

The Order 2291

Chapter: 2291

Seeing this, Ge Fuhai could only say to Dong Jiahao: "Master Dong, you'd better go back first and wait until I understand the situation..."

When Dong Jiahao saw this, he had no choice but to leave, otherwise his life would be in danger!

Seeing that Dong Jiahao was about to leave, Ge Jiayi took action directly towards Dong Jiahao, but was stopped by Ge Fuhai.

Seeing Dong Jiahao walking away, Ge Jiayi could only cry helplessly, and then ran back to the room!

When the injured Dong Jiahao returned home, he fainted directly.

Dong Liqun looked at Dong Jiahao who was unconscious and felt extremely angry in his heart!

However, both Dong Liqun and Ge Fuhai were considered scheming people, so they did not immediately plunge the two families into war!

Ning Zhi, who was originally waiting for a good show, was slightly disappointed. However, even if the two families did not go to war, they would never unite together. The martial arts alliance could defeat them one by one. It would not take long for the entire Kyoto martial arts world to be defeated. Every family will become a member of the martial arts alliance.

In Paradise City!

Chen Ping is still cultivating crazily, and there are only a few of the beast pills left all over the place!

If someone saw that so many beast pills were absorbed by Chen Ping alone, their jaws would probably drop.

The Spring Festival has already passed. It is precisely because of this traditional festival that the Dong family and Yaoshen Valley have a chance to breathe. Otherwise, the martial arts alliance would have taken action long ago.

Chen Ping's strength has been further improved under this crazy practice. At this time, Chen Ping's strength has reached the edge of the second realm of Nascent Soul. With a little effort, it will not be a problem to break through the third realm.

It's a pity that there are not many beast elixirs left in Paradise City, and I'm afraid they won't be able to support Chen Ping's breakthrough.

"It was just a little bit close, what a pity..."

Chen Ping sighed softly.

As long as he reaches the third level of Nascent Soul, he can directly go to the Martial Arts Alliance to save people. Even if he encounters a fifth-grade Wuhou, Chen Ping will not be afraid.

Suddenly, Chen Ping remembered the shark bead he picked up at the beginning, and then took it out. Feeling the spiritual energy emanating from the shark bead, a smile appeared on Chen Ping's face!

He swallowed the shark beads without hesitation, and then Chen Ping began to close his eyes again, preparing to break through!

.....

Kyoto, Dharma Protector Pavilion!

Xing Jun followed Mr. Shi and reported with a solemn expression.

Although Mr. Shi has not intervened in so many things that have happened in Kyoto's martial arts world recently, it does not mean that Mr. Shi is unaware of them.

“Mr. Shi, now more than 95% of the entire Kyoto martial arts community has become a member of the Martial Arts Alliance. Now the Martial Arts Alliance has become much more powerful.”

Chapter: 2292

“And the Martial Arts Alliance has frequently trained many Wuhou masters recently, just like a production line.”

“Long Xiao from the Long family has also made breakthroughs one after another recently, and his strength has grown rapidly.”

“Currently, there is no danger to the Dong family and Medicine God Valley, and the Martial Arts Alliance has not taken action against them yet!”

Xing Jun reported, while Mr. Shi closed his eyes slightly and looked calm!

“Those beast elixir resources that the Long family tried out years ago, based on time, should be almost exhausted, right?”

Mr. Shi said calmly.

“Yes, the resources obtained by the major sects and aristocratic families have been basically consumed, but it has also improved the strength of the major aristocratic families a lot!”

Xing Jun nodded and said.

“Well, the current peace is probably about to be broken. Without resources and interests, the entire Kyoto martial arts world and the martial arts alliance cannot control them at all...”

“You just need to watch carefully. No matter what happens in the martial arts world during this period, you are not allowed to interfere...”

Mr. Shi warned Xing Jun.

“Understood!” Xing Jun nodded, then turned and left!

But when he reached the door, Xing Jun stopped and turned to look at Mr. Shi, as if he was hesitant to speak.

“If you have something to say, just say it...”

Mr. Shi said with his eyes still slightly closed.

“Mr. Shi, is Chen Ping really dead? It’s been so long, the Spring Festival has passed, and there’s still no sign of Chen Ping. It’s probably more serious than that.”

Xing Jun also once suspected that Chen Ping would not die, but after such a long time, and Chen Ping did not even show up for the most important Spring Festival, it might be that Chen Ping was really dead.

“Whether Chen Ping is dead or not, time will give the answer. The time has not yet come...”

Mr. Shi said calmly.

After hearing this, Xing Jun sighed slightly, turned around and walked out.

When Xing Jun walked back, Mr. Shi slowly opened his eyes, with a bright light shining in his eyes!

“Chen Ping, you have to show up quickly, otherwise when the Kyoto martial arts world is completely controlled by the Martial Arts Alliance, you want to rescue your girlfriend, but you will have to pay a bigger price...”

Mr. Shi murmured to himself with a smile on his face!

Kyoto, Long family!

Chapter: 2293

After Long Xiao absorbed the last beast pill, the aura of his whole body changed qualitatively!

In this short month, Long Xiao has made breakthroughs one after another, reaching the level of fifth-level Wuhou!

Now Long Jingguo is facing Long Xiao, and he is beyond his reach!

However, this is not because of Long Xiao's talent, but because of the soul in his body, coupled with sufficient resources, Long Xiao's strength has increased by leaps and bounds!

"Xiao'er, I really didn't expect that your strength has improved so quickly. You are simply a genius. I have never seen anyone who cultivates so fast..."

Long Jingguo said with surprise on his face.

From the very beginning, Long Jingguo touched the soul of Long Xiao, and now he is filled with envy.

Long Jingguo wished he had a soul attached to his body, so that he could practice cultivation with twice the result with half the effort!

"Dad, it's a pity that there are too few resources, otherwise my strength can be improved."

Long Xiao said with a proud look.

Long Jingguo also frowned. The many beast pills he obtained this time were absorbed by Long Xiao alone, and the resources he collected from various places were also given to Long Xiao, but they still could not satisfy Long Xiao's cultivation. This puts Long Jingguo in a bit of a dilemma!

At this moment, Long Xingxu came over. Feeling the surging aura on Long Xiao's body, Long Xingxu was envious.

At this time, he and Long Xiao were completely different, and there was no comparison.

"Congratulations, young master, your strength has improved a lot..."

Long Xingxu said respectfully.

"Xingxu, what do you want from me?"

Long Jingguo saw Long Xingxu appearing and knew that he must be looking for him.

"master....."

Long Xingxu shouted, then looked at Long Xiao and did not continue.

When Long Jingguo saw this, he knew that what Long Xingxu wanted to say must be because of his sister Long Ruotong's matter. Because this matter had been hidden from Long Xiao, Long Xingxu did not dare to say it in front of Long Xiao.

Long Xiao also seemed to be aware of it, so he said, "Dad, are you hiding something from me?"

"Xiao'er, there are some things that I don't want you to know, but now that you are older and can take charge of yourself, there are some things that you should know..."

After Long Jingguo finished speaking, he started talking with Long Xiao, and took Long Xiao to the Long family's dungeon!

Long Xiao looked at the gloomy dungeon and his aunt in the dungeon, feeling a little incredible!

Chapter: 2294

And Long Ruotong was a little surprised when he saw Long Xiao suddenly appeared!

After all, the only people Long Ruotong could see over the years were Long Jingguo, and Long Jingguo had never brought a stranger here.

But now seeing the unfamiliar Long Xiao, Long Ruotong seemed surprised!

“Xiao’er, this is your aunt. She has been locked up here for more than 20 years...”

Long Jingguo pointed at Long Ruotong and said.

When Long Ruotong heard Long Jingguo’s introduction, he immediately understood that Long Xiao was Long Jingguo’s son.

“Dad, you said you wanted to get a secret from my aunt. What secret is it?”

Long Xiao asked curiously.

After all, after being imprisoned for more than 20 years, this secret could not be obtained, which made Long Xiao very curious.

“A mental method, a set of mental methods that can lead to immortality...”

Long Jingguo said slowly.

“Immortal?”

Hearing these four words, Long Xiao was instantly shocked!

Even though he is now a fifth-grade Wuhou, he still cannot stop the ravages of time and will grow old sooner or later.

It would be great if you could live forever!

“Have I, my aunt, not spoken out for more than twenty years?”

Long Xiao asked.

Long Jingguo nodded: “Yes, for more than twenty years, I have tried every means, but she hasn’t said a word. I even threatened her with her son, but it’s no use.”

“Her son?” Long Xiao was stunned!

“Yes, if my guess is correct, that Chen Ping should be your aunt’s son, and you two are cousins...”

After Long Jingguo finished speaking, Long Xiao’s head exploded with a bang.

Long Xiao never imagined that he and Chen Ping would have such a relationship.

But now that Chen Ping is dead, any relationship is useless.

“The idea of immortality is really a good thing. I have a way to make her speak...”

Chapter: 2295

At this time, the soul in Long Xiao’s body spoke.

“Dad, I have a way to make my aunt speak.”

Long Xiao said to Long Jingguo.

“Really?” After hearing this, Long Jingguo suddenly became excited.

He imprisoned Long Ruotong for more than 20 years for this mentality, but he still couldn't get what he wanted.

Now Long Xiao actually has a way.

“Of course it's true. Have you forgotten the exercises I'm learning now?”

Long Xiao smiled slightly. Remember URL

“Well, hurry up and do it...”

Long Jingguo said impatiently.

Long Xiao nodded, then looked at Long Xingxu and said, “You are not allowed to come in without my permission when you go out...”

“As ordered...”

Long Xingxu bent down and retreated, but the moment Long Xingxu bent down, a fierce look flashed in his eyes!

Even though his strength is already completely different from Long Xiao's, Long Xingxu is not resigned to it.

Now almost all the resources of the Long family have been given to Long Xiao, and Long Xingxu has gained nothing despite his hard work.

He would never be willing to live a mediocre life like this.

After Long Xingxu left, Long Xiao looked at Long Ruotong, his eyes flashing.

Then bursts of black mist rose up from his body, and then a figure escaped from Long Xiao's body!

This is the soul in Long Xiao's body. Long Jingguo knows it, so he is not panicked!

But Long Ruotong had never seen such a scene before, and seemed a little surprised and panicked!

After the soul left Long Xiao's body, it immediately headed towards Long Ruotong, trying to get into Long Ruotong's mind.

But just when the soul wanted to enter Long Ruotong's mind, a golden light suddenly flashed between Long Ruotong's eyebrows.

This golden light was so bright that Long Xiao and Long Jingguo couldn't help but close their eyes.

But the soul screamed, as if it was frightened, and quickly returned to Long Xiao's body.

Chapter: 2296

Long Xiao spurted out a mouthful of blood, and his face instantly turned extremely pale!

"Xiao'er..."

When Long Jingguo saw this, he hurriedly checked with concern.

"Senior, what's going on?"

Long Xiao frowned slightly and asked in confusion.

“There is so much righteousness in this woman’s body that I can’t get into her at all...”

The soul said in a weak voice.

When Long Xiao heard this, he was immediately speechless. He didn’t understand what the level of the soul in his body was, and why it was always unreliable!

In Paradise City, he was so frightened by the Buddha’s light that he hid and didn’t dare to show his head, and now he was injured by an awe-inspiring aura. This is too rubbish to say the least.

But Long Xiao didn’t dare to really say it, after all, he still relied on the other party for his cultivation.

The two of them are now both prosperous and devastated.

“Xiao’er, what’s going on?”

Long Jingguo asked Long Xiao.

“Dad, this woman has an aura of great righteousness. There is no way to enter her body and search her memory. It seems that we have to think of other ways...”

Long Xiao followed Long Jingguo and said.

“Hmph, this stinky girl is so tough. Now her son has lost one of your arms. Today I will take revenge on you on her...”

After Long Jingguo finished speaking, he picked up the special whip and whipped Long Ruotong's body hard.

Long Ruotong remained silent and did not make any sound, as if the whip was not hitting him.

After Long Jingguo was tired of beating him, he threw down his whip and walked out angrily.

Just after Long Jingguo and Long Xiao walked out of the dungeon, someone from the Long family came to report that Zhu Zhishan from the Martial Arts Alliance invited Long Jingguo to come over.

"Xiao'er, Zhu Zhishan is definitely looking for me because of resources. I will find a way to get some resources for you. You can rest at home for the time being..."

Long Jingguo knew that the resources of the major sects and aristocratic families were now being consumed very quickly. Nowadays, almost all the sects and aristocratic families in the Kyoto martial arts world had joined the martial arts alliance, so they would definitely look to the martial arts alliance for resources.

After all, the martial arts alliance must fulfill its initial promise, otherwise it will definitely cause dissatisfaction among many sect families.

After Long Jingguo left, the soul in Long Xiao's body immediately said: "You should find a way to find that girl named Xiaoru now and capture her. The armor on this girl's body is a sacred object."

Chapter: 2297

"And this girl's body is different from ordinary people. If you can absorb this girl's strength, I believe you will be stronger."

"Okay, I will send someone to investigate the whereabouts of this girl right away..."

Long Xiao licked his lips, his eyes filled with heat.

On the other side, Long Jingguo came to the Martial Arts Alliance!

Zhu Zhishan was waiting for him anxiously.

“Zhu Alliance Leader, you come to me...”

Long Jingguo asked Zhu Zhishan.

“Master Long, during this period, sects and aristocratic families have been asking for resources from the Martial Arts Alliance. Look at this...”

Zhu Zhishan looked at Long Jingguo. He hadn't finished speaking. He was observing Long Jingguo's reaction.

“Congratulations, Alliance Leader, our Long family's resources are extremely limited now. Even the Longquan water has begun to dry up, and there are no resources left.”

Long Jingguo thought that Zhu Zhishan wanted to ask the Long family to provide resources, so he hurriedly said.

“Master Long, you misunderstood. I don't want the resources of your Long family.” Zhu Zhishan waved his hands repeatedly and said, “I was thinking that there are thousands of beast pills in Paradise City. Can we go there again?” , take out some more beast elixirs, and then the resource issue will be solved.”

“Congratulations, Alliance Leader, if Dragon Lock Island has sunk and Paradise City has collapsed, how can we get the Beast Pill?”

Long Jingguo asked in surprise.

“I think that even if Paradise City collapses, the beast elixirs will definitely not disappear. It's just that it's more dangerous to take out the beast elixirs. It's not that you can't take out the beast elixirs.”

“I have prepared water-avoiding beads. As long as there is enough time, the beast elixir can definitely be taken out.”

Zhu Zhishan said.

Long Jingguo was silent for a moment. It seemed that Zhu Zhishan had already planned it. Calling him here was just a notification.

Even if Paradise City collapses, it is still the resource area of their Long family, so they informed themselves.

“Now that Alliance Leader Zhu is ready, we can just follow Alliance Leader Zhu’s arrangements, but our Long family is temporarily unable to deploy manpower...”

Long Jingguo knew that it was very dangerous to do these things in the deep sea. Although there were water-proof beads, it was impossible to stay underwater for a long time. He would not let his masters do such dangerous things.

Anyway, after the beast elixir is taken out, the Long family will take the bulk of it. After all, this is the Long family’s resource land!

“Master Long, I have already prepared the candidates. You, the Long family, just need to wait for the allocation of resources.”

Zhu Zhishan said.

Chapter: 2298

“Okay, then I’ll wait to wish the leader good news.”

Long Jingguo left the Martial Arts Alliance.

Zhu Zhishan then summoned Xu Song and the four of them, distributed water-avoiding beads, and asked the four of them to get the beast elixir.

Although the four of them also knew that this job was very dangerous, not to mention how difficult it was to get the beast elixir from the collapsed Paradise City on the seabed. As for the ferocious beasts in the sea, if they encountered them in the water, they would have no choice but to run for their lives!

The bottom of the sea is the home ground of those monsters. Even if the monsters only have the strength of Wu Zong, it would be very difficult for them like Wu Hou to deal with them at the bottom of the sea.

But in danger, they can only bite the bullet and go ahead. They can only obey orders now. To the Martial Arts Alliance, they are just puppets trained by the Martial Arts Alliance!

There will be a steady stream of people to replace them in the future. They are chess pieces and can be abandoned at any time.

.....

On the vast sea!

A speedboat was floating on it, and four people were sitting on it, none other than Xu Song!

Looking at the bottomless sea, the four people looked solemn. They knew better than anyone else that this was a narrow escape mission.

Otherwise, other sect families would have secretly sent people to get the beast pills. After all, the resources of these beast pills are very attractive.

It's just that it's too difficult and dangerous, so no one takes the risk.

"Okay, it's time for us to go down. If we can come back alive this time, I believe the leader will not treat us badly..."

After Xu Song finished speaking, he swallowed the water-avoiding beads in one gulp. With the water-avoiding beads, they could stay longer at the bottom of the sea!

Plop, plop.....

The four people quickly plunged into the water and swam towards the bottom of the sea!

At this time, in the Paradise City, golden light suddenly appeared on Chen Ping's body, and endless aura was rolling. The entire Paradise City was filled with Chen Ping's aura.

Breakthrough, Chen Ping broke through again. The strength of the third realm of Nascent Soul made Chen Ping look even more immortal!

"Huh, I finally made a breakthrough, I don't know when it is now..."

Chen Ping let out a long breath.

Here, he no longer has the concept of time, and has no idea how long it has been.

"It's time to leave, but how do we get out of here?"

Chen Ping frowned.

Chapter: 2299

We are in the sea here. If there is no boat, Chen Ping's current strength may be difficult to return to the land, because the distance is too far.

In addition, there must be monsters attacking along the way. Without a boat, it would be as difficult as climbing to the sky...

Just when Chen Ping was in trouble, Chen Ping suddenly felt a few breaths.

“Is there anyone?”

Chen Ping looked surprised. He didn't understand how someone could come at this time.

However, Chen Ping still hid, wanting to see who he was.

Soon, the four figures of Xu Song appeared. Looking at the intact Paradise City, the four of them fell into shock.

“This Paradise City still exists and has not collapsed...”

Someone shouted excitedly.

If Paradise City has not collapsed, it will be much easier for them to obtain the beast elixir, and there will not be too much danger.

“It's really strange. Suolong Island has sunk. I didn't expect that Paradise City has not collapsed yet. I just don't know if Chen Ping is dead.”

When Xu Song saw that Paradise City had not collapsed, he immediately thought of Chen Ping.

“It's been almost two months, so Chen Ping must have died a long time ago. It's so far away from the landing. If there was no boat, Chen Ping wouldn't be able to survive at all...”

someone said.

“Let's all be careful when we go in. I always have a bad feeling. After taking the beast elixir, we'll leave quickly...”

After Xu Song finished speaking, he led people into Paradise City!

Chen Ping, who was hiding now, listened to the conversations of several people and realized that he had been there for more than a month. In this way, the Spring Festival had already passed.

And it seems that the outside world has long thought that he is dead, which is a good thing for Chen Ping. When the time comes, he will be secretive, and the Martial Arts Alliance will be clear, and he can do whatever he wants for a lot of time!

Soon, Xu Song and the others entered Paradise City, but looking at the empty Paradise City, the four of them were dumbfounded.

There are no beast pills anywhere. Apart from some ruins, not even a beast pill can be found.

“What...what’s going on?”

Someone asked with a surprised look on his face.

Xu Song also frowned, with a puzzled face. It was clear that when they left, there were thousands of beast pills here.

Why did it become so empty in just over a month?

Chapter: 2300

“Brother Xu, could there be another sect family that sneaked in here secretly and stole these beast pills?”

Someone asked Xu Song.

Xu Song nodded: “It’s possible...”

After all, many people from the sect family knew about this place during the last trial, so it was not impossible to sneak in here secretly to take the beast elixir without fear of danger.

“Let’s go back and report to the alliance leader quickly. This matter is not trivial...”

Xu Song knew that this was a big deal.

If these beast elixirs are really obtained by a sect family, it won’t be long before the Kyoto martial arts world will be reshuffled again.

After all, with such a huge resource, I wonder how many masters can be cultivated.

But just when Xu Song and the others were about to leave, they all suddenly stopped, and then turned their heads with puzzled expressions. Remember URL

Because they found a breath that instantly locked onto them, making them afraid to move around.

When the four people turned around and saw Chen Ping coming out of the hiding place, they were all surprised!

“Chen Ping, you’re not dead?”

Xu Song said with horror in his eyes.

“You people are not dead yet, how could I die...”

Chen Ping’s face was gloomy, and his body was filled with murderous intent!

These four guys all relied on the blood from Su Yuqi’s body to improve their strength.

Thinking of the suffering Su Yuqi, Chen Ping hated these four guys with all his heart!

Feeling the killing intent in Chen Ping, the four of them also became very cautious!

“Brothers, let’s go together, kill this Chen Ping, and go back with his head. The alliance leader will definitely reward us heavily...”

Xu Song said to the other three people.

The three people nodded, and then their energy exploded, and they attacked Chen Ping together!

All four of them are in the realm of Wuhou, and when the four of them join forces, their strength is greatly increased!

“Hmph, a guy who doesn’t know how to live or die...”

Chen Ping snorted coldly, and then his body shook slightly, and a terrifying spiritual power suddenly erupted.
