

The Order 2201

Chapter: 2201

Dong Jiahao stayed with Chen Ping and didn't run around!

Just as evening approached, the fast-moving cruise ship suddenly slowed down and then swayed twice.

Immediately afterwards, an extremely strong sense of oppression hit, making everyone on the ship startled!

"what happened?"

Chen Ping stood up suddenly.

Dong Jiahao also sat up instantly and looked out the window, but there was nothing but water in the endless sea.

"There aren't any pirates, are there?"

Dong Jiahao asked.

Chen Ping shook his head: "Pirates don't have such a strong aura."

After saying that, Chen Ping walked out of the room and walked towards the deck, Dong Jiahao hurriedly followed behind.

Soon, the two people came to the deck and saw that it was already crowded with people, and they all looked towards the sea in front!

Chen Ping looked and found a white wave rolling continuously on the calm sea. It was obvious that there must be a huge monster under this huge wave!

Everyone looked at this scene, some were happy and some were scared. After all, if such a big monster can be killed, the beast elixir is very precious and is a good resource for cultivation!

Being able to survive to such a size also proves that the monster is very strong. If it cannot kill the monster, it may be buried in the belly of the monster.

The huge waves were getting closer and closer, and the huge impact made the ship slowly stop and could no longer move forward.

Soon, there was a bang, followed by water splashing!

Above the sea, I saw a monster beast waving its pincers, its body turned dark red, and a row of fangs exposed.

This monster beast looks like a crab at first glance, but its size is tens of millions of times larger than that of an ordinary crab.

“Deep Sea Cancer, this is Deep Sea Cancer...”

Someone suddenly shouted loudly after seeing this monster.

Then everyone’s eyes showed greed and shock!

Chen Ping didn’t know much about these monsters, so he didn’t know what this deep-sea giant crab was that could make everyone so excited suddenly.

Chen Ping looked at Dong Jiahao and wanted Dong Jiahao to introduce it, but Dong Jiahao shook his head. He didn’t understand this monster very well.

“This deep-sea giant crab is the ultimate in monsters in the sea. It usually only lives under the deep sea and is rarely seen by people.”

Chapter: 2202

“But the inner elixir of the deep-sea giant crab is the best. I heard that the inner elixir of the deep-sea giant crab can make a Wuhou enter a new realm.”

“And the meat of this deep-sea giant crab is also a good resource. It’s just rare to find. I haven’t heard anyone say that they have eaten the meat of this deep-sea giant crab!”

At this time, Ge Jiayi came over and explained after Chen Ping.

“In this way, we are very lucky today and have the opportunity to eat this giant crab meat.”

Chen Ping’s eyes also shone when he looked at the deep-sea giant crab in front of him.

Ge Jiayi glanced at Chen Ping: “Don’t think so beautifully. This Shenhai giant crab is very powerful. It can’t move forward without seeing such a big cruise ship. Moreover, the body of this giant crab is extremely hard, especially the shell.” Son, most people can’t hurt it at all.”

Ge Jiayi instantly poured cold water on Chen Ping, telling Chen Ping to give up his thoughts.

It’s just that Ge Jiayi doesn’t understand Chen Ping. Her persuasion can only make Chen Ping more eager to take action!

But before Chen Ping could take action, he saw a person in the crowd jump up high.

This is a young man who is half-stepping into Wuhou. Maybe he really can’t stand the temptation of this giant crab in front of him!

You must know that if he kills this giant crab and gets the beast pill, he will be promoted to the realm of Wuhou.

Many people have been trapped in Half-Step Wuhou for decades and have no way to break through, so this young man plans to give it a try.

The young man, who was half a Wuhou, jumped into the air, then punched out with both fists, blasting towards the giant crab with strong energy.

Boom boom boom.....

Three explosions sounded in succession, and water columns were thrown up from the water surface.

But the Cancer was not harmed at all, but such an attack angered the Cancer.

I saw the giant crab waving two large pincers and suddenly attacked the young man.

The young man was shocked, and his body fell rapidly in mid-air.

Unfortunately, it was too late. One of the giant crab's large pincers immediately clamped the young man, and then blood spattered. The young man was instantly clamped in two, and his internal organs and body fell into the sea.

The thick bloody smell attracted many sharks in an instant, and they gnawed cleanly on the young man's body in an instant.

At this time, everyone was stunned, and no one dared to take action against Cancer rashly.

However, the enraged Cancer didn't seem to be planning to stop. It waved its two large pincers and rushed towards the crowd. Huge waves surged onto the deck, soaking everyone's clothes.

Many people began to get scared and retreated in fear. Even though these people were young and strong men from various major sects and families, they were powerless in the face of the giant crab and had no choice but to run for their lives.

When Ge Jiayi saw this, she raised her right hand, and then smacked it lightly in front of her. A stormy wave suddenly arose on the sea surface, and waves tens of meters high hit the giant crab.

Chapter: 2203

The waves hit the giant crab, slowing down the giant crab's attack speed, but this does not solve the crisis. The giant crab will soon attack the ship.

When Chen Ping saw this, he was about to take action when he saw a black shadow rising into the sky, followed by sword flowers in his hand.

This person was Long Xiao, and the long sword in Long Xiao's hand was swung with huge sword light. The sword light seemed to be falling from the sky, heading straight for the giant crab.

Stab...

The sword light instantly split a gap in the sea surface, and then slashed hard at the giant crab.

The shell of the giant crab is extremely hard. Long Xiao's sword only made the giant crab feel pain, but did not kill the giant crab!

The pain made the crab go crazy instantly, and its body swayed in the water. The huge impact made the cruise ship sway, as if it was about to capsize.

Long Xiao frowned, and then several more rays of sword light were swung out, hitting the giant crab, causing streaks of fire. It was impossible to cut through the hard shell of the giant crab!

The giant crab was furious, and a large pliers came towards Long Xiao fiercely. When Long Xiao saw this, he quickly retreated and did not dare to step forward.

Seeing that the giant crab was about to board the cruise ship, Chen Ping stepped on and jumped directly towards the giant crab.

Chen Ping's body was like a cannonball, rushing straight towards the giant crab, and then stopped firmly on the giant crab's back.

This time, the giant crab twisted its body desperately and stopped climbing towards the cruise ship!

Chen Ping's whole body shone with golden light, and his fist was also covered with golden light, and then he punched the giant crab's back shell hard.

The giant crab's back shell actually had small cracks under Chen Ping's punch.

The giant crab twisted its body desperately, trying to throw Chen Ping down, and then the two large pincers continued to attack Chen Ping.

The giant crab attacked very quickly. Although Chen Ping hid on the giant crab's back, he still couldn't avoid the attack from the giant crab's two large pincers.

Seeing this, Chen Ping could only jump up again, then put his feet on the water and walked on the water!

Cancer saw Chen Ping jump off his body, and then slapped Chen Ping with his paw.

boom!

The large pliers slapped the water hard, causing huge waves to hit the ship.

The ship rocked, and everyone on board looked over to see how Chen Ping was doing.

But above the sea, there is no trace of Chen Ping anywhere.

"This Chen Ping won't die so easily, right?"

“This giant crab is so powerful that even Chen Ping, a young man who is said to be the most talented, was easily beaten to death.”

Chapter: 2204

“I didn’t expect that the person who is called the proud son of heaven would die so miserably in the end...”

Everyone was talking in low voices, but Long Xiao’s eyes were slightly focused, not only looking towards the sea!

He didn’t believe that Chen Ping could be shot to death so easily.

After a while, the water surface suddenly made a splashing sound.

Immediately afterwards, a golden light shot up from the water into the sky, and Chen Ping’s body burst into golden light. Pieces of golden scales covered his body, like a golden dragon emerging from dehydration!

Chen Ping stared at the giant crab in front of him with a vigilant expression, and Dong Jiahao breathed a sigh of relief when he saw that Chen Ping was not dead.

Somewhat surprisingly, Long Xiao felt relieved when he saw that Chen Ping was not killed by the giant crab. He didn’t want Chen Ping to be killed by the giant crab, he wanted to kill Chen Ping himself.

Cancer saw Chen Ping rising into the sky, and then slapped him with his big pliers again.

The huge crab claws were in front of Chen Ping in an instant.

Chen Ping shouted angrily, and the golden light suddenly appeared on his body. He did not dodge, but mobilized the power of the dragon in his body, and then punched him hard.

Everyone was shocked to see Chen Ping dare to follow Cancer head-on!

In the room at this moment, Zhu Zhishan was staring at the sea through the window!

“This boy really doesn’t know how to live or die. You must know that the bodies of these monster beasts are extremely hard, but they are not comparable to his indestructible golden body.”

Zhu Zhishan smiled coldly.

boom!

With a loud noise, Chen Ping punched the giant crab’s claws, causing endless aftermath to spread out in all directions!

Above the water, a deep pit was blown directly by the huge aftermath, and the sea water was blown around.

Chen Ping’s body exuded golden light, and his fists were pressed tightly against the giant crab’s pincers.

Chen Ping’s body looked so insignificant under the giant crab’s claws!

The giant crab kept baring its teeth, and its big pliers suddenly exerted force, pressing Chen Ping down.

boom!

Chen Ping, who was in mid-air, was directly knocked into the water by the giant crab’s large pincers. This time, the water column splashed dozens of meters high.

Seeing this scene, everyone knew that Chen Ping was probably in danger this time.

However, everyone admired Chen Ping’s courage for daring to confront such a monster head-on.

Chapter: 2205

“Brother Chen Ping...”

Dong Jiahao watched Chen Ping being slapped into the water, his eyes turned scarlet, and he took out his weapon and was about to step forward to kill the monster.

But before Dong Jiahao took action, he saw a golden light under the water, and the giant crab that was originally floating on the water seemed to be suddenly pulled by something, and its body instantly entered the water.

Through the water, everyone could see the golden light flickering below, as if Chen Ping was still fighting with the giant crab.

Soon, the fighting under the water stopped, and the water slowly returned to calm.

However, Chen Ping and the giant crab were nowhere to be seen, and no body was seen floating up.

Just when everyone was puzzled, a huge whirlpool suddenly appeared on the water, and then Chen Ping's seemingly thin body directly lifted the giant crab, which was more than ten meters tall, into the sky.

You must know that this giant crab may weigh ten thousand kilograms, so Chen Ping directly flushed the giant crab out of the water and into the air!

Everyone looked at Chen Ping in mid-air in shock, and saw that Chen Ping's figure began to skyrocket, as if he was expanding!

The giant crab was lifted out of the water by Chen Ping, its claws still waving and struggling.

Chen Ping roared with all his strength and threw the giant crab directly into the air. When the giant crab fell, the aura on Chen Ping's body began to rise rapidly. Then he clenched his fists and smashed the golden fist hard at the giant crab!

At this time, Chen Ping had turned into a golden light, like a meteor streaking towards the cancer.

boom!

Chen Ping's devastating punch hit the Cancer's abdomen hard, and then without any pause, it penetrated the Cancer's body directly.

When Chen Ping shot up from the back of the giant crab, he already had a colorful beast elixir in his hand, and the giant crab weighing ten thousand kilograms fell silent instantly and hit the water heavily!

The splashing water was as high as several floors, and the giant crab's corpse floated on the water, attracting many sharks in an instant.

Chen Ping was suspended in mid-air, holding the beast pill in his hand, looking coldly at the people on the ship below.

At this moment, Chen Ping was like a god descending to earth, his whole body exuding golden light, giving people a strong sense of oppression!

Looking at Chen Ping in mid-air, Long Xiao felt a sense of uneasiness in his heart. Chen Ping's strength broke through his cognition time and time again.

Zhu Zhishan in the room also looked extremely ugly, and the murderous intention in his heart was even stronger. He knew that Chen Ping could never stay.

Chen Ping slowly fell from mid-air to the suit, but no one was paying attention to Chen Ping. They were more concerned about the giant crab's body.

Although these people failed to obtain the Cancer Beast Pill, the meat of the Cancer is also a rare resource for cultivation!

These people jumped into the sea one after another and began to slaughter the sharks that were coming madly.

These people are not strong enough to deal with monsters like cancer crabs, but they are more than enough to deal with ordinary sharks.

Chapter: 2206

Many people are competing for various parts of Cancer, and some even fight over it!

Looking at the people vying for action, Chen Ping smiled coldly. These children of aristocratic families would become no different from robbers in the face of interests!

“Brother Chen Ping, you are so awesome...”

Dong Jiahao walked up to Chen Ping with excitement on his face: “Let me see, this is the Cancer Beast Pill. It’s really beautiful...”

Dong Jiahao took the beast pill in Chen Ping’s hand and looked at it carefully.

“If you like it, I’ll give it to you...”

Chen Ping smiled slightly.

Although this beast elixir is very good, for Chen Ping, a beast elixir is just a drop in the bucket and will not have much effect on the growth of his strength.

After all, Chen Ping now needs too much spiritual energy to advance to a higher level. Moreover, Chen Ping still has Du Da’s Nascent Soul that has not yet been refined.

“No, no, no... I can’t have it. This thing is too precious. Giving it to me would be a waste. With my talent, I’m afraid I will never be able to break through to Wuhou in my lifetime.”

Dong Jiahao waved his hands repeatedly and hurriedly put the beast pill back into Chen Ping's hand.

Dong Jiahao knew that he was not talented enough, so even if he took this beast pill, he probably wouldn't be able to increase his strength much.

When Chen Ping saw this, he didn't say anything more, but filled up the beast elixir.

At this time, Ge Jiayi came over and said to Chen Ping: "Chen Ping, can you sell me the beast pill?"

This beast elixir is a very important cultivation resource for Ge Jiayi!

Chen Ping glanced at Ge Jiayi and said two words lightly: "Not for sale..."

Chen Ping is not short of money now, so there is no need to sell the beast elixir. Taking it himself will have little effect. He can give it to others after he returns.

Ge Jiayi was slightly startled, but she did not give up and continued: "I can exchange it with other resources, such as elixirs and magic weapons..."

"No change!" Chen Ping replied to Ge Jiayi in two words.

Ge Jiayi's face was a little unhappy, but she had no choice but to grab it directly.

At this moment, Long Xiao's expression was extremely ugly, and his eyes were filled with anger.

In the room, Zhu Zhishan's eyes narrowed slightly, and then he waved his hand towards one of the four martial arts alliances and said: "Xu Song, you go out and follow Mr. Long's words..."

Zhu Zhishan whispered something in Xu Song's ear. After speaking, Xu Song led the other three people out of the room.

After arriving on the deck, Xu Song crouched down and whispered a few words into Long Xiao's ear!

Chapter: 2207

After hearing this, Long Xiao's face suddenly became happy.

Just when Chen Ping was about to leave the deck and return to the room, he was directly stopped by Long Xiao.

"Chen Ping, you can't leave. If you want to leave, you can. Hand over the beast elixir..."

Long Xiao said to Chen Ping.

"Why hand it over?"

Chen Ping looked at Long Xiao coldly and asked.

"This trial is organized by our Long Family. All resources obtained from the trial must be handed over to our Long Family and then distributed. This is the rule..."

Long Xiao explained.

"Long Xiao, are you fucking shameless? Since when did your Long family have such a rule? Before the trial, there was no such thing!"

After hearing Long Xiao's words, Dong Jiahao cursed and asked.

"This is my new rule. This trial is held by our Long Family, so the rules are also set by our Long Family. I am the person in charge of this trial, and I can make rules at any time!"

Long Xiao raised the corners of his mouth slightly and said with a high attitude.

Long Xiao's words immediately aroused dissatisfaction among many people, but Long Xiao didn't care, because many people here would become resources for his cultivation and would be killed sooner or later.

Chen Ping's eyes narrowed slightly: "What if I don't hand it over?"

"Hmph, if you don't hand it over, then you are violating the rules. If you violate the rules, I will have no choice but to snatch it away..."

The aura on Long Xiao's body began to rise.

Chen Ping's eyes were full of disdain and he snorted coldly: "If you have the ability, then come and rob..."

Chen Ping actually took out the beast pill and waved it in front of Long Xiao, provoking Long Xiao!

"Chen Ping, I was not convinced the last time I was defeated by you. Today I will take revenge..."

Long Xiao no longer concealed anything and directly stated his purpose.

He just wants to take revenge on Chen Ping. As for the rules of handing over the beast pill, he is looking for trouble with Chen Ping!

"You were lucky if I didn't kill you last time, but you won't be so lucky today..."

After Chen Ping finished speaking, golden light flashed on his fist, and then he punched Long Xiao.

Since a battle is unavoidable, Chen Ping must strike first.

Chapter: 2208

Chen Ping had just consumed a lot of spiritual energy in the battle with the giant crabs, and now he had to take Long Xiao by surprise!

Long Xiao didn't expect that Chen Ping would suddenly take action. He couldn't dodge and was punched hard in the chest by Chen Ping, sending his body flying backwards instantly.

If Xu Song and the others hadn't caught Long Xiao, Long Xiao's body would have fallen into the sea.

Long Xiao looked at Chen Ping angrily. The sharp pain in his chest made Long Xiao look extremely ferocious.

“ah.....”

Long Xiao roared angrily, sliding his hands quickly in front of him, and a black energy continued to solidify.

At this time, Long Xiao could no longer care too much. He now wanted to kill Chen Ping.

Chen Ping's body glowed with golden light, and then he punched down!

boom!

The two fists collided, and huge energy fluctuations caused the entire ship to begin to shake violently.

At this time, everyone was shocked. If the two Wu Hous really wanted to fight on the ship, the ship would definitely not be able to withstand it.

Ge Jiayi waved her sleeves, and two white strips shot out instantly, directly separating Chen Ping and Long Xiao.

“You two can fight, but you can’t joke with our lives.”

“If the ship is destroyed, in a place like this, we will all die on the sea.”

Ge Jiayi shouted at Chen Ping and Long Xiao.

At this time, everyone began to accuse Chen Ping and Long Xiao, and they were all very angry.

They don’t want to die on the sea.

But Chen Ping was already at war with Long Xiao, how could he stop so easily!

“Chen Ping, do you have the guts to put your energy aside and fight with pure strength?”

Long Xiao stared at Chen Ping and asked.

“Why don’t you dare!” Chen Ping snorted coldly!

As long as they don’t use any force and rely only on the strength of muscle contraction, the two people will not produce such a big residual force and will not endanger the safety of the ship.

Seeing Chen Ping agree, Long Xiao took back the black energy, and the golden light on Chen Ping slowly disappeared!

“Holy Light Fist...”

Chapter: 2209

Chen Ping struck first and punched him!

The Holy Light Fist can be used perfectly without spiritual power. When he was in the Demon Suppression Tower, Chen Ping relied on pure power to use the Holy Light Fist to forcefully open the door of the Demon Suppression Tower.

Seeing Chen Ping rushing over, Long Xiao did not dodge and raised a sneer at the corner of his mouth.

puff!

Soon, Chen Ping punched Long Xiao on the body, and a strange scene occurred.

Long Xiao's body, which should have been extremely hard, now became soft and soft, like a puddle of mud.

Chen Ping punched him, and the power was instantly absorbed and disappeared. This made Chen Ping almost stumble and hit Long Xiao.

A huge dent appeared in Long Xiao's body, wrapping Chen Ping's fist. Then a counter-shock force struck, causing Chen Ping to take a few steps back, but Long Xiao's body slowly recovered.

Long Xiao smiled coldly: "Hahaha, even with your powerful strength, you can't hurt me at all."

Chen Ping frowned slightly and stared at Long Xiao. It seemed that Long Xiao's entire body had been transformed a long time ago. No matter the internal organs or bones, they were no longer hard!

"It seems that the soul residing in your body is still a capable guy..."

Chen Ping narrowed his eyes and said coldly.

Long Xiao had a sneer on his face. He did not refute or admit. Instead, he curled up the corner of his mouth and then punched Chen Ping.

Although Chen Ping did not use the indestructible golden body, his current body has been forged to be extremely hard.

With pure strength, it is impossible to hurt himself.

So Chen Ping did not dodge, but let Long Xiao punch him.

boom!

There was a loud noise, and the punch hit Chen Ping without causing any damage. For Chen Ping, with such power, there was no difference between tickling him!

However, after punching Chen Ping, Long Xiao immediately took a few steps back, still with a sneer on his face.

Just when Chen Ping was wondering what Long Xiao was up to, a burst of power suddenly exploded in his body, followed by a huge impact that caused Chen Ping to fly backwards in an instant.

“Hahaha, my power is specially designed to deal with physically strong people like you. Although you feel that this punch has no power, the power has already penetrated the skin and entered the body!”

“I’ll see what you can do to fight me this time. If you hand over the beast elixir obediently, I can let you live for a while longer...”

Long Xiao laughed, he was full of confidence at this moment.

As long as Chen Ping hands over the beast pill, he will not kill Chen Ping. When he gets to Suolong Island, he will torture Chen Ping and not let Chen Ping die too happily.

Chapter: 2210

Chen Ping stood up, looked at Long Xiao coldly, and then rushed forward suddenly.

Punch after punch was thrown at Long Xiao like rain.

Every punch on Long Xiao's body can deform Long Xiao's body, but he will recover soon.

Every punch from Chen Ping was like being punched in mud. Not only did all the power disappear, but his body would also be shocked!

In a short period of time, Chen Ping threw hundreds of punches. At this moment, Chen Ping's forehead was already covered with beads of sweat!

"Hahaha....."

Looking at Chen Ping like that, Long Xiao laughed happily, and then suddenly punched Chen Ping!

Chen Ping's body flew out directly and fell heavily on the deck!

"Chen Ping, today I want you to taste the feeling of being abused..."

After Long Xiao finished speaking, he suddenly stepped forward and stepped towards Chen Ping.

Chen Ping rolled over, then stood up suddenly and distanced himself from Long Xiao!

"It's impossible for me to give you this beast elixir..."

After Chen Ping finished speaking, he swallowed the beast pill directly into his stomach.

Regardless of whether this beast pill has any effect on Chen Ping's cultivation, Chen Ping will never give it to Long Xiao.

Seeing Chen Ping swallowing the beast pill, Long Xiao's face became extremely ugly!

"Master Long, since Chen Ping has swallowed the beast pill, let's forget about it. Besides, I don't agree with the rules you made privately..."

At this time, Ge Jiayi took two steps forward, looked at Long Xiao and said.

"Yes, what are your rules? Even if your Long family holds the trial, you can't treat us as fools..."

"That is, everything has to be handed over to your Long family for distribution. Then what have we become? Have we become your Long family's big wage earners?"

"If you don't want to go, if it doesn't work, just turn around and go back, do a trial, there are so many pressing things..."

With Ge Jiayi taking the lead, many people also expressed their dissatisfaction!

Originally, the trial meant that whoever got the resources or treasures belonged to them. Now, with just one word from Long Xiao, all the resources or treasures belong to the Long family, and then when they are distributed, who will work hard during the trial?

Seeing the excitement of the crowd, Long Xiao's expression changed again and again. Finally, he narrowed his eyes and looked at Chen Ping coldly: "Chen Ping, just wait, Dragon Lock Island is your grave..."

After Long Xiao finished speaking, he left, and Chen Ping followed Dong Jiahao back to the room!
