

The Order 2221

Chapter: 2221

Everyone was stunned when they saw this scene and couldn't figure out what Chen Ping was doing!

Dong Jiahao wanted to rush over and pull Chen Ping away!

However, with a wave of Zhu Zhishan's palm, he was instantly knocked away.

"Dong Jiahao, if you don't want to die here, then stop worrying about Chen Ping..."

After Zhu Zhishan finished speaking, he looked at Chen Ping with interest!

At this time, Chen Ping's face was full of excitement and his eye circles were red.

"Yu Qi, it's all my fault. I didn't have the ability to rescue you and made you suffer so much. I will never let anyone take you away again."

Chen Ping blamed himself and tears fell down.

Everyone was watching Chen Ping talking to himself in front of a transformed human form, and they couldn't help but feel funny!

But Ge Jiayi's eyes were full of tears. As a girl, what she valued most was the feeling of a man.

No matter whether the other person is strong or not, as long as he truly loves you, that's fine!

Now seeing Chen Ping like this, it is obvious that Chen Ping must like his girlfriend very much!

Zhu Zhishan and others looked at Chen Ping making a fool of himself with sneers. Now they didn't want to kill Chen Ping so soon.

But just as Chen Ping was mumbling to himself, the black mist that transformed into a human form suddenly entered Chen Ping's body!

Chen Ping's whole body trembled, and then his eyes became dull again!

I saw a few golden lights flashing on Chen Ping's forehead, and then he fell straight to the ground.

This sudden change made everyone stunned. Even Long Xiao didn't know what happened.

"Hahaha, this is my most ideal host. This hard body and solid strength are exactly what I want..."

In Chen Ping's mind, an old voice was laughing wantonly.

The soul that was originally in Long Xiao's body is now directly in Chen Ping's body!

No matter in terms of body or strength, Chen Ping was much stronger than Long Xiao, so the spirit took a fancy to Chen Ping's body from the beginning.

Just now, he was just using Chen Ping as an excuse to let his soul enter Chen Ping's body.

After a while, Chen Ping stood up slowly, his eyes regained their clarity, but his face became very ugly!

"Chen Ping..."

Chapter: 2222

Seeing that Chen Ping had recovered, Dong Jiahao hurriedly shouted. ‘

However, Chen Ping ignored Dong Jiahao, but simply frowned and closed his eyes slightly.

“Chen Ping, as long as you listen to me obediently, we will complement each other, and I can kill several people in front of you...”

An old voice sounded in Chen Ping’s mind.

“Who are you?” Chen Ping used his consciousness to talk to the guy in his mind.

“You don’t need to know who I am, you just need to follow my arrangements. If it weren’t for me, you would already be a corpse by now.”

“I have entered your body now. If you don’t listen to me, I will rob your mind and then commit suicide, letting you die in front of everyone now...”

The old voice threatened Chen Ping.

“Really? Why do I not believe it so much?”

After Chen Ping said that, the consciousness in his mind instantly strengthened, directly suppressing the soul!

The soul was obviously taken aback. He did not expect that Chen Ping’s spiritual consciousness was so strong. A ray of light flashed across in a hurry, giving Chen Ping a splitting headache and his body shaking as if he had received an electric shock.

But even so, Chen Ping’s body control is still in his own hands, and he relies on his powerful spiritual consciousness to resist the soul!

When Long Xiao saw this scene, he seemed to think of something. His consciousness swept through his brain, and he found that the soul in his body was no longer there.

At this moment, Long Xiao's eyes were scarlet, and the eyes he looked at Chen Ping were filled with jealousy and anger!

Facing Chen Ping, even the soul in his body wanted to abandon him, which was hard for Long Xiao to accept!

"Chen Ping, go to hell..."

Long Xiao roared with all his strength, his whole body was wrapped in black light, and he punched Chen Ping.

Although Chen Ping was fighting with the soul in his body, the spiritual power in his Dantian was not affected at all.

Seeing Long Xiao punch him, Chen Ping slapped him away.

Long Xiao's body was violently whipped out.

This slap made Long Xiao vomit blood. Without his soul, Long Xiao's strength was greatly reduced!

"Why, why is this..."

Long Xiao got up and rushed towards Chen Ping again with gritted teeth: "Why did you betray me? Why..."

Long Xiao roared, making Zhu Zhishan and the others look confused, wondering if Long Xiao was crazy.

Chapter: 2223

How could he say that Chen Ping betrayed him?

What betrayed him?

They didn't know that Long Xiao was talking to the soul in Chen Ping's body.

Chen Ping took a step forward, his golden body shining with light. Now that Long Xiao's strength was greatly reduced, it was a good opportunity to kill him!

The huge golden fist hit Long Xiao hard. Long Xiao tried his best to resist, but it was useless!

Now the strength gap between him and Chen Ping has widened. Even if Long Xiao tries his best to resist, it will be in vain in front of Chen Ping.

boom!

Chen Ping knocked Long Xiao's body away with one punch, and at the same time, Chen Ping's strength seemed to be drained out of him in an instant, and he fell down.

Long Xiao, who had fallen to the ground, jumped up when he saw this, and suddenly slapped Chen Ping with his palm.

At the same time, a black mist emerged from Chen Ping's body and instantly penetrated into Long Xiao's body.

The soul knew that it could not control Chen Ping and could only return to Long Xiao's body.

After the soul entered the body, Long Xiao's aura instantly changed drastically!

Zhu Zhishan, who originally wanted to help, frowned slightly and looked at it with interest.

He is no longer afraid that Chen Ping will kill Long Xiao. Even if Long Xiao dies, Zhu Zhishan is absolutely sure to kill Chen Ping. After all, he has found Chen Ping's weakness and killing Chen Ping is as easy as a piece of cake.

Seeing Long Xiao slapping him, Chen Ping hurriedly stood up to resist, and hurriedly punched out.

boom!

Chen Ping's body was directly slapped into the ground by a palm, while Long Xiao just swayed and landed firmly on the ground.

Chen Ping climbed up from the ground with difficulty, his expression became extremely solemn!

Although the soul left his body, this guy actually set up a formation in his body when he left. Chen Ping had to break the formation in his body now, so he had no energy to deal with Long Xiao.

"Kill him. I have placed a forbidden formation in his body. He can only use one-fifth of his strength. This is a good opportunity..."

The old voice rang in Long Xiao's mind.

When Long Xiao heard this, he was extremely excited. He jumped up and then punched Chen Ping!

boom!

Chen Ping had just gotten up when he saw Long Xiao's punch and hurriedly blocked it with both fists, but his body couldn't use any strength and was knocked away by Long Xiao's punch again.

Chapter: 2224

This time, Long Xiao didn't have the slightest concern, and stepped forward directly to punch Chen Ping with a combination of punches!

One punch, two punches, three punches...

Chen Ping only had the power to parry, and he couldn't even parry anymore.

Everyone was surprised when they saw this scene. Chen Ping was obviously stronger, but why could Chen Ping only be beaten now?

When Zhu Zhishan saw this scene, his eyes narrowed slightly: "This Long Xiao is a bit interesting. It seems that we should be careful about him..."

Long Xiao directly grabbed Chen Ping and punched Chen Ping on the body.

He was venting the anger in his heart. Every time he punched, Chen Ping vomited blood!

At this moment, Chen Ping was beaten to such a state that he was covered in blood!

"Chen Ping, aren't you very cool? Today I will torture you to death..."

As Long Xiao said this, he saw the aura in his hand instantly condensed into a sharp blade, and then stabbed Chen Ping's chest fiercely!

"Chen Ping..."

Seeing this, Dong Jiahao felt that Long Xiao was going to kill him, so he roared angrily, then jumped up and headed towards Long Xiao.

"Xu Song, stop him..."

Zhu Zhishan frowned when he saw that Dong Jiahao actually wanted to save Chen Ping.

Xu Song nodded, then jumped up, blocked Dong Jiahao's way, and sent Dong Jiahao flying away with one palm.

"Anyone who dares to help Chen Ping today will be killed without mercy..."

Zhu Zhishan glanced at everyone coldly and said.

No one dared to come forward to help Chen Ping. After all, these people had nothing to do with following Chen Ping, and they did not want to offend the Martial Arts Alliance and the Long Family for this!

Poof!

The sharp blade pierced Chen Ping's chest fiercely, blood spurted out, and the severe pain made Chen Ping look extremely ferocious!

"ah....."

Chen Ping roared angrily and suddenly burst out with force, knocking Long Xiao away.

Looking down at his wound, Chen Ping tapped it a few times and the blood was instantly stopped.

Chen Ping gritted his teeth, held up his body, and glared at Long Xiao!

Chapter: 2225

"Kill him quickly, I don't know how long this formation can trap him..."

The old voice urgently reminded Long Xiao!

Chen Ping could still burst out with such great power when he was furious, so the soul was worried that his formation would be broken soon.

At that point, it would be just a fool's errand to think that Long Xiao would kill Chen Ping.

Long Xiao wiped the blood from the corner of his mouth and looked at Chen Ping coldly: "Chen Ping, you don't have to struggle to your death anymore, it's useless..."

After Long Xiao finished speaking, his body suddenly moved towards Chen Ping at an extremely fast speed.

In the blink of an eye, he was in front of Chen Ping.

At this moment, Chen Ping had no time to react.

I saw a shimmering sharp blade in Long Xiao's hand, and this time it was aimed at Chen Ping's chest.

Chen Ping suddenly grabbed hold of Long Xiao with both hands. He knew that he couldn't stop Long Xiao now, but he still grabbed it with both hands instinctively.

Chen Ping's hands suddenly grabbed Long Xiao's sharp blade, and he wanted to snatch the sharp blade from Long Xiao's hand.

But Long Xiao was extremely fast. Just when Chen Ping grabbed the sharp blade with both hands, the sharp blade passed through Chen Ping's hands and pierced Chen Ping's chest tightly!

Chen Ping's chest was pierced at once, blood continued to flow out, and Chen Ping's hands were also bloody!

"Hahaha, Chen Ping, aren't you physically very strong? How come you have become a lamb in this moment?"

Long Xiao burst out laughing when he saw Chen Ping was seriously injured.

Long Xiao pulled the sharp blade out of Chen Ping's body, and then kicked Chen Ping to the ground.

Chen Ping climbed up with difficulty, his whole body trembling slightly, and the cause inside his body began to slowly shine, repairing the injured body.

And Chen Ping's mental power all hit, constantly impacting the formation that the soul had set up in his body!

"Mr. Long, Chen Ping is not easy to kill. Even if you stab him thousands of times, Chen Ping will not die..."

Zhu Zhishan reminded Long Xiao.

However, Zhu Zhishan did not explain to Long Xiao that Chen Ping was an immortal cultivator.

"Since the sting can't kill him, let him taste other tastes..."

Long Xiao snorted coldly, and then his body glowed brightly, and his body slowly floated into the air.

The black light around him instantly turned into bolts of lightning, striking directly towards Chen Ping!

Chapter: 2226

"Let him have a taste of this thunder disaster..."

Long Xiao raised the corner of his mouth!

Boom boom boom.....

Black lightning struck Chen Ping continuously and exploded in an instant.

A terrifying wave of air swept across, and the people around him hurriedly retreated in all directions!

Every bolt of lightning struck with terrifying power, splitting Chen Ping's body instantly and giving off a burnt smell!

The entire Suolong Island began to be filled with this smell, and many people began to cover their mouths and noses one after another!

Seeing this, Zhu Zhishan narrowed his eyes slightly and said: "Now, even if Chen Ping has great abilities, it is impossible for him to survive. I am afraid that Chen Ping's body will not even be seen after a while!"

Dozens of lightning struck, leaving a large crater dozens of meters in diameter on the ground, filled with smoke and dust everywhere!

After the smoke and dust dispersed, everyone hurriedly ran to the edge of the pit, wanting to see if Chen Ping had been reduced to ashes!

Zhu Zhishan and Long Xiao also walked up curiously, fearing that nothing would be left behind under such a bombardment.

But when people looked down, they found Chen Ping lying in a deep pit, his body covered in blood and flesh, with his bones exposed!

His body was covered in scars and blood, and his human form was no longer visible.

"This Chen Ping's physical body is really strong. Under such a thunderstorm, his body has not changed to pieces!"

"What's the use of being strong? It's not as good as death. As the saying goes, if the sky is crazy, there will be rain, and if people are crazy, there will be disaster. It's not good to offend anyone, but the Martial Arts Alliance and the Long Family!"

“This Chen Ping is so curled up that his body is in this state. I’m afraid he won’t be able to save him even if he’s in shape...”

Everyone was talking quietly.

When Long Xiao looked at Chen Ping like that, the corners of his mouth raised slightly. He finally got his revenge. Although he failed to torture Chen Ping and take possession of Chen Ping’s treasures, as long as Chen Ping died, he can feel at ease.

At this moment, Zhu Zhishan looked at Chen Ping, who was motionless in the pit, and did not think that Chen Ping was dead like others.

“Xu Song, go down and take a look and bring Chen Ping’s body up to me...”

Zhu Zhishan wanted to verify it himself. If that didn’t work, he would just burn Chen Ping’s body to see how he could be resurrected.

Xu Song could not help but frown when he smelled the burning smell. How could he still be alive if he was like this?

It’s just that they had to obey Zhu Zhishan’s order. They could only wave their hands and lead people to prepare to go down into the pit and get Chen Ping’s body up!

But just when Xu Song was about to go down, Chen Ping’s body suddenly moved!

Chapter: 2227

At this moment, everyone gasped.

“It’s moving, it’s moving...”

someone shouted.

I saw Chen Ping supporting his body vigorously and slowly stood up.

Although Chen Ping's body is now covered in scars and can't even be seen, Chen Ping's eyes are extremely bright, with blazing anger in them!

"Sure enough, he's not dead!" Zhu Zhishan narrowed his eyes: "Today I have to watch Chen Ping's body being minced into mince with my own eyes..."

Chen Ping is still alive, Zhu Zhishan will become more cautious.

Chen Ping's body shone with a faint golden light, and he walked towards the pit step by step with difficulty.

Seeing Chen Ping like this, everyone took the initiative to get out of the way, and many people looked at him with admiration!

And Ge Jiayi actually ignored Zhu Zhishan's threat, threw out a series of drills in his hand, and then directly pulled Chen Ping up!

But Zhu Zhishan didn't say anything. Even if Chen Ping comes up now, he can't escape the fate of death!

Chen Ping has become like this. Anyone who comes out can kill him.

Chen Ping looked at Long Xiao coldly. The formation in his body had been destroyed by the thunder tribulation just now.

Chen Ping's spiritual power is slowly recovering, and his body is beginning to shine with a faint golden light!

“The formation has been broken, and Chen Ping’s strength is recovering. Take action...”

An anxious voice flashed in Long Xiao’s mind!

Long Xiao nodded, then black light rose up from his body, and then he jumped up.

“Chen Ping, I’ll see if you die this time...”

Long Xiao punched Chen Ping, intending to turn Chen Ping into meat!

Chen Ping also jumped into the air and then twisted his body in mid-air.

Long Xiao frowned, wondering what Chen Ping was doing, but he still punched Chen Ping in the chest!

A huge force instantly knocked Chen Ping away.

This time, Chen Ping did not use any spiritual power to resist, and just allowed Long Xiao to use all his power on himself.

Chen Ping felt his internal organs rolling, and then spit out a mouthful of blood in mid-air!

Chapter: 2228

Chen Ping’s body flew hundreds of meters, and then fell directly into the sea. Chen Ping’s body instantly stirred up a wave of waves!

After falling into the sea, Chen Ping felt dizzy. He could see a layer of misty light in the sea water!

With a sudden breath, Chen Ping swam towards the bright light!

He deliberately let Long Xiao punch him into the sea. If not, Zhu Zhishan would definitely burn his body and even destroy his Nascent Soul.

Now that Chen Ping has fallen into the sea, he hopes to escape Zhu Zhishan's pursuit!

Just as Chen Ping was getting closer and closer to the light, a huge suction force suddenly sucked Chen Ping's body in instantly.

Chen Ping's eyes darkened, and then he knew nothing.

On the shore at this moment, Long Xiao and Zhu Zhishan were all staring at the sea, wanting to see if Chen Ping had come out.

But half an hour later, the sea was very calm. Chen Ping fell into the sea and did not come up at all!

"It's over, then Chen Ping is dead now..."

Long Xiao let out a long breath.

Although Wuhou masters like them can move freely even in the water and can hold their breath for a period of time!

But if you want to live in the water all the time, it is simply impossible. No one can live in the water all the time.

What's more, Chen Ping is still seriously injured and there is no way he can stay in the water for long!

However, Zhu Zhishan was not as optimistic as Long Xiao. He stared at the sea and hoped that Chen Ping could show his head.

Another half hour passed, and many people had already set up camp, but Zhuzhishan was still guarding the shore!

“Congratulations, Alliance Leader, it’s been so long, then Chen Ping will definitely die!”

Long Xiao said to Zhu Zhishan.

“What do you know!” Zhu Zhishan glanced at Long Xiao coldly: “I just realized something was wrong. Then Chen Ping let you hit the sea on purpose.”

“Now that he has fallen into the sea, we have no way of knowing whether he is alive or dead!”

“Zhu Alliance Leader, are you too careful? Isn’t Chen Ping an immortal? He was injured like that and fell into the sea. Can he still survive?”

Long Xiao was a little dissatisfied with Zhu Zhishan’s accusation!

“Huh, ignorant...”

Zhu Zhishan snorted coldly, and then ordered to Xu Song: “Xu Song, take people to search in the sea to see if you can find Chen Ping’s body.”

Chapter: 2229

Xu Song had no choice but to lead the people to jump up and jump into the sea!

But the four of them searched for more than an hour in the sea, but they didn’t see Chen Ping’s body at all.

To find a body in the sea is like looking for a needle in a haystack, almost impossible.

“Leader, I can’t find it at all. The area is too big...”

Xu Song said to Zhu Zhishan.

“Then you stay here tonight to see if Chen Ping will show up...”

Zhu Zhishan ordered Xu Song and the others.

The four of them had just been soaking in the sea for a long time, their bodies were wet and cold, and now they had to stay on guard again.

But they had no choice but to obey the order. No matter what, Zhu Zhishan was still the leader of the Martial Arts Alliance.

Although he knew that Zhu Zhishan no longer had any real power, he still had to listen.

With Xu Song and four people guarding him, Zhu Zhishan left with peace of mind and found a place to rest.

Without seeing Chen Ping's body, Zhu Zhishan couldn't feel relieved at all and couldn't sleep at all!

The four of Xu Song were guarding the shore, and their spiritual consciousness spread out, covering an area of several miles around. As soon as Chen Ping showed his head, he would be discovered.

But until dawn, there was no shadow of Chen Ping at all, and not even a hair of Chen Ping could be seen!

In a huge and bright palace, Chen Ping was lying on the ground covered in blood!

At this time, Chen Ping's body was very weak, his eyes were closed tightly, and he fell into a coma!

Right in front of the palace, on a shining golden throne, a sculpture with a human head and a fish tail was placed on it.

This sculpture is lifelike, like a real fish-man, and holds a harpoon-like weapon in its hand.

I don't know how someone could put such a sculpture in this place.

The surroundings of the palace are covered with large and small beast pills, and each beast pill is shining with a faint light.

At this moment, a white light suddenly flashed in the mid-air of the palace, and then a dragon snake with a length of more than ten meters appeared. The snake's expression was still a little painful. After entering the palace, he glanced at the unconscious Chen Ping. But he didn't pay attention!

Then the dragon snake looked at the sculpture, twisting its body continuously, as if worshipping. After a moment, the dragon snake opened its bloody mouth, and a beast pill slowly flew out of the dragon snake's mouth. come out.

The beast pill fell to the ground, and after the dragon snake lost the beast pill, its body began to struggle in pain, but soon the body slowly disappeared, and finally disappeared into ashes, leaving no trace, only the beast pill remained on the ground. !

Chen Ping was in a coma for a whole day and night, and during this day and night, dozens of monsters of all kinds came to the palace. After spitting out their beast pills, they would disappear without a trace.

Chapter: 2230

On Suolong Island, Zhu Zhishan and the others did not leave. They stayed on the shore and could not see Chen Ping's body. Zhu Zhishan was always uneasy in his heart!

However, it had already been a day and two nights, and Chen Ping's body was still not visible, which made Zhu Zhishan feel more and more uneasy!

“Congratulations to the leader, Chen Ping will definitely not survive. We have been staying here, and many people are starting to feel dissatisfied...”

Long Xiao said to Zhu Zhishan with some displeasure.

After all, they came for a trial, and Long Xiao wanted to take advantage of the trial to absorb the strength of those people!

Now that he has been staying on the shore, Long Xiao can't find a chance at all!

Those who came to participate in the trial also complained, but due to the strength of the Martial Arts Alliance, no one dared to speak out.

“If they are dissatisfied, then let's start with the seaside trial...”

Zhu Zhishan said coldly.

“What's the trial from here?”

Long Xiao was very puzzled. There was nothing here, so what was the purpose of the test?

Zhu Zhishan did not speak, but took out the black beads from his arms, slowly put the beads into the sea water, and then muttered something!

After a while, the sea water began to boil, and from a distance you could see waves coming one after another!

Under the waves, you can see many dark and huge figures!

Everyone was stunned and hurried to the shore to see the sudden phenomenon in the sea!

“Roar.....”

Suddenly, a huge monster rose into the sky from the water and roared!

“I have summoned a few monsters now. You can try them now. Whoever kills these monsters will get the beast elixir...”

Zhu Zhishan said calmly to everyone.

When everyone heard this, they were immediately excited. They picked up their weapons and jumped towards the monster...

Zhu Zhishan did this to calm everyone’s emotions. Another point was to let everyone fight against the monsters and muddy the sea water so that Chen Ping could not hide under the sea. If Chen Ping died, such a stir would It will also bring Chen Ping’s body to the surface!

Soon, everyone started fighting with the monsters, and the entire sea area on the shore was stirred up by waves. In the melee, Chain Dragon Island began to shake continuously.

The palace deep in the sea began to shake under this violent stirring, and Chen Ping slowly opened his eyes amid this shaking.

As soon as he opened his eyes, his eyes were hurt by a dazzling golden light. Chen Ping hurriedly covered them with his hands.
