

The Order 2331

Chapter: 2331

When Long Jingguo saw these masters of the Long family coming here, he couldn't help but frowned: "What are you doing here? Aren't you asked to guard them at home?"

"Master, it's not good, it's not good..."

A master of the Long family gasped and said: "Then...the man in black robe killed the Long family..."

"What?" Long Jingguo was shocked: "Then why did you run out? Why didn't you stop him?"

"Master, that man in black robe is so powerful. He killed Elder Qi with just one sword. We...we are no match at all..."

Then the master of the Long family explained with trembling body.

"Damn it, he dared to kill our Long family, we must not let him escape easily..."

Long Jingguo's eyes were full of anger. The Long family was considered a prestigious family in Kyoto. If this was killed randomly by the men in black robes and word spread, the Long family would be disgraced.

"Father, let's go back..."

After hearing this, Long Xiao also wanted to meet the man in black robe and see if he was actually Fan Jiang.

"You guys, take them away together, we will rush back quickly..."

Long Xiao pointed at Long Wu and the four evil men, and then said to the masters of the Long family.

Soon, Long Wu and the four evil men were controlled, and then they took them to Long's house.

But not far away, he was stopped by a figure.

Long Xiao's eyes narrowed, with a solemn look on his face!

As for the masters of the Long family, their expressions changed drastically after seeing the figure in front of them.

The figure in front of him, wearing a black robe and hat, was the man in black robe who broke into Long's house.

"It was him, he was the one who broke into the Long family..."

At this time, a master from the Long family pointed at Chen Ping and shouted.

Long Jingguo's expression became nervous. If the person in front of him was really Fan Jiang, there would be some trouble.

"This friend, can you tell me your name and why you are blocking our way?"

Long Jingguo took a step forward and said to Chen Ping very politely.

Chen Ping looked at the Long family father and son in front of him, the anger in his eyes burning, and murderous intent rising.

"Let them go..."

Chapter: 2332

Chen Ping, talking to Long Wu and the four evil men, said coldly to Long Jingguo.

Long Jingguo was stunned and didn't understand what Chen Ping meant, so he asked: "Friend, these are the enemies of my Long family. Do you have anything to do with them?"

This time, Chen Ping was not talking, but his figure suddenly flashed, and he saw a figure quickly shuttle, and in an instant he was in front of Long Wu and the others.

The two masters of the Long family who had been guarding Long Wu and the four villains felt a chill on their necks, and then their heads were thrown up high. The moment their heads were cut off, they could even see themselves. The body is moving!

This sudden change made Long Jingguo and Long Xiao stunned on the spot, and Long Wu also looked at the man in black robe in front of him in disbelief.

The two masters of the Long family whose heads were beheaded were Wuhou. Although they were just newly promoted Wuhou, they were still Wuhou. They were killed with one sword, and their heads were cut off at the same time!

The four evil men knew that the person in front of them was Chen Ping, and the strength Chen Ping showed now also shocked the four evil men!

"court death....."

When Long Xiao saw that the other party couldn't help but kill two masters of the Long family with one move, he was furious and wanted to attack Chen Ping.

However, he was stopped by Long Jingguo. After winking at Long Xiao, Long Jingguo suppressed the anger in his heart and took a step forward: "My friend, who are you? Follow the Long family. What grudges are there? Why did you kill the two masters of my Long family as soon as you took action?"

Long Jingguo didn't know the identity of the other party, so he could only hold back and not take action easily.

Chen Ping slowly turned around and looked at Long Jingguo coldly: "The hatred between the Long family and I is irreconcilable..."

With that said, Chen Ping slowly took off his hat!

"Chen Ping..."

"Chen Ping..."

After seeing that the man in black robe turned out to be Chen Ping, Long Xiao and Long Jingguo were both shocked and shouted at the same time.

They never thought that the man in black robes who caused uproar in Kyoto's martial arts world and wiped out more than a dozen sect families turned out to be Chen Ping.

Shouldn't he be dead long ago?

Why are you still alive?

Didn't he die in Paradise City?

Many questions kept popping up in the minds of the Long family father and son.

After Long Wu saw that Chen Ping was still alive, tears of excitement flowed out of his eyes.

"Chen Ping, you... you are still alive, that's great, that's great..."

Long Wu stepped forward and hugged Chen Ping tightly.

Chapter: 2333

“Uncle Long, I am alive and well...”

Chen Ping was moved in his heart and comforted Long Wu!

“Chen Ping...”

After a moment, Long Xiao roared angrily, his eyes almost bursting with fire.

He clenched his fists tightly, and the energy in his body burst out wildly.

Chen Ping is still alive, which makes Long Xiao almost crazy.

The energy in Long Xiao’s body was as strong as a knife, heading towards Chen Ping.

Chen Ping was very indifferent, and with a wave of his hand, Long Xiao’s energy was relieved.

Long Xiao frowned. This first test made Long Xiao know that Chen Ping’s strength had actually improved a lot during this period.

“Mr. Chen, has Miss Xiaoru been rescued?”

Ding Buda asked Chen Ping.

Chen Ping shook his head: “Xiaoru was not imprisoned in the Long family...”

“Chen Ping, have you gone to Long’s house?” Long Wu looked excited: “Then the eldest lady...”

Since Chen Ping went to the Long family, he could rescue Long Ruotong together.

Hearing Long Wu mention his mother, Chen Ping looked remorseful: “The Long family dungeon is protected by a formation, but I couldn’t break it...”

Seeing Chen Ping’s behavior, Long Wu quickly comforted him: “As long as you are alive, there is always a chance to rescue the eldest lady...”

“Chen Ping, now that the matter is over, I think we should let it go. Let me tell you, you will never have a chance to rescue your mother...”

“But now if you kowtow to me and call me uncle a few times, I can show my kindness and let you mother and son meet!”

Long Jingguo said with a sneer.

Upon hearing this, Chen Ping’s face suddenly became extremely cold.

A murderous aura erupted from Chen Ping’s body, and the endless pressure made the masters of the Long family tremble, and some even couldn’t bear it and fell to their knees!

“You are worthy of being my uncle. I want all the Long family to disappear...”

Chen Ping’s voice was so cold that it made people shiver all over.

Long Jingguo felt the aura on Chen Ping’s body and was so shocked that he couldn’t even open his mouth.

Chapter: 2334

Long Xiao, on the other hand, frowned and stared at Chen Ping!

“What a strong aura. It seems that during this period of time, this guy’s strength has grown as fast as you...”

The soul in Long Xiao’s body said.

When Long Xiao heard this, he became even more angry. Originally, he thought that he was the only one among ten thousand, but now that Chen Ping was not dead, he showed up again, and his strength also increased a lot, and he suddenly defeated Long Xiao. Xiao’s mentality of comparison was aroused.

“Chen Ping, you are too crazy. Don’t think that only your strength is growing, and more than a dozen of us are enough to kill you...”

After the shock, Long Jingguo spoke.

“A dozen people?”

After Chen Ping finished speaking, his eyes glanced at the Long family masters: “I’ll give you one more chance, get out now, I can spare your lives...”

Feeling Chen Ping’s sharp eyes, these people didn’t dare to raise their heads. But this time, they didn’t dare to run. After all, Long Jingguo was here. If they ran, it would be betrayal!

“Since you don’t want to leave, then go die...”

After Chen Ping finished speaking, golden light suddenly erupted from his body, and then he took a step forward, and the terrifying pressure suddenly increased a lot.

All the masters of the Long family fell to their knees on the spot, blood gushing from their mouths!

Seeing this scene, both Long Wu and the four villains were all shocked.

You must know that these are all Wuhou masters, and they can't even resist the coercion emanating from Chen Ping.

What kind of strength does Chen Ping have now?

"Do you think I don't exist?"

Long Xiao snorted coldly, exuding a black and golden aura, and began to resist the pressure from Chen Ping!

Long Xiao, who was already a fifth-grade Wuhou, had already made a qualitative leap in the aura erupting from his body.

For Wuhou, the improvement of each grade is completely different.

Chen Ping's eyes narrowed, and then he waved his palm in the air. In an instant, a huge golden hand pressed down hard on Long Xiao and the others.

"Immortal space..."

Long Xiao suddenly roared, raised his palm, and a black air instantly covered the sky above them, forming a unique space!

After the space was formed, the Long family masters suddenly felt relaxed and stood up from the ground.

"Let's work hard together..."

Chapter: 2335

Long Jingguo ordered to those Long family masters.

Soon, strands of Qi Jin, with a faint white light, emanated from everyone. More than a dozen Qi Jin gathered together, following Long Xiao to resist Chen Ping's pressure!

"An ant regrets an elephant, but a pearl of rice dares to compete with the sun and the moon?"

Chen Ping snorted coldly, with an extremely domineering tone in his tone.

I saw that golden palm, with unparalleled talent, instantly smashed the barrier that Long Xiao had gathered, and then slapped it down hard.

boom!

The ground shook, the world shook, and the dozen masters of the Long family were instantly shot to death on the spot. The death was horrific! Remember URL

Even Long Jingguo's face looked ugly at this moment, and his energy and blood kept rising!

Long Xiao had a gloomy face, unable to imagine that Chen Ping's strength had become so terrifying!

Long Wu and the four villains also took a breath of air, not expecting Chen Ping to be so domineering.

"Chen Ping, if you have the ability to fight with me and kill some servants, do you feel a sense of accomplishment?"

Long Xiao said coldly to Chen Ping.

"I gave them a chance, but it's a pity that they don't know how to cherish it, so they will have no choice but to die!"

Chen Ping sneered: "I can give you a chance now and let the girl you captured go free, and I can also spare your life..."

“impossible.....”

Long Xiao shouted loudly, his face became more and more gloomy, the anger on his body was rising rapidly, and then the black and gold color on his body continued to expand.

Long Xiao’s figure continued to grow, and in the endless night sky, it seemed that countless dark substances were constantly gathering towards Long Xiao’s body.

“go to hell.....”

Long Xiao shouted, and then punched Chen Ping!

Long Xiao was extremely fast, and because his whole body was wrapped in black mist, he seemed to be invisible in the darkness.

Chen Ping only felt a strong wind coming, followed by a black mark, hitting Chen Ping hard on the chest!

boom!

This punch caused the void to explode and the world to shake. The power of a fifth-grade Wuhou was unimaginable.

Even a simple punch must be powerful enough to blow up a mountain!

Chapter: 2336

“Chen Ping...”

“Mr. Chen...”

When Long Wu and the four villains saw Chen Ping being hit by a punch, they couldn't help but make a sound of worry.

But at this moment, a golden light flashed, followed immediately by a palm shining with golden light, which slapped Long Xiao hard on the face!

Snapped!

The crisp sound even spread for more than ten miles!

Long Xiao's body was whipped out and he fell heavily to the ground, while Chen Ping remained motionless with no expression on his face.

Long Xiao's mouth was full of blood, and he got up from the ground. In addition to anger, there was also a trace of fear in his eyes!

The burning pain on his face made Long Xiao afraid to attack for a while.

"If you are afraid, then I will take action first..."

Chen Ping said calmly.

As soon as he finished speaking, Chen Ping's figure suddenly disappeared, and he saw only a golden stream of light streaking across the night sky, heading straight for Long Xiao.

When Long Xiao saw this, his body was immediately covered by black mist. The layers of black mist began to solidify, like a piece of armor, wrapping Long Xiao's body tightly.

"It seems that I have to come forward, otherwise it will be difficult for you to survive today..."

The soul in Long Xiao's body spoke.

Chen Ping's strength is already superior to Long Xiao's. If the fight continues, Long Xiao will die in Chen Ping's hands sooner or later.

Long Xiao's eyes rolled up, and then the aura on his body suddenly changed!

The black mist that surrounded Long Xiao instantly became thick again, and the armor wrapped around Long Xiao flashed with black-gold light!

boom.....

Chen Ping and Long Xiao collided hard.

You must know that Chen Ping's current body has been tempered to a certain extent and is extremely hard. With the blessing of an indestructible golden body, not many people dare to follow Chen Ping into a head-on confrontation!

But this time, Long Xiao and Chen Ping collided with each other. A huge gust of wind roared up, and the surrounding rocks and trees were instantly blown away without a trace.

Seeing this, the four villains hurriedly protected Long Wu, trying their best to resist the aftermath!

The avenue roared and the stars shook...

Chapter: 2337

Chen Ping felt the change in Long Xiao's aura and knew that the soul was now controlling Long Xiao's body, but Chen Ping was not afraid at all.

The blood in his body was boiling. Chen Ping regarded Long Xiao as an alchemy stone. Every time he made a move, it was a training for himself!

In the blink of an eye, the two people had passed nearly a hundred moves!

Long Xiao's body began to show signs of decadence, but Chen Ping had a relaxed look on his face, as if he was willing to let Long Xiao go through the trial with him!

"ah....."

With a hysterical cry and an eerie aura, the black light on Long Xiao's body became brighter, and his aura instantly improved a lot.

An imperceptible smile appeared on Chen Ping's lips. He wanted to bring out Long Xiao's greatest potential and see how much the soul in this kid's body weighed!

At this moment, the place where the two fought was already in a mess, and the entire space began to become distorted and deformed. Long Wu and the four evil men were suppressed to death and were already lying on the ground!

And Long Jingguo was not much better. He was seen kneeling on one knee, gritting his teeth to resist the remaining power emanating from him.

Rumble.....

The mountain range actually began to collapse during the battle between the two people. Bottomless ravines cut across the entire mountain and extended directly towards the Medicine God Valley.

The terrifying aura continues to spread to the surroundings, like waves, without stopping...

At this time, Xu Changsheng and Zhao Ligu, who were in Medicine God Valley, felt this terrifying aura.

"What's going on? Why is there such a terrifying aura coming from it?"

Xu Changsheng's expression condensed.

Xu Changsheng was treating Zhao Chuang. The sudden shock and the terrifying aura forced him to stop.

"I'll take someone to see..."

After Zhao Liguó finished speaking, he turned around and ran out.

Many people in Medicine God Valley had already arrived outside the house and were stopping to watch.

I saw a place dozens of miles away from the Medicine God Valley, with a golden light and a deafening explosion, as if the end of the world was coming!

Zhao Liguó hurriedly took some people and rushed towards that place, while Gu Ling'er also rushed out and followed Zhao Liguó.

At this time, Chen Ping and Long Xiao were still fighting, and both of them seemed to have reached their limit!

"go to hell....."

Long Xiao became more and more anxious as he fought, wanting to resolve the battle as soon as possible!

Chapter: 2338

So he roared, found the right moment, and punched Chen Ping in the body!

Chen Ping's body flew out instantly, but it did not fall to the ground, but stopped steadily in mid-air!

Long Xiao gasped for air, his forehead covered with cold sweat!

On the other hand, Chen Ping's face remained calm, as if he had not changed much!

"Even if you are possessed by a soul, you are still no match for me. It seems that your title of being the most talented person in Kyoto is self-proclaimed, right?"

Chen Ping looked at Long Xiao with mockery in his eyes!

"Ah...kill him, kill him for me..."

Long Xiao roared, he was talking loudly to the soul!

"Boy, you are the most talented person I have ever seen. It's a pity that you are arrogant because of your talent. I will kill you today and turn your body into a corpse cultivator..."

Waves of deep and hoarse sounds came out of Long Xiao's throat, which sounded so terrifying that it gave people goosebumps all over their bodies.

This is the first time that the soul has made a sound with the help of Long Xiao's body.

"You are just a soul. You don't even have a body, yet you dare to say such big words. Today I will let you taste what it means to have no escape..."

After Chen Ping finished speaking, the aura on his body began to rise again. It turned out that after fighting for a long time, Chen Ping did not use his full strength.

I saw Chen Ping chanting the Heart-Cleaning Mantra, and the golden light on his body became even more dazzling!

Chen Ping was like a little sun at this time, lighting up the entire dark night.

The golden light shines for miles, and the entire mountain is clearly visible in the dark night!

“ah.....”

Being illuminated by this golden light, Long Xiao let out a scream!

As for Chen Ping, his aura keeps rising, as if there is no end!

Long Xiao's face became extremely ugly, and the fear in his heart began to spread!

Under the illumination of this golden light, the soul instantly broke away from the control of Long Xiao's body, and at this moment, Long Xiao regained control of his body.

But feeling Chen Ping's terrifying aura, Long Xiao was afraid. This time he was really afraid, and there was a panic in his heart!

At this time, Long Xiao's confidence had been shattered by Chen Ping!

He suddenly found that the gap between him and Chen Ping seemed insurmountable, and Chen Ping was like an unknown world. Everyone wanted to understand Chen Ping, but no one could see through Chen Ping.

Chapter: 2339

Chen Ping was declared dead again and again, and came back to life again and again.

And no one knows what level Chen Ping's strength is. Every time Chen Ping appears, it will bring new knowledge to others...

“Run away, what are you still hesitating about? Do you want to die here?”

The soul in Long Xiao's body urged Long Xiao loudly.

Long Xiao was startled, then glanced at Long Jingguo not far away, gritted his teeth for the last time, and jumped back suddenly!

He doesn't care about Long Jingguo anymore now, only one of them can escape!

"Are you trying to escape?"

Chen Ping said coldly.

As soon as the words fell, Chen Ping's figure disappeared instantly!

Long Xiao only felt a strong wind coming from behind him, and then turned around to see Chen Ping already in front of him.

Because Chen Ping was so fast, Long Xiao didn't even see how Chen Ping caught up, as if he appeared out of thin air!

boom!

The big golden hand slapped Long Xiao. Long Xiao wanted to avoid it, but it was too late!

This palm hit Long Xiao's back directly, instantly shattering the condensed armor on Long Xiao's body!

Long Xiao immediately came to chew the shit and fell to the ground. In that embarrassed look, he looked like the young master of the Long family!

"Xiao'er..."

When Long Jingguo saw this, he jumped up and ran straight towards Chen Ping.

Even though Long Xiao wanted to escape alone, but now that there was danger, Long Jingguo could not just watch his son being killed.

As a veteran Wuhou, Long Jingguo unleashed his aura to the extreme!

But when Long Jingguo arrived in front of Chen Ping, Chen Ping didn't even look back, or even look at Long Jingguo. He stretched out his hand and locked Long Jingguo's neck with his five fingers!

The aura on Long Jingguo's body disappeared instantly, and the severe suffocation made Long Jingguo's mouth widen and his face turned red!

Holding his uncle in his hand, Chen Ping didn't have a trace of pity in his heart, but only endless anger.

Thinking of his mother who had been imprisoned for more than 20 years, Chen Ping wished he could slap Long Jingguo to death with one palm!

But Chen Ping can't kill him yet, he wants Long Jingguo to release his mother.

Chapter: 2340

"Chen Ping, you...if you dare to kill me, you will never see your mother..."

Long Jingguo opened his mouth and said.

Hearing Long Jingguo's words, Chen Ping was filled with anger and slapped Long Jingguo's face hard.

Long Jingguo, the dignified head of the Long family and veteran Wuhou, was now unable to fight back in Chen Ping's hands.

"If I kill you, I can still save my mother..."

Chen Ping stared at Long Jingguo, and the strength in his hands increased a bit!

Long Jingguo felt as if his neck was about to be crushed by Chen Ping.

At this time, Long Xiao didn't know what he was saying, but Long Xiao's body was slowly wrapped in black mist and slowly disappeared!

However, Chen Ping's attention has been attracted by Long Jingguo, and he did not notice the disappearance of Long Xiao!

"Chen Ping, let my father go, or I will let your little girl die with your mother..."

At this time, Long Xiao's voice came from all directions, as if coming from the void!

Chen Ping looked suddenly and realized that Long Xiao had disappeared at some point.

"If you dare to hurt Xiaoru and my mother, I will make your father's life worse than death..."

After Chen Ping finished speaking, he punched Long Jingguo in the face so hard that all the teeth in Long Jingguo's mouth were knocked out. Remember URL

"In this case, then you will never want to see your mother and that little girl again..."

Long Xiao's voice became farther and farther away, as if coming from the horizon!

Seeing that Long Xiao was really about to leave, Chen Ping immediately shouted: "Wait a minute..."

It was impossible for Chen Ping to watch Xiaoru and his mother put themselves in danger.

“What? Are you afraid? Since you are afraid, then let my father go...”

Long Xiao said with a cold snort.

“We can exchange. As long as you let Xiaoru and my mother go, I will let your father go...”

Chen Ping simply couldn't trust Long Xiao as a person, so it was impossible to let Long Jingguo go first.

“Are you kidding? You want to exchange one person for two people. It's impossible.”

Long Xiao snorted coldly: “You let my father go, and I'll let that little girl go. You only have this choice, or don't let anyone go.”
