

The Order 2281

Chapter: 2281

“Brother Dong, I want to go to Medicine God Valley now. Brother Chen Ping’s life and death are unknown now. I want to follow Uncle Long and the others to discuss it. I believe Brother Chen Ping will not die.”

Xiaoru looked at Dong Jiahao gratefully and said.

After arriving in Kyoto, Xiaoru was unfamiliar with the place. Fortunately, Dong Jiahao was there, which made Xiaoru very grateful to Dong Jiahao!

“Okay, I’ll take you to Medicine God Valley now.”

Dong Jiahao nodded and said.

Dong Liqun sent several half-step Wuhou and Wuhou masters to escort Dong Jiahao and Xiaoru to Yaoshen Valley!

In this trial, Chen Ping was targeted by the entire Kyoto martial arts community, Dong Jiahao was injured, and Dong Liqun was very angry!

It’s just that the current Dong family is not strong enough to compete with the entire Kyoto martial arts world, so he can only endure it!

When the Dong family is strong enough, he will definitely avenge Chen Ping!

Because without Chen Ping, there would be no Dong family today!

Others have the same idea in the Valley of Evil. Chen Ping is dead. Whether it is Zhao Ligu or the four evil men, as Chen Ping’s subordinates, they have the responsibility to avenge Chen Ping.

However, they also know that their current strength is not enough to fight against the entire Kyoto martial arts world, but this hatred has been recorded in each of their hearts. One day, this blood feud will be avenged.

At this time, on the martial arts forum, news of Chen Ping's death was also flooding every section!

"Is this the third time Chen Ping has died?"

"Chen Ping has died three times in a short period of time. I don't know if this time is true."

"I heard it's true. Almost everyone in the Kyoto martial arts community has seen it. Chen Ping is trapped at the bottom of the sea and must be dead."

"Have you heard that the entire Kyoto martial arts world is dealing with Chen Ping alone? This is the first time I have seen such shamelessness."

"The promised trial, Zhu Zhishan, the leader of the Kyoto Martial Arts Alliance, also went there. Isn't this obviously a trap? It seems that the Kyoto Martial Arts Alliance hates Chen Ping to the core."

For a time, there was a lot of discussion about everything, but a large number of people did not believe that Chen Ping was really dead.

After all, this is the third time news of Chen Ping's death has been reported. Every time, the news is true, and there are pictures to prove it.

What happened in the end?

Chen Ping is still alive and well, maybe this time it will be the same!

In the Medicine God Valley, when Xiaoru saw Gu Ling'er and Long Wu, she hugged each other and cried together instantly!

Xiaoru has been frozen for several months. Both Long Wu and Gu Ling'er feel that they will never see Xiaoru again in this life, but they don't want to see Xiaoru again, which makes them a little unbelievable.

Chapter: 2282

After crying, Long Wu followed Xiaoru to understand the situation at that time. After hearing that Chen Ping was trapped in Paradise City, Long Wu looked very ugly.

"Uncle Long, I believe Chen Ping cannot die like this. He will definitely be fine..."

Xiaoru persuaded Long Wu.

At this moment, Gu Ling'er also acted surprisingly calm. She always believed in her heart that Chen Ping would be fine.

Chen Ping encountered danger again and again, and was declared dead several times on the forum, but he was safe every time.

This time she believed that Chen Ping would be fine.

As time passed, the Martial Arts Alliance finally took action against the entire martial arts community in Kyoto.

With huge benefits, many sects and aristocratic families announced to join the martial arts alliance. Some sects and aristocratic families hesitated, but suffered disaster!

In an instant, the martial arts community in Kyoto was in chaos, and finally most of them joined the martial arts alliance!

Only a few large sect families are still contending, such as the Dong family and the Ge family.

The Martial Arts Alliance also began to target these big families, as well as the Evil Man Valley, Yaoshen Valley and other people who were close to Chen Ping, and were ready to take action.

Zhu Zhishan wants to completely erase the traces of Chen Ping's existence. Anyone who follows Chen Ping closely will become the enemy of the Martial Arts Alliance.

During this period, Long Xiao was also seizing the time to practice. With a large amount of beast elixirs as resources, Long Xiao's strength was also improving by leaps and bounds.

Ten days passed in the blink of an eye, but Chen Ping still did not appear, and everyone began to believe that Chen Ping was dead.

And the most important festival of summer, the Spring Festival is slowly approaching!

Many people have begun to prepare things for the New Year.

.....

Paradise City, inside the palace!

Chen Ping slowly opened his eyes. He didn't know how long he had been unconscious, let alone what happened outside during this period!

After taking a look inside the palace, he didn't see the mermaid, which made Chen Ping very strange!

I don't know where the mermaid went and why he let me go.

"What's this?"

Chen Ping suddenly saw the shark bead on the ground!

This shark bead is different from other beast pills. Under the shiny appearance, there is actually a trace of chaos inside!

Chapter: 2283

Chen Ping took the shark bead in his hand, and a huge spiritual energy instantly hit Chen Ping's body.

“What a terrifying aura...”

Chen Ping couldn't help but be surprised.

He found that the spiritual energy emitted by this shark bead was no less than that of Duda's Nascent Soul.

“What on earth is this? How come there is such a strong aura?”

Chen Ping carefully looked at the shark beads in front of him.

After looking at it for a long time, Chen Ping didn't see the reason, so he could only put the Shark Pearl away temporarily.

Chen Ping pushed open the palace door, and the beast pills emitted a faint light.

Chen Ping released his consciousness and launched a carpet-like search. He wanted to see if there was anyone else in the Paradise City.

When Chen Ping searched upwards, he found that he could not break out of the Paradise City at all, nor could he feel the existence of Dragon Lock Island.

“How come Dragon Lock Island is gone?”

Chen Ping was shocked. He wanted to spread his consciousness here, but found that his body was already very weak and his mental strength could not support it at all.

Helpless, Chen Ping could only choose to practice in seclusion until he regained his strength.

Fortunately, there are countless beast elixir resources here, which are enough for him to restore his physical strength!

Thinking of this, Chen Ping sat cross-legged and started to run the Heart Condensation Technique rapidly.

A large amount of spiritual energy poured into Chen Ping's body...

Ten days have passed in the blink of an eye, and the Chinese New Year is only a few days away.

In these ten days, the martial arts world in Kyoto has been quietly changing, and the power of the martial arts alliance has almost reached its peak.

This time the expansion of the Martial Arts Alliance was not blocked by the authorities, which also caused many people to talk about it!

In the Medicine God Valley, Zhao Ligu and the four evil men are all here.

They mobilized everyone here to protect Long Wu, Gu Ling'er and the others!

Whether it is Zhao Ligu or the four evil men, they are all Chen Ping's men. They know their mission. Regardless of whether Chen Ping is really dead or not, they must protect Chen Ping's friends and family.

Gu Ling'er's heart began to waver. After such a long time, there was still no trace of Chen Ping. The martial arts alliance was already preparing to attack the Valley of the Evil. At this moment, if Chen Ping is still alive, he will definitely appear. of.

“Chen Ping, you...are you really dead?”

Chapter: 2284

Gu Ling'er stared at the east, with tears on her face.

After knowing Chen Ping for such a long time, Gu Ling'er followed Chen Ping from Hongcheng to Kyoto. From a small agent, he has now become a martial arts sect. This is something Gu Ling'er never dared to imagine before. of.

“Chen Ping, if you really die, I will definitely let you go. Just wait for me...”

Gu Ling'er's face was ashen, and she had already made a plan in her heart!

.....

Kyoto Martial Arts Alliance!

Zhu Zhishan sat in the position of leader, feeling so happy in his heart!

Chen Ping is dead, and now that the martial arts alliance has grown to such an extent, Zhu Zhishan is waiting for the reward from above.

Zhu Zhishan was originally very disdainful of Ning Zhi, but after this time, he discovered that Ning Zhi was a talented guy who took care of everything in an orderly manner!

In this way, Zhu Zhishan seems much more relaxed, but Zhu Zhishan doesn't know that the more relaxed he is, the more dangerous he will be. When a person loses his value, it is time to lose his life. .

“Alliance leader, almost all the sects and families in Kyoto's martial arts world have joined our martial arts alliance. Isn't it time to teach those guys who are close to Chen Ping a lesson?”

Ning Zhi walked into the martial arts alliance hall and said to Zhu Zhishan.

“Ning Zhi, do you have any good plans?”

Zhu Zhishan asked Ning Zhi.

During this time, he had become accustomed to letting Ning Zhi make arrangements.

“Now the Dong family and the Ge family are still unwilling to join our martial arts alliance, and these two families have a certain influence in Kyoto. If we attack rashly and destroy these two families, it will definitely cause official dissatisfaction, so I thought

Ning Zhi leaned into Zhu Zhishan’s ear and whispered a few words!

After Zhu Zhishan heard this, he suddenly burst into laughter: “Ning Zhi, you really have it, you can think of such a method, you can do it yourself...”

Zhu Zhishan waved his hand and said with great satisfaction.

Ning Zhi raised the corners of his mouth slightly, then turned around and left the Martial Arts Alliance!

.....

Dong family!

Dong Liqun had a sad look on his face, he knew that the Dong family’s life and death had come.

In the past, the Dong family and the Ning family were at odds with each other, but now that Ning Zhi has become the deputy leader of the Martial Arts Alliance, he will definitely attack the Dong family first.

Chapter: 2285

Nowadays, almost all the sects and families in Kyoto's martial arts world have become members of the martial arts alliance. If Dong Liqun wants to follow the martial arts alliance to fight against them, it will be almost impossible.

"Dad, our Dong family is also a famous family in Kyoto. Even if Ning Zhi becomes the deputy leader of the Martial Arts Alliance, will he still dare to attack us openly?"

"If he dares to take action, we can go to Mr. Shi to make the decision. The entire Kyoto martial arts world is not decided by the martial arts alliance itself."

Dong Jiahao saw the sad look on his father's face, so he persuaded him.

"Hey..." Dong Liqun sighed: "What do you know? If Mr. Shi wanted to take care of it, he would have taken action long ago. How could it be possible for the Martial Arts Alliance to expand like this..."

"Then why didn't Mr. Shi ignore it?" Dong Jiahao asked puzzledly.

"How do I know? We can't figure out the official attitude!" Remember the website

Dong Liqun shook his head!

For a moment, Dong Jiahao stopped talking and everyone fell into silence.

"Dad, how about we ask the Ge family for help? In the Kyoto martial arts world, the Ge family is the only one who has not joined the martial arts alliance and dares to compete with the martial arts alliance."

Suddenly, Dong Jiahao said to Dong Liqun.

"The Ge family has always kept aloof from the world, and it has nothing to do with us following the Ge family. Why should they help us?"

Dong Liqun frowned.

“Dad, I’m going to find Ge Jiayi. I think she has a good heart. She even saved me in Paradise City...”

Dong Jiahao is still grateful to Ge Jiayi for saving his life!

Dong Liqun pondered for a moment, then nodded and said, “Well, you can bring some more gifts, firstly to thank Miss Ge for saving her life, and secondly to find out the tone of the Ge family.”

“Okay!” After hearing this, Dong Jiahao happily turned around and left.

.....

Kyoto, Ge family!

The strength of the Ge family is considered to be one of the best in Kyoto, but the Ge family has always kept aloof from the world and never started disputes with others, let alone joined any alliances, associations, etc., so the Ge family is not well-known in Kyoto. not tall!

As the most talented person of the younger generation, Ge Jiayi became famous at a young age. However, due to Ge Jiayi’s seclusion, her reputation gradually faded away.

On this day, Ge Jiayi was sitting in the pavilion at home, staring at the east in trance.

“This guy won’t really die like this...”

Ge Jiayi said to herself.

Chapter: 2286

“Jiayi, you have been distracted since you came back from the trial. What are you thinking about?”

At this time, a middle-aged man walked up to Ge Jiayi with a smile.

This middle-aged man is Ge Jiayi's father, Ge Fuhai.

Ge Jiayi hurriedly came to her senses, turned to look at Ge Fuhai and said, "I didn't think about anything. It's just that it's too boring in the room. Come out and sit for a while..."

"On such a cold day, you are sitting outside in a trance. Are you thinking about a man? At your age, you really should have a boyfriend!"

Ge Fuhai smiled slightly.

"Dad, what are you talking about? Who wants a man anymore? Ignore you..."

Ge Jiayi rolled her eyes at Ge Fuhai, stood up and was about to leave, but was held back by Ge Fuhai.

"Hahaha, you are my daughter, don't I know what you are thinking?" Ge Fuhai laughed: "That Chen Ping is indeed a genius, and I like him very much, but his life is too short. If you die, you will no longer have this blessing!"

"Dad, who cares about Chen Ping? Don't talk nonsense! We don't even know him..."

Ge Jiayi seemed to have a guilty conscience. She threw away Ge Fuhai and prepared to escape. She didn't want to talk to Ge Fuhai anymore.

At this moment, a servant of the Ge family hurriedly came to report: "Master, Miss, the young master of the Dong family, Dong Jiahao, is here to visit. He said he is looking for the Miss!"

"Dong Jiahao? What does he want from me?"

Ge Jiayi frowned slightly!

“This Dong Jiahao is not bad either. Although he is a bit dissolute, he is not a bad person...”

Ge Fuhai smiled at Ge Jiayi.

Ge Jiayi rolled her eyes at Ge Fuhai: “Ignore you...”

After speaking, Ge Jiayi walked towards the door.

She went to see what Dong Jiahao was doing with her!

When Ge Jiayi arrived at the door, she found Dong Jiahao standing at the door, wearing a crisp suit, as if he had been specially dressed.

“Dong Jiahao, what do you want from me?”

Ge Jiayi asked Dong Jiahao.

Although Ge Jiayi saved Dong Jiahao’s life in Paradise City, it does not mean that Ge Jiayi likes Dong Jiahao!

Ge Jiayi didn’t like any of the young men in Kyoto.

Chapter: 2287

Seeing Ge Jiayi, Dong Jiahao’s eyes flashed with a bright light!

“Miss Ge, I take the liberty of interrupting you. I have something I want to tell Miss Ge!”

Dong Jiahao hurriedly approached Ge Jiayi and said.

“If you have anything to do, just tell me. Why are you so close?”

Ge Jiayi took a step back in disgust, very dissatisfied with Dong Jiahao’s frivolous appearance!

“Ms. Ge, this is not the place to talk. Let’s talk somewhere else!”

Dong Jiahao said with a smile.

“If you want to say it, just say it. If you don’t say it, I will go back. I don’t have time to keep you company...”

Ge Jiayi said and turned around to go back.

“Miss Ge, it’s about Chen Ping, don’t you want to hear it?”

Dong Jiahao said suddenly.

Upon hearing Chen Ping, Ge Jiayi stopped, turned around and asked, “What’s wrong with Chen Ping? Is Chen Ping not dead?”

Seeing Ge Jiayi’s slightly anxious look, Dong Jiahao’s eyes showed a bit of evil!

“Miss Ge, let’s find a place. I’ll tell you slowly to prevent others from listening...”

After Dong Jiahao finished speaking, he opened the car door very gentlemanly!

Ge Jiayi hesitated, but finally sat on it.

Dong Jiahao got in the car, then started the car and drove towards a hotel. Looking at Ge Jiayi through the rearview mirror, Dong Jiahao's mouth corners slightly raised, showing an evil smile.

This kind of smile has never appeared on Dong Jiahao's face, but Ge Jiayi didn't notice it.

.....

In Paradise City, Chen Ping was sitting cross-legged. The countless beast pills on the ground had been reduced by half at this moment!

As the number of beast pills continues to decrease, Chen Ping's strength is also rapidly improving.

At this time, Chen Ping has entered the second realm of Nascent Soul. Although it is only a small improvement in realm, his strength has undergone a qualitative change!

Slowly opening his eyes and looking at the large area of beast pills disappearing on the ground, Chen Ping couldn't help but sigh: "Cultivation in the Nascent Soul Realm requires such huge resources, so wouldn't it be even more difficult to practice in the future..."

Looking at the large amount of beast elixir left in front of him, Chen Ping didn't know when he would be able to absorb it all!

Chapter: 2288

"I don't know how much time has passed. What's going on outside..."

Chen Ping no longer has the concept of time.

He didn't know how long he had been here, let alone what was going on outside!

I don't know if the Spring Festival has passed, but he secretly made up his mind to rescue Su Yuqi and his mother before the New Year, but now it seems that he doesn't know if his wish can be realized.

But the matter has come to this, facing the vast resources of beast elixirs, Chen Ping can't just walk away and abandon them!

Maybe if he could take these beast pills with him, it's a pity that the space in his storage ring is not that big and he can't take all the beast pills with him.

"We can only continue to practice first..."

Chen Ping shook his head helplessly, then ran the Heart Condensation Technique and started practicing again.

Kyoto, inside a hotel!

Ge Jiayi followed Dong Jiahao to a room. The room was well decorated and very warm!

Ge Jiayi observed the surroundings, and then asked Dong Jiahao calmly: "Dong Jiahao, is it inappropriate for you to bring me here to talk about things?"

Although Ge Jiayi said this, she didn't take it to heart because she knew Dong Jiahao's strength and could subdue Dong Jiahao with just a move, so she was not afraid that Dong Jiahao had any bad intentions!

"Miss Ge, there is nothing inappropriate. I have liked you for a long time. I called you here today just to confess my love to you..."

As Dong Jiahao spoke, he actually took out a bouquet of flowers, and then knelt on one knee in front of Ge Jiayi.

When Ge Jiayi saw this, her face suddenly became as cold as ice, and she said with disdain: "You should give up, I don't like you at all..."

After Ge Jiayi finished speaking, she turned around and walked out. She didn't expect that Dong Jiahao had tricked her into confessing his love.

Although Ge Jiayi was very angry now, she did not take action against Dong Jiahao.

After all, there is a major reshuffle in the Kyoto martial arts world, and it is difficult for the Ge family to remain indifferent to the world, so she does not want to make an enemy for the Ge family...

But just when Ge Jiayi turned around to leave, Dong Jiahao suddenly took action and grabbed Ge Jiayi's wrist!

"Miss Ge, since you are here, I think we should have a good chat before leaving..."

Dong Jiahao said with a sinister smile on his face.

Ge Jiayi frowned: "Let me go..."

After saying that, Ge Jiayi raised her hand and punched it out.

However, Ge Jiayi did not use all her strength. If she had used all her strength to strike, Dong Jiahao would definitely not be able to withstand it!

Chapter: 2289

But who would have thought that when Ge Jiayi punched out, Dong Jiahao did not dodge, but directly reached out and grabbed Ge Jiayi's fist, preventing Ge Jiayi from moving at all!

Ge Jiayi was stunned for a moment, and a mist suddenly emitted from Dong Jiahao's body. Then Ge Jiayi's mind began to feel dizzy, and finally she closed her eyes and fainted...

Looking at Ge Jiayi who fainted, Dong Jiahao raised his lips, carried Ge Jiayi directly to the bed, and then slowly took off Ge Jiayi's clothes!

Looking at Ge Jiayi's body, Dong Jiahao's body was filled with black mist. Then Dong Jiahao's face changed and turned into Ning Zhi.

It turns out that Dong Jiahao turned out to be Ning Zhi in disguise. No wonder Ge Jiayi's punch just now was easily caught.

"Tsk tsk tsk... What a good woman. If it weren't for the fact that I no longer have the ability to be a man, I would definitely get you..."

Ning Zhi felt regretful for a while, then took out the camera he had prepared and started taking pictures of Ge Jiayi!

After doing everything, Ning Zhi left the hotel. For the next thing, he would just wait for the Ge family to follow the Dong family and fight to the death...

I don't know how long it took, but Ge Jiayi slowly woke up. When she looked at her disheveled clothes, she collapsed and burst into tears.

She is the proud daughter of heaven, and she is the dream lover of many young masters from sects and aristocratic families.

But now, she has been raped!

"Dong Jiahao, I must cut you into pieces..."

Ge Jiayi exuded strong murderous intent, and she thought it was Dong Jiahao who disrespected her.

The devastated Ge Jiayi returned home, rinsed her body desperately, and then changed her clothes!

She wanted to go to the Dong family in person to seek an explanation. Even if she died, she would kill Dong Jiahao!

But just when Ge Jiayi was about to go to the Dong family to find Dong Jiahao, a servant of the Ge family hurried in: "Miss, the young master of the Dong family, Dong Jiahao, is outside the door asking for an audience..."

Upon hearing this, Ge Jiayi's whole body suddenly burst out with terrifying murderous intent, and then it disappeared in a flash and rushed towards the door.

She didn't expect that Dong Jiahao would dare to come to her after doing such a thing.

Feeling the murderous intention in Ge Jiayi's body, the servants were frightened and panicked, and hurriedly went to find Ge Fuhai.

At this time, Dong Jiahao was holding a gift in his hand and seemed a little nervous. After all, it was his first time to visit the door of the Ge family. He felt like a new uncle was visiting!

But just as Dong Jiahao was waiting nervously at the door with the gift in hand, he suddenly found a figure flashing in front of him.

"Miss Ge..."

Seeing Ge Jiayi appear, Dong Jiahao shouted nervously.

"Dong Jiahao, you beast, risk your life..."

Chapter: 2290

Ge Jiayi's eyes widened, her anger rising, and then she punched Dong Jiahao.

Dong Jiahao looked shocked. He didn't understand what happened to Ge Jiayi. Why did she suddenly attack him?

"Miss Ge, what are you..."

Before Dong Jiahao finished speaking, he was punched in the chest by Ge Jiayi! Remember URL

A mouthful of blood spurted out, and then Dong Jiahao's body flew out instantly.

It hit the car not far away hard, smashing the body to pieces!

This punch cost Dong Jiahao half his life. After finally getting up slowly, Dong Jiahao found that Ge Jiayi was attacking him again!

Dong Jiahao screamed in his heart. He didn't know what happened. Why did Ge Jiayi attack him when she saw him, and she still killed him!

His strength is not inferior to that of Ge Jiayi, but now he doesn't even have the ability to dodge. He can only watch Ge Jiayi's terrifying fist attack towards him.

"stop....."

At this critical moment, Ge Fuhai arrived, stood directly in front of Dong Jiahao, and then neutralized Ge Jiayi's fist with a palm.

"Dad, don't stop me, I will kill him today..."

Ge Jiayi said to Ge Fuhai with an angry look on her face.

"Jiayi, what's wrong with you? Why did you kill him?"

Ge Fuhai asked Ge Jiayi.

But Ge Jiayi couldn't say anything, she could only stamp her feet angrily: "I must kill him today..."

Seeing that Ge Jiayi didn't say anything, Ge Fuhai turned to look at the injured Dong Jiahao and said, "Master Dong, what happened between you and Jiayi? Why does she want to kill you?"

Dong Jiahao also looked confused at this time, shook his head and said: "I don't know either. Miss Ge will kill me when she sees me..."

"Did you say anything to her?"

Ge Fuhai frowned slightly.

Because he knows that Ge Jiayi is not an unreasonable person. Although she is a little willful sometimes, she will never kill someone for no reason.

"No, I didn't say anything..."

Dong Jiahao was so aggrieved that he almost cried.

He came over with a gift to say thank you, but he was beaten by Ge Jiayi as soon as they met.
