

## **The Order 2131**

Chapter: 2131

Seeing that Hu Mazi was fine, Chen Ping breathed a sigh of relief. It seemed that the white marble seat could only be activated once! Remember URL

“Chen Ping, you were sitting on it just now, what happened?”

Hu Mazi asked Chen Ping.

Chen Ping didn't want to hide anything from Hu Mazi, so he told Hu Mazi what he saw.

This shocked Hu Mazi to death.

“Let me see your sword...”

Hu Mazi has never heard of such a thing.

Chen Ping handed the Dragon-Slaying Sword to Hu Mazi, and Hu Mazi ended up with the Dragon-Slaying Sword, but the Dragon-Slaying Sword buzzed, and Hu Mazi instantly threw it out of his hand.

“Damn it, why does this sword burn people? It's too hot...”

Hu Mazi said in surprise.

Chen Ping was stunned and picked up the Dragon-Slaying Sword. He didn't find anything strange about the Dragon-Slaying Sword.

“Isn't it hot?”

Chen Ping handed the Dragon-Slaying Sword to Hu Mazi again.

But this time, Hu Mazi didn't dare to take it anymore and waved his hand: "Forget it, it seems you are lucky. I didn't get anything this time..."

Hu Mazi was a little frustrated. When Qingye Zhi was practicing, the spiritual energy was absorbed by Chen Ping. Now Chen Ping has received another set of swordsmanship inheritance and even a sword spirit!

Hu Mazi didn't get anything, and he was injured just now!

This trip was a big loss!

Seeing Hu Mazi like that, Chen Ping smiled awkwardly: "Otherwise, if we look for it again, there might be treasures elsewhere..."

Chen Ping comforted Hu Mazi.

Hu Mazi was about to say something when he heard a rumbling sound.

At this moment, the entire ancient tomb began to shake.

"It's broken, it's going to collapse, let's leave quickly..."

Hu Mazi's expression changed and he hurriedly ran out with Chen Ping.

At this time, inside the Honglian Palace!

Chapter: 2132

Ji Ruxue is leading everyone to prepare for it!

The entire Honglian Palace was shaking at this moment, and Ji Ruxue didn't know what was happening.

"Sister, is this an earthquake?"

Xiao Min asked Ji Ruxue.

"I don't know either. Let everyone be careful..."

Ji Ruxue's face looked very ugly.

She was not worried about what would happen to the Red Lotus Palace, but she was worried about Chen Ping. She had been in there for several days, but Chen Ping and the others had not come out yet.

Now that the earth is shaking again, she is afraid that something will happen to Chen Ping.

Fortunately, the shaking didn't last long before it stopped.

Although the shaking has stopped, the illusion spell arranged by Hu Mazi for the Red Lotus Palace is causing a ripple at this moment!

Seeing this, Ji Ruxue was shocked. This meant that someone outside was forcibly breaking the illusion and breaking into the Red Lotus Palace!

"There is an intruder, be alert..."

Ji Ruxue yelled.

All the disciples of the Red Lotus Palace are ready.

boom!

Suddenly, the illusion was broken, and the Red Lotus Palace was instantly exposed.

At this moment, outside the door of the Red Lotus Palace, Zhou Tianyin and others were looking at the Red Lotus Palace eagerly!

The last time he fought with Chen Ping, after Zhou Tianyin was injured in a sudden attack, he was already furious!

Now that he has recovered from his injuries, Zhou Tianyin came for him immediately. He wanted to take revenge on Chen Ping!

Looking at Zhou Tianyin in front of her, Ji Ruxue's face turned extremely pale!

The faces of everyone else in Honglian Palace also changed drastically.

Xiao Min hid tightly behind Ji Ruxue.

"Where is Chen Ping? Let him get out, including the guy who attacked me, let them get out together..."

Zhou Tianyin looked at Ji Ruxue and roared like thunder.

Chapter: 2133

"Chen Ping...he is not here anymore!"

Ji Ruxue said tremblingly.

"You fart, I have already sent people to keep an eye on your Red Lotus Palace, and Chen Ping has never left at all..."

Zhou Tianyin's eyes widened: "You'd better let Chen Ping come out immediately, otherwise I will crush your Red Lotus Palace!"

After Zhou Tianyin finished speaking, a terrifying aura erupted from his body, and an invisible force of pressure rushed toward everyone in the Red Lotus Palace.

The pressure of Marquis Wu is extremely terrifying!

In an instant, many Red Lotus Palace disciples with lower strength vomited blood and fell to the ground.

Ji Ruxue exuded aura and tried hard to resist the pressure, but her strength was not enough to fight back against Zhou Tianyin.

In just a moment, Ji Ruxue's resistance collapsed.

"I'm asking you, Chen Ping, to come out..."

Zhou Tianyin said coldly to Ji Ruxue.

"Chen Ping, really... really not in the Red Lotus Palace. If you don't believe me, you can search..."

Wherever Ji Ruxue went to call Chen Ping out, she didn't even know how Chen Ping was doing now.

"Humph, you're still playing tricks on me..."

Zhou Tianyin snorted coldly, and then appeared in front of Ji Ruxue in a flash.

He reached out and pinched Ji Ruxue's neck. Ji Ruxue suddenly felt difficulty breathing and her face turned red.

“Let go of my sister...”

When Xiao Min saw this, he didn't know where he got the courage. He stepped forward and slapped Zhou Tianyin with his palm.

Zhou Tianyin's eyes flashed with coldness, and he whipped Xiao Min away with a wave of his hand.

Xiao Min vomited blood and fell to the ground!

“Xiao Min.....”

When Ji Ruxue saw this, she hurriedly shouted at the top of her lungs.

Zhou Tianyin saw that Ji Ruxue felt so sorry for his sister, so he let go of her, waved his hands, and a huge suction force directly sucked Xiao Min into his hand.

“Ji Ruxue, please go and call Chen Ping out now, otherwise I can't guarantee what will happen to your sister...”

Chapter: 2134

After Zhou Tianyin finished speaking, he leaned hard against Xiao Min's neck and sniffed.

This time, Xiao Min was frightened!

She could only struggle desperately and cry helplessly...

“No, no...”

Ji Ruxue shouted, but her eyes were full of helplessness and fear!

She is not afraid of death, but she must not watch her sister being hurt in front of her eyes!

“If you don’t want your sister to get hurt, then go call Chen Ping out...”

Zhou Tianyin gave Ji Ruxue an ultimatum.

Ji Ruxue cried helplessly and covered her face with her hands. She didn’t know what to do.

She didn’t know where to find Chen Ping.

Just when Ji Ruxue was helpless, suddenly a big hand gently placed on her shoulder!

Ji Ruxue was startled, and then a familiar feeling came over her.

Ji Ruxue suddenly looked up and found Chen Ping looking at him with a comforting expression.

“Chen Ping...”

Ji Ruxue felt instantly supported and threw herself into Chen Ping’s arms.

Chen Ping stroked Ji Ruxue’s hair and comforted her!

“Chen Ping, you finally dare to come out...”

Seeing Chen Ping, Zhou Tianyin said with murderous intent in his eyes.

“Let Xiao Min go, or I will make your life worse than death...”

Chen Ping looked at Zhou Tianyin coldly and said.

“Hahaha, you are too crazy. If you didn’t have helpers for the sneak attack, you would have died in my hands. What big talk are you talking about now...”

Zhou Tianyin laughed loudly.

“Are you scared?”

Chen Ping said calmly.

Chapter: 2135

“Afraid? What am I afraid of? You are just a defeated general...”

Zhou Tianyin looked disdainful.

“If you’re not afraid, then why do you want to use a girl as a shield? Do you dare to compete with me openly?”

“No one needs help!”

Chen Ping looked indifferent and said calmly.

“Okay, I’ll compete with you...”

After Zhou Tianyin finished speaking, he pushed Xiao Min out.

Chen Ping caught Xiao Min and handed it to Ji Ruxue: “You guys stand back, I will kill him today...”

Ji Ruxue looked at Chen Ping worriedly: "You have to be careful..."

"Palace Master Ji, don't worry, this guy Chen Ping is a blessing from heaven, he will be fine..."

Hu Mazi knew that Chen Ping's strength had increased a lot in just a few days.

Soon, Ji Ruxue and the others retreated, and Chen Ping stood opposite Zhou Tianyin!

"Today, I will definitely take your life..."

Chen Ping looked at Zhou Tianyin and said lightly.

"Hmph, we still don't know who will die..."

As soon as he finished speaking, Zhou Tianyin suddenly burst out with an extremely violent momentum!

A strong wind suddenly appeared around them, making everyone's clothes rustle!

The surface of the earth nearby began to shake, and flying sand and rocks covered the sky and sun, as if it was the end of the world!

Chen Ping, on the other hand, stood calmly without blinking his eyes.

"The eagle strikes the sky..."

Zhou Tianyin shouted loudly, and then his body soared into the sky like an eagle.

Then he looked down and grabbed Chen Ping's head.

Hee hee hee...

The iron claws cut through the air, making terrifying sounds of breaking wind!

Chapter: 2136

The power of this claw can make five big holes appear in an iron wall in an instant.

Chen Ping's face was calm, he raised his head slightly, moved his palms apart, and struck the opponent with a terrifying palm wind.

Huhuhu...

The wind howled, and the strong wind that had just blown suddenly became more violent.

The momentum is extremely fierce!

With a thick muffled sound!

Chen Ping's palm hit Zhou Tianyin fiercely.

The huge force instantly overturned Zhou Tianyin.

Zhou Tianyin was shocked, his body fell to the ground and he took a few steps back...

He looked at Chen Ping in disbelief, his eyes full of doubts!

It had only been a few days, but Chen Ping's strength seemed to have grown a lot instantly.

Although Zhou Tianyin did not use all his strength in the attack just now, he was frightened by Chen Ping's effortless repulsion!

"Broken gold and cracked stone..."

Zhou Tianyin's claws intertwined in front of him, and several transparent claws shot out in an instant, heading straight for Chen Ping.

The claws cut through the air with a terrifying edge, making a harsh scream.

In the blink of an eye, this claw force was in front of Chen Ping.

This time, Chen Ping did not move, but a golden light flashed on his body.

A series of golden scales instantly covered the whole body, and the indestructible golden body was activated.

This time, the indestructible golden body's light was even more dazzling, even the sun in the sky was covered by this light!

Ding ding ding...

Several claws hit Chen Ping's body directly, leaving white marks on Chen Ping's indestructible golden body, but they did not break through Chen Ping's indestructible golden body!

This time, Zhou Tianyin's jaw almost dropped in shock.

He racked his brain and couldn't figure out why Chen Ping's strength suddenly improved?

How many days has it been?

Chapter: 2137

Even Ji Ruxue and the others not far away were surprised!

In just a few days, Chen Ping's strength was able to crush Zhou Tianyin instantly.

This is completely different from the situation a few days ago!

Only Hu Mazi looked at Chen Ping with dazzling eyes and murmured to himself: "This boy is absolutely extraordinary, absolutely extraordinary..."

At this time, Hu Mazi has strengthened his belief. No matter what, he will build a good relationship with Chen Ping!

Maybe in the near future, Chen Ping will be the most dazzling star in the world of martial arts and even the world of immortality!

"What other skills do you have? Just use it!"

Chen Ping's eyes were filled with disdain, and the corners of his mouth were raised slightly, with an obvious sense of ridicule.

Zhou Tianyin was so angry that he had been obsessed with martial arts all his life, but he didn't want to be so scorned by a boy with no hair today!

"You don't have to be proud, today I will let you know how powerful I am..."

"Soul-Destroying Palm!"

After saying that, Zhou Tianyin let out a loud shout, and then his body seemed to be enveloped in a black smoke!

When Chen Ping saw this, he knew that this guy was using evil skills again.

Zhou Tianyin's hands instantly turned pitch black, looking like ghosts, extremely terrifying!

The Soul-Destroying Palm is so powerful that it can cut off souls with one palm... Remember the website address

Zhou Tianyin knew that Chen Ping's indestructible golden body was very strong, so he planned to use poison to attack Chen Ping from within his body!

Facing Zhou Tianyin's soul-breaking palm, Chen Ping's face remained calm, but the terrifying spiritual power in his body also burst out.

Immediately afterwards, Chen Ping also slapped it with one palm!

Bang!

The palms of the two people collided instantly.

"Boy, this is my Soul-Destroying Palm, and you still dare to confront me head-on. I'll let you know in a moment what life is worse than death..."

Seeing that Chen Ping dared to follow his Soul-Destroying Palm head-on, Zhou Tianyin couldn't help but smile!

But soon, Zhou Tianyin's smile solidified on his face!

He discovered that Chen Ping's palm seemed ordinary, but it contained extremely domineering triple power!

Chapter: 2138

And one level is stronger than the other!

The first level instantly neutralized Zhou Tianyin's palm energy.

The second level directly pushed back the poisonous energy in the Soul-Destroying Palm.

The third level, the poisonous energy was directly pushed back into Zhou Tianyin's body, instantly corroding Zhou Tianyin's heart.

boom!

Zhou Tianyin's body was instantly knocked out, and his body was completely black, even his face was black.

puff.....

Zhou Tianyin spit out a mouthful of black blood.

"you you....."

Zhou Tianyin pointed at Chen Ping with surprise in his eyes.

He suddenly realized that he was powerless to fight back in front of Chen Ping.

Zhou Tianyin simply couldn't accept this sudden gap.

A person who was beaten easily a few days ago was beaten so hard that he was unable to fight back in just a few days. Such a result would be difficult for anyone to accept.

“You evil cultivator, I will make you reap the consequences...”

Chen Ping said coldly.

“master.....”

The servants of the Zhou family were also panicked and hurriedly gathered around.

Zhou Tianyin stared at Chen Ping, the anger burning in his eyes.

“Chen Ping, I practiced this soul-breaking palm. Do you think the poison of the soul-breaking palm can kill me?”

After Zhou Tianyin finished speaking, red light flashed on his palms!

He actually slapped his abdomen hard!

Bang bang bang...

Three palms were slapped in a row, and then a mouthful of black blood was spat out.

Seeing Zhou Tianyin force the poison out by himself, Chen Ping was a little surprised.

Chapter: 2139

“Since the poison can’t kill you, then I will kill you with one move. I only need one move to kill you...”

Chen Ping looked at Zhou Tianyin and said with a solemn expression!

“Fart, you are too arrogant, I want to see how you can kill me with one move...”

Zhou Tianyin cursed angrily, then bit the tip of his tongue fiercely, and a mouthful of blood spurted out from his mouth!

“Overwhelming...”

Zhou Tianyin twisted his body and sat on his waist, and suddenly pushed out with a palm!

Rumble...

A gap suddenly opened on the ground, and then countless rocks were crushed towards Chen Ping with fierce force.

It's like a tsunami, destroying everything in sight!

The unrivaled power seemed to crush Chen Ping!

Chen Ping raised the corner of his mouth slightly, then turned his right hand outward and spread his fingers: “I have a sword that can kill everything in the world...”

Chen Ping carried an aura that looked down on the world. At this moment, Chen Ping's thin figure became extremely tall in the eyes of Ji Ruxue and the others!

That kind of arrogant and domineering attitude gives people a sense of coercion, makes people fear, and even make them worship!

In the shocked eyes of everyone, Chen Ping's Dragon-Slaying Sword flashed out, and the body of the Dragon-Slaying Sword shone with a gray light.

As soon as the Dragon-Slaying Sword was released, Chen Ping's domineering power became even stronger!

I saw the dragon-slaying sword spitting light and making a buzzing sound.

“Die to me...”

Chen Ping shouted softly, then swung his sword and slashed out.

The sword energy soared into the sky and was as powerful as a broken bamboo!

Instantly cutting the stormy waves in front of him into pieces, the sword energy instantly arrived in front of Zhou Tianyin.

Zhou Tianyin’s eyes widened and he could fit an egg into his mouth.

“This...is this a spiritual sword?”

Zhou Tianyin made a sound in shock, his heart was full of souls, and his whole body was cold!

As soon as the dragon-slaying sword in Chen Ping’s hand came out, Zhou Tianyin knew that he was finished.

Chapter: 2140

The gray light on the blade of the Dragon-Slaying Sword gives people a breathtaking feeling!

Zhou Tianyin was scared and wanted to ask for mercy...

It’s a pity that the sword energy arrived in an instant, leaving him no chance to speak!

Pfft...

Blood spattered, and the sword energy was seen scratching Zhou Tianyin's neck, and then Zhou Tianyin's head flew up in an instant.

The body fell to the ground with a thud!

The heads rolled down in front of the servants of the Zhou family.

All the servants of the Zhou family looked on in disbelief.

One move, indeed one move!

Cut off Zhou Tianyin's head with one move!

Everyone in the Zhou family was stupid!

In their hearts, they have always been obsessed with martial arts and the powerful head of the family!

At this moment, his head was chopped off in an instant!

This kind of spiritual shock caused many servants of the Zhou family to be frightened out of their wits!

Soon, everyone in the Zhou family knelt down and begged for mercy!

Chen Ping put away the dragon-slaying sword but did not kill these servants of the Zhou family.

These people were so grateful that they packed up Zhou Tianyin's body and escaped in an instant!

After everyone in the Zhou family left, it took a long time for Ji Ruxue and the others to come back to their senses.

“Brother Chen Ping, you... you are so awesome, I don’t even know how to praise you...”

Xiao Min looked at Chen Ping with admiration, her face full of excitement!

“Practice hard and you will be as good as me in the future...”

Chen Ping smiled lightly!

“Monster, you are such a monster...”

Hu Mazi looked at Chen Ping and sighed.
