

The Order 221

Chapter: 221

I have to say that Leng Bing's acting skills are top-notch, and he instantly pulled everyone to his side, all criticizing Wang Hanhan!

At this time, Wang Hanhan didn't know that she had already become the target of public criticism before she arrived!

"Hey, I've lived with Wang Hanhan for three years, and I didn't even know she was this kind of person..."

Wang Yutian curled her lips: "No wonder she would find a reform-through-labor prisoner as her boyfriend now!"

As soon as Wang Yutian finished speaking, everyone was in a panic. They all looked at Wang Yutian in disbelief!

"Wang Yutian, who did you listen to? Is it reliable?"

Zhang Meng asked Wang Yutian hurriedly.

"I also heard what Wu Yifan said. We talked on the phone last night and she told me that Wang Hanhan had found a reform-through-labor prisoner who had just come out of prison to be her boyfriend. I was still surprised at the time, but now Wang Hanhan is even a dancer. She can find a boyfriend. Not bad for a reform-through-labor prisoner!"

Wang Yutian said!

After hearing this, Zhang Miao burst into laughter. She was thinking that if Wang Hanhan came with her boyfriend, she would humiliate Wang Hanhan.

After Leng Bing heard that Wang Hanhan had found a boyfriend who was a reform-through-labor prisoner, the corner of her mouth raised inadvertently!

At this moment, Wu Yifan and Wang Hanhan arrived, opened the door and walked in, followed closely by Chen Ping!

“Hello everyone, long time no see...”

After Wu Yifan entered the door, he greeted everyone!

“Hello everyone.....”

Wang Hanhan also smiled and said hello to everyone, but when she saw Leng Bing, her eyes dodge and she did not dare to look directly at Leng Bing!

Wang Hanhan was afraid that she couldn't help it and would get angry at Leng Bing. After all, Leng Bing had caused her misery, but this was a class reunion, and Wang Hanhan didn't want to mess it up!

Seeing Wang Hanhan avoid Leng Bing's eyes, this made everyone believe Leng Bing's words even more. Wang Hanhan must have done something sorry for Leng Bing, that's why he behaved like this!

Wu Yifan greeted Wang Hanhan and found that everyone was looking at Wang Hanhan with strange eyes. Now both of them were a little confused!

“Wang Hanhan, I didn't expect you to be such a person and dare to come to the class reunion. I really misjudged you...”

At this time, Wang Yutian said to Wang Hanhan angrily!

This time, Wang Hanhan was confused. She didn't understand what Wang Yutian was talking about!

“Wang Yutian, why did Hanhan offend you? We haven't seen our old classmates for many years. Why do you say such things when we meet?”

Wu Yifan stepped forward and asked Wang Yutian!

Chapter: 222

But when Wang Yutian was about to speak, Leng Bing stood up: "Okay, let's not talk about the past. Today we are just here to drink and talk about relationships. No one wants to make it unpleasant..."

Leng Bing spoke, but Wang Yutian didn't say anything!

"baffling....."

Wu Yifan took Wang Hanhan to find a seat and sat down, and Chen Ping also sat down next to Wang Hanhan unceremoniously!

Seeing Chen Ping, everyone looked up and down with amusement and contempt in their eyes!

"Hanhan, who is this man? This is our class reunion, isn't it a bit awkward to bring outsiders here?"

Zhang Miao was the first to speak and asked Wang Hanhan.

She asked this deliberately. She wanted to see how Wang Hanhan would answer.

Wang Hanhan looked at Chen Ping, opened her mouth but didn't know how to introduce Chen Ping!

If Chen Ping is his boyfriend, the two have no established relationship at all!

But if you are talking about your friends, it is not appropriate to bring your friends to an occasion like a class reunion!

"Hello everyone, my name is Chen Ping, I am Hanhan's boyfriend..."

Chen Ping stood up generously and introduced himself with a smile!

Seeing Chen Ping's explanation, Wang Hanhan's face instantly showed joy, she nodded towards Zhang Miao and said: "This is my boyfriend..."

Zhang Miao looked at Chen Ping and asked with a bit of disdain, "What does your boyfriend do?"

"We work as salespeople in a company..."

Wang Hanhan said truthfully.

"Are you a salesperson? Then you should get a lot of commission, right? Now I heard that salespersons can make quite a lot of money..."

Zhang Miao continued to ask, apparently wanting to find out all the details about Chen Ping!

"I...I don't know, we have only been working for a few days!"

Wang Hanhan said with an expression on her face, she didn't want to deal with this Zhang Miao!

But the more Wang Hanhan wanted to ignore Zhang Miao, the more proud Zhang Miao became. She still asked Wang Hanhan reluctantly: "Then what did your boyfriend do before he became a salesperson?"

Zhang Miao wanted to force Wang Hanhan to tell the truth about Chen Ping's imprisonment, so as to embarrass Wang Hanhan!

Wang Hanhan didn't speak this time because she didn't know how to answer. After all, Chen Ping had just been released from prison. She couldn't just say it directly. That would definitely make everyone laugh at her, and Chen Ping would also lose face!

Chapter: 223

“Why are you embarrassed to say it? We are all old classmates, there is nothing to be ashamed of. If your boyfriend is not going well at work, we can all help introduce him! But before introducing him, you must first get to know him!”

Although Zhang Miao said it nicely, she was obviously not trying to introduce a good job to Chen Ping. She just wanted to make Wang Hanhan look embarrassed!

“Zhang Miao, are you checking your household registration? You’re asking questions. Hurry up and serve food...”

In order not to embarrass Wang Hanhan, Wu Yifan hurriedly said to Zhang Miao!

However, Zhang Miao refused to give up. Instead, she looked at Wang Hanhan who looked embarrassed and said, “Hanhan, your boyfriend’s previous job is still kept secret? Is there anything that cannot be said, such as being in prison?”

Zhang Miao actually made it clear in her words!

Wang Hanhan was surprised when she heard what Zhang Miao said. She had never told anyone about this matter. Why did Zhang Miao know about it?

At this time, Wang Hanhan looked at Wu Yifan, because only Wu Yifan knew about Chen Ping’s imprisonment last night!

Wu Yifan also looked surprised, and finally turned his attention to Wang Yutian, his eyes full of anger: “Wang Yutian, are you chewing your tongue?”

Wu Yifan told Wang Yutian last night, and now Zhang Miao actually knows about it, so it must be Wang Yutian who said it!

“Wu Yifan, why are you talking nonsense? I’m just telling the truth!”

Wang Yutian didn't defend herself and admitted it directly. This made Wu Yifan angry, and Wu Yifan also became a little worried!

Because she was a young lady, Wang Yutian also knew that if she was exposed at this time, she would really be embarrassed to see anyone!

Wu Yifan was afraid of angering Wang Yutian and exposing her own affairs, so she stopped talking!

"Hanhan, it's not something unspeakable that your boyfriend has been in prison. Why don't you tell him? We are not discriminating against him. Your current status and your boyfriend are a perfect match. A dancer and a reform-through-labor prisoner are a perfect match."

"Hahaha....."

After Zhang Miao finished speaking, everyone burst into laughter, and the ridicule in their eyes was revealed without any protection!

Wang Hanhan's face turned red with anger. She didn't want to come. She knew that if she attended this class reunion, she would definitely be ridiculed by everyone. In this situation, she didn't have the courage to stay any longer!

Wang slowly stood up and wanted to leave, but was held back by Chen Ping: "Hanhan, you haven't eaten yet, why are you leaving? Let's talk after eating!"

"Yes, I'm just joking with you. Are you angry? Look at how grand your boyfriend is. This is a Regal Hotel. If it hadn't been for this class reunion, I'm afraid you would never want to eat here. If you're afraid If you don't have the money to take out your own share, you can tell me and I will help you pay it out. One hundred and eighty thousand is nothing to me..."

Zhang Miao said to Wang Hanhan with a sneer on her face!

After Zhang Miao said this, Wang Hanhan had no choice but to leave. If he left now, it would prove that he was afraid of spending money to leave!

“No need, we still have this little money!”

Chen Ping smiled slightly and said!

Chapter: 224

“Well, since you have money, then I don’t have to worry. I’m really afraid that if someone evades the bill after dinner, it will be embarrassing!” Zhang Miao said, then looked at Leng Bing and said : “Brother Bing, didn’t you tell me that you have booked the banquet in advance? Let them come!”

“No problem!” Leng Bing smiled slightly: “The banquet I ordered this time is 58,800 yuan, not including drinks. The drinks are Maotai I brought myself. Counting the dozen of us, each of us can’t spend more than 10,000 yuan.” If it’s eight thousand, I’ll let them serve it now!”

After Leng Bing finished speaking and made a phone call, the private room door was soon pushed open and exquisite dishes were served one after another!

It’s just that no one of these people looked happy when they looked at the table full of food. After all, they had just started working, and many of them had no savings at all. After eating this meal worth 8,000 yuan, they felt very distressed. There was no such thing. Give me money!

Leng Bing looked at everyone’s expressions and raised the corner of his mouth slightly: “Although today’s meal does not cost much, I know that many people are not rich now. All you need to do now is call me Brother Bing and toast me with a glass of wine. I will pay for you...”

After Leng Bing finished speaking, he looked at Wang Hanhan and Chen Ping. It was obvious that Leng Bing’s proposal was aimed at them!

“Brother Bing is mighty, let me respect you first...”

As soon as the words fell, someone immediately picked up the wine glass and gave a cold toast!

Soon, everyone was toasting Leng Bing with flattering faces. In the end, only Wang Hanhan, Chen Ping and Wu Yifan were left!

“Yifan, why don’t you give Brother Bing a toast?”

Wang Yutian asked.

“Eighteen thousand yuan, I still have it...”

Wu Yifan’s meaning is obvious. She would rather pay for it herself than give Leng Bing a toast!

“Why are you pretending to be rich? How many times will you have to be slept with to earn these 18,000 yuan? It’s for your own good, so I don’t appreciate it...”

Wang Yutian rolled her eyes and said!

This sentence was like a bolt from the blue, and everyone looked at Wu Yifan!

Wu Yifan’s face was ashen, feeling everyone’s gaze, and he even felt like he had fallen into a mouse hole!

“Wang Yutian, what the hell are you talking about? Believe it or not, I will kill you...”

Wu Yifan stood up suddenly, holding a wine bottle in his hand!

“Wu Yifan, please keep your mouth clean. Who is talking nonsense? Don’t you know what you do?”

Wang Yutian is not to be outdone!

Wu Yifan was shaking with anger while holding the bottle, and was about to throw the bottle at Wang Yutian!

She regrets it so much now. She took Wang Yutian as her sister, but the other party betrayed her!

This is when Zhang Miao stood up, snatched the wine bottle from Wu Yifan's hand, and shouted with a cold face: "What are you two making a fuss about? Today's class reunion is organized by me. If you two are making such a fuss, are you not going to give me anything?" My face? If this is the case, you two will get out of here..."

Chapter: 225

Zhang Miao relied on Leng Bing to be her boyfriend, so she regarded herself as the leader!

However, after such a roar, Wang Yutian did not dare to speak anymore, and Wu Yifan sat back with tears in her eyes full of anger!

It's just that everyone looked at Wu Yifan with a bit of passion, especially the male classmates. After all, Wu Yifan was pretty good-looking, and now they might only spend a few hundred yuan to sleep with Wu Yifan for one night!

After this incident, Wu Yifan kept his head down and did not say a word.

"Come, let's all eat together. Normally you don't get such good food..."

Zhang Miao ignored Wu Yifan and said to everyone.

Everyone started to eat lively, and no one paid attention to Wu Yifan. Only Wang Hanhan kept comforting Wu Yifan, but Wu Yifan still didn't say a word!

Everyone was changing cups, but Chen Ping just ate by himself. No one paid attention to him, and he didn't pay attention to anyone!

Leng Bing looked at Chen Ping, raised the corner of his mouth, picked up a glass of wine and said:
“Brother Chen Ping, why do you only eat vegetables and not drink? Do you want to eat your own share?
Don’t be exhausted...”

“Ha ha ha ha.....”

As soon as Leng Bing finished speaking, everyone burst into laughter!

Chen Ping wiped his mouth with a tissue and said without any anger: “This wine is too bad, I can’t get used to it...”

Everyone was stunned by Chen Ping’s words. This wine was Maotai, costing several thousand yuan a bottle. Chen Ping actually said he couldn’t get used to it?

He smiled coldly: “You can’t get used to drinking this Maotai. What do you want to drink? You don’t have to spend money on this wine. If you choose another wine, you will also have to spend a share of it...”

“It doesn’t matter if it’s money or not, the main thing is that I drink too much and cough...”

Chen Ping said calmly!

“Damn it, why are they so awesome? I haven’t heard of anyone coughing after drinking alcohol...”

“A prisoner of labor reform, why are you pretending to be cool? I guess you haven’t even drank Maotai!”

“I really can’t stand listening anymore, it’s so annoying...”

After hearing Chen Ping’s words, everyone roared angrily!

Zhang Miao also smiled disdainfully, and then said to Wang Hanhan: "Hanhan, look at the boyfriend you have found. He is really weird. Even if he is poor, he pretends to be rich!"

Wang Hanhan ignored Zhang Miao, but she didn't understand what happened to Chen Ping today!

"Brother Chen Ping, if I'm not mistaken, you drove here from Chang'an, right? These bottles of wine can probably buy you a car. What else do you think you are pretending to be?"

Leng Bing asked with a sneer on his face.

Chapter: 226

After Leng Bing said this, everyone discovered that Chen Ping had a Changan Automobile key hanging on his waist!

"I just support domestic production, there is a Bentley, I don't like to drive it..."

Chen Ping said calmly.

Chen Ping can drive Lin Tianhu's Bentley whenever he wants. He owns the entire Juyi Hall, let alone a car!

puff.....

Leng Bing just took a sip of water, and when she heard Chen Ping's words, she immediately squirted it out!

"Hahaha, in all my life, I have never seen a braggadocio so calm. You are considered a genius, and you still have a Bentley? I take it you have never seen a Bentley, right?"

Leng Bing laughed so hard that he almost lost his temper!

Everyone else also laughed, laughing so hard that some even burst into tears!

“Compared to you, I’m not even close. I’ve never seen anyone cheat a girl out of money and still pretend to be a treat to a dinner party so calmly!”

Chen Ping said with a cold smile!

When Leng Bing heard Chen Ping’s words, the smile on his face disappeared instantly, replaced by a gloomy face.

“I don’t understand what you are talking about!”

Leng Bing narrowed his eyes slightly and looked at Chen Pingdao!

“You know what I’m saying. Whether I’ve defrauded people of money or not, you know better than me...”

Chen Ping also stared into the cold eyes without showing any signs of weakness!

The two people’s eyes collided, and the atmosphere in the entire private room instantly became tense!

“What nonsense are you talking about? Brother Bing only has hundreds of thousands of dollars for a watch. How could he possibly defraud people of their money...”

Zhang Miao shouted loudly at Chen Ping!

In Zhang Miao’s heart, Leng Bing is an ideal man who is talented and wealthy. How could such a rich man defraud others of their money?

“Yes, Brother Bing has a watch. I’m afraid you can’t afford it with all your wealth. Stop slandering others here!”

Wang Yutian also said to Chen Ping!

Obviously no one believed what Chen Ping said. None of them believed that Leng Bing would defraud people of money!

“It’s just a fake watch, is it worth showing off?”

Chapter: 227

Chen Ping smiled coldly!

From the moment he walked in, Chen Ping discovered that Leng Bing’s watch was fake. Now Chen Ping only needed to use his spiritual power to test it a little to find out!

Fake?

Everyone looked at Leng Bing. Even Wang Hanhan, who had been comforting Wu Yifan, couldn’t help but look at the gold watch on Leng Bing’s wrist!

A trace of panic flashed in his cold eyes, and then he said angrily: “You are talking nonsense. My gold watch is imported from Switzerland. Have you ever seen a gold watch? How dare you think it is a fake?”

“Chen Ping, even if you are jealous of Brother Bing, why do you say his watch is fake? Isn’t it just a watch worth hundreds of thousands? It’s not like Brother Bing has no money, why do you wear a fake one? Brother Bing drives a fake one. A Mercedes-Benz S costing more than one million yuan, you wouldn’t say that his car is also fake, right?”

Zhang Miao asked Chen Ping!

“Brother Bing, who is he? How could he be wearing a fake watch?”

“When I was in school, I heard that Brother Bing was very rich. How could he wear a fake watch?”

“Sorrow for his misfortune, anger for his inability to fight. If you don’t have it yourself, you just say what others say is fake. What kind of mentality do you have!”

After listening to Zhang Miao’s questioning, everyone also accused Chen Ping!

Wang Yutian also glared at Chen Ping and said: “You didn’t even look at this gold watch, so you just said it was fake. It’s obvious that you are jealous. Are you seeing that your girlfriend’s previous boyfriend is better than you, and you can’t bear it mentally?”

“I just told the truth!”

Chen Ping smiled lightly.

“Bah!” Wang Yutian sighed: “You are just jealous. If you have the ability, come up with evidence!”

“Chen Ping, you and I just met today, what do you mean by targeting me everywhere?” Seeing so many people speaking for him, and believing in himself, Leng Bing suddenly said with a cold face: “If you don’t do this to me, Here’s an explanation, I asked you to go out sideways, do you believe it or not?”

“Okay!” Chen Ping sneered: “You know best whether it is a fake watch. Now since you are looking for humiliation, don’t blame me!”

Chen Ping said, stood up and said: “Give me your watch and I will prove it to you!”

“How do you prove it?” Leng Bing shrank his hands and did not give Chen Ping a watch. Instead, he asked vigilantly: “My watch costs hundreds of thousands. If you break it, can you afford to pay for it?”

Leng Bing will not give the watch to Chen Ping. After all, Leng Bing himself knows that the watch is fake. He is just creating the identity of a rich man!

“It’s very simple. Just throw it on the ground and prove the truth!” Chen Ping said calmly.

As long as the gold watch is broken open, you can immediately tell whether it is real or not. The movement of the gold watch is made of gold, and it is impossible for this fake one to even imitate the movement exactly the same!

“You want to break my watch!” Leng Bing heard this and said with a guilty conscience: “Chen Ping, this watch costs hundreds of thousands. If you break it, can you afford the compensation?”

Leng Bing wouldn't let Chen Ping drop it. This watch was fake and the secret would be revealed as soon as he dropped it.

Chapter: 228

“Yes, can you afford the compensation?”

“You dare to throw a watch worth hundreds of thousands on the ground. What kind of identification method is this?”

“If you don't have that ability, don't brag. I thought you really knew how to distinguish the real from the fake!”

Everyone criticized and ridiculed Chen Ping.

Chen Ping smiled slightly and said: “There is a way to identify it without dropping it. To know that gold is different from other metals, just weigh the weight of this watch and compare it with the official website!”

The fake watch is genuine, and there is no way to fake the weight. After all, the weight of gold is different from other metal materials.

When everyone heard this, they realized that this was a solution, and there was no need to damage the watch!

“You just want to weigh it?” A trace of panic flashed in Leng Bing's eyes. He didn't know how to weigh it. After all, he also knew that there was no way to fake the weight!

“Chen Ping, you are jealous of Brother Bing and say his watch is fake. If it is not fake, what will you do? You can’t just say it with your mouth and Brother Bing will listen to your arrangements!”

Zhang Miao asked Chen Ping.

“If this watch is true, I will pay for this meal myself!” Chen Ping said confidently!

This watch is fake, Chen Ping is absolutely sure!

When everyone heard this, they all looked at Leng Bing: “Brother Bing, let him say it. Since he dares to say this, let him give up and we can have a free meal!”

Leng Bing was a little panicked at this time, and cold sweat began to form on his forehead!

He never imagined that this guy Chen Ping would cling to his watch!

“This watch requires a precise weighing instrument, but we don’t have one now. How do you weigh it? Can you tell by just weighing it with your hands?”

Leng Bing asked.

“Well, since you are right, there is no weighing instrument now, but do you dare to show me your watch, I just need to take a look?”

Chen Ping laughed!

“What do you want? Did you throw me down?” Leng Bing asked warily.

“No, I will never damage it. If it is damaged even a little, no matter whether your watch is genuine or not, I will pay you the real price!”

Chen Ping shook his head. He didn't need to throw Leng Bing's watch. He just said that he would know the truth as soon as he dropped it. He was just teasing Leng Bing!

“Just show it to you!” Leng Bing knew that if he didn't show it to Chen Ping, he was afraid that Chen Ping wouldn't give up, so he took off the watch and handed it to Chen Ping, and then said: “So many people are watching. , if you drop it to me, then pay me the original price!”

Leng Bing believed that if Chen Ping had not broken it or weighed it, it would be impossible to tell whether the gold watch was genuine or not. After all, it was a high imitation. You could tell the authenticity at a glance, unless it was that kind of gold watch. He was only a master watch appraiser, but he didn't believe that Chen Ping could tell it at a glance!

Chapter: 229

Chen Ping took Leng Bing's gold watch, played with it for a while, and then handed it back to Leng Bing!

“That's it?” Leng Bing took his watch and looked at Chen Ping with a puzzled expression: “You can tell if it's true or false just by looking at it?”

“Yes, I just need to take a look!” Chen Ping nodded!

“Hmph, you are pretending to be a ghost...” Leng Bing snorted and put the watch back on!

Just as everyone was waiting for Chen Ping to come up with evidence, Zhang Miao suddenly screamed.

“Brother Bing, you...look at your watch...”

Leng Bing was stunned and hurriedly looked at his watch, his whole body suddenly froze.

Many students looked at the cold gold watch with doubts on their faces. When they saw it, they were all stunned!

I saw that the gold watch on Leng Bing's hand had long lost its previous golden luster and turned into the color of red copper. It was obvious that pieces of it were discolored!

Looking at it this way, this gold watch must be fake. How can real gold tarnish?

Everyone looked at Leng Bing with strange eyes, and the atmosphere was very awkward!

"The imitation of this watch is so bad that I lost all my gold dust!"

Chen Ping picked up a wet wipe and wiped it on, raising the corners of his mouth slightly.

The cold expression is gloomy and uncertain, not to mention how ugly it is!

Zhang Miao on the side also looked at Leng Bing in shock, not knowing what to say!

He was originally aloof and cold, but now he felt his face was burning and he didn't dare to look at the people around him.

"Brother Bing, couldn't you have been deceived by a friend? Why did he buy you a fake watch from Switzerland?"

Someone couldn't help but ask.

This time, it reminded Leng Bing.

Leng Bing was instantly happy, then raised his head and said: "That guy must have cheated me. He spent hundreds of thousands and actually bought me a fake watch. If I catch him, I will definitely not be able to spare him!"

Leng Bing said, slamming the gold watch in his hand to the ground, smashing it to pieces!

However, some people looked at Leng Bing, but there was no trust in their eyes. It was obvious that Leng Bing was showing off with a fake watch.

“These swindlers are so hateful. Isn’t it just a watch worth 300,000 yuan? Brother Bing will definitely not cheat. You know, Brother Bing has driven a car worth more than 1 million yuan. How can he buy a fake watch to show off?”

Zhang Miao was standing on Leng Bing’s side at this time, defending Leng Bing!

Chapter: 230

Leng Bing also took the opportunity to put his Mercedes-Benz car keys on the table to show his identity!

“Who knows if the car is rented?” Chen Ping sneered at this time.

In fact, many people have the same idea. After all, the cold gold watch is fake, so the Mercedes-Benz may also be rented. After all, it doesn’t cost much to rent it for a day!

“You fart, how could it be a rental? I’ve seen Brother Bing drive this car for a long time, and he didn’t just drive it today!”

Zhang Miao angrily yelled at Chen Ping!

“Whether it’s a rental, won’t you know if you bring your driving license?” Chen Ping said!

As long as you bring your driving license, you will know at a glance whether there is a cold name on it.

Zhang Miao looked at Leng Bing, as if she wanted Leng Bing to get her driving license so that Chen Ping could shut up!

Leng Bing hurriedly said: "It's too troublesome to go to the car to get it. Don't you just want to see if I really have this ability? I'll order a new watch online now. I'm really not used to wearing it without a watch!"

With that said, Leng Bing directly ordered a watch worth more than 200,000 yuan online in front of everyone.

And the payment is successful, just waiting for delivery!

At this time, everyone's envious eyes returned again, and they all believed that Leng Bing was really capable and must have been deceived about the fake watch.

Leng Bing also let out a long sigh, finally saving his status as a rich man.

Chen Ping looked at Leng Bing and smiled lightly!

Items ordered online can be returned. After tonight, Leng Bing can return them without losing a penny.

However, Chen Ping didn't point it out, he still wanted to have fun with Leng Bing!

The gold watch incident was just a small episode and did not affect Leng Bing's identity in the eyes of everyone.

Leng Bing looked at Chen Ping with provocation in his eyes!

He knew that this guy Chen Ping just wanted to make a fool of himself, but now not only did he not make a fool of himself, but everyone's attitude towards him became more and more respectful!

"You just said that you are not short of money, but you are not used to drinking Maotai. What kind of wine do you want to drink? This Regal Hotel has all kinds of wine, but it depends on whether you can afford it."

Leng Bing was almost tricked by Chen Ping, and now he wants to take it back.

“How about the brandy?” Chen Ping looked at Leng Bing with a sneer, and his eyes were provocative: “Do you dare to drink it? I’m afraid that you spent all your money on the watch and will have no money to pay the bill...”

Leng Bing was slightly stunned. He didn’t expect that Chen Ping would choose such an expensive wine. You must know that a bottle of brandy starts at 200,000 yuan.

Others also looked at Chen Ping in surprise, with incredible expressions on their faces!
