

The Order 2351

Chapter: 2351

Chen Ping asked.

Ge Jiayi was speechless for a moment, but she still said calmly: "Dong Jiahao tricked me into going to a hotel, drugged me, and took off my clothes. This is an undeniable fact..."

"Miss Ge, you must have misunderstood. When did I go to the hotel with you? That's really not me..."

Dong Jiahao explained with aggrieved face.

"How could I have misunderstood? How could I be wrong about the hotel I went to with you?"

Ge Jiayi also swore that what she said was true.

Chen Ping frowned slightly. When he looked at Dong Jiahao's expression, he didn't look like he was lying, and Ge Jiayi's expression didn't look like he was lying either!

Then there must be some misunderstanding!

Suddenly, Chen Ping seemed to think of something, so he asked Ge Jiayi: "Miss Ge, do you know that there is an art of disguise in this world?"

"What do you mean?"

Ge Jiayi was stunned!

"I think there must be a misunderstanding here. Maybe someone disguised himself as Brother Dong and deceived you in order to instigate conflicts between your two families?"

Chen Ping followed Ge Jiayi's analysis.

Ge Jiayi fell into silence and said after a moment: "I will investigate this matter in detail. If it is really what Dong Jiahao said, I will never spare him."

"Miss Ge, if I did it, I would be willing to kill myself to apologize..."

Dong Jiahao said firmly.

Ge Jiayi is a little at a loss now, so she can only leave first and wait until the investigation is clear!

"Brother Chen Ping, thank you very much. Come to the house and tell me what you have been doing during this time..."

When Ge Jiayi walked back, Dong Jiahao impatiently pulled Chen Ping into the room!

Chen Ping did not hide anything and told Dong Jiahao his own experience!

When he heard that more than ten sects and aristocratic families in Kyoto were killed by Chen Ping, Dong Jiahao was so shocked that he couldn't close his mouth.

"Mr. Chen, when you come to Dong's house, do you have anything to tell us to do?"

Dong Liqun knew that Chen Ping must have something to explain when he came to the Dong family!

Chen Ping nodded: "Master Dong, tomorrow I will go to the martial arts field to meet Long Xiao and exchange Xiaoru back with Long Jingguo. I am afraid that Long Xiao will not keep his word, so I want to borrow the Dong family's hand to get this Word spreads."

Chapter: 2352

“On the day of the exchange, many colleagues from the martial arts world will go there. I believe that Long Xiao will not dare to play tricks in front of everyone!”

“What? Xiaoru was kidnapped by Long Xiao’s grandson?”

After Dong Jiahao heard this, his face suddenly became angry!

“Mr. Chen, don’t worry, I will definitely take care of this matter.”

Dong Liqun nodded!

“One more thing, that is, let the sect families who have offended me come to the Dong family to apologize. I will sit in the Dong family today, waiting for those sect families, and tell them that they only have one day!”

“After today, what awaits them is the destruction of their entire family...”

Chen Ping said with murderous intent in his eyes.

Feeling the murderous aura on Chen Ping’s body, Dong Liqun couldn’t help but tremble!

But he knew that the reason why Chen Ping did this was to support the Dong family.

With the current situation in Kyoto’s martial arts world, the Dong family is isolated and will become the food of many sect families sooner or later!

By acting in such a high profile this time, Chen Ping also took the opportunity to warn those sect families not to take advantage of the Dong family!

Soon, the news that Chen Ping was still alive and returned to Kyoto spread on the martial arts forum!

Moreover, Chen Ping was the man in black robe who caused a big fuss some time ago and destroyed thirteen sects and aristocratic families!

This makes many sect families who have targeted Chen Ping panic!

“This Chen Ping is so awesome, he actually destroyed thirteen sects and families in a row...”

“At first, some people guessed that the man in black robe was Fan Jiang, but no one expected that it was Chen Ping!”

“Just wait, in Kyoto’s martial arts world, I’m afraid another sect family will be unlucky!”

Everyone was talking about it, and many sects and aristocratic families prepared generous gifts and set foot in the Dong family one after another to apologize to Chen Ping!

After all, those sects and aristocratic families have learned from the past, and no one wants to provoke Chen Ping, the evil star!

.....

Within the Martial Arts Alliance!

Long Xiaohuo found Zhu Zhishan anxiously.

“Congratulations, leader, Chen Ping has advanced the exchange time and announced the address. There will definitely be many people going to the martial arts field tomorrow. What should we do?”

Chapter: 2353

Long Xiao asked anxiously.

It was originally planned to attack Chen Ping in the martial arts arena. Even if there were insiders there, there wouldn't be many.

But this time, Chen Ping directly revealed the matter. I don't know how many people will go there!

If Chen Ping is attacked, the martial arts alliance will be criticized verbally and written by everyone in the martial arts world.

"We will continue to act as planned tomorrow. Things have come to this point. Killing Chen Ping is the most important thing. As for public opinion, we will suppress it forcefully when the time comes!"

Zhu Zhishan has already arranged it, and the four masters in black bronze robes have also arranged it properly. It is impossible to change it at short notice!

"How confident are you that you can kill Chen Ping?"

Long Xiao asked.

"One hundred percent, if four masters in black bronze robes take action, Chen Ping will not be able to escape. I will watch him die with my own eyes this time..."

Zhu Zhishan's eyes narrowed slightly and he said confidently.

Long Xiao was slightly relieved. After fighting with Chen Ping and being beaten by Chen Ping, Long Xiao became a little afraid of Chen Ping!

"Before killing Chen Ping, in order to silence the officials, I felt it was necessary to go to Mr. Shi and ask the officials to punish Chen Ping."

"After all, Chen Ping destroyed more than ten sects and aristocratic families. No matter what grudges they had, he would not change his ways."

At this time, Ning Zhi slowly walked in from the outside and said.

“How could Mr. Shi punish Chen Ping by wearing the same pair of pants as Chen Ping?”

Zhu Zhishan said.

“Yes, if it weren’t for Mr. Shi’s support, how could Chen Ping have developed to this point? He would have been dead long ago...”

Long Xiao also said angrily.

“It would be better if Mr. Shi doesn’t care. Since Mr. Shi doesn’t care, then our martial arts alliance can eliminate harm for the people. When the time comes, we can kill Chen Ping in public, and the officials will not be able to trouble us...”

Ning Zhi raised the corner of his mouth slightly.

He guessed that Mr. Shi would not take care of Chen Ping, let alone punish Chen Ping, so they just used this as an excuse.

“Then who is going to talk to Mr. Shi?”

Zhu Zhishan asked.

Anyway, he didn’t dare. When he saw Mr. Shi, Zhu Zhishan trembled all over. He was afraid that he would be so frightened that he wouldn’t be able to say a word!

Chapter: 2354

“As the leader of the alliance, of course it is you, but you can contact some other sect families to go together to put pressure on Mr. Shi...”

Ning Zhi looked at Zhu Zhishan and said.

“Me?” Zhu Zhishan was stunned!

“Don’t you dare?” A hint of ridicule flashed in Ning Zhi’s eyes!

After hesitating for a moment, Zhu Zhishan gritted his teeth: “Dare, how could you not dare!

.....

Dharma Protector Pavilion!

Outside the door, Zhu Zhishan and more than a dozen people from other sect families blocked the place. They wanted to ask Mr. Shi for an explanation.

Xing Jun reported to Mr. Shi: “Mr. Shi, Chen Ping is really not dead. He is the one who destroyed more than ten sects and aristocratic families. Now Zhuzhishan has brought more than a dozen sects and aristocratic families to ask the official to come forward. Punish Chen Ping!”

“Let them all come in...”

Mr. Shi said calmly.

Xing Jun nodded, and soon Zhu Zhishan was led in along with the people from the sect family.

When these people saw Mr. Shi, they were all slightly shocked and felt cold from the bottom of their hearts.

“sit down.....”

Mr. Shi said calmly.

But no one like Zhu Zhishan dared to do it. Facing Mr. Shi, the sense of oppression made it difficult for them to breathe!

Seeing that these people didn't do anything, Mr. Shi slowly spoke again: "You guys came to see me. What's the matter?"

After Mr. Shi's words, many people lowered their heads and did not dare to look directly at Mr. Shi!

Zhu Zhishan looked left and right, no one dared to speak, and finally he was the only one to speak.

"Mr. Shi, Chen Ping destroyed more than ten sects and families in the Martial Arts Alliance, and now he is openly provocative. We hope that the official will come forward to punish Chen Ping and give an explanation to those sects and families that were destroyed..."

Zhu Zhishan worked hard, his heart was in his throat!

"Well, I know about this!" Mr. Shi nodded: "Then what?"

Zhu Zhishan was stunned for a moment, then shook his head: "No... there is nothing more. We just demand that Chen Ping be punished and Chen Ping be killed."

"You brought so many people here just to tell me about this?"

Chapter: 2355

Mr. Shi asked in a calm tone.

"Yes, they all hope that Mr. Shi can seek justice."

Zhu Zhishan's face turned red at this moment, and his heart almost jumped out of his chest.

"Is this what you all mean?"

Mr. Shi asked as he glanced at everyone.

But no one spoke, everyone lowered their heads and didn't dare to breathe!

"Zhu Zhishan, they don't seem to mean that..."

Seeing that everyone was silent, Mr. Shi asked Zhu Zhishan.

Zhu Zhishan suddenly panicked and hurriedly said to everyone: "You guys are talking, Mr. Shi asked you, didn't we all agree when we came?"

Zhu Zhishan roared loudly at everyone, but still no one spoke, everyone lowered their heads!

No matter what Zhu Zhishan said, no one said anything, and cold sweat instantly flowed from Zhu Zhishan's forehead.

"Zhuzhishan..." Mr. Shi shouted!

"Shi...Mr. Shi..."

Zhu Zhishan trembled, knowing that Mr. Shi was angry.

"You led people to surround the Dharma Protector Pavilion and put pressure on me. It is simply lawless..."

Mr. Shi's tone was cold, and then he raised his hand and waved lightly!

A huge force came, and before Zhu Zhishan could react, he flew out and fell heavily to the ground.

When the others saw this, they were all so frightened that they didn't dare to breathe!

Zhu Zhishan hurriedly climbed up and lowered his head in front of Mr. Shi, not even daring to fart!

"You guys, all of you, give me ten slaps as punishment. If you dare to confront the authorities, you will be killed without mercy..."

After the words "kill without mercy" came out of Mr. Shi's mouth, everyone in the sect family almost peed with fear!

No one dared to hesitate at all, and they all started to slap their mouths, one harder and louder than the other!

Zhu Zhishan's body was shaking like a sieve.

During this period, no matter what the Martial Arts Alliance did, it seemed that no official came forward to stop it, and even Mr. Shi never showed up!

Chapter: 2356

This also gave Zhu Zhishan an illusion that the current strength of the Martial Arts Alliance made even Mr. Shi fearful!

But at this moment, Zhu Zhishan realized that in the eyes of Mr. Shi, these people were nothing but bullshit!

After the slap was over, Mr. Shi said coldly: "Get out of here, everyone. As for Chen Ping's matter, you can handle it yourself..."

Zhu Zhishan nodded repeatedly and left in a hurry!

After Zhu Zhishan led the people away, Xing Jun looked at Mr. Shi with confusion: “Mr. Shi, if you say this, aren’t you putting Chen Ping in danger? Those guys from the Martial Arts Alliance will definitely find a way to kill him. Chen Ping’s.”

Mr. Shi raised the corner of his mouth: “Chen Ping’s strength is beyond my imagination. It seems that the greater the pressure on him, the faster his strength will grow, so we have to put more pressure on him...”

Xing Jun didn’t understand what Mr. Shi meant, but Xing Jun was not qualified to interfere with Mr. Shi’s actions.

.....

Zhu Zhishan, who walked out of the Dharma Protector Pavilion, was beating his chest and gasping for breath!

“I almost lost my life just now. If this happens again, I won’t come...”

Zhu Zhishan wiped the cold sweat from his forehead and said!

And the other people from the sects and aristocratic families also had angry faces and accused Zhu Zhishan one after another!

He originally called them over just to cheer Wei Wei on, but Zhu Zhishan also swore that there would be no problem.

But now all of them have turned into pig heads, and they will be laughed at when they go back!

Return to the Martial Arts Alliance!

Ning Zhi asked Zhu Zhishan: “Leader, does Mr. Shi have any statement?”

“If you want to express your opinion and put pressure on the official, you can go ahead and do it. I almost died in the Dharma Protector Pavilion...”

Zhu Zhishan shouted angrily!

Ning Zhi actually laughed when he saw Zhu Zhishan’s attitude. It seemed that he had already guessed the result!

“Did Mr. Shi say that we, the Martial Arts Alliance, should take care of it ourselves?”

Ning Zhi asked.

Zhu Zhishan was stunned: “How did you know?”

“I guessed it!” Ning Zhi raised the corner of his mouth: “If Mr. Shi wants to take care of it, he can’t watch the martial arts world in Kyoto become a mess. It seems that Mr. Shi is waiting for the martial arts world in Kyoto to be in the most chaos. Just re-establishing order in the entire martial arts world...”

“Damn, you know, you asked me to find Mr. Shi on purpose, right? I was almost slapped to death by Mr. Shi...”

Chapter: 2357

When Zhu Zhishan heard this, he immediately followed Ning Zhi and roared angrily!

But he just yelled, but he didn’t dare to do anything to Ning Zhi. In the martial arts alliance, Ning Zhi’s real power was greater than him, the leader of the alliance.

Ning Zhi looked at Zhu Zhishan’s furious look and smiled faintly: “Go and prepare to kill Chen Ping. If you fail this time, Almighty will not let you go...”

After Zhu Zhishan heard about the power, he trembled all over and his face became solemn. He hurriedly walked out of the martial arts alliance and went to the martial arts field to make arrangements. He had to make everything perfect.

After Zhu Zhishan left, Ning Zhi sneered: "What a pig, how can he sit on the position of leader of the alliance like this!"

Ning Zhi returned to the backyard to continue practicing.

.....

the next day!

The martial arts performance venue was crowded with tens of thousands of people. Chen Ping's miracles time and time again made many people want to come and watch the excitement!

The exchange of hostages in a martial arts arena is an unprecedented first time in the martial arts world!

Especially the head of the Long family was caught and became a hostage. Such a strange thing, everyone wanted to come and see it!

Zhu Zhishan looked at the crowd of people at the scene with a very gloomy expression.

"Zhu Alliance Leader, will we take action later?"

At this time, a man in black bronze robe asked Zhu Zhishan.

There are so many people at the scene. If they take action openly, I am afraid it will affect the reputation of the Martial Arts Alliance!

"Go ahead, as long as you kill Chen Ping, everything else will be easy to handle!"

Zhu Zhishan gritted his teeth and said.

The black copper robe nodded, then turned and left to make arrangements!

Soon, Long Xiao and Xiaoru came to the martial arts arena and sat directly next to Zhu Zhishan!

“Zhu Alliance Leader, Chen Ping made the battle so big because he was probably afraid that the Martial Arts Alliance would attack him. Chen Ping will come soon, and we can't let go of the opportunity...”

Long Xiao was afraid that Zhu Zhishan would give up on Chen Ping after seeing so many people!

“Don't worry, Chen Ping must die today...”

Zhu Zhishan's eyes narrowed slightly!

“That's good...” Long Xiao nodded!

Chapter: 2358

At this time, not far from the martial arts arena, the four evil men had brought Long Jingguo, and Dong Liqun also brought all the masters of the Dong family to the scene!

They know that as long as Chen Ping shows up, the Martial Arts Alliance will definitely not let Chen Ping go. If the Martial Arts Alliance really ignores its reputation and takes action against Chen Ping, they can still help!

“Mr. Chen, if you don't show up, we will take Long Jingguo to return Miss Xiaoru...”

Ding Buda said to Chen Ping.

“No, if I don’t show up, wouldn’t it mean that I am afraid of the Martial Arts Alliance, and there are so many people here today. No matter how shameless the Martial Arts Alliance is, they will not attack me in front of so many people...”

Chen Ping didn’t believe that the martial arts alliance would be so shameless that they would dare to play dirty tricks in front of tens of thousands of people.

It seems that Chen Ping still overestimates the shameless lower limit of the Martial Arts Alliance!

“Hahaha, little brother Chen, you still think highly of these people from the Martial Arts Alliance...”

Just as Chen Ping finished speaking, a hearty laughter suddenly came.

Then Ge Fuhai came over with Ge Jiayi.

Chen Ping knew Ge Jiayi, but had never met Ge Dahai. When he saw Ge Dahai, he was slightly stunned!

Because he felt the majestic surge of spiritual power from Ge Dahai!

Immortal cultivator?

Chen Ping was slightly surprised. He didn’t expect Ge Dahai to be an immortal cultivator.

“Mr. Chen, this is the head of the Ge family, Ge Fuhai...”

Dong Liqun introduced Chen Ping.

Chen Ping frowned. Ge Fuhai was obviously an immortal cultivator, but as Ge Fuhai’s daughter, how could Ge Jiayi be a martial cultivator?

What's the matter?

Chen Ping's face was full of doubts, but this was not the time to ask such a question, not to mention that Ge Fuhai might not tell him.

"Brother Dong, my daughter has been causing trouble for your Dong family some time ago. I'm really sorry. I'm here to apologize to you..."

"I have already investigated and it is indeed not Dong Jiahao who did such a thing. I am still looking for that person."

Ge Fuhai stepped forward and followed Dong Liqun to apologize.

"Master Ge, you're welcome. It's just a misunderstanding. Just explain it clearly!"

Dong Liqun said politely quickly.

Chapter: 2359

And the way Ge Jiayi looked at Dong Jiahao was a little more apologetic!

Although this incident made Ge Jiayi very embarrassed, fortunately, she still retains her perfect body. This is also a blessing among misfortunes!

"Master Ge, I don't know what you meant by what you just said?"

At this time, Chen Ping stepped forward and asked Ge Fuhai.

"Then Zhu Zhishan has set up a formation in the martial arts field, obviously to deal with you. It seems that the martial arts alliance has to kill you. Even in front of so many people, they will attack you."

Ge Fuhai said.

Hearing what Ge Fuhai said, Chen Ping frowned.

“Mr. Chen, you better not go. As long as we take Long Jingguo there, even if you don’t show up, it’s impossible for Long Xiao not to exchange. We will definitely bring Miss Xiaoru back safely...”

Ding Buda persuaded Chen Ping.

Now that we know that the martial arts alliance has set up formations at the martial arts arena, we can’t let Chen Ping show up!

“I still want to go!” Chen Ping’s eyes narrowed slightly: “If we really want to take action soon, you and Xiaoru should quickly retreat to the Medicine God Valley. Don’t leave me alone. Even if I can’t defeat me, I can still find a way to escape...”

Ding Buda wanted to say something else, but Chen Ping stopped him with his hand!

There was no other way, everyone followed Chen Ping towards the martial arts arena!

In the martial arts arena, Long Xiao saw that Chen Ping hadn’t come yet, so he became a little anxious!

“Chen Ping, isn’t he afraid? Or he found out that we were going to deal with him and didn’t dare to come?” Remember the website address

Long Xiao frowned and said.

“It’s impossible. With Chen Ping’s temperament, even if he knew there was an ambush, he would still come. We are waiting...”

Zhu Zhishan was not in a hurry and said calmly.

After waiting for another ten minutes, everyone saw that Chen Ping was indeed here!

“Look, Chen Ping...”

After Chen Ping appeared, someone immediately shouted.

Many people looked at Chen Ping, and behind Chen Ping was Long Jingguo, who was being escorted by four evil men!

At this time, Long Jingguo looked embarrassed. He had obviously been beaten. There was no trace of the demeanor of the head of the Long family!

The moment Long Xiao saw Chen Ping appear, murderous intent burst out in his eyes!

Chapter: 2360

Zhu Zhishan’s eyes narrowed: “You’re finally here...”

Chen Ping led Long Jingguo onto the martial arts arena, and then looked at Long Xiao with cold eyes: “Long Xiao, I brought your father here. Now let Xiaoru go, and I will also let your father go home...”

“Chen Ping, you are such a villain, you actually attacked my father. Remember, our Long family will never let you go...”

With Long Jingguo being beaten like this, Long Xiao would of course have to say harsh words to save some face for the Long family!

After saying that, Long Xiao waved his hand and asked someone to let Xiaoru go.

Xiaoru quickly arrived at Chen Ping’s side, her eyes full of excitement: “Brother Chen, I didn’t expect you to be alive. It’s so great...”

The tears in Xiaoru's eyes kept falling. She was so happy to see Chen Ping still alive.

"Xiaoru, now is not the time as promised, you should leave immediately with the four evil men..."

Chen Ping whispered to Xiaoru.

Although Xiaoru didn't know what happened, she obeyed and went to the four evil men. In Chen Ping's stern eyes, the four evil men could only take Xiaoru away!

"Chen Ping, I let your people go, why don't you let my dad go?"

Long Xiao shouted coldly at Chen Ping.

"Don't worry, I will definitely let your father go, but not now. You Long Family and the Martial Arts Alliance are despicable and have set up formations in this martial arts arena to catch me. I won't give you a chance."

"Let your father escort me out of Kyoto first, and I will naturally let him go..."

Chen Ping smiled coldly, holding Long Jingguo in one hand and said.

"Chen Ping, you are so despicable, you shameless villain..."

Long Xiao yelled in anger!

"Yes, I am just a villain. If anyone messes with me, I will kill his whole family..."

Chen Ping didn't care at all about Long Xiao's insults and was ready to leave with Long Jingguo in his arms!

Seeing this, Zhu Zhishan hurriedly said to the four black bronze robes: “Do it...”

In an instant, four men in black bronze robes jumped up and surrounded Chen Ping in an instant!

“Be careful about my father...”

Long Xiao reminded hurriedly.

Chen Pingping faced the four black bronze robes and frowned slightly: “Four mid-term Wuhou masters, it seems that the martial arts alliance really spent their money to kill them...”
