

## **The Order 2501**

Chapter: 2501

Saying that, Long Xiao suddenly made a move and grabbed Zhu Zhishan's neck directly: "You have no other choice now. Only by obeying me obediently can you save your life..."

Zhu Zhishan was grabbed by the neck and it became difficult to breathe.

"Long Xiao, you... do you want to rebel? I am the leader of the Martial Arts Alliance..."

"If you kill me, the Martial Arts Alliance will not let you go, and your Long family will never want to stay in Kyoto..."

Zhu Zhishan threatened Long Xiao.

"You still dare to threaten me?"

Long Xiao's eyes narrowed, and a cold killing intent came over him, making Zhu Zhishan's whole body tremble continuously.

"You...you really dare to kill me..."

Zhu Zhishan's eyes widened, and the feeling of suffocation continued to spread throughout his body!

"What do you think..."

The strength in Long Xiao's hand began to increase!

Zhu Zhishan could hear the sound of his throat bones cracking.

“Stop...stop, I...I listen to you...”

Zhu Zhishan was afraid and could only compromise.

When Long Xiao saw this, he let go of his hand, and Zhu Zhishan gasped for air!

“Remember what you promised me today. If you dare to play tricks tomorrow, I will kill you...”

After Long Xiao finished speaking, he turned around and left, and his figure instantly disappeared into the night!

Zhu Zhishan looked at Long Xiao’s back, his expression extremely ugly!

.....

At this time, Chen Ping was still practicing on Penglai Island, and swallowed the beast elixir of the Great Immortal Huli, which caused Chen Ping’s strength to reach the peak of Wuhou.

But the attack on Da Wuhou failed again and again!

“It seems that in order to hit such a big realm, we need an opportunity...”

Chen Ping sighed helplessly!

Since he couldn’t break through, Chen Ping decided to leave Penglai Island and find his own opportunity!

Chapter: 2502

“Brother Chen, haven’t you broken through to the Great Wuhou yet?”

Zhao Chuang asked in surprise.

You must know that the beast pill with great tiger power that Chen Ping swallowed, but the beast pill with the real power of Wuhou, did not break through!

At this time, Zhao Chuang also discovered that the resources and difficulty required for Chen Ping's cultivation were many times higher than others!

"It seems that in order to break through to Da Wuhou, we need an opportunity. I decided to leave here, maybe I can encounter an opportunity to break through!"

Chen Ping said calmly.

Chen Ping knew that every breakthrough he made to a great realm was accompanied by a test of life and death!

This time, it may be no exception!

"Okay, I'll pack my things right away!"

Zhao Chuang has also missed Xiaoru for a long time, and he can't wait to fly back to see Xiaoru right away!

After walking for several months, Zhao Chuang didn't know how Xiaoru was doing.

Zhao Chuang went to pack his things, while Chen Ping found Hu Mazi.

I want to ask Hu Mazi if he wants to follow him. In fact, with Hu Mazi's strength, if he follows Chen Ping, Chen Ping will have an effective helper!

Hu Mazi is the most powerful person in magic that Chen Ping has ever seen, bar none...

When Chen Ping saw Hu Mazi, he only saw Hu Mazi wearing a tiger skin jacket and holding a whip made of tiger tendon in his hand, waving it constantly!

There were constant popping sounds in the air, and the huge rocks not far away all exploded!

Chen Ping couldn't help but laugh when he looked at Hu Mazi's appearance. He didn't expect that Hu Mazi had used all the tiger's skin and tendons.

"Master Hu, I plan to leave Penglai Island, do you want to come with me?"

Chen Ping asked Hu Mazi.

"Where are you going? Are you going back to Kyoto?"

Hu Mazi said.

Chen Ping nodded. Of course he was going back to Kyoto. Almost all his relatives were in Kyoto. How could he leave them behind.

"I'm not going. I never want to go back to Kyoto in my life..."

"I'm still looking for an ancient ruins to get more treasures. I've been here for so long and haven't gotten anything good..."

Chapter: 2503

Hu Mazi said helplessly.

Chen Ping smiled faintly: "When we cooperate next time, if there are good things, I will let you get them first..."

“This is what you said, just wait for my call...”

Hu Mazi knew that even if he found ancient ruins, it would be difficult for him to explore alone, and he would have to find Chen Ping.

“Okay, let’s get in touch when the time comes!”

Chen Ping nodded, and then glanced at the forbidden area of the palace!

Chen Ping is still thinking about the large amount of spiritual power stored in that stone statue. Now he is not strong enough. When one day he is strong enough, he will definitely come back.

After leaving Penglai Island, Chen Ping followed Zhao Chuang straight to the Medicine God Valley!

In the past few months since Chen Ping suddenly disappeared, the entire martial arts world has been quietly changing, and the pattern has also changed, but no one has taken action against Yaoshen Valley!

After all, when it comes to refining medicine, no other family can match those from Yao Shen Valley.

Many sects and aristocratic families have to buy elixirs from the Medicine God Valley. If they are injured, they will also ask for help from the Medicine God Valley!

So during this period of time, no one came to disturb Yao Shen Valley!

After Chen Ping brought Zhao Chuang back to Yaoshen Valley, Yaoshen Valley was as lively as the Chinese New Year!

Zhao Chuang found Xiaoru immediately, and the two young men didn’t know where they went.

“Ding Buda, during my absence, what actions will the Kyoto Martial Arts Alliance take?”

Chen Ping asked Ding Buda.

“Mr. Chen, during the time you left, the Kyoto Martial Arts Alliance has also undergone considerable changes. The once-all-powerful Long family has now become a declining family. Long Jingguo is no longer invited to attend the Martial Arts Alliance meetings.”

“There are also some families that have risen, but overall they are still under the control of the Martial Arts Alliance, and there are no special changes!”

Ding Buda followed Chen Ping and said.

“The Long family has fallen to this point...”

Chen Ping frowned slightly, as if he was thinking about something, and then slowly said: “Since the Long family is in dire straits, let’s start with the Long family...”

Chen Ping is now at the peak of Wuhou’s strength. If he wants to deal with the Long family and rescue his mother, this strength is enough.

However, Chen Ping did not go to the Long family immediately, but stayed at Yaoshen Valley with peace of mind!

Chen Ping then summoned Xu Changsheng and others to prepare himself with the Shennong Cauldron.

Chapter: 2504

Now Chen Ping has reached a bottleneck period, and Da Wuhou has never been able to break through!

Chen Ping plans to try using the Shennong Cauldron, maybe his body can break through the quenching chain.

As long as he breaks through to the Great Martial Arts Sect, Chen Ping will have the confidence to dominate the Kyoto martial arts world.

Martial Arts Alliance Hall!

Many talkers from sects and aristocratic families had already arrived and were talking to each other. Some of them were drinking tea with expressionless faces!

Everyone doesn't seem to have much expectations for this alliance meeting, and they are even a little bored!

During this period, alliance meetings were held too frequently, and every time they talked about insignificant things.

These people are tired!

"Congratulations to the leader..."

With a shout, Zhu Zhishan slowly walked into the hall!

And everyone shut their mouths and sat in their respective seats!

Zhu Zhishan sat on the main seat, then glanced to both sides, but found no one from the Long family, which made Zhu Zhishan stunned!

Since Long Xiao didn't arrive, Zhu Zhishan didn't dare to directly announce the start of the meeting!

So everyone sat like this, waiting quietly!

Soon, half an hour passed, and there was still no sign of the Long family. Many people began to become impatient.

“Zhu Alliance Leader, what are we waiting for? I see that everyone is already here. If you need anything, just tell me quickly?”

Someone said to Zhu Zhishan dissatisfiedly.

“Master Liu, let’s wait, wait...”

Zhu Zhishan said to the dissatisfied person.

“snort.....”

The head of the Liu family snorted coldly and could only sit back again.

The head of the Liu family has a domineering aura, and has obviously reached the realm of the late Wuhou, otherwise he would not dare to speak like this to Zhu Zhishan!

Another ten minutes passed, and Long Xiao still didn’t show up!

“Zhu Alliance Leader, what are we waiting for? If we keep waiting like this, I, Mr. Liu, will have no time to accompany me...”

Chapter: 2505

The head of the Liu family was a little angry.

“Yes, I don’t have time to waste here either.”

“If you have anything to say, just say it quickly. What a big shot, you have to wait for so long.”

Everyone began to become dissatisfied.

Zhu Zhishan frowned tightly, with cold sweat breaking out on his forehead!

“Master Liu, I’m waiting for the Long family to arrive, but the Long family hasn’t arrived yet...”

Zhu Zhishan said to the head of the Liu family.

“People from the Long family?” The head of the Liu family was stunned: “No one from the Long family has been invited to these meetings. Besides, is Long Jingguo still worthy of attending the meeting?”

The head of the Liu family was very dissatisfied and shouted loudly.

“I don’t deserve it, do you?”

At this moment, Long Jingguo walked in slowly, and behind Long Jingguo, followed Long Xiao, who was dressed in black robes!

Seeing Long Xiao coming, Zhu Zhishan breathed a sigh of relief!

The head of the Liu family saw Long Jingguo walking in, and he was full of anger. He immediately sneered and said: “Long Jingguo, I didn’t expect you to be so arrogant. Your Long family is no longer what it used to be.”

“You have no place to speak here. If you are wise, get out of here...”

Long Jingguo’s face turned red with anger and he stared at the head of the Liu family!

“Say what you said again?”

At this time, Long Xiao walked forward slowly with murderous intent, his eyes flashed with cold light!

“Long Xiao, when our elders are talking, there is no place for your juniors to interrupt. You are so uneducated...”

The head of the Liu family cursed angrily at Long Xiao.

“Humph, I don’t know whether to live or die...”

Long Xiao’s face turned cold, and then he snorted softly!

Then Long Xiao’s figure disappeared instantly, and then a crisp sound was heard.

I saw the figure of the Liu family head rising in the air, with a deep five-finger mark on his face!

The head of the Liu family covered his face, his eyes filled with disbelief!

Chapter: 2506

“Good boy, how dare you attack me...”

The head of the Liu family was furious, and his deep breath burst out instantly!

The head of the Liu family jumped up and ran straight towards Long Xiao.

Being slapped by a junior named Long Xiao in front of so many people, the head of the Liu family did not lose face!

“Ants.....”

Facing Patriarch Liu, Long Xiao snorted coldly, and then waved his palm gently. Patriarch Liu’s body froze, and then he fell heavily to the ground as if he had been hit hard!

The head of the Liu family looked at Long Xiao with horror in his eyes!

And Long Xiao stepped forward slowly, stepped on the body of the Liu family, and then bursts of black mist emerged from the palm of his hand, wrapping the Liu family!

Soon, the strength of the Liu family leader was absorbed by Long Xiao in front of him!

Immediately after exerting force under his feet, the body of the Liu family leader suddenly burst and died!

“Long Xiao, don’t...”

Zhu Zhishan saw this and wanted to stop it, but it was already too late!

The others looked at the scene in front of them and were stunned!

The head of the Liu family was in the late stage of Wuhou, but he was killed by Long Xiao so easily!

“Does anyone still think that my Long family is not qualified to participate in this alliance meeting?”

Long Xiao glanced at everyone present and said.

At this moment, everyone was silent, with their heads lowered, not daring to speak!

The strength shown by Long Xiao made them all frightened!

Seeing no one said anything, Long Xiao had a proud smile on his face!

This feeling of standing at the pinnacle of power made him feel very happy...

“Blessings to the leader...”

Long Xiao looked at Zhu Zhishan and shouted.

“Master Long, what’s the matter?”

Zhu Zhishan was frightened after seeing Long Xiao’s cruel methods!

Chapter: 2507

Although the power within the martial arts alliance is not comparable to that of Long Xiao, a great Wuhou.

But in this situation, if Zhu Zhishan didn’t compromise, he might be the next one to die.

“I’ve been looking at your position for so long. It’s time for a replacement. I think my father is quite suitable...”

Long Xiao said to Zhu Zhishan.

“Mr. Long, although I am the leader of the alliance, to give up my position, I must obtain the approval of the senior management. You know this...”

Zhu Zhishan looked embarrassed.

He can no longer be the leader of this alliance, but this is not his final decision.

Ning Zhi, the deputy leader, has more power than him!

What's more, there are higher-ups behind, and there are powerful people above!

No one said anything, how could Zhu Zhishan dare to agree casually? Now that Ning Zhi is in retreat, Zhu Zhishan can't find anyone to deal with Long Xiao!

"Aren't you talking about those black copper robes? If anyone disagrees, let him come to me directly..."

As Long Xiao spoke, the aura of the Great Wuhou began to fill the air.

Under this pressure, everyone felt their hearts trembling!

"Da Wu Hou, this Long Xiao has been promoted to Da Wu Hou..."

"No wonder he killed the Liu family leader with one palm. Who can match the realm of Da Wuhou..."

Everyone was trembling and looking at Long Xiao in disbelief!

"Zhu Alliance Leader, why don't you come down?"

Long Xiao asked coldly.

Zhu Zhishan's expression turned extremely ugly, and in the end he had no choice but to slowly retreat from his seat!

"Dad, you can sit on it..."

Long Xiao said to Long Jingguo.

Long Jingguo looked at the position of alliance leader in front of him, his face full of excitement!

Step by step, Long Jingguo walked forward and sat down directly!

“Hahaha, our Long family will surely move towards glory from now on...”

Chapter: 2508

Long Jingguo stroked the leader’s chair and burst into laughter.

“From today on, you will surrender to our Long family. If you dare to have second thoughts, you will know what happens later...”

Long Xiao said with a gloomy face!

These people lowered their heads and no one spoke!

When Long Xiao saw this, his face turned cold: “Are you all deaf?”

The aura on their bodies suddenly surged, and everyone felt as if their breathing was stagnant, as if a thousand kilograms of stone were weighing on their bodies!

“knew.....”

Some people couldn’t bear it anymore and began to give in.

Then more and more people began to succumb to Long Xiao’s power.

Seeing everyone’s reaction, Long Xiao nodded with satisfaction, and then looked at Zhu Zhishan: “Zhu Zhishan, I heard that many experts are imprisoned in the dungeons in the alliance. I want to go and see them, especially Chen Ping’s girlfriend, I will use her to completely lure Chen Ping out and kill him...”

“No, no one can enter the dungeon in the alliance casually, especially Su Yuqi. The top management has ordered that no one is allowed to move!”

Zhu Zhishan refused immediately!

Su Yuqi is a treasure in the martial arts alliance, and Dang Neng has spoken in person. Even if Zhu Zhishan is given 10,000 courage, he would not dare to go against Dang Neng’s words!

“What did you say?”

Long Xiao’s face turned cold, and the pressure on his body was fully revealed!

Zhu Zhishan suddenly felt a tightness in his chest, but he still did not dare to agree to Long Xiao’s request!

“Now I have the final say in the martial arts alliance. Those who follow me will prosper and those who go against me will perish...”

As soon as Long Xiao stretched out his hand, a huge suction force instantly grabbed Zhu Zhishan in his hand!

Zhu Zhishan’s body was trembling, and he could clearly feel the strong murderous intention on Long Xiao’s body!

But even so, Zhu Zhishan did not dare to go against the will of Dang Neng!

Zhu Zhishan knew that if he didn’t listen to Long Xiao, he would die at most!

But if you offend the Almighty, then life is worse than death. I am afraid you will suffer forever...

“Long Xiao, I advise you to stop now. The Martial Arts Alliance is not what you see. You have never seen the true strength of the Martial Arts Alliance...”

Zhu Zhishan said to Long Xiao.

Chapter: 2509

“Hmph, I am the Great Wuhou now. The Great Wuhou who has suffered thunder tribulation, who can be my enemy?”

Long Xiao’s face was full of arrogance, and he could no longer tolerate anyone in his eyes!

Zhu Zhishan looked at Long Xiao’s arrogant look and didn’t know what to say.

However, he would never take Long Xiao to the dungeon.

“Zhu Zhishan, are you not afraid of death?”

Long Xiao frowned when he saw Zhu Zhishan like that!

“I’m afraid of death, but if I take you to the dungeon, life would be worse than death...”

Zhu Zhishan slowly closed his eyes.

“Okay, since you are disobedient, what’s the use of keeping you...”

After Long Xiao finished speaking, a burst of black mist rose up from his palm, followed by a huge suction force, but it sucked the strength of Zhu Zhishan!

Zhu Zhishan felt the rapid loss of strength in his body, but he did not resist at all. He had already resigned himself to his fate!

At this moment, Zhu Zhishan's mind actually flashed with the figure of Chen Ping!

He raised the corners of his mouth and laughed self-deprecatingly.

He has always regarded Chen Ping as a thorn in his flesh, and has always been afraid that his life will end in Chen Ping's hands!

But he never expected that Chen Ping didn't kill him, but Long Xiao was the one who killed him!

"Maybe Chen Ping is still in Kyoto and can fight with Long Xiao, right?"

Zhu Zhishan was thinking wildly in his mind!

Slowly, Zhu Zhishan's body became weaker and weaker, and his thoughts began to slow down. He knew that the last moment of his life was coming!

Soon, Zhu Zhishan could not breathe at all, and his whole body became like a mummy!

The leader of a generation of martial arts alliance came to an end and ended up like this...

After absorbing Zhu Zhishan's strength, Long Xiao licked his lips with satisfaction, and the sparkle in his eyes became even brighter!

The others looked at Zhu Zhishan who had turned into a mummy. They all lowered their heads in fear and did not dare to breathe!

"This is the consequences of disobedience, you all remember..."

Long Xiao glanced at everyone.

Chapter: 2510

Everyone could only nod their heads and didn't dare to speak!

Long Xiao went straight to the backyard of the Martial Arts Alliance. Looking at the rockery, he knew that this was the entrance!

However, the dungeon must be protected by a formation. If Long Xiao wants to enter, he must break the formation!

"Hmph, this mere formation can still stop me..."

Long Xiao was extremely swollen at this moment. As a Dawu Marquis and the only Dawu Marquis to suffer a thunderstorm, Long Xiao said he was not afraid!

Long Xiao slowly raised his hand, and a black energy condensed on his palm.

Then the black energy turned into a huge palm, and an overwhelming aura filled the air.

This big hand enveloped the entire rockery.

boom!

Long Xiao pushed his palm forward, and the extremely cold breath shot towards the rockery in an instant!

But just when the giant hand arrived in front of the rockery, a blazing light suddenly lit up in the rockery. Under the light, the giant hand condensed into black mist instantly turned into nothingness and disappeared without a trace. !

Long Xiao was stunned, his eyes filled with disbelief. Although he didn't use all his strength just now, that blow couldn't even destroy a rockery!

"The Martial Arts Alliance really has something. I don't believe that a formation can't be broken..."

Long Xiao said as he condensed the black mist again, this time the aura was even more terrifying.

"Stop, you can't break this magic circle..."

At this time, the old voice in Long Xiao's head sounded!

"Senior, can't this formation even defeat the strength of a great Wuhou like me?"

Long Xiao didn't believe it.

He, the great Wuhou, could not break any formation set up by anyone.

"This is an ancient soul-locking formation. Even though the person who set it up can only exert half of the power of this formation, it is not something you, the Great Wuhou, can break through forcibly."

"I didn't expect that someone from the Martial Arts Alliance would set up this array. It seems that the Martial Arts Alliance is really not that simple..."

The old voice said with a bit of surprise.

When Long Xiao saw this, he could only sigh and retreat!

Soon, the news that the martial arts alliance was controlled by the Long family spread throughout the Kyoto martial arts world!
