

The Order 2321

Chapter: 2321

“Uncle Long?” Chen Ping was shocked!

You must know that Long Wu is an ordinary person now and has no strength at all. How can he deal with people like Long Jingguo?

From this point of view, Long Wu sacrificed himself to lure Long Jingguo out of the Long family and provide a chance to rescue Xiaoru!

After all, Long Jingguo hated Long Wu. Long Wu and Lao Longtou betrayed each other, which led to the following events. Long Jingguo had long wanted to kill Long Wu.

Now that Long Wu comes to the door automatically, Long Jingguo will definitely go.

“You guys go and stop Uncle Long now. I’ll go to Long’s house to save Xiaoru...”

After Chen Ping finished speaking, he disappeared in a flash. He knew that time was precious!

The four villains looked at each other in the direction where Chen Ping disappeared, not knowing whether to follow Chen Ping or stop Long Wu.

“Brother, what should I do?”

Ding Buer asked.

They were afraid that Chen Ping would go to Long’s house alone. If there was any danger, it would be troublesome.

But if they follow and Long Wu is in danger, Chen Ping will definitely not be able to spare them.

“Let’s go back and stop Mr. Long Wu first...”

After Ding Buda finished speaking, his figure quickly disappeared into the night.

.....

In the Long family, Long Jingguo took Long Xiao to see Long Wu, and there are only a few senior officials in charge of the Long family at the moment!

Because the men in black robes frequently killed people during this period, the Long family’s defense was very tight.

The two guards at the door were replaced by Wu Zong, and in the courtyard, there were more than a dozen Wu Hou waiting in formation!

In addition to some of these Wuhou being trained by the Long family, some of them were guests invited by Long Jingguo with huge sums of money during this period!

“You think that elusive man in black robe won’t come to our place, right?”

A guard in front of the Long family asked another companion with some fear.

“Definitely not. Don’t worry. Haven’t you noticed that those sects and aristocratic families that were wiped out have little strength? Our Long family is one of the best in Kyoto. He doesn’t dare to come...”

Another companion comforted him.

“That’s good. My eyelids have been twitching these past two days. Plus the head of the family and the young master have left, and I feel very flustered...”

Chapter: 2322

whispered the frightened guard.

“What a panic! There are more than a dozen Wuhou sitting in the courtyard now. Even if the man in black robe comes, he will definitely not survive. I have been in the Long family for more than 20 years, and I have never seen such a battle. Well, don’t worry...”

The companion patted the fearful guard on the shoulder.

But just as the words fell, a long figure under the street lamp came into view of the two of them.

The two guards looked tense, and then they saw a man wearing a black robe and a hat, whose face could not be seen clearly, walking towards the Long family step by step.

“The man in black robe...”

When the frightened guard saw this, his face turned pale with fright, and he turned around and wanted to run towards the yard.

But just as he turned around, he felt a huge suction force, and his whole body was instantly directed towards the man in black robes.

puff.....

A sharp sword penetrated the body of the guard. Before he could scream, the guard went to see the King of Hell.

When the other guard saw this, he knelt on the ground with a thud!

Although he looked unafraid just now, when he saw Chen Ping coming, he was so scared that he peed!

Chen Ping glanced at the guard, but did not kill him, but walked towards the yard.

As soon as Chen Ping walked into the courtyard, more than a dozen terrifying auras came from all directions, and then surrounded Chen Ping.

These dozen people are all in the realm of Wuhou, and the auras on their bodies are constantly rising.

Although there were more than a dozen of them, when facing Chen Ping, they could still hear the nervous breathing of these dozen people!

During this period, Chen Ping was well-known for his ruthless attacks, which made many people start to fear him!

At this moment, in a corner, Long Xingxu secretly observed Chen Ping. Although Chen Ping's face could not be seen clearly, Long Xingxu still felt that the person in front of him seemed familiar.

“Bold maniac, broke into my Long's house late at night, damn it...”

At this time, a senior member of the Long family stood up and reprimanded Chen Ping loudly.

When Chen Ping looked at the senior officials of the Long family in front of him and everything going on in the Long family, the anger in his heart had already reached its peak!

He knew that his mother should be somewhere in the Long family at this moment!

Uh-huh.....

Chen Ping didn't speak. The dragon-slaying sword in his hand burst out with a ray of light, like a meteor piercing the night sky.

Chapter: 2323

It was like a bolt of lightning, flashing by!

The sharp sword light flashed across the neck of the senior member of the Long family. In just a moment, the head of the senior member of the Long family was thrown high and then rolled to the side!

Blood spurted out, and his body paused for a moment before falling heavily.

At this moment, the eyes of the other Long family members showed horror, and the smell of blood filled the air, making the atmosphere at the scene become terrifying.

A Wuhou didn't even have a chance to fight back in front of this black-robed man.

Panic began to spread in the hearts of every Long family member. At this moment, they believed that the rumors must be true. The man in black robes in front of them must be the big devil Fan Jiang who has disappeared for more than 20 years.

Some people began to tremble, and the hands holding the weapons were already a little unruly. Even though there were more than ten of them now, Fan Jiang's reputation as the big devil still made them frightened!

Chen Ping glanced at the Wu Hous of the Long family coldly, and then said in a cold voice: "If you don't want to die, get out of here..."

Chen Ping's words made the dozen or so Wuhou from the Long family look at each other. They didn't understand what Chen Ping meant. Wasn't he here to destroy the Long family?

Why let them leave? You must know that all the other sects and aristocratic families were wiped out, and not even a dog was left.

Seeing that these people were motionless, Chen Ping spoke again: "Get out of here before I change my mind..."

Chen Ping's rolling sound was like a thunderclap in his ears.

More than a dozen Wuhou from the Long family were all awakened at this moment, and then some people started to jump up and leave the Long family directly!

One person moved, and others began to leave one after another, but Chen Jing stood still and did not move.

In a moment, more than a dozen Wuhou from the Long family left completely. Except for a headless corpse on the ground, no one could be seen anymore.

Those servants of the Long family didn't know where they were hiding.

Chen Ping hurriedly sent out his spiritual consciousness to find where Xiaoru was being held, and at the same time he also wanted to see where his mother was.

Although he has never seen his mother's face, Chen Ping knows that as mother and son, they can definitely recognize each other as long as they can feel each other!

At the moment when Chen Ping's consciousness emitted, he suddenly looked towards the corner with sharp and cold eyes!

"come out....."

Chen Ping shouted towards the corner.

Soon, Long Xingxu walked out of the corner, but there was no trace of fear on his face!

Chen Ping couldn't help but feel a little surprised when he saw Long Xingxu coming out. After all, the two of them had met when they first went to Dragon Lock Island!

But it's been several months, and Long Xingxu's strength doesn't seem to have changed much.

Chapter: 2324

At this moment, Long Xingxu was like an ant in front of Chen Ping. Chen Ping could kill him with just a wave of his hand.

"Aren't you afraid of me?"

Chen Ping couldn't help but feel curious when he saw that Long Xingxu showed no fear when facing him.

After all, those Wu Hous were so frightened that they ran away when they saw him, but Long Xingxu dared to face him.

Long Xingxu shook his head: "I know you are looking for someone, but I know where the person you are looking for is..."

After hearing this, Chen Ping frowned and said, "Do you know who I am?"

Long Xingxu smiled: "I didn't know just now, but now I know..."

"Since you know where the person I'm looking for is, then take me there..."

Chen Ping said coldly to Long Xingxu: "I hope you won't play tricks, otherwise you will know the end."

"Don't worry, you won't kill me, because if you kill me, no one except the Long family father and son will know where the person you are looking for is being held."

After Long Xingxu finished speaking, he walked straight towards the backyard.

Chen Ping followed all the way to a very ordinary room. Then Long Xingxu gently pressed the button, and suddenly a stone door appeared in front of him!

The moment Shimen appeared, Chen Ping sensed the power of the formation wave.

“A formation has been set up here?”

Chen Ping said in surprise.

Even if he was just close at hand, if he didn't activate the mechanism, Chen Ping would not be able to sense the fluctuations in the power of the formation here. However, when the stone gate appeared, Chen Ping immediately sensed it.

It can be seen that this formation is very advanced. Even with Chen Ping's current strength, he is unable to set up such an advanced formation.

“This is the Long family dungeon. Of course there will be a formation. Your mother is inside, but you have to be able to open the stone door...”

Long Xingxu said lightly.

When Chen Ping heard the word mother, his body trembled slightly, and then he looked at Long Xingxu with sharp eyes, and stretched out his hand to grab Long Xingxu's neck.

“How do you know so many things?”

Chen Ping was a little surprised. Long Xingxu's strength should not be reused in the Long family, but why did he know such a secret.

And it seems that only the Long family and his son know this secret now. Remember URL

Long Xingxu's neck was stuck by Chen Ping. He had difficulty breathing and his face turned red: "You are holding me like this, what should I say..."

Chapter: 2325

Chen Ping saw that Long Xingxu was suffocating himself to death, so he let go of his hand and looked at Long Xingxu warily.

Because Long Xingxu's performance is completely inconsistent with his current strength!

"Although my strength is not high, I can still be considered as a branch of the Long family, and I also have the blood of the Long family. Even if I knew this, there would be no surprise."

Long Xingxu explained.

"Then why are you helping me? There's no fraud involved, right?"

Chen Ping asked cautiously.

Since Long Xingxu is a member of the Long family, why should he help him?

"When I help you, I am helping myself. Now that the Long family is exhausted, I know that sooner or later you will kill the Long family father and son. By then I will hopefully be able to take the position of the head of the Long family!"

"And now that I've helped you, you won't retaliate for kindness, right? What's more, we both have the same blood. I'm not as ruthless as Long Jingguo. I want to kill all my own sisters and nephews..."

When Long Xingxu said these words, he seemed a little indignant.

Chen Ping stared at Long Xingxu. He wanted to see through this guy's mind and see if he was telling the truth!

Unfortunately, Chen Ping couldn't tell anything from Long Xingxu's face.

But now, regardless of whether what Long Xingxu said was true or not, Chen Ping planned to make a breakthrough and rescue his mother.

Chen Ping took a sharp breath, his hand began to flash with golden light, and then he slapped the stone door with his palm!

boom.....

A flash of light flashed, and Chen Ping was blown away by a huge force.

Chen Ping looked at the Shimen in front of him in surprise. He did not expect that this formation was so powerful.

"This formation was set up by the ancestors of the Long family hundreds of years ago. It cannot be opened so easily."

"Now in the entire Long Family, only the head of the family can open it. Every time I enter, I have to choose to report to the head of the family..."

Long Xingxu said to Chen Ping.

Chen Ping did not speak, but stretched out his hand to sacrifice the Dragon-Slaying Sword, and then walked to Shimen again.

Taking a deep breath, the power of the divine dragon was injected into the Dragon Slaying Sword!

Buzz.....

With the injection of Chen Ping's spiritual power, the Dragon-Slaying Sword also burst out with bright light. The entire sword body was shaking and seemed to be very excited!

Chapter: 2326

"break....."

Chen Ping shouted loudly and slashed out with the dragon-slaying sword in his hand.

clang!

The huge sound was deafening, and the terrifying backlash made Chen Ping take a few steps back again, while Long Xingxu on the side was directly knocked out by the terrifying aftermath and hit the wall hard.

Chen Ping frowned and looked at the stone gate in front of him. Not even a trace was left behind. The power of this formation exceeded Chen Ping's imagination. It seemed that it was impossible to break through this formation!

At this time, Long Ruotong, who was in the dungeon, seemed to sense something, excitement flashed in his eyes, and then he stared in the direction of the entrance of the dungeon.

"Child, is it you? Is it you?"

Long Ruotong called softly.

Although the dungeon was sealed by the formation, it was impossible for the sound inside the dungeon to come out, but Chen Ping outside seemed to feel something and suddenly froze on the spot!

He seemed to hear his mother's call.

"Mother... mother..."

Chen Ping roared twice, and then the center of his eyebrows glowed with golden light, and all his spiritual consciousness was emitted by Chen Ping. Since he couldn't break the stone door, Chen Ping wanted his spiritual consciousness to go in and take a look at his mother.

It's a pity that his spiritual consciousness can't penetrate the stone door at all. Chen Ping can't see anything except a faint breath.

But this faint breath, he was sure, was his mother's breath.

"ah....."

Chen Ping suddenly roared like crazy.

Immediately afterwards, the spiritual power in the body was boiling, and the dragon-slaying sword in Chen Ping's hand was also buzzing!

"Mother, mother....."

The dragon-slaying sword in Chen Ping's hand slashed hard at the stone gate!

Lines of sword light continued to emit from the dragon-slaying sword, and the raging aura made Long Xingxu escape long ago. If he had stayed there, his body would have been torn to pieces.

Chen Ping didn't know how many swords he struck, until he was sweating profusely and his spiritual energy was exhausted, Chen Ping sat down on the ground!

At this moment, the surrounding houses had already collapsed. Chen Ping collapsed on the ground, looking at the stone door in front of him, and roared in collapse.

"Mother, mother....."

Chen Ping's roar was filled with unwillingness.

Chapter: 2327

This is the closest he has ever been to his mother. His mother is right in front of him, but there is nothing he can do.

This sense of frustration made Chen Ping very uncomfortable!

If Chen Ping gives himself time and searches for the formation's eyes little by little, it is not impossible to break the formation. Unfortunately, Chen Ping has no time to waste here.

He wanted to rescue Xiaoru, and he also wanted to rescue Long Wu. If Long Wu died for this, Chen Ping would probably feel uneasy for the rest of his life!

"Mother, I swear, I will definitely rescue you..."

Chen Ping kowtowed three times towards Shimen!

Long Ruotong in the dungeon also sensed something, and burst into tears. He kept shouting: "My child, my child, mother believes in you..."

Chen Ping stood up slowly and could only turn his head helplessly. He wanted to save Xiaoru.

Chen Ping was full of reluctance, but he had no choice but to look back at the stone door in front of him in three steps, then gritted his teeth and walked away!

At this time, Long Xingxu had already hid far away. Chen Ping's crazy burst of strength was like a flash flood, crushing everything!

"Where is Xiaoru being held?"

Chen Ping asked Long Xingxu.

“Xiaoru?” Long Xingxu looked confused. He didn’t know at all.

Long Xiao captured Xiaoru and then locked her up. Long Xingxu didn’t know about it at all.

This is why from the beginning, he took Chen Ping to find Long Ruotong instead of Xiaoru.

He thought Chen Ping broke into Long’s house just to save his mother.

Chen Ping saw that Long Xingxu really didn’t know, so he sent out his spiritual consciousness, trying to capture Xiaoru’s aura.

It’s a pity that Chen Ping’s consciousness covers the entire Long family, but there is no trace of Xiaoru!

“Didn’t Long Xiao lock Xiaoru in the Long family?”

Chen Ping couldn’t help but frown.

There is no trace of Xiaoru in the Long family at all, so it seems that Long Xiao may have locked Xiaoru somewhere else.

Now Chen Ping can only rush back to Medicine God Valley, stop Long Wu, and then make plans!

During this trip to the Long family, Xiaoru could not be rescued, and his mother was not rescued either. This made Chen Ping feel a little frustrated!

However, he still rushed towards Medicine God Valley as quickly as possible, hoping to stop Long Wu.

Chapter: 2328

“Long Wu, I didn’t expect that after so many years, you still dare to see me...”

On a hilltop not far from Medicine God Valley, Long Jingguo looked at Long Wu with angry eyes and asked.

“Why don’t I dare to see you?”

Long Wu smiled coldly, facing Long Jingguo and his son, Long Wu showed no sign of cowardice.

“You traitor to the Long family, if it hadn’t been for our Long family, you would have been exposed in the wilderness...”

Long Jingguo yelled.

“The eldest lady saved me, what does it have to do with your Long family?” Long Wu’s face turned cold: “You are an inhumane guy who killed your own father and imprisoned your own sister for more than 20 years. Aren’t you afraid of being punished by God?”

“God’s punishment? I never believe in this. Since you are here to die today, I will give you a ride...”

Long Jingguo didn’t want to follow Long Wu’s nonsense. He raised his palm and sent a sharp wind towards Long Wu.

Long Wu did not dodge, but closed his eyes slightly, waiting for the dead general!

He is just an ordinary person now, with no ability to resist at all.

He came this time with the determination to die. He only hoped that the four evil men could rescue Xiaoru safely, then his death would be worth it.

But just when the strong wind arrived in front of Long Wu, four figures suddenly stopped in front of Long Wu. They were the four evil men who came over.

A faint light emitted from the hands of the four people, and the light spread in front of them to form a barrier, blocking Long Jingguo's strong wind!

"Four evil villains?"

When Long Jingguo saw the four evil men suddenly appearing, he couldn't help but frown.

When Long Wu saw the four villains coming back so soon, his face couldn't help but show concern.

"Four brothers, have you ever rescued Xiaoru?"

Long Wu asked nervously.

"Don't worry, someone is going to save Miss Xiaoru. The four of us are here to protect you."

Ding Buda said to Long Wu.

"Brother, you four are no match for Long Jingguo and his son. Instead of losing your lives, it would be better for me to die alone..."

Long Wu doesn't want the four villains to be in danger with him!

"It is our mission to protect you. Unless the four of us are dead, we will not leave!"

Chapter: 2329

Ding Buda had a firm look on his face, and then said to Ding Busi: "Fourth, you protect Mr. Long Wu and we will catch up later..."

Ding Busi nodded, pulling Long Wu to leave, but Long Wu's face turned into an indescribable feeling!

They used to be five brothers, but now, the four villains treat him with respect, without the brotherly love they had before!

"Brother, take care of yourself..."

Long Wu knew that he was just an ordinary person now, and even if he stayed, he would only be a burden.

But just when Ding Busi and Long Wu were about to turn around and leave, they felt a dark wind blowing by, and then Long Xiao blocked their way.

"Now that I'm here, I can't leave. It's better to save my life..."

Long Xiao raised the corners of his mouth slightly and said with contempt.

"Fourth, you go..."

Ding Bu shouted loudly, and then punched Long Xiao!

Ding Buda exploded with all his strength, and with this punch, waves began to appear in the air. A white gas visible to the naked eye made a sound of breaking through the air and headed towards Long Xiao!

When Ding BuDa took action against Long Xiao, Ding BuEr and Ding BuSan also took action against Long Jingguo at the same time.

They wanted to entangle the two of them at the same time to give Long Wu a chance to escape.

Faced with Ding Buda's punch, Long Xiao let out a cold snort. He waved his hand casually, and his hand was wrapped in black mist, which instantly swallowed up the white energy.

In an instant, the energy that Ding Buda hit disappeared, and the black mist instantly penetrated Ding Buda's body and directly knocked Ding Buda away.

When Long Wu saw this, he hurried over and helped Ding Buda up: "Brother, are you okay?"

"Boy, I will fight with you..."

When Ding Busi saw this, a sharp blade flashing with cold light suddenly appeared in his hand. There were gaps on the blade, exuding cold air!

Ding Busi was extremely fast, like a bolt of lightning, he was in front of Long Xiao in an instant.

The sharp blade exuding cold air stabbed directly towards Long Xiao's chest!

clang!

After a loud noise, Ding Busi's sharp blade stabbed Long Xiao directly in the chest. However, the blade broke, but it did not hurt Long Xiao at all.

"Hahaha, a bunch of clowns..."

Long Xiao laughed loudly, and then slapped Ding Busi away with a palm.

Chapter: 2330

Ding Buda and Ding Busi stared at Long Xiao with disbelief in their eyes.

They didn't expect that Long Xiao's strength would grow so fast. In a short period of time, neither of them was a match for Long Xiao. Remember URL

At this moment, Ding Buer and Ding Busan were fighting with Long Jingguo. Long Jingguo's strength was now inferior to Long Xiao.

Following Ding Buer and Ding Busan, they were fighting, but they were not at a disadvantage.

"Father, I'll do it..."

When Long Xiao saw this, he was in front of Long Jingguo in a flash.

Then both palms were swatted, and Ding Buer and Ding Busan were also swatted away.

Long Jingguo was very happy when he saw Long Xiao's strength at this time.

"Xiao'er, you are getting stronger and stronger. I will count on you to prosper my Long family from now on..."

Long Jingguo praised happily.

Long Xiao did not speak, but looked at the four evil men who fell to the ground, with a sneer on his lips: "The four Wu Hous are really a gift of resources. They have absorbed the strength of the four of you. Maybe my strength can be even higher." layer....."

The reason why Long Xiao didn't kill the four evil men with any heavy blows was because he wanted to absorb their strength.

"Long Xiao, it's me you want to kill, let them go, I'll let you do whatever you want..."

Long Wu stood in front of the four evil men and said to Long Xiao.

“Hahaha...are you kidding me? What qualifications do you have to talk to me?”

“Even if I don’t let them go, will you still be alive?”

“Don’t worry, five of you are going to die, and none of you will survive. You are a useless person, and you still want to talk to me?”

Long Xiao laughed with ridicule on his face.

Long Wu’s expression was extremely ugly. Long Xiao was right. What qualifications did he have to talk now?

Just as Long Xiao was slowly walking towards the four evil men, a sudden sound of footsteps made him stop.

Then I saw seven or eight people rushing here in a hurry, and everyone exuded the aura of Wuhou!

Long Xiao frowned, wondering why so many Wuhou suddenly appeared here.

Could it be someone from Medicine God Valley?

Just when Long Xiao was surprised, those people were already in front of him, and only then did Long Xiao see clearly that they were all from the Long family.
