

The Order 2391

Chapter: 2391

After Zhao Wuji finished speaking, he led Chen Ping towards the hall.

Chen Ping frowned slightly. He didn't understand, how did Mr. Shi know that he would come and still wait for him?

After entering the hall, Zhao Wuji turned around and left very wisely.

Mr. Shi was sitting at the main seat drinking tea, while Xing Jun stood aside.

“sit down.....”

After Chen Ping entered, Mr. Shi slowly spoke.

Chen Ping was not polite and sat down directly. Before Chen Ping could speak, Mr. Shi actually spoke first: “If you asked me to help you, you don't have to speak, whether it's your mother or your girlfriend.” , I won't even intervene to rescue them...”

“If you want to save them, you have to rely on your own abilities. If you are unable to protect them, then it may be a better choice for them to be locked up...”

Chen Ping looked at Mr. Shi in surprise. Before he spoke, Mr. Shi could guess his thoughts!

Chen Ping really came to beg Mr. Shi to see if Mr. Shi could come forward and ask the Martial Arts Alliance to release Zai's girlfriend, or ask the Long family to release his mother.

But before he spoke, Mr. Shi refused calmly, which made Chen Ping somewhat embarrassed.

“Mr. Shi, since you refuse to help, can you tell me how much strength the Martial Arts Alliance hides now? How can I defeat the Martial Arts Alliance and rescue my girlfriend?”

Chen Ping found that his understanding of the Martial Arts Alliance was too one-sided.

After fighting again and again, he discovered that the strength of the martial arts alliance was unfathomable, and it could send out powerful masters every time.

Mr. Shi did not speak, but suddenly looked out the window, his eyes full of indescribable confusion!

When Chen Ping looked at Mr. Shi, he felt an indescribable sadness in his heart.

Although Mr. Shi has always been very calm and unfathomable in front of everyone.

But at this time, Chen Ping seemed to be able to see through Mr. Shi's heart, and there seemed to be helplessness in Mr. Shi's heart.

After a while, Mr. Shi regained his calm expression and took a sip of tea quietly.

“You shouldn't just focus on the Martial Arts Alliance. Your real enemy is far more terrifying than the Martial Arts Alliance...”

After Mr. Shi finished speaking, he stood up and left the hall, leaving only a confused Chen Ping looking at Mr. Shi's back!

He doesn't understand what Mr. Shi's words mean?

Why is his real enemy more terrifying than the Martial Arts Alliance?

Who is your real enemy?

Chapter: 2392

Just when Chen Ping was confused, Xing Jun walked up to Chen Ping.

He took out a talisman directly from his arms. The runes on it were carved with a cinnabar pen, but Chen Ping couldn't understand them at all!

Although Chen Ping also knew some spells, when he saw this spell, he couldn't understand it at all!

"This is given to you by Mr. Shi. It can save your life at the critical moment..."

Xing Jun handed the talisman to Chen Ping.

"Life-saving rune? So powerful?"

Chen Ping took the spell and looked at it carefully in surprise!

"Mr. Shi told me that you must take this rune with you today, because you will be killed today."

After Xing Jun finished speaking, he turned and left, leaving only Chen Ping in the empty hall!

Putting away the talisman, Chen Ping walked out of the Dharma Protector Pavilion!

At this time, Zhao Wuji had already prepared a car at the door, and he drove it himself!

"Mr. Chen, get in the car and I'll take you out of the city. I believe no one will dare to take advantage of the Dharma Protector Pavilion..."

Zhao Wuji rolled down the window and said.

Chen Ping didn't refuse and got into the car directly, and then the car quickly drove out of the city.

As soon as Chen Ping and the others left the door of the Dharma Protector Pavilion, the news had already reached Zhu Zhishan's ears!

"Hmph, today, I must see Chen Ping's head..."

Zhu Zhishan snorted coldly!

But Fan Jiang, who was beside Zhu Zhishan, didn't say anything. He was hit by the tiger-head knife behind him, turned around, got into a car and left.

.....

The outskirts of Kyoto!

Zhao Wuji stopped the car, then sent someone to observe the surroundings, and then said to Chen Ping:
"Mr. Chen, you can get out of the car, there is no one around here!"

Chen Ping nodded and got out of the car.

But as soon as he got off the car, Chen Ping frowned and his face became a little ugly.

"Mr. Chen, what's wrong? I sent people to observe everything in this area..."

Chapter: 2393

Zhao Wuji asked hurriedly when he saw Chen Ping's expression.

"Pavilion Master Zhao, please leave quickly and don't stay here any longer..."

After Chen Ping finished speaking, he raised his head slightly and looked at a mountain not far away!

Zhao Wuji also looked around hurriedly and found that there was a person standing on the top of the mountain.

Soon, the man jumped directly from the top of the mountain with a slight movement!

The body was like a big bird. After gliding for a distance in the air, it landed steadily in front of Chen Ping and the others.

Although the opponent tried his best to restrain his aura, Chen Ping could still feel the strong pressure on the opponent.

Chen Ping's frown deepened, and his face looked a little ugly!

But when Zhao Wuji saw the person in front of him, his expression suddenly changed and he couldn't help but take a few steps back!

"Fan...Fan Jiang..."

Zhao Wuji's breathing began to become rapid, and his face was extremely pale!

And the other members of the Dharma Protector Pavilion also retreated one after another, as if they saw the devil!

Seeing the expressions of Zhao Wuji and others, Chen Ping instantly understood that the person in front of him was an extremely dangerous and terrifying figure. Otherwise, Zhao Wuji, the master of the Dharma Protector Pavilion, would not have such expressions.

"Pavilion Master Zhao, who is this person?"

Chen Ping asked softly.

Mr. Chen, now called Fan Jiang, was the biggest evil cult leader in the martial arts world twenty years ago. However, he should have died twenty years ago. How could he suddenly appear here? ”

Zhao Wuji said with a trembling voice.

The evil cult leader who became famous twenty years ago?

Then this person’s strength must be unfathomable now.

“This guy named Chen Ping stays, and everyone else should get out. I’m in a good mood today and don’t want to kill more people...”

Fan Jiang pointed at Chen Ping, and then said in a cold voice.

“Pavilion Master Zhao, please leave first. Staying here will only cause casualties...”

Chen Ping said to Zhao Wuji.

“Mr. Chen, you should be more careful. Fan Jiang was already a Wuhou twenty years ago, and now he may have already broken through to the realm of Great Wuhou.”

Chapter: 2394

Zhao Wuji warned Chen Ping.

Chen Ping nodded, and then Zhao Wuji led the people away. He knew that if he stayed, nothing would be changed. The other party could kill them with a wave of his hand!

Zhao Wuji wanted to go back quickly and report to Mr. Shi that Fan Jiang, the leader of the evil cult, was still alive. This was important news.

When Zhao Wuji walked back, Fan Jiang was not in a hurry to take action. Instead, he put his hands behind his back and stared at Chen Ping like a vulture, as if he wanted to see through Chen Ping.

“You are young, but you have a lot of skills. If you have not received a great opportunity, then your identity is not simple. Today I may be able to find a breakthrough direction from you!”

Fan Jiang had a ferocious smile on his face, as if Chen Ping had become his prey!

“Why did you want to kill me? Was it someone who instigated it, or was there another reason?”

Chen Ping didn't understand. He followed Fan Jiang, whom he didn't know at all and had no grievances. Why would the other party want to kill him?

“It doesn't matter what the reason is, what matters is that you are going to die soon.”

“Tell me the secrets about you and hand over your treasures. Maybe I can make your death more comfortable.”

Fan Jiang looked at Chen Ping with a bit of teasing in his eyes.

Chen Ping's eyes narrowed: “Are you sure you can kill me?”

At this time, Chen Ping remembered the charm Mr. Shi gave him and the words he told him at that time.

He said that he was going to suffer a bloody disaster today. First of all, Mr. Shi's guess was right!

It looks like that charm can save your life!

“What? Do you still have help?”

Fan Jiang looked around.

“No, I don’t have any helpers, but even if it’s me, you can’t kill me...”

Chen Ping sneered.

“Oh?” Fan Jiang raised his eyebrows slightly, with a hint of amusement on his face: “Tell me, why are you so confident that I can’t kill you?”

“There is no reason. If you don’t believe it, you can try it...”

Chen Ping is irritating Fan Jiang!

If the spell works, Chen Ping can take the opportunity to escape.

Facing Fan Jiang, a master at the peak of Wuhou, Chen Ping really couldn’t think of any other way besides running for his life!

Chapter: 2395

“Are you irritating me? You are so impatient to let me do something to you. Do you have something on you to protect your life?”

Fan Jiang looked at Chen Ping with a sneer, as if he had read through Chen Ping’s thoughts.

Chen Ping frowned, but began to panic in his heart. He didn’t expect that Fan Jiang was so smart and could see through his own mind!

“Hmph, if you don’t dare to take action, then I will...”

Golden light burst out from Chen Ping’s body, and a terrifying aura instantly filled the air!

Fan Jiang, on the other hand, looked at Chen Ping extremely calmly, seemingly unfazed by the strength Chen Ping showed!

“Let me know what you, the leader of the evil cult twenty years ago, are capable of...”

Chen Ping shouted loudly, and then punched him.

The fist is wrapped in golden light, and the terrifying power of the dragon is constantly emitting!

Fan Jiang sneered at the corner of his mouth, raised his hand and faced Chen Ping directly!

boom!

The terrifying forces collided together, and Chen Ping felt a huge counter-shock force, causing him to quickly retreat.

Fan Jiang, on the other hand, remained motionless, with a strong look of ridicule on his face!

Chen Ping rubbed his numb arms, feeling even more uneasy.

Fan Jiang’s strength is really strong, and the gap in strength between Chen Ping and Fan Jiang is too big.

“It’s rude to come and not reciprocate...”

After Fan Jiang finished speaking, his body disappeared instantly!

The extremely fast speed left Chen Ping with no time to react!

Bang!

Fan Jiang punched Chen Ping in the chest, and Chen Ping's body flew backwards instantly.

Large scales fell off the body, and the indestructible golden body became fragmented!

Chen Ping frowned and his face became extremely ugly.

The opponent easily punched him and destroyed his indestructible golden body. Now Chen Ping knew he was going to be in trouble.

“What a powerful body-protecting magical skill. I was able to block this punch...”

Chapter: 2396

Fan Jiang looked at Chen Ping with interest and said.

Chen Ping looked at Fan Jiang solemnly: “Did you come to kill me under the order of the Martial Arts Alliance?”

“Then Zhu Zhishan is not qualified to order me, but it is indeed his intention for me to kill you.”

Fan Jiang didn't hide anything!

After hearing this, Chen Ping didn't ask any questions. Since it was Zhu Zhishan who came for him, Chen Ping knew that there was no room for negotiation!

Now he can only fight to the death. Chen Ping now hopes that the spell given by Mr. Shi can really work at the critical moment!

As soon as he stretched out his hand, the Dragon-Slaying Sword appeared in Chen Ping's hand.

Then he activated the power of the divine dragon. With the blessing of the divine dragon's power, the dragon-slaying sword made a buzzing sound!

When Fan Jiang saw the Dragon-Slaying Sword in Chen Ping's hand, his eyes instantly filled with light!

"Spirit sword? You can actually own a spirit sword with a sword spirit?"

Fan Jiang's breathing began to become rapid, and it seemed that he really liked Chen Ping's dragon-slaying sword!

"Now that you know it's a spiritual sword, do you still dare to fight me?"

Chen Ping asked.

"Hahaha, this spiritual sword of yours has not yet been formed. I just happened to snatch it and shed blood to identify its owner. Then it will belong to me..."

Fan Jiang laughed and flipped it over, holding the tiger head knife behind his back!

The tiger-headed knife glowed with a cold light. On the blade, a lifelike tiger was carved in some unknown way.

The tiger-headed knife made a roaring sound in Fan Jiang's hand!

When Chen Ping saw this, he did not dare to delay any longer. He directly activated the power of the dragon and slashed towards Fan Jiang with his sword.

The terrifying sword energy, with the power to create the world, slashed hard at Fan Jiang!

Fan Jiang snorted coldly and waved his backhand!

The tiger-headed sword also shot out a blade with a roar of a tiger!

Wherever the blade passed, a deep ravine was left on the ground!

clang.....,

The sword energy and the blade collided fiercely, and the terrifying power spread in all directions, and the rocks on the hill not far away began to crack.

Chapter: 2397

This time, Chen Ping took a few steps back, and although Fan Jiang didn't move at all, his expression changed obviously.

"It's a spiritual sword after all..." Fan Jiang's face gradually turned cold: "If you still have any good things with you, let's take them out together, otherwise there will be no chance!"

As he spoke, Fan Jiang's aura began to surge, and he rushed toward Chen Ping with strong pressure!

"The peak of Wuhou is indeed extraordinary..."

Chen Ping's expression changed and he resisted this pressure!

Chen Ping could feel that Fan Jiang's aura was extremely strong. He had obviously been at the peak of Wuhou for a long time, but he just missed the opportunity to reach the realm of Great Wuhou!

Chen Ping's face was full of solemnity, the dragon crystal on his chest suddenly shone with light, and a large amount of dragon power began to swim around his body!

Chen Ping is planning to find an opportunity to use the Qiankun Circle to escape!

However, it takes a certain amount of time to use the Qiankun Circle. By then, Fan Jiang would take action because he was afraid that the space-time teleportation array of the Qiankun Circle would not be ready yet.

"Come again..."

Chen Ping shouted, and the power of the dragon swarmed in again, rushing towards the Dragon Slaying Sword!

The Dragon-Slaying Sword burst out with dazzling golden light, and a golden dragon slowly appeared, hovering above the sword light of the Dragon-Slaying Sword!

Chen Ping swung his sword, golden light poured out, and the hovering golden dragon let out a roar and flew straight towards Fan Jiang!

Fan Jiang frowned, not daring to wait for orders. He slowly raised his hands, and a burst of energy was slowly injected into the tiger head knife!

The next second, Fan Jiang shouted angrily and waved his hands suddenly!

The blade roared out, and the tiger carved on the tiger head knife seemed to have come to life. It roared loudly and then jumped up!

Rumble...

The dragon and the tiger collided, and the terror spread to all directions.

The golden dragon figure was instantly dissipated after being hit by the fierce tiger. The terrifying blade was still sharp and headed straight for Chen Ping.

The blade was extremely fast and struck straight at Chen Ping.

boom!

There was another loud noise, and Chen Ping was instantly scratched with a wound on his chest.

The body also flew backwards heavily.

Fan Jiang hit the target, but did not stop his hand. Instead, his hands slid and sharp blades struck again.

Chapter: 2398

Quickly across Chen Ping's body.

Swish, brush, brush...

Chen Ping's body was scratched by sharp edges, and blood suddenly shot out.

After a while, Chen Ping's body was already covered in scars!

Chen Ping's expression changed drastically, and the powerful dragon power continued to surround his body, but he still couldn't stop the sharp edge.

Chen Ping's indestructible golden body can be broken, and with his strong body, there is no way to stop this blade!

Seeing Chen Ping's miserable state, Fan Jiang sneered: "With your strength, you can still turn the Kyoto martial arts world upside down. It seems that the martial arts world is really lonely..."

Chen Ping said nothing, gritted his teeth and slowly stood up from the ground.

Since force was no match for Fan Jiang, Chen Ping planned to use magic to trap him. As long as he was given a chance, he could escape with the Qiankun Circle.

A faint blue light emitted from Chen Ping's body, and then a light blue flame burned on the Dragon Slayer Sword!

This is the spiritual fire, the spiritual fire used to refine elixirs!

"Spirit Fire Slash..."

Chen Ping gathered the aura in his body and slashed out with a sword in an instant.

This time, a roaring fire dragon appeared. After letting out a dragon roar, it spit out spiritual fire and quickly rushed towards Fanjiang!

Fan Jiang's eyes narrowed: "You can actually use spiritual fire, you really have some skills..."

After Fan Jiang finished speaking, his hands shook slightly, and he muttered words. A tiger roar came out, and a tiger like a tiger made of ice appeared out of thin air.

The tiger roared loudly, and pillars of water shot up into the sky.

Fire and water are incompatible, and life and death are incompatible with each other.

"Destroy it for me..."

Fan Jiang shouted loudly, and the ice tiger rushed straight towards the fire dragon.

sizzling.....

There was a sound that sounded like a burning fire.

The spiritual fire on the fire dragon's body dimmed a lot, but it did not go out. Instead, it broke through the ice tiger and headed towards Fanjiang.

“Samadhi True Fire?”

Chapter: 2399

A flash of panic flashed in Fan Jiang's eyes!

Before he could react, the flames had already fallen on him.

Fan Jiang was instantly enveloped in flames, and the burning sensation made Fan Jiang extremely painful!

Fan Jiang was shocked. Black mist billowed out of his body instantly. The black mist condensed into the shape of armor and wrapped his body directly in it!

He hopes to use this method to extinguish the flames on his body!

Seeing this, Chen Ping hurriedly thrust out his sword. The sword light reaching the sky shone with cold light and stabbed straight towards Fan Jiang.

At this opportunity, if he could kill Fan Jiang with one sword, Chen Ping would no longer have to be chased by this guy.

“What a good boy, you don't run away when you have the chance, but you dare to murder...”

Fan Jiang was furious when he saw Chen Ping taking the opportunity to kill him!

The tiger-headed knife in his hand was swung backhand, and the condensed blade was directed towards him.

Even though he was burned by spiritual fire, Fan Jiang's perseverance was beyond ordinary people. In this situation, he could still resist!

boom!

The sword blades collided with each other, and the hills not far away were cracked and rocks rolled down!

The terrifying power made Chen Ping fall back more than ten meters in an instant, and there were even more wounds on his body.

The flames on Fan Jiang's body were extinguished, and the armor condensed with black mist was also directly damaged.

Although it did not cause substantial harm to Fan Jiang, it still made Fan Jiang look very embarrassed.

His face was covered with smoky marks, and his clothes were in tatters!

Looking at his embarrassed appearance, Fan Jiang's eyes revealed a soul-stirring coldness!

The sharp eyes make people shudder!

"Boy, I will make your life worse than death..."

The aura on Fan Jiang's body began to surge again.

Chen Ping felt the aura on Fan Jiang's body, and his face became even more ugly. He thought he could kill Fan Jiang with one blow!

But after all, he underestimated Wu Hou's peak strength.

Now that he had lost his best chance to escape, Chen Ping began to feel a little regretful.

Chapter: 2400

At this moment, he could only place his hope on the life-saving rune given by Mr. Shi.

"The peak of Wuhou is really powerful, but it's a pity that your talent is ignorant. You haven't stepped into the realm of Great Wuhou for so many years..."

Chen Ping gasped, deliberately irritating Fan Jiang!

He knew that when people are extremely angry, they will make mistakes!

When Fan Jiang heard Chen Ping's humiliation, his face became extremely angry!

For so many years, he has never stepped into the realm of the Great Wuhou. This has always been a pain in Fan Jiang's heart!

Chen Ping is now exposing his scars in front of him, how can Fan Jiang not be angry!

"you wanna die....."

Fan Jiang held the tiger head knife behind his back, and bursts of brilliance began to condense on his hands!

These bursts of brilliance merged with Fan Jiang, and Fan Jiang was still mumbling words!

I saw a string of words flashing in mid-air, twinkling with light.

“Not only are you good at magic, but now it’s time for you to taste my power...”

As Fan Jiang said, the strings of words suddenly came together and burst into dazzling light!

And the terrifying aura immediately moved towards Chen Ping.

Chen Ping frowned tightly, feeling anxious inside!

If this continues, there will be no chance for him to escape!

“Whoosh!”

Soon, a Zhen character was formed in mid-air, like an iron tower!

He pressed hard towards Chen Ping!

Chen Ping suddenly felt the air around him stagnant, and it felt like a huge mountain was pressing down on his body!

The ground beneath his feet began to crack, and Chen Ping’s feet sank into the ground!

Chen Ping didn’t dare to stand still at all. He put away the Dragon-Slaying Sword and waved his palms suddenly, and a golden light instantly greeted him.

boom!

The terrifying energy exploded instantly!
