

The Order 2511

Chapter: 2511

And Long Xiao held a grand banquet at the Long family and invited all the major sects and families in Kyoto's martial arts world to attend!

Long Xiao's intention this time is very obvious!

Anyone who comes is regarded as a friend of the Long family. Anyone who does not come to participate will be eliminated by Long Xiao!

He is thinking of subduing the entire martial arts world in Kyoto under the feet of the Long family!

Although many sects and families are dissatisfied, due to Long Xiao's current strength, they can only swallow their anger!

Long Xiao even dared to kill Zhu Zhishan of the Martial Arts Alliance. What else could he not dare to do?

On the day of the Long family's grand banquet, almost the entire Kyoto martial arts community was present, which made Long Xiao's heart swell to the extreme!

Long Jingguo was extremely excited when he saw the grand occasion in front of him!

Even when the Long family was at its peak, there had never been such a spectacular scene!

As the head of the Long family and the current head of the martial arts alliance, Long Jingguo dressed very grandly and waited for everyone to arrive before he took his seat!

"Xingxu, are all the sects and families in the martial arts world here?"

Long Jingguo asked Long Xingxu.

“Master, except for the Dong family and the Ge family, everyone is here...”

Long Xingxu whispered.

“Huh, it’s the Dong family and the Ge family again. They always think they are right. Our Long family is no better than it was back then. We are so disrespectful...”

After hearing this, Long Jingguo’s face turned cold.

“Dad, don’t worry, these two families will soon disappear from Kyoto’s martial arts world...”

Long Xiao’s body on the side was faintly exuding a cold light.

“Yes.” Long Jingguo nodded, then looked at Long Xingxu and said: “Go out and entertain those people, and don’t lose the style of our Long family...”

“I understand, Master...”

Long Xingxu retreated, and just as he walked out of the door, a look of worry appeared on Long Xingxu’s face!

He has been holding back and spying on the position of the head of the Long family!

But now, Long Xiao has been promoted to Da Wuhou, so it will be much more difficult for him to seize the position of the head of the Long family.

Originally, he wanted to help him kill Long Jingguo and his son through Chen Ping’s help, so that he could take the position of the head of the Long family.

Chapter: 2512

But he didn't expect that Chen Ping would disappear without knowing his life or death, and he would disappear for several months!

Long Xingxu took a deep breath, then summoned the rest of the Long family and began to greet the people from the sect families.

But deep down in Long Xingxu's heart, he would never give up just like that.

The sharp sword is hidden in the scabbard, and the murderous intention is hidden in the heart...

.....

Kyoto, Ge family!

"Dad, then the Long family has made such a fuss and blatantly oppressed many sects and families to surrender. Why don't the officials come forward?"

Seeing how arrogant the Long family was, Ge Jiayi asked angrily.

"Who can understand Mr. Shi's thoughts, but regardless of what the authorities do, we have to save ourselves."

"This Long Xiao's methods are more ruthless than those of the previous martial arts alliance. He can't possibly watch us being alone and will definitely take action against us."

"I'm going out for a while. You have to remember, no matter what, don't start a conflict with the Long family. Everyone in the Ge family is not allowed to go out unless there is an emergency..."

Ge Fuhai's eyes were full of worry!

“Dad, why are you so afraid of the Long family? The strength of our Ge family is no worse than that of the Long family, right? And you may not be able to defeat that Long Xiao, so why are you afraid of him?”

Ge Jiayi didn't understand why her father was so nervous!

“Our Ge family never asks about the affairs of the martial arts world. If we really fight with the Long family this time, then the secrets of our Ge family may no longer be secrets. And our Ge family has been recuperating for thousands of years, and we have to pay for it. Flooded to the east...”

The worry in Ge Fuhai's eyes became a little thicker, and then he continued: “Don't ask any more questions, just listen to my arrangements. The Kyoto martial arts world is in chaos now, and I must report this matter to the superiors. I'm afraid it will be difficult for our Ge family to be alone in the future...”

After Ge Fuhai finished speaking, he clasped his hands together, and a ray of light instantly rose into the sky, and then the entire Ge family was enveloped in a curtain of light!

“I activated the formation. As long as you don't go out, nothing will happen. Remember, no matter what happens, don't go out at will!”

As Ge Fuhai spoke, his figure slowly began to fade, and finally disappeared.

At this time, Ge Fuhai had already used space magic to leave Kyoto in an instant!

.....

Yao Shen Valley, Chen Ping has been staying in Yao Shen Valley during this period and has not returned to Kyoto.

However, Chen Ping knew everything about what happened in Kyoto.

“I really didn’t expect that Long Xiao would break through to Da Wuhou. The Long family is probably at its most prosperous now.”

Chapter: 2513

Long Wu looked in the direction of Kyoto and said calmly.

“No, it’s only been a few months, and the martial arts world in Kyoto has really changed. Who would have thought that Zhu Zhishan would be killed by Long Xiao. The two of them were so in sync with each other. It’s so ironic...”

Chen Ping’s face flashed with worry!

Long Xiao has broken through to Da Wuhou, so it may be a little more difficult for him to deal with the Long family.

“Now the entire martial arts community in Kyoto is almost following the Long family’s expression. It will be even more difficult to rescue the eldest lady at this time.”

Long Wu lamented, now that the Long family is getting stronger and stronger, it means that the chance of rescuing Long Ruotong is getting smaller and smaller!

“Perhaps the Long family is now at its last moment of madness before extinction. Let’s wait and see...”

Chen Ping knew that with Long Xiao’s style, many people in Kyoto’s martial arts community would be dissatisfied!

Moreover, Chen Ping still knew the strength of the Martial Arts Alliance, and it was impossible for him to watch Long Xiao control the entire Martial Arts Alliance.

He believed that a conflict would soon break out between the Martial Arts Alliance and the Long Family.

At this time, every member of the Long family in Kyoto was filled with joy!

Now the identity of the Long family is a kind of honor and symbol!

When the Long family walks on the street, they all have to hide!

The hearts of Long Xiao and Long Jingguo have already expanded to the extreme!

The other sects and aristocratic families could only dare to be angry but dare not speak out. Long Xiao's ruthless methods were much more cruel than that of the martial arts alliance!

"It's time to force Chen Ping to show up. I don't believe that Chen Ping will die so easily..."

In the hall of the Long family, Long Xiao said with a cold light in his eyes.

Now the martial arts world in Kyoto is basically controlled by the Long family. Long Xiao now dreams of Chen Ping showing up and killing Chen Ping.

"How can we force him? Are we going to push his mother out and force him to show up?"

Long Jingguo asked in confusion.

He didn't know how to force Chen Ping!

But one thing is that if Long Ruotong is brought out, the entire martial arts world will know that Long Ruotong is still alive and has been imprisoned for more than 20 years.

Moreover, the secrets that the Long family wants to know may also be known to others in advance!

"No, isn't Chen Ping the master of the Medicine God Valley? Then we'll start from the Medicine God Valley..."

Chapter: 2514

The corner of Long Xiao's mouth raised slightly: "I don't believe that Chen Ping can still hide himself if he threatens the entire Medicine God Valley..."

"Xiao'er, the alchemy refining skills of the Medicine God Valley are indeed unrivaled. If we destroy the Medicine God Valley, who will we go to to refine elixirs in the future?"

Long Jingguo asked with a slight frown.

The strength of Medicine God Valley is not strong, but relying on its invincible medicine refining skills, no sect family dares to touch Medicine God Valley easily.

"Who said I want to destroy Yaoshen Valley? We can capture all the people in Yaoshen Valley and let them serve only our Long family. We can also use this to force Chen Ping to show up. Wouldn't it be better to get the best of both worlds?"

Long Xiao smiled coldly.

"Then I will take people there myself..."

Long Jingguo said.

Long Xiao waved his hand: "How can such a trivial matter require your intervention!"

After saying that, Long Xiao said to a one-eyed middle-aged man sitting in the hall: "One-eyed dragon, take people and bring back the pharmacist from Medicine God Valley, and kill all the others..."

The one-eyed dragon stood up, nodded and said: "As ordered..."

The aura of this one-eyed dragon is also very tyrannical, and has reached the realm of the late Marquis Wu!

And there are many such masters in the Long family. Many of them came here after hearing that Long Xiao had broken through Wuhou recently and suffered a thunder disaster.

It is very difficult to achieve such a big breakthrough, so they all hope to learn something from Long Xiao!

The one-eyed dragon led dozens of people towards the Medicine God Valley!

At this time, Chen Ping and Long Wu were sitting on the hilltop not far from Yaoshen Valley!

During this time, Chen Ping always liked to sit here with Long Wu and listen to Long Wu talk about his mother.

“Uncle Long, has my mother never mentioned my father’s affairs to you?”

Chen Ping now wants to know who his father is!

Many people called him the Son of the Dragon more than once, and even the Great Immortal Tiger Power said he was the true form of the Golden Dragon!

Could it be that his father is a dragon?

Long Wu shook his head: “The eldest lady has never mentioned it, maybe she doesn’t want to mention it...”

Chen Ping stopped talking. Looking into the distance, between the vast world, Chen Ping felt as small as a grain of dust!

Just when Chen Ping was following Long Wu on the top of the mountain, One-Eyed Dragon had already led people to surround the entire Medicine God Valley.

Chapter: 2515

Such a big movement immediately attracted Elder Xu and the four evil villains!

When they saw these dozens of people, their faces were all extremely ugly!

These people are very powerful, and each of them exudes a terrifying aura!

The one-eyed dragon looked at the people pouring out and grinned.

“I didn’t expect that there are so many people waiting in Medicine God Valley...”

“I am going to take away all the Medicine God Valley pharmacists today. All Medicine God Valley pharmacists, please stand aside for me to avoid hurting you.”

“Others had better surrender, otherwise they will be killed without mercy...”

The one-eyed dragon exuded the aura of the late Wu Hou in his body, and his eyes swept over everyone present!

Everyone was suppressed by this terrifying aura and felt very nervous, but no one stood up!

Even among those pharmacists who had no strength, no one stood up just to survive!

“Since each of you stands up, don’t blame me for being rude...”

The one-eyed dragon narrowed his eyes, and his murderous intent became even stronger!

“Who are you? Why did you break into the Medicine God Valley? Don’t you know who our Valley Master is?”

Xu Changsheng stood up and asked the one-eyed dragon.

“Haha, isn’t your Valley Master that Chen Ping? His life and death are unknown now, what do you expect him to do?”

“Now listen to me and I can guarantee your safety.”

The one-eyed dragon laughed.

Xu Changsheng said nothing. Looking at these people, they all thought that Chen Ping was missing and his life and death were unknown!

As everyone knows, Chen Ping is now in the Medicine God Valley!

As long as we delay for a while, when Chen Ping arrives, none of these people will be able to escape!

“I am the elder of Medicine God Valley. The owner of the valley is not here now. I have the final say here. If we medicine masters follow you, can you let the others go?”

“If you don’t agree, I can guarantee that you won’t even be able to take away a living pharmacist...”

Xu Changsheng threatened the one-eyed dragon.

The one-eyed dragon frowned, thought for a moment and then said: “Okay, I promise you, I will ask all the pharmacists of you Medicine God Valley to stand up now...”

Chapter: 2516

Xu Changsheng nodded, then looked at everyone, and his eyes followed the four villains and Zhao Ligu!

Everyone also knew what Xu Changsheng meant. As long as they delayed for time, Chen Ping would come back when he found out what was going on here.

“All the pharmacists in Medicine God Valley listened to my order and stood aside...”

Xu Changsheng shouted to everyone.

With Xu Changsheng’s order, the pharmacists began to slowly walk out of the crowd!

Seeing these pharmacists coming out, the one-eyed dragon winked at the men he brought with him!

These pharmacists are not very powerful and are easy to control. As long as these pharmacists are controlled, the remaining people can be killed without mercy...

But at this moment, a figure floated down from the sky!

Seeing the figure falling in the sky, everyone in Yaoshen Valley breathed a sigh of relief!

The person who came was none other than Chen Ping.

“Who are you? Dare you come to my Medicine God Valley to run wild?”

Chen Ping looked at the one-eyed dragon coldly and asked.

“Chen Ping?”

The one-eyed dragon’s expression changed slightly: “It turns out that you have been hiding in the Medicine God Valley. Today it seems that I am going to make a great contribution.”

Uh-huh.....

A golden light flashed, and the one-eyed dragon's body was thrown high, followed by a crisp slap!

The one-eyed dragon was slapped so hard that all his teeth fell out!

"I'm asking you, who are you?"

Chen Ping's sharp eyes made the one-eyed dragon feel a chill behind him.

"We are members of the Long family. We were ordered to destroy the Medicine God Valley. I didn't expect to meet you. If we can capture you, Master Long will definitely be richly rewarded..."

Although the one-eyed dragon was slapped, his eyes were slightly narrowed with excitement!

"You guys, you lousy fish and rotten shrimps, do you want to catch me?"

Chen Ping sneered!

The one-eyed dragon's face was gloomy, and he said with anger: "Chen Ping, don't think that you can defeat me just because you successfully attacked me in a sneak attack. You burned your essence and blood. Even if you recover for so long, you still can't return to your peak. You If you know something about it, you can just surrender your hands and be captured, and you can avoid the physical pain..."

Chapter: 2517

"Impatient, there is so much nonsense..."

Chen Ping said, turning his fingers into swords, and a golden light shot out rapidly from Chen Ping's fingers!

Before the one-eyed dragon had time to react, his left arm was chopped off!

Blood spurted out instantly, and the one-eyed dragon's eyes were full of shock!

"This...how is this possible?"

The one-eyed dragon's face is extremely ugly. You must know that he is in the late stage of Wuhou. Even if he is the newly promoted Great Wuhou, it is not easy to cut off his arm in one move!

However, Chen Ping caused him to lose an arm instantly with such an easy blow. This kind of shock made the one-eyed dragon unable to react for a long time.

Those people in the Medicine God Valley were stunned when they saw Chen Ping's casual attack, how powerful it was, and what followed was endless excitement and joy!

"Nothing is impossible. Since you dare to come to Medicine God Valley to cause trouble, you must be prepared to die..."

Chen Ping raised the corner of his mouth slightly and said calmly to the one-eyed dragon.

The corner of the one-eyed dragon's eyes twitched and he didn't speak. He was looking for how to escape!

"Everyone obeys the order and captures Chen Ping. Master Long will be rewarded heavily when he returns..."

The one-eyed dragon ordered to those who followed.

"kill....."

Although those who followed knew that Chen Ping was very powerful, they had no choice but to fight hard!

If they don't fight hard, a more bloody and cruel punishment awaits them!

More than a dozen people used various spells to attack Chen Ping!

The one-eyed dragon turned around and ran away, increasing his speed to the extreme!

"A bunch of ants..."

Chen Ping snorted coldly, then golden light flashed on his body, and he patted his palm lightly. In mid-air, he saw a huge golden palm that had always been huge, pressing down hard on those people!

Rumble.....

The huge power directly caused the heaven and earth to shake, and rocks flew everywhere!

And those who rushed up had no time to react. They were all slammed to the ground, and each person's figure sank more than ten meters underground!

More than a dozen people, including many Wuhou masters, were all turned into a pulp by Chen Ping's palm!

Chapter: 2518

Not a single one alive!

Feeling the terrifying and shocking power behind him, the one-eyed dragon couldn't help but look back!

But it was this turn back that made the one-eyed dragon see an unforgettable scene in his life!

He saw that the people he had brought with him had all turned into flesh in an instant, and they could no longer die!

This scene deeply shocked the one-eyed dragon.

After a while, the one-eyed dragon finally woke up, turned around and continued running. He was running for his life, how could he stop?

But as soon as he turned around, he found that Chen Ping had appeared in front of him.

“Do you think you can still run away?”

Chen Ping looked at the one-eyed dragon with a sneer!

“Chen Ping, I should tell you that Master Long has already entered Dawuhou, and he is also a Dawuhou who suffered a thunderstorm. Master Long will not let you go, he will cut you into pieces...”

The one-eyed dragon gritted his teeth and looked ferocious!

“Then I’ll wait slowly, but you won’t have the chance to see what I am like...”

Chen Ping smiled, then raised his hand and slapped it down.

The one-eyed dragon didn’t even have a chance to scream, and was swatted to death, just like swatting a fly to death!

The four villains, Zhao Ligu, and the people from Yaoshen Valley, all looked at Chen Ping in confusion, with mixed feelings in their hearts!

They are all people who follow Chen Ping, but now that Chen Ping is getting stronger and stronger, the difficulties he encounters are getting bigger and bigger, and the help they can help is much less!

And many times, they still need Chen Ping's protection, which makes them, as subordinates, feel deep self-blame!

Chen Ping glanced at everyone and seemed to see something from their expressions!

"You don't need to feel any psychological pressure. Cultivation is all about gradual progress. Nowadays, many people do not hesitate to join the ranks of evil cultivators in order to speed up the progress of cultivation. Some people even do not hesitate to become puppets and be possessed by souls. These are not advisable after all. ."

Chen Ping said to everyone.

Listening to Chen Ping's words, everyone was silent, but they all agreed with Chen Ping's point of view!

.....

Kyoto, Long family!

"What's going on? It's been all day. How can the one-eyed dragon do anything? Can't even do such a small thing?"

Chapter: 2519

Long Xiao frowned when he saw that the one-eyed dragon hadn't come back yet.

"Is there going to be an accident?"

Long Jingguo felt faintly uneasy in his heart!

"Dad, there will be no accidents. That one-eyed dragon is a seventh-grade Wuhou. He is in the late stage of Wuhou. How can a small Medicine God Valley not be able to deal with it!"

“Now I’m afraid that someone else will interfere with it and ruin our Long family’s affairs. After all, many sects and aristocratic families also regard Medicine God Valley as a piece of fat!”

What Long Xiao is worried about now is that someone else is causing trouble!

Although most of the sects and aristocratic families in Kyoto’s martial arts world have already surrendered to the Long family, they do not really surrender, and Long Xiao also knows this!

If someone is really secretly evil, it’s impossible to tell.

“Would you like to send someone to take a look?”

Long Jingguo asked. ,

“It’s better to wait...” Long Xiao looked at the time and decided to wait!

At the same time, in the secret room of the Martial Arts Alliance!

A terrifying power soared into the sky. If it weren’t for the barrier of the secret room, this terrifying power would definitely cause a sensation!

Ning Zhi slowly opened his eyes, feeling the unprecedented power in his body, and raised the corners of his mouth!

“Da Wu Hou, this is the power of Da Wu Hou, it is indeed extraordinary...”

Ning Zhi clenched his fists, his eyes bursting with light!

After walking out of the secret room, Ning Zhi went straight to the hall!

“Vice Leader Ning...”

Seeing Ning Zhi coming out of seclusion, everyone in the martial arts alliance came forward to say hello!

“Where is the leader Zhu?”

Ning Zhi asked.

During this period of seclusion, Ning Zhi knew nothing about everything that happened in Kyoto’s martial arts world!

Seeing Ning Zhi asking about Zhu Zhishan’s arrival, everyone lowered their heads and stopped talking!

Ning Zhi’s heart was shaken, and he knew something must have happened.

Chapter: 2520

“Tell me quickly, where is Leader Zhu?”

Ning Zhi’s face turned cold and he asked loudly.

At this time, a member of the martial arts alliance stood up and told Ning Zhi exactly what happened during this period.

Ning Zhi seemed a little surprised when he heard this!

“This Long Xiao is so bold and wants to make the entire Kyoto martial arts world surrender. It’s so crazy...”

Ning Zhi’s eyes flashed coldly.

“Deputy leader Ning, now the head of the Long family has proclaimed himself the leader of the alliance and demands that we all listen to the Long family.”

said a member of the Martial Arts Alliance.

“I wish the alliance leader is dead, then I will naturally be promoted to the position of alliance leader. You all just need to listen to me. Now go and convene a meeting of the various member families of the martial arts alliance!”

Ning Zhi said with a cold expression.

“Deputy Leader Ning, that Long Xiao is now the Great Wuhou, and his methods are cruel. Many sects and aristocratic families are very afraid of him...”

The martial arts alliance member said.

“Hmph, he is the Great Wuhou, why am I not...”

After Ning Zhi finished speaking, the aura on his body suddenly rose into the sky, instantly causing a burst of strange phenomena, lightning and thunder!

“Damn it, is there someone else who can break through Da Wuhou?”

“This is the direction of the Martial Arts Alliance. Someone from the Martial Arts Alliance has broken through the Great Wuhou!”

“Who is it? Who has such ability?”

Many people were talking and speculating.

Soon, many sect families were summoned to the martial arts alliance, and the Long family also got news!

“Young Master, now many sect families have gone to the Martial Arts Alliance for meetings, and some people say that the master’s position as leader of the alliance is self-proclaimed, not counting!”

A servant of the Long family hurriedly followed Long Xiao and said.

“How could this happen? Who is so bold and dares to openly oppose my Long family?”

Long Xiao suddenly said angrily.

“I don’t know, but some people say that there are people in the martial arts alliance who have broken through the Great Wuhou, so they called those sect families for a meeting.”
