

## **The Order 2491**

Chapter: 2491

Immortal Huli was immediately shocked.

“Do you think you are my opponent after turning back into a beast?”

Chen Ping sneered, and then his body disappeared in a flash!

Chen Ping’s fist, shining with golden light, hit the Great Immortal Huli on the head hard!

“Roar.....”

The Great Immortal Huli roared and was knocked away.

The entire tiger’s head was instantly dented by the smash, and it looked very terrifying.

Hu Mazi looked at Chen Ping and swallowed involuntarily.

He felt that Chen Ping was a bit too strong.

Seeing this scene, Hu Mazi waved his hand instantly, and the talisman behind Chen Ping instantly separated from Chen Ping’s body.

Even without the help of Hu Mazi and the others, it would be easy for Chen Ping to kill the powerful immortal.

If one move fails, the whole game will be lost!

The Great Immortal Huli now has no power to fight back!

The Huli Great Immortal struggled to stand up and wanted to continue roaring, but his collapsed head prevented him from even opening his mouth.

In the eyes of the Great Immortal Huli, there was only endless anger, and then he jumped up and threw himself at Chen Ping with all four limbs!

When Chen Ping saw this, he also shot out instantly and grabbed the neck of the Great Immortal Huli.

“You still want to struggle...”

Chen Ping said, pushed the Great Immortal Huli to the ground, and began to punch the Great Immortal Huli.

“Chen Ping, don’t beat him to death. It’s best to peel off the skin and cramps while he’s still alive. The tiger skin and tendons are both treasures...”

Hu Mazi was afraid that Chen Ping would directly beat Huli Immortal to death, so he shouted.

When Chen Ping heard this, he stopped immediately. He also understood this truth and waved his hand directly, and the Dragon-Slaying Sword appeared!

Looking at the shining dragon-slaying sword, the Great Immortal Tiger Power panicked!

He didn’t expect that he would be skinned and cramped today after surviving for thousands of years.

“Please... please let me go. I can teach you everything I have learned...”

Chapter: 2492

The Great Immortal Huli begged Chen Ping in a low voice!

Chen Ping looked at him coldly: "You are a monster. If I followed your example, wouldn't I be laughed to death..."

"I beg you, let me go, let me go..."

The Great Immortal Huli continued to beg.

It's really uncomfortable to be skinned and cramped alive!

"Let you go? You are a god. You can deprive everyone on Penglai Island of everything. Why can't I deprive you of everything?"

"A monster that has reached the realm of transformation, do you know how much the beast elixir is worth?"

Chen Ping sneered.

"Okay, if that's the case, then none of us will survive..."

As he spoke, the body of Great Immortal Huli began to expand rapidly, and the breath in his body began to become chaotic!

"He's going to blow himself up..."

Hu Mazi yelled.

A demonic beast in the realm of transformation self-destructed, and the entire Penglai Island was no longer wanted.

“Hahaha, even if I die, I can’t let you succeed...”

Great Immortal Huli laughed.

“Huh, if you want to self-destruct, it’s not that easy.”

Chen Ping snorted coldly, and then the Dragon-Slaying Sword in his hand instantly penetrated an acupuncture point of the Great Immortal Huli!

The bulging body of Immortal Huli shriveled up in an instant.

There is no hope in the eyes of the Great Immortal Huli. He has no chance to even self-destruct. How can he still have a chance to survive?

Chen Ping looked at the Great Immortal of Tiger Power, and slashed down the dragon-slaying sword in his hand!

The head of the Great Immortal Huli was cut open instantly, and a beast pill rolled out instantly!

Chen Ping picked up the beast pill and put it in his pocket, while Hu Mazi rushed over with a look of pity on his face.

“It’s a pity, it’s such a pity. Why did you kill him? The value of the tiger skin and tendons will be greatly reduced.”

Hu Mazi quickly took out a dagger and began to peel and twitch!

Chapter: 2493

Du Nan, who was not far away, looked at the scene in front of him and felt an indescribable feeling in his heart. The god they had been worshiping for many years was now being skinned and cramped. Thinking about how ironic they felt over the years.

Chen Ping didn't care about that. No matter how valuable the tiger skin and tendons of the Great Immortal Hu Li were, they would not be more valuable than the stone statue in front of him.

This stone statue has stood for thousands of years, continuously absorbing spiritual power, so the spiritual power in this stone statue is probably an immeasurable amount!

If he can use this stone statue as his supply station, Chen Ping believes that his strength can be improved a lot. Even if he can break through to transformation, it is not impossible.

A ray of spiritual consciousness slowly emitted from Chen Ping's body and slowly enveloped the entire stone statue!

Now that there is no protection from the Great Immortal Huli, Chen Ping hopes to find out all the secrets of this stone statue!

But just as Chen Ping's consciousness enveloped the stone statue, a golden light flashed through, instantly cutting off Chen Ping's consciousness!

Then the stone statue's eyes glowed, as if it had come alive!

"Stupid and ignorant humans, you will be punished..."

Immediately afterwards, bursts of loud bell-like sounds came from the stone statue!

Just this sound alone made Chen Ping feel waves of pressure, his throat felt sweet, and then a mouthful of blood spurted out!

Hu Mazi and Zhao Chuang even covered their ears with their hands and rolled on the ground in pain!

"Get out of here quickly..."

Chen Ping yelled, then turned around and ran away!

Although the stone statue did not really come to life and would not move, the sound alone could make Chen Ping and the others unbearable. Chen Ping didn't know what the consequences would be if he stayed here!

At this moment, Chen Ping has long since given up on getting the spiritual power from the stone statue, as long as he can survive now!

Soon, Chen Ping and the others escaped from the forbidden area, and then the forbidden area collapsed and were submerged in ruins!

With the complete collapse of the forbidden land, the spiritual energy over the entire Penglai Island began to slowly disappear, and in the end it became extremely thin!

Except for some real monks, others did not feel the changes in spiritual energy. Originally, they were just ordinary people, but later they became the feeding vessels for the resurrection of the blood demon.

Not many people know about the changes in the forbidden area, and the entire Penglai Island is still running smoothly.

But Du Ziteng is dead, and Du Nan naturally becomes the new King Du!

But Du Nan knows that in the future, the real king of Penglai Island will be Chen Ping, not him. He is just a puppet!

“Du Nan, you immediately order people to knock down all the stone statues in the temple. Don't let him kneel down anymore, otherwise the blood demon will be resurrected and no one will be able to survive...”

Chen Ping said to Du Nan.

Chapter: 2494

Du Nan nodded and immediately ordered people to start knocking down the stone statues in the temple. Although everyone was confused, they could only obey the order!

After Chen Ping gave all the instructions, he did not leave Penglai Island immediately. Although the spiritual energy on the island was as thin as other places, Chen Ping had the beast elixir of the Great Tiger Power, so he wanted to rely on this beast elixir. Attack Da Wuhou!

If he really steps into Dawuhou, Chen Ping will have the confidence to go to Kyoto again!

Relying on his invincible body and the immortal skills that Chen Ping has cultivated, when Chen Ping steps into the realm of the Great Wuhou, he will be able to deal with even the masters in the middle stage of the Great Wuhou.

Chen Ping found a secluded place and began to swallow the beast pill to practice!

Zhao Chuang was not idle either, training hard to challenge Wu Hou's strength!

Because Zhao Chuang's cultivation in the past few months has been suppressed and his level has not improved, now the taboo on Penglai Island has been lifted.

When Zhao Chuang practices, he is like riding a rocket, his strength is growing rapidly!

Only Hu Mazi, playing with the tiger skin and tendons all day long, seems to be making something!

Du Nan managed the entire Penglai Island and changed the management system. He no longer managed it by a monarchy. He followed Chen Ping's suggestions and began to slowly reform!

Penglai Island is slowly developing in a civilized and beautiful direction...

Daxia, the northwest desert!

In a death zone in the desert, this place has become a restricted area!

Even masters at the level of Wuhou would choose to take a detour and not dare to pass by here!

Within this restricted area, there were many bones on the ground.

At this moment, a one-armed young man wearing a black robe was sitting among the bones!

This person is Long Xiao, who has been looking for Chen Ping. He wants to rely on Chen Ping as an opportunity to step into the realm of the Great Wuhou!

But Chen Ping seemed to have disappeared and could not be found at all.

So Long Xiao came to this place and constantly absorbed the strength of others to break through Da Wuhou!

Rumble.....

The desert, which was originally sunny and rainy, was now covered with dark clouds, and thunder sounded from the sky.

Long Xiao suddenly raised his head and looked at the black clouds in the sky, his face full of excitement and excitement!

“You are probably the number one person in the martial arts world who broke through the Great Wuhou and was struck by thunder from the sky...”

An old voice sounded in Long Xiao’s mind.

Chapter: 2495

“It’s all seniors who have given good advice. I will definitely work hard to help seniors recover their true bodies and follow them around...”

Long Xiao said with excitement.

It is difficult for a breakthrough in the martial arts world to cause strange phenomena in the world. Legend has it that only by breaking through to the Martial Saint can one truly enter another world and cause strange phenomena in the world and the coming of thunder and disaster!

But Long Xiao just broke through Da Wuhou and actually caused a thunder disaster. Long Xiao knew that this was all caused by the soul in his body!

“You need to resist this thunder tribulation on your own. I can’t help you at all. Once you survive the thunder tribulation, you will probably have no rival among the great lords of Wu...”

After the old voice finished speaking, a black shadow flashed out of Long Xiao’s body and then floated into the distance.

Long Xiao looked up at the Thunder Tribulation in mid-air, feeling not only excited but also a little nervous.

He had never experienced a thunder tribulation before, so he didn’t know if his body could withstand this thunder tribulation. If he couldn’t, he would be wiped out!

But in order to reach the top of the martial arts world, Long Xiao could only grit his teeth and resist!

Rumble.....

Thunder Tribulation followed the trend and struck Long Xiao’s body hard!

Long Xiao only felt that ten thousand swords were piercing his heart, and his body seemed to be torn apart!

I don't know how long it took, but the black clouds in the sky dissipated, and Long Xiao's body was filled with bursts of light!

"Hahaha, I succeeded, I succeeded..."

Long Xiao looked at his body and laughed crazily: "Now that I step into the Great Wuhou, in the entire martial arts world, I will see who dares to be my enemy..."

I saw that the black shadow not far away flashed away and then entered Long Xiao's body!

"This body of yours has also been tempered by the thunder tribulation. Even if you meet the third-grade Great Wuhou now, you can still fight him!"

In my mind, that old voice sounded.

"As long as Chen Ping is still alive, I will cut him into pieces. In the entire martial arts world, I will see who dares to stop me..."

At this moment, Long Xiao's heart was extremely swollen, and he punched out suddenly!

A series of horrific explosions erupted not far away, and the earth was shaking!

"This is the power of the Great Wuhou, this is the power of the Great Wuhou..."

"Hahaha....."

Long Xiao laughed, then jumped a few times, and then thought about leaving in the distance!

Chapter: 2496

The direction he went to was Kyoto!

He wants to tell Long Jingguo this good news. In the future, the Long family will regain its glory, and the order of Kyoto's martial arts world will be reshuffled.

At this time, Long Jingguo didn't know the news about Long Xiao's breakthrough, and was still vaguely worried about Long Xiao!

Long Xiao went to find Chen Ping. If something unexpected happened, their Long family might decline from now on.

After all, the strongest member of the Long family is Long Xiao, and Long Jingguo, a veteran Wuhou, can no longer support the Long family!

With the increase in the number of people in black robes, soul-possessed people have begun to appear in many sect families!

The strength of these people is growing very fast, and they, the veteran Wuhou, have long been left far behind!

Soon, Long Jingguo felt an unprecedented aura, which made Long Jingguo feel uneasy!

Slowly, a figure appeared in front of Long Jingguo. When he saw the person clearly, Long Jingguo was stunned for an instant!

"Xiao'er, you...you made a breakthrough?"

Long Jingguo's eyes widened with disbelief!

“Yes, I broke through. Not only did I break through to the Great Wuhou, but I also suffered a thunderstorm. Now I am unbeatable...”

Long Xiao’s eyes shone with light, and the pride in his body burst out instantly!

“Thunder...Thunder Tribulation?”

Long Jingguo was shocked again, and then it turned into endless surprises: “Hahaha, great, great, this time, our Long family can regain its glory and no longer need the protection of the Martial Arts Alliance!”

Long Jingguo laughed so hard that there were tears in his eyes!

“Dad, what’s wrong with you?”

Long Xiao asked puzzledly.

Long Jingguo sighed: “You are not alone. In the few months since you left, the Kyoto martial arts world has also undergone earth-shaking changes!”

Long Jingguo told the story of Kyoto’s martial arts world!

As other sects and families grow in strength, the Long family’s voice and status in the martial arts world are getting lower and lower!

Even to the point of being looked down upon by others, Long Jingguo is no longer interested in meetings of the Martial Arts Alliance!

To put it bluntly, the Long family has become dispensable in the martial arts alliance.

“Damn it...” Long Xiao gritted his teeth: “I want to show those who look down on the Long family that I, Long Xiao, am the number one in the martial arts world. I want them to kneel down and surrender!”

Chapter: 2497

“What does the Martial Arts Alliance mean? Then what right does Zhu Zhishan have to look down on the Long family?”

Long Xiao shouted angrily, and his terrifying energy exploded instantly!

At this time, Long Xingxu walked in. After seeing Long Xiao, Long Xingxu lowered his head and showed great fear!

“Xingxu, what’s the matter?”

Long Jingguo asked.

“Sir, the Martial Arts Alliance will hold another meeting tomorrow...”

Long Xingxu said.

“Isn’t there still our Long family?”

Long Jingguo frowned and asked.

“Yes!” Long Xingxu nodded.

“I understand, you go down...”

Long Jingguo waved his hand.

During this period, he has been sending Long Xingxu to inquire about news in the martial arts alliance!

The Martial Arts Alliance has been meeting frequently recently, and I don't know if something happened. However, in every meeting, the Long Family no longer participates!

Long Xingxu retreated. When he retreated to the door, he couldn't help but glance at Long Xiao quietly!

Long Xiao didn't care. Long Xingxu's strength was so low that no one would notice him!

Long Jingguo's face became very ugly. Ever since the Long family came into his hands, it had begun to decline little by little, and now it has become a family that no one looks down upon.

"This Zhuzhi Mountain is so damn..."

A cold light appeared in Long Xiao's eyes: "I'll go find him right now..."

"Xiao'er, don't be impulsive..."

Long Jingguo persuaded Long Xiao.

"Dad, don't worry, I'm measured..."

After Long Xiao finished speaking, he walked out of Long's house!

At this time, Zhu Zhishan was drinking in a tavern!

Chapter: 2498

Regardless of Zhu Zhishan's status as the leader of the Martial Arts Alliance, he should have both fame and fortune!

But only he knew that no one in the martial arts alliance looked down upon him.

Therefore, in order to find a sense of presence, Zhu Zhishan often held meetings during this period.

He even killed the chicken to scare the monkey and excluded Long Jingguo, who was disrespectful to him. He did not invite Long Jingguo to every meeting and did not allow the Long family to participate!

Zhu Zhishan wants to let all the sect families understand that although he is not very powerful, he is still the leader of the martial arts alliance and has supreme rights!

“Waiter, serve the wine...”

Zhu Zhishan was a little dizzy after drinking, but he was still asking for wine!

During this period of time, without Chen Ping causing trouble, the entire martial arts world in Kyoto has calmed down a lot. Zhu Zhishan has also relaxed and does not have to worry about when Chen Ping will kill him!

“I wish you, Alliance Leader, you have drunk too much, please stop drinking...”

At this time, a manager-like person came over and said.

Zhu Zhishan drinks here almost every day, but every time he doesn't pay, they don't dare to say anything!

This time, seeing that Zhu Zhishan had drunk too much, the manager dared to come over and try to persuade him!

“What do you mean? Are you afraid that I won't give you the money?”

Zhu Zhishan narrowed his eyes slightly, patted the manager on the shoulder and said.

“Zhu Alliance Leader, that’s not what I meant. I just saw that you drank too much and I was afraid that you would be in danger if you went back!”

The manager hurriedly explained.

“It’s dangerous. I’m the leader of the Martial Arts Alliance. Who dares to disrespect me?”

“Do you also look down on me as the leader of the alliance and think that I, the leader of the alliance, have no real power?”

Zhu Zhishan grabbed the manager’s collar and asked angrily.

The manager was so frightened that he broke into a cold sweat and waved his hands quickly: “No, no, no, Leader Zhu has misunderstood. How dare I look down on you.”

“Waiter, hurry up and bring a bottle of good wine to Leader Zhu...”

Soon, the waiter brought a bottle of good wine, and Zhu Zhishan gave up!

Then he took the wine and walked out of the tavern, swaying while drinking and humming a song. What a pleasant little life!

But when he walked to an alley, he bumped into someone!

Chapter: 2499

“Who the fuck doesn’t have eyes to block the road here?”

Zhu Zhishan squinted his eyes and cursed loudly!

When he took a closer look, he found that the person in front of him was dressed in black robe again, which frightened Zhu Zhishan!

But when he saw that there was no symbol of the Martial Arts Alliance on the black robe, he breathed a sigh of relief!

If this man in black robe is a black copper robe or a black silver robe in the martial arts alliance, then he won't be able to live with it!

“Congratulations to the leader, I drink a little wine every day, my life is so uncomfortable...”

A sinister voice came!

Zhu Zhishan was slightly startled, feeling that the voice was very familiar!

“Who are you? You know that I am the leader of the Martial Arts Alliance and you dare to block my way. Believe it or not, I will kill you now...”

Zhu Zhishan shouted at the man in black robe!

“Kill me?” The man in black robe snorted coldly: “Even if you want to kill me, you are worthy...”

The man in black robe turned his back to Zhu Zhishan, his voice full of disdain and provocation!

“court death.....”

Zhu Zhishan threw the wine bottle in his hand, and then clapped it out with a palm.

A strong wind roared out and instantly hit the back of the man in black robe in front of him!

But when this palm hit the man in black robe, he saw that the man in black robe didn't even move.

Zhu Zhishan's face was instantly startled, and he even sobered up a bit!

"You...who are you?"

Zhu Zhishan asked in surprise.

"Zhu Alliance Leader is so forgetful that you can't even hear my voice?"

Long Xiao slowly turned around, looked at Zhu Zhishan and asked.

"Long Xiao?"

Zhu Zhishan frowned tightly after seeing Long Xiao!

"How could it be you? Why are you blocking my way?"

Chapter: 2500

Zhu Zhishan asked, staring at Long Xiao.

"I would like to ask, why is Alliance Leader Zhu targeting my Long family? Isn't it true that my Long family's strength is not worthy of participating in a small alliance meeting?"

Long Xiao asked unabashedly.

"I am the leader of the alliance. I have the final say in alliance meetings. How can it be your turn to question me?"

“Your Long family is just a member of the Martial Arts Alliance. Doesn’t every meeting require the consent of your Long family?”

Zhu Zhishan snorted coldly when he heard that Long Xiao was actually here to fight against Long Jingguo’s injustice.

“In the future, meetings of the Martial Arts Alliance must be approved by our Long family...”

Long Xiao said with a cold face.

“Why?”

Zhu Zhishan asked.

“Just relying on my strength as the Great Wuhou...”

After Long Xiao finished speaking, a terrifying aura suddenly erupted from his body. Zhu Zhishan suddenly felt a tightness in his chest, and then spit out a mouthful of blood!

“Da... Dawuhou? You actually broke through to Dawuhou...”

Zhu Zhishan took a breath of air, his eyes full of shock!

He did not expect that Long Xiao could step into the realm of Da Wuhou in such a short period of time.

However, in front of Da Wuhou, Zhu Zhishan had no ability to resist at all.

“Tell me, what do you want?”

Zhu Zhishan asked warily.

“I don’t want anything to happen. I just want our Long family to participate in tomorrow’s alliance meeting. In addition, I hope that our Long family will have the final say on matters within the martial arts alliance in the future...”

Long Xiao smiled coldly.

“impossible.....”

Zhu Zhishan immediately refused: “Long Xiao, do you think that you will be invincible after becoming the Great Wuhou? The strength of the Martial Arts Alliance is not what you see in your eyes.”

“You still want to control the entire martial arts alliance. It’s simply a wishful thinking...”

“Really? If you are just wishful thinking, you will know after trying it...”
