

The Order 231

Chapter: 231

“Brother Chen Ping...” Wang Hanhan gently pulled Chen Ping’s clothes!

She had been in a bar and knew the price of brandy. This bottle was hundreds of thousands. Even if they only took one share, it was still a lot!

Seeing Wang Hanhan’s expression, Leng Bing immediately laughed. He knew that Chen Ping was just showing off and deliberately mentioned such expensive wine to scare him!

“The brandy is good. I’ve had it a few times. If you want to drink it, let’s get a few bottles...”

Leng Bing gave Chen Ping the choice. He wanted to see if Chen Ping dared to say that he wanted to drink!

At this time, everyone looked at Chen Ping with sneers in their eyes. They thought that Chen Ping would not dare to ask for it. Now Chen Ping shot himself in the foot!

“Okay!” Chen Ping nodded: “Waiter, five bottles of brandy...”

Chen Ping didn’t give Leng Bing another chance to refuse and shouted directly to the service staff!

Everyone was shocked to see Chen Ping ordering five bottles of brandy in one go!

Leng Bing was also startled, and instinctively wanted to stop him, but he quickly realized that he thought that Chen Ping must still be irritating him. Even if he asked for five bottles of brandy, if he didn’t open it, he wouldn’t need to spend any money. Money!

Thinking of this, Leng Bing finally breathed a sigh of relief, secretly glad that he had almost been fooled by Chen Ping.

“Five bottles is too little, let’s get ten...”

Leng Bing looked at Chen Ping playfully, since Chen Ping can play like this, he can too!

There is no need to open it in the end anyway, just return it when the time comes!

“Damn it, I’ve never drunk it before. Brother Bing actually wants ten bottles. Brother Bing is awesome...”

“Look, this is a real rich man. Why is Chen Ping pretending to be a reform-through-labor prisoner? The clothes he wears are not worth 200 yuan. He also claims that he drinks brandy. Bah...”

“When a pretender meets a real rich man, it may be the scene today. Let’s wait and see how Chen Ping ends up!”

Everyone looked at Chen Ping in amusement, they wanted to see how Chen Ping would end up!

At this time, Wang Hanhan was shocked. Ten bottles of brandy cost two million. Even if she and Chen Ping counted one portion each, it would cost nearly two hundred thousand. One meal cost two million. If my parents knew this, they would definitely be beaten to death!

“Brother Chen Ping, forget it...”

Wang Hanhan looked nervous and persuaded Chen Ping in a low voice!

Seeing Wang Hanhan like that, Leng Bing suddenly laughed and looked at Chen Ping with a playful look on his face: “Boy, you still have time to regret it. With your current situation, you may not even be able to get out 20,000 yuan, right? You still have time to regret it.” Drinking brandy, I can’t brag like you do...”

“Regret?” Chen Ping raised the corner of his mouth slightly: “What do you regret? I just drank a few bottles of brandy. It’s not like I haven’t drunk it before. There is nothing to regret. If you regret it, you can call the waiter back now...”

“Hahaha, are you kidding? How could I regret it? One or two million is nothing in my eyes...”

Chapter: 232

Leng Bing laughed, but secretly cursed Chen Ping in his heart. He wanted to see how long Chen Ping could keep pretending. When the wine was brought, Chen Ping would definitely not be able to pretend anymore!

Soon, the waiter brought ten bottles of brandy to the table. Everyone looked at the brandy in front of them, and their eyes turned green. They had never drunk such expensive wine!

“Sir, do you need to open it?” the waiter looked at Leng Bing and asked!

Leng Bing was stunned for a moment, then looked at Chen Ping and said, “Chen Ping, would you like to open it? If the wine is opened, there will be no room for regret!”

Leng Bing was forcing Chen Ping to compromise. He knew that Chen Ping was just showing off and would definitely not let him open the wine!

Leng Bing didn't want to open it. After all, he didn't have that much money for a meal worth more than one million yuan!

Chen Ping smiled coldly, and then said to the waiter: “Please open all the wine...”

“Okay sir...” The waiter opened a bottle of brandy with a bang!

Leng Bing was dumbfounded this time. He didn't expect that Chen Ping actually asked the waiter to open the wine!

Bang!

Another bottle of wine was opened by the waiter!

Every sound of opening the bottle was like a sledgehammer hitting Leng Bing's heart, making him feel heartbroken.

Soon, cold sweat broke out on Leng Bing's forehead: "Chen Ping, this is the Regal Hotel, the property of the Su family. Don't even think about cheating and evading the bill in the end. That's impossible!"

Leng Bing threatened Chen Ping. He hoped that Chen Ping could stop the waiter from opening the wine at this time!

"I'm not trying to evade the bill. Are you worried about money? If that's the case, you can ask the waiter not to open the wine now!"

Chen Ping looked at Leng Bing with a sneer and asked.

"How could I care about money? You can't earn my monthly pocket money in a year..."

How could Leng Bing stop him at this time? In that case, he would be slapping himself in the face. He wanted these ten bottles of brandy!

But seeing all ten bottles of wine opened, my cold heart was bleeding!

"I still feel like drinking this wine..."

Chen Ping picked up a bottle of brandy, poured himself a large glass, and drank it all in one gulp!

Seeing Chen Ping drinking like this, he looked at it coldly and disdainfully, and then said to everyone: "Let's all drink together, but don't let anyone drink it all, as if he has never seen wine before..."

When everyone heard this, they all picked up the wine bottles and poured themselves wine. Even Wang Yutian and Zhang Miao, who did not drink, also poured themselves a large glass. You must know that this is hundreds of thousands of bottles of wine. This time it is not Drink it, I'm afraid you'll never have the chance to drink it again in your lifetime!

Wang Hanhan did not drink, but was still comforting Wu Yifan. This time the blow seemed to be such a big blow to Wu Yifan that she kept lying on the table silently!

Chapter: 233

Leng Bing watched everyone drink one after another, and secretly breathed a sigh of relief in his heart. He had already thought about it. When it came time to pay the bill, he would not take the money himself. He could pay for the meal himself, but the wine was all You have to pay to drink it!

Let him pay more than one million by himself, but he will not be taken advantage of!

But everyone still didn't know what Leng Bing was thinking, and everyone was still praising Leng Bing!

"If it hadn't been for Brother Bing today, I'm afraid I would never be able to drink such good wine in my entire life!"

"No, Brother Bing is so awesome. A meal costs more than a million without blinking an eye!"

"Some people just don't know their own abilities and want to compete with Brother Bing, and don't look at how much they weigh..."

Chen Ping ignored the ridicule of these people at all, because he knew that these people would cry soon!

Soon, ten bottles of brandy were consumed, and everyone was full of wine and food, and some of them were already dizzy from drinking.

"I've drank wine and eaten enough. Let's go..."

Chen Ping said to Wang Hanhan.

Wang Hanhan nodded, helped Wu Yifan up, and then walked out of the private room!

When Leng Bing saw this, he hurriedly followed the others and chased him out. He wanted to see what Chen Ping paid for, but he didn't want to end up paying the bill!

"How much did we spend in total?"

Leng Bing walked to the front desk and asked.

"Sir, you spent a total of 2.1 million!"

The cashier at the front desk said quickly!

Leng Bing nodded, then took out his mobile phone and did the math, and said to Chen Ping: "Chen Ping, there are fourteen of us, and each of us consumes 150,000. For the three of you, you only need to pay 450,000 now." can....."

"Four hundred and fifty thousand, not much..." Chen Ping smiled lightly!

"Chen Ping, you're still showing off at this point. Four hundred and fifty thousand is not much, so why don't you take it out? What are you waiting for?"

Zhang Miao sneered!

"I don't think it's even worth 450,000 to buy him. He really thinks he's a rich man!"

Wang Yutian also mocked Chen Ping!

Everyone else is also waiting to see Chen Ping's joke. They want to see how Chen Ping comes up with the 450,000 yuan. They know that an ordinary wage earner may not be able to save enough 450,000 yuan in ten years!

At this time, Wang Hanhan looked at Chen Ping anxiously. She had no money, so where would she get the 450,000?

Chapter: 234

Wu Yifan, who had been keeping his head down and silent, slowly raised his head and said: "I still have two hundred thousand in my hand, I can take it out..."

After all, Wu Yifan had a share in this meal and couldn't let Chen Ping spend money. Moreover, she insisted on asking Wang Hanhan to come, but the result was like this!

What's more, she knew that Chen Ping had no money, he had just been released from prison not long ago, and his family was not a wealthy family, so the 450,000 yuan might be an astronomical figure to Chen Ping!

"Wu Yifan, why are you pretending to be a rich woman? Do you know how many times you have to sell these 200,000 yuan? You'd better take pity on yourself first..."

When Zhang Miao saw that Wu Yifan wanted to pay, he immediately said with a mocking look!

"You..." When Wu Yifan heard this, his face turned red with anger!

Soon, Wu Yifan's vision suddenly went dark, and he fainted from anger!

"Yifan, Yifan..." Seeing this, Wang Hanhan hurriedly supported Wu Yifan and shouted!

Chen Ping stepped forward and gently put a hand on Wu Yifan's wrist. He knew that Wu Yifan was just angry and would be fine after a while, so he said to Wang Hanhan: "Hanhan, please send her home first, I will handle it here... .."

"Brother Chen Ping, this money..."

"You don't have to worry about it. I have a solution. It's better to send her back quickly..."

Chen Ping said firmly!

Wang Hanhan looked at Chen Ping, then at Wu Yifan who fainted, and finally had no choice but to send Wu Yifan away...

“Chen Ping, if you let them leave early, are you planning to break the bank and refuse to pay the bill?”

Leng Bing asked Chen Ping.

“Didn’t pay the debt?” Chen Ping smiled lightly: “I don’t have any debt at all. How can I default on the debt?”

“You haven’t paid the 450,000 yuan for the meal. How come you have no account? Do you think the hotel will let you leave if you don’t pay?”

Lengbing said with a snort.

“I don’t have to spend money to eat anywhere, so how can I have an account? Have you made a mistake?” Chen Ping raised his eyebrows and said.

“Stop pretending to be stupid here. There are so many people watching, and there are so many service staff in the hotel. Do you want to have a king’s meal? Don’t think that you just came out of prison and you feel awesome. Well, this is the property of the Su family, if you want to have a meal here, you are totally wrong!”

Leng Bing thought that Chen Ping wanted to eat the King’s meal because of his status as a labor reform prisoner!

“I don’t eat Bawang meals. You can ask the hotel if I need to spend money to eat!” Chen Ping said with a smile!

Leng Bing looked at Chen Ping with confusion on his face, and finally looked at the front desk and asked: "This guy wants to eat the Overlord meal but won't pay for it. How are you going to deal with it?"

"Hello, sir, Mr. Chen doesn't need to spend money to eat here..."

Chapter: 235

The lady at the front desk said very politely!

One sentence was like a thunderbolt, and Leng Bing was stunned on the spot!

Even the others looked surprised. They couldn't figure out why Chen Ping could eat here for free.

"Why? Why doesn't he need to spend money?" Leng Bing asked incredulously.

"I don't need to explain to you. The 2.1 million you spent, apart from Mr. Chen and his friends' 450,000, you still need to pay 1.65 million. Should you pay by credit card or by transfer?"

The lady at the front desk said neither humble nor overbearing!

At this moment, Leng Bing was dumbfounded. He really couldn't figure out who Chen Ping was. How could he eat at the Regal Hotel without spending money?

Zhang Miao and Wang Yutian also looked at Chen Ping in disbelief. They wanted to see through Chen Ping!

"The money you spend to deceive women is not that expensive. You can give it to 1.65 million for food now..."

Chen Ping looked at Leng Bing with a sneer, with disdain and contempt in his eyes!

Leng Bing felt Chen Ping's eyes and understood immediately: "You...you fucking tricked me?"

Chen Ping doesn't have to spend money to eat here, and of course he can order expensive wines. But Leng Bing didn't know it, but he also pretended to be cool and compared with Chen Ping. Now he was cheated by Chen Ping!

"I just tricked you, what can you do?" Chen Ping admitted without hesitation!

He planned to trick this cold guy from the beginning.

"Sir, please pay the money..."

The front desk urged Leng Bing!

Leng Bing was already so angry that he was trembling slightly. How could he have so much money now? But if he directly asked these people to chip in, the character he had worked so hard to build would collapse. In the end, he had no choice but to pull out the card and said: "Swipe your card..."

The front desk took the card and returned it quickly and said: "Your card balance is insufficient..."

Leng Bing pretended to take the card back and said, "Impossible. There is a payment of two million that was said to arrive today. Hasn't it been called yet?"

At this time, everyone looked at Leng Bing, and everyone began to sweat on their foreheads. They were really afraid that Leng Bing had no money, so they finally asked them to raise the money!

This is more than one million, and each of them will take hundreds of thousands. Who has so much money!

"Brother Bing, what should we do?" Zhang Miao asked Leng Bing anxiously.

"Let's see, my payment didn't come through today. Let's all pool the money together. When my payment arrives, I'll pay it back to everyone..."

Leng Bing turned to face everyone and said!

Chapter: 236

“Yes, let’s all work together. Brother Bing is because the payment for the goods has not arrived. I will ask Brother Bing to pay it back to everyone later...”

Zhang Miao also helped Leng Bing explain!

When everyone heard this, they all gasped. What they were worried about finally happened!

“I...I only have one thousand yuan...”

“I don’t have any money either. I haven’t paid back the Huabei yet!”

“I have ten thousand with me, but this is not enough...”

Everyone can’t make up one hundred and eighty thousand, and it’s too far behind to have more than one million!

At this time, Chen Ping sat on the sofa in the lobby. Someone had already prepared a fruit plate for him, and while eating the fruit, he looked at Leng Bing and the others eagerly!

“If you don’t have money, you can’t leave here...”

The front desk lady’s face turned cold, and then she picked up the intercom: “Attention from the security department, someone wants to eat the Overlord meal...”

One sentence shocked Leng Bing and the others. This is a Regal Hotel. If you dare to eat Overlord Dinner here, you are seeking death!

Soon, a dozen security guards came over aggressively with weapons and surrounded these people!

These people had never seen such a battle before. They were all scared to death!

Everyone is looking at Leng Bing, now they can only count on Leng Bing!

Leng Bing looked at the security guard who was glaring at him, and was so frightened that his face changed color!

“Brother Bing, didn’t you come here in a Mercedes-Benz S? You put the car here first!”

“Yes, you put the car here first, and then pay the bill when the payment arrives!”

“We really have no money. Unlike Brother Bing, you are a big boss. More than one million is nothing!”

Everyone paid attention and praised Leng Bing at the same time!

Leng Bing looked embarrassed at this time, and finally said helplessly: “I...my car is rented, so I can’t keep it here...”

As soon as Leng Bing’s words came out, everyone was stunned. Even Zhang Miao looked at Leng Bing in disbelief!

Just now, Chen Ping said that Leng Bing’s car was rented. None of them believed it, but now they were slapped in the face!

At this moment, everyone was in panic. If Leng Bing was a fake rich man, then they would have to give out the money in the end!

“Since you can’t get the money, don’t blame us for being rude!” Seeing that these people couldn’t get the money, the front desk said, “Take these people to the back and let the manager handle it. Don’t influence us here.” Business!”

Chapter: 237

Upon seeing this, more than a dozen security guards stepped forward with weapons in hand and took these people to the back!

This time, these people were frightened. Leng Bing was also frightened and said hurriedly: “I...I will give you money. I only give you my own money. Let me go...”

At this point, Leng Bing will no longer pretend to be pretentious for the sake of face!

Everyone was dumbfounded when they saw that Leng Bing ignored them!

And Zhang Miao quickly took Leng Bing’s hand: “Brother Bing, you... take the money for me too!”

“Go away, how can I have so much money...” Leng Bing shook off Zhang Miao’s hand!

He just wants to escape from here as soon as possible. If he is caught behind, he might even get a beating!

At this moment, Zhang Miao was stunned and looked at Leng Bing in disbelief. She did not expect Leng Bing to be such a person!

“You must settle all the money before you can leave. You can’t leave if you only pay one person!”

The front desk refused Leng Bing.

When Leng Bing heard this, he was stunned. It seemed that none of them would be able to leave without spending more than one million!

“Why are you pretending to be cool when you don’t have money? You turn out to be a fake rich man!”

“I’m so miserable. I don’t have money to drink fucking brandy!”

“It’s more than one million, where can I get it?”

Everyone cursed Leng Bing and Zhang Miao with indignation. If it hadn’t been for them, how could things have turned out like this!

“Chen Ping, please intercede and let me go first, and I will make up the money later...”

At this time, after Wang Yutian saw Chen Ping with a satisfied look on his face, he walked over and said in a low voice!

No matter what Chen Ping’s status is, if he can get a free bill at the Regal Hotel, he must be of high status. If he wants to leave, it seems that he can only ask Chen Ping!

Seeing this, everyone gathered around Chen Ping.

“Just say something nice for us. We are all Hanhan’s classmates after all!”

“It was all our fault just now. We were deceived by Leng Bing and that bitch Zhang Miao!”

“Leng Bing is a sanctimonious hypocrite. It seems that the thing about him defrauding Hanhan of money must be true. No wonder Hanhan broke up with him!”

“Chen Ping, please, please help us...”

Everyone begged Chen Ping!

me, I can tell you all to get out with just one phone call. Now you just let me go and I will pretend that nothing happened!”

At this time, the front desk turned their attention to Chen Ping, because they all knew about Chen Ping’s relationship with Su Yuqi. Now Leng Bing said that he was familiar with Su Yuqi. Whether it was true or not, they didn’t know!

Chen Ping also frowned slightly. Just when he was about to ask Leng Bing, a voice suddenly came: “Do you know the eldest lady of the Su family?”

Immediately afterwards, a girl slowly walked in from the door. Chen Ping looked and found that it was Su Yuqi herself!

Leng Bing looked at Su Yuqi who walked in, nodded and said, “That’s right, and I’m very familiar with Miss Su’s family, and we often eat together!”

After Leng Bing finished speaking, Su Yuqi chuckled, and Chen Ping couldn’t help laughing!

It turns out that this guy Leng Bing is talking nonsense, Chen Ping almost believed it just now!

The other hotel staff all laughed. Su Yuqi was right in front of them. They didn’t even recognize Leng Bing, and they dared to keep saying that they were familiar with the eldest lady of the Su family!

“Shabi, do you know who is standing in front of you?” Chen Ping looked at Leng Bing with a mocking look on his face and asked.

When Chen Ping asked this question, Leng Bing felt something bad in his heart. Sure enough, Chen Ping then continued: “The person in front of you is the eldest lady of the Su family. Do you recognize her?”

The surrounding staff all laughed uncontrollably, while Leng Bing was embarrassed and wanted to find a crack in the ground to crawl in!

“Why are you coming to the hotel so late?”

Chen Ping ignored the embarrassed Leng Bing and asked Su Yuqi.

Chapter: 239

“What do you think you can do? I heard that you came to the hotel. Come and see you. You have a beautiful woman to accompany you. I don’t know how wonderful your life is!”

Su Yuqi glared at Chen Ping, with a hint of jealousy in her tone!

Everyone was dumbfounded when they saw Su Yuqi and Chen Ping like that, especially Leng Bing. He looked at Chen Ping in disbelief. At this moment, he finally understood why this hotel gave Chen Ping free of charge!

Chen Ping smiled lightly: “Are you jealous?”

“Don’t be so sentimental, you’re just jealous!” Su Yuqi rolled her eyes, and then continued: “My dad always talks about you and wants you to come home for a meal!”

“I’m quite busy these days, so in a couple of days...”

Chen Ping actually shied away!

All the boys present looked at Chen Ping with envy and hatred. The eldest lady of the Su family invited Chen Ping to go home for dinner, but Chen Ping actually refused?

If I were to ask one of these people, I would not hesitate even if I asked them to go there on their stomachs!

Chen Ping actually refused this opportunity!

“Huh, what’s there to do? At worst, I’ll make you the chairman of the company tomorrow, and you won’t be so busy!”

Su Yuqi suddenly became unhappy when she saw that Chen Ping had rejected her!

“No, I don’t have time to manage the company for you...” Chen Ping waved his hands repeatedly!

When everyone heard Chen Ping’s words, they were all hit hard again!

Especially Leng Bing and the people who just had dinner together, they all looked down on Chen Ping at first, but now it seems that they are like clowns in front of Chen Ping!

“You have to go tomorrow. My dad said it seems that Gu Gu dragged him to ask you out. He might have something to do with you...”

Su Yuqi said in a tone that left no room for doubt.

Chen Ping heard that Gu Wentian was looking for him, possibly because of the magic pen, so he nodded and said, “Okay, I’ll go there at noon tomorrow...”

“That’s pretty much it...” Su Yuqi smiled slightly, then looked at Leng Bing and the others!

Seeing Su Yuqi looking here, everyone lowered their heads. In front of Su Yuqi, they were like ants!

“Lock them all up. No one can leave until we collect enough money...”

Soon, Leng Bing and the others were driven to the back by the security guards and locked up!

Now many people have begun to regret it. If they had not ridiculed Wang Hanhan from the beginning, maybe it would not have ended like this now. After all, they followed Wang Hanhan without any grievances, and it was not because of Leng Bing and Zhang Miao!

But there is nowhere in the world that sells regret medicine. It is useless for them to regret now. These people all looked at Leng Bing and Zhang Miao. If it were not for these two people, they would not offend Wang Hanhan and Chen Ping. Thinking of this, unable to control his emotions anymore, he started violently beating Leng Bing and Zhang Miao!

Chapter: 240

On the other side of Chen Ping, Su Yuqi originally wanted to send Chen Ping home, but Chen Ping did not agree. Su Yuqi's luxury car was too eye-catching when it arrived in their community. Seeing Chen Ping drive away in his Changan, Su Yuqi sighed helplessly.

After returning home, Chen Ping called Wang Hanhan to report that she was safe, but Wang Hanhan was staying at Wu Yifan's house. She was afraid that Wu Yifan would have something to think about, so she stayed with her to comfort her!

Seeing that his parents had fallen asleep, Chen Ping sat cross-legged in his room and began to activate the Heart Condensation Technique to absorb the surrounding spiritual energy!

As the Heart Condensation Technique was running rapidly, the surrounding spiritual energy also began to move towards Chen Ping's room. Unfortunately, the spiritual energy here was too little, and there was no way to compete with Panlong Bay. After practicing for a whole night, Chen Ping's strength has not increased significantly, but the spiritual power in his Dantian can be felt to be fuller!

"It seems that we have to go to Panlong Bay to practice. The aura here is something I won't be able to break through even in years and months..."

Chen Ping felt the results he had achieved in one night and felt that it was not possible to continue practicing like this!

Xinyu Daily Chemical Company Sales Department!

Cui Zhiyuan was gathering everyone in the sales department for a morning meeting, but Chen Ping hadn't arrived yet!

"What's going on with Chen Ping? Why haven't you arrived yet?"

Cui Zhiyuan asked after taking a quick glance.

This sentence was asked to Wang Hanhan. After all, only Wang Hanhan knew why Chen Ping didn't arrive!

But at this time, Wang Hanhan also looked anxious. She didn't understand why Chen Ping didn't arrive. She was worried about whether something happened to Chen Ping last night, because she was afraid that she would be worried, so she didn't follow her words!

"Brother Chen Ping should be here soon..."

Wang Hanhan said as she took out her mobile phone and prepared to call Chen Ping to ask!

"Write it down, Chen Ping is late for work and will be fined five hundred yuan. He has only been in the company for a few days and he is already late!"

Cui Zhiyuan said with a cold face.

Now that Chen Ping has been caught, Cui Zhiyuan will certainly not let it go!

"Manager Cui, is it possible that Chen Ping was so frightened that he didn't dare to come today after bragging yesterday that he could win the Tianmei Daily Chemical contract?"

Wang Lanlan sneered, and then said loudly!

"It's possible!" Cui Zhiyuan nodded!

Everyone also ridiculed Chen Ping, thinking that Chen Ping had not arrived today because he was too frightened to come due to his big talk yesterday!

After all, the contract of Tianmei Company is not that easy to sign. Let alone Chen Ping, a small salesman, even if Cui Zhiyuan accompanied Sun Xiaomeng many times, the contract still has not been won!

“Impossible, Brother Chen Ping will definitely come...”

Wang Hanhan retorted loudly. She believed that Chen Ping would definitely come and would never shrink back because of the Tianmei Daily Chemical incident!
