

The Order 2161

Chapter: 2161

Looking at Long Jingguo's expression, Ning Zhi raised his lips slightly: "Master Long, do you want to hold a trial when you come here this time?"

Long Jingguo nodded: "Yes, this is the information..."

Long Jingguo put the documents in his hand on Ning Zhi's desk!

Ning Zhi glanced at it casually for a few times, then frowned slightly: "Longsuo Island?"

"Yes, this Dragon Lock Island is originally the land of my Dragon family, so it is very appropriate to test on Dragon Lock Island!"

Long Jingguo nodded and said.

"But this Dragon Lock Island has now become an ordinary island and a tourist attraction. There are no resources at all, so why do you want to test it?"

Ning Zhi was too smart to lock Dragon Island. At that time, he tricked Chen Ping into locking Dragon Island. In the end, Chen Ping got the dragon crystal but he got nothing and offended Chen Ping!

Long Jingguo smiled slightly: "Although the two dragons of ice and fire on Suolong Island have disappeared, there is still a ruins under Suolong Island that no one has ever entered. I heard that it is extremely dangerous inside, so this trial, What we need to find are the elites of the younger generation!"

"Are there really any ruins left?" Ning Zhi didn't quite believe it!

"Of course. If it's just an ordinary island and I apply for this trial, wouldn't I want the participants to curse my Long family to death?"

Long Jingguo said.

Ning Zhi was right when he thought about it. This kind of thing is no joke. There are so many people going to the trial, and they are all elites. If there really is nothing, the Long family will be stinky in the martial arts world!

Thinking of this, Ning Zhi also wanted to participate in this trial to see what relics the Long family had concealed for so long!

It's just that his current status is obviously not suitable for participating in the trial.

"Master Long, your application can be approved by the Martial Arts Alliance, but I need to recommend four young talents from the Martial Arts Alliance to participate. What do you think?"

Ning Zhi asked Long Jingguo.

"Of course there is no problem. This trial is meant to cultivate young talents in the martial arts world, so the more people who participate, the better!"

The Long family smiled lightly.

Seeing that Long Jingguo agreed, Ning Zhi ordered someone to bring the seal of the Martial Arts Alliance, and then directly stamped it with the document brought from Long Jingguo.

With the seal of the Martial Arts Alliance, Long Jingguo can show it to Mr. Shi. As long as the official approves it, the trial will be officially passed.

As for who should be added, Long Jingguo has no special requirements. After all, these people are just serving as resources for Long Xiao. When the time comes, the skills of these people will be absorbed by Long Xiao!

During the trial, it was normal for a few people to die. No matter who died, no one would suspect the Long family.

Long Jingguo left, and Ning Zhi held the seal of the Martial Arts Alliance in his hand, and his whole person fell into an extreme excitement!

Chapter: 2162

“This feeling is so good, so good...”

Ning Zhi burst out laughing.

The pleasure brought by power made Ning Zhi start to forget everything!

“As long as you are obedient, you will get more in the future, and even reorganizing your Ning family will only take a matter of minutes!”

In my mind, that old voice suddenly came to mind.

“Senior, I will definitely be obedient...”

Ning Zhi’s eyes sparkled, he must reorganize the Ning family and let everyone in the martial arts world see it!

.....

Dharma Protector Pavilion!

Mr. Shi was waiting for Long Jingguo. After Long Jingguo stamped his seal on the Martial Arts Alliance, he contacted Mr. Shi and rushed over without stopping.

Soon, Long Jingguo arrived, holding the document in his hand and respectfully delivering it to Mr. Shi.

But Mr. Shi didn't read it and pushed the document aside!

This move made Long Jingguo's heart tighten slightly!

If Mr. Shi does not agree, then even if the Martial Arts Alliance stamps it, it will be useless.

"Mr. Shi, this is the information for the trial that our Long family will hold. The Martial Arts Alliance has approved it, so..."

Long Jingguo whispered to Mr. Shi.

He hoped Mr. Shi would take a look and give them a pass!

"Don't look any further, I can promise your Long family to hold a trial!"

Mr. Shi said calmly.

When Long Jingguo heard this, he immediately smiled and said, "Thank you very much, Mr. Shi."

"But I have a condition..."

Mr. Shi then continued.

Long Jingguo was stunned and immediately said: "Mr. Shi, please speak!"

"Chen Ping will also participate in this trial..."

Chapter: 2163

Mr. Shi said.

“Chen Ping?” Long Jingguo was stunned for a moment. He didn’t expect Mr. Shi to speak directly for Chen Ping!

Seeing Long Jingguo and Chen Mo, Mr. Shi frowned slightly: “What, you don’t agree?”

“No, no, no...” Long Jingguo waved his hands repeatedly: “It’s just that this trial site is extremely dangerous and there will be great dangers. I’m afraid that something unexpected will happen to Chen Ping...”

In fact, Long Jingguo was not afraid of Chen Ping’s accident, but he was afraid of Long Xiao’s accident!

After all, Chen Ping is an uncertain factor. The purpose of this trial is to let Long Xiao absorb other people’s skills. If Chen Ping also participates, Long Xiao will definitely seek revenge on Chen Ping.

And Chen Ping’s current strength is unfathomable. If Long Xiaozhen doesn’t underestimate Chen Ping, it will be in danger.

“Of course I understand this. The place of trial, life and death are determined by fate...”

Mr. Shi said coldly.

Seeing that Mr. Shi had said this, Long Jingguo could only nod his head and said: “Since Mr. Shi said so, Chen Ping can participate, but if something unexpected happens, I hope Mr. Shi will not blame the Long family...”

“Don’t worry!” Mr. Shi said and threw the document back: “The application was approved...”

Mr. Shi waved his hand, and Long Jingguo withdrew from the Dharma Protector Pavilion!

After leaving the command of the Protector Pavilion, Long Jingguo's face looked ugly. He wanted to go back and plan this trial again. No accidents would happen because of Chen Ping's participation!

.....

South China Sea, Penglai Island...

After two days of sailing from Zhuzhi Mountain, we finally arrived at this fascinating island!

There are only tens of thousands of people on Penglai Island, but everyone here is a powerful master, and there are no ordinary people. It is said that the weakest have reached the level of a grandmaster!

Penglai Island is located in the distant sea and is surrounded by a vast ocean, so the aura here is obviously much more abundant than other places!

Slowly, some immortal cultivators gathered on Penglai Island.

Later, word of mouth spread, and Penglai Island became a fairy island!

However, only those who really know understand that Penglai Island is not as beautiful as people imagine, and the people here are not gods flying into the sky. Most of them still live the lives of ordinary people!

The entire Penglai Island is controlled by a guy named Duda. He is the emperor of Penglai Island, and everything depends on him.

But this Duda had a friendship with Zhu Zhishan. After Zhu Zhishan discovered Chen Ping's identity as an immortal cultivator, he immediately thought of Duda.

Because Zhu Zhishan knows that in this society with exhausted spiritual energy, immortal cultivators have long been unable to adapt to the development of the times, and many immortal cultivators have very low strength.

Chapter: 2164

But this Chen Ping has been able to improve by leaps and bounds in just a few months. There must be some reason for this, and Zhu Zhishan wants to use this to get Duda to take action against Chen Ping!

“who are you?”

Outside a palace, two guards stopped Zhu Zhishan!

At this moment, Zhu Zhishan had lost an arm, and after two days of sailing, he was already exhausted and looked haggard, like a beggar!

“I’m here to see Duda, please let me know...”

Zhu Zhishan said very politely.

A guard looked Zhu Zhishan up and down, and then said with a cold face: “How dare you, a beggar, dare to call our King Du by his first name?”

“Brother, you have misunderstood. I am not a beggar. I am a friend of your King Du. I came here specifically from the interior to find him.”

Zhu Zhishan hurriedly explained in a low voice.

The dignified leader of the Martial Arts Alliance is now so groveling.

The guard looked at Zhu Zhishan again, and then said coldly: “Come with me...”

Zhu Zhishan followed the guard through a palace, and then came to a stone wall. After pressing the button, a door opened in the stone wall!

There are birds singing and flowers fragrant here, and the environment is very beautiful!

Zhu Zhishan looked at the scenery here and couldn't help but admire. It would be extremely comfortable to be a local emperor in a place like this.

Soon, the guard took Zhu Zhishan to a place surrounded by immortal energy, and then said: "Prince Du, an old friend of yours is visiting..."

"It's my wish, brother, let him come in..."

A loud voice came over!

After Zhu Zhishan heard this, he immediately walked in quickly: "Brother Du, your place is really a fairyland on earth..."

"Brother Zhu, you are so complimentary. How can I be as cool as you, the leader of the Martial Arts Alliance? In Kyoto, which sect and family wouldn't flatter you?"

Duda said with a faint smile!

When Duda saw Zhu Zhishan's appearance clearly, he suddenly frowned: "Brother Zhu, what's wrong with you?"

"Hey, Brother Du, it's a long story..."

Zhu Zhishan sighed, and then told the story exactly as it was.

When Duda heard that Zhu Zhishan had been injured by a young man in his twenties, his face couldn't help but change.

Chapter: 2165

“Brother Zhu, is there such a genius in Daxia now? At such a young age, he can’t even defeat you?”

Duda’s eyes narrowed slightly.

“Brother Du, you don’t know something. This Chen Ping is an immortal cultivator...”

Before Zhu Zhishan finished speaking, he saw Du Da standing up suddenly, with a face full of disbelief:
“What? An immortal cultivator? How could such a young immortal cultivator be stronger than you?”

“Now that the spiritual energy is exhausted, even if he cultivates from his mother’s womb, he will not be able to surpass you. This is simply impossible...”

Duda simply doesn’t believe that in today’s society, there are immortal cultivators who can practice so fast!

“Brother Du, this Chen Ping has had many adventures. His strength has grown so fast. It should be related to a dragon crystal in his body...”

Zhu Zhishan said, and then told Chen Ping that there was dragon crystal in his body.

When Duda heard this, his eyes began to shine with greed.

Seeing Duda like that, Zhu Zhishan smiled secretly. He knew that Duda was persuaded by him.

“That kid even defeated you. He must have reached the middle stage of Nascent Soul, but he is not enough to look at in front of me...”

As he spoke, Duda’s aura suddenly exploded.

It was impressive that he was in the middle stage of Nascent Soul. Feeling the aura on Duda’s body, Zhu Zhishan felt a chill in his heart!

“Brother Du, if you come forward, Chen Ping will definitely die...”

Zhu Zhishan praised Duda.

“I relied on Penglai Island and practiced for decades, and then I reached the realm of Yuanying. I didn’t expect that a young boy could cultivate Yuanying in a short time with a dragon crystal. Now I am During the bottleneck period, just use the Nascent Soul and Dragon Crystal in this kid’s body to break through...”

Duda’s eyes narrowed slightly and he said coldly.

“Brother Du, what is this Nascent Soul?”

Although Zhu Zhishan knew that there were immortal cultivators, he did not know much about the realm of immortal cultivators because they had been hiding for many years.

“Brother Zhu, I told you, but you don’t understand. I’m just telling you that as long as the Nascent Soul does not die, my body will be immortal. Even if my body is destroyed, it can still grow back.”

Duda said calmly.

Hearing what Du Da said, Zhu Zhishan suddenly realized. He finally understood why he watched Chen Ping die but came back to life.

It turns out that Chen Ping had a Nascent Soul in his body, so he didn’t kill the Soul Soul. Even if his body was beaten to pieces, he couldn’t kill Chen Ping at all!

If he doesn’t come to Penglai Island this time, Zhu Zhishan still doesn’t know the reason!

Chapter: 2166

Zhu Zhishan did not stay long, but left Penglai Island with Duda!

Du Da is also eager to get the dragon crystal, and by the way, he also gets Chen Ping's Nascent Soul. These are treasures and can help with cultivation.

Duda has been trapped in this realm for many years, but there is no way to break through!

The entire Penglai Island seems to be under a curse, and no one can break through to the middle stage of Nascent Soul.

.....

Kyoto, Dharma Protector Pavilion!

Xing Jun followed Mr. Shi and reported with a solemn expression.

"Mr. Shi, Du Da, whom Zhu Zhishan invited from Penglai Island, is going to deal with Chen Ping."

Xing Jun knew who the characters were on Penglai Island, so the people Zhu Zhishan found this time would definitely pose a great threat to Chen Ping.

"Penglai Island?" Mr. Shi smiled slightly: "It seems that this guy Chen Ping has finally met his opponent. If he knew that I gave him such a big gift, would he thank me so much?"

"Big gift? What does Mr. Shi want to give to Chen Ping?"

Xing Jun asked with a puzzled look.

"Hahaha, isn't this Duda a big gift from me?"

Mr. Shi laughed twice and then stood up: "Follow me and let Chen Ping out. I think he will go crazy from holding back..."

Mr. Shi followed Xing Jun to the courtyard. At this moment, Chen Ping was locked in a room. He tried his best and couldn't escape at all, so he resigned to his fate.

Sitting cross-legged and meditating every day, it's a pity that the spiritual energy is very small, and it has no effect on Chen Ping's strength improvement!

Just when Chen Ping closed his eyes and was immersed in practice, the door suddenly opened, and a ray of dazzling sunlight came in.

Chen Ping suddenly opened his eyes and found that the confinement in the room had disappeared. Chen Ping jumped out of the room.

When he saw Mr. Shi, he suddenly became furious.

He was locked in the room for several days for no reason, which made Chen Ping very angry!

"What do you mean? Why do you want to lock me up? Why?" Remember the URL

Chen Ping asked Mr. Shi loudly.

Mr. Shi looked at Chen Ping calmly: "If I hadn't locked you up, you would have been a corpse by now. You are not a god, and you can't bring the dead back to life..."

"With your current abilities, you can't save your girlfriend at all. How dare you break into the martial arts alliance..."

Chapter: 2167

"Then Zhu Zhishan has been defeated, why can't he rescue my girlfriend?" Chen Ping looked puzzled.

Zhu Zhishan is the leader of the Martial Arts Alliance. Although the Martial Arts Alliance has many members, there are probably not many people who are stronger than Zhu Zhishan.

“Huh, then Zhu Zhishan is just a pawn in the Martial Arts Alliance. He, the leader of the alliance, can be replaced at any time. Do you think that after defeating Zhu Zhishan, you can freely enter and exit the Martial Arts Alliance? It’s just a dream...”

After Mr. Shi finished speaking, he slapped Chen Ping with his palm.

Chen Ping was startled, then suddenly burst out with spiritual power, and then punched to block it!

boom.....

After a loud noise, Chen Ping’s body instantly flew more than ten meters and hit the wall heavily!

Looking at Mr. Shi, he stood calmly, as if he had never moved his hands.

“If I kill you, it’s just a matter of breathing. Do you still think you are invincible now?”

Mr. Shi asked coldly.

Chen Ping slowly got up, stared at Mr. Shi closely, and then said: “Since you are so powerful, why don’t you destroy the Martial Arts Alliance?”

“Don’t you know that there are many evil cultivators in the martial arts alliance now? Then Zhu Zhishan is an evil cultivator. As a law enforcer in the martial arts world, shouldn’t you eliminate harm for the people? Shouldn’t you rescue my girlfriend?”

Chen Ping loudly questioned Mr. Shi. He wanted to know what Mr. Shi was waiting for and why he didn’t take action against the Martial Arts Alliance.

Xing Jun on the side turned pale with fright when he saw Chen Ping's attitude in questioning Mr. Shi, and hurriedly winked at Chen Ping.

But Chen Ping seemed not to notice, staring at Mr. Shi. He wanted Mr. Shi to answer him.

If Mr. Shi is so powerful, why are evil cultivators still rampant in Kyoto's martial arts world...

Mr. Shi did not speak. After looking at Chen Ping, he turned and walked out: "When it's time for you to know, you will naturally know."

"Zhu Zhishan is looking for someone to kill you. Here is the information. This person is my gift to you. I believe he will be very useful to you."

Mr. Shi did not look back, but casually threw a piece of information to Chen Ping!

Chen Ping opened the information and wanted to see who Zhu Zhishan had found to kill him, and what Mr. Shi's words meant. Why was this person useful to him?

When Chen Ping opened the information and took a look, his eyes suddenly shone with light.

He never thought that Zhu Zhishan would find an immortal cultivator in the Nascent Soul realm to kill him.

Facing someone with the same strength as himself, Chen Ping didn't have the slightest fear, but was filled with excitement.

He knew what this Immortal Cultivator of Nascent Soul represented to him.

Chapter: 2168

If he could kill the opponent and take out the Nascent Soul, Chen Ping's strength might be even higher.

“How do you know I can kill him? What if my strength is no match for the opponent?”

Chen Ping read the information and asked Mr. Shi.

Listening to what Mr. Shi said, it was obvious that Chen Ping was sure that Chen Ping could kill him.

“If you are not hostile to the other party, it proves that your life is doomed, and it also proves that I have misjudged the person...”

After Mr. Shi finished speaking, he slowly walked out.

Chen Ping held the information and watched Mr. Shi’s back slowly disappear. His eyes were shining, and it was impossible to tell what he was thinking.

“Chen Ping, don’t let Mr. Shi down, you can do it...”

After Xing Jun finished speaking, he hurriedly chased Mr. Shi.

After Mr. Shi and the others left, Chen Ping looked through the information again and muttered to himself: “Penglai Island, Penglai Island...”

“This Penglai Island must be a place full of spiritual energy. There may be other treasures there. I must go and see it when I have time...”

Chen Ping’s eyes were full of fire, and he was even more looking forward to meeting Duda soon.

.....

Martial arts alliance!

Zhu Zhishan walked in with Duda.

Everyone in the martial arts alliance was surprised when they saw Zhu Zhishan losing an arm, but no one dared to ask.

Zhu Zhishan took Duda all the way to the hall. As soon as he entered the hall, he saw a person sitting in his seat. This made Zhu Zhishan instantly furious!

Although he failed to kill Chen Ping, the senior leaders of the Martial Arts Alliance may replace him, but they have not yet officially notified him. Then he is still the leader of the Martial Arts Alliance. How could he let others sit in this position.

“You bastard, who asked you to sit in my seat?”

Zhu Zhishan shouted angrily!

Ning Zhi, who was sitting on the seat at this time, raised his head and saw that it was Zhu Zhishan. He stood up quickly and said with a smile: “It turns out that the leader of Zhu Zhi is back. You are tired from the journey, so sit down quickly...”

“Ning Zhi?” Zhu Zhishan looked at Ning Zhi with a puzzled face, wondering why Ning Zhi appeared in the hall of the Martial Arts Alliance.

And just sitting in his seat, no one stopped him?

“Why are you here? Who let you in?”

Chapter: 2169

Zhu Zhishan asked Ning Zhi.

“Zhu Alliance Leader, I am specifically assisting you now. I am the deputy leader of the alliance...”

Ning Zhi said, taking out the jade that represented his identity.

Seeing the jade, Zhu Zhishan didn't say anything, but he was very puzzled. Why did the senior officials above suddenly choose Ning Zhi to be the deputy leader?

However, Ning Zhi was appointed as the deputy leader, which meant that he, the leader, was fine for the time being. Although Chen Ping was not killed, it seemed that the higher-ups did not intend to pursue him.

"Ning Zhi, since you are assisting me, then do your best. Chen Ping destroyed your Ning family. I have already found experts. After killing Chen Ping, I will help you rebuild the Ning family..."

Zhu Zhishan patted Ning Zhi on the shoulder and said like an elder.

"Thank you, leader..."

Ning Zhi smiled slightly, but deep in his eyes, there was full of disdain.

He looks down on Zhu Zhishan at all now, not to mention that now that Zhu Zhishan has lost an arm, his strength is not as good as before.

"This should be Prince Du, right?"

Ning Zhi looked at Du Da and slowly stretched out his hand!

Du Da looked at Ning Zhi coldly, frowning slightly, and there was a bit of caution in his eyes. He seemed to see something.

But Du Da didn't say anything. He just shook hands with Ning Zhi after being stunned for a moment.

“Ning Zhi, do you know whether Chen Ping has returned to Kyoto?”

Zhu Zhishan asked Ning Zhi about Chen Ping’s whereabouts!

“Chen Ping is in Kyoto, but no trace of Chen Ping has been found in the past few days. I wonder if he is hiding!”

Ning Zhi replied.

“Hmph, even if he hides in the ends of the earth, I can still find him...”

Zhu Zhishan looked at his broken arm, and then said with a sinister expression.

After finishing speaking, Zhu Zhishan waved his hand: “I’ll chat with Brother Du for a while. You can go out. I’ll call you if something happens...”

“Okay...” Ning Zhi nodded and walked out of the hall!

Ning Zhi walked back and Zhu Zhishan sat on the main seat and said to Du Da: “Brother Du, after you kill Chen Ping and have a good time in Kyoto for a few days, I will entertain you well...”

Duda smiled slightly: “Brother Zhu, you think you should have a sense of crisis. Now you may become an abandoned child.”

Chapter: 2170

Zhu Zhishan was slightly startled: “Brother Du, what do you mean by this? Could it be that you saw something?”

“I didn’t see anything, I’m just reminding you!” Du Da shook his head: “I want to take a rest first, and you can send someone to find out about Chen Ping’s whereabouts...”

Seeing that Du Da didn't say anything, Zhu Zhishan could only arrange a room for Du Da first, and then ordered someone to find out about Chen Ping.

.....

Early the next morning!

Zhu Zhishan was still sleeping, but was awakened by a loud shout!

"Old Zhu Zhishan, I know you are back in Kyoto, come out and die quickly..."

Chen Ping stood at the door of the Martial Arts Alliance and shouted loudly.

This loud shout instantly caused Zhu Zhishan to jump up, and Duda also stood up in a hurry!

"This Chen Ping is so deceptive. He even dares to come to his door..."

Zhu Zhishan said through gritted teeth.

"I wish my brother not to be angry, just wait until I go out and kill him..."

Duda said with a relaxed look.

Soon, Duda walked out quickly, followed closely by Zhu Zhishan!

Chen Ping saw two people walking out of the Martial Arts Alliance. The one with only one arm left was Zhu Zhishan, and the burly man next to Zhu Zhishan must be Duda!

A ray of consciousness emanated from Chen Ping's body and headed directly towards Duda.

Duda's eyes flashed coldly: "Huh, what a small trick..."

With a cold snort, a golden light flashed in Duda's eyes, instantly cutting off Chen Ping's consciousness!

Chen Ping narrowed his eyes slightly: "He is really an immortal cultivator..."

When Chen Ping looked at Du Da, his eyes were full of greed and desire. He wanted to disembowel Du Da immediately and take out his Nascent Soul!

"Are you that Chen Ping?"

Du Da looked at Chen Ping in front of him and asked coldly.

"Yes, I am your Grandpa Chen Ping, who are you?"

Although Chen Ping knew about Du Da, he pretended not to know and deliberately provoked Du Da and asked.
