

The Order 2401

Chapter: 2401

Chen Ping only felt his body pause, followed by endless darkness.

Waves of soreness spread throughout his body, causing Chen Ping to grit his teeth!

I don't know how long it took, but Chen Ping felt as if he was trapped in a cage, surrounded by endless darkness!

Breathing also became extremely difficult!

"I didn't expect you to still be alive..."

At this time, Fan Jiang's voice came from above Chen Ping's head!

Chen Ping realized at this moment that his whole body was directly driven into the ground by the huge force!

No wonder, in an instant, everything went dark and it became difficult to breathe!

A burst of spiritual power instantly condensed on the soles of his feet, and Chen Ping's body jumped out!

Chen Ping stared at Fan Jiang with an extremely ugly face, and even the bursts of severe pain made Chen Ping know that his body might not be able to withstand it for much longer.

Chen Ping fumbled for the life-saving runes on his body, preparing to use the life-saving runes to withstand Fan Jiang's blow, while he took the opportunity to escape.

If the fight continues, there will really be no chance at all.

Fan Jiang seemed to see Chen Ping's intention to escape, and raised the corner of his mouth slightly.

“You want to escape? Don't you want to avenge your girlfriend?”

After Fan Jiang finished speaking, bursts of blood mist began to rise around his body!

The blood-red mist exuded waves of aura that Chen Ping was very familiar with!

This is Su Yuqi's breath!

Chen Ping's eyes widened, and his face became increasingly angry...

He didn't expect that Fan Jiang was also sucking Su Yuqi's blood to improve his strength!

“Your girlfriend's blood is really the best cultivation resource in the world. It's a pity that I took so much and still couldn't break through to the realm of Great Wuhou. It's a pity, it's a pity...”

Fan Jiang looked at Chen Ping playfully. This time, he was irritating Chen Ping.

Chen Ping gritted his teeth. He knew that Fan Jiang was deliberately stimulating him like this, but Chen Ping couldn't control himself at all!

The aura on Chen Ping's body is constantly rising, and his murderous intent is rampant!

A pair of eyes stared at Fan Jiang, wanting to bite Fan Jiang to death!

Chapter: 2402

“Don’t look at me like this, kill me if you can. If you don’t kill me, then I will continue to suck your girlfriend’s blood, and maybe I will still...”

Fan Jiang smiled, with a bit of evil charm in his smile!

“go to hell.....”

Chen Ping was completely angered!

At this moment, he would never consider escaping again!

Seeing the irritated Chen Ping, Fan Jiang showed a satisfied smile on his face!

Chen Ping’s body glowed with a faint golden light, and his whole body was like a shooting star, heading straight towards Fanjiang River.

Fan Jiang was unhurried, sliding his right hand in front of his chest, and a ray of light quickly condensed!

Bang!

Fan Jiang punched out, and the huge fist instantly hit Chen Ping’s chest!

Fan Jiang’s blow directly activated the life-saving runes on Chen Ping!

I saw a red light coming from the life-saving rune, and a huge force made Fan Jiang fly backwards in an instant.

Chen Ping fell to the ground and looked at the runes on his chest. The life-saving runes had turned into ashes and disappeared!

Chen Ping knew that if there were no life-saving runes, he would definitely be dead from Fan Jiang's blow just now!

Fan Jiang stood up and wiped the blood from the corner of his mouth: "What a powerful life-saving rune, but now I see what else you can use to save your life..."

Fan Jiang walked toward Chen Ping step by step, and the aura on his body increased with every step, bringing endless oppression to Chen Ping!

Chen Ping knew that with his current strength, fighting with Fan Jiang would mean hitting an egg against a stone!

Standing up slowly, Chen Ping took a deep breath and said with firm eyes: "Fight..."

After saying that, Chen Ping bit down suddenly, and a mouthful of blood spurted out from the tip of his tongue.

Immediately afterwards, the blood mist was quickly absorbed by Chen Ping's body, and the aura on Chen Ping's body began to rise rapidly.

Chen Ping's cultivation is growing rapidly, his golden light is booming, and his indestructible golden body has been reactivated!

"Burning essence and blood? It seems that your girlfriend is really important to you..."

Fan Jiang narrowed his eyes slightly!

He knows the consequences of burning blood essence. Once the blood essence is burned and the cultivation level is forcibly improved, then the practice may be affected in the future. If the blood essence is burned out, he will be completely reduced to a useless person and will never be able to practice again!

Chapter: 2403

Fan Jiang didn't expect that Chen Ping would be so enraged that he would burn his essence and blood to death after just two words from him!

However, Fan Jiang is not afraid. Even if Chen Ping burns his essence and blood to forcibly improve his cultivation, it will still be far behind him.

He is now at the peak of Wuhou, and is simply incomparable to Chen Ping.

“go to hell.....”

Chen Ping roared angrily, his eyes flashed with cold light, and streaks of golden light surrounded his fists!

“Holy Light Fist...”

A gust of wind blew up instantly, and the fists were blowing, carrying the aura of death and heading towards Fan Jiang!

Cracks appeared under Chen Ping's feet, spreading densely tens of meters away!

It can be seen that Chen Ping's punch used up all his spiritual power!

The smile on Fan Jiang's face instantly solidified, and was replaced by an extremely thick one!

Then there was a loud shout and a punch to meet him!

boom!

The Holy Light Fist collided with Fan Jiang's breath!

The rocks made a rumbling sound and began to collapse!

Smoke and dust were everywhere, and the earth was shaking!

Fan Jiang took a few steps back, and Chen Ping's improvement in cultivation greatly increased his strength!

But just before the smoke and dust dispersed, Chen Ping's figure suddenly emerged from the smoke and dust, and endless brilliance shone on Chen Ping's boxers!

Fan Jiang was stunned, and raised his hand to create a barrier. Unfortunately, the barrier was penetrated instantly, and then he received a solid punch from Chen Ping in the chest!

Fan Jiang's body flew out and hit the hillside not far away, causing the mountain to shake!

Fan Jiang looked at Chen Ping coldly: "I didn't expect that your strength would increase so much by burning blood essence. It's a pity that your blood essence can't last long..."

"A quarter of an hour at most. After a quarter of an hour, you will be reduced to a useless person who can be slaughtered by others!"

"Fifteen minutes is enough to kill you..."

Chen Ping had murderous intent on his face. Since he chose to burn his essence and blood, he must kill Fan Jiang!

"Hahaha, you are too confident. Even if you burn your essence and blood, how can you compare to me, a young boy who dares to speak so brazenly..."

Chapter: 2404

Fan Jiang laughed loudly, his eyes full of amusement!

Chen Ping ignored Fan Jiang. He didn't have much time and couldn't waste a minute!

I saw Chen Ping's feet shake, and his body rushed directly towards Fan Jiang like Li Xuan's arrow!

The golden fist smashed out with a devastating force.

Fan Jiang's face turned cold, but his figure suddenly disappeared. Chen Ping's punch hit the hill directly!

Rumble.....

Suddenly, the entire hill began to roar, like a volcano erupting, with rocks flying everywhere and the mountain collapsing!

Chen Ping frowned and his face became a little ugly!

If this Fan Jiang just dodges and doesn't confront him head-on, when the time comes, Chen Ping will become a useless person in an instant.

"Are you afraid of me?"

Chen Ping said sarcastically to Fan Jiang.

"Afraid of you?" Fan Jiang sneered: "I told you, even if you burn your essence and blood to forcibly improve your cultivation, you are still worthless in front of me!"

"If you're not afraid, why do you need to hide?"

Chen Ping asked coldly.

“I know you are irritating me, but I will give you a chance, and I will make you convinced that you have lost...”

After Fan Jiang finished speaking, the aura on his body wrapped around him tightly.

Chen Ping’s energy and blood were also burning. After roaring angrily, the golden light on his body actually had a faint blood-red color!

When Fan Jiang saw this, he also became crazy, and his endless aura became stronger and stronger.

“bring it on.....”

Fan Jiang shouted loudly, and then punched out, the wind came out, and the tiger roared...

Chen Ping did not hesitate and also waved his fist!

The wind of the fist came out, the dragon roared...

The two of them fought together without hiding anything.

Chen Ping knew that he didn’t have much time, so he punched hard every time!

Chapter: 2405

In an instant, the two of them were fighting dozens of moves!

Fan Jiang became more and more frightened as he fought. He did not expect that the power Chen Ping unleashed was so terrifying!

Moreover, Chen Ping’s body is extremely ferocious, and he is not afraid of fighting across levels!

The light on Fan Jiang's body became dimmer and dimmer, which made Fan Jiang's eyes full of shock!

But Fan Jiang was not afraid. If it didn't work, he would use his speed to delay time!

As long as the time is up, Chen Ping will become a dead dog at the mercy of others!

"go to hell....."

Chen Ping punched suddenly, brilliance spread everywhere, and a golden dragon instantly penetrated Fan Jiang's body!

Fan Jiang was startled and retreated quickly. At this moment, he felt a terrifying force in his body spreading to all directions!

Suddenly there was a muffled sound, and a blood hole appeared in Fan Jiang's chest. The blood flowed out instantly, staining the ground red!

Fan Jiang looked down at his injured body, with anger in his eyes!

"You can be considered a genius if you can hurt me like this..."

After Fan Jiang finished speaking, waves of black mist filled his body. The black mist condensed on the wound on his chest, and finally healed the wound.

Chen Ping frowned. He didn't expect that he couldn't kill Fan Jiang!

The peak of Wuhou is really not to be underestimated!

"Come again..."

Chen Ping was full of fighting spirit and shouted angrily!

Chen Ping flashed out and headed straight for Fan Jiang.

But Fan Jiang kept retreating, deliberately avoiding Chen Ping's attack.

"Don't you dare fight me?"

Chen Ping asked when he saw Fan Jiang retreating continuously to avoid his attacks.

"You are struggling to your death right now, why should I bother you? When the time comes, you will naturally submit obediently."

Fan Jiang no longer wanted to fight with Chen Ping. After all, Chen Ping didn't have much time left.

"You are the peak Martial Lord, but are you sometimes afraid?"

Chapter: 2406

Chen Ping sneered at Fan Jiang.

But this time Fan Jiang smiled coldly: "It's useless. There's no need to use aggressive methods against me. When the time comes, you will find that what you are saying now is all nonsense..."

Chen Ping's face was gloomy and he was not talking. He knew that he didn't have much time and couldn't waste any more time!

Then Chen Ping burst out with aura and headed towards Fan Jiang.

But Fan Jiang kept using his speed to dodge.

Chen Ping gritted his teeth and punched out one punch after another, but it was all useless! Remember URL

Fan Jiang's speed was so fast that the two of them were like a cat and a mouse!

Fan Jiang had a sneer on his face and seemed to enjoy the feeling of being chased!

Chen Ping stopped and looked at Fan Jiang coldly!

"What? No more energy?"

Fan Jiang asked with a smile.

Chen Ping said nothing, his eyes glowed with coldness!

Seeing Chen Ping not moving, Fan Jiang also stopped!

Chen Ping raised his hands, his feet shook slightly, and then he muttered something!

Rays of light filled the air from Chen Ping's feet!

Suddenly, the surrounding scenery changed, and the two people seemed to have changed into a different space!

"Space magic..."

Fan Jiang frowned slightly when he saw this.

At this moment, Chen Ping's dragon crystal kept flashing, and the blood essence in his body kept boiling.

The cold sweat on his forehead dropped to the ground and evaporated in an instant.

Chen Ping didn't know much about space magic, and he couldn't do it like Ge Fuhai, who could create a space at will with just a wave of his hand!

Now he can only try his best to use space magic to see if he can control Fan Jiang!

At this moment, Fan Jiang was trapped in this space, and his whole body felt a heavy sense of restraint!

"Now, let me see where you are going to run..."

Chapter: 2407

Chen Ping stopped his feet and rushed towards Fan Jiang!

Fan Jiang did not dodge this time, but waved his fist shadows to attack!

Bang bang bang.....

The two people were very fast, and they collided with each other in an instant, and saw golden lights flashing.

Soon, the two people separated, and the wounds on Chen Ping's body from the bombardment were shocking!

Chen Ping gasped and stared at Fan Jiang!

He made a fatal mistake at this time.

Although he used space magic to trap Fan Jiang, the huge consumption of spiritual power caused by using space magic meant that he could not gain any advantage in fighting with Fan Jiang!

If it continues like this, within a few minutes, Chen Ping will know that he will definitely lose!

Fan Jiang also noticed this, with a bit of a sinister smile on his face: “You must have consumed a lot of strength when you cast this space spell, right? Now that you are burning blood and essence to increase your strength, let me see how long you can last!”

“ah.....”

Chen Ping spurted out another mouthful of blood, his face was ferocious, and he reluctantly headed towards Fan Jiang again.

The golden fist carried endless pressure, and Chen Ping used all his strength with every punch!

Fan Jiang followed Chen Ping with all his strength to fight!

Without any carelessness, Fan Jiang knew that this was Chen Ping’s last desperate struggle!

After a dozen punches!

Although there were some wounds on Fan Jiang’s body, they were not serious!

Chen Ping was extremely desperate in his heart. He gasped and looked at Fan Jiang with a look of reluctance on his face!

The surrounding scenery is slowly changing and returning to its original appearance!

And the aura on Chen Ping’s body is slowly disappearing!

“Ah...how could this happen? Why...”

Chen Ping yelled with a painful expression!

He hasn't even met his mother yet, Su Yuqi is still suffering, he hasn't rescued her yet, and she still doesn't know her identity.

But did he die like this?

Chapter: 2408

Chen Ping was unwilling to give in, but the breath on his body was disappearing quickly, and finally Chen Ping's body collapsed!

He wanted to get up again, but found that his body had no strength at all!

Fan Jiang stepped forward and looked down at Chen Ping coldly!

And now Chen Ping is just like Fan Jiang said, like a dead dog, being slaughtered by others!

“You have a lot of treasures on you. It seems I can't just send you to hell...”

Fan Jiang said with a sneer.

Chen Ping didn't speak. He was still working hard. He wanted to stand up!

Although there is no trace of spiritual power in his body, Chen Ping still has to stand up with the strength of his body.

Even if he dies, he can't die like a dead dog!

But just as Chen Ping raised his head, he was stepped down by Fan Jiang.

Plop.....

The half of the body that was finally lifted fell back heavily.

“Stop struggling, it’s useless. Now hand over all the treasures on your body, and I will let you choose the most comfortable way to die...”

Fan Jiang looked down at Chen Ping with a disdainful smile on his face!

“You’re dreaming...”

Chen Ping glared at Fan Jiang fiercely!

Although he knew he was going to die, Chen Ping would not let Fan Jiang get anything!

“Okay, since you don’t hand it over, then I will crush your head...”

Fan Jiang said, raised his foot and stepped on Chen Ping’s head!

But Fan Jiang’s feet stopped in mid-air before they even landed!

He felt a powerful breath coming from him!

Then I saw a figure approaching from far away!

I couldn’t see the man walking, but his figure was approaching rapidly!

Fan Jiang's heart trembled, he took his feet back and stared at the person coming!

Chapter: 2409

The person who came was wearing a Chinese tunic suit, wearing glasses, and looked polite.

But the aura on his body was extremely strong. After Fan Jiang saw the person clearly, his face suddenly became very ugly!

"Mr. Shi....."

Fan Jiang narrowed his eyes slightly!

Mr. Shi didn't even look at Fan Jiang, but focused on Chen Ping, who was covered in blood!

"When will you temper your temper and become less impulsive..."

After Mr. Shi finished speaking, he waved his palm lightly, and a soft breeze blew against his face. Chen Ping felt a surge of strength in his body, and he stood up all of a sudden!

"Mr. Shi....."

Chen Ping faced Mr. Shi with a look of embarrassment on his face!

"You had the chance to escape, why didn't you escape? Is it just because of a few mocking words?"

"What can a few words do? Before you have absolute strength, patience is the most important thing for you to do."

"Knowing that you can't do something but still doing it is courting death!"

“Not every time you will have such good luck, and not every time someone will come to save you!”

“Do you know how many people are waiting for you? Your life is not your own. There are many people waiting for you.”

“Do you understand what I’m saying?”

Mr. Shi’s face was calm, but every word he said had an extremely stern tone!

It’s like an elder scolding his child!

Chen Ping’s face turned red and white when Mr. Shi said it, and he lowered his head, like a child who had made a mistake!

Fan Jiang was standing aside, but Mr. Shi regarded him as air, which made Fan Jiang’s heart continue to burn with anger!

“His surname is Shi, I want to kill Chen Ping today. Do you want to meddle in other people’s business?”

Fan Jiang’s face turned red and he yelled at Mr. Shi.

Mr. Shi slowly turned to look at Fan Jiang: “You can’t kill him...”

“Why?” Fan Jiang was stunned!

“Because I’m here, you can’t kill him!”

Chapter: 2410

Mr. Shi said calmly.

“Hmph, twenty years ago, I was no match for you, but now you can’t decide who will live and who will die...”

Fan Jiang’s aura suddenly surged!

“I could kill you twenty years ago, and I can still kill you now...”

Mr. Shi’s face remained calm, and he still spoke in that unhurried tone.

Although the tone is gentle, there is a firmness to it!

Fan Jiang’s face turned ugly, and he took the tiger head knife in his hand instantly!

But looking at Mr. Shi’s calm look, Fan Jiang’s heart was in turmoil!

I haven’t dared to take action against Mr. Shi yet!

After a while, Fan Jiang actually put away the tiger head knife.

“Since you want to save this Chen Ping, then I won’t kill him. Anyway, the Martial Arts Alliance wants him dead. I don’t have to go against you for the sake of the Martial Arts Alliance!”

After Fan Jiang finished speaking, he turned around and left!

He followed Chen Ping without any grievances. He was just entrusted by Zhu Zhishan. There was no need to follow Mr. Shi against him just for this matter!

Because Fan Jiang was unsure, he didn’t know if he was Mr. Shi’s opponent!

“Did I let you go?” Mr. Shi asked.

Fan Jiang was stunned: “I won’t kill him anymore, what else do you want?”

“kill you.....”

Mr. Shi said slowly!

kill you!

These two short words made Fan Jiang tremble and take a few steps back!

“Don’t think I’m afraid of you. If we fight, both sides will lose...”

Fan Jiang looked at Mr. Shi cautiously and said.

“Both sides suffer?” Mr. Shi suddenly smiled: “You deserve it too...”

As soon as he finished speaking, Mr. Shi’s aura suddenly changed!
