

The Order 2191

Chapter: 2191

Chen Ping looked at the three people and found that he didn't know them at all, so he asked the leader: "Do you know me?"

"Of course I know you. You are now famous. There are several people in the Kyoto martial arts community who don't know you."

The leader smiled slightly.

Chen Ping was a little embarrassed when he said this. Chen Ping didn't want to be so famous, but there were always people who made trouble for him.

Chen Ping didn't know the purpose of these people, and when he didn't know what to say, he suddenly spotted an acquaintance and hurriedly chased after him.

"Brother Dong..."

Chen Ping patted Dong Jiahao on the shoulder.

Dong Jiahao turned around and saw Chen Ping, and his face suddenly showed surprise: "Brother Chen Ping, are you here to participate in the trial too?"

Chen Ping nodded.

"I really didn't expect that the Long family would be so generous. You beat that Long Xiao half to death, and they would still allow you to participate in the trial..."

Dong Jiahao was very surprised. After all, this was a trial held by the Long family, and Chen Ping could not be allowed to participate.

Chen Ping smiled and did not explain. This was Mr. Shi's request, and I believe the Long family would not dare to refuse.

"Brother Dong....."

At this time, the three people who had just been talking to Chen Ping also came over.

"Xin Pengfei, I didn't expect you to come too!"

Dong Jiahao looked at the leader and said with contempt.

Seeing Dong Jiahao's expression, Xin Pengfei just smiled faintly: "Of course we can't let go of such a good thing. We are lucky to be able to follow Brother Chen Ping this time and see what Brother Chen Ping is capable of."

"Brother Chen Ping is now the number one person on the Xiaoyao List. He is considered the leader of the younger generation. Almost all the geniuses of the younger generation have been overshadowed by Brother Chen Ping!"

Xin Pengfei complimented Chen Ping!

Chen Ping's expression didn't change much, but the name sounded familiar to him, but he couldn't remember it for the moment.

Dong Jiahao listened to Xin Pengfei's praise and smiled coldly: "When you issued a challenge on the martial arts forum, why didn't you say that Brother Chen Ping is a leader? Are you the first person on the Xiaoyao List?"

After Dong Jiahao finished speaking, Chen Ping suddenly remembered that it was the guy in front of him who wanted to compete with him on New Year's Day at the martial arts forum.

When Xin Pengfei was asked by Dong Jiahao, he suddenly seemed a little embarrassed: "I was just joking at the time. I am no match for the Chen Ping brothers."

"Hmph..." Dong Jiahao snorted and pulled Chen Ping aside. It seemed that he didn't want to talk to Xin Pengfei and the others.

Chapter: 2192

"Brother Chen Ping, you should pay less attention to your grandson Xin Pengfei from now on. This guy is just a wallflower and full of bad ideas..."

Dong Jiahao warned Chen Ping.

Chen Ping smiled lightly: "I don't know him, and I don't want to get to know him..."

Just as Chen Ping was talking to Dong Jiahao, there was a sudden commotion among the crowd, and then the crowd automatically moved out of the way.

Chen Ping saw a girl slowly walking into the crowd. The girl was very beautiful and had a fairy air about her.

That kind of temperament made many people stunned, especially the aura exuding from the girl, which turned out to be in the Wuhou realm!

This surprised Chen Ping. It was incredible that such a young girl could cultivate to the Wuhou realm!

Chen Ping wanted to ask Dong Jiahao who this girl was, but he saw that Dong Jiahao had already looked straight in his eyes, his mouth was slightly open, and his mouth was about to come out.

"Brother Dong, Brother Dong..."

Chen Ping gently pushed Dong Jiahao twice, and Dong Jiahao woke up instantly.

Wiping the corners of his mouth hurriedly, Dong Jiahao said with gleaming eyes: "Brother Chen Ping, this trial is going to be lively. Do you know who this girl is?"

Chen Ping shook his head blankly. He didn't know this girl at all.

"This girl's name is Ge Jiayi. She is the apple of the eye of the Ge family. She has reached the realm of Wuhou at the age of nineteen. She is a true genius. Among the young women in Kyoto's martial arts world, Ge Jiayi's strength should be the highest."

"Not only is she talented, but she is also beautiful, and she speaks with a fairy spirit. Many young men in Kyoto were fascinated by her back then. People would duel for her all day long!"

"But then Ge Jiayi went into seclusion. This seclusion lasted for many years. Gradually, people became less crazy. But they didn't expect that Ge Jiayi would come to participate in the trial today!"

The more Dong Jiahao talked, the more excited he became, and his eyes never left Ge Jiayi.

Those participating in the trial were all young masters from major sects and aristocratic families, or role models of the younger generation. Now that they saw Ge Jiayi appearing, their eyes widened!

"Miss Ge, I didn't expect you to be released from seclusion!"

At this time, Xin Pengfei stepped forward first and followed Ge Jiayi to say hello.

Ge Jiayi also nodded politely towards Xin Pengfei: "We haven't seen you for a few years, and you are now the number one person on the Xiaoyao list."

Xin Pengfei blushed: "Those are all made up by many netizens. My strength is nothing in front of Miss Ge. Miss Ge's talent is enviable..."

Ge Jiayi smiled slightly: "It's overrated. I don't have any talent. I just work harder. When it comes to talent, there is one person who is extremely talented..."

After Ge Jiayi finished speaking, her eyes fell on Chen Ping.

Chen Ping felt Ge Jiayi's gaze and was a little confused. How could Ge Jiayi know about him just after she came out of seclusion?

Chapter: 2193

Dong Jiahao, who was beside Chen Ping, saw Ge Jiayi looking towards them, and became nervous and began to breathe rapidly.

Especially when he saw Ge Jiayi walking towards this side, Dong Jiahao trembled all over and hurriedly arranged his hair with his hands.

Seeing Dong Jiahao like that, Chen Ping wanted to laugh. It seemed that Dong Jiahao's emotional intelligence towards women was not much different from his own...

Ge Jiayi stopped in front of Chen Ping, then stretched out her fair and delicate hands, smiled slightly and said: "Hello Chen Ping, my name is Ge Jiayi..."

Seeing this, Chen Ping shook hands with Ge Jiayi. Ge Jiayi's hands were as soft as boneless, and there was a faint fragrance floating on her body, making it difficult for the man to control himself.

Just when Chen Ping was about to let go, he suddenly found a surging force coming from Ge Jiayi's hand, and Chen Ping's hand seemed to be caught in a vise!

This force continued to invade Chen Ping's body, and Chen Ping's entire arm began to feel numb.

A faint smile appeared on Ge Jiayi's lips, with a bit of provocation in her eyes.

Chen Ping had a calm face. Looking at Ge Jiayi like that, he suddenly grinned, and then the power of the dragon in his body exploded, instantly rebounding Ge Jiayi's power.

The smile on Ge Jiayi's face disappeared instantly, and was replaced by a look of deep shock.

"Ms. Ge, hello..."

Seeing Chen Ping following Ge Jiayi and holding hands without letting go, Dong Jiahao felt extremely envious, so he stretched out his hand and said to Ge Jiayi.

Ge Jiayi took the opportunity to let go of Chen Ping's hand. After looking at Chen Ping, she smiled slightly and shook hands with Dong Jiahao.

Dong Jiahao shook Ge Jiayi's hand, but immediately let go. But just this touch made Dong Jiahao almost jump with excitement.

"Mr. Chen's strength is indeed extraordinary. I really hope I can learn two moves if I have time..."

Ge Jiayi looked at Chen Ping and said with dissatisfaction.

"Anytime....."

Chen Ping said calmly.

At this time, Chen Ping instantly attracted the attention of many people, and these eyes contained unspeakable hostility and jealousy.

Among these hostile eyes, there was a slightly fat boy holding a rose in his hand. The most hostile and murderous look in his eyes!

"Chen Ping, I want to challenge you..."

At this moment, the fat boy rushed out and yelled at Chen Ping!

Chen Ping looked at the man who rushed out with a surprised look on his face. He couldn't figure out why this guy suddenly went crazy.

When Ge Jiayi saw the boy rushing out, her face instantly turned cold.

Chapter: 2194

“Sun Peng, are you a mad dog? You bite people wherever you go...”

Ge Jiayi scolded the boy with an angry look.

Chen Ping was very surprised when he heard such a reprimand. He couldn't understand that a girl like Ge Jiayi could scold people so harshly!

And in front of so many people, Sun Peng would definitely be anxious if he was insulted like this.

But who would have thought that instead of being impatient, Sun Peng said softly to Ge Jiayi: “Jiayi, I must compete with Chen Ping to show you who is the most talented...”

“Brother, I don't know you at all. Why should I compete with you? Besides, this is not a place for competition. Let's talk about it when we have time...”

Chen Ping didn't want to compete with Sun Peng, so after finishing speaking, he turned around and pulled Dong Jiahao away.

“Brother Chen Ping, this Sun Peng is Ge Jiayi's number one lick. I guess I saw you and Ge Jiayi shaking hands for a long time just now, and I am very jealous.”

Dong Jiahao looked at Chen Ping and said with a playful smile.

Chen Ping smiled helplessly: "Lick the dog, lick the dog, lick until there is nothing left..."

But before Chen Ping finished speaking, he suddenly felt a strong wind coming from behind him!

When Chen Ping wasn't paying attention, Sun Peng clenched his fists, and with an endless domineering aura, he hit Chen Ping hard.

Looking at this posture, it looks like there is some kind of blood feud with Chen Ping!

Chen Ping's expression turned cold, and then he turned around to avoid the punch.

Seeing Sun Peng's murderous gaze, Chen Ping's face became very ugly.

He followed Sun Peng without any grievances, but this guy actually attacked him. He really regarded himself as a soft persimmon and wanted to kick him casually.

Soon, golden light flickered from Chen Ping's body, and his fists also shone with golden light.

Originally, Ge Jiayi wanted to break up the fight and pull Sun Peng away, but when she saw that Chen Ping was about to take action, Ge Jiayi did not move. She wanted to see if Chen Ping's real ability was as magical as the legend.

Everyone around was looking at the excitement, and no one stepped forward to stop him!

And that Sun Peng didn't know it, but he punched Chen Ping again.

Chen Ping faced him head-on, without any fancy moves, just a hard punch!

boom!

There was a loud noise, a huge wave of energy, and a gust of wind!

Immediately afterwards, I saw Sun Peng's body flying backwards. Otherwise, there were many people around and stopped Sun Peng. He would have probably flown out of the square.

Chapter: 2195

Chen Ping, on the other hand, had a gloomy face and did not move!

Sun Peng stood up angrily, but he could no longer lift his right arm. Chen Ping's punch just now had broken his bone.

But in front of Ge Jiayi, Sun Peng didn't want to look too embarrassed.

"Boy, I'm not in a good state today. Just remember, I'll take care of you sooner or later..."

Sun Peng looked fierce and pointed at Chen Ping: "If you let me know that you bullied Jiayi, I will kill you..."

After saying that, Sun Peng looked at Ge Jiayi with a smile on his face: "Jiayi, if this Chen Ping dares to bully you, tell me and I will find someone to kill him. I have something else to do, so I'll leave first..."

At this moment, Sun Peng's forehead was covered with cold sweat, and the pain coming from his arm made him unable to stay any longer.

Just when Sun Peng turned to leave, Chen Ping called out to him.

"Are you going to take action against me and leave if you want?"

Chen Ping said coldly.

“What? What else do you want to do to me?”

Sun Peng turned to look at Chen Ping and narrowed his eyes.

“I won’t offend anyone unless they offend me. If someone offends me, I will kill him...”

As soon as the word “kill” came out, Chen Ping’s murderous aura spread instantly, and the temperature in the entire square also dropped instantly!

I saw Chen Ping’s golden light flashing, and he was in front of Sun Peng in the blink of an eye.

Sun Peng had no time to react and was directly hit in the chest by Chen Ping.

boom!

The ferocious spiritual power struck Sun Peng hard, sending Sun Peng’s body flying away.

This palm made Sun Peng vomit blood and scream in mid-air!

Soon, Sun Peng’s body hit the ground hard, causing cracks on the ground!

Chen Ping’s body followed closely and fell in front of Sun Peng again.

Sun Peng was lying on the ground, his face looking very ugly.

Chen Ping, on the other hand, stepped on Sun Peng’s head with a terrifyingly cold expression!

Sun Peng felt the killing intent in Chen Ping, and began to feel frightened in his heart!

Chapter: 2196

Just when he begged for mercy, he saw Ge Jiayi coming over, and Sun Peng's vanity instantly hardened him.

"Chen Ping, if you can, kill me if you can. Otherwise, when I stand up, I will kill you..."

Sun Peng acted very tough, but in fact he was already scared to death inside!

However, he didn't want Ge Jiayi to underestimate him.

Chen Ping narrowed his eyes slightly, then bent down and picked up Sun Peng.

"You're up now, you can kill me..."

Chen Ping said calmly.

Sun Peng was so angry that he was just showing off, but Chen Ping really made him get up.

But now that the matter has come to this, this guy can only pretend to continue.

Sun Peng raised his left arm and swung an uppercut towards Chen Ping.

Chen Ping grabbed Sun Peng's wrist and used gentle force to break Sun Peng's left arm.

Then, Chen Ping slapped Sun Peng on the face!

Sun Peng's face instantly swelled, and several of his teeth flew out.

Sun Peng's face turned red and he roared angrily: "Chen Ping, you fucking..."

Snapped!

Before Sun Peng finished speaking, Chen Ping slapped him again.

Then there was a snapping sound, and Sun Peng was carried and beaten by Chen Ping like a dead dog!

This scene made many people sigh!

“Using me as a step on your way to licking your dog is the worst choice in your life...”

“go to hell.....”

After Chen Ping finished speaking, he slapped Sun Peng on the head with a fierce palm.

Seeing this, Ge Jiayi on the side suddenly waved her hand, and a burst of energy came over, instantly blocking Chen Ping’s palm!

Chen Ping let go and Sun Peng lay on the ground like a dead dog!

But there was excitement in his eyes, because he saw that Ge Jiayi had rescued him.

Chapter: 2197

You must have him in your heart to save him.

Now Sun Peng felt that the beating he received was worth it.

“He has been taught like this by you, so why bother to kill someone...”

Ge Jiayi said to Chen Ping.

“He just attacked me, and he used a killing move. If I couldn’t dodge, I would be the one who died. Why didn’t you stop him?”

“Now you jump out and become this good person? Don’t you think it’s ridiculous?”

“I still say the same thing, I won’t offend anyone unless they offend me. If someone offends me, I will kill them...”

“I have no enmity with him, but he killed me, so he deserves to die!”

“If you stop me, I won’t mind killing you too...”

Chen Ping had a cold face, and the murderous intention in his body continued to rise!

“you.....”

Ge Jiayi didn’t expect Chen Ping to talk to her like this, and her face suddenly turned red with anger!

Others were also surprised. They didn’t expect Chen Ping to dare to talk to Ge Jiayi like this.

Chen Ping suddenly kicked towards Sun Peng.

Sun Peng’s head was kicked like a watermelon in an instant, and he didn’t even have time to call for help!

Looking at Sun Peng who died tragically, Ge Jiayi’s face was indescribably ugly.

When others saw this, they also felt chilled in their hearts. Many people wanted to take action against Chen Ping and use Chen Ping's reputation to rise to power, but they all put it back at this moment.

Sun Peng never thought until his death that he would lick the dog himself and end up licking him with his life!

“Who is so bold as to cause trouble and kill people during the trial ceremony held by our Long family?”

At this time, a cold and cold voice came from a distance, and then a figure was seen, approaching from far away, slowly falling from the mid-air.

The person who came was none other than Long Xiao, the eldest young master of the Long family!

With the arrival of Long Xiao, Long Jingguo also arrived with some elites from the Long family.

Seeing the Long family coming, everyone moved out of the way, and then they all wanted to see how the Long family would handle this matter.

After all, Long Xiao and Chen Ping have a hatred, and there might be a fight on the spot.

Chapter: 2198

Long Xiao glanced at Sun Peng who died tragically, and then looked at Chen Ping coldly: “Chen Ping, you openly killed people during the trial ceremony held by our Long family. You don't take my Long family seriously. Even if you Mr. Shi will support you, but you can't kill people randomly...”

Chen Ping looked at Long Xiao, his eyes narrowed slightly, and his eyes flashed with light, as if he wanted to see through Long Xiao!

Long Xiao felt a little nervous when he felt Chen Ping's eyes.

“As long as others are allowed to kill me, can I not kill anyone?”

Chen Ping looked at Long Xiao coldly: "I have already killed this person, what do you want?"

Long Xiao didn't expect Chen Ping to speak so arrogantly as if he had taken a bullet!

Anger appeared on Long Xiao's face, and waves of terrifying aura began to rise from his body.

At this time, Long Jingguo came over and patted Long Xiao on the shoulder, instantly suppressing the aura on Long Xiao's body.

Long Jingguo knew that this was not the time to attack Chen Ping, nor was it a good time!

Long Jingguo just glanced at Chen Ping, and then slowly walked to the high platform!

"Everyone, this year is the day when our Long family holds a trial. This is the first time our Long family has held a trial. You are also among the best. In order to express the sincerity of our Long family to all participants, I specially give you Prepared Qi Gathering Pills..."

"Our Long family paid a high price for this to be made by foreign alchemists. It is of great benefit to the body."

After Long Jingguo finished speaking, the Long family members immediately came out with a plate of Qi Gathering Pills, and then began to distribute them to everyone!

Everyone looked excited and took the Qi Gathering Pills and swallowed them without hesitation.

Many people are grateful to the Long family...

When it was Chen Ping and Dong Jiahao's turn, Dong Jiahao picked up the Qi Gathering Pill and wanted to swallow it, but was stopped by Chen Ping.

Chen Ping picked up the Qi Gathering Pill and sniffed it gently, then crushed it gently and licked it with the tip of his tongue.

Then Chen Ping frowned and his face became a little ugly!

Seeing this, Dong Jiahao whispered quickly: "Brother Chen Ping, is there something wrong with this Qi Gathering Pill?"

"There is musk in this Qi-Gathering Pill. I know the process of refining Qi-Gathering Pills. This musk is not a medicine for refining Qi-Gathering Pills at all!"

"Although I don't know yet what harm this Qi Gathering Pill does to people, there must be something wrong, so we'd better be careful!"

Chen Ping said to Dong Jiahao cautiously.

"Damn, the damn Long family is so brave. There are so many young masters from sects here, and if he dares to give out problematic pills, he will become the enemy of the entire Kyoto martial arts world..."

Dong Jiahao cursed angrily, and then threw the Qi Gathering Pill on the ground.

Chapter: 2199

The reason why many people did not suspect that the Long family would interfere with Qi Gathering Pills was because there were so many people, covering almost the entire sect family in Kyoto's martial arts world. The Long family probably did not have that much courage.

If something really happened, I'm afraid the Long family would be wiped out immediately.

Ge Jiayi, who was not far away, saw that Chen Ping and Dong Jiahao did not take Qi Gathering Pills, so she secretly threw the Gathering Qi Pills on the ground.

When Long Jingguo saw everyone taking the Qi Gathering Pills without hesitation, a faint smile appeared on his face.

Just after the Qi Gathering Pills were distributed, four young men with straight bodies and uniforms in navy blue clothes walked over.

The four people had expressionless faces. After walking to the square, they directly found a corner to stand, waiting for the trial ceremony to end!

Seeing the four people who suddenly appeared, everyone cast doubtful glances because these four people looked unfamiliar.

It seems that he is not from a certain aristocratic sect in the Kyoto martial arts world, but he is able to participate in the trial. The Long family does not stop him, and it is not easy for others to ask.

But at this time, Chen Ping narrowed his eyes slightly and stared at the four people who had just arrived.

“Brother Chen Ping, do you know these four people?”

Dong Jiahao asked Chen Ping questions.

Chen Ping shook his head and frowned slightly: “I don’t know them, but the auras emanating from these four people make me feel familiar...”

Chen Ping thought hard. Although the familiar aura was very faint, Chen Ping could still feel it.

Whose breath is it that makes me feel this way?

Dong Jiahao looked at Chen Ping with some confusion. Since Chen Ping didn’t know the four people in front of him, how could he feel familiar from these four people?

Suddenly, Chen Ping’s slightly narrowed eyes suddenly opened, revealing an extremely cold light.

“Yu Qi, it’s Yu Qi’s breath...”

Chen Ping finally remembered that this aura belonged to Su Yuqi. Although it was very weak, Chen Ping could still feel it.

But how could Su Yuqi’s aura be reflected in these four men?

Could it be? ? ?

Chen Ping’s body instantly erupted with overwhelming murderous intent. If Su Yuqi had just been ruined by the four men in front of him, then it would make sense for these four people to have Su Yuqi’s aura.

Dong Jiahao on the side felt the sudden murderous intention in Chen Ping, and he was startled.

Even Ge Jiayi, who was not far away, couldn’t help turning her head to look at Chen Ping, wondering why Chen Ping suddenly erupted with such a terrifying aura.

But soon, the killing intent in Chen Ping disappeared.

Chapter: 2200

The thought just now almost made Chen Ping lose his mind, but now that he thinks about it, that possibility does not exist at all. Su Yuqi is the best resource for the Martial Arts Alliance, so the Martial Arts Alliance will not let Su Yuqi suffer such harm.

“Could it be...”

Chen Ping frowned again: “Could it be that these four people have the blood of Yu Qi?”

Now that the Martial Arts Alliance knows about Su Yuqi’s bloodline, it can help them practice and quickly improve their martial arts. Maybe these four people relied on Su Yuqi’s bloodline to cultivate, so they have Su Yuqi’s aura.

It must be like this, it must be...

Chen Ping turned his head and looked in the direction of the Martial Arts Alliance, the murderous look in his eyes hard to conceal!

Now the martial arts alliance should be using Su Yuqi's blood to continuously train masters. Thinking of this, Chen Ping felt extremely uncomfortable!

"hateful....."

Chen Ping gritted his teeth and clenched his fists tightly.

"Brother Chen Ping, what's wrong with you?"

Dong Jiahao asked puzzledly.

"fine....."

Chen Ping shook his head.

At this time, Long Jingguo on the stage began to introduce the precautions for this trial. Of course, a life and death certificate must be signed. Life and death in the trial place have nothing to do with the Long family, and the Long family does not need to be responsible for this. !

After the explanation, everyone started to set off. They first took a plane to Nanhua City, and then took a ship to Suolong Island!

On the cruise ship, in a luxurious room, the one-armed Zhu Zhishan was quietly sipping tea.

Soon, the door to the room was pushed open, and Long Xiao walked in, followed closely by the four young people who were undergoing the trial of the Martial Arts Alliance.

Zhu Zhishan looked up and then said calmly: "Master Long, sit down..."

Long Xiao sat in front of Zhu Zhishan and asked Zhu Zhishan: "Leader Zhu, when will we take action against Chen Ping?"

"Don't worry, we have just set off now. When we get to Suolong Island, it won't be too late to kill Chen Ping..."

Zhu Zhishan had a sneer on his face: "There are so many of us. Even if Chen Ping has great abilities, he can't even think of leaving alive this time."

When Long Xiao saw this, he could only resist the urge to kill Chen Ping and wait until he arrived at Suolong Island.

The cruise ship is sailing on the sea, because there are various facilities on the ship, so no one will feel bored!

Chen Ping was in the same room with Dong Jiahao. Because Chen Ping didn't want to deal with those young men in Kyoto, he kept lying in the room.
