

The Order 2151

Chapter: 2151

After Zhu Zhishan killed the elder, he narrowed his eyes and looked at Chen Ping.

“You scum in the martial arts world, today I will let you know what it feels like to be abused...”

Chen Ping gritted his teeth, and the golden light on his body surged!

Then he rushed straight towards Zhuzhi Mountain.

Bang bang bang.....

Chen Ping looked like he was going crazy. He punched Zhu Zhishan hard with both fists.

The power of the divine dragon surrounds both fists, and each punch has a force of ten thousand kilograms.

Zhu Zhishan, on the other hand, did not dodge or dodge, but also punched Chen Ping with both fists!

The two people faced each other and attacked each other crazily!

They are fighting, fighting each other's strength to run out, fighting each other's armor to break!

The two people didn't know how many punches they had thrown. At this moment, both Chen Ping's indestructible golden body and Zhu Zhishan's black gold armor were all damaged!

Soon, Chen Ping's indestructible golden body began to fall off and disappear, and Zhu Zhishan's black gold armor was also facing collapse, with cracks all over his body.

boom!

With another punch, Chen Ping's indestructible golden body completely disappeared.

And Zhu Zhishan's black gold armor instantly became fragmented and disappeared without a trace.

Both of them were breathing heavily, and Zhu Zhishan's forehead was still covered in cold sweat!

It can be seen that this duel just now consumed a lot of his physical strength.

"Today I will definitely give you a taste of frustration..."

Looking at Zhu Zhishan who was breathing heavily, Chen Ping said coldly.

But just as Chen Ping finished speaking, Zhu Zhishan burst out laughing.

"Chen Ping, you are too arrogant. Being so arrogant at such a young age is not a good thing. Even if you are an immortal cultivator, so what? I will kill you today..."

Zhu Zhishan laughed, and then another burst of black light flashed on his chest. Soon, the shattered and disappeared armor on Zhu Zhishan's body unexpectedly wrapped around his whole body again.

Chen Ping was very surprised to see that Zhu Zhishan had the ability to regenerate armor!

"Chen Ping, are you surprised?" Zhu Zhishan looked at Chen Ping with a sneer: "I can tell you, this armor of mine doesn't cost me any energy. If you have the ability to break it, I can break it." He is regenerated."

Chapter: 2152

"I want to see how much strength you still have to break my armor..."

After saying that, Zhu Zhishan jumped up high and punched Chen Ping with a bang.

Chen Ping frowned and clenched his right fist, with golden light shining on his fist!

“Holy Light Fist...”

Although Chen Ping no longer has the indestructible golden body, his physical strength is beyond the reach of ordinary people.

He punched him hard, and the terrifying power exploded instantly.

Zhu Zhishan’s body instantly took several steps back, and Chen Ping also stepped back one after another, until he took more than ten steps back before he stabilized his figure.

Seeing this scene, Zhu Zhishan finally had confidence on his face.

“Chen Ping, I want to taste the feeling of being abused, but it’s a pity that you don’t have the ability...”

Zhu Zhishan said with a joking expression.

“Okay, I’m not in the mood to play with you anymore...”

Chen Ping took a deep breath, and then opened his right hand!

The Dragon-Slaying Sword instantly appeared in Chen Ping’s hand. When the Dragon-Slaying Sword appeared, the surrounding world seemed to change color instantly.

Waves of buzzing sounds came from the Dragon-Slaying Sword, as if it was making a bloodthirsty roar!

Zhu Zhishan looked at the Dragon-Slaying Sword in Chen Ping's hand and felt the aura emanating from the Dragon-Slaying Sword, and his face became extremely ugly.

Chen Ping took a deep breath, and the spiritual power in his body began to boil.

"Nine Shadows Sword Technique, the First Sword..."

Chen Ping raised the dragon-slaying sword high, and then his body rose into the air.

The dragon-slaying sword in his hand was slashed from top to bottom.

The huge sword light went towards Zhuzhi Mountain in an instant.

boom!

The sword light slashed hard in front of Zhu Zhishan, and a deep ravine instantly appeared on the ground!

Zhu Zhishan retreated quickly, then rolled around like a lazy ass, barely dodging Chen Ping's sword!

At this time, Zhu Zhishan was in a state of disarray. Although he was not hit by a sword, the huge sword energy still caused white marks to appear on his armor!

Chapter: 2153

Zhu Zhishan looked at Chen Ping in disbelief. He knew his own strength, so he was probably no match for Chen Ping. In the beginning, Chen Ping fought against him, just to practice with him!

Thinking of this, Zhu Zhishan no longer had the arrogance he had just now. He hurriedly got up from the ground, turned around and ran away!

The dignified leader of the Martial Arts Alliance was like a lost dog at this moment, turning around and running away without the slightest hesitation.

“It’s not that easy to leave...”

Chen Ping snorted coldly, jumped up, and then swung the dragon-slaying sword in his hand again.

“Nine Shadows Sword Technique, the second sword...”

A white bolt of sword light shot out from the Dragon-Slaying Sword and headed straight towards Zhu Zhishan who was escaping.

Although Zhu Zhishan turned his back to Chen Ping, he still felt the danger. He did not dare to look back and could only jump to one side desperately!

Pfft.....

Zhu Zhishan escaped the fatal blow, but the sword light passed through Zhu Zhishan’s left arm and cut off Zhu Zhishan’s left arm in one fell swoop.

Blood spurted out, and Zhu Zhishan frowned in pain!

But he didn’t dare to stop at all. He didn’t even have time to stop the bleeding. He jumped up and disappeared into the woods!

Chen Ping caught up and looked at his left arm that fell to the ground, with murderous intent in his eyes!

“Hmph, even if I catch you in Kyoto, I will kill you with my sword...”

A light blue flame instantly flashed on Chen Ping’s palm, and then with a wave of his hand, Zhu Zhishan’s left arm was burned clean!

At the same time, Zhu Zhishan endured severe pain and had escaped dozens of kilometers!

At this moment, his face was pale, and there was no trace of blood in his face!

Finding that Chen Ping had not caught up, Zhu Zhishan sat under a tree and took a breath!

Looking at his broken arm, Zhu Zhishan was filled with anger!

You must know that if you lose an arm, Zhu Zhishan's strength will be greatly reduced!

Now he is no longer a match for Chen Ping. Let alone Chen Ping, it would be difficult to deal with a half-step Wuhou.

"Chen Ping, if I don't avenge this revenge, I swear I won't be a human being..."

Zhu Zhishan roared out angrily.

Standing up slowly, Zhu Zhishan looked in the direction of Kyoto, but he did not go towards Kyoto.

Chapter: 2154

He knew that returning to Kyoto would only lead to death.

If he wants to take revenge now and kill Chen Ping, he must find helper!

After pondering for a moment, Zhuzhi Mountain turned back again and headed south.

Not far from here towards the south is the endless sea!

Zhu Zhishan got on a small boat and sailed to the depths of the sea!

.....

Kyoto, at the door of the Martial Arts Alliance!

Chen Ping stood here quietly. He planned to break into the martial arts alliance and rescue Su Yuqi.

Zhu Zhishan had one of his arms cut off by himself, so he had nothing to fear!

Chen Ping held the dragon-slaying sword tightly, and his indestructible golden body was ready.

At this moment, Chen Ping was like a murderous god, full of murderous intent.

But just when Chen Ping was about to enter the martial arts alliance, someone suddenly tapped him on the shoulder.

Chen Ping suddenly returned his hand and slapped him with one palm. When he saw clearly the person who was photographing him, he stopped immediately!

The wind roared from his palm, and although Chen Ping stopped in time, he still made the opponent feel bursts of burning pain on his skin!

“Chen Ping, you are really much stronger!”

Xing Jun rubbed his face and said to Chen Ping.

“Captain Xing, what are you doing here?”

Chen Ping asked a little strangely.

“Of course I’m here to find you. Mr. Shi had long expected that you would break into the Martial Arts Alliance again, so he asked me to take you back...”

Xing Jun said.

“How would Mr. Shi know that I have returned to Kyoto?”

Chen Ping frowned slightly, but soon said firmly: “I won’t go back, I have to rescue my girlfriend...”

Looking at Chen Ping’s determined look, Xing Jun said helplessly: “Mr. Shi knows that you will definitely be stubborn, so let me tell you, if you break into the martial arts alliance this time, you will definitely die. Don’t think that yours is immortal. Body, a lot of people know about your little secret!”

Chen Ping was stunned and looked at Xing Jun in disbelief. This look directly made Xing Jun look bad!

Chapter: 2155

“Don’t look at me like this. Mr. Shi asked me to tell you this. I don’t know what secrets you have...”

Xing Jun waved his hand quickly and said.

Chen Ping said nothing. He was extremely shocked. Now he began to doubt Mr. Shi’s identity.

Could it be that Mr. Shi is also a powerful immortal cultivator?

I am now a cultivator in the Nascent Soul realm. Is this realm not worth mentioning in Mr. Shi’s eyes?

Chen Ping couldn’t understand, let alone why Mr. Shi did this!

After a while, Chen Ping nodded and agreed to leave with Xing Jun!

When leaving, Chen Ping looked back at the Martial Arts Alliance: “Yu Qi, don’t worry, I will rescue you sooner or later.”

Chen Ping followed Xing Jun to a seemingly ordinary courtyard!

Chen Ping was a little confused. He usually met Mr. Shi in the Dharma Protector Pavilion. Why did he come to such a place this time?

“Captain Xing, why did you bring me here?”

Chen Ping asked puzzledly.

“Of course I want you to meet Mr. Shi...”

Xing Jun replied.

Chen Ping didn’t ask anything and followed Xing Jun towards the room.

When he walked into the room, Chen Ping felt that this ordinary courtyard was not simple, because he felt that there were auras surging everywhere around the courtyard, and there were many hidden mechanisms and formations!

This should be where Mr. Shi lives and works. This is Chen Ping’s first time here.

“Chen Ping, please sit down for a while. Mr. Shi will be here in a moment...”

Xing Jun poured Chen Ping a cup of tea and said.

“Thank you Captain Xing...”

Chen Ping quickly picked up the teacup and followed Xing Jun to thank him.

Xing Jun gave Chen Ping a meaningful look, then walked out of the room and closed the door.

But the moment Xing Jun closed the door, the house suddenly trembled, and then he heard a rumbling sound.

Chen Ping frowned, then his expression changed drastically, and he suddenly stood up and rushed out of the room.

Chapter: 2156

But just as he rushed to the door, he saw an iron gate that instantly sealed the door.

Then a faint white light appeared all around, like a light curtain, locking Chen Ping in the room.

When Chen Ping saw this, he suddenly raised his hand and clapped it with his palm.

boom!

There was an explosion, and Chen Ping's body was instantly bounced back.

Only then did Chen Ping realize that the entire room was covered with taboos, and he couldn't get out at all.

"Xing Jun, what do you mean?"

Chen Ping roared angrily, then held the Dragon-Slaying Sword in his hand, and then slashed hard at the iron gate in front of him.

clang!

The huge sound was deafening, but the terrifying counterattack force made Chen Ping retreat continuously, and the tiger's mouth was numb from the shock.

This terrifying sword actually only cut a small gap in the iron gate.

Chen Ping saw a gap in the iron gate, so he swung his sword and slashed at it again!

Dang Dang Dang.....

There was another roar, and there were many small gaps in the iron gate, but at this time, Chen Ping's tiger's mouth was already dripping with blood.

The entire house was shaking under Chen Ping's desperate slashes.

Xing Jun stood in the yard, looking at the shaking house, and listening to Chen Ping's roar, his face became a little unbearable!

At this time, Mr. Shi's figure slowly appeared and stood beside Xing Jun.

"Mr. Shi, we are..."

Xing Jun didn't understand what Mr. Shi was going to do and why he wanted to arrest Chen Ping.

"You are not allowed to let him out without my order..."

Mr. Shi did not explain, but coldly put down a word, turned around and left.

Xing Jun sighed, and finally turned around and left.

At this time, Chen Ping was still slashing desperately, even if the tiger's mouth was filled with blood, he did not give up.

In the end, the spiritual power in Chen Ping's body was completely exhausted, and he could no longer swing a sword. Chen Ping collapsed on the ground.

Chapter: 2157

"why why....."

Chen Ping roared angrily. He wanted to know why this was and why he had to lock himself up.

Just when Chen Ping was very depressed, he suddenly remembered that he still had the Qiankun Circle, a time and space weapon that could allow him to escape from here.

Chen Ping hurriedly took out the Qiankun Circle from the storage ring and hurriedly threw it into the air.

However, the space-time black hole did not appear, and the Universe Circle fell to the ground with a crisp sound.

"This...this forbidden power can't even use this kind of time and space weapon..."

Chen Ping sat down again helplessly, with a look of frustration on his face!

.....

Within the Kyoto Martial Arts Alliance!

At the top of the hall, a looming person sat there, exuding a terrifying murderous aura.

On both sides of the hall, there are more than a dozen people wearing black robes, all of whom hide themselves under the black robes!

Because of the black robes, it was impossible to see the faces of these people. There was a circular pattern in the middle of the black robes these people wore, and these patterns were distinguished by color.

Some black robes have a bronze color in the middle, some are silver gray, and one is golden yellow. Each color represents the different strength and status of the black robe person.

“Where did that trash from Zhuzhishan go?”

Dang Neng, who was sitting on the main seat, asked coldly.

“Damneng, Zhu Zhishan went to Penglai Island, he should be looking for help...”

A man in black gold robe said respectfully.

“Hmph, this good-for-nothing did figure out the secret at the last moment.”

The great leader snorted coldly: “You must speed up the creation of masters now. We need stronger spokespersons in the martial arts world. As for Zhu Zhishan, we are giving him a chance...”

“Understood.....”

The black gold robe nodded.

Then there was a wave of fluctuation, the terrifying murderous aura disappeared, and the great power also left.

When Dang Neng left, everyone let out a long breath.

“Have you heard clearly what Mighty said?”

Chapter: 2158

The black gold robe looked at everyone and asked coldly.

“Listen clearly...”

The other men in black robes responded in unison.

Then the black gold robe looked at a black bronze robe and said: “You stay in the Martial Arts Alliance to assist Zhu Zhishan and create more masters...”

“Subordinates obey orders...”

The black copper robe said in a hoarse voice.

Soon, all the men in black robes left, leaving only the black copper robe standing in the hall.

The black copper robe slowly took off his black robe, revealing a fair and delicate face.

If Chen Ping saw this person, he would definitely be shocked.

This person is none other than Ning Zhi, who has been missing for some time!

At this time, Ning Zhi had already been reborn, with a somewhat feminine aura on his body, and his skin was fairer and firmer, but the coldness in his eyes remained the same!

“Chen Ping, you would never have thought that I, Ning Zhi, would enter the Martial Arts Alliance, would you? You would never have thought that I could control the entire Martial Arts Alliance...”

Ning Zhi's eyes were venomous and he said with a slightly raised corner of his mouth.

"Okay, stop being narcissistic and do your own thing well. You have to remember who gave you everything you have now..."

Suddenly, Cang Lao's hoarse voice sounded in Ning Zhi's mind.

The smile on Ning Zhi's face dropped instantly, and then became extremely respectful!

"I understand!" Ning Zhi nodded respectfully, and then walked towards the backyard of the Martial Arts Alliance.

"Senior, can I ask, are the people in black robes at the meeting just now the same as me?"

On the way, Ning Zhi asked curiously.

When the meeting was held just now, it was not Ning Zhi but the soul in his body who was holding the meeting, but Ning Zhi had some consciousness at the time.

So now he is curious whether these people are like him, people possessed by spirits.

"Remember what I said, you are just a host body. Without you, I can definitely find a replacement."

"You do your own thing and don't ask questions that you shouldn't ask, otherwise I won't mind swallowing your soul and finding a new host!"

A stern and angry voice appeared in my mind!

Chapter: 2159

Ning Zhi was so frightened that he didn't dare to speak for a moment, but walked straight to the dungeon of the Martial Arts Alliance!

Ning Zhi skillfully opened the dungeon and then walked deep into a very secret room!

The door to the room opened, and four shirtless young men were sitting cross-legged on the ground practicing!

In front of the four people, there were syringes that had just been used, with blood stains still inside!

When they heard someone coming, the four people instantly opened their eyes and stood up, then nodded respectfully towards Ning Zhi.

Ning Zhi looked at the four people in front of him, his eyes full of heat, because he felt that the strength of the four people in front of him was growing very fast, and they were about to surpass him.

As if he could see Ning Zhi's envy, an old voice sounded in his mind: "That little girl's terrifying bloodline is really powerful. In a short time, she turned these four people into powerful Wuhou men. In time, these four people can He has made a name for himself in Kyoto's martial arts world."

"But now that they are getting stronger, they are just dolls at the mercy of others. Do you want to be like them?"

"No, no, no, I don't want to..."

Ning Zhi shook his head repeatedly!

"The Long family is now applying for a trial. If Zhu Zhishan is not here, you will be solely responsible for the martial arts alliance. After arranging these four people for the trial, it is time to let them show up..."

The old voice ordered to Ning Zhi.

"I understand!" Ning Zhi nodded.

Then, Ning Zhi took out something similar to a seal, and then bursts of black light flashed above the seal.

Ning Zhi took the seal and placed it on the chests of the four people in front of him.

A burst of smoke rose, and then a very clear circular pattern appeared on the chests of the four people!

And this pattern is exactly the same as the pattern on the chests of the men in black robes.

After doing all this, Ning Zhi left the room.

After leaving this secret room, when Ning Zhi passed a fork in the road, Ning Zhi turned his head slightly and looked at the room at the end of the side, with a bit of greed in his eyes!

Just as Ning Zhi looked over, a flash of pain suddenly flashed in his mind, causing Ning Zhi to frown instantly.

"I'm telling you, don't touch that little girl. If you dare to touch that little girl, not only you, but also me will be wiped out and never be reborn again..."

The old voice warned Ning Zhi sternly.

At this time, Ning Zhi was so frightened that he broke into a cold sweat and quickly put away his little thoughts.

He knew that no matter what he thought, he could not escape the soul in his body!

Chapter: 2160

After returning to the hall, people from the Martial Arts Alliance immediately came in to report!

“The head of the Long family, Long Jingguo, wants to see the leader of the alliance. What should we do?”

The man from the martial arts alliance asked Ning Zhi.

“The head of the Long family is here, so let’s invite him in...”

After Ning Zhi finished speaking, he sat directly on the main seat!

Long Jingguo walked directly into the hall with a document in his hand.

When he saw that the person sitting on the main seat was Ning Zhi, he was instantly stunned.

“Ning Zhi?” Long Jingguo frowned slightly: “Why are you doing this? Where is Leader Zhu?”

“Master Long, please take a seat!” Ning Zhi smiled faintly: “I hope the leader is away if you have something to do. I am now the deputy leader of the Martial Arts Alliance...”

“Are you kidding?” Long Jingguo Li shouted: “You are a lost dog, how can you be the deputy leader? And this position of deputy leader requires voting, how can you be chosen!”

When Ning Zhi heard the words “bereaved dog”, his face instantly became extremely cold!

This was the pain in his heart. His Ning family was destroyed by Chen Ping, and his good son of the Ning family has now become a lost dog among everyone.

“You can question me, but you have to pay attention to the way you speak...”

After Ning Zhi finished speaking, the aura on his body suddenly surged, overwhelmingly pressing towards Long Jingguo.

Long Jingguo is a veteran martial arts sect, and his strength is not as strong as Zhu Zhishan. How can he be afraid of a young boy like Ning Zhi.

Even if Ning Dahai is still alive, Long Jingguo is not afraid, let alone Ning Zhi.

Long Jingguo's body trembled slightly, and a majestic aura exploded out of his body, and he faced him directly.

But as soon as the two breaths collided, Long Jingguo felt his body tighten, and then he was pressed by a huge force, and he sat down on the chair with a thud.

The chair under him was shattered instantly, making Long Jingguo look very embarrassed!

Long Jingguo looked at Ning Zhi in shock, his eyes full of disbelief.

In this short period of time, Ning Zhi's strength has grown so fast!

"Master Long, I said I am the deputy leader, that is, the deputy leader. This is a token, you can take a look..."

With that said, Ning Zhi casually took out a piece of white jade from his arms, with a lifelike eagle head carved on it!

After Long Jingguo saw the jade, his expression changed again and again, and finally he threw it to Ning Zhi again!
