

The Order 2171

Chapter: 2171

Sure enough, Du Da was instantly angered by Chen Ping's words.

"Well, you ignorant kid, today I will definitely take your dragon crystal and dig up your Nascent Soul..."

Duda's body instantly erupted with a strong aura.

This aura is obviously more powerful than Zhu Zhishan, and it carries strong spiritual power fluctuations!

Chen Ping looked at Du Da coldly. He didn't expect that when Du Da came to kill him, he also came for the Nascent Soul in his body.

It seems that the two of them now have a common goal, which is to take each other's Nascent Soul!

Just when Duda was about to take action, he was stopped by Zhu Zhishan.

"Brother Du, don't do anything here again, otherwise you will disturb the officials."

After Zhu Zhishan stopped Du Da, he then looked at Chen Ping and said, "Chen Ping, do you have the courage to go to the suburbs and fight?"

"Why don't you dare? It is your grandson who is afraid of you. I will wait for you in advance, so you can just wait to die..."

Chen Ping sneered, then jumped up and headed towards the suburbs.

Zhu Zhishan's face turned pale with anger, and he gasped for breath: "Brother Du, you must peel off Chen Ping's skin and cramp..."

“Brother, don’t worry, this kid won’t survive...”

Duda’s eyes were full of light. In his eyes, Chen Ping was a good resource now.

Duda jumped up and headed towards the suburbs in an instant. Seeing this, Zhu Zhishan hurriedly followed.

.....

Inside the Dharma Protector’s Pavilion.

Mr. Shi drank tea leisurely, while Zhao Wuji stood respectfully aside.

“Mr. Shi, this morning Mr. Chen went to the door of the Martial Arts Alliance to yell and curse, as if he wanted to compete with Zhu Zhishan...”

Zhao Wuji reported in a low voice.

Upon hearing this, Mr. Shi smiled faintly: “This guy is quite positive. I hope he won’t be beaten half to death...”

Zhao Wuji was a little confused. Mr. Shi clearly defended Chen Ping in everything, but why did Mr. Shi not seem to want to help Chen Ping in this competition?

However, Zhao Wuji did not dare to ask. Now, as the master of the Dharma Protector Pavilion, he only ran errands and maintained public order. There were some things that people of his level simply could not participate in.

At this moment, Xing Jun walked in. After seeing Mr. Shi, he nodded and said, “Mr. Shi, your prediction is indeed good. This time Zhu Zhishan did not notify anyone. It seemed that he wanted to secretly kill Chen Ping. But I have already informed you...”

Chapter: 2172

“Well, you can come and have a look with me, but don’t really let this kid Chen Ping die...”

Mr. Shi put down his teacup, stood up slowly and said.

“Mr. Shi, if you go in person, will it arouse people’s suspicion? You said you would not care about Chen Ping anymore...”

Xing Jun reminded Mr. Shi.

“Did I say I should take care of him? I was just watching the fun!”

Mr. Shi smiled slightly and then walked out.

At this time, many people from sect families had gathered together in the suburbs.

The purpose of Mr. Shi’s doing this is to reduce Chen Ping’s potential enemies. When these people see Chen Ping’s strength, they will not choose to go against Chen Ping!

Zhu Zhishan looked at the people gathered in the suburbs, his expression extremely ugly. He didn’t want anyone to know this time, because this was what Duda meant.

Penglai Island is a small overseas island and is considered a hidden place. Not many people know about it, and Duda does not want too many people to know about the existence of Penglai Island.

“Brother Zhu, what does this mean?”

Duda looked at the many people gathered at the scene, frowned, and asked with a very unhappy expression.

“Brother Du, I don’t know. This time you came to Kyoto, I didn’t tell anyone, let alone so many people.”
Zhu Zhishan explained anxiously: “Could it be Chen Ping who informed ? Otherwise, I will issue an order and have the people from the Martial Arts Alliance drive these guys away.”

“Okay, now that this is the case, we can only fight quickly...”

Duda waved his hand, and then jumped in front of Chen Ping.

boom!

Duda’s huge figure directly smashed a big hole in the ground, rocks flew everywhere, and the earth trembled!

Many people were a little surprised to see Duda having such a big battle as soon as he appeared on the stage!

“Who is this guy? Is he from the Martial Arts Alliance? Does he look strange?”

“I don’t know, but the aura on this guy is so strong. I don’t know where Leader Zhu invited him from.”

“This is King Du. Seniors from decades ago should all know him. This guy used to be very powerful, but he disappeared later. I don’t know where he went.”

“This Duda went to Penglai Island. I heard that he conquered the mountains and became the king there. He became the emperor of the earth and lived a very comfortable life.”

“Where is Penglai Island?”

Chapter: 2173

Many people began to make comments, and Duda, who came from Penglai Island, gradually became known to people.

But Duda no longer cares at this time. His main purpose now is to kill Chen Ping as soon as possible and take away the Dragon Crystal and Nascent Soul!

I'm not sure whether I will come to Daxia again.

"Boy, no matter what plot you play, it's useless. You are dead today..."

Du Da thought that Chen Ping must have some conspiracy by notifying so many people to come.

"Hmph, old man, do we still need to use conspiracy to deal with you?" Chen Ping smiled coldly: "But Penglai Island is really a good place. It can actually allow you to practice to the Nascent Soul Realm. I think there must be some relics on Penglai Island. , otherwise how could there be such a strong spiritual energy."

Duda narrowed his eyes slightly: "Boy, you don't have to worry about whether there are any ruins on Penglai Island, but you have reached the Nascent Soul realm at a young age, and you are still in the inland where spiritual energy is scarce. It seems that you hide a lot of secrets. ."

"Although your skills make you invincible at the same level in the martial arts world, you are still a bit young compared to me. But seeing that it is not easy for you to practice, I will take away your dragon crystal and Yuanying, and I will not destroy your three souls and seven souls." Po, so that you can be reincarnated as a human being..."

After saying that, Duda's aura suddenly exploded, and the surrounding trees broke. Even the crowds hundreds of meters apart felt the powerful aura and retreated into the distance.

The strength of Du Da, a third-grade Martial Lord, suddenly appeared, but unlike other warriors, Du Da's aura was purer and had great deterrent power.

Feeling the aura on Du Da's body, Chen Ping's face showed a bit of disdain, but the golden light on his body flickered, and then the indestructible golden body instantly covered his whole body.

“Chen Ping, the physical body in the Nascent Soul realm is no longer important. What’s the use of protecting your body? What you should protect is your Nascent Soul...”

After Du Da finished speaking, a burst of spiritual power suddenly burst out and hit Chen Ping’s chest.

Chen Ping’s right foot suddenly burst out, and a burst of spiritual power came out, and then the two collided violently.

A simple test and collision instantly caused the earth to tremble and the world to change color!

Chen Ping followed Duda and took three steps back at the same time!

This time in the test, the two of them were evenly matched.

At this moment, several cars stopped thousands of meters apart.

Long Jingguo got out of the car. He came to observe Chen Ping and see what level of Chen Ping’s strength he had reached!

The person who got out of the other car was Mr. Shi.

“Mr. Shi...”

After seeing Mr. Shi, Long Jingguo’s body was slightly shaken, but he still stepped forward to say hello!

Mr. Shi just nodded slightly and did not speak. Instead, he straightened his body and went directly to the top of the mountain on one side to watch the battle between Chen Ping and Du Da.

Long Jingguo looked at Mr. Shi, his expression became very ugly. He didn’t understand what the purpose of Mr. Shi’s coming here was. Was he here to help Chen Ping?

Chapter: 2174

If Mr. Shi is here to help Chen Ping, or even take action when Chen Ping is in trouble, then their strategy towards Chen Ping will change. After all, Mr. Shi is so blatantly partial to Chen Ping. Who dares to touch Shi in the Kyoto martial arts world? Mr.'s bad luck?

Mr. Shi followed Xing Jun and stood on the other side of the mountain, quietly watching everything in front of him. Although they were thousands of meters apart, to them, it was as if they were right in front of them.

“Captain Xing, tell me, who will win in the end, Chen Ping or Duda?”

Mr. Shi asked Xing Jun beside him.

Xing Jun looked at Chen Ping and Du Da, and then said: “Mr. Shi, the auras of these two people are very pure and very similar, except that Chen Ping’s aura is extremely fierce and full of bloody murderous intent...”

“Although this Duda’s aura is also very violent, there is a bit of calmness and restraint in this violent aura, and it can be seen that this Duda did not use his full strength.”

“It seems that Chen Ping has met his opponent this time, and his life may be in danger...”

After Xing Jun finished his analysis, Mr. Shi smiled with satisfaction: “Your analysis is good. Everyone’s aura is related to everyone’s personality and experience. Chen Ping’s strength has grown explosively, and he has encountered many things recently, so it makes his aura strong and full of murderous intent.”

“As for that Duda, he has devoted himself to cultivation on Penglai Island for many years and lived a life without fighting against the world, so his aura is much more restrained. Moreover, in terms of attainments and experience, this Duda is better than Chen Ping!”

“But the real victory or defeat is not all about these. It also involves will and determination. The reason why Duda did not use all his strength is because he still retains the ability to escape. He will not really compete with Chen Ping. Try your best, both sides will suffer...”

“But Chen Ping is desperate. Didn’t you realize that Chen Ping was determined to exchange his life for his life?”

Xing Jun was silent and looked at the two sides of the competition quietly!

boom!

Duda took action against Chen Ping.

The coercive force on his body rolled towards Chen Ping, and the terrifying aura covered the sky and turned the day into night in an instant!

Immediately afterwards, the spiritual power condensed and instantly turned into an extremely sharp sword!

“Chen Ping, I heard that your immortal golden body is indestructible, so try my sword...”

Duda held a sword transformed from spiritual power. The sword grew to several feet in length, and with endless sword energy, it slashed at Chen Ping in an instant!

With this sword strike, the entire earth seemed to have been split open, with sand, rocks and trees flying everywhere!

Even Mr. Shi, who was thousands of meters away, could feel the power of this sword energy.

“Such a strong sword energy, Mr. Shi, can Chen Ping stop it?”

Xing Jun asked with a look of disbelief on his face.

“I don’t know!” Mr. Shi replied calmly.

Xing Jun was stunned and looked at Mr. Shi with some confusion. He didn’t understand, how could Mr. Shi not know?

Chapter: 2175

If Chen Ping can’t block it, shouldn’t Mr. Shi take action?

After all, Mr. Shi is here to protect Chen Ping.

But it seemed that Mr. Shi had no intention of taking action.

Long Jingguo also narrowed his eyes slightly at this moment: “Chen Ping’s indestructible golden body is indeed powerful, but I don’t know if it can block this sword. If Chen Ping can’t take a single move, then there is nothing to worry about...”

Everyone was looking at Chen Ping, wanting to see if Chen Ping could block this sword!

The scales on Chen Ping’s body glowed with dazzling golden light. At this time, instead of dodging, Chen Ping went straight towards Du Da’s sword energy.

“Holy Light Fist...”

Chen Ping shouted angrily, and then punched the sword in Duda’s hand hard!

boom!

A dazzling white light flashed, and everyone instinctively closed their eyes. Then, they saw the sword in Duda’s hand began to break into pieces, and finally turned into bits of spiritual power and instantly dispersed!

The scales on Chen Ping's body also began to fall off and disappear, finally revealing his extremely tight muscles!

"Chen Ping's strength seems to have become much stronger..."

Xing Jun said with some surprise.

Mr. Shi smiled slightly, with a look of satisfaction on his face.

Long Jingguo frowned, the expression on his face was indescribably ugly, he didn't know what he was thinking in his heart!

What was also a little surprising was Zhu Zhishan. Zhu Zhishan, who had only one arm at the moment, was looking hopefully at the scene of Chen Ping being tortured and killed.

But at this opening, the strength Chen Ping showed surprised Zhu Zhishan!

"Brother Du, what...what's going on?"

In Zhu Zhishan's view, once Du Da takes action, Chen Ping will definitely die!

Du Da ignored Zhu Zhishan, but narrowed his eyes and looked at Chen Ping: "Boy, your strength is really good. I have been cultivating for decades, and apart from killing some ferocious beasts, I have never been able to fight happily with anyone. One fight, I will fight you well today, and I will also use the techniques that I am about to become unfamiliar with!"

"It's a pity, it's a pity..."

Chen Ping looked at Du Da and suddenly sighed.

Duda frowned: "What are you regretting?"

“It’s a pity that you have been practicing for decades and have never fought with anyone. Today is your first fight and you are going to die...”

Chapter: 2176

Chen Ping said calmly.

“Hahaha, you ignorant kid, just talk nonsense. I’ve seen people like you talk nonsense a lot. The more people like you are good at talking, the less capable they are. , it seems that I think highly of you...”

Duda laughed loudly.

“If you think highly of me, you’ll know after a fight!”

After Chen Ping finished speaking, he stretched out his right hand, and the Dragon-Slaying Sword instantly appeared in Chen Ping’s hand!

The dragon-slaying sword emits a gray light. The light is not dazzling, but it gives people a feeling of fear!

After Du Da saw the Dragon-Slaying Sword in Chen Ping’s hand, his eyes instantly lit up!

“Spirit sword?” Du Da’s breathing became rapid: “I didn’t expect that you actually have a spirit sword in your hand. No wonder you are able to cultivate to this level at such a young age in this place where spiritual energy is exhausted. It seems that you have There are many treasures.”

“Your spiritual sword has become a sword spirit. It is a pity to have such a treasure in your hands...”

Duda couldn’t help but shook his head, and then continued: “Boy, if you are willing to hand over the spiritual sword in your hand and give me the dragon crystal in your body, I can spare your life and give up your Nascent Soul.”

“Really?” Chen Ping asked.

“Of course, how could I, the great monk of Yuanying, lie to you, a young boy...”

Du Da saw Chen Ping wavering and immediately patted his chest and said.

“Brother Du...how could you do this?”

Zhu Zhishan, who was not far away, became a little anxious after hearing this. He asked Du Da to kill Chen Ping, but he didn't want Du Da to make a deal with Chen Ping.

“Shut up, I'm not your servant, and I never promised you anything!”

Duda glared at Zhu Zhishan fiercely, making Zhu Zhishan look embarrassed and dare not speak.

“Boy, as long as you promise me, not only will I not kill you, but I will also take you to Penglai Island and accept you as a disciple. No one will dare to kill you by then. With your talent, you will definitely be successful in the future!”

Duda continued to make promises to Chen Ping!

But who would have thought that Chen Ping chuckled: “Although you don't want my Yuanying anymore, but I want yours, and you still want to accept me as your disciple? You have been practicing for decades, but you are just a great monk of Yuanying. I have only been practicing for less than a year, and we are both Nascent Soul great monks, are you worthy of being my master?”

“I think you, old man, are suffering from delusions? If you kneel down and kowtow to me as a disciple, maybe I can teach you a few tricks to help you practice faster!”

“You are looking for death!” Du Da was instantly furious at Chen Ping's words!

Immediately afterwards, Duda's body began to contain endless power, and billowing spiritual power came out of his body and began to circulate around his body!

A handful of extremely condensed white daggers formed around Duda!

Chapter: 2177

All the daggers were pointed at Chen Ping, with endless pressure!

Duda's body trembled and he suddenly swung forward!

Countless condensed daggers shrouded Chen Ping like a rain of swords.

Chen Ping looked at the overwhelming rain of swords and swung the dragon-slaying sword in his hand suddenly!

"Nine Shadows Sword Technique..."

Soon, Chen Ping's body began to slowly become transparent, as if it had turned into a shadow!

Then the shadow became clear again, and not far away, another Chen Ping appeared holding a dragon-slaying sword.

The rain of swords fell fiercely on Chen Ping, but Chen Ping didn't react at all, but another Chen Ping held the dragon-slaying sword and swung his sword fiercely at Du Da!

Feeling the power of the sword energy, Du Da frowned and quickly retreated, barely dodging Chen Ping's blow!

When Mr. Shi saw this scene, his eyes suddenly lit up, and the expression on his face was a bit shocked!

"This Chen Ping actually obtained the essence of the Nine Shadows Sword Technique. I wonder what adventure this guy has encountered..."

Mr. Shi muttered to himself.

“Mr. Shi, Chen Ping learned the Nine Shadows Sword Technique from Ichiro Watanabe. It seems that those guys from the island country are really capable...”

Xing Jun thought Mr. Shi didn't know where Chen Ping learned the Nine Shadows Sword Technique, so he said.

But who knew that Mr. Shi smiled and said: “The Nine Shadows Sword Technique of Watanabe Ichiro is just a twig, not even one-tenth of the power of the real Nine Shadows Sword Technique.”

“It should be a descendant of the Nine Shadows Sword Technique who spread this set of sword techniques to the island country. However, the real essence of the Nine Shadows Sword Technique was created by Ouyang Feng, the number one swordsman in Great Xia. How could it become the island country? thing!”

Mr. Shi followed Xing Jun to explain, and Xing Jun finally understood that the Nine Shadows Sword Technique learned by Ichiro Watanabe was something passed down from Daxia.

“Okay, let's go...”

Mr. Shi walked slowly down the mountain.

“Mr. Shi, aren't you looking at Chen Ping? What if...”

Xing Jun didn't understand why Mr. Shi wanted to leave. What if Chen Ping was killed?

“There is no chance, this kid is stronger than I thought!”

Mr. Shi smiled faintly, and then asked Xing Jun: “How is the Watanabe family doing?”

“The Watanabe family secretly sent several groups of killers, but they were all wiped out on the border. They are much more honest now.”

Chapter: 2178

Xing Jun replied.

It turned out that during this period, the Watanabe family had never caused trouble to Chen Ping. It was not that the Watanabe family had given up, but that Mr. Shi had sent people to stop them.

“Well, you need to be more careful to prevent the Watanabe family from jumping over the wall and using the secret gold killer.”

Mr. Shi reminded Xing Jun.

“I’ll give the order!”

Xing Jun nodded.

Mr. Shi and Xing Jun left, while Du Da looked at Chen Ping angrily. He did not expect that Chen Ping would have such superb swordsmanship!

Duda pointed his finger in the air, and a ray of light instantly pierced the void, and then a lightsaber appeared in Duda’s hand!

“God Slash...”

Du Da roared angrily, and Pi Lian’s sword light instantly swung out from Du Da’s hand. The sword light flashed with dazzling light and reached tens of meters in length.

Chen Ping was neither impatient nor impatient. The Dragon-Slaying Sword in his hand made a buzzing sound, and a bloodthirsty aura emanated from the Dragon-Slaying Sword’s blade.

The power of the divine dragon was continuously injected into the sword body by Chen Ping.

“Nine Shadows Sword Technique, the First Sword...”

The dragon-slaying sword in Chen Ping’s hand was raised diagonally. A strong wind blew up and terrifying sword energy shot out across the sky!

Boom boom boom.....

A series of explosions sounded, and suddenly the sky became dark, the sun and the moon lost all light!

Du Da’s dozens of meters long sword light was shattered into pieces by Chen Ping’s sword energy and disappeared in pieces.

Duda only felt that his palm was lifted up by the shock, and only a few inches of the lightsaber in his hand were left!

Duda was furious, and the lightsaber in his hand surged again, and then he swung the sword towards Chen Ping overwhelmingly.

This time Duda didn’t hold back, and all his spiritual power was unleashed.

Chen Ping held the dragon-slaying sword and directly followed Du Da in a duel. Both of them were fighting for the spiritual power in their bodies. Such a competition consumes a huge amount of spiritual power.

People not far away were stunned when they saw it. They didn’t expect that Chen Ping’s strength had increased a lot.

In just a short moment, the two people had passed no less than a hundred moves. The huge consumption of spiritual power made Duda panting and his face became very ugly. He did not expect that dealing with Chen Ping would make him so embarrassed. .

“What? You’re running out of energy so soon?”

Chapter: 2179

Chen Ping smiled coldly.

“Boy, you are stronger than I thought, but this is just the beginning..”

After Duda finished speaking, his feet shook slightly, and then spiritual energy visible to the naked eye began to pour in overwhelmingly.

The spiritual power in Duda’s body was recovering bit by bit, but everyone around him felt that the air around him suddenly became much colder.

Soon, Du Da’s spiritual power was completely restored, which surprised Chen Ping!

He didn’t know what technique Duda used to be able to completely replenish his spiritual power deficit in a short period of time.

I saw Duda murmuring something in his mouth, his eyes widening like bells. Soon, a burst of brilliance dazzled on the tip of the sword, as if a small sun suddenly burst out with light, and the eyes of those who shone in it were unable to open their eyes. .

Just as Chen Ping’s eyes were in a trance, he felt a strong wind coming, as fast as lightning.

Chen Ping turned to one side, and a chill ran down Chen Ping’s face. He even felt the cold air on the tip of the sword.

After one blow missed, Duda ducked back and the tip of the sword began to flash with light again. Duda planned to attack Chen Ping at the moment when Chen Ping’s eyes were lost.

At this time, Chen Ping saw that Duda wanted to repeat his old trick. He slashed with the dragon-slaying sword in his hand, and a green sword energy instantly slashed at Duda, forcing Duda to dodge and interrupting him from performing the trick again.

Chen Ping looked at Du Da with a solemn look on his face. Although this Du Da had the same cultivation level as himself, he also had the skills of magic. This was what made him so powerful.

Not every monk knows magic. Magic skills are already very scarce on this earth. Because the way of cultivating immortals is prevalent, sorcerers are slowly declining, and few people practice magic anymore.

In the end, when the spiritual energy was exhausted, many people thought of their previous spells and wanted to learn them again, only to realize that the spells seemed to have disappeared from this world, and there were very few advanced spells left in the world.

What Duda used was also a technique. The brilliance on the sword tip was not produced by the body's spiritual power.

The magic requires mental power, and only mental power can activate the magic. Duda is going to compete with Chen Ping in magic.

“If you want to compete with me in magic, then I will play with you...”

After Chen Ping said that, he actually put away his Dragon Slaying Sword.

Then Chen Ping put his fingers together, and a golden light flickered on his fingertips.

A quick finger!

With a fierce finger downward, a spiritual light went straight to Duda's chest. As long as this finger hit, it would definitely pierce a big hole in Duda's body.

But this Duda is obviously also a veteran of fighting, with very strong experience and reaction ability.

Just when Chen Ping took action, a surging palm wind blew towards Chen Ping from one side of Du Da's body!

When Chen Ping saw this, his figure flashed, and several identical Chen Pings appeared in an instant!

Chapter: 2180

Each one looked very real, which made Duda frown!

Just when Duda was stunned, Chen Ping left and was already behind Duda!

Then he punched down, and a golden light suddenly appeared on his fist. Duda felt the danger behind him, and his hair stood up instantly.

Bang...

Duda was hit hard in the back by Chen Ping. Duda stumbled and rushed out, almost falling to the ground.

This hit made Duda's face look extremely ugly.

"Boy, you must die today..."

Duda roared angrily, with strong murderous intent rising into the sky.

Then Duda's whole body was shrouded in a faint light, and then he punched Chen Ping!

Chen Ping showed no fear and followed up with a punch.

boom!!!

Chen Ping was hit by Duda's punch, and Chen Ping's punch also hit Duda hard.

The two people actually started fighting for their lives!

But who would have expected that Chen Ping's punch on Du Da did not cause any damage, but a huge force of shock emitted from Du Da's body, instantly knocking Chen Ping away.

Chen Ping's body was like a cannonball, hitting the ground hard, making a deep pit in the ground!

"Brother Du, good job, kill him..."

When Zhu Zhishan saw this, he shouted excitedly.

Others also shook their heads, knowing that Chen Ping was doomed this time.

Long Jingguo narrowed his eyes: "Chen Ping, Chen Ping, you are still too young..."

In everyone's eyes, Chen Ping is bound to die today!

The blow just now showed the strength of the two people!

Duda was unscathed, but Chen Ping was knocked out. The outcome was already decided.

"Chen Ping, I admit that you are a genius, but unfortunately in this world, geniuses never live long..."

Duda stepped forward, looked down at Chen Ping in the pit, and said coldly.
