

## **The Order 2411**

Chapter: 2411

The originally calm face was instantly filled with fierce murderous intent. At this moment, Mr. Shi was like a murderous god!

The cold murderous intent on his body made Chen Ping feel terrified!

Feeling the explosive aura on Mr. Shi's body, Fan Jiang couldn't help but take two steps back again!

"His surname is Shi. We have no grievances between you and me. You don't have to fight to the death with me, do you?"

"I already said, if you let Chen Ping go, you will never cause trouble for him again."

"And the entire martial arts world is already in chaos now. You can't kill me because of my status as an evil cultivator, right?"

"In that case, your officials will kill half of the people in the entire martial arts world!"

Fan Jiang is following Mr. Shi to beg for mercy!

"Stop talking nonsense, let's do it!"

Mr. Shi has made up his mind.

When Fan Jiang saw this, he could only roar. The tiger-headed knife in his hand was like a tiger, and it rose up in waves, and the terrifying blades came towards Mr. Shi overwhelmingly!

Facing that terrifying blade, Mr. Shi slowly raised a hand and looked at it calmly!

Mr. Shi's performance made Fan Jiang even more angry!

The tiger head knife in his hand radiated light, and the blade became even sharper!

But just when the terrifying blade was coming towards Mr. Shi one after another, Mr. Shi raised his right hand and patted it forward gently!

A breeze blew up, and it actually collided with the wave of blades.

That terrifying blade dissipated without a trace in an instant after touching Mr. Shi's breath!

There was no earth-shattering aftermath, and there was no deafening sound!

Fan Jiang's vigorous blow was resolved silently.

Chen Ping was a little dumbfounded. He had never seen such strength before!

Fan Jiang also widened his eyes and looked at the scene in front of him in disbelief!

That was his strongest blow just now!

To be resolved so easily, the gap in strength between him and Mr. Shi is self-evident!

Fan Jiang's heart was full of panic, and he no longer had the courage to shout after Mr. Shi just now!

Chapter: 2412

Fan Jiang has only one thought now, and that is to escape!

He knew that he had no chance of winning!

“You want to escape?”

Mr. Shi seemed to understand Fan Jiang’s thoughts and spoke slowly.

Fan Jiang said nothing, but at this moment, he seemed to see the shadow of Chen Ping just now!

Chen Ping was asked like this by himself just now!

But now, it’s my turn!

As soon as he gritted his teeth, Fan Jiang turned around and ran. All his energy was concentrated at his feet, and his speed reached the extreme in an instant!

He wants to escape from here and never come to Kyoto again!

Twenty years, he stayed in the darkness of the dungeon for twenty years!

If you come out today, you must not die again!

He hasn’t had the pleasure of it yet!

Fan Jiang moved very fast and disappeared in the blink of an eye, but Mr. Shi didn’t seem to be in any hurry. Remember URL

“Aren’t you going to chase me?”

Chen Ping asked Mr. Shi in a low voice.

“He can’t run away...”

As Mr. Shi finished speaking, he disappeared.

Chen Ping’s jaw dropped in shock.

He had never officially seen Mr. Shi take action. After meeting him today, Chen Ping finally understood why those in Kyoto’s martial arts world were like a mouse to a cat when they saw Mr. Shi.

After Fan Jiang ran far away, he looked back and found that Mr. Shi had not caught up with him, and he breathed a long sigh of relief.

“Damn, it’s so perverted...”

Fan Jiang patted his chest!

But just as he breathed a sigh of relief, Fan Jiang felt a gust of wind behind him.

When he turned back, he found that Mr. Shi was already behind him. Fan Jiang was instantly startled and staggered, almost falling.

Chapter: 2413

“You can’t escape...”

Mr. Shi put his hands behind his back and said quietly.

Fan Jiang looked at Mr. Shi in horror. He found that Mr. Shi was not running and his feet were not moving.

It's flying, Mr. Shi is actually flying...

Fan Jiang is scared!

He stopped and knelt down in front of Mr. Shi with a thud.

"Please Mr. Shi, please let me go. I will live in seclusion in the mountains and forests and never show my face again!"

Fan Jiang began to beg for mercy!

Mr. Shi looked at Fan Jiang and smiled coldly: "It's useless, you have to die. If you don't die, Chen Ping's strength will not be restored..."

Fan Jiang was stunned and didn't understand what Mr. Shi meant: "Then Chen Ping burned his essence and blood. Now his essence and blood are depleted and his Dantian is closed. He is already a useless person and cannot practice at all. Even if he kills me, he will not be able to recover... .."

Mr. Shi shook his head: "Who said that after burning the essence and blood, there is no way to recover. As long as he absorbs your strength, he can recover!"

When Fan Jiang heard this, he immediately understood that Mr. Shi wanted Chen Ping to absorb his strength.

You must know that Fan Jiang has practiced for decades to reach the peak of Wuhou. How can he be absorbed by others casually?

"No....."

Fan Jiang raised his head and roared, all his strength concentrated in his hands. He couldn't let others absorb his strength, he had to resist!

Mr. Shi looked at the crazy Fan Jiang, raised his hand and smacked it out, instantly smashing all the magic that Fan Jiang had condensed into pieces!

In front of Mr. Shi, Fan Jiang didn't even have a chance to make a move!

Fan Jiang still wanted to muster the strength to resist, but Mr. Shi grabbed him by the collar, and he was lifted in the air like a little chicken!

All the energy in Fan Jiang's body dissipated instantly and could no longer be condensed!

Holding Fan Jiang in his hand, Mr. Shi quickly returned to Chen Ping.

Seeing that Fan Jiang, the leader of the evil cult, was like a chicken in the hands of Mr. Shi, Chen Ping once again refreshed his understanding!

Mr. Shi casually threw Fan Jiang in front of Chen Ping!

Fan Jiang, who was so arrogant just now and stepped on Chen Ping's head, now fell to the ground like a dead dog!

"After absorbing his strength, you can recover. Although your bloodline is different from others, burning blood essence will have side effects after all. Use it less in the future..."

Chapter: 2414

Mr. Shi scolded Chen Ping!

Chen Ping glanced at Mr. Shi. Although he was curious about how Mr. Shi knew that his bloodline was different from others, he didn't dare to ask!

Chen Ping walked towards Fan Jiang step by step, while Fan Jiang curled up with fear in his eyes!

It is not easy to cultivate to his level of strength!

But it seems that his strength is about to be absorbed by others.

And his life is not guaranteed.

“no, do not want.....”

“I have several major evil sects under my command, and I know several ancient ruins. As long as you don't kill me, I can tell you all about them.”

Fan Jiang is following Chen Ping to beg for mercy!

Therefore, people with high strength are more afraid of death!

Chen Ping didn't want to let Fan Jiang go, but when he heard Fan Jiang say that he knew several ancient ruins, his heart moved!

Seeing the hesitation in Chen Ping's eyes, Fan Jiang knew that his words had an effect, so he continued: “Those are ancient ruins that are thousands of years old. No one knows their location except me.”

“As long as you don't kill me, I'm willing to help you find those ancient ruins!”

As expected, Chen Ping stopped. The ancient ruins thousands of years ago really aroused Chen Ping's great interest.

If you want to know a Paradise City, Chen Ping has risen to two realms!

If you are looking for a few ancient ruins, wouldn't your strength grow faster!

“If you don’t absorb his strength, you will be a useless person now and can’t practice at all. What’s the use of knowing those relics?”

At this time, Mr. Shi reminded him calmly.

Chen Ping woke up with a start. He was burning essence and blood. If he didn’t absorb Fan Jiang’s strength, he wouldn’t be able to recover at all. Even if he found those ancient ruins, what would be the use?

Chen Ping thought of this and slapped Fan Jiang on the head. Then he activated the Heart Condensation Technique and began to continuously absorb Fan Jiang’s strength!

“You can absorb his strength and save his life. Can’t you also know the address of the ancient ruins?”

Mr. Shi asked Chen Ping to only absorb Fan Jiang’s strength and not take his life!

“This...drains his strength, and he will become a mummy and die...”

Chen Ping looked at Mr. Shi in surprise.

Chapter: 2415

He still can’t control it at all, and Fan Jiang can’t handle the huge power of the Ningxin Jue.

After all the strength is absorbed, he will definitely die.

“Don’t worry about it, I have my own way...”

After Mr. Shi finished speaking, he quietly drove Chen Ping to absorb Fan Jiang’s strength.

Fan Jiang only felt that the energy in his body continued to spread outwards, and then entered Chen Ping's body.

Fan Jiang's face was full of ferocity, and he could see that he was in great pain!

Soon, Fan Jiang's body became smaller and smaller, and finally shrank to half the size of his previous body!

Chen Ping let out a long breath, and streams of spiritual power began to swim in his dantian again!

"The peak of Wuhou is indeed extraordinary..."

Chen Ping clenched his fists, his face full of excitement!

But when he looked at Fan Jiang, he found that Fan Jiang was no longer breathing!

"died....."

Chen Ping looked at Mr. Shi and asked with confusion.

Mr. Shi said he had his own solution, but Fan Jiang still died.

"He's not dead..."

Mr. Shi shook his head and saw a faint white light wave from Mr. Shi's hand, instantly covering Fan Jiang's body.

Clouds of black mist soon emerged from Fan Jiang's body, and finally the black mist transformed into a human form, taking on the appearance of Fan Jiang.

White light enveloped Fan Jiang, making Fan Jiang's face full of pain!

"Do you have to kill them all?"

Fan Jiang roared, but there was endless fear in his eyes!

At this time, Fan Jiang has become a soul. Fan Jiang knows that he must die, so he has a trace of soul left and plans to take the opportunity to escape!

But he didn't expect Mr. Shi to see through it and trap him directly!

If even this trace of soul is gone, then Fan Jiang will really disappear from the world.

"Don't worry, I won't eradicate your soul, I'm just controlling you..."

Chapter: 2416

"You know what to do next. As long as you do well, I will find a host for you and resurrect you."

Mr. Shi said calmly.

"I know, I know..." Fan Jiang nodded repeatedly, then turned around and knelt down directly to Chen Ping: "In the future, I am willing to follow Mr. Chen and help you find those relics!"

Chen Ping looked at Fan Jiang's soul in front of him in surprise, feeling as if he was in a dream!

"Chen Ping, please put him away. Maybe you can use him later..."

Mr. Shi said to Chen Ping.

Chen Ping nodded, opened the storage ring, and directly put Fan Jiang's soul into the storage ring!

Chen Ping would not let Fan Jiang stay in his body.

"Mr. Shi, thank you..."

Chen Ping glanced at Mr. Shi gratefully and said.

Mr. Shi smiled faintly: "You will be wiser in the future and don't be so rushed. This is the greatest thank you to me!"

After saying that, Mr. Shi waved his hand and signaled Chen Ping to leave!

But he had his hands behind his back and couldn't be seen moving, but his body instantly appeared a hundred meters away!

Chen Ping glanced at Fan Jiang's body again, then turned and headed towards Medicine God Valley.

Not long after Chen Ping left, Zhu Zhishan arrived with three men in black bronze robes.

When he saw Fan Jiang's mummified body, Zhu Zhishan's eyes widened with shock!

"This...this Fan Jiang is actually dead?"

Zhu Zhishan said in surprise.

The three men in black bronze robes also looked shocked. They had heard about Fan Jiang's ability a long time ago, and now he was killed by Chen Ping. How terrifying was Chen Ping's strength?

"The aura that burns essence and blood?"

At this time, a man in black copper robe suddenly frowned and said.

Others also hurriedly closed their eyes and felt it!

“Yes, there is indeed someone here who has burned blood essence. This breath should be that of Chen Ping!”

Another man in black copper robe said.

Chapter: 2417

When Zhu Zhishan heard this, his shocked expression just now revealed a hint of joy!

“So, Chen Ping burned his blood essence and forcibly increased his strength before killing Fan Jiang...”

Zhu Zhishan asked hurriedly.

“It’s very possible that with Chen Ping’s strength, he can’t be Fan Jiang’s opponent at all. Even if he burns his essence and blood and forcibly improves his strength, he may not be able to defeat Fan Jiang. But now that Fan Jiang is dead, Chen Ping is definitely not much better!”

“Even if he is immortal, he is still disabled now. As long as we find his whereabouts, we can easily catch him...”

A man in black copper robe said.

“Great, I will send someone to trace the whereabouts of Chen Ping and see if he is dead...”

Zhu Zhishan’s eyes flashed and he turned around and left.

As for Fan Jiang’s body, they didn’t even care!

.....

The Dragon Family in Kyoto.

The news that Chen Ping forcibly burned the essence and blood to kill Fan Jiang was soon known to the Long family.

After all, the Long family is also a member of the martial arts alliance, and Zhu Zhishan will not hide anything from the Long family.

When Long Jingguo heard the news, his expression couldn't help but change.

You must know that Fan Jiang was rumored to be dead twenty years ago, but he doesn't want to be detained by the martial arts alliance forever!

It can be seen that the secrets of this martial arts alliance are deep, and I am afraid that there are many things that their members do not know.

However, Chen Ping forcibly burned the essence and blood. Even if these people were immortal, they would still be useless.

Long Jingguo hurriedly told Long Xiao the good news, but after hearing the news, Long Xiao's face became very ugly!

"Xiao'er, Chen Ping forced his blood essence to burn, and now he is useless even if he is not dead. You should be happy..."

Long Jingguo said to Long Xiao.

“Dad, as long as I don’t see Chen Ping, I will always feel uneasy. In addition, even if Chen Ping forcibly improves his strength, I’m afraid he won’t be able to kill Fan Jiang. But now that Fan Jiang is dead, it proves that Chen Ping is stronger than us. It’s as high as you can imagine!”

Long Xiao clenched his fist tightly. You must know that Fan Jiang was a Wuhou who had become famous twenty years ago. No one knows what level of strength he has reached now!

Now that Chen Ping had forcibly increased his strength and killed Fan Jiang, this terrifying performance was no longer something Long Xiao could match.

“Dad, I want to practice in seclusion.....”

Chapter: 2418

Long Xiao took a deep breath, with a deep and terrifying light in his eyes!

He only has one arm now, so he has to practice harder than others.

Long Jingguo looked at Long Xiao, and then patted Long Xiao on the shoulder: “Okay, now Chen Ping is nothing to worry about. If you can be promoted to the realm of Great Wuhou, our Long family will definitely regain its glory...”

“Da Wu Hou?” Long Xiao smiled coldly: “My goal is Wu Sheng...”

.....

Kyoto Martial Arts Alliance!

After Zhu Zhishan returned, he immediately sent people to search for Chen Ping’s whereabouts, especially on the way to Yaoshen Valley!

“Now that Chen Ping, whether dead or alive, is not enough to threaten our martial arts alliance, I am relieved!”

Zhu Zhishan let out a long breath. Remember URL

It was because of Chen Ping that he lost an arm and almost lost his position as leader of the alliance. Now that Chen Ping has become a disabled person even if he is not dead, Zhu Zhishan can finally sleep peacefully.

“Do you all think it was Chen Ping who killed Fan Jiang?”

At this time, Ning Zhi slowly walked out from behind.

Seeing Ning Zhi, Zhu Zhishan’s originally relaxed mood suddenly became a little nervous.

I don’t know why, but Zhu Zhishan always felt nervous when facing Ning Zhi during this period.

Obviously he is the leader of the alliance, and Ning Zhi is the deputy leader!

But Zhu Zhishan is afraid of seeing Ning Zhi!

“We went to the scene to see that Fan Jiang is dead. If it wasn’t Chen Ping who killed him, then who could have killed him?”

“You can ask the three of them. There is still the smell of Chen Ping’s burning essence and blood on the scene. It should have been not long after the battle!”

Zhu Zhishan said.

“Yes, we did feel Chen Ping’s burning essence and blood at the scene.”

“Only in this way can Chen Ping kill Fan Jiang, otherwise he would not be Fan Jiang’s opponent!”

A man in black copper robe explained.

“Even if Chen Ping burns blood, he is no match for Fan Jiang. Fan Jiang must have been killed by someone else...”

Ning Zhi’s eyes narrowed slightly and he said!

Chapter: 2419

“Who? Who in the entire Kyoto will help Chen Ping kill Fan Jiang?”

Zhu Zhishan asked in disbelief.

“Mr. Shi.....”

Ning Zhi spoke slowly.

Zhu Zhishan’s body trembled when he heard the words Mr. Shi.

“Impossible. How could Mr. Shi help Chen Ping kill Fan Jiang? Besides, we have people everywhere and didn’t notice that Mr. Shi left the Dharma Protector Pavilion?”

Zhuzhishan feels impossible.

“Whether you believe it or not, I will report this matter immediately.”

“If Mr. Shi really took action against Fan Jiang, it proves that Chen Ping is not necessarily useless now. If this is the case, our strategy against Chen Ping will have to change...”

After Ning Zhi finished speaking, he turned around and left.

Zhu Zhishan, on the other hand, looked confused and murmured to himself: “Impossible, how is it possible? Chen Ping burned his blood essence, so even if he doesn’t die, he will definitely be a cripple...”

Zhu Zhishan didn’t want to believe what Ning Zhi said. He didn’t want Chen Ping to become his nightmare...

.....

Medicine God Valley.

Everyone gathered around Chen Ping, with joy on their faces!

Chen Ping was left alone to deal with the black copper robe, which made everyone in the Medicine God Valley very worried!

Especially Xiaoru, if Chen Ping had his shortcomings, she would not be alive!

Chen Ping went to the martial arts arena just to save her!

Now that Chen Ping is back, Xiaoru is very happy!

But this time, Chen Ping couldn’t be happy anymore. This time he really saw the horror of the Martial Arts Alliance!

If Mr. Shi hadn’t suddenly appeared, Chen Ping would have been dead by now!

Chen Ping stayed in Yaoshen Valley for a few days. These days were the happiest days for Gu Ling’er, being with Chen Ping all day long!

However, Chen Ping was a little unhappy. After all, his mother and Su Yuqi had not been rescued yet!

He needs to continue to improve his strength!

Chapter: 2420

“Are you still worried about Yu Qi?”

On a big rock, Gu Linger sat with Chen Ping, and then asked softly.

Chen Ping looked in the direction of Kyoto and then nodded.

“I’m so useless, I can’t even protect my girlfriend...”

Chen Ping looked remorseful!

“It’s not your fault. The Martial Arts Alliance is too powerful. Don’t blame yourself too much.”

“During this period, everyone has been practicing hard, hoping to improve their cultivation and help you...”

Gu Linger comforted Chen Ping!

Whether it is the four evil villains or Zhao Ligu and the others, they are all practicing hard. With the help of the elixirs from Medicine God Valley, everyone’s realm has also improved quickly!

They knew that only if they were strong enough could they truly help Chen Ping.

“Xiaoru, wait for me...”

At this time, Zhao Chuang's voice suddenly came. Chen Ping followed Gu Ling'er and found that Zhao Chuang was playing and playing with Xiaoru!

"These two people are quite compatible..."

Seeing the two people fighting, Chen Ping showed a smile on his face.

"It's a good match. Zhao Chuang is usually very talkative, but his heart is not bad. Xiaoru is also simple-minded. It's good for the two of them to be together..."

Gu Linger nodded and said.

"When I have time, I will talk to Village Master Zhao and settle the matter between the two of us."

"This is a happy event that can make everyone happy!"

Chen Ping said with a smile.

"I still need you. Uncle Long has already talked about it, but Zhao Chuang is a bit stronger. He feels that his strength is too low, not even as good as Xiaoru, so he wants to improve his strength to Wuhou before marrying Xiaoru. ..."

"He said that with his current strength, he could not protect Xiaoru or give Xiaoru a sense of security..."

"It's possible that Zhao Chuang watched Xiaoru being taken away, but he couldn't do anything about it. It was a big blow to him..."

Gu Ling'er thought of Su Yuqi when Xiaoru was arrested in advance, so she looked a little lonely!

"Zhao Chuang is very talented. If he really works hard, it won't be difficult to reach the realm of Marquis Wu..."
