

The Order 2311

Chapter: 2311

Xin Pengfei looked at Chen Ping, knowing that it would be difficult to be kind today, so he gritted his teeth, the aura on his body exploded, and then the wind roared from the fist in his hand, and he took the lead in moving towards Chen Ping.

Xin Pengfei's ability to reach the realm of Wuhou at such a young age is beyond the reach of ordinary people. This punch was extremely powerful, and all the energy in his body was concentrated in his fist.

Chen Ping looked at Xin Pengfei who was attacking, with a disdainful smile on his lips!

Then he gently raised his hand and grabbed Xin Pengfei's fist. Xin Pengfei was startled and wanted to take it back, but found that his fist was squeezed tightly by Chen Ping.

Kakakaka.....

I heard bursts of bone cracking sounds, and Xin Pengfei showed a painful expression on his face, his face full of ferocity!

"The moment you confront me, you should think of today's..."

Chen Ping suddenly exerted force, Xin Pengfei's fist shattered instantly, and Xin Pengfei screamed in pain!

Immediately afterwards, Chen Ping slapped Xin Pengfei on the face and sent Xin Pengfei flying out.

Xin Pengfei's teeth were spit out, and there was blood at the corner of his mouth!

At this moment, he finally understood the gap between himself and Chen Ping. In front of Chen Ping, he had no power to fight back.

Plop...

Xin Pengfei suddenly knelt down in front of Chen Ping.

“Chen Ping, Uncle Chen, please save my life. At that time, I was forced to have no choice but to target you. Now that the entire Kyoto martial arts world has become a member of the martial arts alliance, there is nothing I can do...”

Xin Pengfei burst into tears and followed Chen Ping to beg for mercy!

“The entire Kyoto martial arts world has joined the martial arts alliance?”

Chen Ping couldn't help but feel a little frightened. No matter how powerful the martial arts alliance was, it would not be able to include the entire Kyoto martial arts world.

Moreover, it is impossible for the officials to watch the Kyoto Martial Arts Alliance grow bigger and stronger, otherwise it will lose control.

“Yes, except for the Dong family and the Ge family, almost everyone has joined the martial arts alliance now, just for those few resources...”

Xin Pengfei said quickly.

“Didn't Mr. Shi care?”

Chen Ping was very puzzled. Why did the officials not care about the expansion of the Martial Arts Alliance?

“I don't know about this. No one from the government came forward to stop it. It seems that they tacitly allowed the Martial Arts Alliance to do this.”

Xin Pengfei shook his head, and then continued: "But now the Martial Arts Alliance is not monolithic. Many sects and families have exhausted their resources and are looking to the Martial Arts Alliance for resources!"

Chapter: 2312

Xin Pengfei's words reminded Chen Ping of Xu Song. It seemed that the Martial Arts Alliance needed a lot of resources to support so many sect families, so Xu Song and the others were allowed to risk going to Paradise City to obtain the beast pills.

Without these four people, Chen Ping would probably not be able to come back now. Without a boat, it would be difficult for Chen Ping to reach land.

"It seems that I will kill a good person indiscriminately in the entire Kyoto martial arts world..."

Chen Ping's eyes flashed with cold light, tonight will be a night of earth-shaking changes in Kyoto's martial arts world!

"I've told you everything I know. Please forgive me. I won't say anything. I can leave Kyoto and go far away..."

Xin Pengfei begged for mercy and had a lot of snot and tears. He was very pitiful!

"I only believe in the words of dead people..."

After Chen Ping finished speaking, he reached out and slapped Xin Pengfei on the head!

Soon, Xin Pengfei turned into a mummy, and the entire Xin family was devastated, with no one left alive!

Putting on his mask again, Chen Ping slowly walked out of Xin's house!

"The next one..."

Chen Ping's back disappeared into the night!

.....

Early the next morning, the entire Kyoto martial arts world exploded!

Overnight, all thirteen sects and families were wiped out!

And without exception, the masters above Wuhou became mummies, obviously having their strength absorbed.

"The Kyoto martial arts world is about to change. Who is so bold as to directly destroy thirteen sect families?"

"These sect families have all joined the Kyoto Martial Arts Alliance. Isn't this a direct slap in the face of the Martial Arts Alliance?"

"This must have been done by evil cultivators, otherwise how could they suck people into mummies..."

"It's over, it's over, things are going to change from now on, and evil cultivators start to appear openly again..."

Countless discussions overwhelmed the Kyoto Martial Arts Alliance!

But at this moment, within the Martial Arts Alliance!

Several mummies were placed in front of Zhu Zhishan.

Chapter: 2313

And each mummy has a word engraved on it!

Put together, it turned out to be: Those who join the martial arts alliance will die...

This is obviously aimed at the Martial Arts Alliance.

“Who is it? Who is having trouble with our martial arts alliance?”

Zhu Zhishan clapped his hands angrily.

At this moment, Ning Zhi squatted down and gently placed his hands on each mummy, as if he was feeling something.

Soon, Ning Zhi stood up: “Zhu Alliance Leader, although these people have absorbed their strength, they are not evil cultivators. The reason why this person did this may be to confuse the public and divert our attention...”

“Who is it? Since it’s not an evil cultivator, who has the technique to absorb strength from living people?”

When Zhu Zhishan heard what Ning Zhi said, he immediately frowned.

Ning Zhi was also a little confused at the moment. After all, with the current strength of the Martial Arts Alliance, no one dared to openly oppose the Martial Arts Alliance.

Moreover, these people who were killed were not ordinary people. If they could wipe out thirteen sects and families in one night, they must be very powerful.

Ning Zhi didn’t dare to think about how strong he was. Anyway, with his current strength, it would be a bit stressful to destroy these thirteen sects and families overnight.

“Is there no one alive at the scene?”

Ning Zhi asked the people who had been to the scene.

“If I tell the deputy leader, there is no one alive at the scene, even the dogs were killed...”

the man replied.

Ning Zhi frowned. The person who attacked him was too ruthless. Facing such a ruthless opponent, Ning Zhi also felt a little panicked.

“It seems that we have to inform the senior officials that this matter is beyond our capabilities. The other party is too powerful...”

Zhu Zhishan was a little scared and wanted to push this matter to the senior management!

Ning Zhi said nothing, his face was gloomy, his eyes were slightly closed, as if he was thinking about something.

Soon, Ning Zhi opened his eyes, and then looked at Zhu Zhishan: “Leader, did you send Xu Song and four others to get the beast pill?”

“Yes!” Zhu Zhishan nodded, and then said: “But it’s time to come back in the next few days. Even if you can’t come back, you should tell me the news about how the situation is.”

After hearing Zhu Zhishan’s words, Ning Zhi’s face instantly became even more ugly.

Chapter: 2314

“It’s broken, it’s broken...”

Ning Zhi said with a gloomy expression.

“Ning Zhi, what’s wrong?” Zhu Zhishan asked with a puzzled face.

“I suspect that Chen Ping is not dead, and what happened last night was done by Chen Ping...”

Ning Zhi said solemnly.

After hearing this, Zhu Zhishan’s expression changed drastically, and then he shook his head and said: “Impossible, how could Chen Ping not be dead? Even if he was not dead, with Chen Ping’s strength, it is impossible to destroy thirteen sects overnight. From a wealthy family, please stop being alarmist...”

Zhu Zhishan didn’t believe that Chen Ping was not dead, and he couldn’t accept that Chen Ping was not dead. In his heart, Chen Ping was already dead and could not be alive.

At this moment, Long Jingguo and Long Xiao, who heard the news, also came to the Martial Arts Alliance!

After hearing that Ning Zhi suspected that Chen Ping was not dead and that these sect families were destroyed by Chen Ping, the Long family father and son did not believe it at all!

“Deputy Leader Ning, if your words get out, I’m afraid people will laugh at you. Even if Chen Ping is alive, he doesn’t have such great abilities.”

Long Jingguo sneered.

Long Xiao also said: “Yes, I can’t do this even with my current strength. Then Chen Ping can’t do it even if he is alive.”

“Just because you can’t do it doesn’t mean that he can’t do it. During this period, your strength has increased several times, but it doesn’t mean that Chen Ping hasn’t grown. Maybe his strength has grown faster than you...”

Ning Zhi glanced at Long Xiao disdainfully.

He did not suspect Chen Ping without reason. Various signs showed that Chen Ping was probably not dead. Since Chen Ping was not dead, he could do such a thing as destroying thirteen sects and families.

Moreover, Chen Ping has always been cruel to his enemies and has never encountered them before. What's more, now that Chen Ping hates the Martial Arts Alliance, these sects and aristocratic families have all joined the Martial Arts Alliance, and they are Chen Ping's enemies.

"I think you are just afraid of being beaten by Chen Ping. Your Ning family was wiped out by Chen Ping. You were chased everywhere by Chen Ping. You must have a shadow in your heart. So it is normal for you to suspect Chen Ping. After all, Chen Ping should be your inner demon now..."

Although Ning Zhi is the deputy leader, Long Xiao does not give him any face.

"you....."

Ning Zhi's eyes suddenly burst into anger, but he restrained himself from taking action.

Now is not the time for him to take action, the time is not yet ripe!

"I went to practice. If you don't believe it, just wait and see..."

Ning Zhi turned around and left. He wanted to seize the time to practice. Fortunately, the Martial Arts Alliance had Su Yuqi's blood, which could help Ning Zhi practice quickly.

"Master Long, you should be careful, maybe this person will go to your Long family."

Chapter: 2315

Zhu Zhishan warned Long Jingguo.

"Don't worry, Alliance Leader. As long as that person dares to come, I will definitely catch him..."

Long Jingguo didn't say anything, but Long Xiao said firmly.

Because he will be able to increase his strength again soon. Once he gets the armor on Xiaoru's body and absorbs Xiaoru's strength, he will be able to dominate the entire Kyoto martial arts world.

After sending away the Long family father and son, Zhu Zhishan immediately sent people to investigate the matter and who did it. Zhu Zhishan himself was not idle either. He needed to appease the sects and aristocratic families in the Martial Arts Alliance.

Nowadays, many sects and families are on tenterhooks and trembling because they don't know when that person will appear and they are in danger of annihilating their family.

Some sects and aristocratic families have begun to choose to withdraw from the martial arts alliance. After all, the other party cannot hide the matter of the martial arts alliance. The matter of the carvings on several mummies spread quickly, so some sects and aristocratic families have chosen to withdraw from the martial arts alliance. Alliance to protect themselves.

Although many sects and aristocratic families have withdrawn from the martial arts alliance, they still cannot avoid the fate of being exterminated!

For a time, the entire Kyoto martial arts world was in panic, and some sect families even moved away from Kyoto in order to avoid the fate of being exterminated!

Rumors are spreading in Kyoto's martial arts circles that the man wearing black robes and killing sect families everywhere is Fan Jiang.

Speaking of Fan Jiang, the younger generation of martial artists in Kyoto's martial arts world don't know much, because more than twenty years ago, Fan Jiang was a famous evil cultivator who absorbed the strength of many people and killed many. How many sects and aristocratic families do you know!

Later, the entire Kyoto martial arts community mobilized to cooperate with the official arrest, and finally forced Na Fan Jiang off the cliff. More than 20 years later, everyone thought he was dead.

But now, such a black-robed man suddenly appears again, killing sects and aristocratic families everywhere and absorbing the strength of others. This has to remind people of the devil Fan Jiang!

Back then, Fan Jiang single-handedly killed several Wuhou masters and was besieged by hundreds of people before being forced off a cliff.

Now more than twenty years have passed. If Fan Jiang really returns, his strength will definitely be terrifying to the extreme, and he will be ruthless and leave no one alive. This style is too similar!

Many sects and aristocratic families in Kyoto have reached the point where they are on the verge of fighting, including some large sects and aristocratic families. They have also called back their masters from all over the place to deal with the coming danger!

Many sects and aristocratic families even united to petition, asking Mr. Shi to take action to kill the man in black robe and restore peace to the Kyoto martial arts world!

.....Remember the URL

Dharma Protector Pavilion!

Mr. Shi drank tea leisurely and seemed not to care about the noise of those sects and aristocratic families!

“Mr. Shi, in the past two days, there have been talkers from the sect family asking to see you every day. Now the entire Kyoto martial arts world is in chaos, and people are panicking...”

Xing Jun said to Mr. Shi slightly tiredly.

In the past two days, Xing Jun was the one who came forward. Mr. Shi did not see those people from the sect family at all, allowing them to come to him again and again.

“Didn’t I say that I would send them away as soon as they were found? I will not see them...”

Chapter: 2316

Mr. Shi took a sip of tea and said.

“But... but...” Xing Jun looked troubled: “Mr. Shi, many people are now rumoring that the man in black robe is Fan Jiang, the big devil from twenty years ago. If Fan Jiang really appears, there may be more than just that. The sect family may even be in danger to our officialdom.”

The official was the leader in the pursuit of Fan Jiang, and the Kyoto martial arts community at that time was united.

If Fan Jiang is here for revenge, he might take action against the official law enforcement team. Even if he does not dare to take action against the law enforcement team, it is not impossible to kill a few members of the Dharma Protector Pavilion to vent his anger!

“Hahaha, let’s not say that this man in black robe is not Fan Jiang. Even if Fan Jiang is really here, how dare he take action against the officials? Although Fan Jiang is an evil cultivator and a big devil, he is not a fool...”

Mr. Shi burst out laughing.

Xing Jun was stunned and asked randomly and curiously: “Mr. Shi, how do you know that this man in black robe is not Fan Jiang? Judging from the cruel method of killing, it looks very much like that of Fan Jiang...”

Xing Jun also suspected that the man in black robe was Fan Jiang, otherwise who could have such great strength.

“There are some things that you will know later!” Mr. Shi said lightly, then waved his hand and let Xing Jun go out.

After Xing Jun left, Mr. Shi raised a smile: “This kid Chen Ping is becoming more and more bloody...”

Looking at Mr. Shi's expression, he had already guessed that the man in black robe was Chen Ping, so he did not stop him or even let the officials come forward. He needed Chen Ping to have this kind of blood. Mr. Shi knew that in the near future, he would There are more cruel things waiting for Chen Ping.

.....

Kyoto Martial Arts Alliance!

Many sects and aristocratic families came to see Mr. Shi to no avail, so they had no choice but to come to the Martial Arts Alliance. Even Long Jingguo and Long Xiao also came.

Originally, Long Xiao didn't care. As long as he could absorb Xiaoru's strength and get Xiaoru's armor, he would be confident to deal with the black-robed man.

But in the past two days, he had tried his best to get Xiaoru's armor. Xiaoru's armor had integrated with his body and could only be taken off when the armor appeared.

Before getting the armor, Long Xiao couldn't do anything to Xiaoru, so he had to find another way.

But now rumors are spreading, saying that the man in black robe is Fan Jiang, which scares Long Xiao very much. Although Long Xiao has not seen Fan Jiang's strength with his own eyes, he has heard Long Jingguo talk about it.

You must know that the Long family also participated in the roundup of Fan Jiang, and Long Jingguo was also one of them. As the largest martial arts family in Kyoto's martial arts world, the Long family contributed the most.

Now if Fan Jiang really returns, their Long family will be in danger, so Long Jingguo and Long Xiao directly find the Martial Arts Alliance and follow Zhu Zhishan to discuss countermeasures!

"Congratulations, Alliance Leader, there is such a big mess in Kyoto's martial arts world now, and the official is sitting back and watching, now the only way is for the martial arts alliance to step forward. If

the martial arts alliance can catch the man in black robe now, I believe that many sects and aristocratic families will return to the Under the command of the Martial Arts Alliance!”

Long Jingguo said to Zhu Zhishan.

“Master Long, I am sending people to inquire around, but the whereabouts of the man in black are erratic and irregular, which makes it very difficult for me to deal with...”

Zhu Zhishan said with a slight frown.

Chapter: 2317

“Zhu Alliance Leader, there are rumors that the man in black robe is Fan Jiang, do you think it is possible?”

Long Xiao asked Zhu Zhishan.

“Absolutely impossible...”

Zhu Zhishan shook his head firmly.

“Zhu Alliance Leader, why are you so sure?”

Seeing that Zhu Zhishan was so sure, Long Xiao couldn't help but wonder.

“We saw with our own eyes that Fan Jiang was forced off the cliff, and a body was found under the cliff later. Although the body was eaten by wild beasts and was beyond recognition, it must be that of Fan Jiang.”

“How can a person who has been dead for more than 20 years return?”

“They are just rumors made by some people. In order to cause panic in the martial arts world, I can guarantee that it will definitely not be that Fan Jiang. Moreover, although the man in black robe is also very strong, there is still a gap compared with Fan Jiang. ”

“Back then, Fan Jiang had the strength of a fifth-grade Wuhou. Now, more than twenty years later, he may have become a Great Wuhou or even a Martial Saint.”

“When you think about a martial saint coming back to seek revenge, would he be so secretive about it?”

Zhu Zhishan analyzed it for Long Xiao and nodded repeatedly as Long Xiao said it. He felt that Zhu Zhishan was right.

“Since it’s not Fan Jiang, who is it?”

Long Xiao fell into confusion, and Long Jingguo also frowned, unable to figure out who this black-robed man was and why.

After Zhu Zhishan sent the Long family father and son away, he quickly walked into the dungeon of the martial arts alliance.

And in the deepest part of the dungeon, a black shadow was sitting there, with a bowl of bright red blood placed in front of the black shadow!

“It’s been more than twenty years, but I didn’t expect that someone would mention you again now. They thought you were back for revenge. What a big joke!”

“I don’t know that you have been in our martial arts alliance for more than twenty years, how can you possibly leave!”

Zhu Zhishan murmured to the black shadow in front of him.

It turns out that the deepest part of this dungeon is the old demon Fan Jiang. After Fan Jiang fell off the cliff, the Martial Arts Alliance sent people to rescue Fan Jiang, and then found an unrecognizable corpse and put it in place to deceive other people. !

“For more than twenty years, I have also helped you do a lot of things. Otherwise, how could you mobilize those hidden evil cultivators with your strength...”

Fan Jiang spoke slowly, and then drank all the blood in front of him!

Zhu Zhishan said nothing more, but turned and left!

Kyoto, in a medium-sized hotel!

Chapter: 2318

Chen Ping, dressed in black and simply disguised, was sitting at the table eating.

He came to inquire about the movements of the martial arts alliance in the past two days.

The reason why Chen Ping acted ruthlessly in the past two days was firstly to take revenge, and secondly to attract the idea of the Martial Arts Alliance and let many masters in the Martial Arts Alliance search for the so-called man in black robe.

And Chen Ping can take advantage of the emptiness in the Martial Arts Alliance to find a way to rescue Su Yuqi. Chen Ping is not completely sure about breaking into the Martial Arts Alliance now!

While Chen Ping was eating, four figures suddenly attracted Chen Ping’s attention.

I saw four old men with different expressions walking into the restaurant. Then they ordered some food and started eating. The four people’s faces looked very solemn!

“Four evil men? What are they doing in Kyoto? Do they know that they are dead, how do they want revenge?”

When Chen Ping saw the four villains suddenly appearing, he couldn't help but look nervous and worried.

However, there were so many people here that Chen Ping could not go directly to recognize him, so he could only wait silently.

Soon, the four villains walked out of the hotel after finishing their meal, with Chen Ping following closely behind.

It's dark now, and there are a few stars scattered in the sky!

But wherever the four villains walked, they were all very dark places. Wherever there were no street lights, they would just walk!

After turning into an alley, Chen Ping turned around and followed.

But when Chen Ping turned around, he found that the four evil men were no longer in front of him. But when Chen Ping was stunned, the four evil men had fallen from a height and surrounded Chen Ping.

"Who are you? Why are you following us?"

Ding Buda asked, glaring at Chen Ping angrily.

When Chen Ping saw that the four people did not recognize him, he couldn't help but smile in his heart and decided to test the four people's strength during this period!

"I think you four are sneaky and don't look like good people, so I came to take a look..."

Chen Ping pinched his throat and said in a hoarse voice.

Hearing what Chen Ping said, Ding Buda's face instantly turned ugly.

“Brother, why don’t you talk nonsense to him? Just kill him. We still have to do business...”

After Ding Busan finished speaking, he punched Chen Ping with one punch.

Now that the four of them are practicing in the Demon Suppressing Tower, they have all reached the realm of Wuhou. Ding Busan’s strength cannot be underestimated.

The terrifying fist wind hit Chen Ping directly with a whistling sound.

Chapter: 2319

I saw the shadow of the fist, although it was just a punch, there were countless fist winds surrounding Chen Ping, and then the fist winds hit Chen Ping hard.

Bang bang bang.....

Only a series of muffled sounds were heard, but Chen Ping stood motionless!

“You still lack a lot of strength...”

Chen Ping said to Ding Busan.

At this moment, Ding Busan was dumbfounded. He looked at Chen Ping in disbelief, not believing that his punch didn’t even hurt Chen Ping’s fur, and he didn’t even move at all!

Several others were also shocked, but Ding Buer cursed angrily at Ding Busan: “Lao San, you are a bitch, why don’t you have any strength at all?”

After Ding Buer finished cursing, the aura on his body suddenly surged, and a visible energy traveled through Ding Buer’s body, finally converging on his right fist!

Ding Buer's fist began to be wrapped in a layer of faint white light, which was the energy emanating from the fist.

Then with a loud shout, Ding Buer also punched Chen Ping.

This time Ding Buer didn't have any fancy moves, but instead raised his power to the extreme!

boom!

After a loud noise like thunder, Ding Buer flew backwards instantly, his whole arm began to feel numb, and he began to tremble uncontrollably.

While looking at Chen Ping, he still remained motionless, not even swaying!

"It's too weak. With your strength, you should go back and practice more. Stop running around. You may lose your life easily..."

Chen Ping spoke slowly.

At this time, both Ding Buer and Ding Busan were angry, and even Ding Busi was so angry that he was ready to take action together.

Although Chen Ping's strength shocked them, a few of them were not afraid at all and were ready to fight!

However, he was stopped by Ding Buda, and then he frowned and asked Chen Ping: "Who are you? We are the four evil people in the Valley of Evil. We follow you without any grievance. I don't know why you are following us. ?"

Ding Bu didn't know that there were hidden dragons and crouching tigers in Kyoto's martial arts world. The strength of the man in front of him was unfathomable. He couldn't fight hard unless necessary!

Because they have more important things to do. The four of them are here to rescue Xiaoru. If there is a conflict here or time is wasted, the gain will outweigh the loss.

At this time, Chen Ping slowly took off the hat on his head, revealing a delicate face.

When the four villains saw Chen Ping, their eyes widened with incredulous expressions.

Then everyone became excited and knelt down in front of Chen Ping.

Chapter: 2320

“Palace Master, you...it turns out you are not dead...” Remember the website address

Ding Buda knelt in front of Chen Ping and cried bitterly.

They all thought Chen Ping was dead. After all, Chen Ping hadn't appeared for so long.

“Get up quickly...”

Chen Ping hurriedly helped the four villains up: “I won't die that easily. The person who killed me hasn't been born yet...”

“Palace Master, are you the one who destroyed those sect families during this period?”

Ding Busan thought of what had happened recently in Kyoto's martial arts world, so he asked Chen Ping.

Chen Ping did not hide it, but nodded and admitted.

This time the four villains were even more shocked. Being able to do this proved that Chen Ping's strength had improved a lot.

“What are you four doing in Kyoto?”

Chen Ping asked the four of them at this time.

The faces of the four people suddenly became embarrassed and awkward. After a moment of silence, Ding Buda said: "Palace Master, Miss Xiaoru was kidnapped by Long Xiao. The four of us are here to rescue Miss Xiaoru..."

"What?"

Chen Ping frowned, and the anger in his body suddenly rose.

"This damn Long Xiao..." Chen Ping gritted his teeth, his eyes slightly focused, filled with murderous intent.

Feeling the terrifying murderous intent on Chen Ping's body, the four villains couldn't help but be frightened!

After a while, Chen Ping's murderous aura slowly subsided, and then he asked: "You four go to the Long family to save people, aren't you asking for your own death? The four of you are not strong enough to deal with the entire Long family!"

You must know that the Long family is a well-established martial arts family in Kyoto's martial arts world. There are many masters in the Long family. Even the current Long Xiao may not be able to deal with the four evil people!

Going to the Long family to save people in this way is no different than committing suicide!

"Palace Master, now that Long Jingguo and Long Xiao of the Long family are gone, and some experts have also been transferred, it is a good time to save people..."

Ding Buda said.

Chen Ping looked puzzled and asked, "How did you know?"

"Mr. Long Wu called the Long family and said that he had an appointment with Long Jingguo. Now Long Jingguo has taken people there, so the four of us took the opportunity to rescue Miss Xiaoru..."

Ding Buda explained.
