

The Order 2241

Chapter: 2241

“If anyone doesn’t believe it, they can choose to withdraw, and I will never stop them.”

“If you trust me, the Long family, you can go in with me...”

After Long Xiao finished speaking, he walked in first.

Then Zhu Zhishan took Xu Song and the others in, followed closely by Ge Jiayi and Dong Jiahao.

Seeing this, everyone began to slowly follow in.

Everyone raised their mental power to the highest level and were very cautious.

Long Xiao was in front and even more energetic, wrapping his body tightly to prevent accidents from happening.

In Paradise City, Chen Ping continued to deliver spiritual power into Xiaoru’s body!

The spiritual fire in the palm of his hand was constantly jumping.

“Xiaoru, wake up quickly, wake up quickly...”

Chen Ping shouted anxiously in his heart.

This is the fourth time that spiritual power has been delivered to Xiaoru’s body to fuse the ice on Xiaoru’s body.

Every time Chen Ping would consume all the spiritual power in his Dantian before he would give up!

Four times, but Xiaoru still didn't make any movement, and the spiritual power conveyed by Chen Ping seemed to have disappeared into the sea.

This time, the spiritual power in Chen Ping's body was exhausted again, but Xiaoru remained unchanged.

Chen Ping let out a long sigh. Nearly half of the beast elixir on the ground had been consumed by Chen Ping, but he still couldn't save Xiaoru!

Helpless, Chen Ping prepared to practice again and continue to save Xiaoru after the spiritual power in his Dantian was restored.

But just when Chen Ping was about to sit cross-legged, a white light suddenly flashed across his chest.

Then the dragon crystal in Chen Ping's body seemed to react and started to beat.

Chen Ping was stunned for a moment, then there was a sharp pain in his chest, and then the dragon crystal came out of Chen Ping's body!

The dazzling dragon crystal shines like the sun!

Under the irradiation of this light, Chen Ping did not dare to open his eyes, and his body was also stung by the hot light!

Slowly, the dragon crystal flew above Xiaoru's head, and then the light enveloped Xiaoru.

"This is???"

Chapter: 2242

Chen Ping was startled and stared at Xiaoru.

I saw the frost on Xiaoru's body slowly fading away under the hot light, and Xiaoru's skin slowly turned from pale to rosy!

Chen Ping was overjoyed. He didn't expect that he couldn't revive Xiaoru after spending so much time.

As soon as this dragon crystal appeared, the frost on Xiaoru's body disappeared immediately.

Could it be that the ice dragon's ice seal could only be broken by the flame dragon?

At this moment, Chen Ping seemed to understand that this dragon crystal was a combination of ice dragon and flame dragon crystal.

This scorching light should be emitted by the Flame Dragon Dragon Crystal.

While Chen Ping was meditating, the frost on Xiaoru's body completely disappeared, and Xiaoru's closed eyes moved slightly at this moment, and then slowly opened!

"Xiao Ru....."

When Chen Ping saw Xiaoru open her eyes, he rushed forward with excitement.

"Brother Chen Ping?"

Xiaoru looked confused when she saw Chen Ping.

Xiaoru didn't remember what happened after being frozen. She only remembered that they were on Dragon Lock Island, getting the Ice Dragon Crystal.

“Great, great, you finally woke up...”

Chen Ping looked at Xiaoru and his eyes filled with tears.

Seeing that Chen Ping was actually crying, Xiaoru was at a loss: “Brother Chen Ping, what’s wrong with you? Where are we?”

Xiaoru looked around blankly.

“We are on Dragon Lock Island, and you were frozen by the ice dragon...”

Chen Ping explained excitedly.

Xiaoru remembered what happened and asked quickly: “Brother Chen Ping, have you got the ice dragon crystal? Where is the ice dragon?”

“I got it, I got it...”

Chen Ping nodded desperately, then reached out and slowly grabbed the dragon crystal on Xiaoru’s head.

“Look, this is dragon crystal. This is not only the dragon crystal of the ice dragon, but also the dragon crystal of the flame dragon...”

Chen Ping handed the dragon crystal to Xiaoru.

Chapter: 2243

Looking at the crystal clear dragon crystal in front of her, Xiaoru also had a smile on her face. Since Chen Ping got the dragon crystal, her efforts were not in vain.

But Xiaoru didn't understand why Chen Ping still had the Flame Dragon Crystal, so she asked, "Brother Chen Ping, what happened? Why do you still have the Flame Dragon Crystal?"

Chen Ping swallowed the dragon crystal into his body, and then slowly followed Xiaoru and told what happened.

Only then did Xiaoru realize that she had been frozen for several months, and so many things had happened in these months.

"Brother Chen Ping, what's going on with this armor on me?"

Xiaoru looked at the well-worn armor with doubts on her face, because she remembered that she had never worn anything like this before.

Chen Ping hesitated because he didn't know how to explain to Xiaoru. Even if he told the truth, Xiaoru wouldn't believe it.

But just when Chen Ping hesitated to explain, the white armor began to shine, and then Xiaoru's face showed a painful expression.

"Brother Chen Ping, I feel so uncomfortable..."

Xiaoru suddenly screamed.

"Xiao Ru..."

Chen Ping was startled and immediately knew it was the armor that was causing trouble, and immediately wanted to take the armor off Xiaoru's body.

It's a pity that Chen Ping couldn't take off the armor from Xiaoru no matter how hard he tried. The armor seemed to grow on Xiaoru's body.

Soon, the armor began to penetrate into Xiaoru's body, and in the end it slowly disappeared.

Xiaoru clutched her head with both hands, her expression becoming very ferocious and painful: "No, no... I'm going to kill you..."

Xiaoru seemed to go crazy suddenly, roaring loudly.

Chen Ping stepped forward to control Xiaoru, but Xiaoru flicked her away and was thrown away.

Chen Ping was shocked. Although the spiritual power in his body was now low, it was still easy to control Xiaoru.

He is now at the level of Wu Hou, and Xiaoru is only at the level of Wu Zong. How could he have such great power?

Looking at Xiaoru in pain, Chen Ping seemed a little at a loss.

But soon, Xiaoru's screams slowly stopped, and her expression was no longer so painful.

"Xiaoru, are you okay?"

Chen Ping stepped forward and asked hurriedly and concernedly.

Xiaoru gasped softly, with cold sweat on her forehead, and shook her head slightly: "Brother Chen Ping, just now, just now, I really wanted to see a lot of blood, a lot of people were following the monsters to kill, and I also saw a mermaid... .."

Chapter: 2244

When Chen Ping listened to Xiaoru's story, he saw exactly what he saw. It seemed that what he saw really happened here.

“This place is too weird, let’s get out of here as soon as possible...”

Chen Ping was always a little uneasy and wanted to take Xiaoru away.

But just when Chen Ping was about to leave with Xiaoru, he suddenly felt a huge aura coming towards him.

“somebody is coming.....”

Chen Ping frowned and instantly guessed that these people should be Zhu Zhishan and the others.

Now that the spiritual power in Chen Ping’s body has long been exhausted, if he really encounters people like Zhu Zhishan, he will have no power to fight back.

“Brother Chen Ping, who are you? Why are you so nervous?”

Xiaoru couldn’t help but ask when she saw Chen Ping’s nervous look.

“No need to ask, I feel like hiding with me...”

Chen Ping took Xiaoru and quickly entered the palace.

After closing the palace door heavily, Chen Ping began to quickly replenish his spiritual power!

Just after Chen Ping and Xiaoru entered the palace, Zhu Zhishan and the others had arrived outside the gate of Paradise City.

Looking up at the majestic city gate, everyone was stunned, even Long Xiao’s eyes widened.

“It’s incredible. I didn’t expect that there is a city under this Dragon Lock Island.”

“Look at the city gate building, it must be thousands of years old, right?”

Everyone was amazed.

Zhu Zhishan raised his head and looked at the words “Bliss City” on the city gate, frowning slightly, as if he was thinking about the information about this city in his mind!

But no matter how Zhu Zhishan thought, he couldn’t think of any information related to Paradise City!

Even in the documents and records of the Martial Arts Alliance, this city has never been mentioned.

“Everyone should be careful, no one knows what will happen after entering!”

Zhu Zhishan reminded everyone.

No one dared to speak, they all silently raised their energy to the extreme. The moment they entered from the cave, they encountered a lot of trouble.

More than a dozen of them died before they got here, and no one knows what will be in this city, so they can only be cautious!

Chapter: 2245

Zhu Zhishan waved his hand and asked Xu Song and others to step forward and push open the city gate with all their strength!

Zhu Zhishan was in front, walking cautiously into the city, with Long Xiao following closely behind.

“I didn’t expect that the Paradise City that suddenly disappeared would appear under the sea...”

At this time, the old voice sounded in Long Xiao's mind.

"Senior, do you know this Paradise City?"

Long Xiao asked quickly.

"I've heard of it, but in my era, this Paradise City has disappeared inexplicably."

"I heard that all the masters in this Paradise City are masters. Even a city gatekeeper would be a top master in today's society."

"And the city lord of Paradise City has unfathomable strength, and he also has a very powerful and beautiful daughter."

"It's just that the City of Paradise disappeared overnight, and no one has seen it again, let alone anyone who has seen the City of Paradise!"

"But I didn't expect that Paradise City would sink to the bottom of the sea. I just don't understand where the people in Paradise City have gone!"

The old voice also said doubtfully.

Long Xiao did not speak, but fell into deep shock.

A city gatekeeper would be a top expert in today's society. How scary were people in that era?

While Long Xiao was still in shock, everyone behind him exclaimed in surprise!

"Beast pills, so many beast pills..."

I saw that the city of Paradise was filled with beast elixirs everywhere.

After thousands of years, the aura and efficacy of these beast elixirs have weakened, but for these people, it is enough!

Long Xiao reacted and opened his mouth in shock when he looked at the beast pills all over the floor!

Zhu Zhishan was also stunned. Even though he, as the leader of the Martial Arts Alliance, had led people to participate in many trials, the resources of those trial areas were nothing compared to this place!

“Get rich, get rich...”

Some people have already rushed forward excitedly and started desperately picking up the beast pills.

As soon as one person moved, others swarmed forward, desperately trying to get the beast elixir in their pockets. Some even took off their clothes and wrapped the beast elixir.

Looking at the crazy people, Long Xiao couldn't help it anymore and wanted to rush forward to pick up the beast pill, but was stopped by Zhu Zhishan.

Chapter: 2246

“Master Long, there are countless beast pills here. Are you still afraid that you won't be able to get them without you? Besides, the lives of these people are in our hands. No matter how much they pick up, they are still working for us...”

As he said that, Zhu Zhishan looked at the palace not far away: “The real treasure may be in front...”

Only then did Long Xiao discover the magnificent palace in front of him, and his heart was filled with excitement.

“Then let's go quickly...”

Long Xiao couldn't stand it any longer. He could conclude that there must be more precious treasures in the palace.

Zhu Zhishan nodded and then started walking towards the palace.

This time Zhu Zhishan did not take the lead, but asked Xu Song to lead the other three people to open the way in front, while he and Long Xiao followed behind.

Others were frantically picking up the beast pills, but two people did not pick up the beast pills, but followed Zhu Zhishan and the others.

These two people are Ge Jiayi and Dong Jiahao!

Ge Jiayi also guessed that there should be better treasures in the palace, so she followed.

Dong Jiahao, on the other hand, was just looking for an opportunity to kill Long Xiao.

A group of people passed through the city and looked at the beast pills on the ground, as well as some incomplete armor and weapons, and everyone felt a chill in their hearts!

And it felt gloomy. Although there were no corpses here, they could feel that a brutal killing must have occurred here!

"I understand. This Paradise City was probably destroyed by monsters. No wonder there are so many beast pills here..."

The old voice in Long Xiao's mind sounded again.

"Monster?" Long Xiao was secretly stunned. Such an awesome city was actually destroyed by monsters.

Were all the monsters of that era that powerful?

Long Xiao bent down, picked up a broken helmet, and then used force.

But what surprised Long Xiao was that after thousands of years, this helmet not only did not decay, but was also so hard that Long Xiao, with his strength as Wuhou, could not crush the helmet!

“It’s incredible...”

Long Xiao said in shock.

Ge Jiayi, who was following behind, was shocked when she saw this scene, so she bent down and picked up a broken sword!

This sword has also experienced thousands of years, but there is no sign of rust. It still shines brightly, and half of the sword exudes cold air.

Ge Jiayi broke it with all her strength, but the half of the sword did not move at all!

Chapter: 2247

Ge Jiayi was shocked in her heart. Even the weapons and armor used were so hard. This shows that the strength of those who use them has reached what terrifying level?

And what is the realm of those who can break these weapons and armors?

Thinking of this, Ge Jiayi’s back felt cold. She didn’t know what she would encounter soon.

They, the proud Wuhous, might not even have a chance to escape here!

Soon, several people came to the palace door and stared at the closed palace door. For a while, they did not dare to step forward and push it open!

At this moment, Chen Ping in the palace became anxious. He could feel that Zhu Zhishan and the others had already arrived in front of the door.

“Xiao Ru, if a fight breaks out later, you find a chance to escape. Don’t stay here...”

Chen Ping warned Xiaoru.

“Brother Chen Ping, are these people outside here to kill you?” Xiaoru asked in confusion.

Chen Ping nodded: “Yes, these people outside are the people of the Kyoto Martial Arts Alliance!”

When Xiaoru heard this, she immediately said with an angry look on her face: “It’s Sister Yuqi who was captured by these people, right?”

Chen Ping nodded again. He had just told Xiaoru about Su Yuqi’s arrest.

“I won’t leave. I will kill these guys with you and avenge Sister Yuqi...”

Xiaoru’s eyes were full of anger, and her body actually emitted a faint white glow!

At this moment, Chen Ping felt a wave of cold air approaching his body, forcing Chen Ping to follow Xiaoru and keep a certain distance!

It seems that Xiaoru’s ice crystal body has become purer after being frozen for this period of time.

“Let’s hide for now and wait until we see the situation...”

Chen Ping pulled Xiaoru and hid behind the throne. At this moment, the door of the palace was pushed open with all his strength.

When the palace door is opened, people are greeted by a field of beast elixirs. However, these beast elixirs clearly feel as if they have just been taken out from the bodies of monster beasts. They are extremely fresh and do not have that earthy atmosphere!

However, no one cared about the beast pill, but looked around to see if there were any other treasures!

When Long Xiao entered the door, he was attracted by the throne in the palace and walked towards the throne involuntarily.

“Hahaha, this is a treasure, this is a rare treasure...”

Long Xiao laughed, but listening to the voice, he found that Long Xiao’s voice was strange and a bit old.

“Long Xiao, don’t move...”

Chapter: 2248

Zhu Zhishan shouted hurriedly when he saw Long Xiao heading towards the throne.

He knew that there were many hidden weapons in ancient ruins like this, so he couldn’t tamper with the things inside casually and had to be careful.

Long Xiao seemed not to hear it, and still rushed towards the throne.

There is excitement in the eyes!

boom.....

But just when Long Xiao arrived in front of the throne and was about to reach out to grab it, he was directly repelled by a flash of white light!

Long Xiao's body fell heavily to the ground, and his face turned pale for a moment!

It seems that the force of the counterattack just now injured him!

“good chance.....”

Dong Jiahao, who had been paying attention to Long Xiao, his eyes were shining at this moment, knowing that the opportunity had come.

Dong Jiahao raised his palm, and a powerful aura rushed towards Long Xiao.

This palm contained all Dong Jiahao's energy, and it was still heading towards Long Xiao's face, obviously intending to kill him with one blow!

Long Xiao was startled and hurriedly wanted to get up to fight, but unfortunately they were too close, Dong Jiahao was already in front of him.

Just when Long Xiao was about to be hit by Dong Jiahao's palm, Xu Song took action. He jumped up and swung his palm towards Dong Jiahao!

boom!

The huge sound echoed throughout the palace.

Dong Jiahao's body flew out involuntarily, and then fell against the wall, vomiting blood, and his whole arm was shaking.

At this moment, Long Xiao had also stood up. When he saw Dong Jiahao sneaking up on him, he was furious!

“Long Xiao, do you want to kill us all? Don’t touch things here casually. If the mechanism is touched, we will all die here!”

Zhu Zhishan scolded Long Xiao very dissatisfiedly.

However, Long Xiao ignored Zhu Zhishan and looked at Dong Jiahao coldly.

“Dong Jiahao, your grandson dares to attack you from behind. I will kill you today...”

The aura on Long Xiao’s body surged, black light appeared all over his body, and the anger on his body was burning!

Dong Jiahao knew that he only had a chance to kill with one strike. Since the chance was gone, he would definitely die here.

Chapter: 2249

“Long Xiao, you are a scum in Kyoto’s martial arts world. Fortunately, your Long family is still a sect family, but you have become an evil cultivator...”

“The Martial Arts Alliance is also in the same league. You are the only one who deserves the name of a warrior. Bah...”

Dong Jiahao knew clearly that he was dead, so he just started yelling.

“you wanna die.....”

Long Xiao’s eyes narrowed slightly, and then he waved his palm, sending a majestic aura towards Dong Jiahao.

Dong Jiahao didn't even have time to react, and his whole body was whipped out again.

Dong Jiahao looked ferocious in the end, looking very painful. He wanted to get up, but found that he could not stand at all.

Although he couldn't get up, Dong Jiahao still continued to curse.

"Long Xiao, kill me if you can. You scumbags in the martial arts world will be punished by God sooner or later..."

Dong Jiahao gritted his teeth and cursed loudly at Long Xiao.

At this moment, Long Xiao actually smiled slightly and walked slowly to Dong Jiahao: "You are just stubborn, I will not let you die happily, I will torture you to death slowly..."

After saying that, a black mist suddenly appeared on Long Xiao's palm, and then the black mist instantly entered Dong Jiahao's body.

For a moment, Dong Jiahao felt itchy all over his body, and he felt like there were thousands of ants crawling in the seams between his bones!

"ah....."

Dong Jiahao was rolling, his expression in pain!

Long Xiao was admiring it with a sneer, while Zhu Zhishan on the side didn't even look at Dong Jiahao. Dong Jiahao's life and death had nothing to do with him. What he cared about was the treasures in the palace!

Especially the throne. The throne activated the formation instantly, knocking Long Xiao away. The power aura activated by the formation was so huge that Zhu Zhishan had never felt it before!

Zhu Zhishan stared at the throne and looked at it carefully. He hoped to find the place to break the formation and the mermaid sculpture on the throne. When Zhu Zhishan's eyes followed the eyes of the mermaid sculpture, he always felt I feel a chill coming from the bottom of my heart!

"Long Xiao, I will fight with you to avenge the Chen Ping brothers..."

Suddenly, Dong Jiahao, who was rolling on the ground, suddenly rose up and rushed towards Long Xiao.

Moreover, Dong Jiahao's body began to bulge, and the aura on his body continued to rise.

"Damn, this kid is going to blow himself up..."

Long Xiao looked shocked and retreated quickly!

In this sealed palace, even though Dong Jiahao was only a martial arts master, he would be extremely powerful if he exploded himself.

Chapter: 2250

Zhu Zhishan suddenly turned around and saw that Dong Jiahao was crazy and wanted to blow himself up, and his face became extremely ugly!

"Quickly, control him..."

Zhu Zhishan knew that in a place like this, if Dong Jiahao really blew himself up, even if they did not die, they would probably be seriously injured.

Xu Song jumped up with his men, and Zhu Zhishan also took action.

Several rays of white light appeared and instantly turned into chains, directly tying up Dong Jiahao.

At the same time, Zhu Zhishan pointed at Dong Jiahao's Huizhong point. Dong Jiahao's bulging body instantly shrank back like a deflated ball!

When Long Xiao saw that the danger was over, his face became furious: "You still want to fucking blow yourself up and take us all away, now I will take you on the road..."

After Long Xiao finished speaking, he slapped Dong Jiahao on the head.

At the critical moment, Ge Jiayi, who had been silent until now, suddenly took action!

A palm hit Long Xiao's palm, and the two of them took a few steps back at the same time!

"Ge Jiayi, what do you want to do? Why did you stop me?"

Long Xiao looked at Ge Jiayi very dissatisfied and asked angrily.

"Long Xiao, why do you say that Dong Jiahao is also a descendant of a large sect in Kyoto's martial arts world? Isn't it inappropriate for you to kill him like this?"

Ge Jiayi said slowly.

"Is there anything inappropriate? Trials are inherently dangerous. Could it be that trials can only kill the children of those low-level sects and families?"

Long Xiao snorted coldly.

"Miss Ge, this trial is organized by the Long family. If you want to get something, you'd better leave it alone..."

At this time, Zhu Zhishan opened his mouth and said.

Ge Jiayi frowned slightly: "Brother Zhu, as the leader of the Martial Arts Alliance, you couldn't see what kind of skills Long Xiao used, right? How many people died at the hands of Long Xiao when we were on the shore? You can't see that he has absorbed strength, right?"

"Are you just letting this happen and do you want the entire Kyoto martial arts world to become an evil cultivator?"

When Zhu Zhishan was questioned like this by Ge Jiayi, his face instantly became extremely ugly!

At this time, many people had already walked into the palace after filling up the beast pills, wanting to see what treasures there were in the palace!

Just when Ge Jiayi was confronting Zhu Zhishan, everyone else looked a little surprised!

Especially when Ge Jiayi just said that Long Xiao absorbed the strength of others, it was even more shocking!
