

The Order 251

Chapter: 251

He knew very well who Chen Ping was, but he didn't expect that Li Jian would dare to scold Chen Ping?

Isn't this old birthday girl hanging himself to die?

Gao Ren had always been afraid that he would offend Chen Ping due to poor service. At this time, his employees dared to scold Chen Ping!

"Fuck you, why are you talking to Mr. Chen? Kneel down..."

Gao Ren kicked Li Jian hard and yelled!

Li Jian was stunned and looked at Gao Ren in disbelief: "Gao...Mr. Gao, he is just a salesman, you...what are you doing?"

"Stop your mother, I'm going to make you kneel down, I'm going to make you kneel down, can't you hear me..."

Gao Ren kicked Li Jian hard again, and he said so many curse words that he was already frightened!

If Chen Ping gets angry, whether it's Lin Tianhu, Gu Wentian, or even the Su family, he can easily bring down his company!

Li Jian was kicked hard on the calf and fell to his knees with a thud!

"Mr. Chen, I offended you because of my lax discipline. I will fire him now. As for whether he accepted money, I will also investigate..."

Gao Ren followed Chen Ping in a cold sweat and apologized!

“Gao Ren, did you take the wrong medicine? This Chen Ping is just a reform-through-labor prisoner. You are so low-key. You are still the boss of such a big company. It’s so fucking embarrassing...”

Xiao Lei felt a surge of emotion in his heart when he saw Gao Ren’s respectful look towards Chen Ping, and then said with disdain!

Gao Ren glanced at Xiao Lei coldly and did not explain. Since Xiao Lei didn’t know Chen Ping’s strength, he would continue to let him jump. However, Gao Ren believed that the Xiao family would not be able to jump for a few days. .

The Xiao family is very powerful, but if they really want to follow Lin Tianhu, Gu Wentian, and the Su family to fight against each other, they don’t have the qualifications at all!

“Mr. Gao, let’s sign the contract. I don’t want anyone to disturb...”

Chen Ping said calmly!

“Understood!” Gao Ren nodded and immediately said to Secretary Li: “Secretary Li, see the guests off. If anyone refuses to leave, call security immediately...”

Secretary Li nodded and said to Xiao Lei: “Mr. Xiao, please...”

Xiao Lei looked at Gao Ren angrily, but at this time Xiao Lei also knew that staying here would only make him more embarrassed, so he pulled Geng Shanshan up and walked out, but when he reached the door, he turned back and said: “Gao Ren, just wait for me, I will make you regret it in ten thousand ways...”

After Xiao Lei and Geng Shanshan left, Gao Ren looked at Li Jian who was kneeling on the ground and said, “Get out of here too. I’ll settle the score with you later!”

Li Jian didn’t dare to stay any longer and ran out in a hurry!

Li Jian, who returned to the office, was already very angry. When he saw that Wang Hanhan was still in the office and did not leave, he immediately looked at Wang Hanhan with an evil look on his face!

Chapter: 252

When Wang Hanhan saw Li Jian coming back with an angry look on his face, he was so frightened that he dared not speak out!

“How are you thinking about it? Let me tell you, as long as you promise me, I can guarantee 100% to sign the contract with your company...”

Li Jian already knew that the contract was signed with Xinyu Company, so he made such a guarantee!

“Li Jian, you...can you change your request? I...”

Wang Hanhan looked embarrassed!

“Change your request?” Li Jian sneered: “Do you know how much the contract is worth this time? If you can sign the contract, the commission alone is beyond your imagination, and you can even buy a building! Such a big one Interested, sleeping with you for one night is not too much, right? If I spend money to find chicks, I can find a hundred!”

Wang Hanhan’s face was red and she was biting her lip. Li Jian looked at Wang Hanhan like that. If he hadn’t been in the office, he would have pounced on her right now!

“I...I promise you, but I must sign the contract first!”

After Wang Hanhan thought for a while, he nodded and said!

“Of course, you must sign the contract first...” Li Jian raised his lips, and then continued: “I will open a room and wait for you in the evening. Just wait for my call. Remember to dress sexy...”

Wang Hanhan turned around and walked out. She really couldn’t listen anymore!

But just when Wang Hanhan turned around and walked out of Li Jian's office, she saw Chen Ping coming down from upstairs!

"Brother Chen Ping..."

Wang Hanhan didn't expect Chen Ping to come so quickly!

"Hanhan, why are you here?" Chen Ping was slightly stunned after seeing Wang Hanhan!

He said there was no need for Wang Hanhan to come, but he didn't expect Wang Hanhan to come secretly himself!

"I came here to ask my classmates for help, so we can have an easier conversation!" Wang Hanhan said, looking at the contract in Chen Ping's hand, and said with some surprise: "Brother Chen Ping, you...have you signed the contract?"

"Yes, it has been signed..."

Chen Ping handed the contract to Wang Hanhan!

Wang Hanhan looked at the contract and frowned!

She had just promised Li Jian, how could Chen Ping sign the contract so quickly?

"Mr. Chen, who is this???"

After Gao Ren saw Wang Hanhan, he looked at Chen Ping with confusion!

After all, he knew about the relationship between Chen Ping and Su Yuqi. The two of them were flirting at the banquet without shying away from everyone!

Chapter: 253

“My sister...” Chen Ping said with a slight smile!

“Hanhan, this is Mr. Gao from Tianmei. The contract we just signed...”

Chen Ping followed Wang Hanhan and introduced!

“Hello, Mr. Gao, my name is Wang Hanhan...”

Wang Hanhan hurriedly reached out and shook hands with Gao Ren!

“Ms. Wang, I just heard that your classmate is also in our company?”

Gao Ren asked Wang Hanhan!

“Well, his name is Li Jian, the office director of your company...”

Wang Hanhan nodded!

“Is it him?” Chen Ping frowned!

“Brother Chen Ping, do you know him?” Seeing Chen Ping like that, Wang Hanhan asked doubtfully.

“Just now, Li Jian was trying his best to prevent us from cooperating with Tianmei!”

Chen Ping said!

When Wang Hanhan heard this, she immediately became furious. Li Jian had been deceiving her about her feelings. When she thought that she foolishly agreed to Li Jian, Wang Hanhan was almost furious!

At this moment, Li Jian was coming out of the office. When he saw Wang Hanhan following Chen Ping and Gao Ren beside him, he felt something was wrong and ran out!

“Li Jian, you beast, you actually lied to me...”

Seeing Li Jian, Wang Hanhan yelled and chased him out!

When Chen Ping saw this, he seemed to understand something. He rushed out and directly brought Li Jian back!

Wang Hanhan grabbed Li Jian’s hair angrily: “Li Jian, didn’t you say that Tianmei’s cooperation has the final say? You actually want to use the contract to blackmail me and sleep with me. You are really not a human being...”

Wang Hanhan was really angry and hit Li Jian with all his strength. Li Jian didn’t dare to dodge and could only bear Wang Hanhan’s heavy rain of slaps!

Chen Ping was exuding murderous aura at this moment, and Li Jian actually used this to blackmail Wang Hanhan. If he hadn’t signed the contract himself, wouldn’t Li Jian have succeeded?

After a while, Wang Hanhan was tired and looked at Chen Ping with tears in her eyes: “Brother Chen Ping, I... I don’t want you to be expelled, so I agreed to this bastard!”

“Hanhan, I know, it’s okay!” Chen Ping patted Wang Hanhan gently, and then looked at Li Jian with cold eyes.

Feeling the cold murderous aura on Chen Ping’s body, Li Jian was so frightened that he trembled slightly: “I...I was wrong, I was just joking. We are old classmates, how could I do such a thing!”

Chapter: 254

Li Jian apologized desperately, but the apology at this time was of no use!

“I don’t want to kill anyone today...” After Chen Ping finished speaking, he grabbed Li Jian’s arm with one hand, and a huge spiritual power came from Chen Ping’s body, directly shattering Li Jian’s entire arm!

“ah.....”

Li Jian screamed in pain!

At this time, apart from the skin and flesh, the bones of Li Jian’s arm were broken, and there was no possibility of reconnecting!

“Brother Chen Ping...”

Seeing this, Wang Hanhan hurriedly pulled away from Chen Ping!

She was afraid that Chen Ping would really kill Li Jian for her, which would be illegal. She couldn’t let Chen Ping go to jail again!

Looking at Wang Hanhan who looked worried, Chen Ping did not take action, but looked at Gao Ren and said: “Mr. Gao, this is your person, you can handle it yourself...”

Gao Ren was so frightened that he trembled all over and nodded quickly: “Don’t worry, I will definitely discipline you...”

Chen Ping left with Wang Hanhan. He knew that Gao Ren would have a way to deal with Li Jian!

When Chen Ping and Wang Hanhan returned with the contract, the entire sales department was in huge shock!

Everyone read the contract again and confirmed that it was true!

Everyone looked at Chen Ping in disbelief. They really couldn't figure out how Chen Ping got the contract from Tianmei Company in such a short period of time!

Cui Zhiyuan held the contract, his hands trembling slightly, because only he knew the weight of this contract. As the sales manager, this contract could also bring him huge benefits!

Although he hated Chen Ping and wanted to fire Chen Ping, Chen Ping got the contract back this time, which really benefited him a lot!

Although he was happy in his heart, Cui Zhiyuan tried his best to hide it and said with an indifferent expression: "Chen Ping, you can sign the contract this time because Sun Xiaomeng and I have run countless times before. You don't have to be complacent. , although you passed the test this time and did not need to be expelled, it does not mean that you will pass the next test!"

After Cui Zhiyuan finished speaking, he put the contract away and went straight to the general manager's office. This was a big event for the company!

"Zhiyuan, Zhiyuan..." Sun Xiaomeng immediately chased after Cui Zhiyuan after he walked out of the sales department!

Cui Zhiyuan stopped when he saw it was Sun Xiaomeng!

"Tell me, how much can you raise for this contract?" Although Sun Xiaomeng knew that this contract could raise a lot of commissions, she didn't know the specific amount yet!

Cui Zhiyuan grinned: "Don't you always like the house in Panlong Bay? Tomorrow I will take you to see the house and choose an apartment you like. This contract will bring us a steady stream of wealth later. When the time comes, we can buy one. It's no problem to get an apartment!"

When Sun Xiaomeng heard this, she almost jumped up with joy and said with excitement: "Really? It seems that this Chen Ping is not useless."

“Hmph, I think he just relied on the foundation we laid before!” Cui Zhiyuan snorted. He didn’t think that the credit was Chen Ping’s.

Chapter: 255

“Yes, if we hadn’t moved in advance, how could Chen Ping sign the contract so easily...”

Sun Xiaomeng also nodded quickly!

“Okay, I’m going to hand over the contract to Mr. Xing. Mr. Xing will definitely reward me. Maybe he can just transfer me to the purchasing department!”

After Cui Zhiyuan finished speaking, he happily went to the general manager’s office with the contract!

Because he was so happy, Cui Zhiyuan walked in without knocking!

At this time, Xing Jun was on the phone. When he saw someone suddenly barging in, he hung up the phone!

Seeing that it was Cui Zhiyuan, Xing Jun’s face became extremely gloomy!

Cui Zhiyuan also knew that he was in trouble at this time. He was so frightened that he picked up the contract and said, “Mr. Xing, we signed the contract with Tianmei!”

After all, this is a big contract, maybe Xing Jun won’t be angry when he hears the news!

But Cui Zhiyuan thought wrong. As soon as Cui Zhiyuan finished speaking, Xing Jun instantly became furious: “Get out, get out...”

Immediately afterwards, Xing Jun slammed the tea cup towards Cui Zhiyuan!

Wow.....

The cup shattered at the sound, and Cui Zhiyuan was so frightened that he ran out quickly!

Xing Jun gritted his teeth at this moment and gasped for air. He was obviously very angry!

He already knew about Chen Ping's successful signing of the Tianmei Company contract. He originally planned to let Chen Ping suffer some humiliation, but he didn't expect that the one being humiliated would be Xiao Lei!

The call just now was from Xiao Lei, who scolded Xing Jun. Now Xing Jun doesn't want to stay in the Su family, so he has contacted Xiao Lei. Now the reason why he betrayed the Su family is in Xiao Lei's hands. Hold on, even if Xiao Lei scolds him, he can only swallow it!

"Zhiyuan, what did Mr. Xing say? Did you say how much commission you can get?"

Sun Xiaomeng asked happily when she saw Cui Zhiyuan coming back.

"What the hell, I don't know what happened today, but I was scolded..."

Cui Zhiyuan took the contract and returned to the office with a displeased look on his face...

Sun Xiaomeng also hurriedly followed in and comforted Cui Zhiyuan!

After getting off work at noon, Chen Ping packed up and prepared to go to Su's house. After all, he promised Su Yuqi that he would have a meal with Su Wenzong at noon today!

"Brother Chen Ping, we signed such a big contract today. Let's celebrate together at noon. I know there is a very good Western restaurant nearby!"

Wang Hanhan found Chen Ping and said happily!

Chapter: 256

Chen Ping was stunned and said with embarrassment: "I have something to do at noon. You can go and eat by yourself. We will celebrate in the evening..."

When Wang Hanhan saw this, he felt a little disappointed and said: "Okay then..."

Watching Chen Ping walk out of the company, Wang Hanhan always felt that there was a barrier between herself and Chen Ping. She couldn't see through Chen Ping, and she couldn't get into Chen Ping's heart!

Chen Ping walked out of the company and wanted to drive his Changan, but he saw Su Yuqi sitting in the car not far away, honking the horn constantly!

When Chen Ping saw Su Yuqi coming to pick him up, he had no choice but to put away his car keys and walk towards Su Yuqi!

"You are so free that you come to pick me up in person?"

After Chen Ping got in the car, he smiled lightly and said!

"Aren't I afraid that you will let me go? The ancient times are here now. If you don't go, I will be embarrassed..."

After Su Yuqi finished speaking, she stepped on the accelerator and rushed out!

But at this time, Wang Hanhan was standing at the window upstairs and saw Chen Ping getting into a red luxury car. The driver was a woman. However, because the distance was too far, Wang Hanhan did not see the woman's appearance clearly. At this moment, Wang Hanhan's heart Hold each other tightly!

"Brother Chen Ping, is it because of this woman that you don't want to eat with me?"

Wang Hanhan murmured to himself, his eyes already moist!

Su family villa!

Su Wenzong and Gu Wentian were sitting in the living room drinking tea and chatting!

If it were in the past, even though Su Wenzong was the richest man in Hongcheng, he would not have had the opportunity to drink tea and chat with Gu Wentian!

Now Su Wenzong's identity is different. Everyone has recognized Su Wenzong as Chen Ping's father-in-law. This identity is much more powerful than the title of the richest man in Hongcheng!

Soon, Su Yuqi followed Chen Ping and arrived. After seeing Chen Ping, Gu Wentian stood up hurriedly: "Mr. Chen..."

"Gu Gu, don't be so polite. You look very tough these days..."

Chen Ping smiled slightly and said!

"It's all thanks to Mr. Chen, otherwise my old bones would have been sucked clean by the resentful dragon!"

Gu Wentian knew that his health was so good thanks to Chen Ping. If it hadn't been for Chen Ping's intervention, Gu Wentian would have been sitting on the dragon chair all day long, and his body would have collapsed by now!

"It's just my old physique..." Chen Ping laughed!

"Chen Ping, I heard from Yuqi that you are now working at Xinyu Daily Chemical?"

Su Wenzong asked Chen Ping.

Chapter: 257

"Well, I became a salesperson!" Chen Ping nodded!

“Why are you bothering? When I asked you if you liked doing business, you said you didn’t like it. Now you are going to be a small salesperson. You don’t want to start from the bottom, right?”

Su Wenzong asked.

Chen Ping shook his head. He didn’t know how to explain it. When he went for the interview, he didn’t know that the company belonged to the Su family. What’s more, he didn’t plan to work all the time, he just wanted to stabilize his parents temporarily!

Seeing that Chen Ping was silent, Su Wenzong continued: “I have already notified people to do it. When I go to work on Monday, I will directly hand over Yu Qi’s chairmanship to you. Anyway, Yu Qi will not go to the company for a month or two.” , I don’t trust Xing Jun to manage it all by himself...”

When Chen Ping heard this, he was immediately confused and waved his hands repeatedly: “Mr. Su, I don’t want to do this. I really don’t have time to manage the company. Being a salesperson is just to stabilize my parents. I have more important things to do.” Do it!”

Chen Ping didn’t want to be tied down by worldly things. He had to seize the time to practice, otherwise he wouldn’t be able to land on Wuming Island on July 15th!

“Don’t refuse. This matter has been settled. You are not required to work in the company every day. You can just do your own thing...”

Su Wenzong thought that Chen Ping was embarrassed and declined politely, so he forcefully let Chen Ping take over!

When Chen Ping saw this, he didn’t know what to say.

The food is ready, and the few of us are chatting while eating!

“Gu Gu, are you looking for me because of the magic pen?”

Chen Ping agreed to come over for dinner because Su Yuqi said that Gu Wentian had something to do with him.

Gu Wentian said with an embarrassed look on his face: “Mr. Chen, I have already spoken to Taoist Master Buxu. He is already on his way back. It shouldn’t take more than a few days!”

“Thank you for your trouble!” Chen Ping is now very eager to cure his mother’s eyes!

“This is nothing, I have something to ask Mr. Chen for help...”

Gu Wentian said!

“Gu Gu, if you have anything to say, just say it. As long as I can do it, I will never refuse...”

Chen Ping nodded!

“Mr. Chen, I know that you have unpredictable power. I have an old friend who took his wife to visit a grave. His wife started going crazy and looked for medical advice everywhere but to no avail. I think Mr. Chen Maybe it can be cured...”

Ever since Gu Wentian saw Chen Ping forcing out the resentful dragon on the dragon throne, he had been admiring Chen Ping!

“After I went to the cemetery, I felt crazy when I came back. It’s probably just a ghost haunting me. It’s not a big problem...”

Chen Ping said calmly!

“If Mr. Chen can be cured, I will tell my old friend now and ask him to bring his wife to see Mr. Chen...”

Chapter: 258

Gu Wentian happily took out his cell phone and prepared to make a call!

Chen Ping waved his hand and stopped Gu Wentian: "Don't be in a hurry, Gu. It's best to watch this kind of thing at night. Gu told me the address. I'll just go there in person after get off work..."

"That's really troublesome, Mr. Chen..." Gu Gu thanked him repeatedly!

"It's just a piece of cake. I beg you to find the magic pen, and I won't trouble you as much..."

Chen Ping smiled and said!

"Help each other, don't be polite to each other, the food will get cold after a while..."

Su Wenzong spoke, otherwise we wouldn't know how long the two of them would be polite!

After eating, Chen Ping was sent back to the company by Su Yuqi!

"Chen Ping, I'll pick you up tonight and go have a look with you. I've never encountered a ghost possessing someone before!"

Su Yuqi followed Chen Ping excitedly!

"Aren't you afraid?" Chen Ping asked with a bit of fun when he saw Su Yuqi's excitement.

"What are you afraid of? You are here, aren't you? I know that those of you with superb medical skills can summon ghosts and suppress souls. Some children are so scared that they cry at night. Some doctors can just say a few spells and do not give injections or take medicine. ..."

Su Yuqi said indifferently.

Chen Ping smiled and said nothing more. He knew that when Su Yuqi really saw it, she might be scared to death!

Chen Ping got out of the car, and Su Yuqi drove away directly. Upstairs, Wang Hanhan was still standing by the window. She had been waiting for Chen Ping to come back. She wanted to see who this girl was!

But this time she didn't see it clearly either. She only saw Chen Ping getting out of the car with a smile on his face!

When Chen Ping returned to the sales department, he saw that Wang Hanhan was in a bad mood, so he asked: "Hanhan, what's wrong with you?"

"It's okay!" Wang Hanhan didn't look at Chen Ping, she just tried her best to smile and left!

Chen Ping didn't pay too much attention and just sat down at his desk to work!

In the afternoon, the Su Group Corporation issued a document, which was placed directly on the desk of General Manager Xing Jun!

Looking at the contents of the document, Xing Jun's face became extremely ugly and ferocious!

The content of the document is personnel adjustments. Chen Ping will serve as the chairman of Xinyu Daily Chemical, which will officially take effect next Monday!

In this way, Chen Ping becomes Xing Jun's immediate boss!

"why why....."

Chapter: 259

Xing Jun looked at the contents of the document, roared loudly, and tore the document into pieces!

“Mr. Xing, what’s wrong...”

The secretary heard the commotion and ran in hurriedly!

“Get out, get out of here...”

Xing Jun yelled at the secretary and scolded the secretary away!

At this moment, Xing Jun seemed to be going crazy, and his eyes were a little scarlet.

“Chen Ping, it’s all because of you, it’s all because of you, I’m going to kill you...”

Xing Jun gritted his teeth. He, a top student, had been defeated by a reform-through-labor prisoner after staying in the Su family for so many years!

Xing Jun was not convinced. At this moment, his heart had become extremely distorted!

After a long time, Xing Jun’s mood slowly calmed down. Looking at the documents that he had torn to pieces, he slowly opened his drawer!

At this moment, in Xing Jun’s drawer, a pistol was placed inside!

Looking at the pistol in front of him, Xing Jun seemed to be making a difficult decision!

Slowly picking up the gun, Xing Jun stroked the cold body of the gun, having already made up his mind!

“Cui Zhiyuan, ask Chen Ping to come to my office...”

Xing Jun picked up the internal phone and called Cui Zhiyuan!

Cui Zhiyuan, who was originally angry in the office, looked surprised after receiving a call from Xing Jun!

“Zhiyuan, what do you want Mr. Xing to do with Chen Ping?”

Sun Xiaomeng asked.

“How would I know!” Cui Zhiyuan frowned, he always felt something was wrong!

“Mr.

Sun Xiaomeng looked angry and said very dissatisfied!

“Okay, stop nagging, I’m annoyed now!”

Cui Zhiyuan glared at Sun Xiaomeng, then walked out of the office, came to Chen Ping’s workstation and said: “Chen Ping, Mr. Xing asked you to go to his office, probably because of the contract. What should you say after you go?” , you should know it yourself, if Xiaomeng and I hadn’t managed the relationship well before, would you have been able to sign the contract so easily?”

Chen Ping glanced at Cui Zhiyuan, raised the corners of his mouth slightly, sneered, stood up and left without saying a word!

Chapter: 260

Seeing Chen Ping like that, Cui Zhiyuan was furious: “What the hell? If Xiaomeng hadn’t introduced you, would you have been able to stay in this company? If you dare to confront me, I will make you regret it sooner or later...”

.....

In Xing Jun's office, after Chen Ping arrived, the secretary wanted to report it, but Chen Ping just opened the door and walked in, and the secretary couldn't stop him!

"Mr. Xing, he...he forced his way in!"

The secretary was so frightened that she hurriedly followed Xing Jun to explain!

Xing Jun looked at Chen Ping, waved his hand towards the secretary and said, "You go out, no one is allowed in without me!"

Seeing this, the secretary nodded and went out, closing the door behind him!

"sit down....."

Xing Jun pointed to the chair in front of him!

Chen Ping was not polite and sat directly opposite Xing Jun!

The two of them just looked at each other for a full minute without saying a word!

"If you need anything from me, just tell me quickly, I'm busy!"

Chen Ping saw that Xing Jun had been silent, so he spoke!

"Chen Ping, I have investigated your background. You are an ordinary person and you have been in jail. Why do you get Su Yuqi's love? Why can you be the chairman of the company? Why?"

Xing Jun stared at Chen Ping. He just couldn't figure it out. He was a top student studying abroad. Why did Su Yuqi not like him but like Chen Ping?

If Chen Ping were some kind of rich man, or some kind of second-generation official, Xing Jun would feel better, but Chen Ping is just an ordinary person who has been in prison. Even so, Su Yuqi would rather like Chen Ping. He doesn't like himself either, which makes Xing Jun really confused!

"Without any reason, how can there be so many reasons for liking someone? Yuqi just likes me, what can you do?"

Chen Ping raised the corners of his mouth slightly and said playfully!

Chen Ping's expression and tone immediately stimulated Xing Jun!

Xing Jun, who had been trying to calm down, suddenly exploded!

"Chen Ping, I want you to get out of Hongcheng immediately, leave Yuqi, and never come back again, otherwise I will definitely make you regret it..."

Xing Jun's whole body was trembling slightly, his eyes widened, and he roared at Chen Ping with all his strength!

"Regret?" Chen Ping sneered: "I have never regretted it, and you are not qualified to order me, let alone threaten me..."

"I want you to see if I am qualified to order you..."
