

The Order 2211

Chapter: 2211

“Brother Chen Ping, look at this, this trial may be very dangerous for you...”

Dong Jiahao said solemnly.

“It’s okay, I’ve thought of it a long time ago...”

Chen Ping smiled lightly. He had long known that Long Xiao would deal with him, but Chen Ping was not afraid!

As for Long Xiao’s evil skills, Chen Ping also had a plan to deal with it, but just now on the deck, he deliberately looked embarrassed!

He just wanted to make Long Xiao relax his vigilance, and then give him a fatal blow!

Chen Ping is not worried about Long Xiao, what he is worried about is the four guys who appeared in the Martial Arts Alliance!

If these people join forces with Long Xiao, Chen Ping may have a hard time dealing with them.

After another day of sailing, the ship finally docked at Suolong Island, and it was getting dark.

At this time, Suolong Island is lush and full of life.

Although it is winter now, the environment on Suolong Island is like spring all year round.

It’s no wonder that this place has become a place for tourism. However, there are no tourists on the island at this time. It should be controlled by the Long family in advance.

Arriving at Suolong Island, Chen Ping felt inexplicably emotional!

This is his third visit to the island.

Xiaoru should still be on the island at this moment, but Chen Ping doesn't know where Xiaoru is exactly now.

During this trial, Chen Ping didn't plan to get any resources. He mainly wanted to find Xiaoru and see if he could take Xiaoru away!

Chen Ping tried to emit his spiritual consciousness, and his spiritual consciousness slowly spread towards the depths of Suolong Island.

As his consciousness continued to spread, Chen Ping's brows couldn't help but frown.

He discovered that on Dragon Lock Island, thick spiritual energy emerged from the ground, and the area where the spiritual energy emerged was extremely vast.

"Are there any ruins underground on Dragon Lock Island?"

Chen Ping was a little shocked. After all, this was the first time Chen Ping had seen such a huge spiritual energy!

The problem is that during the first two times, Chen Ping did not sense that there was spiritual energy underground on Dragon Lock Island.

It may also be that there was a relationship between the Ice Dragon and the Flame Dragon at that time, so people's eyes were fixed on these two dragons.

"Brother Chen Ping, what's wrong?"

Chapter: 2212

Dong Jiahao saw Chen Ping frown slightly, so he asked.

“Oh it’s all right……”

Chen Ping withdrew his consciousness and smiled lightly.

Soon, everyone on the boat came off one after another. Nearly a hundred people gathered in groups to chat according to their own social circles. After all, trials are very dangerous, so it is very important to make some friends to help each other. Necessary.

At this moment, Chen Ping only had Dong Jiahao standing beside him. The two of them looked so lonely and not gregarious at all!

While everyone was chatting, another person slowly walked out of the cruise ship. This person only had one arm, and the other arm was empty!

Seeing this person suddenly appearing, everyone stopped talking and looked at him in shock!

This person is Zhu Zhishan!

Now that we have arrived at Suolong Island, there is no need for Zhu Zhishan to hide himself. Even if Chen Ping knows about it, he will not be able to escape.

Suolong Island is far away from the mainland and surrounded by the sea. It is impossible to escape without a boat.

Chen Ping’s eyes narrowed. The moment he saw Zhu Zhishan appear, Chen Ping’s heart became nervous.

“Damn, why is Zhu Zhishan also on the boat? Isn’t he also here for the trial?”

Dong Jiahao couldn't help but be surprised when he saw Zhu Zhishan appearing.

"He should have come to kill me..."

Chen Ping clenched his fists slightly, ready to respond to emergencies at any time!

Now Zhu Zhishan has come secretly, and Chen Ping knows that this time it will be a life and death battle.
Remember URL

With the four members of the martial arts alliance plus Long Xiao, Chen Ping may not be sure of winning. Now with Zhu Zhishan added in, Chen Ping has no chance of winning!

When Dong Jiahao heard that Zhu Zhishan was here to kill Chen Ping, he couldn't help but be stunned, and then gritted his teeth and said: "Brother Chen Ping, don't worry, they really want to kill you, let's go together..."

"If you really want to take action later, you must not move, otherwise you will just lose your life in vain..."

Chen Ping persuaded Dong Jiahao.

Dong Jiahao's strength can't help Chen Ping at all. Even if he takes action, he will die in vain!

Dong Jiahao wanted to say something else, but at this time Zhu Zhishan had already walked in front of Chen Ping and said with a sneer on his face: "Chen Ping, we meet again. I admit that you are very strong, but today you will never After walking out of Suolong Island alive..."

"You, the majestic leader of the Martial Arts Alliance, secretly followed me on the ship just to bring people to kill me. Aren't you afraid of being laughed at?"

“This is the martial arts world in Kyoto. Young masters from all the major sects and families are here. Is this how you become the leader of the martial arts alliance?”

Chapter: 2213

Chen Ping pretended to be calm and asked Zhu Zhishan.

Chen Ping wanted to stimulate Zhu Zhishan. Maybe Zhu Zhishan would not attack him here for the sake of face.

As long as Zhu Zhishan and the others don't attack together, Chen Ping is sure to defeat them one by one!

“Hahaha, Chen Ping, don't use provoking methods with me. It's of no use to me. As long as I can kill you, face is nothing. As long as I can see you dead, I don't need to be the leader of the alliance. ...”

Zhu Zhishan laughed, and then stared at Chen Ping with evil eyes.

“In that case, stop talking nonsense and do it...”

Chen Ping's body began to glow with golden light!

The aura on Zhu Zhishan's body also began to surge, and then he glanced at everyone coldly: “You have nothing to do here. This is my personal grudge with Chen Ping. If any of you dares to help him, then you are following my martial arts alliance against him. , no one can get out of Dragon Lock Island alive!”

Zhu Zhishan was afraid that someone would suddenly jump out and help Chen Ping. This was the best opportunity. Zhu Zhishan couldn't let anyone ruin this opportunity!

Everyone evacuated towards the distance. These people had no interaction with Chen Ping, and of course they would not offend Zhu Zhishan for Chen Ping.

On this island surrounded by the sea, Zhu Zhishan has the power of life and death, and no one can escape.

Ge Jiayi originally wanted to say a few words, but when she saw that Zhu Zhishan was talking too much, she could only retreat slowly.

It's just that Dong Jiahao has been standing beside Chen Ping without moving!

"Dong Jiahao, do you want to die?"

When Zhu Zhishan saw that Dong Jiahao was not moving, he said with murderous intent in his eyes.

"Zhu Zhishan, if you dare to kill me, my father will definitely..."

"What the hell is your Dong family now? If I kill you, your father still dares to cause trouble with the Martial Arts Alliance. Don't think that your Dong family is too awesome..."

Before Dong Jiahao could finish his words, Zhu Zhishan directly slapped Dong Jiahao back.

Dong Jiahao wanted to say something else, but was interrupted by Chen Ping with a wave of his hand: "Brother Dong, please step back. No matter what I do, don't take action, otherwise your life will be wasted..."

Dong Jiahao looked at Chen Ping's firm face, and finally could only sigh and retreat.

Seeing everyone retreating, Zhu Zhishan raised the corner of his mouth: "Chen Ping, I can tell you the truth, these four masters of our martial arts alliance were all fed with the blood of your girlfriend. Could it be that you Don't you feel that they carry the aura of your girlfriend?"

"Now I will let the four of them deal with you. In this way, even if you die, it will be equivalent to being killed by your own girlfriend. In the future, our martial arts alliance will use your girlfriend's blood to cultivate more masters. And your girlfriend can only be locked up in a dungeon for the rest of her life!"

Zhu Zhishan had a sneer on his face and spoke very softly, so softly that only the two of them could hear it.

Chen Ping's face turned cold, and a murderous aura burst out instantly!

Chapter: 2214

"I'll kill you..."

Chen Ping couldn't bear it anymore, his eyes were extremely red!

A punch hit Zhu Zhishan fiercely. Zhu Zhishan hurriedly raised his hand to block it, but was still hit by Chen Ping's punch and took a few steps back!

"Today, you are all going to die..."

Chen Ping's face was full of ferocity, and the aura on his body exploded to the extreme!

Zhu Zhishan was not afraid, but showed a sneer: "Hahaha, I'm so anxious, I just like to see you like this..."

Chen Ping took one step forward, and the terrifying aura on his body was overwhelming toward Zhuzhi Mountain.

The four martial arts alliance masters who were originally behind Zhu Zhishan jumped up in an instant, and the four of them instantly blocked Chen Ping's terrifying aura.

"Chen Ping, you are rude to the alliance leader, damn..."

Xu Song, one of the four, looked at Chen Ping coldly and said.

“You have taken Yu Qi’s blood. Today I will make all your blood drain away...”

After Chen Ping finished speaking, the Dragon-Slaying Sword instantly appeared in his hand, and the sword body buzzed!

The sword energy soared into the sky, carrying bloodthirsty killing intent, and instantly enveloped the four of Xu Song.

The four of them instantly formed a battle formation, ready to fight with Chen Ping!

But this time, Long Xiao walked over casually.

“Zhu Alliance Leader, leave it to me to kill Chen Ping. Chen Ping and I are irreconcilable, so I have to kill him with my own hands...”

Long Xiao said to Zhu Zhishan.

At this moment, Long Xiao was extremely confident, because when he was on the boat, Chen Ping was beaten to the point where he was unable to fight back, so now Long Xiao plans to kill Chen Ping alone.

Zhu Zhishan glanced at Long Xiao: “Master Long, are you sure you can kill this Chen Ping?”

“Hahaha, of course I am sure. Although Chen Ping is strong, I have found a way to restrain him...”

Long Xiao laughed and said.

Zhu Zhishan nodded: “Young Master Long is so confident, so let you take action first. This Chen Ping is already a turtle in the urn and cannot escape at all. When you lose to Chen Ping, I will take action...”

After Zhu Zhishan finished speaking, he waved his hands, and Xu Song and the others followed Zhu Zhishan and retreated.

Chen Ping narrowed his eyes slightly and held the Dragon-Slaying Sword tightly in his hand. It seemed that he deliberately failed to defeat Long Xiao on the ship, and it really worked!

Chapter: 2215

“Chen Ping, now you and I can try our best, but I hope you can resist for a little longer. If I kill you too quickly, I will be disappointed...”

After Long Xiao finished speaking, he waved his palm suddenly, and then a black aura began to surround him!

This breath instantly turned into a sharp edge, heading directly towards Chen Ping.

Chen Ping did not dare to wait for orders, so he raised the dragon-slaying sword high and slashed it down with one strike!

The sword energy was flowing freely, and the sound of breaking wind suddenly sounded.

Chen Ping's sword was extremely powerful, and he had no reservations at all. He wanted to kill Long Xiao with one move!

In this way, they have one less helper when dealing with Zhu Zhishan.

The fierce sword energy collided with Long Xiao's black breath in an instant.

But without the slightest sound, the black aura exuded by Long Xiao instantly turned into a soft form, actually wrapping Chen Ping's fierce sword energy in it, and instantly absorbed the power of the sword energy!

Chen Ping frowned. His sword could cut through everything. Even a huge aura could be destroyed in an instant. However, facing Long Xiao's aura, this strenuous slash had no effect. !

boom!

Just when Chen Ping frowned, the black aura solidified instantly, and then hit Chen Ping hard on the chest!

Chen Ping's body flew backwards.

"Haha, Chen Ping, what I do is called softness overcoming strength. Even if you encounter ferocious power, you won't be able to show it to me."

Long Xiao laughed proudly.

Along with Long Xiao's proud laughter, behind Long Xiao, a black mist slowly rose up and turned into a human figure!

Long Xiao's body took a step back, and his entire body was instantly shrouded in the black shadow.

When the black mist dissipated, Long Xiao's whole body was shrouded in black robes, and the aura on his body became extremely terrifying!

"Jiejieje..."

"Chen Ping, I want to cramp your muscles and drink your blood. I want to take all your strength for myself..."

Long Xiao's laughter became eerie and terrifying, making people panic!

Everyone looked at Long Xiao in shock, not knowing what they were thinking, but at this time, no one dared to come forward to help Chen Ping.

"You can defeat all magic with one force. Do you really think that your feminine skills can restrain me..."

Chen Ping narrowed his eyes slightly, and all the power of the divine dragon followed Chen Ping's meridians and reached the blade of the Dragon-Slaying Sword.

Chapter: 2216

The light on the Dragon-Slaying Sword kept flashing, and dragon roars resounded throughout the entire Suolong Island!

The entire Suolong Island seemed to hear the dragon's call and started to tremble.

You must know that Chen Ping's divine dragon power comes from Suolong Island, so when the divine dragon's power explodes, Suolong Island also reacts!

Long Xiao frowned, then raised his hands, and the black aura solidified again and swept towards Chen Ping.

Chen Ping just raised the Dragon-Slaying Sword this time, and suddenly from all directions on Suolong Island, countless light spots converged on the Dragon-Slaying Sword in Chen Ping's hand!

At this time, the sky had completely darkened, and countless light spots converged on the tip of the Dragon-Slaying Sword, and then a dazzling white light burst out, illuminating the entire night as bright as day!

“cut.....”

Chen Ping swung the Dragon-Slaying Sword fiercely, and a white light was instantly emitted from the Dragon-Slaying Sword.

Like a laser, it went straight towards Long Xiao.

The black aura emitted by Long Xiao instantly enveloped the white light after touching it, trying to absorb the white light.

At this moment, everyone saw a big black ball with white light flashing inside. The big black ball kept changing its shape, trying to make the white light disappear.

boom!

Suddenly there was a violent fluctuation in the air, and white light was seen emanating from the black sphere.

Every ray of white light shoots straight into the night sky, illuminating the stars!

Like bright fireworks blooming in the night sky, many people couldn't help but look up.

In the end, the black aura disappeared, and the white light condensed together and struck directly on Long Xiao's chest.

A cloud of blood instantly rose from Long Xiao's chest, and his body flew out.

Looking at the wounds on his body, Long Xiao's face became extremely ugly. At this moment, he realized that Chen Ping's strength was far superior to his own.

However, Chen Ping's blow failed to kill Long Xiao, and the wound on his chest began to be wrapped in a black mist, which quickly healed.

Chen Ping stared at Long Xiao, his expression becoming serious.

The blow just now failed to kill Long Xiao, which shows that Long Xiao's strength has also been greatly improved. After seeing Long Xiao's wounds healed quickly, Chen Ping knew that he wanted to kill Long Xiao quickly, fearing that it's very difficult.

Not far away, Zhu Zhishan saw Long Xiao being knocked away by Chen Ping's sword, with a sneer on his face.

After this, Long Xiao should no longer refuse to join him.

“This boy’s dragon power is just perfect to suppress me. You can’t kill him now, so we can only join forces...”

Chapter: 2217

At this time, an old voice sounded in Long Xiao’s mind.

Long Xiao looked at Chen Ping coldly. Although he wanted to kill Chen Ping, he couldn’t deal with Chen Ping’s strength now.

“Master Long, if you need help, just let me know, my people are ready to take action at any time...”

Zhu Zhishan said to Long Xiao.

Long Xiao was silent. He had just said that Zhu Zhishan was not needed, and now he was asking for help in front of everyone. It was shameful!

Seeing that Long Xiao was still hesitating, Chen Ping thought it was a good time to kill Long Xiao alone, so he roared, and the aura in his body began to explode. Golden light flashed on the tip of the sword, and then he swung it on the ground, and instantly a line appeared on the ground. Imprint!

Soon, this mark enveloped Chen Ping and Long Xiao. As light burst out from the ground, a small world enveloped in light appeared.

Here, only Chen Ping and Long Xiao are isolated from the others!

When Long Xiao saw this, his expression suddenly became extremely ugly.

“Zhu Alliance Leader, let’s do it...”

Long Xiao no longer had any concerns about face and yelled at Zhu Zhishan.

When Zhu Zhishan saw this scene, he also guessed that Chen Ping wanted to defeat them one by one, so he immediately ordered: “Xu Song, go and help...”

Xu Song nodded, then jumped up with the other three people, and then smashed hard against the shield formed by the light!

This is a space formation, and Xu Song intends to break it by force!

Seeing this, Chen Ping knew that he didn't have much time. The dragon-slaying sword in his hand flashed again, and then he stabbed Long Xiao with the sword.

When Long Xiao saw this, his body kept retreating, but because of the space formation, Long Xiao couldn't escape from this small world at all!

“waste.....”

In his mind, an old voice sounded, and then a black mist broke away from Long Xiao's body, and then a fierce fist hit Chen Ping's Dragon-Slaying Sword hard.

A huge force followed the Dragon-Slaying Sword and hit Chen Ping's heart directly. Chen Ping's heart seemed to have been hit hard by a heavy hammer, and blood flowed out from the corner of his mouth instantly.

However, after this blow, the black mist was obviously weakened a lot. After all, it was a spirit body. After using such a large amount of energy, the aura would instantly weaken a lot.

After blocking Chen Ping's blow, the black shadow returned to Long Xiao's body, and Long Xiao was instantly boosted in confidence.

Wow.....

At this time, Chen Ping's space formation shattered, and Xu Song led people to stand beside Long Xiao!

This time, Long Xiao felt even more confident and looked at Chen Ping with a sneer: "Chen Ping, just tell me if you have any last words. You won't have the chance for a while..."

Chapter: 2218

"Just a few of you are worthy enough to kill me..."

Chen Ping roared, and a huge golden dragon slowly rose up behind him!

The golden dragon hovered above Chen Ping's head, its majestic and domineering aura suppressing almost everyone.

"Do it..."

Long Xiao frowned, then waved his hands, black energy filled the air, and then turned into a black dragon. After a dragon roar, he rushed towards Chen Ping and opened his bloody mouth!

The golden dragon above Chen Ping also roared, and he rushed forward without hesitation.

Just as Chen Ping was fighting with Long Xiao, Xu Song and the others also moved. The four of them joined forces and fired out a stream of energy. The ferocious energy directly enveloped Chen Ping's whole body.

Chen Ping was holding the dragon-slaying sword and was about to swing the sword, but just as he was about to swing the sword, a very familiar breath suddenly hit Chen Ping head-on.

This breath was too familiar to him, it was the breath that he thought about day and night.

Chen Ping was stunned for a moment, and the light of the dragon-slaying sword in his hand dimmed.

“Yu Qi.....”

Facing this breath, Chen Pingping actually shouted softly!

Bang bang bang bang.....

Just when Chen Ping was stunned for a moment, the familiar aura disappeared, and then a fierce force hit Chen Ping’s body hard.

Chen Ping’s body was instantly blown away, and the Dragon-Slaying Sword in his hand also flew out of his hand, and instantly disappeared into Chen Ping’s body.

boom.....

Chen Ping hit the ground hard, and a large pit several meters deep appeared. Chen Ping lay in the pit in a state of embarrassment.

With a dragon roar, the golden dragon lost Chen Ping’s control. After roaring, it turned into little golden light and dissipated!

“Chen Ping...”

Dong Jiahao quickly rushed over and pulled Chen Ping out of the pit.

“What are you doing? This is a life and death battle, how can you be distracted?”

Dong Jiahao saw clearly that Chen Ping lost consciousness the moment he took action...

“Yuqi, Yuqi...”

Chen Ping murmured to himself. The familiar smell just now made Chen Ping confused. At this moment, Chen Ping seemed to have gone crazy while practicing martial arts!

Chapter: 2219

Long Xiao and Xu Song, who were not far away, looked puzzled when they saw Chen Ping suddenly become like this.

Several people stepped forward cautiously. They were afraid that Chen Ping was playing some trick!

“Chen Ping, wake up, wake up, there is no girlfriend here, no, they are going to kill you...”

Dong Jiahao shook Chen Ping desperately, hoping that Chen Ping would wake up.

But at this time, Chen Ping’s eyes were dull, as if he was dementia, which made Dong Jiahao puzzled!

“When he was highly concentrated, his mind was suddenly stimulated and he became like this. Taking the Qingxin Pill should be helpful...”

At this time, Ge Jiayi glanced at Chen Ping, and then said to Dong Jiahao.

But in this place, where can I find the Qingxin Pill?

Dong Jiahao could only call Chen Ping desperately, trying to get Chen Ping to wake up.

Long Xiao and the others looked at Chen Ping, but they didn’t take action immediately, but looked at Zhu Zhishan!

Zhu Zhishan walked over quickly. After observing for a while, he was convinced that Chen Ping was not pretending, but was really mentally damaged!

“Hahaha...hahaha...”

“This Chen Ping is mentally damaged and has become dementia-like. Now any one of you can kill him...”

Zhu Zhishan laughed excitedly.

“Zhu Alliance Leader, what is going on? Why is Chen Ping suddenly mentally damaged?”

Long Xiao was very puzzled. After fighting with Chen Ping for a long time, Chen Ping was fine. But as soon as Xu Song and the others took action, Chen Ping became like this.

“I’m not very sure!” Zhu Zhishan shook his head. He only knew that Chen Ping was mentally damaged like this, but he didn’t know exactly what caused it.

Long Xiao frowned and observed Chen Ping carefully.

“I know what’s going on!”

An old voice sounded in Long Xiao’s mind: “These four people have sucked the blood of Chen Ping’s girlfriend, so when four people take action, they will exude the aura of Chen Ping’s girlfriend. If it is just one person, this aura will be very weak, but When four people join forces, this aura will make Chen Ping feel very familiar.”

“The moment he took action, he felt this familiar aura and his mind moved, so his mind was damaged and he became like this.”

“Don’t you always want to play tricks on Chen Ping? I can help you now...”

“How can I help?” Long Xiao asked.

“You let the four guys from the Martial Arts Alliance exude aura together, and I will let you watch a good show.”

Chapter: 2220

The old voice in his mind said jokingly.

“Zhu Alliance Leader, I know how mentally damaged Chen Ping is!”

Long Xiao said.

“what happened?”

Zhu Zhishan asked curiously.

Xu Song and others also looked at Long Xiao curiously. They also wanted to know what was going on with Chen Ping.

“Zhu Alliance Leader, the four people in your martial arts alliance will exude some aura that can stimulate Chen Ping, so when the four of them joined forces, Chen Ping was stunned the moment he fought back. He should have been That aura caused mental damage!”

Long Xiao did not point it out directly. After all, it was disgraceful for the Martial Arts Alliance to use other people’s blood to train masters. The fewer people who knew about it, the better.

But when Long Xiao said this, Zhu Zhishan immediately understood. He didn’t expect that it would be so simple to make Chen Ping look stupid.

“I didn’t expect that it would be so simple to control Chen Ping. If I had known this, why would our martial arts alliance have lost so many people...”

Zhu Zhishan felt a little regretful. In order to kill Chen Ping, he even used Du Da. Unfortunately, Du Da was also killed by Chen Ping.

“Brother Zhu, Chen Ping has become a fool now. We can kill him at any time. Do you want to see how I can play tricks on Chen Ping?”

Long Xiao smiled lightly.

“How to play?” Zhu Zhishan asked.

“Let the four people under your command exude aura, I have my own way...”

Long Xiao took a pass.

Zhu Zhishan glanced at Xu Song and nodded slightly.

The auras on the four Xu Songs instantly rose up, and then they came out of their bodies!

The four auras condensed together, and Long Xiao casually waved out a black mist.

This black mist began to merge with Xu Song’s breath, and finally turned into a human form!

It’s just that this humanoid figure couldn’t tell the difference between male and female, but Chen Ping, who had always had dull eyes, suddenly lit up after seeing this transformed humanoid figure, and he pushed Dong Jiahao away!

“Yuqi, Yuqi...”

Chen Ping hurriedly stepped forward and hugged the transformed human form.

At this moment, in front of Chen Ping, standing in front of him was Su Yuqi in a white dress. Su Yuqi was smiling slightly at him.
