

The Order 2181

Chapter: 2181

Chen Ping stood up, gritted his teeth and looked at Duda, then he shot out again and went straight towards Duda.

The golden fist instantly enveloped Duda with a devastating force.

This time, Duda actually had a smile on his face and refused to dodge!

boom!

There was another loud noise, and Chen Ping punched Duda, but he was so shaken by the huge force that he vomited blood and fell back.

Du Da looked at Chen Ping's miserable state and burst into laughter: "Haha, Chen Ping, let me see how much strength you still have, keep going..."

Duda's laughter was full of sarcasm, and Zhu Zhishan also had a sinister smile on his face.

When everyone saw this scene, some of them began to disperse. This was a battle without any suspense.

"At first, I thought that Chen Ping could follow King Du in gesticulating, but I didn't expect that King Du deliberately let Chen Ping go in the beginning!"

"Duda was already extremely powerful decades ago, and now he has been living in seclusion for decades. How can Chen Ping be his opponent?"

"It's a pity, it's a pity. If this Chen Ping could be more diplomatic, he wouldn't be reduced to this!"

Everyone was talking, and some people had already left early.

Chen Ping frowned and looked at Du Da, then took out the Dragon Slaying Sword with one hand.

Facing Chen Ping's Dragon-Slaying Sword, Du Da was not nervous at the moment, and still had a sarcastic smile on his face.

Chen Ping remained silent, stepped lightly on his feet, his body instantly rose into the sky, and the Dragon-Slaying Sword in his hand also fell down.

The billowing sword energy came overwhelmingly, as if the entire void collapsed.

The sword energy soared into the sky, and the galaxy shook...

Facing this billowing sword energy, the smile on Duda's face finally disappeared, but he still didn't dodge!

clang!

Chen Ping's sword struck Du Da's body, making a crisp sound.

But Duda was unscathed, but Chen Ping, on the other hand, felt as if he had been struck by a sharp weapon. A deep blood mark appeared on his chest, and he flew backwards in an instant.

The scar on Chen Ping's chest was so deep that he could see the bone, and blood was constantly flowing out. It was shocking!

"Hahaha, I didn't expect you kid to dare to use sharp weapons, you will die faster..."

Duda sneered.

Chapter: 2182

Chen Ping looked at the wound on his chest and put away the Dragon-Slaying Sword. He seemed to understand something.

Every attack he made would be counterattacked by Duda. The sword wound this time was obviously caused by the sword he just swung.

Now Chen Ping is like hitting himself. The harder he hits, the greater the force of the counterattack will be.

Chen Ping didn't expect that Du Da could do such a weird technique, which made Chen Ping feel a little troublesome!

"Haha, Chen Ping, I think you can still escape today?"

"I'm going to chop off your head today and hang it at the door of the Martial Arts Alliance to tell the world and let them see the consequences of following the Martial Arts Alliance..."

Seeing that Chen Ping was seriously injured, Zhu Zhishan laughed proudly.

Chen Ping ignored Zhu Zhishan, but stared at Du Da and suddenly grinned.

Duda was stunned: "You are going to die, but you still laugh?"

"Death? Who said I'm going to die? With your little skills, you can't kill me. I've seen your skills, so I will naturally find a way to defeat you..."

Chen Ping said calmly.

"Hmph, Chen Ping, even if you see the secret of my magic, so what? Can you really break my magic?"

Du Da didn't believe that Chen Ping had such ability.

"If you don't believe it, then you can try..."

Chen Ping said, a golden light suddenly flashed in his eyes, followed by a stream of spiritual consciousness, attacking Du Da.

Since any force would be counterattacked by Du Da's magic, Chen Ping planned to use his spiritual consciousness to attack and directly cut off Du Da's mental power. Without his mental power, Du Da would not be able to perform any of his best magic.

"Hmph, you don't overestimate your capabilities, and you dare to use your mental power to attack me. How can you shake me with your little mental power!"

Duda didn't take it seriously. In terms of magical attainments, Duda didn't think anyone could surpass him.

If you are highly skilled in magic, your mental power must be strong, that's for sure.

Therefore, Duda was not afraid of Chen Ping's mental attack at all. He even wanted to use this to directly turn Chen Ping into dementia!

Chen Ping's consciousness enveloped Du Da, and then entered Du Da's mind in a flash!

The moment Chen Ping's consciousness entered, a golden light flashed in Duda's mind, instantly cutting off Chen Ping's consciousness.

Duda had a cold smile on his face, "This mental power is too weak..."

But before Duda finished speaking, a smile suddenly solidified on his face.

Chapter: 2183

Because he felt that overwhelming spiritual power was constantly rushing into his mind, like a tsunami, rushing non-stop!

This powerful and surging mental power made Duda's mind instantly sluggish. He was resisting desperately, but his mental power was insignificant in front of this vast ocean.

Chen Ping looked at Duda, who was in a daze, and sneered at the corner of his mouth. If Duda hadn't despised him at the beginning, it would have been really difficult for him to invade Duda's brain later.

Chen Ping seized the opportunity and instantly jumped in front of Duda, then punched him down.

But at this time, Duda fell into a sluggish state, as if he had not seen Chen Ping!

In just one breath, Chen Ping's punch had already arrived in front of Duda.

Seeing that Chen Ping still dared to attack, but Du Da remained motionless, Zhu Zhishan had a sneer on his face.

"Hmph, Chen Ping, even if you try your best, you can't even think of hurting Brother Du at all!"

Zhu Zhishan didn't know at this time that Duda didn't dodge, but fell into a short period of sluggishness.

boom!

Chen Ping's golden fist came to Duda's eyes. At this moment, Duda rolled his eyes and woke up. When he felt the power of Chen Ping's punch, Duda instantly broke out in cold sweat!

He instinctively wanted to hide, but it was too late. Chen Ping punched Duda hard on the chest. This punch directly punched a big bloody hole in Duda's chest!

Duda's body flew out and fell heavily to the ground, with a look of pain on his face!

Zhu Zhishan was dumbfounded and looked at Duda in disbelief. He thought that this punch would knock Chen Ping away like just now, but he didn't expect that it was Duda who flew out.

And the bloody hole in Duda's chest looked very scary!

Du Da climbed up with difficulty, looked at the wound on his chest, and suddenly smiled coldly: "Chen Ping, you and I are both Yuanying, Yuanying is immortal, and the physical body is immortal. You should know the truth. You think you can kill him like this?" me?"

"Then let's try it..."

Chen Ping's eyes narrowed slightly and his body jumped up again.

When Duda saw this, he immediately cast a spell to block Chen Ping's blow, but as soon as he cast the spell, his mind suddenly became confused again, giving Duda a splitting headache in an instant!

Chen Ping's mental attack just now directly injured Duda's brain, and Duda couldn't perform any spells at all.

Du Da came back to his senses and wanted to gather his energy and spiritual power to block Chen Ping, but it was already too late.

Chen Ping arrived in front of Du Da, inserted a claw directly into Du Da's chest, and then groped Du Da's chest with his palm. He wanted to grab Du Da's Nascent Soul!

Duda's face became extremely ugly, and the severe pain made him look very ferocious.

This tragic scene shocked everyone instantly. They didn't know what Chen Ping was going to do.

Chapter: 2184

When Zhu Zhishan, who was not far away, saw this, a chill suddenly hit his heart, and then turned around and ran away.

At this time, Chen Ping had no time to pay attention to Zhu Zhishan, but grabbed Du Da's Nascent Soul. This was equivalent to grabbing Du Da's life gate!

"no, do not want....."

Duda shouted at the top of his lungs.

You must know that it is not easy for him to cultivate to the Yuanying realm. If Chen Ping really destroys the Yuanying, even if he does not kill him, then there will be no point in his life.

"You want to beg for mercy now, but it's too late..."

Chen Ping pulled hard and pulled Du Da's cause directly off.

Duda's Nascent Soul was only a little bigger than his thumb. Looking at that small reason, Chen Ping put it in his pocket instantly.

Many people watched this scene from a distance. Although they didn't know what Chen Ping was packing, they were all shocked!

"Then Chen Ping is really a devil. Did he just tear out his heart and put it in his pocket?"

"It's terrible. I didn't expect Chen Ping to be so cruel."

"Forget it, don't mess with this guy anymore..."

Everyone couldn't help but close their eyes when they saw this bloody scene.

Du Da's Nascent Soul disappeared, and the aura on his body suddenly withered. He looked at Chen Ping with a pleading look on his face.

"Please...please, return Nascent Soul to me, and I can make you the king of Penglai Island..."

Du Da begged to Chen Ping, begging Chen Ping to return Nascent Soul to him.

Chen Ping sneered: "I have no interest in any king. I only know that anyone who offends me will be punished..."

When Duda heard this, his face instantly turned pale. He knew he would not survive.

"Zhu Zhishan, you liar..."

Duda roared angrily, and suddenly a mouthful of blood spurted out, and his body fell heavily to the ground.

Duda kept his eyes open until he died.

He was unwilling but helpless. Who made him greedy and wanted Chen Ping's treasure, but he ended up like this!

Seeing Du Da's death, many people's expressions became extremely complicated. When Chen Ping looked at the people not far away, no one dared to follow Chen Ping and looked directly at them, and ran away in a hurry.

At this time, Long Jingguo's face was indescribably ugly. Chen Ping killed Du Da, which meant that the Long family's trial would have many variables because of Chen Ping's participation.

Chapter: 2185

At this time, Long Jingguo felt a murderous intention and hurriedly looked up and found that Chen Ping was looking at him with a murderous look on his face.

Long Jingguo quickly looked away, then hurriedly got into the car and left.

There had been a lot of people just now, but now there was no one left, only Duda's body lying coldly on the ground.

"Zhu Zhishan, I feel I can't spare you..."

Chen Ping's eyes narrowed slightly, and then he took out Nascent Soul from his arms.

Looking at the crystal clear Yuanying, Chen Ping decided to find a place to refine and absorb the Yuanying first.

Long family!

After Long Jingguo returned home, his expression became extremely ugly.

Chen Ping followed Du Da to fight, which made Long Jingguo worried at this time.

"Dad, what's wrong with you?"

Long Xiao saw Long Jingguo's sad face, so he came over and asked.

Long Jingguo raised his head and looked at Long Xiao. At this time, Long Xiao's body had almost recovered, and the body covered by the black robe had also grown tight muscles!

"Xiao'er, for this trial, Mr. Shi personally asked Chen Ping to participate..."

Long Jingguo said to Long Xiao.

When Long Xiao heard this, he suddenly showed excitement: "That's great. Just in the name of the trial, I killed Chen Ping directly and absorbed his strength."

"Xiao'er, don't underestimate Chen Ping. Now Chen Ping's strength has improved by leaps and bounds. Even Zhu Zhishan had an arm chopped off by Chen Ping."

"Today Du Da, who has disappeared for decades, followed Chen Ping to fight. I watched with my own eyes as Chen Ping killed Du Da with extremely cruel methods!"

"If Chen Ping also goes to this trial, I'm afraid you won't be his match..."

Long Jingguo expressed his worries.

When Long Xiao heard this, his expression became solemn. He did not expect that Chen Ping's strength would reach such a terrifying height in such a short period of time.

After a while, Long Xiao said: "Dad, this trial is held by our Long family, so we can control whoever joins. We can do this..."

Long Xiao whispered a few words in Long Jingguo's ear, and Long Jingguo's eyes lit up, and then he nodded: "Okay, I'll contact him right away. Although Chen Ping is very powerful, he can't beat four hands with two fists!"

After saying that, Long Jingguo stood up and left quickly.

And Long Xiao's eyes flashed with murderous intent: "Chen Ping, this time I will make your life worse than death..."

Chapter: 2186

.....

Kyoto, Martial Arts Alliance!

Zhu Zhishan fled back in a somewhat embarrassed state, breathing heavily, already extremely angry inside!

Now that even Du Da can't defeat Chen Ping, who else can he find to kill Chen Ping?

"Congratulations, Alliance Leader, are you back so soon? I wonder how the battle is going?"

Ning Zhi asked with a smile when he saw Zhu Zhishan coming back in embarrassment.

"Do you still have to ask? If Chen Ping dies, I will carry his head when I come back!"

Zhu Zhishan counted angrily.

He poured out all his anger on Ning Zhi.

However, Ning Zhi was not angry, but continued to smile: "I wish you, Alliance Leader, don't be discouraged. The four masters trained by our Martial Arts Alliance can now be deployed, and Chen Ping will not be able to dance for a few days!"

Hearing Ning Zhi talk about the four masters trained by the Martial Arts Alliance, Zhu Zhishan's eyes suddenly lit up: "Yes, how could I forget them..."

"This time, the four of them will go to the trial held by the Long family, and Chen Ping will also participate. At the trial place, life and death will be left to fate..."

Ning Zhi said with a sneer.

After Zhu Zhishan heard this, he burst out laughing. The gloom on his face was wiped away, and he looked much more pleasing to the eye when he looked at Ning Zhi.

“Alliance leader, the head of the Long family wants to see you...”

At this time, a member of the martial arts alliance walked into the report.

“What does Long Jingguo want from me at this time?”

Zhu Zhishan frowned slightly.

At this time, Ning Zhi rolled his eyes slightly: “Leader, if my guess is correct, then Long Jingguo will definitely come to discuss with you how to deal with Chen Ping.”

“The Long family also has a deep grudge against Chen Ping, especially Long Xiao, who was directly beaten into a cripple by Chen Ping. The Long family will definitely take revenge.”

“And today Chen Ping defeated Du Da. Long Jingguo must also be aware of the danger, so he came to discuss with the leader of the alliance to deal with Chen Ping.”

It has to be said that Ning Zhi is extremely thoughtful and scheming. Few people can see through him. This guy is indifferent to emotions and anger, and will be Chen Ping’s strong enemy in the future!

Zhu Zhishan looked at Ning Zhi with some surprise. He did not expect that Ning Zhi could analyze things clearly and logically at such a young age.

“Invite Long Jingguo in!”

Chapter: 2187

Zhu Zhishan wanted to see if Long Jingguo followed Ning Zhi’s words and came to him to discuss countermeasures.

Soon, Long Jingguo walked in. When he saw Ning Zhi, he frowned slightly.

Ning Zhi instantly caught the change in Long Jingguo's expression, so he followed Zhu Zhishan and said: "Leader, I have something else to do, I'll leave first..."

With that said, Ning Zhi was about to leave, but was stopped by Zhu Zhishan: "Deputy Leader Ning, you are now also a member of the Martial Arts Alliance. Sit aside and listen..."

After saying that, Zhu Zhishan said to Long Jingguo: "Master Long, I wonder what you want to see me for?"

Looking at Zhu Zhishan's attitude, Long Jingguo sneered in his heart.

Just now he watched Zhu Zhishan crawl away with his own eyes, but now he pretends to be a wolf with a big tail.

However, Long Jingguo wanted to ask Zhuzhishan this time, so he could only say respectfully: "Zhu Alliance Leader, I came here this time to discuss Chen Ping's affairs with Zhu Zhuzhi."

"What's going on with Chen Ping?" Zhu Zhishan pretended not to know anything, frowned and said, "What's going on with Chen Ping?"

"I wish the leader, our Long family is going to hold a trial. Mr. Shi has said that Chen Ping should also participate. You also know that our family Xiao'er follows Chen Ping's hatred. If Chen Ping also goes to participate in the trial, the two of them will There will definitely be a fight."

"Let's start today. Chen Ping is too strong. My Xiao'er may not be his opponent, so I want to tell Alliance Leader Zhu that we will join forces and kill Chen Ping together during the trial. ."

"This is good for both you and me, and even Mr. Shi can't be blamed for killing Chen Ping in the trial place."

Long Jingguo said directly to Zhu Zhishan.

Zhu Zhishan glanced at Ning Zhi in shock. He did not expect that Ning Zhi's guess was indeed correct.

"Master Long, I didn't ask for your suggestion. When the time comes, I will ask the four masters from our martial arts alliance to follow Long Xiao to deal with Chen Ping."

Zhu Zhishan nodded and said.

"Zhu Alliance Leader, that Chen Ping is full of tricks. If it's just a few juniors, I'm afraid I won't be able to deal with that Chen Ping." Long Jingguo looked at Zhu Zhishan, paused slightly, and then continued: "Don't you think that Alliance Leader Zhu doesn't want to kill him with his own hands? Did you miss Chen Ping? He was the one who made you lose your arm."

After hearing this, Zhu Zhishan's anger instantly rose: "Why don't I want to? I can't wait to tear that guy Chen Ping apart myself."

"It's just that this trial is attended by juniors from major sect families. If I go too, I'm afraid it will cause criticism. What's more, if I go, Chen Ping will be too scared to go."

Long Jingguo smiled slightly: "Brother Zhu, this trial is held by our Long family. Whether you can go or not is not up to my Long family. Besides, I can let Leader Zhu hide secretly. After the ship goes to sea, Leader Zhu will appear. Even if Chen Ping knows it by then, he will have nowhere to escape."

Zhu Zhishan's eyes lit up and he suddenly became a little excited: "Okay, this is a good idea. When the time comes, kill Chen Ping and throw him directly into the sea. Even if he is the reincarnation of an immortal, let me see if he is still like this in the sea. resurrection....."

Zhu Zhishan knows that Chen Ping is an immortal cultivator and has the ability to repair the body. When the time comes, he will directly throw Chen Ping into the sea. Even if Chen Ping tries to repair the body, it will be of no use at all. Chen Ping can only be buried at the bottom of the sea!

"Since I wish the leader of the alliance agrees, then I will go and prepare. In two days, we will set off on time..."

Seeing that Zhu Zhishan agreed, Long Jingguo stood up and left!

Chapter: 2188

After Long Jingguo left, Zhu Zhishan was in a good mood: “Hahaha, Chen Ping can’t escape this time...”

Ning Zhi looked at Zhu Zhishan who was laughing, with a slight smile on his lips, and a sinister light flashed in his eyes. No one knew what he was thinking at the moment.

.....

On the way to the Valley of the Wicked, Chen Ping was traveling quickly!

He wanted to find a safe place to refine the Nascent Soul in his hand as soon as possible, and finally he chose to go to the Valley of the Evil Ones. After all, refining the Nascent Soul could not be completed overnight, and it just so happened that the four evil men could protect him!

But just as Chen Ping left the boundaries of Kyoto, suddenly a person in front blocked his way!

Seeing the person standing in front of him, Chen Ping suddenly looked helpless.

“Captain Xing, what’s such a coincidence? I can meet you here?”

Chen Ping stepped forward and said to Xing Jun.

“Chen Ping, this isn’t just a matter of getting together. I’m here specifically to wait for you.”

Xing Jun said calmly.

“Waiting for me?” Chen Ping looked surprised: “What are you waiting for me for?”

“Mr. Shi invites you.”

Xing Jun said to Chen Ping.

“What do you want me to do?” Chen Ping asked cautiously.

“Then I don’t know. Mr. Shi asked me to wait for you here. When I see you, I will invite you back...”

Xing Jun spread his hands and said.

Chen Ping hesitated for a moment, and finally said: “I still have something to do and don’t have time to see Mr. Shi. You can go back and tell him. Don’t let me go and lock me up again...”

After Chen Ping finished speaking, he jumped forward and was more than ten meters away in an instant, and then ran forward quickly.

Chen Ping is not going to see Mr. Shi. He doesn’t have time now. He needs to refine the Nascent Soul as soon as possible to improve his strength.

Seeing that the new year was approaching and Chen Ping was still unable to save Su Yuqi and his mother, he was very anxious.

“Hey hey hey...”

Seeing Chen Ping running away suddenly, Xing Jun hurriedly chased after him.

But just when Chen Ping ran a certain distance, he felt a huge aura coming towards him, which instantly stopped Chen Ping’s rapid body.

Chapter: 2189

Chen Ping was shocked. He didn't know who the owner of this huge aura was. If he could make it difficult for him to move just by relying on the aura, then the opponent's strength must be unfathomable.

Just when Chen Ping looked nervous, as if facing a formidable enemy, he saw a middle-aged man wearing a suit and glasses walking towards him.

This person is none other than Mr. Shi.

"Are you so afraid of seeing me?" Mr. Shi asked Chen Ping with a smile.

"I...what am I afraid of? I just have important things to do."

Chen Ping said with evasive eyes.

Ever since Mr. Shi revealed his strength, Chen Ping was indeed a little frightened when he saw him. After all, the difference in strength between him and Mr. Shi was too big. With just a wave of his hand, Chen Ping would probably die.

"What's important? Aren't you just anxious to refine the Nascent Soul? You can refine the Nascent Soul at any time, but this opportunity I've found for you is one you can't miss! It will never come back!"

Mr. Shi revealed Chen Ping's little calculation in one sentence.

"what chance?"

Chen Ping was stunned for a moment, then asked.

At this moment, Xing Jun caught up with him out of breath: "Mr. Shi, you guessed it so right. This guy actually didn't go to see you and ran away after breaking through..."

Mr. Shi smiled and then said to Chen Ping: "The Long family will hold a trial in two days. I have already signed up for you to participate."

"Trial?" Chen Ping frowned, then hurriedly shook his head: "No, I'm not going to do any trial, it's boring..."

Chen Ping didn't want to waste time with any trials, but the most important thing was to refine the Nascent Soul in the shortest possible time.

"Don't reject me in a hurry. Don't you want to hear where the trial is?"

Mr. Shi said.

"Where?" Chen Ping asked.

"Longsuo Island..."

When Mr. Shi said the words Suolong Island, Chen Ping looked surprised.

"No, what else is there for trials on Dragon Dragon Island now? It has become an ordinary island for tourism."

Chen Ping's face was full of questions!

"There is also a ruins on Suolong Island. The Long family has made a big move this time and used Suolong Island as a place of trial. It is a once-in-a-lifetime event."

"It's rare that you don't want to go to Suolong Island to visit? I remember that Suolong Island still cares about you, right?"

Chapter: 2190

Mr. Shi smiled lightly.

Chen Ping was silent, because Suolong Island carried too many things for Chen Ping.

Moreover, Xiaoru was still frozen on Suolong Island. However, Chen Ping followed Ning Zhi to Suolong Island. After obtaining the Yanlong Dragon Crystal, Chen Ping looked for Xiaoru but could not find it.

The scenery on the entire island has changed, so Chen Ping can no longer find where Xiaoru is, but Chen Ping has never forgotten it. He has always wanted to find a chance to save Xiaoru!

After being silent for a few minutes, Chen Ping gritted his teeth and said, "Okay, I agree to go here for the trial..."

Chen Ping also happened to be taking advantage of this trial to go to the island to look for Xiaoru to see if he could find her.

"Since you agreed, then come back with me!"

After Mr. Shi finished speaking, he stretched out his hand toward Chen Ping: "Give me the Nascent Soul, and I will keep it for you."

Chen Ping clasped his hands tightly on his chest, and then shook his head. This Nascent Soul was the most precious resource to Chen Ping. How could he give it to him casually?

Seeing Chen Ping like that, Mr. Shi smiled and said, "If you don't give it, forget it, but if someone else takes it from you, just don't regret it..."

"I won't regret it..."

Chen Ping said firmly.

Mr. Shi was not saying anything, but the group returned to Kyoto.

.....

Time flies, and two days pass in the blink of an eye.

On this day, a lot of people gathered in a square in Kyoto. The training held by the Long family this time was much more crowded than the one held by the Martial Arts Association.

After all, the training held by the Martial Arts Association was only for candidates from sects and families who had participated in the Martial Arts Association. At that time, Ning Zhi and Dong Jiahao also had a long-term experience through their relationship with Zhu Zhishan, but they could not seize the place of trial. baby.

But this time the Long Family held something different. All the sects and aristocratic families could choose their children to participate, but the ones with the lowest strength had to be from the Wu Sect, and there were many young talents from the Wuhou realm!

At this time, Chen Ping discovered that the younger generation was also full of talents, but many of them didn't like to appear in public.

As for the Xiaoyao Ranking, the masters who can be ranked on it are all people who like to show off.

“Chen Ping...”

Just when Chen Ping was about to see if there was anyone he knew, he heard someone calling him.

So Chen Ping turned around and saw three people of similar age walking towards him.

One of the leaders was already in the realm of Wuhou, and the aura on his body was not hidden, it was just exposed!
