

The Order 2371

Chapter: 2371

“Dad, what did you say?”

Ge Jiayi asked.

“Oh, nothing!”

Ge Fuhai quickly shook his head.

On the martial arts field, Chen Ping stared at the four black bronze robes with murderous intent in his eyes.

Even though Chen Ping has been seriously injured now, he still has a strong murderous intention.

The four men in black bronze robes looked at Chen Ping with fear in their hearts!

The four masters of the middle stage of Wuhou could not kill Chen Ping even if they joined forces, and they also had space magic weapons to help them. Such a lineup and strength might not be able to bear even the seventh-grade Wuhou, but Chen Ping at this time But he endured it.

“It’s my turn now...”

Chen Ping gritted his teeth and slowly raised his fist.

“Holy Light Fist...”

After shouting, Chen Ping’s body rushed towards the four black bronze robes. Chen Ping did not use any spiritual power, but relied on the strength of his physical body to hit them.

Even though he didn't use his spiritual power, Chen Ping's punch still had a faint white mist.

This is because Chen Ping's speed is too fast and his force is strong enough to condense the moisture in the air!

"Is this guy crazy?"

The four men in black bronze robes couldn't help but be stunned when they saw that Chen Ping was actually relying on the strength of his body to rush over.

But this time, the four men in black bronze robes did not dare to look down on Chen Ping. The black and golden light on their bodies flickered. Even if Chen Ping only relied on the strength of his body, the four of them did not dare to resist!

But just when the four black bronze robes were preparing to resist Chen Ping's attack, Chen Ping's figure suddenly changed direction.

Chen Ping paused and headed straight towards the space magic weapon in mid-air.

"Stop him..."

At this time, the four black bronze robes reacted and hurriedly waved their energy towards Chen Ping!

But it was too late, Chen Ping's body had already arrived in front of the space magic weapon.

The Holy Light Fist hit the magic weapon hard.

Boom!

Chapter: 2372

There was a deafening sound, the space magic weapon made waves of excitement, and the whole space was shaking!

Boom boom boom...

Wave after wave of energy hit Chen Ping, but Chen Ping ignored it at all. What he has to do now is to completely destroy this space magic weapon, otherwise he will definitely die!

“Holy Light Fist...”

Chen Ping mustered up his energy again and punched the space magic weapon again!

Then there was another loud noise, and the space magic weapon began to shake continuously, and the entire alien space began to shake violently!

“It’s broken. The space is going to be broken. Stop him quickly...”

A man in black copper robe was shocked and shouted.

“Wandering Dragon Holy Fist!”

“Jue Tian Palm!”

“.....”

At this moment, the four men in black bronze robes used their lifelong skills and threw a Taoist spell at Chen Ping.

Boom, boom.....

Several spells instantly hit Chen Ping, and Chen Ping's body flew directly upwards, hitting the space magic weapon heavily!

The magical weapon that was originally crumbling was knocked down and shattered instantly when it fell to the ground!

And the alien space also disappeared without a trace at this moment!

Chen Ping's body then fell hard on the martial arts field, making a big hole in the martial arts field!

The alien space was broken, and everyone could truly see the battle in front of them.

Everyone stared at Chen Ping in the pit, wondering what happened to Chen Ping.

Many people actually expected Chen Ping to stand up!

Not all sects and aristocratic families in the martial arts world obey the orders of the Martial Arts Alliance. There are many sects and aristocratic families who also look down upon the practices of the Kyoto Martial Arts Alliance!

It's just that due to the strength of the Kyoto Martial Arts Alliance, no one dares to resist!

Now that Chen Ping is fighting alone with the Martial Arts Alliance, many people already regard Chen Ping as a lone hero!

Chen Ping has also become a spiritual sustenance in the hearts of many sects and families in the martial arts world!

Chapter: 2373

Although they dare not fight with the Martial Arts Alliance, they hope that Chen Ping can win!

I hope Chen Ping can stand up and keep fighting...

Under the gaze of everyone, Chen Ping slowly stood up and walked out of the deep hole!

Chen Ping's body was already mutilated with blood and flesh, and his appearance could no longer be seen!

However, Chen Ping's eyes turned colder when he looked at the four men in black bronze robes.

With a wave of his hand, the dragon-slaying sword in Chen Ping's hand reappeared!

Then Chen Ping opened his mouth slightly, his eyes turned scarlet, and the dragon crystal on his chest began to shine!

Endless divine dragon power was injected into the Dragon Slaying Sword.

And the aura on Chen Ping's body also surged to the extreme!

The terrifying murderous aura instantly enveloped the four men in black bronze robes, and the Dragon-Slaying Sword in Chen Ping's hand seemed to be responding to the murderous aura on Chen Ping's body, buzzing in waves, looking extremely excited!

"Today, we will fight until death..."

Chen Ping spoke slowly, his voice was extremely cold, as if it came from the Nine Nether Hell!

The four men in black copper robes trembled, and a trace of panic flashed in their eyes!

Chen Ping moved, and his body was like a shooting star, shooting out instantly!

Immediately afterwards, the dragon-slaying sword in his hand drew an arc in the air, and the bright sword light was like a scimitar, heading towards the four black bronze robes one after another.

The four men in black copper robes turned pale with fright, and hurriedly glowed with black-gold light, forming a barrier in front of them to resist the attack of the sword light!

Dang Dang Dang.....

The sword light hit the black-gold barrier, making sounds like metal collisions.

Soon the barrier was broken, and the chests of the four black copper robes were scratched with wounds by the sharp sword light!

Blood flowed out in a steady stream!

Seeing themselves injured, the four black bronze robes also became angry!

Four people attacked Chen Ping at the same time, and four terrifying rays of light instantly enveloped Chen Ping.

Chen Ping gritted his teeth, spotted a person, and then swung the dragon-slaying sword in his hand instantly.

Chen Ping moved so quickly that only an afterimage of Chen Ping was left in mid-air!

Chapter: 2374

Seeing Chen Ping coming towards him, the man in the black bronze robe's eyes were filled with fear, and he instinctively stepped back while continuously waving a magic spell in his hand to stop Chen Ping.

But Chen Ping completely ignored it and allowed the magic spells to hit him, leaving his body bruised to pieces!

Chen Ping's style of play is simply exchanging lives for lives!

"Is this Chen Ping crazy?"

Seeing this scene, Zhu Zhishan felt chills on his back!

Soon, the sharp dragon-slaying sword instantly penetrated the body of the black copper-robed man. The black-copper-robed man's eyes widened, looking at the penetrated chest, his eyes full of disbelief!

Blood splattered, and a black mist suddenly flew out from the mouth of the black copper robe.

Seeing this, Chen Ping swung the Dragon-Slaying Sword in his hand horizontally, and the body of the man in black bronze robe was instantly cut into two pieces. Then Chen Ping muttered something in his mouth, and a light blue flame instantly began to burn on the Dragon-Slaying Sword. !

This is spiritual fire, which can deal with the escaped soul.

Then Chen Ping suddenly waved his hand, and a flame instantly flew towards the black mist. After the flame touched the black mist, it exploded directly!

The raging fire burned in mid-air, and pitiful screams came out from the flames, which made people's scalp numb!

Many screams disappeared, and the flames slowly extinguished!

A man in black copper robe was completely eliminated like this!

Seeing this, the remaining three black bronze robes could only do their best!

“Jue Tian Palm...”

The three of them activated their spells and attacked Chen Ping again!

And Chen Ping repeated his old skills, the dragon-slaying sword in his hand emitted a bright light, and a sword light shot out!

When the three of them saw this, they instantly joined together, and the terrifying black-gold light blocked Chen Ping’s sword light.

This time, neither party got any advantage. The three of them looked at Chen Ping with the intention of retreat in their eyes!

They didn’t expect that Chen Ping’s strength was so abnormal, it was beyond their imagination.

“This guy is too perverted. If we continue to fight, even if we kill him, none of us will survive. We’d better retreat...”

One of them in black bronze robe said.

The other two looked at each other and then nodded, but he didn’t dare to turn around and run away, for fear that Chen Ping would make a sneak attack from behind and lose his life, so he could only watch Chen Ping first and choose the opportunity to escape. !

At this moment, Chen Ping was already extremely anxious!

Chapter: 2375

Now he doesn’t have much spiritual power to support him. Although his body is strong, it is a miracle that Chen Ping can stand up now after such a severe beating!

Chen Ping could feel his eyes starting to feel dizzy now, and he didn’t know when he would fall down.

“go to hell.....”

Chen Ping suddenly bit the tip of his tongue, and a burst of scarlet blood stimulated Chen Ping, instantly causing the aura on Chen Ping’s body to surge.

The remaining three men in black copper robes were all shocked when they saw this!

“This kid is crazy. He actually burns blood and essence. He wants to die with us. Let’s go quickly...”

When a man in black copper robe saw this, he turned around and ran away in fright!

The remaining two men in black bronze robes did not hesitate. Two blasts of black mist shot out, and the entire martial arts arena was shrouded in black mist.

When the black fog cleared, only Chen Ping was left in the huge martial arts field, holding the Dragon Slaying Sword in his hand, propped up on the ground!

And those three men in black bronze robes had fled long ago and disappeared without a trace!

“Oh shit.....”

When Zhu Zhishan saw this, his expression turned ugly.

Long Xiao’s expression on the side also changed again and again. He didn’t know what he was thinking!

And the people around looked at Chen Ping who was covered in blood, and they all showed admiration!

Chen Ping looked around, and his vision suddenly went dark, and he fell heavily on the martial arts field!

This sudden change shocked many people!

Zhu Zhishan frowned: "Long Xiao, our opportunity has come..."

After saying that, Zhu Zhishan jumped up and landed on the martial arts field. Now he doesn't care about face or honor, as long as he can kill Chen Ping!

When Long Xiao saw this, he jumped up and climbed onto the martial arts field!

"Mr. Chen....."

"Brother Chen Ping..."

Dong Liqun and Dong Jiahao led many masters from the Dong family to the martial arts arena one after another!

For a time, the Dong family followed Zhu Zhishan and the others and formed a confrontation!

"Jiahao, please carry Mr. Chen down. Anyone who dares to attack Mr. Chen will be killed without mercy..."

Chapter: 2376

Dong Liqun said to Dong Jiahao.

Dong Jiahao nodded and was about to take Chen Ping off the martial arts field, but was stopped by Long Xiao with a palm!

"No one is allowed to take him away..."

Long Xiao said coldly.

“Long Xiao, you want to take advantage of brother Chen Ping’s unconsciousness to attack him. How shameless? Wait until he wakes up before you attack him...”

Dong Jiahao cursed angrily at Long Xiao.

At this time, Zhu Zhishan had a gloomy face and said to Dong Liqun: “Master Dong, why would you go against our martial arts alliance for Chen Ping? Do you know the consequences of going against my martial arts alliance?”

“Now that you leave, I can ensure that your Dong family will remain standing in the Kyoto martial arts world. Otherwise, there will be no Dong family in the Kyoto martial arts world in the future...”

Dong Liqun snorted coldly: “Zhu Zhishan, as the leader of the Martial Arts Alliance, you actually did such a shameless thing in front of so many colleagues in the martial arts world.”

“The four of you were beaten away when you were dealing with Mr. Chen, but you still want to take advantage of the opportunity to attack. Aren’t you afraid of being laughed at by everyone?”

Zhu Zhishan frowned: “Stop talking nonsense, I have to kill him today!”

As he spoke, the aura on Zhu Zhishan’s body surged, and waves of pressure came towards Dong Liqun!

Not to be outdone, Dong Liqun burst out with his aura.

“All the disciples of the Dong family obey the order and swear to protect Mr. Chen to the death...”

Dong Liqun gave the order, and everyone in the Dong family got into position!

For a time, many people in the martial arts alliance, including masters from the Long family, also came to the martial arts arena, and the entire martial arts arena was about to turn into a big battle!

Dozens of people were all exuding aura, and they all looked at each other angrily.

However, judging from their strength, the Dong family is much weaker. If a fight breaks out, it will only be a matter of time before the Dong family loses.

Maybe the Dong family will really disappear in this war!

Although they knew they were outmatched, no one in the Dong family backed down.

The atmosphere at the scene was extremely tense, and the war was about to break out.

“Zhu Alliance Leader, all the people you sent ran away and failed to kill Chen Ping. If you take advantage of Chen Ping’s unconsciousness to attack him now, wouldn’t it be out of character?”

Just when the two sides were at war with each other, there was a sudden cheerful voice, and then Ge Fuhai floated onto the martial arts field.

Ge Fuhai stood in the middle of the martial arts arena with a faint smile on his face.

Chapter: 2377

“Master Ge, what do you mean?”

Zhu Zhishan frowned.

“Nothing else, I just see that you are so shameless and are embarrassing the Kyoto martial arts community...”

Ge Fuhai said lightly.

“you.....”

Zhu Zhishan's face became angry, but he did not dare to attack Ge Fuhai. Instead, he said sternly: "Master Ge, your Ge family has never asked anything about the martial arts world, but you stood up for Chen Ping today. This is Why?"

"Do you want the Ge family to fall into the whirlpool of this fight and become enemies of our martial arts alliance?"

"I advise you to stay safe. Do you want the Ge family's reputation over the years to be ruined in your hands?"

After Zhu Zhishan finished speaking, the threat on Ge Fuhai's face disappeared instantly, and then he looked at Ge Fuhai coldly: "My Ge family has no intention of becoming an enemy of your martial arts alliance, nor do we want to compete for any resources."

"But your martial arts alliance is despicable. In order to make our Ge family and Dong family enemies, you actually attacked my daughter. Don't think I don't know anything!"

"If I find conclusive evidence, I will be the first to twist off the head of you, the leader of the Martial Arts Alliance..."

Ge Fuhai's words made Zhu Zhishan's heart tremble.

Zhu Zhishan didn't know anything about Ge Jiayi's affairs. Those were all done by Ning Zhi, but looking at Ge Fuhai's behavior, Zhu Zhishan was sure that Ning Zhi must have done something to Ge Jiayi.

"Master Ge, this may be a misunderstanding. When the time comes, I will definitely give Master Ge an explanation for this matter. However, I hope Master Ge will not interfere in today's matter!"

"There is absolutely no benefit in going against the Martial Arts Alliance. If the Ge family leader still wants to ignore worldly affairs and live alone, you'd better retreat..."

Zhu Zhishan used hard and soft tactics on Ge Fuhai, hoping that Ge Fuhai would leave it alone. This was the best time to kill Chen Ping!

If Ge Fuhai intervenes, this opportunity will be wasted.

“What if I have to control it?”

Ge Fuhai looked at Zhu Zhishan, his eyes sharp, with a hint of murderous intent!

“you.....”

Zhu Zhishan’s face turned red and he gritted his teeth, unable to say a word!

If he forcibly attacks Chen Ping at this time, he may not be a match for Ge Fuhai and Dong Liqun!

After all, if the two of them join forces, it will be difficult for him and Long Xiao to deal with it, not to mention that there is Ge Jiayi watching eagerly from the side.

“Dong Jiahao, take Chen Ping away...”

Chapter: 2378

Ge Fuhai said to Dong Jiahao.

Dong Jiahao was slightly startled, but quickly stepped forward and carried Chen Ping on his back.

When Long Xiao saw this, his eyes widened with anger, and he suddenly waved out a hand, sending a black mist towards Chen Ping.

He couldn’t just watch Chen Ping be rescued like this. Such a good opportunity couldn’t be wasted!

“court death.....”

Ge Fuhai frowned and waved casually!

A terrifying aura headed towards Long Xiao. After the black mist touched Ge Fuhai's aura, it disappeared instantly and disappeared without a trace!

But Long Xiao couldn't dodge and was hit hard and flew out.

Long Xiao slowly got up. His body was not seriously injured. It seemed that Ge Fuhai did not kill him!

"If you dare to take action, your life will be taken next time. Even if you are the son of the Long family, what will happen?"

Ge Fuhai had a gloomy look on his face, and in his tone, he did not put the Long family in his eyes at all.

Not to mention how ugly Long Xiao's face was, but he didn't dare to say anything.

Ge Fuhai's casual palm just now made him aware of the gap between him and Ge Fuhai!

No one thought that Ge Fuhai, who had always been indifferent to the world, would have such strong strength!

"Master Ge, you have to think about it..."

Zhu Zhishan was trembling in his heart after seeing Ge Fuhai's exposed strength!

"Stop talking nonsense, if I find out that your martial arts alliance has touched my children, you know the consequences..."

After Ge Fuhai finished speaking, he turned to look at Dong Liqun: "Brother Dong, let's go..."

Upon seeing this, Dong Liqun hurriedly led people to follow Ge Fuhai and leave.

Seeing Chen Ping being taken away, Zhu Zhishan yelled: "Just wait, I will make all of you pay the price..."

Long Xiao had a gloomy look on his face and narrowed his eyes slightly.

At this moment, he was hit hard. He always thought that he was possessed by a soul. In addition, he was gifted and practiced very fast. Remember URL

Now he is also a person with status in the Kyoto martial arts world!

But the blows one after another made him realize the reality. There is a sky outside the sky, and there are people outside the world...

Chapter: 2379

.....

"Master Ge, thank you so much. It's all thanks to you this time. Otherwise, Mr. Chen and we would have died in that martial arts arena..."

Halfway through, Dong Liqun knelt down directly to Ge Fuhai.

Dong Liqun knew that none of them would be able to escape unless Ge Fuhai came forward.

It doesn't matter if they die, but Chen Ping can't die!

If it weren't for Chen Ping, there would be no Dong family today!

Dong Liqun has felt sorry for Chen Ping. He will not do anything that is unconscionable, so he can die for Chen Ping!

“Brother Dong, what are you doing? I just can’t understand the style of the martial arts alliance.”

“What’s more, what happened to my daughter must have been done by someone from the Martial Arts Alliance. When I find the evidence, I will ask for an explanation directly.”

Ge Fuhai helped Dong Liqun up, and then continued: “Brother Dong, where do you plan to send Chen Ping?”

Dong Liqun glanced at the seriously injured Chen Ping, hesitated, and said helplessly: “Mr. Chen’s injury is serious. We can only go to Dong’s house first and wait for a few days to recover.”

“Brother Dong, the Martial Arts Alliance and the Long Family are eyeing Chen Ping. If they take him to the Dong Family and the Martial Arts Alliance asks for him, can the Dong Family resist?”

Ge Fuhai asked.

Dong Liqun was stunned for a moment, then shook his head in embarrassment: “No, but now I am sending Mr. Chen to the Medicine God Valley because I am afraid that his body will not be able to bear it...”

Chen Ping was now covered in blood and looked like he was going to die at any time.

“Brother Dong, if you can trust me, then take Chen Ping to my home. I believe that the martial arts alliance does not dare to go to my home, and will not think that Chen Ping will train in our Ge family...”

Ge Fuhai said with a sincere face.

Dong Liqun looked at the unconscious Chen Ping, and then nodded heavily: “Okay, thank you very much, Master Ge...”

Soon, Chen Ping was sent to the Ge family for training, and Ge Fuhai found a very comfortable room for Chen Ping!

“Dad, why did you abandon your ancestral precepts and participate in the fight in the martial arts world for Chen Ping?”

Ge Jiayi asked very puzzledly.

The Ge family has ancestral rules and is not allowed to participate in any disputes in the martial arts world!

So for so many years, the Ge family has always lived alone and never fought with others!

“There are some things that you don’t have to do just because you want to be alone. The world of martial arts is about to change. There will no longer be a stable life in the future. There are many things you don’t understand and don’t need to understand. You just need to practice with peace of mind!”

Chapter: 2380

Ge Fuhai sent Ge Jiayi away, then took out a dark pill, stuffed it into Chen Ping’s mouth, and left!

Martial arts alliance!

Ning Zhi was sitting in the hall drinking tea. He knew that if four men in black bronze robes attacked, Chen Ping would definitely die!

Although he couldn’t kill Chen Ping and avenge his father, Ning Zhi didn’t care.

His current ambition is no longer just revenge.

At this moment, three men in black bronze robes hurried back!

Seeing the person coming back, Ning Zhi quickly stood up to greet him!

Even though they were both in black and bronze robes, Ning Zhi didn't dare to show off in front of these people!

But when he saw that several people were covered in scars and only three people came back, a bad feeling suddenly arose in his heart!

"Did you kill Chen Ping?"

Ning Zhi asked doubtfully.

The three men in black bronze robes did not speak, but grabbed the tea bowl and drank a sip!

After a while, a man in black bronze robe said: "Then Chen Ping's strength is beyond our imagination. How did you provide information?"

"Now we have lost a space magic weapon and a person has died. You can think of your own reasons and follow the instructions given by the Great Power!"

When Ning Zhi heard this, he was stunned.

"Impossible. Then no matter how strong Chen Ping is, he can't be the opponent of the four of you. How could it become like this?"

Ning Zhi didn't understand how it was possible that the black bronze robes of the four middle-level Wu Hous and a space magic weapon couldn't kill Chen Ping!

No matter how fast Chen Ping's strength grows, he won't be so perverted.

“What do you mean?” The three men in black bronze robes looked at Ning Zhi at the same time: “Are you saying we didn’t try our best?”

The eyes of the three people were cold and threatening!

They know the consequences of not doing their best and failing to complete the mission.

“I didn’t mean that, I just felt a little weird...”

Ning Zhi frowned.

“Let’s wait until Leader Zhu comes back. He watched the scene and can testify for us...”
