

The Order 2141

Chapter: 2141

Ji Ruxue said nothing, but looked at Chen Ping with undisguised tenderness in her eyes.

Feeling Ji Ruxue's gaze, Chen Ping looked a little helpless and embarrassed!

When Hu Mazi saw this, he smiled lightly!

.....

The news that Chen Ping killed Zhou Tianyin spread on the martial arts forum in a short period of time!

Everyone was surprised that Chen Ping's strength increased so fast!

Among these people, the most surprised one was Zhu Zhishan, who was on his way to Wancheng in the southwest.

He was planning to kill Chen Ping, but now such news broke out, which put Zhu Zhishan in a dilemma for a while.

He knew very well that Zhou Tianyin's strength was as good as his own.

But now, Zhou Tianyin was killed by Chen Ping?

He is going to kill Chen Ping, is he still sure?

Zhu Zhishan felt unsure now. He couldn't figure out how Zhou Tianyin could be killed by Chen Ping.

But now Zhu Zhishan has an arrow on the string and has to shoot. No matter what Chen Ping's strength is, Zhu Zhishan must kill Chen Ping.

If Chen Ping doesn't die, he will be the one who dies.

Zhu Zhishan slowly took out a dark ball from his arms. The ball seemed to be covered with dark clouds, and there were streaks of lightning flashing continuously!

Zhu Zhishan gently moved his hand over the ball, and soon a picture appeared on the ball!

In the picture, a man covered in black robes sat cross-legged in the middle, and around him, several corpses were floating in the air.

The man in black robe had his eyes slightly closed, but at this moment he suddenly opened them and raised his head slightly!

"Zhu Alliance Leader, what do you want from me?"

The man in black robe slowly spoke.

"Seven Evil Star Lord, that Chen Ping is still alive. He killed your disciple. Don't you want to seek revenge from him? I can tell you the address now!"

"Don't send your puppet corpses this time. Those thoughtless guys can't kill Chen Ping at all!"

Zhu Zhishan said to the man in black robe.

It turns out that this man in black robe is the leader of the Blood Corpse Cult, Qisha Xingjun.

Chapter: 2142

The man and woman that Chen Ping killed in Kyoto were the disciples of the Seven Evil Star Lords!

“Tell me the address...”

Lord Qishaxing suddenly stood up.

And the corpses floating around all fell to the ground one after another.

“He is in Southwest Wancheng now, but he probably won’t stay for long. You have to speed up!”

Zhu Zhishan said lightly.

“Hmph, even if he escapes to the ends of the earth, I will kill him with my own hands!”

Lord Seven Evils snorted coldly, then waved his black robe, and the screen disappeared.

Zhu Zhishan’s lips curved into a smile, and then he put the ball into his arms.

“Leader, Chen Ping even killed Zhou Tianyin. If you ask the Seven Evil Star Lord to kill Chen Ping, is he really that capable?”

The elder beside Zhu Zhishan asked doubtfully.

Although this Seven Evil Star King is very capable of refining corpses, especially in terms of spiritual power, his strength is not very strong.

It would be difficult for him to kill Chen Ping!

“I didn’t intend to let the Seven Evil Star Lord kill Chen Ping. Now that Chen Ping’s strength is unfathomable, I always have to find someone to explore the way.”

“What’s more, the spiritual attack of the Seven Evil Star Lord is almost unmatched by anyone, as long as he can hurt Chen Ping a little!”

“If we kill Chen Ping again, it will naturally be easier...”

Zhu Zhishan said with a sneer.

The elders on the side instantly understood that Zhu Zhishan was using the Seven Evil Stars as cannon fodder.

.....

Red Lotus Palace!

Ji Ruxue and Xiao Min reluctantly saw Chen Ping off in front of the palace gate!

“Brother Chen Ping, will you really come back to see us?”

Xiao Min bit her lip and asked with reluctance in her eyes.

“Of course, I will definitely come when I have time...”

Chapter: 2143

Chen Ping smiled slightly.

“But, we don’t have what you need here. Will you come back?”

It was that cave that Xiao Min was talking about. The reason why Chen Ping came back was because of that cave.

Now that the cave has collapsed, there seems to be nothing Chen Ping is attached to in the entire Red Lotus Palace. Will Chen Ping come back?

“I said I would, and I will. When I come back, I will take you to Kyoto...”

Chen Ping said to Xiao Min with a look of assurance.

He has no choice now and must return to Kyoto. Now that Chen Ping has the strength to fight Zhu Zhishan, he has to go back and follow Zhu Zhishan to understand the grievances and rescue Su Yuqi.

Xiao Min stopped talking and stretched out her little finger.

When Chen Ping saw this, he immediately smiled, and then followed Xiao Min and pulled the hook!

Ji Ruxue didn't speak during the whole process, but her big watery eyes seemed to have said everything she needed to say.

Chen Ping could see what Ji Ruxue wanted to say from her eyes!

After bidding farewell to Ji Ruxue and Xiao Min, Chen Ping followed Hu Mazi on his way back to Kyoto!

After leaving the boundary of Wancheng, Hu Mazi stopped.

“Master Hu, why don't you leave?”

Chen Ping asked in surprise.

“You should go back to Kyoto by yourself. I don't plan to go back now. I want to look for it again to see if I can find some mausoleum ruins or something like that.”

“When I call you, you have to come. Don’t forget what you owe me.”

Hu Mazi glanced at Chen Ping and said.

Chen Ping smiled awkwardly and said: “No problem, I will definitely tell you when Master Hu can use me!”

Hu Mazi smiled inwardly. With Chen Ping’s words, Hu Mazi was no longer afraid, because he knew that before long, Chen Ping would be a figure that people looked up to.

After the two people parted ways, Chen Ping rushed towards Kyoto on his own.

When Chen Ping passed a small forest, his pace suddenly slowed down.

Because he felt an indescribable gloomy feeling!

It’s broad daylight, and the sun is shining brightly, so it shouldn’t feel like this.

Chapter: 2144

But as soon as he walked into this small forest, Chen Ping felt that the temperature around him had dropped a lot.

All the spiritual energy in his body was mobilized by Chen Ping, and then he walked forward cautiously.

But just when Chen Ping walked not far, he saw a sudden burst of black fog in front of him!

In an instant, the black mist submerged the entire grove.

Seeing this scene, Chen Ping knew that someone must be ambushing him here.

The black mist that suddenly appeared seemed to be spiritual, and began to surround Chen Ping, and finally wrapped it up directly.

A series of shrill screams came out from the black mist. These screams, with great penetrating power, went straight to the depths of Chen Ping's mind.

This is a mental attack that seems to want to defeat Chen Ping's consciousness and turn Chen Ping into a fool.

Chen Ping stood there, motionless, as if he was frightened by the screams.

Seeing that Chen Ping was neither moving nor struggling, Lord Qisha Xing walked out slowly wearing a black robe.

Lord Seven Evil Stars looked at the motionless Chen Ping and raised his lips: "Such a powerful guy, if he can be turned into a puppet corpse, he will be a good helper..."

Lord Qi Sha Xing waved his hand, and the black fog on Chen Ping slowly dissipated, and the screams disappeared. Chen Ping's eyes were lifeless and he stood motionless!

Lord Qishaxing walked up to Chen Ping, then pointed two fingers, and a golden light instantly penetrated Chen Ping's head!

Immediately afterwards, black mist began to rise from the palm of the Seven Evil Star Lord, and he slowly slapped his palm towards Chen Ping's head.

To practice the puppet corpse, you must first cut off the thoughts. The golden light just cut off the thoughts in Chen Ping's mind.

"stop....."

Just when Qi Sha Xingjun was about to attack Chen Ping, he was stopped by a sudden shout.

I saw two figures walking out slowly.

Lord Qi Shaxing frowned and became alert for a moment, but when he saw the person coming, he immediately let down his guard!

It turned out that these two people were the elders of Zhu Zhishan's martial arts alliance!

"Zhu Alliance Leader, why are you here?"

Lord Qishaxing asked curiously.

"I'm also here for Chen Ping..."

Zhu Zhishan looked at Chen Ping who was standing still and smiled coldly.

Chapter: 2145

"Alliance leader, you all said that this Chen Ping is very good and has extraordinary talents, but I was able to stop him in one fell swoop."

"Look, he is just like a fool. He will do whatever I ask him to do..."

Lord Qishaxing said with a proud look on his face.

Zhu Zhishan was speechless for a moment when Qi Sha Xingjun said this!

This Chen Ping is indeed very good. He killed Ning Dahai and now he has killed Zhou Tianyin. His strength is definitely not low!

Originally, Zhu Zhishan planned to use Qisha Xingjun as cannon fodder, but he didn't expect to restrain Chen Ping as soon as he took action.

This was far beyond his expectation.

“Seven Evil Star Lord, Chen Ping's strength is indeed not low, but he may be relatively weak in mental power, so he cannot withstand the mental attack of Seven Evil Star Lord, so he becomes dementia!”

The martial arts alliance elder hurriedly explained.

“Yes, this Chen Ping should be mentally weak. After all, people with extraordinary talents are not without flaws...”

Zhu Zhishan also quickly echoed.

Lord Qishaxing snorted disdainfully. He believed that Chen Ping's strength had always been mythologized by others.

At such a young age, even if one cultivates from the mother's womb, what kind of achievements can one achieve?

“Whether Chen Ping is gifted or not, this time there is another general in my puppet corpse...”

Lord Seven Evil Stars laughed loudly.

“Seven Evil Star Lord, you can't train this Chen Ping into a puppet corpse...”

Zhu Zhishan hurriedly said to the Seven Evil Star Lord.

“Why? Don't you want this Chen Ping to die?”

Lord Qishaxing looked at Zhu Zhishan doubtfully.

“Of course I want Chen Ping to die, but I need to take Chen Ping’s head back...”

Zhu Zhishan explained.

Seeing that Zhu Zhishan was going to chop off Chen Ping’s head, Lord Qisha Xing’s expression changed.

If Chen Ping doesn’t have a head, he can’t practice puppet corpse.

“Zhu Alliance Leader, I surrendered this Chen Ping, so I should have the final say on how to deal with this Chen Ping. How can you just say one word and let me give you such good corpse refining materials for nothing?”

Chapter: 2146

Lord Qishaxing looked at Zhu Zhishan very displeased and said.

Zhu Zhishan frowned. He did not expect that the Seven Evil Star Lord would contradict him and disobey his orders!

“Seven Evil Star Lord, don’t forget your identity. I have a demonic order here...”

Zhu Zhishan said with a cold expression.

Seeing Zhu Zhishan mention the magic order, Lord Qishaxing opened his mouth, but didn’t say a word.

Although his face was full of dissatisfaction, he didn’t dare to follow Zhu Zhi on the top of the mountain.

Seeing that Lord Qishaxing was not talking, Zhu Zhishan smiled with satisfaction: "Don't worry, I will find a way to send you several Wuhou to let you refine the corpse, and I will also have people give you blood." The Corpse Cult sent a large amount of resources there."

Zhu Zhishan was giving both kindness and power. He knew that with his own strength, if it weren't for the magic order, none of these evil cultivators would be willing to listen to him.

"Then thank you very much, Leader Zhu..."

Seeing that Zhu Zhishan had promised benefits, Mr. Qishaxing showed a satisfied expression.

But at this moment, Chen Ping, who had been staring blankly like a corpse, suddenly laughed.

"Is my head easily taken away?"

Chen Ping said with a playful look.

Chen Ping suddenly spoke, making Zhu Zhishan and Qisha Xingjun startled.

The two people hurriedly turned to look at Chen Ping, and found that Chen Ping's eyes were bright at this time, and he was just a normal person, with no sign of being controlled at all.

Zhu Zhishan looked at Qisha Xingjun in confusion: "What's going on?"

Qi Shaxing Junyue looked confused, and then suddenly waved his hands: "Maybe this kid's mental power broke through the restraints, allowing me to come..."

After saying that, streaks of black mist waved out from Qisha Xingjun's hands, instantly wrapping Chen Ping in it again.

The shrill screams rang out again.

Zhu Zhishan and the elder hurriedly covered their ears. When they heard the screams with mental attacks, they felt mentally unstable.

“Hmph, do you really think that this mere evil spirit technique can control me? You are simply too naive.”

Chen Ping snorted coldly and suddenly opened his mouth!

The black mist surrounding Chen Ping was instantly sucked into Chen Ping’s body.

It wasn’t until all the black mist was absorbed that Chen Ping wiped his mouth with satisfaction.

Chapter: 2147

“These evil spirits are a good thing, but we can’t waste it...”

Chen Ping smiled faintly at Qisha Xingjun.

This time, Qi Sha Xingjun was dumbfounded.

These evil spirits contained extremely poisonous elements and also carried terrifying mental attacks. However, Chen Ping acted as if nothing was wrong and even inhaled these evil spirits into his body.

“This...this...how is this possible?”

Lord Qi Shaxing was stunned, with a look of disbelief on his face!

“Seven Evil Star Lord, is this your ability?”

Zhu Zhishan looked at Qisha Xingjun with a dissatisfied look and asked.

At this moment, Qi Sha Xingjun couldn't figure out what kind of skills Chen Ping was practicing. He had no response to his mental attack!

"I don't believe it anymore..."

After Lord Qi Shaxing finished speaking, he took out a porcelain bottle and poured it into his mouth!

Instantly, the smell of blood hit my nose, and it turned out to be human blood!

I saw human blood flowing out from the corner of Qisha Xingjun's mouth, looking very terrifying.

After drinking blood, the aura on Qi Sha Xingjun's body became very terrifying!

It was as if he had changed into a different person, even the aura on his body had changed.

When Chen Ping saw this, he frowned and his murderous aura rose up: "Xie Cultivator, you deserve to die..."

"I think it's you who should die..."

The Seven Evil Star King wrapped his hands in black mist, roared, and attacked Chen Ping directly!

The air was filled with the sound of breaking through the air, and there was a sound similar to a sharp whistle coming from the mouth of the Seven Evil Star Lord!

This sound is so penetrating that it seems to burst people's eardrums!

Chen Ping stood quietly, looking at the Seven Evil Star Lord with stern eyes.

Just after Qi Sha Xingjun arrived in front of him, Chen Ping slapped him with one palm.

Chen Ping's body exudes soft white light!

boom.....

Chapter: 2148

There was a sound like thunder on a sunny day, followed by a flash of white light!

The body of Qi Sha Xingjun flew out in an instant, and black mist kept coming out of his body. Then the black mist rose into the sky and disappeared without a trace in an instant!

“ah.....”

The Lord Seven Evil Stars let out a shrill scream!

At this moment, his whole body was shrouded in white light, and his whole body seemed to be in a raging flame. As the black mist continued to emerge, the Seven Evil Star Lord's screams became more and more intense!

In the end, Qisha Xingjun completely lost his voice, and Qishaxing Jun's whole body had curled up into a ball, and the skeletal muscles on his body had also contracted to the limit!

Lord Seven Evil Stars is dead, and he died miserably...

Seeing the tragic death of the Seven Evil Star Lord, Zhu Zhishan's expression changed again and again. He didn't know whether it was anger or fear!

The elders on the side of Zhu Zhishan had eyes full of fear, and he did not dare to look directly at Chen Ping!

“It's your turn next...”

After Chen Ping killed the Seven Evil Star Lord, he looked at Zhu Zhishan coldly: "I wanted to go to Kyoto to find you, but I didn't want you to come to my door on your own initiative!"

Zhu Zhishan withdrew his gaze from Qishaxingjun, and then looked at Chen Ping coldly: "It's not certain who will die today, so don't be too arrogant!"

After saying that, Zhu Zhishan's body began to flicker with light, and his body slowly floated.

He knew that in today's battle, he had to go all out, so Zhu Zhishan mobilized all his aura from the beginning.

When Chen Ping saw this, he didn't dare to take it too lightly. Golden light emanated from his body, and his indestructible golden body activated, and dazzling scales covered Chen Ping's body.

The power of the dragon in his body was also mobilized by Chen Ping.

At this moment, Chen Ping looked at Zhu Zhishan with scarlet eyes and murderous intent in his eyes!

As long as he kills Zhu Zhishan, he can rescue Su Yuqi...

So Zhu Zhishan must die today!

Chen Ping must also go all out. This time, both of them will fight to the death!

Feeling the murderous intent on Chen Ping's body, Zhu Zhishan frowned tightly.

"Chen Ping, are you a cultivator of immortality?"

Zhu Zhishan asked Chen Ping.

Chen Ping had improved his strength so quickly in a short period of time, and even though he had pierced his chest, Chen Ping still survived intact, so Zhu Zhishan was a little suspicious.

Chapter: 2149

Seeing Zhu Zhishan talking about immortal cultivators, Chen Ping's expression changed slightly, but he did not answer Zhu Zhishan.

Didn't say yes, didn't say no!

Instead, he said coldly: "Stop talking nonsense, if you want to kill me, just do it..."

After saying that, Chen Ping took the lead in attacking Zhu Zhishan.

Facing Chen Ping's attack, Zhu Zhishan did not dare to be careless at all. He immediately burst out with his breath, activating all his inner energy to wrap up his body.

Zhu Zhishan knew that Chen Ping's golden body was very powerful. If two people faced off head-on, he had to be prepared.

boom!

A simple and extreme collision, without any fancy moves, just the most original and violent collision!

The terrifying aura instantly dispersed in all directions during the collision, and the elders of the martial arts alliance on the side were instantly blown away by this aura.

Suddenly there was a loud roar, flying sand and rocks, and many trees in the entire forest were uprooted.

In just the blink of an eye, the two people punched each other for more than a dozen times. Each punch was made with all their strength, making the sound like thunder!

Chen Ping became more and more courageous as he fought. The power of the dragon in his body continued to radiate out, and he was not afraid of Zhu Zhishan at all!

Zhu Zhishan, on the other hand, had a cold expression on his face, and his heart was getting more and more frightened as he fought!

In just a few days, the speed at which Chen Ping's strength increased frightened Zhu Zhishan. Even the most talented genius he had ever seen had not made such rapid progress!

Now Zhu Zhishan can be sure that Chen Ping is an immortal cultivator, otherwise everything that happened to Chen Ping would be unexplainable.

"It's really a pleasure, keep going..."

Chen Ping roared, and then punched out with a terrifying fist wind!

Zhu Zhishan frowned, and his heart was filled with anger. Chen Ping had been fighting with him for a long time, and he was using him as a whetstone.

"Things that don't know whether to live or die..."

Zhu Zhishan shouted loudly, and then punched him.

boom!

There was another deafening sound.

Deng Deng Deng.....

Zhu Zhishan's body was instantly knocked back several steps, and the energy that Zhu Zhishan was protecting around him was instantly shattered!

Chapter: 2150

Zhu Zhishan looked at Chen Ping coldly, his eyes getting colder and colder.

The eyes of the martial arts alliance elders on the side were full of shock.

He saw it really clearly from the sidelines.

Chen Ping followed Zhu Zhishan in the battle and seemed very relaxed, while Zhu Zhishan looked a little embarrassed!

The two people are no longer on the same level in terms of strength and psychology.

Zhu Zhishan also understood this at this time.

Now Zhu Zhishan has no psychological bottom. From this aspect, he has lost to Chen Ping.

And looking at Chen Ping's appearance, it was obvious that he still had a killer move.

"That's it for today, I'm not afraid that you will know more..."

After Zhu Zhishan finished speaking, his eyes flickered, and then a black-gold light began to flash on Zhu Zhishan's chest.

This light comes from the ball in Zhu Zhishan's arms.

Soon, Zhu Zhishan seemed to be wearing a layer of armor. This layer of armor shone with black-gold light, and was accompanied by traces of black mist surrounding the armor!

Chen Ping's eyes narrowed slightly: "I didn't expect that you, the leader of the Martial Arts Alliance, would actually practice evil arts and be an evil cultivator. It seems that the entire Martial Arts Alliance has already become the home of evil cultivators..."

Zhu Zhishan said nothing, but stared at Chen Ping with a murderous expression.

But at this time, the martial arts alliance elders on the side looked surprised when they saw Zhu Zhishan's sudden appearance of armor.

He didn't expect that their alliance leader turned out to be an evil cultivator.

He could feel the evil energy entwined on the armor from a long distance away.

The elder looked at Zhu Zhishan in disbelief, his eyes full of disbelief, then turned around and ran directly into the distance.

Although Zhu Zhishan is the leader of the alliance, he is also an evil cultivator at this moment. This elder is unwilling to work for the evil cultivator!

"snort....."

Zhu Zhishan snorted coldly, and then slapped the fleeing elder with his palm.

A black energy instantly shot out from Zhu Zhishan's palm, directly penetrating the elder's back!

The elder died without even having time to scream.

"If you know my secret, you will die..."
