

The Order 2451

Chapter: 2451

“Du Nan, how many years did it take to build this palace of yours?”

Chen Ping asked Du Nan.

Du Nan shook his head: “I don’t know. My dad said that when our Du family came to Penglai Island, there was this palace.”

“Isn’t it built by your family?”

Zhao Chuang asked in surprise.

Du Nan shook his head: “No, according to the genealogy, our Du family has only been on Penglai Island for more than four hundred years.”

“This palace has existed for more than a thousand years. How could it be built by our family?”

“Okay, let’s go in and take a look...” Chen Ping took the lead and walked towards the palace.

Since the Du family is not the original owner of this place, there must be many secrets hidden here.

When Chen Ping and the others just took two steps forward, they saw hundreds of people walking out of the palace, each of them wearing armor, very powerful!

One of the leaders was covered in gold armor and had a majestic spear in his hand!

“Why is my dad out?”

Du Nan couldn't help but murmured when he saw the man in front covered in golden armor!

Before Du Nan could say anything, Du Ziteng had already arrived in front of Chen Ping and the others angrily.

"Bold maniac, you dare to arrest my son, please release my son quickly, otherwise you will die without a burial place."

Du Ziteng roared angrily, and the aura on his body burst out unabashedly.

When the elder beside Du Ziteng saw Chen Ping, his expression changed instantly: "Is it you?"

"Do you know them?" Du Ziteng asked the great elder.

"Prince Du, this is the guy I told you, the guy who has reached the Nascent Soul realm at a young age."

The great elder pointed at Chen Ping and said.

Hearing what the great elder said, Du Ziteng's face instantly turned extremely ugly!

The opponent was in the Nascent Soul realm, and he was only at the peak of the Golden Core, so he was no match at all.

"Dad, you made a mistake. They didn't arrest me. I didn't do it well. It was just a misunderstanding. If you have anything to do, we can talk about it after we get in."

Du Nan quickly stepped forward and explained to Du Ziteng.

Chapter: 2452

When Du Ziteng saw this, he checked that his son was okay, so he lowered his guard, waved his hand and said, "Let's go in and talk!"

Du Ziteng was not willing to become an enemy with a Nascent Soul Realm master!

If we can turn conflicts into friendship, that would be the best.

Soon, everyone came to the palace, and Du Ziteng sent people to prepare many sumptuous items to entertain Chen Ping and the others.

However, it can be seen that Du Ziteng's politeness to Chen Ping and the others is also somewhat wary!

After all, Chen Ping and the others suddenly came to Penglai Island, and Du Ziteng didn't know their intentions!

And people like Du Ziteng don't know Chen Ping's true identity now. If they knew that he was Chen Ping who killed Du Da, I wonder if they would be so polite to Chen Ping.

"Guys, I wonder if you came to Penglai Island for fun or for other things?"

Du Ziteng asked Chen Ping and the others.

"Prince Du, we are just curious, come and take a look..."

Chen Ping said.

"Curious? What's the point of being curious?" Du Ziteng didn't understand what Chen Ping was curious about.

"Prince Du, since you asked, I will tell you the truth. Your Penglai Island is full of spiritual energy and is an excellent place for cultivation. The people on the island should be strong, but why are the people on Penglai Island, The highest level is the peak of the golden elixir?"

Chen Ping asked bluntly.

Although Chen Ping knew some of the secrets, he still wanted to get confirmation from Du Ziteng!

When Du Ziteng heard this, he sighed helplessly: "In fact, we have known the problem you mentioned for a long time, but I don't know the reason for it, but even if we can only cultivate to the peak of Jindan, we are all satisfied."

"You should know that many of the immortal cultivators on Penglai Island are just ordinary people. In their eyes, there is no distinction between realms. They only know that a peaceful life is good without illness or disaster."

"And all the people on Penglai Island can live to be over a hundred years old. This is simply unmatched outside."

"As for why we can't continue to practice to a higher realm, no one is going to investigate. Maybe there is some kind of suppression here."

After hearing Du Ziteng's explanation, Chen Ping was stunned for a moment.

He didn't expect that Du Ziteng had no desire for strength at all. He seemed to be very satisfied when he reached the peak of the Golden Core.

Looking at Du Ziteng's expression, Chen Ping couldn't tell whether Du Ziteng was lying to him.

So he closed his eyes slightly, and an extremely terrifying consciousness suddenly emitted overwhelmingly.

As Chen Ping's realm improved, Chen Ping's spiritual consciousness also skyrocketed!

Chapter: 2453

The scene was very afraid that the scope covered by the spiritual consciousness was much wider.

Chen Ping's consciousness is spread throughout the palace, and he wants to find out what secrets there are in the palace.

When Du Ziteng saw Chen Ping emitting spiritual consciousness, he didn't stop him!

Soon, Chen Ping took back his consciousness, with no expression on his face, as if he hadn't discovered anything!

"Dad, they accidentally broke a statue of a god. Remember to ask the gods for forgiveness and forgive them..."

At this time, Du Nan told Chen Ping about breaking the stone statue.

However, he did not say that Chen Ping broke it intentionally, but that it was accidental. It was obvious that Du Nan also wanted to help Chen Ping and the others.

"What? Breaking the idol?"

Du Ziteng's expression changed instantly!

When Chen Ping saw this, he said: "Prince Du, I accidentally broke a stone statue. I will give you one as compensation. Prince Du is so surprised. Is there any secret in that stone statue?"

Du Ziteng quickly regained his expression, shook his head and said: "There's no secret, it's just to create a belief for everyone, just wait two days and let the craftsmen carve one!"

"It's getting late now. Let's stay here." After Du Ziteng finished speaking, he looked at Du Nan and said, "Nan'er, please take them to find a room to rest."

When Chen Ping saw this, he didn't say anything more. Instead, he stood up and cupped his hands, preparing to leave with Du Nan!

“Wait a minute!” Just when Chen Ping was about to leave, Du Ziteng suddenly called out: “This little brother, may I ask your surname?”

After talking for a long time, Du Ziteng still didn’t know what Chen Ping’s name was!

“Chen Ping!”

Chen Ping said his name calmly!

When Chen Ping said his name, the atmosphere was instantly awkward!

Du Ziteng’s expression also changed instantly again, including that of Du Nan, and the way he looked at Chen Ping also changed several times!

After a while, Du Ziteng finally said, “Do you know Du Da?”

Chen Ping nodded: “I know him, I killed him...”

Seeing Chen Ping’s admission, Du Ziteng took a deep breath and tried hard to calm down his mood.

After another moment of silence, Du Ziteng continued: “Duda is my brother. His desire was too strong, and he ended up killing himself. I also know a thing or two about what happened between you and my brother. It was all his fault. I believed that Zhu Zhishan’s nonsense!”

Du Da’s words surprised Chen Ping. He originally thought that Du Ziteng would turn against him on the spot and fight with him, but he didn’t expect that Du Ziteng would actually say such a thing.

Chapter: 2454

As a result, Chen Ping didn’t know what to say!

“Mr. Chen, let’s go...”

Du Nan took Chen Ping and others away in this awkward atmosphere.

Although there was no change in Du Nan’s face, he obviously spoke a lot less.

“You just stay here, someone will take care of your daily life...”

After Du Nan found a room for Chen Ping and the others, he turned around and left!

After Du Nan left, Hu Mazi looked at Chen Ping: “Weren’t you just making up a name?”

“I did it on purpose!” Chen Ping said.

“On purpose? Did you deliberately let them know that you were the one who killed Duda?”

Hu Mazi was puzzled as to why Chen Ping did this!

“Yes, I just want to see their performance. Du Ziteng hides it too deeply. He doesn’t tell the truth.”

Chen Ping’s eyes narrowed slightly.

Although Du Ziteng’s strength is not high, Chen Ping knew from this conversation that Du Ziteng’s heart was really strong.

As for the conversation just now, no one could tell whether what he said was true or false!

“Then use your spiritual sense to explore whether there are any secrets in this palace?”

Hu Mazi asked hurriedly.

Chen Ping nodded: "Yes, at the end of this palace, my consciousness was blocked, as if it was cut off by something out of thin air, which means there must be some secret hidden there!"

"And I discovered that all the stone statues that were kneeling and worshiping were equipped with formations that could absorb spiritual power from others. Although it is weak, it can add up to a lot."

"This kind of ability is definitely not what Du Ziteng can achieve. Behind Du Ziteng, there must be someone controlling everything here."

"That Du Ziteng, and even the entire Du family, are just a puppet!"

Chen Ping analyzed it carefully!

"Then let's go take a look secretly at night."

When Hu Mazi heard this, he became interested!

Chen Ping nodded: "That's what I meant!"

Chapter: 2455

"I'll go too..." Upon hearing this, Zhao Chuang also wanted to join in the fun!

"Don't go. With your strength, if you are discovered, you won't be able to run away!"

Chen Ping rejected Zhao Chuang directly!

Soon, on a dark moonlit night, two figures quickly headed towards the end of the palace!

These two figures are Chen Ping and Hu Mazi!

After dodging all the sentries, the two people reached the end and were blocked by a wall.

“Why is there no way?”

Hu Mazi said in surprise.

“It’s just that there is no road, there must be a mechanism here!”

After Chen Ping finished speaking, he started searching carefully.

Hu Mazi couldn’t help but laugh out loud when he saw Chen Ping bending down to search carefully!

Chen Ping was stunned for a moment, then looked at Hu Mazi: “Master Hu, why are you laughing?”

“I laugh at you for looking for a trap like this. You can’t find it even at dawn...”

Hu Mazi said.

“How to find it?” Chen Ping asked.

“Have you forgotten what I do? What does this little agency mean to me?”

Hu Mazi said, and took out a charm, and then muttered something in his mouth, and the charm suddenly glowed with light green light!

This ray of light began to sweep, and soon in a hidden place, a light point was flickering!

“This is the mechanism...”

Seeing this, Hu Mazi stepped forward and was about to press the button!

But he was stopped by Chen Ping. Chen Ping shook his head, and then listened carefully with breathless concentration.

Then he glanced at Hu Mazi, who understood and slowly pressed the button!

Soon, the walls in front of them began to recede to both sides, and another scene was exposed to the two people’s field of vision.

The moment the mechanism opened, Chen Ping and Hu Mazi ducked in, and then shot at the guards on both sides, knocking them unconscious.

Chapter: 2456

Before the two guards could see the person clearly, their vision went dark and they fainted!

Chen Ping and Hu Mazi looked at the peach blossom garden-like scene in front of them and a mansion not far away, and felt a little excited in their hearts!

It seems that this is the hub of the entire Penglai Island. The person who controls Penglai Island must live here!

The two of them walked cautiously towards the mansion!

But soon, a series of taboos blocked the path of the two of them!

“What a powerful forbidden power...”

Hu Mazi's face was full of surprise!

Chen Ping frowned slightly and gently put his hand in front of him. He only felt that his hand touched something, which was very hard and impenetrable.

Chen Ping slowly activated his spiritual power, trying to destroy the taboo in front of him!

He didn't dare to burst out directly, otherwise he would be discovered instantly.

But as soon as Chen Ping's spiritual power was activated, a huge counter-shock force hit him, and Chen Ping's body flew backwards.

"Are you OK?"

Hu Mazi looked at Chen Ping and asked.

Chen Ping shook his head: "It's okay, this taboo formation is somewhat interesting..."

As Chen Ping spoke, a faint golden light enveloped his palm, and then he pressed hard on the forbidden power in front of him!

Rumble.....

Suddenly, there was a huge roar, followed by a shaking of the ground!

Such movement shocked both Chen Ping and Hu Mazi!

"Damn, this taboo formation actually has an alarm. If you break it forcefully, it will activate. Let's go quickly..."

Hu Mazi stepped forward and grabbed Chen Ping!

When Chen Ping saw this, he also knew that it was impossible to continue the investigation, so he turned around and ran away with Hu Mazi!

This huge roar instantly woke up many guards.

Even the powerful immortal in the mansion suddenly woke up!

Du Ziteng and his men hurried over. When he opened the mechanism and saw the two guards who had been knocked unconscious, Du Ziteng's face was very ugly!

Chapter: 2457

At this time, within the mansion, terrifying auras were constantly emanating outwards.

Feeling this terrifying aura, Du Ziteng's body was trembling.

Du Ziteng gritted his teeth and walked slowly towards the mansion. He didn't know what he would face next!

It is a huge crime for someone to break into a forbidden area secretly!

After passing through the power of the taboo, Du Ziteng knelt on the ground with a bang and crawled towards the mansion!

Du Ziteng's forehead was covered with cold sweat, and he began to regret it!

He regretted letting Chen Ping and the others stay in the palace. He never thought that Chen Ping and the others would discover the forbidden area and dare to break in secretly!

You must know that Chen Ping's expression did not change when he used his spiritual sense to explore. Du Ziteng thought Chen Ping found nothing.

“Great Immortal Hu Li, please spare your life, Great Immortal Hu Li, please have mercy...”

Du Ziteng shouted for mercy while crawling!

After climbing into the mansion, Du Ziteng didn't dare to raise his head, but feeling the majesty of the Great Immortal Huli, Du Ziteng was scared to death.

“How did you do it? Someone actually dared to break into the forbidden area at night?”

The Great Immortal Huli snorted coldly.

Du Ziteng trembled and hurriedly explained: “Great Immortal Huli, please spare your life, it was Chen Ping who sneaked in secretly. They didn't know how they opened the forbidden area mechanism and broke in!”

“Chen Ping?” Immortal Huli frowned.

“Yes, he was the one who killed my brother Duda.”

Du Ziteng said quickly.

“Since he killed your brother, why did you keep him? Today some people damaged the statues and some people broke into the forbidden area at night. How did you become the King of Du?”

Huli Daxian was obviously very angry.

“Great Immortal Tiger Power, Chen Ping is already in the realm of Nascent Soul. I am no match for him at all. He also broke the idol. Even Quan Zi's divine punishment failed to hurt him at all...”

Du Ziteng's words instantly made Great Immortal Huli interested.

"Can you even withstand divine punishment?" The Great Immortal Hu Power's eyes flashed: "It seems that this boy's body is really a good thing. Maybe with his body, the master can be resurrected..."

Du Ziteng couldn't understand what the Great Immortal Huli said, and he didn't know who the master the Great Immortal Huli was talking about!

Du Ziteng only knew that in the entire Penglai Island, only the Great Immortal Huli in front of him was the real master behind the scenes!

Chapter: 2458

"Tomorrow, bring that boy to me..."

Great Immortal Huli said.

Du Ziteng looked embarrassed. He didn't know if Chen Ping would listen to him.

If Chen Ping didn't listen, he wouldn't be able to forcefully bring Chen Ping here.

At this time, Great Immortal Huli took out some pills and threw them directly to Du Ziteng!

"As long as you think of a way to let him take these pills tomorrow, he will temporarily lose his power. He will listen to you obediently. Remember, taking one pill will have an effect. You must not hurt him. I am still useful!"

Immortal Huli warned Du Ziteng.

"I understand!" Du Ziteng nodded, then breathed a sigh of relief and exited the mansion!

After Chen Ping and Hu Mazi escaped, they went directly back to their room to sleep, pretending not to know anything.

As a result, no one pursued him overnight.

Early in the morning, Chen Ping and the others were invited to have breakfast with Du Ziteng!

Du Ziteng acted very enthusiastically, as if nothing happened last night!

This made Chen Ping and the others a little suspicious!

“Guys, you are here as guests, please feel free to enjoy it!”

After Du Ziteng finished speaking, someone quickly brought several plates and placed them in front of Chen Ping and the others.

After opening it, what was inside was not a nutritious breakfast, but pills!

This scene made Chen Ping and the others dumbfounded!

They have never seen anyone use pills for breakfast instead.

“Guys, for us cultivators, eating whole grains is a waste of food. Here are the nutritional pills refined by our palace pharmacists. They can help our cultivation. Please try it!”

After Du Ziteng finished speaking, he took the lead in picking up one and eating it!

Hu Mazi and Zhao Chuang looked at Chen Ping together. They didn't know how to refine medicine, and they didn't know that there was no explosion in it!

Chen Ping nodded slightly towards the two of them, then picked up a pill in front of him and threw it into his mouth!

When Hu Mazi and Zhao Chuang saw this, they started gobbling it up!

As a result, everyone takes pills. Such a luxurious life does not happen every day.

Chapter: 2459

When the elixir enters the mouth, waves of warmth hit it. It is indeed a good thing!

But as the number of pills on the plate in front of him became less and less, Chen Ping picked up the last pill and was about to throw it into his mouth when he suddenly froze!

Chen Ping frowned slightly and sniffed hard.

Seeing Chen Ping suddenly stop, Du Ziteng's heart skipped a beat.

He was afraid that Chen Ping would discover the secret. If Chen Ping found out that he had tampered with the elixir, he would definitely kill him in a rage!

Just when Du Ziteng looked at Chen Ping with fear, he saw that Chen Ping just hesitated for a moment and finally threw the pill into his mouth!

Seeing Chen Ping take the pill, Du Ziteng breathed a long sigh of relief!

"It's really good stuff. After eating these pills, I feel really refreshed..."

Hu Mazi had already finished the elixir in front of him and even burped!

But just as he was about to stand up, he suddenly felt his legs go weak and sat back down!

Hu Mazi was startled and hurriedly circulated his breath, but at this moment he found that his Dantian was already empty, and he could not raise any strength at all.

“broken.....”

Hu Mazi yelled!

At this time, Zhao Chuang also felt powerless for an instant and slumped on the chair!

Chen Ping looked at Hu Mazi and Zhao Chuang like that, but there was no surprise in his eyes. He himself slumped in the chair, motionless!

Seeing this scene, Du Ziteng burst out laughing: “Hahaha, with your intelligence, you dare to come to Penglai Island and run wild.”

“Kill my brother and destroy the statue, and none of you will survive!”

“Take them away...”

Du Ziteng waved his hand, and the guards hurried forward, directly picking up Chen Ping and the others!

“Du Ziteng, you despicable guy actually drugged us...”

Hu Mazi yelled at Du Ziteng!

“Du Nan, thank you for treating me like a brother. You are too insidious...”

Zhao Chuang looked at Du Nan at the side and started to curse!

Although Du Nan's expression changed slightly, he stood motionless and did not speak!

Chapter: 2460

Chen Ping said nothing and just glanced at Du Nan lightly!

After Du Nan came into contact with Chen Ping's eyes, he dodged slightly!

Soon, Chen Ping and the others were brought into the forbidden area by Du Ziteng.

Du Ziteng skillfully opened the mechanism, and soon several guards came out of the forbidden area and took over Chen Ping and the others!

The guards outside the palace cannot enter the forbidden area, only people from the Du family can!

Looking at the world that suddenly changed for the better in front of him, Zhao Chuang's eyes were full of surprise because it was the first time he saw it.

Du Nan was also surprised. Although he knew that there were forbidden areas in the palace, he had never entered the forbidden areas.

As a prince, Du Nan couldn't enter this kind of place casually, but Du Ziteng still brought Du Nan in!

There are some things that he feels the need to let his son know!

After walking for a while and arriving at the mansion, Du Ziteng skillfully pressed his hand forward and opened it instantly after feeling the forbidden power in front of him.

After passing through the forbidden power, the forbidden power is restored again.

"Great Immortal Huli, my subordinates were ordered to bring this person here..."

Du Ziteng shouted outside the mansion!

After hearing Du Ziteng's words, Du Nan was astonished. He had always thought that his father was the supreme master of Penglai Island. How come there was someone behind him, and he even claimed to be a subordinate!

When Chen Ping saw this scene, an imperceptible smile appeared on his lips!

They will be able to meet the people behind the scenes soon!

"Bring it in..."

A strong voice came from inside the mansion!

When Chen Ping and the others were brought in, everyone except Du Ziteng was slightly shocked!

I saw a guy with the body of a tiger and the head of a tiger, sitting on the main seat. He looked very scary!

"The monster becomes a spirit?"

Hu Mazi blurted out involuntarily!

What is in front of me is obviously a tiger, but now it has a human body. Isn't this a spirit?

Hu Mazi's words about monsters obviously made the great tiger power immortal unhappy.
