

The Order 2261

Chapter: 2261

Zhu Zhishan gave an order, and dozens of auras began to press towards Chen Ping.

Dozens of breaths combined together, causing the entire palace to roar and start to tremble, as if it could not withstand such a powerful force.

Golden light radiated from Chen Ping's body, his indestructible golden body reached its peak, and the power of the dragon spread throughout his body.

"Xiaoru, take this opportunity to take Brother Dong away. It's useless for you to stay..."

Chen Ping said softly to Xiaoru.

"Brother Chen Ping, I won't leave, I will fight with you until the end..."

Xiaoru shook her head with tears in her eyes.

"Brother Chen Ping, it's worth dying with you. I won't leave either..."

Dong Jiahao also shook his head.

"You two staying here will only distract me. Who says I will definitely die? If you escape, I will have no worries and I will have a chance to escape..."

Chen Ping said in a deep voice to the two of them.

After listening to Chen Ping's words, Dong Jiahao and Xiaoru fell into deep thought. Maybe what Chen Ping said was true.

If they stay, they are just burdens...

Seeing that the two of them were silent, Chen Ping continued: "Brother Dong, after we get out, Xiaoru will be handed over to you. Send her to the Medicine God Valley."

"Brother Chen Ping, don't worry. As long as I can get out, I will leave Sister Xiaoru to me..."

Dong Jiahao nodded vigorously.

But Xiaoru's face was full of reluctance. She didn't want to leave, and she didn't want Chen Ping to stay and fight alone.

"Xiao Ru, Uncle Long and your sister Ling'er are in Medicine God Valley. When you see her, don't say anything, let alone mention my current situation, so as not to worry them..."

Chen Ping warned Xiaoru.

Xiaoru bit her lip and nodded vigorously. At this time, Chen Ping completely relaxed.

A pair of scarlet eyes glanced at everyone, and the huge spiritual power was constantly rising, resisting the pressure of these people!

"Remember, all of you who took action today, as long as I live, you will eventually make you pay the price..."

Chen Ping's eyes were sharp and cold!

The look in Chen Ping's eyes made everyone tremble with fear!

Chapter: 2262

“Hmph, Chen Ping, don’t talk nonsense. With so many of us dealing with you, if you were still alive, wouldn’t we in the Kyoto martial arts community become a joke?”

Zhu Zhishan snorted coldly.

“Then come on...”

Chen Ping’s body shook, and he actually struck first. The Dragon-Slaying Sword instantly appeared in his hand, and a terrifying sword energy headed towards Zhuzhi Mountain.

Chen Ping still understood the principle of capturing the thief first.

Moreover, Chen Ping took action first to create opportunities for Xiaoru and Dong Jiahao to escape!

Facing Chen Ping’s terrifying sword energy, Zhu Zhishan did not dare to be careless, and hurriedly activated his energy, and a black light enveloped his whole body.

At this moment, the black ball on Zhu Zhishan’s body began to emit a dazzling light!

boom.....

The sword energy struck Zhu Zhishan hard, instantly knocking Zhu Zhishan back a few steps, and the black light on his body also dimmed.

At this moment, Chen Ping is holding a dragon-slaying sword, with scarlet eyes and surging breath, like a god!

“Brother Dong, take Xiaoru and go...”

Chen Ping said to Dong Jiahao.

After hearing this, Dong Jiahao stepped forward, grabbed Xiaoru, and rushed out of the palace.

“Stop them...”

Seeing this, Zhu Zhishan yelled hastily.

He couldn't let Dong Jiahao and Xiaoru escape, and he couldn't let outsiders know what was going on here.

Upon hearing Zhu Zhishan's order, the two disciples of the aristocratic family jumped up and grabbed Dong Jiahao and Xiaoru.

“court death.....”

Chen Ping's eyes narrowed, and then the dragon-slaying sword in his hand flashed with light, and a sharp sword light came out of his hand!

Uh-huh...

I saw a flash of light, followed by a thick bloody smell.

The two children of the aristocratic family were cut in half by Chen Ping's sword. The blood mixed with the internal organs was scattered on the ground. The scene was very bloody and terrifying!

Chen Ping's move instantly silenced everyone, and no one dared to step forward easily to stop Dong Jiahao and Xiaoru.

Chapter: 2263

The two of them also took the opportunity to run out of the palace. Xiaoru looked back at Chen Ping with tears on her face, and was finally pulled by Dong Jiahao and disappeared without a trace...

Seeing Dong Jiahao and Xiaoru leaving, Chen Ping breathed a heavy sigh of relief, with a death-defying light in his eyes!

“bring it on.....”

Chen Ping has no worries at all!

“kill him.....”

Zhu Zhishan’s face was gloomy, and he punched Chen Ping. The wind of the fist roared, and the sound of air explosions sounded in the air.

The moment Zhu Zhishan took action, Long Xiao also took action, and Xu Song and the people from the martial arts alliance also attacked Chen Ping at the same time!

Several breaths were mixed together, and Chen Ping swung the dragon-slaying sword in his hand, and the terrifying sword energy shot out!

boom.....

The sword energy collided with these breaths, making a huge sound.

The terrifying aftermath caused the others to stagger, while Chen Ping took several steps back and hit the wall heavily.

At this moment, the aftermath was quickly absorbed by the mermaid sculpture. The cracks on the mermaid sculpture became larger and larger, and some even began to fall off.

Chen Ping’s face was extremely ugly, a mouthful of blood poured into his mouth, and he was forcefully suppressed by Chen Ping. He didn’t want people like Zhu Zhishan to see his embarrassment.

Seeing several people joining forces, Chen Ping actually resisted, and it seemed that he was not hurt at all, which made Zhu Zhishan's face become a little embarrassed.

"No wonder the higher ups want you to die. If you are alive, you will be a threat to everyone..."

Zhu Zhishan said gloomily.

"What I threaten is just those evil people. If you don't have any evil intentions in your heart, how can you think that I am a threat..."

Chen Ping sneered.

"Whether there is a ghost in my heart is not important anymore. What is important is that you must die today..."

Zhu Zhishan suddenly took out the black ball in his arms: "Go up, kill him..."

Zhu Zhishan threw the black ball, and black rays of light appeared instantly, and Xu Song and others directly injected their breath into the black rays of light!

When Long Xiao saw this, he also waved his hands. The black mist that had disappeared now filled the air, and the entire palace instantly became eerie and terrifying.

The black mist combined with the black light makes the palace look like the underworld!

In the black mist, humanoid figures of various shapes were seen one after another, attacking Chen Ping!

Chapter: 2264

Chen Ping frowned slightly and raised the Dragon-Slaying Sword in his hand high.

Several rays of divine dragon power poured into the body of the Dragon-Slaying Sword, and Chen Ping silently recited the Heart-Cleaning Mantra in his mouth!

Chen Ping, who is prepared, cannot let this evil cultivation method disturb his mind!

As the Qingxin Mantra in Chen Ping's mouth became faster and faster, the Dragon-Slaying Sword in Chen Ping's hand became brighter and brighter.

Soon, golden light shone on the Dragon-Slaying Sword. The palace, which was originally like hell and filled with black light, now shimmered with golden light.

The black mist subsided, and the black light was instantly swallowed up by the golden light. Zhu Zhishan felt a tightness in his chest and spit out a mouthful of blood!

Chen Ping was overjoyed, seized this opportunity, and quickly waved the Dragon-Slaying Sword in his hand in the air.

I saw a lotus flashing out on the tip of Chen Ping's sword. The lotus appeared, burning with light blue flames!

This is a magic technique, lotus seal, and the burning flame is spiritual fire. As long as it is contaminated on the body, it cannot be extinguished.

As the dragon-slaying sword in Chen Ping's hand was swung faster and faster, a terrifying pressure filled the air, and the entire palace instantly became extremely hot!

“Suppression...”

Chen Ping waved the tip of his sword, and the flaming lotus headed directly towards Zhu Zhishan and the others, growing bigger and bigger in mid-air.

The faces of Zhu Zhishan and Long Xiao changed drastically, and they hurriedly turned their energy away to form a huge protective shield around them!

Zhu Zhishan and Long Xiao used their strength at the same time, and a pitch-black protective shield enveloped several people.

boom!

The lotus exploded in the sky above several people, and the terrifying air waves spread around. Countless sparks fell, but they were blocked by the protective shield.

But soon, the protective cover began to be damaged under the burning of the flames, and finally collapsed!

Little bits of fire light fell on several people. Although the power of the spiritual fire was weakened at this time, it still burned several people and made them jump around. Their clothes were also in tatters and they were very embarrassed!

Chen Ping's forehead was covered with cold sweat, and the huge consumption of mental energy made him feel dizzy at the moment!

Everyone couldn't help but be shocked when they saw that Chen Ping alone had caused Zhu Zhishan and others to be in such a state of embarrassment.

If it were one of them, he would probably have become a roast suckling pig by now.

Ge Jiayi, who had been in the corner, had curiosity and reverence in her eyes. At this moment, her view of Chen Ping had changed a lot!

She didn't expect that Chen Ping's strength would exceed her imagination time and time again.
Remember URL

And Chen Ping's strong perseverance is beyond the reach of ordinary people.

Chapter: 2265

"What the hell are you looking at? Come on..."

Long Xiao roared and looked at everyone, his eyes full of anger.

Everyone looked at each other in shock. Even Zhu Zhishan and the others were in such a mess by Chen Ping when they joined forces. Aren't they just under fire?

Seeing that no one took the initiative, Long Xiao roared: "If any of you don't take action, the resources here will never get a point..."

As soon as Long Xiao said this, someone finally made a move!

"Damn, come together, what are you afraid of..."

Xin Pengfei cursed angrily and rushed towards Chen Ping.

Others followed closely, and dozens of people began to attack Chen Ping.

Seeing this scene, Zhu Zhishan and Long Xiao showed a bit of pride on their faces!

Chen Ping clutched the Dragon-Slaying Sword tightly, his eyes full of murderous intent and anger!

"kill....."

There was an angry shout, and the dragon-slaying sword in his hand was swung out desperately.

A flash of sword light flashed through the bodies of the two people in an instant, but the others rushed forward as if they were crazy.

Bang bang bang.....

Ding ding ding.....

Chen Ping waved the dragon-slaying sword in his hand desperately to block the attacks of these people!

But at this moment, Chen Ping's resistance seemed so helpless.

In a moment, Chen Ping's body was covered in blood and blood. Chen Ping looked like he had no human appearance!

Even so, Chen Ping still held on with his Dragon-Slaying Sword and did not fall down. Under his feet were the corpses of more than a dozen other sect members.

"alright....."

Long Xiao shouted, causing everyone to step back!

He couldn't let Chen Ping be killed by these people, he needed Chen Ping, and he needed to absorb Chen Ping's strength.

Long Xiao slowly walked up to Chen Ping, who had only half his life left, with endless pride on his face!

"Chen Ping, look at what you are like now. You are worse than a dead dog. How do you want to fight me?"

Chapter: 2266

Long Xiao smiled proudly and patted Chen Ping's face with his hand.

"Pooh....."

At this moment, Chen Ping didn't even have the strength to raise his hand, so he could only spit at Long Xiao fiercely!

Long Xiao was not angry at all. He slowly stretched out his palm and gently pressed on Chen Ping's head.

"Your strength will become mine immediately. After I absorb your strength, even if you are immortal, what can you do..."

Long Xiao sneered, and then a faint black mist entered Chen Ping's body and began to absorb Chen Ping's strength.

A sneer suddenly appeared at the corner of Chen Ping's mouth, and then the Heart Condensation Technique began to turn far away!

Originally, Long Xiao wanted to draw strength from Chen Ping's body, but suddenly found that the energy in his body was rapidly moving towards Chen Ping.

Long Xiao was suddenly frightened, and hurriedly wanted to take his hand away, but found that his hand seemed to be sucked!

At this moment, even the soul in Long Xiao's body panicked.

"Quickly retreat, he is using magic..."

In Long Xiao's mind, the old voice shouted urgently.

Long Xiao also wanted to withdraw, but unfortunately he couldn't withdraw at all, as his palm seemed to be sucked.

Not far away, Zhu Zhishan still had a proud look on his face. He thought Long Xiao was absorbing Chen Ping's strength, but he didn't know that it was just the opposite at the moment!

Long Xiao was sweating profusely and seemed at a loss!

"Broken arm, cut off the arm quickly..."

Soul shouted anxiously, asking Long Xiao to cut off his arm.

Long Xiao hurriedly took out the sharp blade, but facing his own arm, he really couldn't do anything.

If his arm was cut off, he would become one-armed like Zhu Zhishan.

He was still young and only had one arm left.

Just when Long Xiao hesitated, Soul became angry and shouted loudly: "Hurry up and do it..."

Long Xiao hesitated in his eyes, gritted his teeth for the last time, and swung out the sharp blade in his hand, but what he slashed was not his own arm, but directly towards Chen Ping's neck.

He thought about cutting off Chen Ping's head, so that he would be fine and his arm would be saved!

But with a flash of cold light, Chen Ping seemed to be on guard. The dragon-slaying sword in his hand was instantly in front of him, directly blocking the sharp blade in Long Xiao's hand.

Chapter: 2267

"damn it....."

The soul in Long Xiao's body became anxious. Long Xiao's eyes rolled up, and then the aura on his body changed instantly!

The soul directly controlled Long Xiao's body, and then with a sudden force, he tore off his arm!

This sudden scene frightened everyone, and they didn't understand what was happening to Long Xiao.

Why did Duan Duan tear off his arm?

Even Zhu Zhishan was stunned, wondering if Long Xiao was crazy!

"Kill him quickly, kill him quickly..."

Long Xiao roared and asked everyone to kill Chen Ping!

Seeing this, Zhu Zhishan knew something must have happened, so he jumped up first.

"Do it and kill Chen Ping..."

Zhu Zhishan roared, and the others followed closely, charging toward Chen Ping.

Although Chen Ping had absorbed part of the energy in Long Xiao's body at this moment, it was only a drop in the bucket. Facing Zhu Zhishan's attack, he had no power to fight back except waiting to die!

None of these people noticed that the mermaid sculpture on the throne actually cracked, revealing its true face!

Moreover, the formation around the throne also shook tremendously at this moment!

Rumble.....

Suddenly, the entire palace began to shake, accompanied by rumbling sounds.

Then a shattering sound was heard, followed by a terrifying aura that filled the entire palace!

So everyone was stunned, a little overwhelmed by this sudden change, no one knew what happened!

“Look, look...”

At this time, someone shouted in fear.

Everyone turned around and looked at everything in front of them with surprise and horror.

I saw that the mermaid sculpture on the throne came to life, and the formations around the throne made a series of sounds at this moment, and finally collapsed.

The mermaid stretched hard in front of everyone, with extreme excitement on her face!

“Everyone be careful...”

Chapter: 2268

Panic flashed across Zhu Zhishan’s face and he reminded everyone.

Everyone looked at the mermaid in full alert, not knowing what was going on with the mermaid!

Rumble.....

There was another violent shaking, and the whole palace seemed to collapse!

More and more soil began to fall, and there seemed to be a huge vibration above the head!

“Come on, this palace is going to collapse...”

Long Xiao suddenly frowned and rushed out of the palace.

When other people saw this, they also ran outside one after another. No one cared about Chen Ping’s life or death...

Seeing this situation, Chen Ping hurriedly used his last strength and ran outside. If the entire Paradise City collapsed, even Daluo Jinxian here would probably die.

Especially the revived mermaid sculpture gave Chen Ping a great sense of threat!

In that dream, Chen Ping saw with his own eyes that mermaid killed many masters with one strike. With his current strength, he might be able to kill him with just one breath!

“Ha ha ha ha.....”

“Thousands of years, thousands of years...”

The mermaid was completely freed from her restraints and looked up to the sky laughing.

As the mermaid laughs, terrifying murderous intentions keep coming!

Puff puff.....

People began to vomit blood and die, which made everyone even more panicked and ran out desperately.

The mermaid waved his hand, and the palace door began to slowly close.

At this moment, everyone began to rush out, fearing that they would die here.

Killing intents were still coming down one after another, and people kept falling to the ground, their lives being harvested!

The mermaid looked at everything in front of him indifferently, as if these people were nothing more than ants in his eyes.

puff.....

A wisp of murderous intent penetrated Chen Ping's chest and instantly knocked Chen Ping to the ground. Chen Ping, who was already weak, looked even more ugly at this moment!

Blood continued to flow out. Chen Ping gritted his teeth and stood up again desperately.

Chapter: 2269

He can't die, he can't die here.

If he dies, what will Yu Qi do? What should I do with my own mother?

Who is the father he has never met?

Chen Ping still wants to know all this!

Chen Ping stood up with all his strength and rushed toward the door with difficulty. At this moment, most of them had already escaped from the palace and headed out of the city without looking back.

After Zhu Zhishan escaped from the palace, he looked at the palace door that was about to close slowly, with a bit of joy in his eyes!

I thought you, Chen Ping, were still inside and had not escaped.

“Chen Ping...”

Just when Chen Ping reached the door and the palace door was about to close, Ge Jiayi suddenly took action and pulled Chen Ping, trying to pull Chen Ping out.

Seeing this, Zhu Zhishan’s face turned cold: “Mind your own business...”

After that, Zhu Zhishan slapped Ge Jiayi with his palm. Ge Jiayi hurriedly dodged to the side and failed to catch Chen Ping!

“Chen Ping, just stay in there and die there...”

A sneer appeared on Zhu Zhishan’s face, and he punched away, sending a terrifying energy straight towards Chen Ping.

Chen Ping, who had originally arrived at the door, was hit directly by this terrifying force and his body flew back.

At this moment, the palace door was also closed directly.

Looking at the closed door, Chen Ping roared: “Zhu Zhishan, you despicable person...”

“Hahaha, I am a despicable person, what can you do to me?”

Zhu Zhishan raised his lips proudly.

Rumble.....

The entire Paradise City shook. Seeing this, Zhu Zhishan did not dare to stay any longer and hurriedly headed out of the city.

After taking one look at the palace, Ge Jiayi turned and left. No one can save Chen Ping now.

At this time, Chen Ping was lying on the ground. He didn't even have the strength to stand up. Murderous attacks were struck on his body one after another, and each blow was a terrifying wound!

Chen Pingsheng was helpless and stared at the mermaid in front of him!

Chen Ping knew that he would never have a chance to escape from here!

Chapter: 2270

But just when Chen Ping thought that he would be bombarded to death by this murderous intention, he didn't expect that the terrifying murderous intention suddenly disappeared.

The originally arrogant mermaid's face turned pale now, her forehead was covered with cold sweat, and she was breathing heavily.

When Chen Ping saw this, he couldn't help but feel happy. He bit the tip of his tongue suddenly and stood up directly with a wisp of blood.

When the mermaid saw that Chen Ping could still stand up, she looked dissatisfied and surprised.

"As expected of the son of a dragon, his body is really strong..."

The mermaid said with surprise on her face.

Chen Ping once again heard the words “son of dragon” from the mermaid’s mouth. He couldn’t help being stunned and asked hurriedly: “Who are you? Do you know anything about me?”

The mermaid panted heavily, but did not answer Chen Ping. Instead, her body was slowly absorbing the spiritual energy in the beast pills on the ground.

Having been sealed for thousands of years, this mermaid’s strength has long been reduced to ten percent. The reason why she just exploded all her remaining strength was to scare away the people in front of her.

If the mermaid’s strength is still preserved, he will definitely not let go of these people in front of him, because these people are the best training resources for him.

Chen Ping noticed that the mermaid was regaining her strength, so he suddenly used his last bit of strength and punched it.

The golden light on the fist was extremely dim, and not even the power of the dragon was left!

The mermaid frowned and dodged Chen Ping’s punch.

“Boy, if I still have the strength, I can kill you thousands of times with just a spit of spit. How dare you attack me?”

“When I regain my strength, I will make your life worse than death...”

The mermaid looked at Chen Ping angrily.

At this moment, Chen Ping was feeling a little nervous due to the forced activation of his essence and blood, and his vision was blurry!

However, he knew that if he couldn’t find a way to kill this mermaid now, his soldiers would definitely die after he absorbed the spiritual energy and regained some of his strength.

“I won’t give you a chance...”

Chen Ping suddenly bit the tip of his tongue again, and then a mouthful of blood mist spurted out. Chen Ping’s aura instantly improved a lot.

The golden light on his fist began to shine brightly, and then he shouted angrily and punched the mermaid!

The mermaid had endless anger on his face. He had never been ignored by an ant before.

It’s just that the strength in the body is gone, the mermaid is angry, and there is no way.

Seeing Chen Ping’s punch in front of him, the mermaid gritted his teeth and a white and transparent fish bone shot out from his body!
