

The Order 2251

Chapter: 2251

Because what Long Xiao did was very covert, no one noticed, and because everyone was killing monsters and competing for beast pills, no one would notice Long Xiao.

Now Ge Jiayi actually said that Long Xiao killed many people just to absorb their strength. This made those who participated in the trial start to feel a little panicked.

“Ge Jiayi, what nonsense are you talking about? When did I absorb the strength of others? Don’t slander others. This trial is held by our Long family. Look at how many treasures there are in this ancient ruins.”

“Do you know how valuable those countless beast elixirs are out there? These are all donated by my Long family, and you still dare to slander me like this...”

Long Xiao’s words made many people choose to believe him.

After all, the place of this trial is also the territory of the Long family. There are so many beast elixirs in this ancient ruins. If the Long family can get it themselves, this will be a huge fortune, and it can also cultivate many masters for the Long family!

Now that the Long family has made selfless contributions to benefit everyone, no one can do anything like scolding their mother after eating milk.

Ge Jiayi turned around and looked at everyone, and then said: “You have all seen Long Xiao practice evil skills. Can you believe what he said? Now if you don’t want to be treated as a lamb to be slaughtered, you must unite... ..”

Ge Jiayi wanted to persuade these people to unite against Long Xiao and the others, but everyone looked at a loss and no one believed what Ge Jiayi said.

“Miss Ge, if you are misleading the public with your lies, don’t blame us for being rude.”

Zhu Zhishan stared at Ge Jiayi with a cold face: “You should be your eldest lady. Your talent is so good and your future is limitless. When the trial is over, you will naturally benefit!”

“If you persist in your stubbornness, even if a disciple of a large sect family dies in the trial place, I believe no one will suspect anything!”

Zhu Zhishan threatened Ge Jiayi in public, because Zhu Zhishan knew that none of these trial people would be such a standout, and no one would follow the Martial Arts Alliance against the Long Family!

Because the beast pills all over the place are capital, and each of these people has hundreds of beast pills in their bodies. This is a huge resource, and no one will give up these resources.

When Ge Jiayi saw this, she stopped talking, because she knew that she couldn't do anything now, these people were already crazy.

She believed Zhu Zhishan's words. If she continued to interfere, both Zhu Zhishan and Long Xiao would definitely kill her!

Dong Jiahao glanced at Ge Jiayi gratefully: “Ms. Ge, thank you, my life and death are no longer important.” Remember the website address

Dong Jiahao is already very grateful that Ge Jiayi can help him block it.

“Long Xiao, take Dong Jiahao out and deal with it...”

Zhu Zhishan said to Long Xiao,

Long Xiao nodded, then stepped forward and picked up Dong Jiahao. Zhu Zhishan's intention was very obvious. Taking Dong Jiahao out to deal with it would allow Long Xiao to absorb Dong Jiahao's strength.

At this moment, Chen Ping, who was behind the throne, saw that Dong Jiahao was in danger and knew that he could no longer hide!

“Xiaoru, you have hidden yourself and don’t go out.”

After explaining Xiaoru, Chen Ping suddenly jumped up from behind the throne.

Chapter: 2252

“stop!”

An angry shout startled everyone. No one expected that there was someone in the palace.

When everyone saw that it was Chen Ping who jumped out, they were all shocked.

Especially Zhu Zhishan and Long Xiao, their faces turned green.

“Brother Chen Ping, you are not dead, you are indeed not dead, hahaha...”

When Dong Jiahao saw Chen Ping, he burst out laughing excitedly.

While everyone was stunned, Chen Ping arrived in front of Long Xiao in an instant and punched out with a Holy Light Fist.

Long Xiao couldn’t dodge and was punched away by Chen Ping. Chen Ping pulled several light chains on Dong Jiahao’s body and exerted slight force with his hands. The light chains instantly turned into dots of light and disappeared.

“Brother Dong, are you okay?”

Chen Ping asked Dong Jiahao.

“It’s okay, I can’t die...”

Dong Jiahao smiled slightly.

Chen Ping sent some spiritual power into Dong Jiahao's body, making Dong Jiahao's face look much better.

"Chen Ping, you are still alive like this, you are really lucky..."

Long Xiao rubbed his chest and looked at Chen Pingdao coldly.

"You're not dead yet, how could I die?"

Chen Ping smiled coldly.

"Chen Ping, since you have a long life, then this time, I want to see how long your life can be. This time I want to see your body chopped into pulp with my own eyes..."

Zhu Zhishan squinted his eyes, and the murderous aura in his body instantly filled the air!

Xu Song and others blocked the exit of the palace with a tacit understanding to prevent Chen Ping from escaping!

Long Xiao's body emitted bursts of black light, and then he slapped Chen Ping with a palm.

Long Xiao's energy almost reached its extreme this time, and the terrifying energy made the entire palace buzz.

Chen Ping snorted coldly: "On your own, you are no match for me. You should go together."

Although Chen Ping despised Long Xiao, his eyes were full of solemnity. The golden light on his body surged, and his scales covered his body with light.

Chapter: 2253

Just after Chen Ping's indestructible golden body was activated, the eyes of the mermaid sculpture on the throne actually flashed with a brilliant light!

It can be seen that the mermaid sculpture was extremely excited after seeing the scales on Chen Ping's body.

However, no one noticed the change in the eyes of the mermaid sculpture, and all focused their attention on Chen Ping and Long Xiao.

boom!

With a loud noise, Chen Ping and Long Xiao collided hard together, and the terrifying air waves centered on the two of them and spread to all sides.

Many people exuded auras to resist the aftermath, and part of the aftermath passed through the throne's formation and was quickly absorbed by the mermaid sculpture.

In this collision between Chen Ping and Long Xiao, there was a tie!

"Hahaha, Chen Ping, your internal strength is empty now. You must have been injured and haven't recovered yet. You can't run away today..."

Zhu Zhishan saw that Chen Ping's strength had obviously dropped a lot, so he guessed that Chen Ping's injuries had not healed, which was why he was like this.

After all, Chen Ping was already seriously injured when he fell into the sea. It was only a few days, and it was impossible for Chen Ping to recover so quickly.

Long Xiao also felt the lack of energy in Chen Ping's body and instantly gained confidence!

“Chen Ping, this time, let’s make a real end...”

After Long Xiao finished speaking, he clenched a heavy fist, and the fist was surrounded by black mist. Then, with a devastating force, he launched a series of output towards Chen Ping!

Chen Ping frowned slightly, but he was not afraid. All the spiritual power in his dantian was mobilized. The power of the dragon surrounded his arms, and then he punched suddenly!

The two people started to fight head-on on the palace. Every time a punch was thrown, a large amount of aftermath would spread to the surroundings!

The mermaid sculpture greedily absorbed this part of the energy, and slowly the mermaid sculpture began to have subtle cracks!

Xiaoru, who was hiding behind the throne, carefully observed Chen Ping’s battle, but did not notice that the mermaid sculpture in front of him had changed.

Boom boom boom...

The two fought dozens of punches in a row. Everyone was covered in blood and suffered heavy injuries, but there was no winner!

Chen Ping’s forehead was covered with cold sweat, he was breathing heavily, and the spiritual power in his body was almost exhausted!

And Long Xiao was not much better, the black light emitting from his body was much weaker.

“Okay, there’s no time to play anymore, it’s time to end...”

At this time, Zhu Zhishan stood up. He didn’t want Long Xiao to compete with Chen Ping. That would be a waste of time!

“Chen Ping, do you have any last words for your girlfriend?”

Chapter: 2254

Zhu Zhishan looked at Chen Ping with a proud smile on his face.

When Chen Ping heard that Zhu Zhishan mentioned Su Yuqi again, the killing intent in his eyes continued to rise.

Zhu Zhishan was deliberately irritating Chen Ping. He knew that Chen Ping’s inner demon was his girlfriend, so he said this deliberately.

“I have my last words, and my last words are...send you to hell...”

Chen Ping shouted angrily, raised the last spiritual power in his body, and punched Zhu Zhishan.

Zhu Zhishan’s pupils also shrank, and then he met him with a fierce punch. Now Chen Ping was at the end of his strength, so Zhu Zhishan was not afraid at all!

boom!

Chen Ping was knocked out by a punch and fell heavily to the ground, with blood flowing out of his mouth!

Zhu Zhishan raised the corner of his mouth slightly: “Go to hell...”

Zhu Zhishan flew up, with light shining on his toes, and headed straight for Chen Pingping’s door.

“Brother Chen Ping...”

Seeing this, Xiaoru jumped out from behind the throne and stood in front of Chen Ping.

“Xiao Ru.....”

When Chen Ping saw this, he yelled and wanted to push Xiaoru away.

He knew that Xiaoru was only as strong as the Wuzong and could not withstand Zhu Zhishan’s kick.

However, the kick was too late, Zhu Zhishan’s swift and fierce kick hit Xiaoru’s chest hard.

Zhu Zhishan was also stunned. He never expected that there would be an extra woman here suddenly.

boom.....

There was a flash of light, and Xiaoru’s body flew straight out and hit the throne hard!

The formation on the throne shook Xiaoru’s body away.

When Xiaoru landed, her whole body became bloodless, and her expression looked very painful!

Chen Ping jumped up with all his strength, reached Xiaoru’s side, and hurriedly picked up Xiaoru.

“Xiaoru, are you okay, are you okay...”

Chen Ping hurriedly took Xiaoru’s pulse and wanted to check Xiaoru’s body.

Chapter: 2255

“Brother Chen Ping, I’m fine, I just feel a little pain...”

Xiaoru smiled slightly.

Chen Ping checked and found that Xiaoru's life was not in danger, but she only suffered some minor injuries!

This made Chen Ping very strange. Zhu Zhishan was a Wuhou. With this kick, not to mention a Wu Zong, even a Wuhou of the same level would be seriously injured, but Xiaoru didn't have much of a problem.

Just when Chen Ping was puzzled, he suddenly remembered the white armor. The armor had been integrated into Xiaoru's body. It seemed that the armor saved Xiaoru's life!

At this time, Chen Ping sighed. Even after thousands of years, he didn't expect that the armor was still so indestructible!

Click, click.....

A slight cracking sound was heard, and the cracks on the mermaid sculpture became larger and larger.

Moreover, the formation on the throne is also beginning to weaken, but no one is paying attention!

"Chen Ping, I didn't expect that in times of crisis, someone would suddenly appear to save you. But she can only save you this time. Let's see who can save you this time..."

Zhu Zhishan walked up to Chen Ping with a sneer on his face.

Chen Ping's face was solemn. At this moment, his spiritual power was already exhausted. Facing people like Zhu Zhishan, Chen Ping had no chance of winning.

"It looks like I'm really going to die here today?"

Chen Ping looked around, feeling a little unwilling!

“Zhu Alliance Leader, you’d better leave him to me to kill...”

Long Xiao stepped forward and said to Zhu Zhishan.

Zhu Zhishan glanced at Long Xiao. He understood what Long Xiao meant. He was interested in Chen Ping’s strength and wanted to absorb Chen Ping’s strength for his own use!

Zhu Zhishan did not make it clear, but nodded and took two steps back, which can be regarded as the beauty of an adult.

Long Xiao walked up to Chen Ping with a cold look on his face and raised the corner of his mouth slightly: “Chen Ping, your skills will soon become mine. I want you to watch with your own eyes that you slowly become a person.” A mummy...”

As he said that, Long Xiao slapped Chen Ping’s head with his hand. He wanted to absorb Chen Ping’s strength.

When Chen Ping saw this, fierceness flashed in his eyes. With one last gritted teeth, he took out Du Da’s Nascent Soul and swallowed it in one gulp.

boom.....

In an instant, the spiritual power in Chen Ping’s body exploded, and the originally dry Dantian was now filled with spiritual power!

The aura on Chen Ping’s body also began to become raging.

Chapter: 2256

Long Xiao’s expression changed slightly, and he unconsciously took back his outstretched hand, and took three steps back.

Although Chen Ping’s spiritual power has recovered, his face shows great distress!

If this Nascent Soul can be cultivated and slowly absorbed, it may be able to improve Chen Ping's realm.

But now, after Chen Ping swallowed Yuanying, although his spiritual power was restored, the effectiveness of Yuanying would be greatly reduced, which was simply a waste.

But now that the matter has come to this, Chen Ping has no other choice, so he can only do this.

Seeing that Chen Ping's aura suddenly recovered, Zhu Zhishan's face became extremely ugly!

Chen Ping helped Xiaoru stand up slowly, and then stared at Long Xiao with slightly focused eyes: "Long Xiao, don't you want to absorb my strength? You can do it now. I will show you later, the two of us Who becomes a mummy first..."

Chen Ping's body erupted with murderous intent. Long Xiao forced him to waste a Nascent Soul. Chen Ping was filled with anger at this moment!

Long Xiao's face became increasingly ugly. Chen Ping's aura had reached its peak now. Long Xiao knew that he was not necessarily Chen Ping's opponent.

"Chen Ping, you don't have to be proud. Don't forget that I'm not the only one here. There are so many of us. Even if you return to your peak state, so what? We can still kill you easily..."

After Long Xiao finished speaking, he turned around and glanced at Zhu Zhishan!

Although he didn't speak, Long Xiao's eyes showed that he was asking for help!

Zhu Zhishan nodded slightly. He understood what Long Xiao meant, so he winked at Xu Song and others who were guarding the door of the palace.

Chen Ping had already noticed the glances of several people. It seemed that they were planning to repeat their old tricks, but Chen Ping was not afraid!

“Come on...” Remember the URL

Chen Ping took a step forward, and a terrifying aura swept through the entire palace!

Long Xiao didn't dare to neglect, and also pushed the aura on his body to the extreme!

Xu Song led the other three people and surrounded Chen Ping.

For a time, five terrifying auras continued to put pressure on Chen Ping!

Chen Ping showed no fear, his body glowed with golden light, and his aura surged out!

“Do it...”

Long Xiao shouted at Xu Song!

Xu Song and others immediately directed their breath towards Long Xiao, while Long Xiao waved his hands slightly in front of him, and black mist filled the air.

Immediately afterwards, the auras of Xu Song and others merged with the black mist, and finally transformed into a human form!

Chapter: 2257

The human figure moved towards Chen Ping and transformed into Su Yuqi!

Chen Ping was already on guard. Before several rays of consciousness shrouded his eyes, all he could see at this moment was a gray figure.

In this way, he will not be disturbed by his inner demons or lose his mind!

“Sister Yuqi.....”

But at this moment, Xiaoru, who was behind Chen Ping, shouted excitedly after seeing the transformed Su Yuqi, and was about to step forward to hug Su Yuqi.

Seeing this, Chen Ping hurriedly reached out to stop Xiaoru: “Xiaoru, that’s not your sister Yuqi, please wake up...”

Chen Ping shouted to Xiaoru, and emitted a stream of spiritual power, trying to pull Xiaoru out of his fantasy.

But Xiaoru’s eyes were dull and her expression was dull. She didn’t listen to Chen Ping’s dissuasion and went straight towards the transformed Su Yuqi.

Just when Chen Ping wanted to hold Xiaoru, he realized that it was too late. The transformed human form had already arrived in front of him!

Xiaoru hugged the transformed Su Yuqi and burst into tears!

But just after Xiaoru hugged the transformed Su Yuqi, she saw Su Yuqi struggling desperately, and her expression was in pain!

I saw a faint white light emitting from Xiaoru’s body. This light was soft and holy, shining on the person’s body, making people feel very comfortable instantly!

Immediately afterwards, a pair of white armor appeared on Xiaoru’s body. This soft and holy white light was emitted by this armor.

“ah.....”

The transformed Su Yuqi screamed and disappeared without a trace in an instant.

All the black fog in the palace also disappeared. At this moment, Xiaoru was like a fairy, which made people fearful.

At this moment, Xiaoru was also awake. Looking at the armor on her body, she seemed a little confused. She didn't know what was going on.

Others looked at the armor that suddenly appeared on Xiaoru's body and felt the holy light, with awe in their eyes.

Even Chen Ping was very surprised at this time. This seemingly ordinary armor could have such power!

Long Xiao was shocked and turned pale, and hurriedly started to activate the magic on his body, wanting to attack again!

But no matter what Long Xiao did, there was no more black mist filling the air, and even the black light on his body had disappeared.

At this time, the aura on Long Xiao's body suddenly weakened a lot.

"Senior, senior..."

Long Xiao screamed in his heart, wanting to know what went wrong.

Chapter: 2258

It's a pity that no matter how Long Xiao shouted, he couldn't hear the response from the soul in his body.

Long Xiao's face became uglier than if he had eaten shit, and his body began to tremble slightly unconsciously.

The moment the mermaid sculpture on the throne saw the white armor appearing, surprise and fear appeared in its eyes.

“Brother Chen Ping, what...what’s going on?”

Xiaoru asked Chen Ping with a confused look on her face.

Just now Xiaoru seemed to have lost her mind and didn’t care about anything.

“It’s okay, just stay here and stay well, don’t be afraid...”

Chen Ping comforted Xiaoru softly.

Xiaoru nodded, and the armor on his body began to fade slowly, and finally disappeared. ,

Zhu Zhishan on the side looked at the armor disappearing from Xiaoru’s body, his eyes full of fire. He now knew why his kick just now did not cause any harm to Xiaoru.

This armor must be a fine magical weapon. Now Zhu Zhishan can’t wait to rush forward and snatch the armor away.

While everyone was still immersed in the holy light, Chen Ping comforted Xiaoru and began to attack Long Xiao.

Long Xiao’s expression changed drastically, and his body quickly retreated.

But Chen Ping’s speed was too fast, and he saw a golden light passing by, and then he punched Long Xiao hard on the body.

Bang!

Long Xiao was hit hard in the chest, and then his body flew backwards.

It also hit the throne, and was then blown away by the formation on the throne.

This violent impact once again weakened the formation on the throne a lot!

Long Xiao's face turned pale, and he struggled to get up from the ground. His eyes were full of anger, but there was nothing he could do. Without his soul, Long Xiao would be even less powerful than Chen Ping.

Seeing Long Xiao's embarrassed look, Chen Ping walked over slowly.

"Do you have any other skills? Don't you want me to turn into a mummy?"

Chen Ping had a sneer on his face.

Long Xiao looked at Chen Ping and felt the aura on Chen Ping's body. His whole body began to twitch, and his eyes were filled with fear!

Long Xiao instinctively looked at Zhu Zhishan, and now only Zhu Zhishan could save him.

Chapter: 2259

"No one can save you today..."

After Chen Ping finished speaking, he slapped Long Xiao with his palm.

"stop....."

It was impossible for Zhu Zhishan to watch Long Xiao being killed by Chen Ping, so he jumped up and then kicked Chen Ping, causing Chen Ping to dodge!

“Bless me, Lord, save me, save me...”

Long Xiao hid behind Zhu Zhishan and desperately asked for help!

Chen Ping looked at Zhu Zhishan coldly: “Zhu Zhishan, you can’t save him...”

“Really? Maybe I can’t do it myself, but don’t forget, I’m not alone...”

After Zhu Zhishan finished speaking, Xu Song had already led people to surround him.

The four of Xu Song plus Zhu Zhishan are enough to deal with Chen Ping.

Chen Ping’s eyes narrowed slightly: “Just the five of you can’t kill me at all. At worst, we will die together...”

Zhu Zhishan said with a gloomy face, “Who said there are only five of us...”

After Zhu Zhishan finished speaking, he then said to the people on the side: “Listen, this Chen Ping is arrogant and arrogant. If any of you can take action now, please follow me to kill him. You can take the treasures here as you like...”

“Yes, this trial place belongs to our Long family. As long as you help me kill Chen Ping, everything here can be given to you. After this trial is completed, I can let you come back here again. Pick up the beast elixir!”

“You have also seen that there are thousands of beast elixirs out there, it is simply inexhaustible...”

At this time, Long Xiao also hurriedly said loudly.

Long Xiao’s words immediately made many people tempted.

Although they follow Chen Ping without any grievances, in the face of huge interests, who can resist the temptation!

“This Chen Ping deserves to die. He is arrogant and disrupts the order of Kyoto’s martial arts world. We should kill him together...”

Xin Pengfei jumped out first, and then accused Chen Ping!

After all, Xin Pengfei is the number one person on the Xiaoyao List, so his words still carry a lot of weight. Besides, he actually hates Chen Ping with all his heart.

Ever since Chen Ping continued to show his strength, his position as the number one person on the Xiaoyao list was replaced by Chen Ping.

Moreover, his challenge to Chen Ping also became a laughing stock and was ridiculed by many people.

Now that there is such an opportunity, after killing Chen Ping, he can regain the number one position on the free list.

Chapter: 2260

As Xin Pengfei stood up, many people began to accuse Chen Ping, and they all stood up.

These guys are nothing more than driven by profit, but they always find excuses for themselves, and they sound high-sounding!

Soon, everyone except Ge Jiayi and Dong Jiahao were targeting Chen Ping!

For a time, Chen Ping became the target of public criticism!

Seeing everyone standing up, Long Xiao laughed arrogantly.

“Hahaha, Chen Ping, did you see that your death was expected by everyone...”

Long Xiao laughed so hard that tears almost came out.

Chen Ping glanced at the people who jumped out. There was no anger in his eyes, but only sadness and ridicule!

“Do you think you can get what you want by killing me? You are simply stupid...”

“Sooner or later you will pay the price for today’s actions...”

Chen Ping’s tone was calm, and there was no hint of panic!

“Hmph, Chen Ping, please stop talking nonsense. These people here are all members of various sects and families in the Kyoto martial arts world. Can you still go against the entire Kyoto martial arts world?”

Zhu Zhishan snorted coldly. He didn’t think Chen Ping had the guts to go against the entire Kyoto martial arts world!

“If these people dare to take action today, if I don’t die, when I get out, I will kill everyone...”

Chen Ping’s eyes burst out with cold light, and everyone trembled unconsciously when they saw Chen Ping’s eyes!

“Hahaha, it’s really ridiculous. You want to go against the entire Kyoto martial arts world? It’s just a joke...”

Long Xiao laughed again: “Do you think you still have a chance to survive today?”

Chen Ping was not talking, but the aura on his body began to rise, and the golden light shone!

Xiaoru stood behind Chen Ping with a look of death on her face. Now that the matter is over, Xiaoru will die with Chen Ping!

Dong Jiahao also walked over tremblingly. Although he was seriously injured, Dong Jiahao did not flinch!

For a moment, Xiaoru and Dong Jiahao stood behind Chen Ping, followed by everyone in the Kyoto martial arts community who were confronting each other.

Only Ge Jiayi's face kept changing, and she didn't know what she was thinking.

After a moment, Ge Jiayi took a few steps back, not wanting to get involved or help anyone.

“Do it...”
