked at Chen Ping helplessly!

Their parents are happy that they can find such a good job, but if they are fired, how will their parents explain it?

“Don’t worry, those accounts will be transferred to the company’s account soon...”

Chen Ping comforted Wang Hanhan!

Even so, Wang Hanhan didn’t believe that those companies that owed money could take the initiative to pay back the money, unless those bosses were mentally ill!

“Hanhan, why are you doing this? It’s over now. I’m afraid you will be fired. With your conditions, you can’t find any kind of boyfriend. You and Chen Ping will share it. Sister. Find a rich second generation...”

Wang Lanlan leaned over and said to Wang Hanhan.

Wang Hanhan didn’t speak, just shook her head. Even if she was fired, she would not separate from Chen Ping!

“Silly girl...” Seeing this, Wang Lanlan could only smile helplessly.

Su Yuqi might have originally tried to persuade Wang Hanhan, but looking at the situation, she felt it was unnecessary. She knew that today was the last day for Chen Ping and Wang Hanhan to go to work!

“He was fired directly after just two days here. This is probably the first case in the company!”

Chapter: 214

“No, I have never seen such a crazy employee, even the manager dares to hit him!”

“He deserves it. Why are you pretending? If he is really capable, will he come to work here?”

Others in the sales department were talking about Chen Ping!

While everyone was discussing, suddenly people from the finance department came in a hurry!

“Xiao Sun, why are you here in our sales department? Is there something wrong with the accounts again?”

Seeing people from the finance department arriving, Sun Xiaomeng stepped forward and asked.

“Sister Xiaomeng, your sales department is so awesome. When I got to work today, all the debts from outside were credited to the company’s account. Now no company is in debt. Who is responsible for this in your sales department? This is awesome. died.....”

Finance Sun followed Sun Xiaomeng excitedly and said!

“What? Are all the arrears returned?” Sun Xiaomeng was stunned for a moment!

The other people in the sales department also stood up one after another and looked at the finance grandson in disbelief!

“Xiao Sun, are you mistaken? Are you really paying off all those debts?”

Wang Lanlan also asked in disbelief.

“Don’t you know what I lied to you about? Your sales department has been pursuing this debt all along. Who recovered it, don’t you know?”

Finance Xiao Sun looked at Sun Xiaomeng and Wang Lanlan curiously and asked.

“Oh, I know, I know, of course it was our manager who came forward to recover it!”

Sun Xiaomeng suddenly reacted and said hurriedly!

Of course, this kind of good thing must be put on Cui Zhiyuan’s head. Maybe this time, Cui Zhiyuan will be promoted to the manager of the purchasing department!

“Manager Cui is really capable!” Xiao Sun smiled slightly: “I won’t talk to you anymore, I’m going to reconcile the accounts with Manager Cui!”

Xiao Sun walked into Cui Zhiyuan’s office, and everyone in the sales department was shocked!

“Holy crap, who is so awesome that all the accounts are going to come up?”

“That’s awesome. I need to know a lot of accounts, but they are all from a few years ago. It’s very difficult to get them!”

“Could it be Chen Ping? Look at how confident he is today, as if he knows the money he owes will be paid back!”

“Pull him down, how can he bring up all these accounts? Haven’t you heard that each company takes the initiative to repay it? It has nothing to do with him!”

“Speaking of which, Chen Ping is so damn lucky. It looks like he won’t be fired today!”

Chapter: 215

People from the sales department gathered around and discussed!

“Brother Chen Ping, that’s great, we won’t be fired.”

Wang Hanhan asked Chen Ping excitedly.

“Didn’t I tell you a long time ago, don’t worry!” Chen Ping smiled slightly!

“How did you know that the debt will be returned today?” Wang Hanhan looked at Chen Ping strangely and asked.

“Keep it secret!” Chen Ping smiled and did not tell Wang Hanhan!

There are some things he doesn’t want Wang Hanhan to know yet, but sooner or later he will confess with Wang Hanhan!

While the people in the sales department were talking a lot, Cui Zhiyuan followed Finance Xiaosun out. Seeing Cui Zhiyuan coming out, everyone stopped talking!

Cui Zhiyuan gave Chen Ping a cold look and then left!

At this time, in the company’s general manager’s office, Xing Jun was sitting behind the desk with a gloomy expression!

Xing Jun still has a band-aid on his neck. His neck was scratched last night, and five faint handprints can still be vaguely seen on his face!

Dong dong dong...

There was a knock on the door, and Xing Jun said coldly: “Come in!”

“Mr. Xing, you are looking for me...”

Cui Zhiyuan asked respectfully as soon as he entered the door.

But as soon as he finished speaking, Cui Zhiyuan was stunned, because he saw that there were several faint red marks on Xing Jun’s face, which was obviously from being slapped!

Seeing Cui Zhiyuan staring at him like this, Xing Jun frowned slightly: “Does it look good?”

When Cui Zhiyuan heard this, he was so frightened that he lowered his head in a hurry and did not dare to say anything!

“Did you give Chen Ping the accounts of the sales department?”

Xing Jun asked.

Cui Zhiyuan didn’t know what Xing Jun meant, so he could only nodded: “Yes, I just want him to hit a wall and kill his spirit, but I don’t want this kid to be so lucky. Today, those companies that owe money unexpectedly It’s all paid back...”

Xing Jun smiled coldly. He knew why these debts were suddenly paid back. Su Yuqi must have helped behind the scenes. Otherwise, Chen Ping alone would not be able to do it even if he was given his great ability!

However, in the company, only Xing Jun knew about Chen Ping’s relationship with Su Yuqi!

“In the future, let Chen Ping negotiate all contracts with Tianmei Daily Chemical...”

Chapter: 216

Xing Jun looked at some partner information in his hand and said to Cui Zhiyuan!

“Tianmei?” Cui Zhiyuan was stunned: “Mr.

Cui Zhiyuan didn't understand why Xing Jun gave such an important customer to Chen Ping. You must know that when such a customer signs a contract, the commission they get from the sales is astronomical!

"What? Are you questioning my decision?" Xing Jun's eyes widened slightly!

"I don't dare, I will follow Mr. Xing's arrangement!"

How dare Cui Zhiyuan disobey Xing Jun? After all, he is his immediate boss!

After Cui Zhiyuan left, Xing Jun slowly picked up the phone and dialed a number!

"Master Xiao, things have been arranged. I will take pictures of Chen Ping to negotiate Tianmei's contract..."

"Hahaha, you did a good job, cooperate with me well, I will give you double what the Su family can give you..."

There was a burst of wanton laughter from the other side of the phone, and after finishing speaking, he hung up the phone!

Xing Jun's phone call was made to Xiao Lei. Xing Jun knew that Chen Ping was following Xiao Lei for the holidays, and also knew that Chen Ping's girlfriend was occupied by Xiao Lei!

In Hongcheng, the Xiao family and the Su family are equally powerful, and they are also competitors. The Xiao family once poached Xing Jun with a high salary, but Xing Jun liked Su Yuqi and always wanted to get together with Su Yuqi, so he rejected the Xiao family!

But after last night, Xing Jun failed to hire a murderer to kill Chen Ping, and he was slapped in the face. This made Xing Jun more and more angry, so he contacted Xiao Lei!

The reason why Chen Ping was asked to negotiate the contract with Tianmei was Xiao Lei's idea. Xiao Lei just wanted to humiliate Chen Ping. How could a big customer like Tianmei and Chen Ping, a small salesman, negotiate successfully? Xiao Lei went there in person and humiliated Chen Ping!

In the hospital ward in Hongcheng, Xiao Lei is still recovering from his injuries!

"Brother Lei, let's see how happy you are. That guy Chen Ping is not worthy of your targeting like this. He is just an ant to you. Without Su Yuqi to protect him, he is nothing!"

Geng Shanshan looked at Xiao Lei's happiness sitting on the hospital bed and said happily!

"Broken my arm, of course I'm going to play with him, I'm going to slowly kill him..."

Xiao Lei raised the corners of his mouth slightly, and his eyes were full of coldness!

"Brother Lei, that guy Chen Ping knows a lot, you can't beat him, and the Lin Tianhu you found is unreliable. If you want to deal with Chen Ping, I think we should find a few other masters..."

Geng Shanshan suggested!

"Don't worry, I have already sent someone to contact the Red Dragon Gang. Lin Tianhu is not the only Juyi Hall in the entire Hongcheng. The Red Dragon Gang is as famous as the Juyi Hall. It is more than enough to deal with Chen Ping..."

Xiao Lei knew that he could not defeat Chen Ping, and it was useless to find Lin Tianhu, so he found someone to contact the Chilong Gang again.

Although the Xiao family is very powerful in Hongcheng, it is a business family after all, so they are not familiar with gangs like the Red Dragon Gang and need to find an intermediary to introduce them!

Chapter: 217

“Brother Lei, I’m going to go when the contract is being negotiated. I want to see how shabby Chen Ping is. Some time ago, he dared to be so arrogant with the support of Su Yuqi. Now I want to see if he can still be arrogant...”

When Geng Shanshan thought of how she was humiliated by Chen Ping some time ago, she felt extremely angry!

“No problem, just watch him being stepped on by me...”

Xiao Lei smiled proudly!

.....

In the sales department, Cui Zhiyuan was puzzled as to why Xing Jun gave such an important customer to Chen Ping, but when Xing Jun told him, he had to do it!

“Chen Ping, you are lucky. All your debts have been paid suddenly. However, as a qualified salesperson, you must not only be able to collect debts, but also be able to negotiate contracts, so you must learn to negotiate contracts and follow the regulations. ,you.....”

“Stop talking nonsense, just tell me if you have something to say...”

Chen Ping said impatiently to Cui Zhiyuan!

Chen Ping is probably the only one who follows Cui Zhiyuan and talks like this!

Cui Zhiyuan looked so angry when he heard Chen Ping’s call that he almost vomited blood, but he didn’t dare to fire Chen Ping without reason because he didn’t know what Xing Jun was thinking!

“The company has decided to let you discuss cooperation with Tianmei Daily Chemical. You must know that Tianmei Daily Chemical is also the largest cosmetics industry company in Hongcheng. If you can

negotiate, the commission will naturally be an amount you can't imagine. But if you If the talks fail, then..."

"Stop talking nonsense and give me the information..."

Chen Ping had an impatient look on his face. Cui Zhiyuan said so much nonsense. In fact, he was not jealous of himself and wanted to embarrass himself!

Cui Zhiyuan's face was cold and he directly handed the information to Chen Ping!

"Hmph, I will definitely find a way to expel you this time for making you so arrogant..."

Cui Zhiyuan gritted his teeth and thought secretly in his heart!

"Cui Zhiyuan, what do you mean? I have been talking about Tianmeike all this time. Do you know how long I have been following you? Why did you suddenly give it to him?"

At this time, Sun Xiaomeng became anxious and shouted directly at Cui Zhiyuan!

Everyone knows that Tianmei is a big customer, and if they can negotiate, the commission will definitely be very large, so Cui Zhiyuan gave Tianmei to Sun Xiaomeng from the beginning. After all, no one in the sales department dared to say anything about his relationship with Sun Xiaomeng!

And for this client, Cui Zhiyuan accompanied Sun Xiaomeng many times, and Sun Xiaomeng has been working hard!

But when the client was suddenly given to Chen Ping, how could Sun Xiaomeng not get angry!

Cui Zhiyuan pulled Sun Xiaomeng and said to Sun Xiaomeng: "Don't make trouble now, I will explain to you later..."

After saying that, Cui Zhiyuan looked at Chen Ping and said, “Chen Ping, this customer is the most important customer of our company, so you have to hurry up and set a time. When can we negotiate?”

Chapter: 218

“Tomorrow...”

Chen Pingyuan originally wanted to say in the afternoon, but he thought about it and wanted to inform Lin Tianhu to take care of things in advance, so he said tomorrow!

“Tomorrow?” Cui Zhiyuan was stunned!

Everyone in the sales department was stunned and looked at Chen Ping in disbelief!

“Chen Ping, are you out of your mind? This is Tianmei Daily Chemical. You said you can negotiate the contract tomorrow?”

Wang Lanlan laughed out loud and said with disdain.

“Chen Ping, can you stop bragging? Do you know how long I have been with this client? It’s been three months. I haven’t been able to negotiate for three months, but you can negotiate tomorrow?”

Sun Xiaomeng looked at Chen Ping angrily. What Chen Ping said was simply humiliating her!

He hadn’t been able to negotiate for three months, but Chen Ping actually said that he could do it in just one day. Isn’t this a mockery of his own incompetence?

When Cui Zhiyuan saw Chen Ping like that, he immediately sneered: “Chen Ping, this is what you said. If the negotiation can’t be settled, you’d better get out of here. Our sales department doesn’t want big talkers!”

“No problem!” Chen Ping agreed happily!

At this time, Cui Zhiyuan was extremely happy. He knew that Chen Ping would definitely not be able to negotiate the contract tomorrow. If it were so easy, he would not have stayed with Sun Xiaomeng for three months. Besides, Tianmei, a big customer, was still With the Xiao family watching, how could it be so easy to negotiate!

Cui Zhiyuan pulled Sun Xiaomeng into the office to explain, while other people in the sales department looked at Chen Ping with disdain and dispersed!

Chen Ping didn't read the information when he got it, but sent it to Lin Tianhu. But Wang Hanhan became nervous and studied Tianmei's information all day long!

"Hanhan, you have a class reunion tonight. It's almost time to get off work. You should prepare first and don't read the information!"

Chen Ping saw Wang Hanhan looking anxious and constantly studying Tianmei's information, so he persuaded him!

"Brother Chen Ping, Tianmei Daily Chemical is too difficult to deal with. The general manager of Tianmei is an incompetent person. What should we discuss tomorrow?"

Wang Hanhan doesn't have time to attend the class reunion now. If the contract cannot be negotiated tomorrow, Chen Ping will be fired. If Chen Ping leaves, Wang Hanhan himself doesn't want to stay!

"Don't you believe me?" Chen Ping looked at Wang Hanhan: "I said it can be done, so don't worry!"

Wang Hanhan looked at Chen Ping's firm eyes and finally nodded: "I believe it!"

Chen Ping smiled slightly and patted Wang Hanhan's head gently, with the doting look in his eyes like a brother to a sister!

Just after getting off work, Wang Hanhan received a call from Wu Yifan, urging her to go quickly. Many classmates had arrived!

Wang Hanhan asked about the address, and the class reunion was actually held at the Regal Hotel!

This made Wang Hanhan hesitate a little, because this class reunion was on an AA basis, and it would definitely cost a lot to choose to stay in such a luxurious hotel. She didn't want to spend this money, it felt like it was too wasteful!

Chapter: 219

However, after Chen Ping's persuasion, Wang Hanhan agreed to go, and the two of them drove their second-hand Changan straight to the Regal Hotel!

As soon as the two people arrived at the entrance of the Regal Hotel, they saw Wu Yifan already waiting anxiously at the door!

When Wu Yifan saw Chen Ping, she was a little surprised. She felt that Chen Ping had offended the Red Dragon Gang last night and would definitely be beaten to death. Even if he was not beaten to death, he would be beaten to a bloody head. But now Looking at Chen Ping, nothing happened!

"You didn't get beaten last night?" Wu Yifan asked with a puzzled look.

"Didn't I tell you, the Red Dragon Gang is afraid of me, how dare they hit me..."

Chen Ping smiled slightly!

"Just brag!" Wu Yifan rolled her eyes. She didn't believe what Chen Ping said. How could a gang as big as the Chilong Gang be afraid of Chen Ping? Chen Ping must have used some method to smooth things over, maybe by spending money. Got it!

"Believe it or not!" Chen Ping didn't explain any more!

"Today Hanhan's classmates have a reunion, why don't you drive to Chang'an? If you don't have a good car, it's better to take a taxi than to drive in a shabby Chang'an. Look at the parking lot here. Is there such a shabby car?"

Wu Yifan scolded Chen Ping with an unhappy look on his face!

At that time, Chen Ping encouraged Wang Hanhan to come to the class reunion. Wu Yifan thought that Chen Ping would find a way to make Wang Hanhan look good at the class reunion, but now that he is driving a broken Changan, people will laugh to death!

“What happened to Chang’an? Support domestic production...”

Chen Ping didn’t care at all!

Wang Hanhan also said hurriedly: “I think this car is very good. It is much more comfortable than taking the bus. Let’s get in quickly!”

Seeing that Wang Hanhan said the same thing, Wu Yifan stopped scolding Chen Ping and the three of them walked into the hotel together!

In a luxurious private room, there were already more than a dozen people sitting, including men and women, chatting and laughing very lively!

One of the men, with side parted hair and a gold watch on his hand, was particularly eye-catching. Almost everyone focused on this man and kept chatting and complimenting him!

This man is Leng Bing, Wang Hanhan’s ex-boyfriend. Although he is not in the same class as Wang Hanhan and the others, Leng Bing came to this class reunion as Zhang Miao’s boyfriend!

“Miaomiao, you are so lucky to have found such a good boyfriend. You know, Brother Bing used to be in school, and he was the school idol!”

“No, when I first entered the school, Brother Bing was all-powerful in the school. I even had a crush on Brother Bing at that time!”

“Look at the watch Brother Bing is wearing. It costs hundreds of thousands. This is a successful person!”

“Brother Bing is now running his own company, he’s so awesome...”

Everyone was praising Leng Bing and Zhang Miao, making the two of them very happy!

“You’re just making a living, you’re not a successful person, this watch is worthless. I asked a friend to bring it back from Switzerland for only over 300,000 yuan!”

Chapter: 220

Although Leng Bing spoke modestly, his tone of voice was obviously showing off!

In fact, when Leng Bing said this, who could not hear his intention to show off, but who dared to say it at this time?

I can only let Versailles be cold once!

“Holy shit, more than 300,000 yuan? Brother Bing only has a watch, and I have to fight for ten years!”

“Comparing people to death, comparing goods and throwing goods away, we can’t compare!”

“Brother Bing is really good-looking and has financial resources. Such a man is simply the best!”

“Miaomiao, when are you going to break up with Brother Bing? I’ll make a reservation in advance. Even if I can be Brother Bing’s girlfriend for a day, I’m willing to...”

A group of people boasted and said jokingly.

It made Leng Bing and Zhang Miao burst into laughter. It felt so good to be envied and jealous by others!

“I remember that Brother Bing was with Wang Hanhan before. Why did he break up?”

Suddenly a girl with long hair in a dress said!

This girl is also in the same dormitory as Wang Hanhan and her name is Wang Yutian, so she knows some things about Wang Hanhan and Leng Bing!

When Wang Yutian asked, no one was talking and the atmosphere became awkward for a moment!

After all, Wang Hanhan and Zhang Miao are roommates in the same dormitory. Now Zhang Miao is equivalent to stealing Wang Hanhan's boyfriend. It's a bit unethical no matter how you say it!

Seeing this, Leng Bing suddenly showed sadness on his face, pretending to be reluctant and said: "It's hard to explain in words, this is the thing I don't want to mention the most. I have given so much emotion to Wang Hanhan, but she is not satisfied at all. In addition to spending money, I also like to go to bars. In the end, I went to a bar and became a dancer. I really couldn't stand it anymore..."

What Leng Bing said was very emotional, making everyone look at him with pity!

It seems that Leng Bing knows Wang Hanhan very well. He even knows that Wang Hanhan wants to be a dancer!

"Why is Wang Hanhan such a person? I didn't even notice it at school before, but she can actually work as a dancer in a bar?"

"Knowing people but not knowing their hearts, Wang Hanhan looks very innocent. She turns out to be such a woman!"

"I'm so sorry for Brother Bing. Such a good man was so kind to Wang Hanhan, but she didn't know how to cherish him at all!"

"I heard that Wang Hanhan will also come to the class reunion. I really don't know where she got the courage!"

“Brother Bing, that kind of person is not worth your sorrow for her. Now you are with Miaomiao, it’s a perfect match!”

Everyone criticized Wang Hanhan and comforted Leng Bing!

There were tears in Leng Bing’s eyes, and he nodded slightly: “Fortunately, I have met Miaomiao now, which gives me a place to rely on for my injured heart!”
