

The Order 2301

Chapter: 2301

Now that Chen Ping has entered the third realm of Nascent Soul, his strength has doubled. Xu Song and the others were knocked away by the terrifying spiritual power before they could even reach Chen Ping.

“you.....”

Xu Song looked at Chen Ping in horror, his face full of disbelief!

In just over a month, Chen Ping’s strength has increased to such a terrifying level!

“Chen Ping, you are trapped here. Without a boat, you can’t escape at all. How about we make a deal, you let us go, and we take you back to land...”

Xu Song felt the terror of Chen Ping’s aura and began to negotiate terms with Chen Ping!

“If I kill you, the boat will still belong to me, and I can still go back...”

Chen Ping looked at the four of them coldly, and the cold aura on his body became more and more raging!

The next second, Chen Ping opened his hand, and the Dragon-Slaying Sword appeared in Chen Ping’s hand. At this time, the Dragon-Slaying Sword kept making a buzzing sound under the blessing of the power of the dragon.

And the sword spirit in the Dragon Slayer Sword actually grew a lot as Chen Ping’s strength improved.

The dragon-slaying sword made a bloodthirsty buzz, as if it was desperately craving for blood!

When the four people saw this, they also hurriedly showed their weapons and looked at Chen Ping solemnly.

“I have a sword that can kill everything...”

Chen Ping said, took a step forward, and then slashed in the air with his sword.

The terrifying sword light instantly brought up a gust of wind, heading directly towards the four of them!

When Xu Song saw this, he shouted loudly, holding a black short blade, and blocked it instantly!

The other three people also stepped forward, bursting with frightening energy, blocking Chen Ping’s sword light!

brush.....

I saw a flash of sword light, and the weapons in the hands of Xu Song and others were instantly cut into two pieces!

Moreover, there was a blood mark of tens of centimeters on each person’s chest, and their bodies retreated continuously!

The four people looked at the weapons in their hands in shock. You must know that these weapons were made of tungsten steel by the Martial Arts Alliance and they spent a lot of money. They were extremely hard, but they were easily cut off by Chen Ping.

“Brothers, it seems that we have to fight hard this time...”

After Xu Song said that, the aura on his body became even more violent.

“Hmph, the two of you together are just a mantis trying to block the car...”

Chapter: 2302

Chen Ping snorted coldly, and then swung his sword again!

boom.....

The sword energy roared, and the entire Paradise City began to tremble under the sword!

Xu Song roared, and then his hands gathered a ray of light and rushed forward.

Seeing this, the others hurriedly activated their spells to welcome Chen Ping's sword!

Stab...

The sword energy directly chopped Xu Song's light into pieces with a destructive attitude, without stopping at all, and continued to move towards the four people.

Xu Song turned pale with fright and instinctively stepped back, while the other three people directed countless bright rays of light towards Chen Ping.

Rays of light hit Chen Ping's body, but Chen Ping didn't move at all, as if he was unconscious!

Uh-huh...

The sword energy flashed through the four people in an instant. Everyone looked at Chen Ping in shock, and the movements in their hands completely stopped!

Plop.....

Suddenly, a person lay down without warning, and then blood began to spurt out from the waist up, and his internal organs flowed out.

This sword directly cut the person in half!

Xu Song looked at his companions who died tragically and couldn't help but take a breath of air.

You must know that the four of them are all strong men in the realm of Wuhou trained by the Martial Arts Alliance!

Now that the four of them joined forces, they were unable to do anything to Chen Ping, and Chen Ping killed one of them with a backhand sword. Chen Ping's strength had completely dumbfounded them.

"My Dragon-Slaying Sword has not seen blood for a long time. Today is the perfect time for your blood to feed my Dragon-Slaying Sword..."

Chen Ping shook the dragon-slaying sword in his hand and said.

Chen Ping could feel the bloodthirsty impulse in the Dragon-Slaying Sword, and then came out with another sword!

The first sword of the Nine Shadow Divine Sword, in an instant, a sword light several feet long seemed to fall from the sky, and then it was slashed with a fierce sword.

The sword glow emitted a dazzling light, making the entire Paradise City shine with light!

The huge sense of oppression made all three of Xu Song's bodies tremble.

Regardless of whether they could defeat Chen Ping, the power of Chen Ping's sword had already frightened them and left them with no fighting spirit.

Chapter: 2303

“Quickly, merge...”

Xu Song saw this and yelled hastily.

Then the three people suddenly stood back to back together, and then shouted loudly, and waved out a stream of light from their hands, turning into a barrier in front of them.

The thick aura made Chen Ping instantly feel a sense of familiarity, and his mind was in a trance at this moment.

It only took a moment, and then the invincible sword light had arrived in front of Xu Song and the others.

Stab...

The sword light easily cut through the barrier in front of the three people, just like cutting through a piece of waste paper!

The sword light flashed across the three people instantly, and finally formed a deep ravine behind them!

All the defenses on the three people were broken, and the sword light left deep sword marks on the three people's bodies like a devastation!

The eyes of the three people were filled with horror!

They all looked down at their bodies. They didn't know if this sword would cut off their bodies as well!

Xu Song saw that there was only blood coming out of his chest. He touched it with his hand and found that although the wound was deep enough to penetrate the bones, it did not cut his body into two pieces!

Xu Song let out a long breath. It seemed that their defense just now worked.

But at this moment, the eyes of the two people beside Xu Song opened wider and wider, their eyes filled with incredulity!

Plop! Plop!

Then two sounds of falling to the ground were heard, and Xu Song looked at his companions in horror. At this moment, they all fell into a pool of blood, and their bodies were broken into two parts.

The thick smell of blood instantly stimulated Xu Song's nerves, and Xu Song felt as if he was stupid at the moment.

It wasn't that Chen Ping's sword was blocked by their defense, but that Chen Ping deliberately spared Xu Song's life!

He wanted Xu Song to die in fear. As long as they were members of the martial arts alliance, Chen Ping would use cruel methods to make them die.

Chen Ping held the Dragon-Slaying Sword and walked towards Xu Song step by step.

"Kill me, you kill me, kill me quickly..."

Xu Song was stimulated and fell into madness. Looking at Chen Ping walking over, he suddenly rushed towards Chen Ping, then grabbed Chen Ping's collar and asked Chen Ping to kill him.

A sword ended life, and that way of death was more pleasant, but facing death like this, and waiting for death, this period of time was the most torturous.

"Don't worry, I will definitely kill you, but I won't let you die happily..."

Chapter: 2304

Chen Ping put away the Dragon-Slaying Sword and said with a cold expression on his face.

“You...what are you going to do to me? We were sent by Alliance Leader Zhu, and Alliance Leader Zhu will take revenge on us when the time comes...”

Xu Song gritted his teeth and the corners of his eyes were shaking.

“Revenge?” Chen Ping’s eyes narrowed slightly: “If Zhu Zhishan didn’t look for me, I would have killed him...”

After Chen Ping finished speaking, he slapped Xu Song on the head, and then Xu Song felt that the strength in his body was rapidly draining away.

Xu Song’s body began to shrink, and finally became like a withered old man.

However, Chen Ping did not let Xu Song die, but gave him a chance to breathe.

“You just stay here and wait for death slowly...”

After Chen Ping finished speaking, he slowly walked towards the outside of Paradise City.

“Kill me, kill me...”

Xu Song fell to the ground, roaring desperately, but Chen Ping’s figure had long disappeared.

.....

Kyoto!

After Long Xiao got Xiaoru in Medicine God Valley, he immediately took many masters of the Long family to Medicine God Valley to arrest people.

At this moment, Long Xiao's face was filled with pride, and his heart was swelling to the extreme!

He even began to imagine that the Long family would rule the entire Kyoto martial arts world in the future.

"As long as you catch this little girl, get her armor, and absorb her strength, I believe no one in Kyoto will be your opponent anymore."

In his mind, the old voice of the soul sounded.

Long Xiao raised the corner of his mouth and said with a sinister smile: "Could it be that if I absorb that little girl's strength, I can be promoted to the realm of Great Wuhou?"

"Even if you are promoted to the realm of Dawuhou, you cannot be invincible in Kyoto's martial arts world. What truly makes you invincible is that armor, which is a sacred object. At that time, Zhu Zhishan kicked that little girl. , but the little girl was not hurt at all, so you know how powerful this armor is..."

Soul said excitedly.

"What if that little girl is using the Buddha's light to shine? Then you would be hiding again, and I would have to face it myself..."

Long Xiao asked the soul.

Judging from the tone, Long Xiao was still a little dissatisfied with the soul hiding and ignoring him.

Chapter: 2305

"With your current strength, even if I don't show up, how many people will be your opponents? What's more, you have brought so many people with you. Could it be that you can't even catch a little girl?"

Soul asked with a hint of sarcasm in his tone.

“Hmph, of course I can catch you. It’s just the Medicine God Valley, but you can’t stop me...”

Long Xiao snorted coldly.

“Everyone speed it up for me, I can’t wait...”

Long Xiao ordered loudly and then increased his speed.

At this moment, everyone in the Medicine God Valley has not yet recovered from the sadness that Chen Ping has died.

The entire Medicine God Valley was enveloped in a depressing atmosphere!

“Sister Ling’er, I can feel that Brother Chen Ping is definitely not dead...”

On top of a mountain, Xiaoru persuaded Gu Ling’er.

During this period, Gu Ling’er would be here every day, looking to the east, in the direction of Suolong Island.

Every time she wanted to see Chen Ping appear, but every time she was disappointed!

More than a month passed, and Gu Ling’er still couldn’t accept the fact that Chen Ping was dead.

Gu Ling’er’s eyes were dull, as if she was in a daze, and she didn’t seem to hear Xiaoru’s words.

“Xiao Ru.....”

At this time, Zhao Chuang came over with a handful of flowers picked from the mountains.

Through this period of contact, Zhao Chuang fell in love with Xiaoru, and the two were similar in age.

Seeing Zhao Chuang find her with flowers, Xiaoru’s face became a little ugly!

Now Gu Ling’er is sad because of Chen Ping, and Zhao Chuang brings flowers to show his courtesy at this time. If Gu Ling’er sees it, he will definitely feel uncomfortable.

“What are you doing here? Didn’t you see me talking to Sister Ling’er?”

Xiaoru rolled her eyes at Zhao Chuang and said.

Zhao Chuang looked embarrassed, and then said: “Sister Ling’er, Brother Chen Ping will definitely be fine. Those beasts from the Martial Arts Alliance can’t kill Brother Chen Ping. They must have released false news.”

“I believe it won’t be long before Brother Chen Ping comes back. Don’t be too sad.”

“Sister Ling’er, I feel that Brother Chen Ping is definitely fine. You have been so depressed all day. When Brother Chen Ping comes back, he will feel distressed when he sees you like this...”

Chapter: 2306

Xiaoru also persuaded Gu Linger.

“Xiaoru, please go, I want to be alone...”

Gu Ling’er forced out a smile and said to Xiaoru.

Seeing this, Xiaoru could only nod and leave, while Zhao Chuang followed closely behind Xiaoru.

In fact, Xiaoru also has a good impression of this guy Zhao Chuang. Although he seems to have a careless personality, he is very good at taking care of others and is very loyal!

It's just that his strength is a bit lacking and his talent is not good enough.

"Xiao Ru, this is the flower I picked specially for you. Elder Xu said it is called Yue Liu Xiang. This flower can last for a month..."

Zhao Chuang handed the flower in his hand to Xiaoru.

Xiaoru smiled shyly, took the flower, and then quickly kissed Zhao Chuang on the face!

This time, Zhao Chuang was shocked. Before he could react, he gently touched his face with one hand and was stunned!

Soon, Zhao Chuang's face was filled with a happy smile, he suddenly stepped forward, picked up Xiaoru and jumped up.

"At such a young age, you actually kiss me like this..."

At this moment, an eerie and cold voice suddenly came.

This startled Xiaoru and Zhao Chuang, and they immediately looked towards the place where the sound came from.

Soon, Long Xiao appeared in front of the two people with everyone from the Long family.

“Long Xiao?”

When Zhao Chuang saw it was Long Xiao, his expression changed drastically!

After seeing Long Xiao, Xiaoru’s face became extremely angry.

Although he didn’t know Long Xiao, she knew that the guy in front of her was targeting Chen Ping in Paradise City!

“Long Xiao, what are you doing here?”

Zhao Chuang asked Long Xiao loudly.

Long Xiao was dressed in a black robe and said with a sinister smile: “I’m here for this little girl. Her physique is different from that of ordinary people. This is a rare occurrence in a hundred years...”

Long Xiao’s eyes were fixed on Xiaoru, like a beast seeing its prey.

Seeing this, Zhao Chuang hurriedly protected Xiaoru behind him: “Long Xiao, don’t mess around. This is the Medicine God Valley. My father and the four evil people are here...”

Chapter: 2307

Zhao Chuang knew that he was no match for Long Xiao, so he moved his father and the four evil men out.

“Hahaha, even if they are all here, so what? I want to take this little girl away today, who can stop me...”

As Long Xiao said this, he reached out and grabbed Xiaoru.

Zhao Chuang gritted his teeth: “Long Xiao, I will fight with you...”

After saying that, Zhao Chuang tried his best and hit Long Xiao with a palm.

But Long Xiao didn't take Zhao Chuang seriously at all. After all, Zhao Chuang's current strength was not comparable to him at all.

The two people are not at the same level at all. Even if Long Xiao stands still and lets Zhao Chuang hit him, Long Xiao will not be hurt.

boom!

Zhao Chuang punched Long Xiao hard, but he took a few steps back and fell to the ground. At this moment, Zhao Chuang's wrist was in pain and his hand bones were broken!

Is there anything more humiliating than punching someone but being injured yourself, while the other person is not injured at all?

"You're like you, so you should save your energy and learn how to be a hero and save the beautiful..."

Long Xiao glanced at Zhao Chuang with a sneer, and then grabbed Xiaoru.

Xiaoru's face was full of anger, and she waved her hands lightly. In an instant, a wave of coldness hit her, and Xiaoru's hands actually condensed with ice at this moment!

Then both palms came out, and two streams of spiritual power mixed with ice roared towards Long Xiao.

"The body of ice crystal, this little girl has the body of ice crystal..."

Soul's surprised voice flashed through Long Xiao's mind instantly!

Before Long Xiao could react, what was the body of ice crystal? His whole body was hit by the power of the two frosts, and then his body began to freeze.

Layers after layers of frost began to condense on Long Xiao's body. At this moment, Long Xiao directly turned into an ice man!

"It was you who harmed Brother Chen Ping, I'm going to kill you..."

Seeing that her hand had frozen Long Xiao, Xiaoru hurriedly jumped up and slapped Long Xiao on the head with her palm.

But when Xiaoru arrived in front of Long Xiao, the ice on Long Xiao's body began to break, and then Long Xiao punched Xiaoru on the body.

Xiaoru's body flew out like a kite with its string broken, and fell heavily to the ground.

"Xiao Ru..."

When Zhao Chuang saw this, his eyes were full of grief and anger, and then he rushed towards Long Xiao desperately.

Chapter: 2308

"Humph, you don't overestimate your capabilities..."

Long Xiao waved his hand gently, and Zhao Chuang's body instantly flew backwards.

He fell directly next to Xiaoru. His face was pale, he was vomiting blood, and he couldn't get up!

"Zhao Chuang, Zhao Chuang..."

Xiaoru stood up and called Zhao Chuang nervously.

Xiaoru was protected by armor, so he didn't suffer much damage, but Zhao Chuang was in trouble. At this moment, his ribs were broken and his internal organs were severely damaged!

Blood kept spurting out from the mouth, and a pair of eyes stared at Xiaoru closely.

Zhao Chuang wanted to say something, but his mouth was filled with blood and he couldn't say a word.

"Don't say anything. If you die, we will die together..."

Xiaoru held Zhao Chuang's hand tightly, and Zhao Chuang actually laughed at this time.

After hearing Xiaoru's words, Zhao Chuang still smiled even though he was seriously injured and facing death.

"Little girl, follow me obediently. As long as you obey, I can spare his life..."

Long Xiao took a few steps forward and said to Xiaoru.

Xiaoru looked at the seriously injured Zhao Chuang and stood up slowly, while Zhao Chuang held Xiaoru tightly and squeezed out a few words: "No, don't go with him..."

Zhao Chuang doesn't want to become a bargaining chip to threaten Xiaoru!

"shut up....."

Long Xiao's eyes narrowed slightly, his palm suddenly sucked, and he actually grabbed Zhao Chuang directly into his hand.

One of Long Xiao's hands was stuck on Zhao Chuang's neck, and then he looked at Xiaoru: "Have you thought about it?"

Long Xiao threatened Xiaoru. He wanted Xiaoru to follow him obediently. If Xiaoru died, she would be of no use to him.

Xiaoru looked at Zhao Chuang's face that was flushed due to suffocation and had a painful and ferocious look on his face. She nodded and said, "Okay, I'll go with you. You let him go..."

When Long Xiao saw Xiaoru agreeing, he raised a smile and threw Zhao Chuang out like a dead dog.

"Don't..." Zhao Chuang roared, even if blood kept pouring out of his mouth, Zhao Chuang didn't care: "Long Xiao, my ancestor, you kill me, kill me..."

Zhao Chuang wanted to die. As long as he died, Long Xiao would have no power to threaten Xiaoru!

Long Xiao didn't even look at Zhao Chuang, but said to Xiao Ru: "Come with me, don't think of any evil thoughts..."

Chapter: 2309

After Long Xiao finished speaking, he glanced at his men, and soon several Long family masters stepped forward, and rays of light turned into chains, directly binding Xiaoru.

Xiaoru glanced at Zhao Chuang, said nothing, and left with Long Xiao.

Zhao Chuang roared desperately. He wanted to stand up and catch up, but unfortunately he couldn't stand up at all.

After Xiaoru was taken away, Gu Ling'er heard the sound and hurried over.

When she saw the seriously injured Zhao Chuang, she was shocked inside!

“Zhao Chuang, what’s going on? Where is Xiaoru?”

Gu Linger asked Zhao Chuang.

“Xiaoru was taken away by Long Xiao, taken away...”

Zhao Chuang said with a painful look on his face.

Gu Ling’er frowned and quickly helped Zhao Chuang up and rushed back to Yaoshen Valley. She wanted to tell Long Wu about this and see how to rescue Xiaoru!

.....

Kyoto, Xin family!

This is Xin Pengfei’s home. Since returning from the trial, Xin Pengfei has attached himself to the Martial Arts Alliance and the Long Family and obtained a lot of beast elixir resources.

During this period, Xin Pengfei’s strength has also improved a lot. After all, he is also number one on the Xiaoyao Ranking. Although this Xiaoyao Ranking is not officially recognized, Xin Pengfei cares about this title very much.

Especially after seeing the strength of the younger generation like Chen Ping and Long Xiao, Xin Pengfei knew that he still had a long way to go before becoming a true talent master, so he practiced even harder!

At this time, outside Xin’s house, a man covered in black robe appeared. The man in black robe slowly raised his head, and Chen Ping’s handsome face was revealed.

Chen Ping looked at the plaque on the door of the Xin family and whispered secretly: “Let’s start with your Xin family. I will not let go of anyone who attacks me...”

Chen Ping slowly put on a mask and then opened the door of the Xin family!

After seeing the sudden intrusion, many children of the Xin family immediately gathered around!

“Who are you? How dare you break into Xin’s house privately...”

Someone asked Chen Ping loudly.

Chen Ping didn’t speak, a cold light flashed in his eyes, and then he waved his hand gently, and a huge amount of spiritual power went around.

Before the Xin family members who surrounded Chen Ping had time to react, they all flew backwards and died tragically on the spot!

Xin Pengfei, who heard the commotion, rushed out with his men and frowned when he saw his children lying dead on the ground.

Chapter: 2310

“Who are you? Why did you break into my Xin family and kill the children of my Xin family?”

Xin Pengfei asked Chen Ping angrily.

“I’m the one who killed you!”

Chen Ping said coldly.

“Kill me? What grudge do I have against you? Why do you want to kill me?”

Xin Pengfei’s face was full of confusion. He didn’t feel that he had offended anyone.

“Why?”

Chen Ping snorted coldly, and then took off his mask.

When Xin Pengfei saw Chen Ping’s face, he was stunned instantly and his face became extremely ugly.

Chen Ping waved his hands, and a faint light flickered, then enveloped the entire Xin family.

Chen Ping did not intend to let anyone from the Xin family escape.

Xin Pengfei’s eyes widened: “Chen Ping, you...you are not dead?”

“Of course I’m not dead. Not only am I not dead, my strength has also improved a lot. Can’t you feel it?”

Chen Ping was slightly shaken, and a terrifying pressure fell from the sky instantly!

Xin Pengfei felt his heart tightening and almost spit out a mouthful of blood.

However, Xin Pengfei held back forcefully, but his legs began to tremble.

But no one else in the Xin family was as capable as Xin Pengfei. Under Chen Ping’s terrifying pressure, their eyes widened and their bodies exploded to death...

The smell of blood instantly filled the sky over the entire Xin family, and Xin Pengfei was dumbfounded when he looked at the tragic deaths of these Xin family children.

Chen Ping could easily kill these people just by relying on his coercion, which shows that Chen Ping’s strength has improved a lot.

“Chen Ping, since you are not dead, you should find a place to hide, but you openly came to my house to kill people. Aren’t you afraid that the Martial Arts Alliance will know?” Remember the website address?

Xin Pengfei asked Chen Ping.

“Why are you afraid? This time, I will completely eradicate the Kyoto Martial Arts Alliance...”

Chen Ping’s eyes narrowed slightly.
