

The Order 241

Chapter: 241

“What time is it now? I think he is just too scared to come...”

Wang Lanlan smiled coldly!

“This Chen Ping has his eyes higher than his head. He has no other ability except bragging...”

Sun Xiaomeng also said, she had already hated Chen Ping to death in her heart!

Wang Hanhan’s face was filled with anxiety as she dialed Chen Ping’s number!

But just as the call was connected, a ringing sound was heard, and Chen Ping had already walked into the office!

Chen Ping was so involved in practicing last night that he woke up too late in the morning!

“Brother Chen Ping, you’re finally here. I thought there was something wrong with you!”

Seeing Chen Ping coming, Wang Hanhan hurriedly greeted him!

“What can happen to me! I just played too late last night and didn’t get up...”

Chen Ping smiled slightly and said!

“Chen Ping, you are at work now. You must have a sense of time. Now you are ten minutes late. According to company regulations, you will be fined five hundred yuan...”

Cui Zhiyuan said loudly to Chen Ping!

Chen Ping has only been working for a few days, and he is afraid that he has not earned five hundred yuan in wages. The penalty of five hundred yuan for being late is indeed a lot!

“Manager Cui, isn’t the fine of five hundred for being late a little too much? Besides, this is the first time Brother Chen Ping is late, so he must be given a chance!”

Wang Hanhan begged Chen Ping for mercy!

“The rules are the rules, there is no favoritism...” Cui Zhiyuan smiled coldly!

“Just punish him, it doesn’t matter...” Chen Ping didn’t care!

Seeing that Chen Ping didn’t care at all, Cui Zhiyuan was very angry, so he said to Chen Ping: “Chen Ping, do you remember what you said yesterday? If you can’t get the Tianmei Daily Chemical contract today, just get out of here!”

“No problem!” After Chen Ping said that, he sat directly at his desk and ignored Cui Zhiyuan!

Seeing Chen Ping’s attitude, Cui Zhiyuan almost lost his temper, but when he thought that Chen Ping would get out soon, Cui Zhiyuan calmed down a lot!

“Brother Chen Ping, Wu Yifan told me yesterday that one of our classmates works at Tianmei Company, and he seems to be an office director now. I’ll go find him, maybe the chance will be better...”

Wang Hanhan followed Chen Ping and said!

“You don’t have to worry about it, I can handle this myself...”

Chapter: 242

Chen Ping didn't want Wang Hanhan to have to worry about this matter. He had already told it to Lin Tianhu, and Lin Tianhu had probably made arrangements for it by now!

Wang Hanhan didn't believe that Chen Ping had the ability to sign the contract of Tianmei Company. The reason why Chen Ping said this was just because he didn't want to worry himself!

Wang Hanhan didn't say anything, but silently picked up the phone and secretly called his classmate!

After a while, Wang Hanhan left with her bag. She did not call Chen Ping. She wanted to clear the relationship first and then let Chen Ping come forward, which would be easier!

After taking a taxi, Wang Hanhan came to the downstairs of Tianmei Company. A dozen-story office building stands on the bustling streets of Hongcheng. In the daily chemical industry, Tianmei can be regarded as a leading company!

Wang Hanhan walked to the door and was stopped by a security guard: "What do you do?"

"Brother Security, I'm here to see Director Li Jian!"

Wang Hanhan followed the security guard very politely and said!

"Our company has regulations. You need to have someone come out to pick you up before you can enter..."

The security guard blocked Wang Hanhan and said!

When Wang Hanhan saw this, he could only take out his mobile phone and called his classmate Li Jian!

After a while, a young man in a suit and leather shoes, with hair full of hairspray and glasses came out.

"Li Jian....."

Wang Hanhan waved towards Li Jian!

Li Jian walked quickly towards Wang Hanhan. After seeing Li Jian, the security guard immediately shouted respectfully: "Director Li..."

"This is my classmate. Please keep an eye on her from now on. She is coming to our company. Don't stop her..."

Li Jian scolded the security guard!

Li Jian showed off his official authority, as if he were a senior official of several levels!

"Yes, yes..." The security guard nodded repeatedly!

"Hanhan, come in with me..." Li Jian led Wang Hanhan into the company!

"Bah, what the hell..." Looking at Li Jian's back, the security guard spat hard!

"Li Jian, you are doing well now..."

Wang Hanhan said with emotion.

"It's just so so..." Li Jian smiled slightly!

Chapter: 243

Entering the office, Li Jian poured Wang Hanhan a cup of coffee!

Wang Hanhan took a look at the luxuriously decorated office, with a bit of envy in her eyes. They were also classmates, and they were now promoted to the position of director, but she had just found a job!

“Didn’t anyone notify you of the class reunion last night?”

Wang Hanhan took the coffee and asked Li Jian!

After all, they are all classmates and we are still in the same city. Li Jian should not have been notified of yesterday’s class reunion, not to mention that Li Jian is doing well now!

“Notified, but I didn’t go. I have a lot of things to do. How can I have so much free time? I heard that Leng Bing also went?”

There was a bit of disdain in Li Jian’s eyes. It was obvious that he looked down on these so-called classmates, so he did not go to the class reunion!

Hearing Li Jian mention Leng Bing, Wang Hanhan’s face instantly flashed with embarrassment!

Li Jian pursued her when she was in school, but Leng Bing was very famous in school at that time, and Wang Hanhan was attracted, so she did not agree to Li Jian’s pursuit!

From that time on, Li Jian regarded Leng Bing as his enemy and worked hard to improve himself. After graduating with honors, he came to work at Tianmei Company. In just a few years of hard work, he got the position of office director!

“Leng Bing also went. He is now Zhang Miao’s boyfriend...”

Wang Hanhan explained!

The reason why Wang Hanhan followed Li Jian to explain was that he hoped that Li Jian would not mind what happened at school before. After all, Wang Hanhan now wanted something from him...

“Did you break up?” Li Jian asked calmly.

“Yeah!” Wang Hanhan nodded!

“So cold, handsome, and rich, why did you break up? Don’t you just like his handsomeness and richness?”

Li Jian’s tone began to sound a bit sarcastic!

“I...” Wang Hanhan didn’t know what to say, but he could hear the gloating in Li Jian’s tone!

Seeing Wang Hanhan like that, the smile on Li Jian’s face became even stronger, and then he continued to ask Wang Hanhan: “Why did you come to me?”

“I’m currently working as a salesperson at Xinyu Company. I hope to sign a cooperation agreement with Tianmei, so I hope you can help...”

Wang Hanhan said!

After listening to Wang Hanhan’s words, Li Jian suddenly laughed: “Do you know how much our Tianmei contracts are? Each transaction is at least tens of millions. Even a small salesperson like you wants to sign a cooperation with our Tianmei. ?Isn’t this a joke?”

“I know that cooperation with Tianmei is difficult to negotiate. Didn’t I just come to you? You are the director of Tianmei Company and you must have your own connections. I hope you can help. I will definitely not forget you after the matter is completed... ..”

Wang Hanhan said eagerly!

Chapter: 244

She must find a way to negotiate the contract so that Chen Ping will not be fired, otherwise Chen Ping will definitely be fired by Cui Zhiyuan!

“Hahaha...” Seeing Wang Hanhan’s pleading look, Li Jian laughed crazily, as if he was going crazy, which made Wang Hanhan’s eyes look a little frightened.

“Wang Hanhan, are you begging me now? Do you still remember what you said about me when I pursued you? At that time, there was only that coldness in your eyes, and I was worse than shit in your eyes, but now you He actually came to beg me...”

Li Jian was venting the anger he had suppressed in his heart for many years: “I can tell you the truth, for Tianmei’s cooperation now, I only need one sentence. Our managers all listen to me, but why should I help you?”

Wang Hanhan looked embarrassed. In school, she really looked down on Li Jian and ignored him, but now she is demanding him!

If it weren’t for Chen Ping, Wang Hanhan would not have come to see Li Jian if she really wanted to leave!

“It was my fault in the past, it was my shortsightedness...” Wang Hanhan lowered her head and devalued herself desperately!

As long as she can sign the contract, Wang Hanhan will not hesitate even if she is asked to kneel down!

Seeing Wang Hanhan’s humble look, Li Jian was greatly satisfied. He received a call from Wang Hanhan and called Wang Hanhan to the company just for this moment and to vent his emotions!

“Wang Hanhan, I won’t embarrass you. Since we are classmates and I have liked you, you just need to agree to sleep with me, and I will take you to see the manager to sign the contract right away...”

Li Jian’s eyes flashed lustfully, and the corners of his mouth were raised high!

When Wang Hanhan heard this, she was stunned. She never expected that Li Jian would make such a request!

“Li Jian, you...are you still a human being?” Wang Hanhan’s eyes were filled with anger!

“Since you don’t agree, there’s nothing more to say. You can leave...”

Li Jian smiled coldly!

Wang Hanhan really wanted to slam the door and leave, but when she thought of Chen Ping, Wang Hanhan didn’t move!

“Li Jian, you...can you change your request and kowtow to you, even if you are a horse...”

Wang Hanhan looked at Li Jian pleadingly!

“I only have this one request. If you don’t agree, then there’s no need to discuss it. I’ll give you ten minutes to think about it. After that time, it’s useless for you to stay with me...”

After Li Jian finished speaking, he walked out of the office directly, leaving Wang Hanhan alone in place!

As soon as Li Jian walked out of the office, he met a man and a woman walking towards him. The man’s arm was still bandaged!

These two people are Xiao Lei and Geng Shanshan, and they are also here to discuss cooperation!

Tianmei Company and the Xiao family have almost reached the point of negotiation, which is basically called taking it down, and many middle-level people in Tianmei Company have taken advantage of the Xiao family!

When Li Jian saw Xiao Lei coming in person, he immediately ran over with a flattering look on his face: “Master Xiao, I didn’t expect you to come in person!”

Chapter: 245

In fact, as the young master of the Xiao family, Xiao Lei certainly didn't have to come in person, but in order to humiliate Chen Ping, he still rushed over despite his injuries!

"Is anyone from Xinyu Company here?"

Xiao Lei asked Li Jian.

"Here, it's in my office!" Li Jian nodded!

"Coming?" Xiao Lei's eyes flashed: "Take me immediately to see if a young man is here!"

"No, it's a girl, our classmate, who came here to ask for my help..."

Li Jian said with a puzzled look!

When he heard it was a girl, Xiao Lei was stunned for a moment and frowned slightly: "That shouldn't be the case. Then why didn't Chen Ping come? Is he afraid?"

"Could this guy Chen Ping know that he has no ability to discuss cooperation, so he doesn't even dare to come because he's afraid of being embarrassed?"

Geng Shanshan was also a little puzzled!

"No, unless this guy resigns, otherwise he won't dare not listen to Xing Jun's words..." Xiao Lei shook his head and said!

Li Jian was confused as he listened to the two people talking. The Xiao family and the Su family have always been competitors, why did Xiao Lei suddenly care about the Su family today!

"Mr. Xiao, there is indeed only one girl who came to Xinyu Company. She is my classmate. I left her in the office..."

Li Jian said again with confirmation!

“Director Li, your old classmate came to plead for mercy. You won’t let it go, right?”

Xiao Lei looked at Li Jian and said!

“No, no, no, how is it possible? Tianmei must cooperate with the Xiao family. Since I have taken the Xiao family’s money, I must do things for the Xiao family!”

Li Jian quickly waved his hand and said!

“That’s good, the benefits will be yours in the future!” Xiao Lei nodded.

This time Chen Ping didn’t come. Although Xiao Lei was a little disappointed, it was a good thing to win Tianmei’s cooperation!

But just when Xiao Lei was following Geng Shanshan to the general manager’s office on the roof to discuss cooperation, Chen Ping’s figure suddenly appeared at the door!

It’s just that Chen Ping was stopped by the security guard and didn’t let him in at all!

When Xiao Lei saw Chen Ping, his eyes suddenly lit up and he walked over with a sneer on his face!

Geng Shanshan also looked arrogant, holding Xiao Lei’s arm, her eyes full of disdain!

Chapter: 246

“Hey, isn’t this Chen Ping? I heard that he is now a salesperson and was dumped by Miss Su? He even moved out of the villa...”

Xiao Lei looked at Chen Ping with a sarcastic expression and said!

Chen Ping looked at Xiao Lei and Geng Shanshan and felt a little surprised. Although he knew about Tianmei Company's cooperation and the Xiao family had been negotiating, he didn't expect Xiao Lei to come.

However, seeing that Xiao Lei's arm was still bandaged and Geng Shanshan also came with him, Chen Ping immediately understood that today's so-called cooperation negotiation might be aimed at him. Xiao Lei should have known about his return for a long time. Come here and wait to humiliate yourself!

The Su family and the Xiao family were originally competitors, but now Xiao Lei actually knew in advance that he was coming to discuss cooperation. That must be someone within the company who informed Xiao Lei in advance!

Soon, a person flashed in Chen Ping's mind, and that was Xing Jun!

Thinking of this, Chen Ping raised the corner of his mouth slightly: "Why, your arm is feeling better? Do you want me to loosen your bones?"

When Xiao Lei heard this, he was so frightened that he couldn't help but step back. He knew Chen Ping's strength!

"Chen Ping, you don't have that bitch Su Yuqi to protect you now. You are still a piece of shit. You still dare to talk to Brother Lei like this..."

Geng Shanshan scolded Chen Ping!

Chen Ping's eyes narrowed slightly, and a cold light flashed in his eyes: "Did you not brush your teeth? It stinks too much..."

After saying that, Chen Ping stepped forward and slapped Geng Shanshan hard!

Before anyone had time to react, half of Geng Shanshan's face was already red and swollen!

Li Jian on the side was stunned when he saw that Chen Ping dared to attack Geng Shanshan!

Who doesn't know that Geng Shanshan is Xiao Lei's girlfriend? Chen Ping, a guy who looks ordinary, dares to attack Mr. Xiao's girlfriend. He simply doesn't want to live anymore!

"Boy, you dare to take action at the door of our company. This is totally counter-intuitive!" Li Jian roared: "Security, arrest this kid..."

Soon, the two security guards rushed to arrest Chen Ping!

Li Jian didn't notice that after Chen Ping beat Geng Shanshan, Xiao Lei didn't dare to speak. He, a small company director, dared to let people attack Chen Ping!

Chen Ping turned sideways and easily dodged the two security guards, then looked at Li Jian and said, "I'm from Xinyu Company here to discuss cooperation!"

"Hmph, our Tianmei company will not discuss cooperation with uneducated people. Besides, we have decided to cooperate with the Xiao family. You should get out..."

Li Jian snorted coldly!

Chen Ping frowned slightly: "Are you the general manager of Tianmei Company?"

"I'm not the manager, I'm the office director, but I've said what I say about cooperation. You'd better get out..."

Li Jian said coldly!

Chapter: 247

"Chen Ping, don't you just have some skills? Do you really think no one can cure you? There is no Su Yuqi to take care of you now, let's see if I don't find someone to kill you..."

Xiao Lei said with murderous intent in his eyes!

Chen Ping actually hit Geng Shanshan in public, which was equivalent to hitting him in the face, which made him lose face!

“Don’t kill him immediately, torture him to death, and it’s best to kill his blind mother and father together...”

Geng Shanshan was slapped by Chen Ping, and she was already filled with anger. She gritted her teeth and looked at Chen Ping and said!

When Chen Ping heard that Geng Shanshan actually talked about his parents, his face suddenly became extremely cold, and the murderous aura in his body enveloped Geng Shanshan in an instant!

Geng Shanshan suddenly felt a chill all over her body, and then she trembled. She was so frightened that she hurriedly took two steps back and hid behind Xiao Lei!

Xiao Lei felt the murderous aura in Chen Ping’s body and was so frightened that he didn’t dare to say anything anymore!

And Li Jian roared angrily: “Security, kick him out, throw him away...”

Soon, five or six security guards gathered around!

“How dare you, a mere office director, be the boss of the company?”

After Chen Ping finished speaking, he walked straight into the company.

The security guards hurriedly saw this and took action against Chen Ping!

At the same time, in the top floor office of Tianmei Company, General Manager Gao Ren was walking back and forth like an ant on a hot pot!

He is very nervous now. After receiving the notice from Lin Tianhu that Chen Ping was coming to discuss cooperation, Gao Ren could not calm down!

Gao Ren also attended Gu Wentian's banquet, so he saw with his own eyes the respectful attitude of Lin Tianhu and Gu Wentian towards Chen Ping, especially when Chen Ping defeated Feng Sihai with one kick, which left a deep impression on Gao Ren. impression.

Everyone present at the time wanted to curry favor with Chen Ping, and Gao Ren was one of them. However, they were very soft-spoken and never found a chance to contact Chen Ping. This time, Gao Ren was nervous when he heard that Chen Ping actually came to discuss cooperation in person. Cold sweat broke out on his forehead. He was afraid that he would offend Chen Ping if he did not entertain him well. However, this was also an opportunity to make friends with Chen Ping, so Gao Ren must seize it!

"Xiao Li, haven't the people from Xinyu Company come to discuss cooperation yet?"

Gao Ren looked at the time and asked his secretary!

"I don't know, I'll go down and take a look!" the secretary said!

"Remember, when people from Xinyu Company come, you must invite them up..."

Gao Ren warned his secretary!

"Got it!" The secretary hurried downstairs!

But as soon as I walked into the lobby, I saw a lot of people gathered at the door, and several security guards were surrounding one person and were about to take action!

Chapter: 248

“Stop, what are you doing? You are making a lot of noise in front of the company. What do you look like?”

Secretary Li walked over angrily!

When Li Jian saw that the general manager’s secretary was coming, he immediately waved his hand and told the security guards to disperse. Then he said with an apologetic smile: “Secretary Li, this guy is making trouble in our company and beating people, so I called the security guards. of.....”

“Hit someone?” Secretary Li looked at Chen Ping and said to Li Jian: “If you cause trouble, rush away. If you come to discuss cooperation in a while, let people see what it’s like!”

“Yes, yes, I will have him blasted away right now...” Li Jian nodded repeatedly and waved to the security guards on both sides again, and the security guards surrounded him again!

“Secretary Li...” Xiao Lei smiled slightly at Secretary Li and said hello!

If you want to win the cooperation of Tianmei, you have to take care of all the managers in the company!

When Secretary Li saw Xiao Lei, he just nodded slightly, and then asked Li Jian: “Have the people from Xinyu Company not arrived yet? Remember to inform Mr. Gao immediately when you arrive...”

After Secretary Li finished speaking, Li Jian was slightly stunned, and immediately pointed at Chen Ping and said: “He...he is...”

When Secretary Li heard this, his expression suddenly changed!

Gao Ren had been panicking about this thing early this morning, but she had always seen it. Although she didn’t know who the big shot was from Xinyu Company, but looking at Gao Ren like that, she definitely couldn’t offend him!

Now Li Jian actually said that the person in front of them who was about to be blasted away was sent by Xinyu Company, and Secretary Li's heart suddenly skipped a beat!

"Get out of here, get out of here..."

Upon seeing this, Secretary Li hurriedly stepped forward and scolded the security guards away. Then he looked at Chen Ping with a smile and said, "Sir, I am Mr. Gao's secretary. Mr. Gao is waiting in the office. Please follow me." bring it on....."

Chen Ping nodded slightly and followed Secretary Li upstairs!

When passing by Xiao Lei, Chen Ping raised the corners of his mouth slightly, with a bit of contempt in his eyes!

Looking at Chen Ping's back, Li Jian and Xiao Lei were a little confused and didn't understand what was going on!

"Director Li, didn't you tell me that the cooperation between Tianmei and our Xiao family is already certain? Why did Gao Ren call Chen Ping up?"

Xiao Lei asked Li Jian!

"Yes, I made an agreement with Mr. Gao a long time ago. At that time, Mr. Gao also agreed to choose the Xiao family to cooperate. I don't know what is going on!"

Li Jian was also confused, he couldn't understand what was going on!

"I'll go up and take a look. So many people in Tianmei Company have eaten away at my Xiao family's money. If you dare not cooperate with my Xiao family, I'll make it impossible for you to go around..."

After Xiao Lei finished speaking, he took Geng Shanshan and walked upstairs. No one dared to stop him!

Li Jian stood there with a look of panic on his face. He took the most money from the Xiao family and was also the one who worked the hardest. If the cooperation was really denied to the Xiao family, wouldn't he be in trouble!

Chapter: 249

Thinking of this, Li Jian followed quietly. Although he, as an office director, was not qualified to participate in the discussion of cooperation, it was still okay to listen secretly outside the door.

At this time, in the office on the rooftop, the moment Secretary Li brought Chen Ping into the office, when Gao Ren saw Chen Ping, he was like a fanatical fan meeting his idol!

"Mr. Chen, I am so happy that you are here. Please sit down quickly..."

Gao Ren actually pushed out his office chair and let Chen Ping sit on it!

Gao Ren's enthusiasm made Chen Ping a little overwhelmed. Even if he had asked Lin Tianhu to say hello in advance, he wouldn't be like this!

"Mr. Gao, you...you know me?"

Chen Ping asked with a confused look on his face.

"Of course we know each other. I was also present at the ancient banquet. I can still vividly remember Mr. Chen's majesty at that time. That Feng Sihai didn't even give the ancient face, and was defeated by Mr. Chen in the end. ..."

When Gao Ren mentioned the banquet that day, his heart surged!

At that time, Feng Sihai took the people from the Chilong Gang there and frightened them all. After all, they were all businessmen and had never done anything like fighting or killing.

But later Chen Ping stepped forward to deal with Feng Sihai, which made them all respect Chen Ping!

Seeing Gao Ren mentioning the banquet that day, Chen Ping smiled slightly and finally understood why Gao Ren was so enthusiastic!

Knowing this, he didn't need to bother Lin Tianhu to say hello, he could just come directly!

"I'm just a salesperson now. I just came here to discuss cooperation with Mr. Gao. There's no need to mention the past..."

Chen Ping said very modestly!

"I know, I know..." Gao Ren nodded repeatedly and immediately said to his secretary: "Xiao Li, has the contract I asked you to draw up ready?"

"It's already been drawn up..." Secretary Li hurriedly took out the prepared contract!

"Mr. Chen, take a look first. If you feel that the contract is inappropriate, we can change it..."

Gao Ren handed the contract to Chen Ping!

Chen Ping took the contract and said without even reading it: "No need to read it, I trust Mr. Gao too much..."

"In this case, let's sign..."

Gao Ren quickly took out the pen and handed it to Chen Ping!

But just when Chen Ping was about to sign, Xiao Lei barged in with Geng Shanshan!

"Master Xiao?" Looking at Xiao Lei, Gao Ren frowned slightly!

Chapter: 250

Although Xiao Lei barged in very rudely, Gao Ren did not dare to say anything. After all, the strength of the Xiao family was not comparable to that of his Tianmei Company!

Although Tianmei Company has done a lot in the field of daily chemicals, the Xiao family is developing in an all-round way. It is a group company and involves many industries!

“Mr. Gao, I’m here to discuss cooperation with you. I remember that our two families have always had a good discussion. Why did you suddenly sign the contract with someone else?”

Xiao Lei’s face was very cold!

“Mr. Xiao, we signed the contract with Xinyu Company after many considerations. After all, we are all businessmen, and we care about interests...”

Gao Ren explained with a smile!

“Bullshit, do you think I’m a fool?” Xiao Lei glared: “Xinyu Company sent a small salesperson, and you signed a contract with them, did you take their benefits? You know I’m here on behalf of the Xiao family, but I’ve given you enough face, so don’t be ungrateful...”

Xiao Lei was angry. Originally, he came here to mock Chen Ping, but who knew that he had become a clown. If Chen Ping signed the contract away, where would he put his face?

Seeing Xiao Lei say this, the smile on Gao Ren’s face disappeared instantly.

“Master Xiao, I hope you can speak more clearly. Tianmei Company belongs to me, and I can sign with whomever I want. No matter how powerful your Xiao family is, it is still your turn to decide my company!”

Gao Ren was no longer polite and said with a cold expression!

Xiao Lei was slightly stunned. He really didn't expect that Gao Ren would dare to talk to him like this!

"Are you talking to me like this?" Xiao Lei frowned and his face turned livid: "Believe it or not, within a month, I will ask your company to get out of Hongcheng..."

"Hmph!" Gao Ren sneered: "Whatever, I have nothing to be afraid of!"

Seeing that the threat didn't work, Xiao Lei had no choice but to do anything!

"Mr. Gao, Mr. Gao..." At this time, Li Jian, who was eavesdropping outside, panicked and hurried in: "Right now, whether it is production or sales in our company, I feel that cooperating with the Xiao family is the best choice. , and can also maximize benefits..."

Li Jian took advantage of the Xiao family. If the contract is not negotiated, he will spit out the money. Maybe Xiao Lei will expose the matter!

"Li Jian, when did you start taking care of the contract? Don't forget that you are just the office director. It's not your turn to speak here..."

Gao Ren shouted loudly at Li Jian.

Li Jian was so frightened that he didn't dare to speak out and could only stand aside obediently!

"You strongly recommend cooperation with the Xiao family, are you taking money from the Xiao family?" Chen Ping asked Li Jian.

"You fart, don't slander anyone. Whoever gets the money, I just want to see if your character is not good. A person's character can represent his company..."

Li Jian cursed angrily at Chen Ping!

Gao Ren on the side was stunned for a moment, and then cold sweat broke out on his forehead!
