

The Order 2341

Chapter: 2341

Long Xiao's tone didn't seem to be worried about Long Jingguo's safety, nor did he care about Long Jingguo's life or death!

Chen Ping fell into passivity at this moment!

Whether it was Xiaoru or his mother, he couldn't care less about their life or death.

But this Long Xiao doesn't seem to care about his father's life or death. As for whether to exchange or not, Long Xiao doesn't seem to care!

"I will only give you three seconds to think about it. If you don't agree, then I will kill them all when I get back..."

Long Xiao saw Chen Ping hesitating, so he urged.

"Okay, I promise you!"

Chen Ping nodded.

First, use Long Jingguo to exchange Xiaoru back. As for his mother, there shouldn't be any danger. After all, she has been imprisoned for more than 20 years. If Long Jingguo wanted to do something, he would have done it long ago. He must have some scruples!

"Okay then, let's change people at the martial arts arena tomorrow. No one can try to do any tricks..."

Long Xiao said.

“Okay!” Chen Ping agreed without hesitation.

The martial arts arena is where the martial arts alliance competes. Long Xiao must have some intentions in choosing this place, but Chen Ping is not afraid!

Long Xiao left. In fact, Long Xiao had left long ago. What just happened was just a wisp of Long Xiao’s consciousness.

The space magic spell Long Xiao cast disappeared in the void.

This is Chen Ping’s carelessness. If Chen Ping had not been careless, Long Xiao would have had no chance to use space magic!

Long Wu and the four villains gathered around.

Long Wu looked at Long Jingguo, who was beaten like a pig’s head, with mixed feelings in his heart!

The Long family used to be extremely famous in Kyoto’s martial arts world.

But now, after the power of the Long family was taken away by Long Jingguo, it has declined more and more. Now, the dignified head of the Long family has become a prisoner and a pig’s head...

“Chen Ping, let’s go back quickly. If Ling’er knew you were still alive, he would be so happy...”

Long Wu said to Chen Ping.

Chen Ping nodded, and then asked the four evil men to escort Long Jingguo and rush towards the Medicine God Valley.

Chen Ping and the others had just walked a certain distance when they met Zhao Liguo and Gu Linger coming towards them!

Chapter: 2342

When Gu Ling'er saw that Chen Ping was still alive, she burst into tears with excitement.

“Chen Ping...”

Regardless of the fact that there were so many people around, Gu Ling'er rushed forward and threw herself into Chen Ping's arms.

“I thought you were dead. I thought you were really dead. Why has there been no news for so long? You want to scare me to death...”

Gu Ling'er cried and beat Chen Ping's chest.

Chen Ping flicked Gu Ling'er's hair: “Okay, haven't I come back well? Don't worry, no one can kill me...”

Seeing this, Long Wu winked at everyone, and then everyone left, leaving some private space for Chen Ping and Gu Ling'er!

After all, the two have not seen each other for nearly two months, so there will be a lot to talk about...

Just when Chen Ping was following Gu Ling'er, Long Xiao also rushed back to Kyoto and went to the Martial Arts Alliance as soon as possible!

He wants to tell Zhu Zhishan the news that Chen Ping is still alive!

“Who is looking for me at this damn night?”

Zhu Zhishan yawned and was called out of the room.

When Zhu Zhishan saw that it was Long Xiao who was looking for him at night, he couldn't help but be a little confused.

"Long Xiao, what are you doing with me at night?"

Zhu Zhishan asked Long Xiao with some dissatisfaction.

"I wish Alliance Leader, that Chen Ping is still alive and has captured my father..."

Long Xiao said with an ugly expression.

"What?"

Zhu Zhishan suddenly woke up, his eyes widened, his face full of disbelief!

"You're not kidding me, are you?"

Zhu Zhishan didn't believe it, so how could Chen Ping be still alive, and how could he have captured Long Jingguo!

"Zhu Alliance Leader, do you think I will come to make fun of you late at night?"

Long Xiao said solemnly.

After Zhu Zhishan heard this, he sat down on the chair with an extremely ugly expression!

Chapter: 2343

"how so....."

Zhu Zhishan gritted his teeth, his eyes full of disbelief.

“I wish the leader of the alliance, I will make an appointment with Chen Ping in three days to exchange my father at the martial arts arena. This is probably our best chance to kill Chen Ping...”

The reason why Long Xiao made an appointment with Chen Ping at the martial arts arena was to kill Chen Ping.

“Martial Arts Field?” Zhu Zhishan frowned: “In that place, we openly killed Chen Ping, and the impact was too bad.”

“You must know that this place is a competition place, where conflicts and disputes are resolved one-on-one. If we bully the smaller ones with more, we will be ridiculed by everyone in the martial arts world!”

“If you fight alone, you can kill Chen Ping. That’s not impossible. Mr. Long, your strength has improved by leaps and bounds. You should have no problem dealing with Chen Ping, right?”

Zhu Zhishan is also a scheming person. After all, the martial arts arena represents the rules of the Martial Arts Alliance. It cannot be the rules set by the Martial Arts Alliance. In the end, the Martial Arts Alliance broke it on its own!

If that happens, the competition in the martial arts field will become meaningless, and there will be no rules from now on.

Long Xiao decided to use the martial arts arena, obviously because he wanted the martial arts alliance to take action, and the Long family could just sit back and watch!

Zhu Zhishan would not be so stupid as to listen to Long Xiao’s suggestion!

Zhu Zhishan’s words made Long Xiao feel very embarrassed in an instant. He had just been defeated by Chen Ping and fled back in embarrassment. If he was asked to follow Chen Ping to fight alone, he didn’t have the courage.

“Zhu Alliance Leader, I don’t necessarily want to do it in the martial arts field. When Chen Ping releases my father, we can intercept him halfway.”

“Now only Alliance Leader Zhu has the strength to kill Chen Ping. If we don’t get rid of him now, this kid will become a big problem in the future...”

Long Xiao said with a solemn expression.

Zhu Zhishan did not speak, but hesitated for a moment, and then said to a member of the martial arts alliance: “Go and find Deputy Alliance Leader Ning for a meeting...”

Zhu Zhishan knew that he was no match for Chen Ping, so he had to hold a meeting to study it, and he needed to ask senior officials to take action.

But those high-level officials looked down upon him at all, and Zhu Zhishan himself also knew the status of his alliance leader in the martial arts alliance.

Although Ning Zhi is the deputy leader, he is appointed by the powerful, and Ning Zhi is still in a black bronze robe. Zhu Zhishan now understands that he is a puppet, and Ning Zhi’s talents are indeed in Zhu Zhishan’s. On top of the mountain.

When Ning Zhi said that the man in black robe was Chen Ping, Zhu Zhishan didn’t believe it at all. Now that the facts are in front of him, Zhu Zhishan can only admire Ning Zhi.

Now Ning Zhi, the deputy leader, is the real person in power. If he wants to invite the top officials, Ning Zhi needs to step forward.

Soon, several people wearing black robes were sitting in the conference room of the Martial Arts Alliance, but the patterns in front of everyone were bronze. These were all black copper robes!

Even though these black-copper robes are the lowest among the top brass, none of them are people that Zhu Zhishan can afford to offend.

The strength of each of these people does not need to be underestimated!

Chapter: 2344

In this society where strength is respected, strength represents status and everything...

Zhu Zhishan briefly introduced the situation, and then said: "Deputy Leader Ning, now Chen Ping has become the biggest threat to our martial arts alliance, so he must be eliminated."

"What's more, Deputy Alliance Leader Ning has a mortal feud with Chen Ping. If you lead a few masters in black bronze robes to kill Chen Ping, Chen Ping will definitely not be able to escape..."

Zhu Zhishan wanted Ning Zhi to lead people to kill Chen Ping. Now that Zhu Zhishan was facing Chen Ping, he felt a little scared!

"Zhu Alliance Leader, it's better for you to do it. Four men in black bronze robes are following you. Are you still afraid of Chen Ping?" Ning Zhi asked lightly.

"How could I be afraid of Chen Ping? I just want to give Deputy Leader Ning a chance for revenge!"

Zhu Zhishan refused to admit that he was afraid of Chen Ping!

"Whether I killed Chen Ping or not, as long as Chen Ping dies, my revenge will still be avenged. What I need now is to retreat to improve my strength..."

At this moment, Ning Zhi not only wanted to kill Chen Ping for revenge, he also had a more lofty ideal.

Ever since he met the people at the top of the Martial Arts Alliance, especially the unfathomable powers, Ning Zhi determined to be a person who overlooked the entire martial arts world.

As for killing Chen Ping for revenge, it became no longer so important.

"Then we need to plan carefully, where is the appropriate place to intercept and kill Chen Ping..."

Zhu Zhishan said, taking out a map with all the roads to the martial arts arena marked on it!

“There’s no need to plan, the martial arts arena is just the right place...”

Ning Zhi waved his hand and said.

“If we attack Chen Ping in the martial arts arena and bully the minority, wouldn’t that be a violation of the rules?”

Zhu Zhishan looked at Ning Zhi with confusion on his face.

“Rules?” Ning Zhi smiled coldly: “Rules are made by people. As long as you have the strength, every word is a rule. Who dares to disobey?”

Ning Zhi’s words made Zhu Zhishan speechless.

I don’t know since when, Zhu Zhishan noticed that the hostility in Ning Zhi was getting stronger and stronger. Even when he saw Ning Zhi, he was a little frightened!

“Okay, I will take them to the martial arts arena tomorrow to set up arrangements to prevent Chen Ping from escaping...”

After a moment, Zhu Zhishan nodded and said.

There is no other leader of the Martial Arts Alliance who can achieve what he is now, but there is no other way. Zhu Zhishan just hopes that after killing Chen Ping, he can retire safely.

The next day!

Chapter: 2345

There was silence near the martial arts arena, because there were very few people here when there was no competition!

In order to avoid hurting innocent people during the fight, the martial arts arena was built in a very remote place, surrounded by mountains, to prevent the aftermath of the fight from spreading.

At dawn, Zhu Zhishan came to the martial arts arena with four men in black bronze robes, and sealed the entire martial arts arena with magic weapons.

Magical formations surrounded the martial arts arena. As long as the magical formations were activated, it would be difficult for Chen Ping to escape!

Zhu Zhishan looked at the silent martial arts field and seemed a little nervous, his body trembling slightly!

He didn't know if he could kill Chen Ping this time.

"You must kill Chen Ping immediately and destroy the Dantian and Yuanying in his body. The reason why this guy can't die every time is because of his status as an immortal cultivator..."

Zhu Zhishan warned several black bronze robes!

"Don't worry, we know how to do it, but in this era of lack of spiritual energy, it is a miracle that Chen Ping can cultivate to the Yuanying realm..."

A man in black copper robe said slowly.

Each of these men in black copper robes has a soul in their body, and speaking of it, these souls were once cultivators of immortality!

It's just that they are all evil cultivators. Martial arts practitioners have evil cultivators, and so do immortal cultivators!

Thousands of years ago, spiritual energy was abundant, and immortal cultivators became popular, while martial arts cultivators were unknown! Remember URL

However, as time goes by, spiritual energy gradually becomes scarce, and the immortal cultivators either leave far away, or exhaust their lives and disappear. Slowly, the immortal cultivators become lonely, while the martial cultivators prosper.

As time goes by, the immortal cultivators are almost extinct, and the martial cultivators have become the top people in the world!

In the past, some evil cultivators used their skills to retain a trace of their souls at the end of their lives, preparing to be reborn when their spiritual energy revived!

It's just that too much time has passed, but there is still no sign of the spiritual energy recovering, and these souls must find a host, otherwise they will disappear.

Therefore, this has resulted in the existence of many soul possessions, but as long as the host's strength reaches a certain stage, the soul can still be reborn.

In order to improve the strength as quickly as possible, the soul commands the host to increase the strength by any means, and even absorbs the strength of others to strengthen itself!

"By the way, one more thing I want to remind you is that Chen Ping can also absorb other people's strength to improve himself. You must be careful and don't think about absorbing Chen Ping's strength to avoid suffering backlash."

Zhu Zhishan reminded the four men in black bronze robes.

Back in Paradise City, Long Xiao wanted to absorb Chen Ping's strength and ended up losing an arm.

"We don't need to absorb his strength, we just need to get his Nascent Soul..."

A man in black bronze robe said with a cold smile.

Chapter: 2346

Since Chen Ping is an immortal cultivator, it is much stronger to directly take out Chen Ping's Nascent Soul and refine it than to directly absorb the strength!

"That's good, now just slowly wait for Chen Ping to come and die..."

Zhu Zhishan glanced at his broken arm, and then his eyes narrowed slightly.

.....

Medicine God Valley!

The atmosphere in the entire Medicine God Valley is very cheerful and lively!

The atmosphere during the Chinese New Year has never been so lively, because Chen Ping did not die and came back alive!

In a room in Medicine God Valley, Chen Ping lit a cigarette and sat quietly, and opposite him was Long Jingguo!

At this time, Long Jingguo's face was still red and swollen, and he looked very embarrassed!

It seemed a little strange for my uncle and nephew to meet in such a scene!

However, Chen Ping had never regarded Long Jingguo as his relative, and he wished he could kill Long Jingguo now.

“You have imprisoned my mother for more than twenty years. What do you want from her?”

Chen Ping exhaled a puff of smoke and asked lightly.

Long Jingguo glared at Chen Ping but said nothing.

Chen Ping wasn't angry either. He had known such a result for a long time, and Long Jingguo would definitely not tell it.

“It doesn't matter if you don't say it, but let me tell you, sooner or later I will kill the Long family, kill both your father and son, and then rescue my mother...”

Chen Ping said firmly.

Long Jingguo just showed a sneer, but still didn't speak!

Chen Ping looked at Long Jingguo like that, then he took a few puffs of cigarette, turned around and was about to leave!

But just as he reached the door, Long Jingguo suddenly spoke: “Chen Ping, I advise you to let me go early. If I don't go back, no one will be able to open the dungeon, and your mother will have to starve. If she starves to death, but it's none of my business!”

Chen Ping was stunned, trembling slightly, then turned around suddenly and slapped Long Jingguo hard on the face!

“why why?”

“She is your biological sister, why do you do this to her?”

“Are you a human? Are you a beast?”

Chapter: 2347

“I think you are worse than a beast...”

Chen Ping went crazy, his eyes turned scarlet, and he slapped Long Jingguo on the face one after another!

Long Jingguo was beaten until his nose was bruised and his face was swollen, and he vomited blood, but he still had a sneer on his face!

“Chen Ping, let me tell you, you are a bastard. Your mother almost killed the entire Long family back then!”

“He actually ran away with someone before the wedding and got pregnant with a bastard like you.”

“Do you know how much of a joke this makes our Long family suffer?”

“If it weren’t for me, your mother would have been dead by now and turned into a skeleton!”

Long Jingguo said to Chen Ping with a sneer on his face.

“You fart, how could you be kind enough to save my mother? You just fart...”

Chen Ping hit Long Jingguo’s face with his fist so hard that Long Jingguo was unable to speak before he stopped.

Chen Ping stood up blankly and then walked out of the room!

He was going to find Long Wu and ask what happened to his mother?

Long Wu saw Chen Ping’s expression and couldn’t help but worry: “Chen Ping, what’s wrong with you?”

“Uncle Long, what happened to my mother? Who is my father? Did my mother run away with someone during the wedding?”

Chen Ping looked at Long Wu longingly and asked.

He wants to know, he wants to know the truth, he wants to know everything about himself!

Long Wu looked at Chen Ping and sighed after a moment: “Your mother did run away with someone before the wedding, but your mother was forced to get married. She didn’t want to get married at all!”

“The master was forced to have no choice at that time. If he didn’t agree, the entire Long family would probably suffer!”

“How is it possible?” Chen Ping didn’t believe it: “At that time, wasn’t the Long family one of the best families in Kyoto’s martial arts world? Who could threaten the Long family?”

“Hey, let’s not talk about the entire world, just this entire Daxia, there are more than thousands of sect families, and many of them have left sects in the world for thousands of years.”

“These sects have survived in other ways and are slowly adapting to the new society. Most of these sects and aristocratic families have remained hidden from the world, so they have been able to survive for so many years!”

“And if we don’t conduct in-depth investigations now, we won’t be able to find out that those sect families have thousands of years of background!”

“??The Zixiao Mansion is a sect that has been around for thousands of years. When they proposed marriage to the Long family, I didn’t dare not agree!”

“Later, the eldest lady escaped, and the Zixiao Mansion moved to the Furong family and wanted to arrest the eldest lady to sacrifice to heaven. As a result, the master became ill!”

Chapter: 2348

“Then Long Jingguo took the opportunity to poison the master and imprisoned the eldest lady. Instead of handing it over to Zixiao Mansion, he compensated Zixiao Mansion with a large amount of resources, and the matter was settled!”

Long Wu followed Chen Ping and told about the situation back then!

Chen Ping frowned slightly. It seemed that Long Jingguo was right. If he hadn't imprisoned his mother, she might have been captured by the Zixiao Mansion.

“Uncle Long, I'm going to Kyoto now. Tomorrow you tell the four villains to take Long Jingguo to Kyoto in exchange...”

Chen Ping said to Long Wu.

“Isn't it going to be exchanged in three days? Why go tomorrow?”

Long Wu looked surprised.

“Only Long Jingguo can open the dungeon where my mother is imprisoned. Now that Long Jingguo cannot go back, my mother will starve.”

Chen Ping followed Long Wu and explained.

“Then be careful. Whether it's the Martial Arts Alliance or the Long Family, they are all eyeing you. If you go to replace someone this time, they will definitely not miss this opportunity...”

Long Wu warned Chen Ping.

“I know!” Chen Ping nodded.

After saying goodbye to the others, Chen Ping went to Kyoto alone!

.....

Kyoto, in front of the Dong family!

Ge Jiayi held a sword and faced Dong Jiahao with an angry look!

Although Ge Fuhai tried his best to stop him, he still couldn't stop Ge Jiayi from coming to seek revenge from the Dong family!

"Miss Ge, you have attacked me again and again. What have I done to you?"

Dong Jiahao's face was full of sadness. He really didn't know where he had offended Ge Jiayi!

"You beast, stop pretending. I will kill you today, and then I will commit suicide. I will never live like this in the world."

Ge Jiayi's eyes were full of anger, and she stabbed Dong Jiahao with one sword!

How could Dong Jiahao be Ge Jiayi's opponent? This sword thrust out, with endless brilliance, enveloped Dong Jiahao!

This time, Dong Jiahao couldn't escape even if he wanted to!

clang.....

Chapter: 2349

Suddenly there was a crisp sound, and Dong Liqun stood in front of Dong Jiahao and blocked Ge Jiayi's sword.

"Miss Ge, what did Jiahao do that makes you insist on killing him? Tell me, if he really did something bad, I will never forgive him, and I will apologize to Miss Ge on his behalf..."

Dong Liqun followed Ge Jiayi very politely.

Dong Liqun didn't want to fall out with the Ge family. After all, the entire martial arts family in Kyoto had already become a member of the martial arts alliance, and they all isolated the Dong family.

If the Dong family falls out with the Ge family, they may have no place in Kyoto.

"Ask yourself what your precious son did. He dared to do it and why he didn't dare to say it!"

How could Ge Jiayi, a girl, have the nerve to say such a thing?

Dong Liqun turned to look at Dong Jiahao: "Jiahao, what exactly did you do to Miss Ge?"

"Dad, how many times have I told you, I haven't done anything, nothing. I don't know why she always troubles me..."

Dong Jiahao was so anxious that he almost cried.

Dong Liqun looked at Dong Jiahao like that, and it was obvious that Dong Jiahao didn't want to lie.

"Ms. Ge, is there any misunderstanding here? I don't think my son will lie..."

Dong Liqun said softly.

“In this case, it means that I am unreasonable and I lied?”

Ge Jiayi frowned.

“No, no, no, that’s not what I meant. I just felt that there might be some misunderstanding...”

Dong Liqun waved his hand quickly and said.

“No misunderstanding, you son of a beast drugged me and defiled me. I have to kill him today...”

After Ge Jiayi said that, the aura on her body surged, and the sword in her hand also radiated light!

Then the sword was slashed out, and a sharp and domineering sword energy instantly moved towards Dong Liqun and Dong Jiahao and his son.

This sword struck in an instant and left a deep ravine on the ground!

Dong Liqun’s feet trembled slightly, and earth walls suddenly rose up from the ground, instantly blocking the sword energy!

After blocking the sword energy, Dong Liqun did not attack Ge Jiayi because he did not want to fall out with the Ge family!

Ge Jiayi’s face became very ugly, and she waved the sword in her hand again, and in an instant, more than a dozen sword energy shot out!

Chapter: 2350

Dong Liqun frowned, and the aura on his body began to surge. A barrier visible to the naked eye instantly enveloped Dong Liqun and Dong Jiahao!

Seeing dozens of sword qi coming in front of me, they were suddenly cut off by a golden light.

More than a dozen sword energy disappeared without a trace in an instant!

“who?”

Ge Jiayi’s face changed drastically and she looked around hurriedly.

Dong Liqun was also full of doubts, because he had just sensed that the strength of a person who could emit that golden light was absolutely unfathomable!

“Ms. Ge, is it not okay for you, a young lady, to have such a rude personality?”

At this time, a figure came slowly!

After seeing this figure, several people stayed on the spot instantly.

“Brother Chen Ping, you...it turns out you are not dead...”

Dong Jiahao regained his composure, ran over suddenly, and gave Chen Ping a fierce hug!

“Mr. Chen, you...you...”

When Dong Liqun saw Chen Ping, he was so excited that he was speechless!

Only Ge Jiayi was still looking at Chen Ping blankly, with a very complicated expression in her eyes.

After Chen Ping said a few words to Dong Jiahao, he looked at Ge Jiayi and asked: “Miss Ge, why do you have to kill Brother Dong?”

Ge Jiayi said angrily: "This beast drugged me and defiled me. Do you think I should kill him?"

"Brother Chen Ping, I didn't, I really didn't, how could I do such a thing!"

Dong Jiahao explained quickly!

Chen Ping raised his hand slightly and stopped Dong Jiahao's explanation: "Miss Ge, you are still in perfect condition. How can you say that Brother Dong has defiled you?"

"How is that possible?" Ge Jiayi was stunned. When she woke up, all her clothes were taken off. How could she still be intact?

"Could I still lie to you? You can look at your left arm yourself!"

As Chen Ping said, a ray of spiritual power instantly penetrated Ge Jiayi's body, and soon a red mark appeared on Ge Jiayi's left arm!

Seeing the mark, Ge Jiayi's face was full of excitement: "This...is this the palace guard sand?"

"Yes, this is the Shou Gong Sha. Miss Ge's Shou Gong Sha is still there, how could it not be a perfect body?"
